

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, AMENDING CHAPTER 7.90 OF THE MONTEREY COUNTY CODE RELATING TO THE COMMERCIAL CANNABIS BUSINESS PERMIT**

**County Counsel Summary**

*This ordinance amends Chapter 7.90 of the Monterey County Code to reflect recent changes to state law and elsewhere in the Monterey County Code, and to streamline operational aspects of the commercial cannabis permit. This ordinance creates a mechanism for the commercial cannabis permit to be amended during its annual term. If certain criteria are met, the commercial cannabis permit may be modified one time by the Appropriate Authority. This ordinance changes the Appropriate Authority from the Director of the Resource Management Agency to the Cannabis Program Manager because of internal operational changes. This ordinance also makes adjustments given recent amendments made elsewhere in the Monterey County Code, including the type of land use entitlement required and the adoption of the outdoor cultivation pilot program. This ordinance also requires all property owners, business owners, and employees be 21 years of age or older, and wear an identifying badge while on a commercial cannabis premises. This ordinance removes the requirement for separate permits for adult-use and medicinal activities, and instead requires a single permit with an adult-use and/or medicinal designation on the permit. This ordinance also requires commercial cannabis permit holders to submit certain data to the California Cannabis Authority.*

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Section 7.90.010 of the Monterey County Code is amended to read as follows:

**7.90.010 Findings and purpose.**

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. The federal Controlled Substances Act (21 U.S.C. § 801, *et seq.*) prohibits, except for certain research purposes, the possession, distribution, and manufacture of cannabis, and there is no medical necessity exception to prosecution and conviction under the Controlled Substances Act.

C. The federal government has issued guidelines for states and local governments that have enacted laws authorizing cannabis related conduct, requiring them to implement strong and effective regulatory and enforcement systems that will address the threat that cannabis activity could pose to public safety, public health, and other law enforcement interests.

D. On November 5, 1996, California voters approved Proposition 215, the Compassionate Use Act of 1996 (Health & Safety Code § 11362.5, “CUA”), an initiative that exempted certain patients and their primary caregivers from criminal liability under state law for the possession and cultivation of cannabis for medical purposes. One of the stated purposes of the CUA is to ensure that seriously ill Californians have the right to obtain and use cannabis for medical purposes where that medical use has been recommended by a physician.

E. On January 1, 2004, Senate Bill 420, the Medical Marijuana Program Act (Health & Safety Code §§ 11362.7-11362.83, “MMP”), became law to clarify the scope of the CUA and to facilitate the prompt identification of qualified patients and their primary caregivers.

F. On October 9, 2015, the State enacted the Medical Marijuana Regulation and Safety Act (former Business & Professions Code § 19300, *et seq.*, “MMRSA”). MMRSA created a state licensing program for commercial medical cannabis activities.

G. On July 12, 2016, the Monterey County Board of Supervisors adopted inland zoning regulations establishing criteria for issuing local land use permits pursuant to the MMRSA (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to the Monterey County Code), and on July 19, 2016 the Monterey County Board of Supervisors adopted regulations establishing criteria for issuing local business permits pursuant to the MMRSA (Ordinance Numbers 5272 and 5273, codified at Monterey County Code Chapters 7.90 and 7.95). These ordinances were to become operative only if the Board of Supervisors submitted a County tax on commercial medical cannabis activities to the voters, the voters approved the tax, and the tax was certified by the County pursuant to Section 15372 of the California Elections Code. On November 8, 2016, the voters approved the tax (Measure Y, codified at Monterey County Code Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Section 15372 of the Elections Code and Ordinance Numbers 5270, 5272, and 5273 became operative. Chapter 21.67 provided a one year amortization period for commercial medical cannabis activities that were legally established prior to August 12, 2016 to obtain all required County permits, licenses, and entitlements, or to terminate their operations. This one year amortization period ended on August 12, 2017.

H. On November 8, 2016, by statewide initiative, the voters enacted the Adult Use of Marijuana Act (“AUMA”). AUMA created a state licensing program for commercial adult-use cannabis activities.

I. On June 27, 2017, the State enacted the Medicinal and Adult-Use of Cannabis Regulatory and Safety Act (Business & Professions Code § 26000, *et seq.*, “MAUCRSA”), which combined MMRSA and AUMA into a single state licensing scheme for both medicinal and adult-use cannabis. MAUCRSA allows counties and cities to maintain local regulatory authority over commercial cannabis activities. The state will not issue a state license without first receiving authorization from the applicable local jurisdiction.

J. On December 5, 2017, the Board of Supervisors adopted Ordinance Number 5292 to amend Title 21 of the Monterey County Code to regulate both adult-use and medical

commercial cannabis activities. The Board also adopted a Resolution of Intent to adopt an ordinance amending the Monterey County Coastal Implementation Plan, Parts 1 and Part 2 (Title 20, coastal zoning ordinance) of the Monterey County Code to regulate commercial cannabis activities in the coastal zone of unincorporated Monterey County consistent with MAUCRSA; and to amend the text of the North County Land Use Plan.

K. On February 7, 2018, the California Coastal Commission certified Monterey County LCP Amendment number LCP-3-MCO-18-0004-1 (North County Land Use Plan amendment and Commercial Cannabis Ordinance) as submitted by the County.

L. On March 20, 2018, the Board of Supervisors adopted the North County Land Use Plan amendment and coastal zoning regulations, as certified by the Coastal Commission, establishing criteria for issuing local land use permits pursuant to the MAUCRSA (Ordinance No. 5299, amending sections of Title 20 and adding Chapter 20.67 to the Monterey County Code).

M. On November 6, 2018, the Board of Supervisors adopted Ordinance Number 5306 to amend Title 21 of the Monterey County Code to change commercial cannabis activities from a conditional use allowed subject to a Use Permit, to a principle use allowed subject to an Administrative Permit. The Board of Supervisors also adopted Resolution of Intent Number 18-413 to amend the Monterey County Coastal Implementation Plan, Part 1 (Title 20, coastal zoning ordinance) to change commercial cannabis activities from a conditional use allowed subject to a Coastal Development Permit, to a principle use allowed subject to a Coastal Administrative Permit. The County has submitted Resolution of Intent Number 18-413 to the Coastal Commission for certification. If certified by the Coastal Commission, the ordinance will then need to be adopted by the Board of Supervisors.

N. On June 18, 2019, the Board of Supervisors adopted Ordinance Numbers 5311 and 5312 to add Chapters 20.69 and 21.69 to the Monterey County Code to establish a five year pilot program for outdoor commercial cultivation and related activities in certain coastal and inland unincorporated areas. Ordinance Number 5312 adding Chapter 20.69 to establish a pilot program in the coastal area will not be operative until certified by the Coastal Commission.

O. It is the intent of the County of Monterey to have a strong and effective regulatory and enforcement system with regard to cannabis that addresses threats to public safety, health and other law enforcement interests through robust controls and procedures that are effective in practice, and that comply with state law and federal guidelines.

P. This ordinance provides regulations for the local permitting of commercial cannabis operations under specified conditions in the unincorporated areas of the County. This ordinance, together with Chapters 7.02, 20.67, 21.67, 20.69, and 21.69 of the Monterey County Code requiring necessary licenses and land use entitlements for all commercial cannabis operations, are intended to establish criteria for issuing local permits pursuant to the MAUCRSA and to establish an effective regulatory and enforcement system consistent with the previous guidance issued by the United States Department of Justice.
