Adopted Resolution No. 19-140 Amending Article I.d. of the Monterey County Master Fee Resolution effective July 1, 2019, to adjust certain fees related to the Health Department's Clinic Services Bureau pursuant to the attached Fee Schedule.)

THE MONTEREY COUNTY BOARD OF SUPERVISORS FINDS:

- A. Section 1.40.010 of Chapter 1.40 of Monterey County Code provides that all fees, penalties, refunds, reimbursements and charges of any kind by the County may be specified in the Monterey County Fee Resolution.
- B. The Health Department's Clinic Services Bureau has service fees which are appropriate to specify in the Monterey County Master Fee Resolution, Article I.d effective July 1, 2019.
- C. This action to modify charges to meet operational expenses is statutorily exempt from environmental review [Pub Res. Code sec. 21080 subd. (b)(8)].
- D. Any and all adjustments to charges for inspections and services reflect no more than the actual cost of the service or benefit received by the payor. Any nominal discount offered is recaptured through has a zero on the departmental budget, results in a zero impact on General Fund Contribution (as are the entire Clinic Services program costs, and implementation of those discount do not result in increased charges to other patrons).
- E. By definition, these inspection and service charges are not a 'tax' and are exempt from voter approval pursuant to Article XIII C section 1(e)(1)-(2) of the California Constitution ('Prop. 26'; charges imposed for specific benefit conferred/privilege/service or product provided or granted to the payor).

THE MONTEREY COUNTY BOARD OF SUPERVISORS RESOLVES:

- I. Article I.d. of the Monterey County Fee Resolution is amended effective July 1, 2019 and thereafter with all schedules, tables, fees, taxes, penalties, and charges contained therein are hereby adopted as described in the attachment to this resolution.
- II. All prior resolutions regarding such fees are hereby repealed.

Adopt a Resolution amending Article I.d. of the Monterey County Master Fee Resolution effective July 1, 2019, to adjust certain fees related to the Health Department's Clinic Services Bureau pursuant to the attached Fee Schedule.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Adopt a Resolution amending Article I.d. of the Monterey County Master Fee Resolution effective July 1, 2019, to adjust certain fees related to the Health Department's Clinic Services Bureau pursuant to the attached Fee Schedule.

SUMMARY/DISCUSSION:

The Health Department's Clinic Services Bureau (Clinic Services) operates Federally Qualified Health Center Look-Alike (FQHC-LA) clinics that are required, by the Health Resources and Services Administration (HRSA), to periodically review its fee schedule to ensure that it accurately reflects the costs of services provided and that fees are consistent with local prevailing rates or charges. In compliance with the requirements, Clinic Services has been reviewing and adjusting its fee schedules annually. Proposed fees for FY2019-20 increase an average of 8.13% from FY2018-19.

Additionally, Clinic Services is mandated by HRSA to offer Sliding Fee Discount Program (SFDP) for patients whose income is at or below 200% of the Federal Poverty Level (FPL). Effective 8/1/2018, Clinic Services increased SFDP fees to \$0, \$40, \$70, \$105 and \$130, respectively for those who were eligible if a patient's income is at 100% or below, under 120%, under 133%, under 185% and at 200% or below of the FPL. Since the increase, data reflects average number of visits per year per patient decreased from 1.48 to 1.38 for patients with FPL between 101% and 200%. Although there might be many factors contributing to this trend, in order to keep services affordable and accessible, Clinic Services will not increase SFDP fees in FY 2019-2020 and keep the current patient responsibility amounts.

Calculations and documents in support of all fee adjustments recommended herein are attached and are on file with the Clerk of the Board along with a SFDP chart reflecting calendar year 2019 FPL. In all cases, the proposed fees reflect no more than the actual, reasonable, fully loaded costs of the services provided to the payor/applicant. By definition, these service charges are not a 'tax' and are exempt from voter approval pursuant to Article XIII C section 1(e)(1)-(2) of the California Constitution ('Prop. 26': charge imposed for specific benefit conferred/ privilege/ service or product provided or granted to the payor).

The work supports the Monterey County Health Department's 2018-2022 Strategic Plan Initiatives: 1.) Empower the community to improve health; and 3.) Ensure access to culturally and linguistically

appropriate, customer-friendly, quality health services. It also supports the following of the ten essential public health services, specifically: 5.) Develop policies and plans that support individual and community health efforts; and 7.) Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed as to legal form.

FINANCING:

The recommended fee adjustments are intended to recapture service costs with considerations of operational cost, relative value units, payor reimbursements and prevailing local charges, without generating additional revenue. The proposed fee levels assure that the programs remain revenue neutral with no additional impact on the County's General Fund Contribution. The fee increase is also intended to stay compliant with HRSA's requirements.

Clinic Services fee schedule calculation justification

Monterey County Health Department's Federally Qualified Health Center Look-Alike Clinics are approved by the Federal Health Resource and Services Agency (HRSA). Under Section 330(k)(3)(F)and (G) of the Public Health Services Act, we are required to make all reasonable efforts to collect reimbursement from patients with insurance, patients without insurance and to maintain financial viability. Sliding Scale fee programs are available to all patients with no insurance and who have incomes less than 200% of Federal Poverty Level

Policy Information Notice 2014-02 issued by HRSA requires FQHC's fee schedule to cover reasonable costs of providing services in the approved scope of project and be consistent with locally prevailing charges. Despite the Health Department's Clinic Services implementing fee increases over three consecutive years to be in compliance with the Policy Information Notice set by HRSA on Sliding Fee Discount and Related Billing and Collections Program Requirements issued in 2014, Calendar Year 2016 Uniform Data System (UDS) data to HRSA indicates our fees are still lower than the average in the State and still do not result in 100% cost recovery for services performed. In addition, to enable us to remain financially sustainable, it is necessary to adopt a fee schedule that is at or above insurance levels of reimbursement to ensure that they are fully reimbursing us for the services we provide to their patients.

Currently, 80% of our patient mix is covered by either Medi-Cal or Medicare and we are required by contract to accept their payment as payment in full. Fee schedule rates apply to uninsured and private pay patients.

The (proposed) fee setting methodology is consistent with that used for the recommending and the setting of these types of fees and costs for the past fourteen years. Though Clinic Services will still be operating at a Zero General Fund Contribution for its clinic operations, due to outside funding reimbursement programs, these fees will not generate excess fees, nor do current (insurance) payors supplement the fees paid by others, even if some payors receive discounts in fee rates due to personal economic conditions.
