## Board Report

Legistar File Number: RES 20-010

February 04, 2020

**Introduced:** 1/16/2020

**Version:** 1

**Current Status:** Agenda Ready

**Matter Type:** BoS Resolution

Consider adopting a Resolution to:

- a. Amend Fiscal Year (FY) 2019-20 Health Department Budget 001-4000-HEA005-8117 to reallocate 1.0 FTE vacant Accountant I to 1.0 FTE Accountant II;
- b. Authorizes the County Administrative Office and the Auditor-Controller to incorporate the approved position changes in the FY 2019-20 Adopted Budget and the Human Resources Department to implement the changes in the Advantage HRM system.

### RECOMMENDATION:

It is recommended that the Board of Supervisors approve:

- a. Amending Fiscal Year (FY) 2019-20 Health Department Budget 4000-HEA005-8117 to reallocate 1.0 FTE vacant Accountant I to 1.0 FTE Accountant II;
- b. Authorizes the County Administrative Office and the Auditor-Controller to incorporate the approved position changes in the FY 2019-20 Adopted Budget and the Human Resources Department to implement the changes in the Advantage HRM system.

### SUMMARY/DISCUSSION:

The Health Department requests amendment of allocated positions within the Environmental Health Bureau (Bureau), Unit 8117 Administration/Finance.

The recommended change will provide the Environmental Health Finance Manager the appropriate level of resources to manage day-to-day fiscal operations and improve efficiencies. The Environmental Health Finance team currently operates with the support of two Accountant I's (one is vacant, and one is filled), one filled Senior Account Clerk, and a part time (0.60 FTE) Finance Manager I. Since the Finance Manager I is also supporting two other budget units, it was determined that a position higher than an Accountant I was needed in order to better support Environmental Health's financial operations. This reallocation request is supported by a Request to Classify approved by the Human Resources Department. This request was supported by the Budget Committee during their meeting on January 29, 2020.

Approval of this action supports the Monterey County Health Department 2018-2022 Strategic Plan Initiatives: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services; and 4. Engage Monterey County Health Department workforce and improve operational functions to meet current and developing population health needs.

### OTHER AGENCY INVOLVEMENT:

The County Administrative Office Budget Office, Auditor-Controller, County Counsel and Human

Resources have reviewed the request. This request was supported by the Budget Committee during their meeting on January 29, 2020.

FINANCING:

There are no financial impacts to FY 2019-20 HEA005-8117 Adopted Budget as salary savings from vacant positions will offset cost increases for FY 2019-20; total FTE, appropriations or revenues will remain the same. Future fiscal years will be addressed as part of the requested budget for each year moving forward.
