S36 (CA)

S36A (CA)

S36B (CA)

Recommendation

Provide direction to staff regarding prioritizing a project to install watershed signage, considering:

- Prepare and process Caltrans Encroachment Permit Application.
 - Approximately 16 hours staff time, including Board Resolution.
 - Approximate County cost of \$2,400 for installation
- CSMC funding for cost of signs and initial installation
- Ongoing County costs for maintenance and damage repair/replacement.
