COMMUNITY RESTORATIVE JUSTICE COMMISSION PURPOSE

Reduce violence in the community and increase community levels of restoration and healing

Balance the legitimate needs of the victims, community and offenders Set policy and make recommendations for restorative justice programs to enhance community protection and develop empathy and competency in the offender

Provide opportunities for victims to be heard

Offenders learn to be held accountable

Provide opportunity to repair the harm done and build community relationships

A COMBINED APPROACH FOR IMPACT

RETRIBUTIVE JUSTICE

Focused on offender

<u>Asks:</u>

- What law was broken?
- Who was at fault?
- What is the punishment going to be?

RESTORATIVE JUSTICE

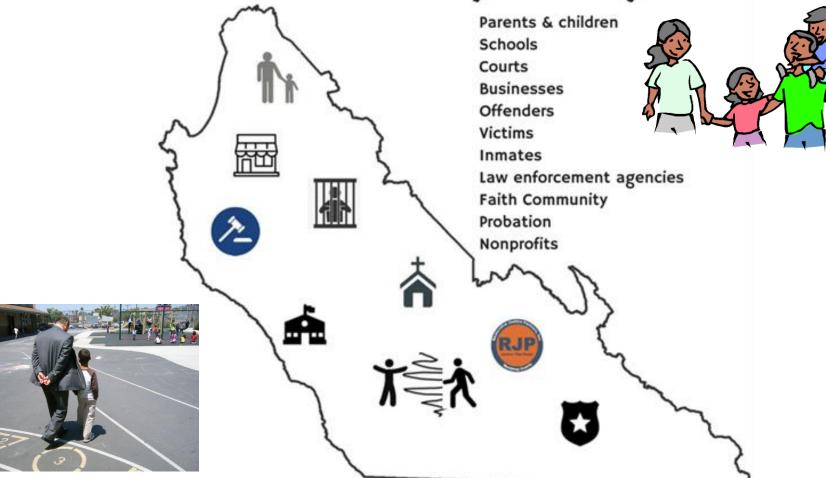

Balanced on offender, victim and community

Asks:

- What harm resulted, including the broken law?
- How can we repair the harm?
- Who is responsible for the restoration?

"I'm not happy I stole but I am happy I got caught...to be able to have this life changing experience before I turned 18." - MAP Participant

ARRESTS: VICTIM OFFENDER RECONCILIATION 89% of participants do <u>NOT</u> recidivate 12 Months Post-**Program Entry**

JJCPA PROGRAMS

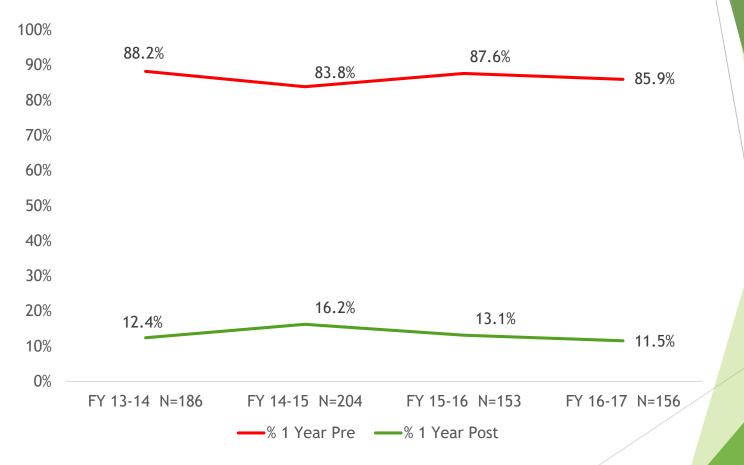

Percent Individuals with New Arrests Pre and Post 12 Months Program Entry

Percent of individuals with New Arrests (Offenses) decreased for all programs. Although a significance test was not applied, the decreases for all programs except SSRC are likely significant except possibly SSRC and DAISY. Percentages rounded to first decimal.

VORP/MAP 4 YEAR COMPARISON

Percent of Youth with New Offenses 1 Year Pre and Post Entry

New offenses do not include probation violations. Percentages rounded to the first decimal. Decreased rates of new offenses from pre-program to post-program appear significant and consistent in the past 4 years (No statistical test applied.)

VORP

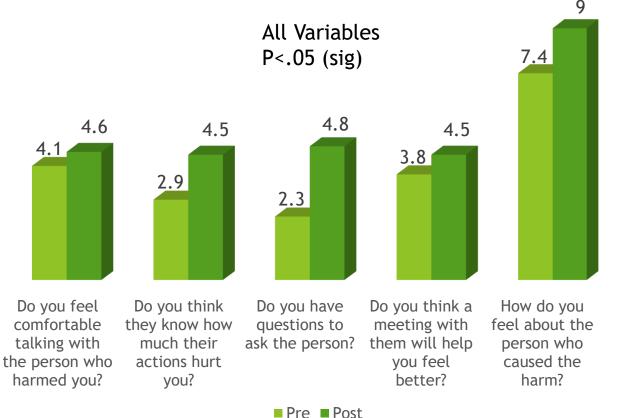

Offender Perceptions of VORP Effectiveness Pre-Post Mean Scores of Measures by Question

N= 61, Matched Pairs. Q1-3 Scale 1-5, Q4 Scale 1-10. The mean adjusted score for the Pre Survey was 4.66, with the mean for the Post Survey at 5.59, and this was found to be significant. A Pre and Post analysis was also conducted of unmatched surveys, N=66 Pre Survey and N=62 Post Surveys. The mean adjusted score for the Pre Survey was 4.63, with the mean for the Post Survey at 5.59, and this was found to be significant (p<.001). All individual variables were found to demonstrate a significant improvement in reconciliation.

VORP

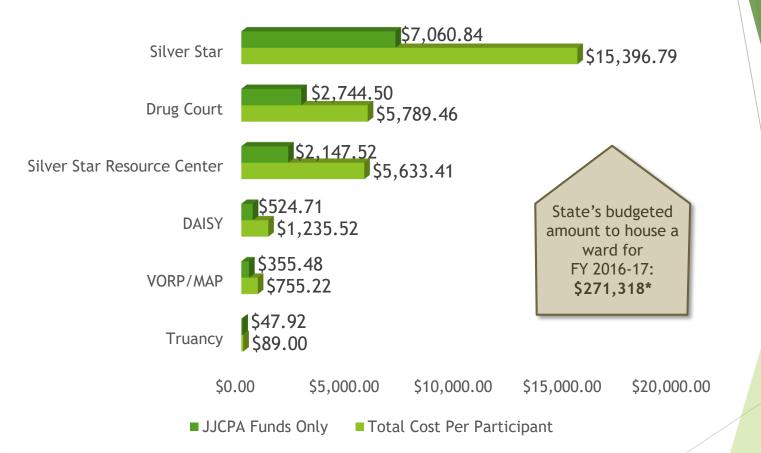

Victim Perceptions of VORP Effectiveness Pre-Post Mean Scores of Measures by Question

N= 17 Matched Pairs. Q1-4 Scale 1-5, Q5 Scale 1-10. The mean adjusted score for the Pre Survey was 4.11, with the mean for the Post Survey at 5.49, and this was found to be significant. A Pre and Post analysis was also conducted of unmatched surveys, N=21 Pre Survey and N=19 Post Surveys. The mean adjusted score for the Pre Survey was 3.88, with the mean for the Post Survey at 5.32, and this was found to be significant (p<.001). All individual variables were found to demonstrate a significant improvement in reconciliation (p<.05).

PROGRAM EXPENDITURES

Cost Per Youth Participants by Program Intervention

In prior years, expenditures were reported with JJCPA funds only, as reflected on the State Reporting System. This chart reflects the cost per participant during the reporting year with JJCPA funds only and also total costs including JJCPA and all Other Funds during 2016-2017.

RESTORATIVE JUSTICE IN SCHOOLS

This approach utilizes schools as hubs for social change to shift response to student misbehavior. Schools utilize inclusive consequences that are focused on involving students in the processes of community building and conflict resolution.

RESTORATIVE JUSTICE IN SCHOOLS 2016/17 OUTCOMES

- 172 adults total were trained in two districts
- 89% of responding participants rated the RJ Schools training useful
- 115 students attended peer mediation training
- 70% of campus supervisors reported an increase in the use of meditations
- Principals report that each school that has received training is successfully implementing the use of restorative justice practices

REACH THROUGHOUT MONTEREY COUNTY

2016/17 CRJC Accomplishments

- Expand VORP mediation process from strictly juveniles to include adults
- Continue to develop programs responsive to the AB109 population
- Educate and market to the larger community, especially in schools
 - Districts currently served:
 - Salinas City Elementary
 - Alisal Union

CRJC Conference

- April 23, 2016 Hartnell College, Salinas
- Keynote speaker, Dr. Mark Umbreit is co-founder of the Institute for Restorative Justice and Peacemaking and Chair of the Department of Social Work at the University of Minnesota, and currently serves as President of the National Association of Community Restorative Justice.
- Dr. Umbright powerfully spoke of the effects of restorative justice practices, not only in Monterey County but around the world.
- There were 121 people in attendance. Post conference surveys, and participatory evaluations with attendants, captured nothing but positive feedback.

Other Accomplishments

After meeting with Commissioner Cheryl Ward Kaiser, in January 2016, Commissioner Bill Muniz, Warden at Salinas Valley State Prison, agreed to let her speak with inmates in A Yard so that they would come to understand how crime impacts victim survivors and their families when they lose a loved one to homicide.

AB 2590 Amending PC 1170

□ AB 2590, Weber. Sentencing: restorative justice.

(Chaptered 09/27/2016)

An act to amend Section 1170 of the Penal Code, relating to sentencing, indicating that the purpose of sentencing is public safety achieved through punishment, rehabilitation, and **restorative justice**.

Penal Code 1170. (a)

(1) The Legislature finds and declares that the purpose of sentencing is public safety achieved through punishment, rehabilitation, and **restorative justice**.

(2) The Legislature further finds and declares that programs should be available for inmates, including, but not limited to, educational, rehabilitative, and **restorative justice programs** that are designed to promote behavior change and to prepare all eligible offenders for successful reentry into the community.

Goals 2017/18

The primary goals identified and set by the CRJC Goals Setting Committee are:

➤To infuse the restorative justice into the Silver Star Resource Center to address truancy related causes.

➤To expand restorative justice into our County Jail system.
