ORDINANCE NO. _____

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA,
AMENDING CHAPTER 14.22 OF THE MONTEREY COUNTY CODE
RELATING TO HOUSEBOATS ON LAKE SAN ANTONIO.**

County Counsel Summary

This Ordinance amends Chapter 14.22 of the Monterey County Code, regulating houseboats by adding Section 14.22.015 to make inoperable the authority of Monterey County Parks Department to issue or renew houseboat permits at the reservoir called "Lake San Antonio" until further action by the Board of Supervisors; and adding Section 14.22.055 authorizing the impoundment of any houseboat which remains at Lake San Antonio after December 31, 2020.

The Board of Supervisors of the County of Monterey hereby ordains as follows:

SECTION 1. Section 14.22.015 of the Monterey County Code is hereby added to read as follows:

14.22.15 – Prohibition on the issuance of new houseboat permits and the renewal of existing houseboat permits at Lake San Antonio.

As of the effective date of this ordinance, notwithstanding any other provisions of this Chapter, the County Parks Department shall not issue any new houseboat permits nor renew any existing houseboat permits until further action by the Board of Supervisors. While the permitting authority of County Parks Department pursuant to this Chapter is hereby made inoperable until further action by the Board of Supervisors, all other provisions and requirements in this Chapter shall remain in full force and effect.

SECTION 2. Section 14.22.055 is hereby added to the Monterey County Code to read as follows:

14.22.055 – Prohibition and impoundment of houseboats at Lake San Antonio.

1. Effective January 1, 2021, houseboats shall be prohibited on Lake San Antonio, until further action by the Board of Supervisors. All permits previously issued to authorize the placement or use of a houseboat(s) on Lake San Antonio shall not be renewed and are deemed revoked as of January 1, 2021. All houseboats shall be removed from Lake San Antonio no later than December 31, 2020. Failure to remove any houseboat from Lake San Antonio by January 1, 2021 will result in the impoundment of the houseboat pursuant to this section and the imposition of daily penalties pursuant to Chapter 1.22 of this Code.

2. The County Parks Department shall issue a prorated refund, based on a three hundred and sixty-five (365) day calendar year, to any person with a previously issued annual permit to place or use a houseboat on Lake San Antonio prior to the expiration of said permit, or no later than February 1, 2021 for any such permit which would otherwise authorize the person to continue to place or use a houseboat on Lake San Antonio for a period of time after December 31, 2020.

3. Any houseboat remaining on Lake San Antonio or within the County Park after December 31, 2020 will be impounded by the County. Excepting as to notice as required by Chapter 1.22 of this Code for the assessment of penalties, no notice shall be required prior to impoundment. Upon impoundment of the houseboat, the County may, in its sole discretion, authorize the houseboat to be removed from the water, stored, and/or moved to an appropriate facility for the security of the vessel or convenience during such impoundment.

- a. The houseboat owner and/or permit holder shall be jointly and severally liable for all costs and fees related to the impoundment and/or relocation of a houseboat, including but not limited to hauling and storage fees, staff time, any other associated costs and/or charges, penalties assessed under Chapter 1.22 of this Code, and reasonable attorney's fees.
- b. An impounded houseboat shall be returned to its owner upon the payment of all applicable costs and fees pursuant to subdivision (a) above, provided said costs and fees are paid to the County Parks Department within sixty (60) calendar days from the date of impoundment. For the purposes of this Section the date of impoundment shall be deemed to be January 1, 2021.
- c. After being impounded for sixty (60) calendar days from the date of impoundment, the houseboat and its contents may be destroyed or sold at public auction in accordance with the provisions of Article 4 of Chapter 2, Division 3 of the Harbors and Navigation Code, as it may be amended from time to time. For federally documented vessels, Federal Maritime Law shall apply. Should the houseboat have no evidence of state or federal registration, and in the circumstance that the County does not guarantee title to the vessel upon sale, the County may dispose of the houseboat pursuant to any applicable provisions of this Code and/or State law governing the disposal of abandoned property. Regardless of any change(s) in ownership, all unpaid costs and fees incurred by the County of Monterey as a result of the impoundment of the houseboat shall continue to be associated with the houseboat and/or the houseboat owner and/or permit holder until paid in full.
- d. The owner of a houseboat impounded pursuant to this Section assumes all liability for loss or damage to property of every kind. To the fullest extent permissible under the law, neither the County of Monterey nor its agents shall be held liable for any damages resulting from impoundment of a houseboat pursuant to this Section. The County of Monterey assumes no risk on account of fire, theft, storm, wind, acts of God, or damage of any nature from any cause whatsoever, to any houseboat or other property.

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 4. This ordinance shall become effective on the thirty-first day following its adoption.
