The properties are located at 115 & 117 Monterey – Salinas Highway, Salinas, Greater Salinas Area. The project came on regularly for hearing before the Planning Commission on July 27, 2005.

WHEREAS: Said Planning Commission, having considered the application and the evidence presented relating thereto;

**FINDINGS OF FACT**

**1. FINDING: CONSISTENCY** - The subject Use Permit (PLN050366), as described in condition #1 and as conditioned, conforms with the plans, policies, requirements and standards of the Monterey County General Plan, Greater Salinas Area Plan and the Chapter 21.68 (Legal Non Conforming Uses) of the Monterey County Zoning Ordinance (Title 21). The properties are located at 115 & 117 Monterey-Salinas Highway, Salinas. The parcels are zoned "F/40" (Farmlands, 40 Acres Minimum). On November 14, 1984, a Use Permit (Permit No. 3042 [Assessor's Parcel Number 207-131-005-000]) was approved by the Planning Commission. The permit granted the expansion of the existing retail nursery to established, on the adjacent 1.99 acre parcel, an accessory landscape materials business. This use permit (Permit No. 3042) expired on November 14, 1994. On February 28, 1996, the Planning Commission approved a Use Permit (PC 95110), that recognized the two legal non-conforming uses under one use permit.

**EVIDENCE:** The Planning and Building Inspection staff reviewed the project, as contained in the application and accompanying materials, for conformity with:

**EVIDENCE:** The Use Permit has been reviewed by the Monterey County Planning and Building Inspection Department, Salinas Rural Fire District, Public Works, California Department of Transportation, Environmental Health Division, and the Water Resources Agency. There has been no indication from these department or agencies that the site is not suitable for the proposed use. Necessary public facilities are available to the project site. The Salinas Rural Fire District has recommended conditions of approval in addition to the conditions recommended by the Planning and Building Inspection Department.

**EVIDENCE:** Written and verbal public testimony submitted at public hearings before the Planning Commission.

**EVIDENCE:** The application, plans, and support materials submitted by the project applicant to the Monterey County Planning and Building Inspection Department for the use permit found in the project file (PLN050366).

2. **FINDING: CATEGORICAL EXEMPTION** The proposed project will not have a significant environmental impact.

**EVIDENCE:** Section 15301 of the California Environmental Quality Act (CEQA) Guidelines Categorically exempts the subject development from environmental review. No adverse environmental impacts were identified during review of the established uses.

**EVIDENCE:** Use Permit PC 95110 and Permit No. 3042 we approved under a Categorical Exemption.

3. **FINDING: SITE SUITABILITY** - The site is physically suitable for the uses proposed. The subject properties are in compliance with all rules and regulations pertaining to zoning uses, subdivision, and any other applicable provisions of Title 21, and any zoning violation abatement costs have been paid.

**EVIDENCE:** The Use Permit has been reviewed by the Monterey County Planning and Building Inspection Department, Salinas Rural Fire District, Public Works, California Department of Transportation, Environmental Health Division, and the Water Resources Agency. There has been no indication from these department or agencies that the site is not suitable for the proposed uses. Necessary public facilities are available to the project site.

- FINDING: NO VIOLATIONS** - The subject properties are in compliance with all rules and regulations pertaining to the use of the property, that no violations exist on the property and that all zoning abatement costs, if any have been paid.

**EVIDENCE:** Staff verification of the Monterey County Planning and Building Inspection Department records indicated that no violations exist on subject property.

5. **FINDING: HEALTH AND SAFETY** - The establishment, maintenance, or operation of the use or structure applied for will not, under the circumstances of the particular case, be detrimental to health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvement in the neighborhood, or to the general welfare of the County.

**EVIDENCE:** The project as described in the application and accompanying materials was reviewed by the Monterey County Planning and Building Inspection Department, Salinas Rural Fire Department, Public Works, California Department of Transportation, Environmental Health Division, and the Water Resources Agency. The respective departments have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood; or the County in general.

**EVIDENCE:** Materials in file PLN050366

6. **FINDING: APPEALABILITY** - The project is appealable to the Monterey County Board of Supervisors.
