AB 10	Chiu D	Income taxes: credits low-income housing: farmworker housing.	8/26/2019-S. APPR. SUSPENSE FILE		Current law limits the total annual amount of the state low-income housing credit for which a federal low-income housing credit is required to the sum of \$70M, as increased by any percentage increase in the Consumer Price Index for the preceding calendar year, any unused credit for the preceding calendar years, and the amount of housing credit ceiling returned in the calendar year, and authorizes CTCAC, for calendar years beginning in 2020, to allocate an additional \$500M to specified low-income housing projects and, for calendar years beginning in 2021, requires this additional amount only to be available for allocation pursuant to an authorization in the annual Budget Act or related legislation, and specified regulatory action by CTCAC. This bill would remove the requirement that, beginning in the 2021 calendar year, the above-described additional \$500M allocation only be available pursuant to an authorization in the annual Budget Act or related legislation, and specified regulatory action by CTCAC. AB 860	Berman	Elections: Vote by Mail	6/18/20 Chaptered by Secretary of State- Chapter 4, Statutes of 2020		Under current law, a registered voter may vote by mail by requesting a vote by mail ballot for a specific election or by becoming a permanent vote by mail voter. County elections officials must begin mailing ballots and other required materials to these voters no later than 29 days before the day of the election. Current law, the California Voter's Choice Act, authorizes any county to conduct any election occurring on or after 1/1/20, as an all-mailed ballot election if specified conditions are met. In an all-mailed ballot election held under the act, the county elections official must mail a ballot to every registered voter, regardless of whether the voter requested a vote by mail ballot or is a permanent vote by mail voter. This bill would require county elections officials to mail a ballot to every registered voter for the November 3, 2020, statewide general election. AB 2164	Rivas, Robert D	Telehealth.	8/1/2020-S. APPR.		Current law prohibits a requirement of in-person contact between a health care provider and a Medi-Cal patient when the service may be provided by telehealth, and, for purposes of telehealth, prohibits the department from limiting the type of setting where Medi-Cal services are provided. Existing law authorizes, to the extent that federal financial participation is available, the use of health care services by store and forward under the Medi-Cal program, subject to billing and reimbursement policies developed by the department, and prohibits a requirement of in-person contact between a health care provider and a Medi-Cal patient when these services are provided by store and forward. This bill would provide that an FQHC or RHC “visit” includes an encounter between an FQHC or RHC patient and a health care provider using telehealth by synchronous interaction or asynchronous store and forward. The bill would specify that an FQHC or RHC is not precluded from establishing a patient who is located within the FQHC’s or RHC’s federal designated service area through synchronous interaction or asynchronous store and forward as of the date of service if specified requirements are met. U. & E.	8/5/2020 11 a.m. - State Capitol, Assembly Chamber ASSEMBLY UTILITIES AND ENERGY, HOLDEN, Chair	Current law contains various provisions relative to the responsibilities of a gas or electrical corporation and master-meter customer when gas or electrical service is provided by a master-meter customer to users who are tenants of a mobilehome park, apartment building, or similar residential complex, including a requirement that the master-meter customer charge each user at the same rate that would be applicable if the user were receiving gas or electricity directly from the gas corporation or electric corporation. This bill would replace "electrical corporation" with "load-serving entity," defined as including electrical corporations, community choice aggregators, and electric service providers, in many of these provisions relative to the responsibilities of an electrical corporation and master-meter customer when electrical service is provided by a master-meter customer to users who are tenants of a mobilehome park, apartment building, or similar residential complex. SB 1409	Caballero D	Franchise Tax Board: California earned income tax credit: report.	7/27/2020-A. APPR.		The Personal Income Tax Law, beginning on or after January 1, 2015, in modified conformity with federal income tax laws, allows an earned income tax credit, the California Earned Income Tax Credit (CalEITC), against personal income tax and a payment from the Tax Relief and Refund Account for an allowable credit in excess of tax liability to an eligible individual that is equal to that portion of the earned income tax credit allowed by federal law as determined by the earned income tax credit adjustment factor, as specified. This bill would require the Franchise Tax Board to analyze and develop a plan to increase the number of claims of the CalEITC and the federal Earned Income Tax Credit.
