CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. BACKGROUND AND PRODUCT DESCRIPTION

- A. CONTRACTOR has developed and owns all rights, title, and interest in a certain child welfare reporting service identified as CONTRACTOR's Internet Reporting Service and referred to as SafeMeasures®. SafeMeasures uses case-level data from a child welfare agency's case management system (CMS) and publishes it via a conventional web browser in a series of concise, interactive management reports.
- B. SafeMeasures is a subscription reporting service that permits COUNTY to monitor service delivery activity by navigating an extensive set of reports presented in graph and chart format. These reports permit them to estimate current workload demand, plan more effective service interventions, and monitor certain performance indicators established by state or federal regulatory requirements. SafeMeasures includes case-level quality control displays that agencies may employ to improve compliance with state or federal performance audits.

SERVICES TO BE PROVIDED

1. Provision of Service

- 1.1 Web-Based Reports. During the Term of this Agreement, CONTRACTOR will provide COUNTY with interactive web-based management reports ("Management Reports"), which permit the COUNTY to categorize agency compliance with various measures and permit COUNTY to identify the specific cases within each category. CONTRACTOR will specifically:

EXHIBIT A

- (a) Provide Management Reports within 14 business days after first receiving raw CMS data from the COUNTY; and
 - (b) Provide regular updates of Management Reports, provided that COUNTY or another agency regularly submits raw CMS data to CONTRACTOR for processing and analysis. Such updates will be provided within three (3) business days of receipt of the CMS data by CONTRACTOR.
- 1.2 Access to COUNTY Data. If requested by CONTRACTOR, COUNTY will supply a copy of the CMS database(s), or specifically designated data tables therein, that store agency data to be used by CONTRACTOR. If data is supplied by a third party, COUNTY will authorize and facilitate release of the data to CONTRACTOR.
- 1.3 Access to Website Restricted. The right to access the SafeMeasures website is jurisdiction- and agency-specific. Only COUNTY and its employees or agents may access or use the SafeMeasures website for the COUNTY's monitoring and reporting needs. Specifically, and without limitation, COUNTY may not act as a relay or intermediary allowing access to the SafeMeasures website to any third party jurisdiction, agency, individual, or business for any purpose.
- 1.4 Internal Business. COUNTY may only use SafeMeasures for its own internal purposes. COUNTY's internal purposes do not include extending this service to third parties, except that data may be provided to state and governmental authorities if required by law.
- 1.5 Competing Services or Products. COUNTY shall not use all or any part of SafeMeasures or its documentation to create a service or product that competes with, or is used in a product that competes with, all or any part of SafeMeasures, regardless of whether such service or product is distributed with or without consideration.
- 1.6 Copyright Ownership and License. COUNTY acknowledges that CONTRACTOR owns the copyright in all graphic interfaces, reports, displays, and formats ("Original Works"). CONTRACTOR grants COUNTY a fully paid license to display, reproduce, and distribute the Original Works for its internal purposes with no sub-licensing rights for the Term of the Agreement.
- 1.7 Training. CONTRACTOR will provide training as specified in Section 10 of this Agreement. COUNTY will provide training facility, equipment, and access to the CONTRACTOR Internet training site.
2. Data Transmission. COUNTY, or other party supplying CMS data, shall supply CONTRACTOR with regular extracts of agency data for processing and analysis. Data extracts shall occur daily, or on a schedule determined jointly by COUNTY and CONTRACTOR. COUNTY or supplying party will send data over a secure channel to CONTRACTOR's secure SSH server, or may transfer data via a mutually satisfactory method that meets the frequency and security requirements of both organizations.
3. Reporting Service Subscription Fee. COUNTY will pay CONTRACTOR the fees ("Reporting Service Subscription Fees") according to the payment schedule specified in

EXHIBIT A

Section 11 of this Agreement, and all applicable taxes related thereto unless COUNTY provides evidence that COUNTY is exempt from such taxes.

4. **Updates.** During the Term of this Agreement, CONTRACTOR will provide to COUNTY updates, error corrections, and modifications to SafeMeasures displays (“Updates”) as such Updates become available. Updates do not include modifications to displays specifically requested by COUNTY. Any COUNTY-requested modifications must be made by CONTRACTOR at CONTRACTOR’s published service rates. CONTRACTOR reserves the right to use the displays created for COUNTY, and analyses to produce such displays for other parties, whether such displays were suggested by CONTRACTOR or the COUNTY. CONTRACTOR shall not use any COUNTY data in its publishing for other parties without COUNTY’s permission.

5. **Term and Termination.**

- 5.1 **Term.** The Term of this Agreement shall commence on May 1, 2020 and end on April 30, 2022 unless earlier terminated pursuant to Section 5.3. After expiration of the current Term, CONTRACTOR will not provide any Updates to COUNTY, and COUNTY must cease all use of SafeMeasures.

- 5.2 **Renewal.** If COUNTY is not in default of this agreement, COUNTY and CONTRACTOR may renew this agreement for an additional period (“Renewal Term”). Prior to the expiration of the current Term, CONTRACTOR may, in its discretion, issue a quotation of the Reporting Service Fees for the Renewal Term. Renewal of this Agreement will be effective upon (a) CONTRACTOR’s issuance of a quotation of the new Reporting Service Subscription Fees, and (b) CONTRACTOR’s acceptance of COUNTY’s corresponding purchase order.

In order to ensure continuous access to the SafeMeasures Internet reporting service, the effective date of any renewal agreement will begin one day after the previous agreement expires. If a renewal agreement is not fully executed and received by CONTRACTOR within 30 days of contract expiration, CONTRACTOR reserves the right to discontinue access to the SafeMeasures Internet reporting service until a renewal agreement is in place.

- 5.3 **Termination for Cause.** A party may terminate this Agreement if the other party commits a material breach that is not cured within 30 days of a written notice of such material breach. This Agreement may be terminated immediately for a breach of COUNTY’s obligation to pay fees under this Agreement or a breach of Sections 1.3, 1.4, or 1.5 of this Agreement. Similarly, COUNTY may terminate this Agreement immediately for a breach of CONTRACTOR’s obligation to provide the contracted services under A., B., or 1.1 through 1.7 of this Agreement.

6. **CONTRACTOR Warranty, Disclaimers, and Remedies**

- 6.1 **Warranty.** CONTRACTOR warrants that:

- (a) Provided that COUNTY or another designated party regularly submits the required raw CMS data to CONTRACTOR, SafeMeasures will perform

EXHIBIT A

substantially as described in this Agreement and SafeMeasures promotional material.

- (b) It is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in covered transactions by any federal department or agency. CONTRACTOR also warrants that it is not suspended or debarred from receiving federal funds as listed in the List of Parties Excluded From Federal Procurement or Non-Procurement Programs issued by the General Services Administration.
- (c) CONTRACTOR will utilize all reasonable means and due diligence to protect the confidentiality and security of COUNTY data (See *Securing Confidential Information*, **Exhibit B**).
- (d) Except for the foregoing express warranties, CONTRACTOR neither makes nor grants any other warranties, express or implied. CONTRACTOR excludes all implied warranties including specifically any implied warranty arising by statute or otherwise in or from a course of dealing or usage of trade including any and all implied warranties of merchantability, merchantable quality, or fitness for any purpose, particular, specific or otherwise. The foregoing express warranty is the only warranty of any kind for SafeMeasures. CONTRACTOR makes no warranties whatsoever for any Original Works that have been modified by COUNTY, nor does CONTRACTOR warrant that SafeMeasures will be offered without interruption.
- (e) COUNTY acknowledges that CONTRACTOR provides no monitoring, analysis, or review of the accuracy or quality of the COUNTY's data accessed through SafeMeasures.
- (f) It has the authority to enter into this Agreement and grant the license rights contained in this Agreement; and that its performance under this Agreement does not violate other agreements or laws.
- (g) There is no pending or threatened litigation that would have a material impact on CONTRACTOR's ability to perform.
- (h) County's permitted use of the software will not violate the intellectual property rights of any third party.
- (i) The SafeMeasures software does not, and will not, contain any destructive mechanisms such as viruses, time bombs, worms, trap doors and the like.

CONTRACTOR to reproduce it. As COUNTY's exclusive remedy for any Noncompliance, and as CONTRACTOR's entire liability in contract, tort, or otherwise of such Noncompliance, CONTRACTOR will either:

- (a) Correct the Noncompliance; or
- (b) If CONTRACTOR is unable to correct the Noncompliance after a reasonable opportunity to do so, COUNTY may:
 - (i) Request that CONTRACTOR cease publication of any demonstrably incorrect information and request a pro-rata reduction in the Reporting Service fee; or
 - (ii) Terminate the Reporting Service Subscription and receive a pro-rated refund of the Reporting Service Subscription Fee.

7. Intellectual Property Indemnification by CONTRACTOR

- 7.1 Indemnification. If a third party claims that SafeMeasures infringes any copyright, patent, trade secret, or other rights of any third party, CONTRACTOR will (as long as COUNTY is not in material breach of this Agreement) defend COUNTY against such claim at CONTRACTOR's expense. - 7.2 Replacement, Refund. If such a claim is made or appears possible, CONTRACTOR may, using reasonable business judgment, either secure COUNTY's right to continue to use SafeMeasures by modifying or replacing the portion of SafeMeasures that is the basis for the claim so that such portion of SafeMeasures is no longer infringing, or CONTRACTOR may provide COUNTY with a credit equal to the portion of previously paid Reporting Service Subscription Fee prorated to the remainder of the Term or Renewal Term of the Agreement.

8. COUNTY Warranties. COUNTY warrants that:

- 8.1 COUNTY will only allow access to SafeMeasures as permitted under this Agreement. If COUNTY wishes to extend its use of SafeMeasures beyond this Agreement, COUNTY will obtain CONTRACTOR's prior written consent and pay the applicable Reporting Service Subscription Fees.

Securing Confidential Information

The security of confidential data is of paramount importance to the National Council on Crime and Delinquency (NCCD). To ensure that all confidential data remain that way, NCCD has implemented a multi-pronged approach to Internet security that covers:

- Server configuration and network infrastructure
- Transmission and storage of extracted data
- Application access and communication
- Personnel policies and procedures

Server Configuration and Network Infrastructure

The SafeMeasures® security model represents an extensive investment in the hardware and software necessary to keep confidential data secure. SafeMeasures uses multiple servers to store, receive, and display data. This allows strict control over access to data.

All SafeMeasures data are stored in an Oracle 11g data warehouse. Because of the way Oracle handles data storage, no data are accessible nor readable by anyone without a valid Oracle user account.

All SafeMeasures servers are housed in their own locked racks within a secured server room at an Internet Service Provider (ISP) that is recognized for its ability to support and protect confidential data. The servers are protected using such safeguards as 24-hour video surveillance, escorted access, glass break detectors, and biometric scanners.

The Oracle database servers that hold confidential data are kept on an isolated network, apart from the servers that handle SafeMeasures' Internet traffic. These data servers are not accessible from the Internet and are completely isolated from and invisible to unauthorized users. To ensure they stay this way, the entire network and server infrastructure is regularly tested for vulnerabilities.

All access to the database servers is strictly limited. The SafeMeasures application accesses the data stored within these servers using secured web services that are only accessible to the code executing within the SafeMeasures application. Users cannot access these web services directly—the services may only be executed using the SafeMeasures code.

Whenever possible, the non-data files used to support SafeMeasures (templates, configuration files, etc.) are stored in private areas on each web server. When this cannot be achieved, any sensitive information that must be stored on a web server is always encrypted. This includes all user and database passwords.

NCCD promotes just and equitable social systems for individuals, families, and communities through research, public policy, and practice.

Transmission and Storage of Extracted Data

In order to function properly, SafeMeasures requires data extracted from an agency's host system. NCCD has established procedures and systems to receive and store these data securely.

Data are extracted nightly via an automated extract and transmission program. This program is generally created either by NCCD or by agency personnel, and it runs within the agency's network environment. All data extracts are then compressed and encrypted, using Industry-standard 256-bit AES encryption, before being sent to NCCD.

Data are sent to NCCD using the Secure Shell (SSH) protocol. SSH is a widely used method for securely accessing and transferring data to remote computers. SSH transmissions are encrypted and secured in several ways, including digital certificate authentication at both ends of the connection and encrypted password exchange. SSH uses RSA public key cryptography for its encryption.

NCCD takes the following measures to secure the incoming file transfer server:

- Firewall rules allow only SSH, SFTP, SCP, or FTPS/TLS connections from the Internet.
- All access is audited by user account and originating IP address.
- Audit logs are monitored regularly for malicious behavior, and NCCD maintains an IP blacklist on the firewall for any suspicious addresses.
- User accounts on the server are "jailed" using chroot, which is an operation that prevents one user account from accessing data in any other user account.
- NCCD recommends using RSA or DSA private/public key authentication for improved security and ease of scripting the automated process.

Application Access and Communication

Access to the SafeMeasures web servers may be restricted to a limited set of known IP addresses. This process, also known as "white listing," ensures that NCCD's web servers are accessed only by previously identified computers. However, it also prevents people from accessing SafeMeasures outside of their office (e.g., while working in the field) on their smart phones or tablets.

When enabled, white listing, in consort with other methods, hides NCCD applications from potential hackers, search engines, and random browsers. Most commonly, all IP addresses from agency offices are allowed initially; additional addresses can then be added as needed. Once a user's IP address has been recognized, he/she must log into the SafeMeasures application with a valid user name and password combination.

Aside from IP filtering, the SafeMeasures application utilizes current best-practice, audit-certified security features. These include:

- Email-based user account confirmation and password reset procedures;

- Network-level isolation of databases and data servers from the servers handling Internet traffic;
- Physical separation of user account and agency data on distinct database clusters;
- SSL encryption (see below for more information about SSL) of all traffic between the user's browser and the SafeMeasures website;
- Regular server penetration tests and other security audits by Qualys, a leading provider of Internet security services;
- Password complexity rules that follow agency requirements;
- Password aging and cycling rules that follow agency requirements;
- Account lock-out after five invalid login attempts;
- User-, group-, and role-based controls on access to specific pages, reports, and report elements; and
- User-level limits on the scope of visible data (e.g., limits to a specific unit or office).

All communications between the client browser and the SafeMeasures web servers are encrypted using the SSL protocol, which is the same method used to encrypt credit card and other financial transactions on the Internet. SSL encryption ensures that all data are protected while en route between the server and the client.

Personnel Policies and Procedures

NCCD has a long history of handling confidential information, the security and privacy of which will always remain a top priority. NCCD has implemented a number of policies and protocols to protect confidential data: by requiring all staff and consultants to sign confidentiality agreements as a condition of employment; by restricting access to the NCCD offices by locking all outer doors at all times, and by limiting access to confidential data to only key analytical and programming staff.

Health Insurance Portability & Accountability Act (HIPAA) Certification

WHEREAS, Sections 261 through 264 of the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191, known as “the Administrative Simplification provisions,” direct the Department of Health and Human Services to develop standards to protect the security, confidentiality and integrity of health information; and

WHEREAS, pursuant to the Administrative Simplification provisions, the Secretary of Health and Human Services has issued regulations modifying 45 CFR Parts 160 and 164 (the “HIPAA Privacy Rule”); and

WHEREAS, CONTRACTOR and COUNTY have entered into an Agreement (“the Agreement”) to which this Certification is an attachment whereby CONTRACTOR will provide certain services to COUNTY ; and

WHEREAS, CONTRACTOR may have access to Protected Health Information (as defined below) in fulfilling its responsibilities under the underlying Agreement.

THEREFORE, in consideration of the Parties’ continuing obligations under the Agreement, compliance with the HIPAA Privacy Rule, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, CONTRACTOR agrees to the provisions of this Certification and of the HIPAA Privacy Rule and to protect the interests of COUNTY.

I. DEFINITIONS

Except as otherwise defined herein, any and all capitalized terms in this Section shall have the definitions set forth in the HIPAA Privacy Rule. In the event of an inconsistency between the provisions of this Certification and mandatory provisions of the HIPAA Privacy Rule, as amended, the HIPAA Privacy Rule shall control. Where provisions of this Certification are different than those mandated in the HIPAA Privacy Rule, but are nonetheless permitted by the HIPAA Privacy Rule, the provisions of this Certification shall control.

The term “Protected Health Information” means individually identifiable health information including, without limitation, all information, data, documentation, and materials, including without limitation, demographic, medical and financial information, that relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

CONTRACTOR acknowledges and agrees that all Protected Health Information that is created or received by COUNTY and disclosed or made available in any form, including paper record, oral communication, audio recording, and electronic display by COUNTY, or its operating units, to CONTRACTOR or is created or received by CONTRACTOR on COUNTY’s behalf shall be subject to this Certification.

EXHIBIT C**II. CONFIDENTIALITY REQUIREMENTS**

- (a) CONTRACTOR agrees:
- (i) to use or disclose any Protected Health Information solely: (1) for meeting its obligations as set forth in any agreements between the Parties evidencing their business relationship or (2) as required by applicable law, rule or regulation, or by accrediting or credentialing organization to whom COUNTY is required to disclose such information, or as otherwise permitted under this Certification, or the underlying Agreement (if consistent with this Certification and the HIPAA Privacy Rule), or the HIPAA Privacy Rule, and (3) as would be permitted by the HIPAA Privacy Rule if such use or disclosure were made by COUNTY; and
 - (ii) at termination of the Agreement, (or any similar documentation of the business relationship of the Parties), or upon request of COUNTY, whichever occurs first, if feasible CONTRACTOR will return or destroy all Protected Health Information received from or created or received by CONTRACTOR on behalf of COUNTY that CONTRACTOR still maintains in any form, and retain no copies of such information, or if such return or destruction is not feasible, CONTRACTOR will extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible; and
 - (iii) to ensure that its agents, including a subcontractor(s), to whom it provides Protected Health Information received from or created by CONTRACTOR on behalf of COUNTY, agrees to the same restrictions and conditions that apply to CONTRACTOR with respect to such information. In addition, CONTRACTOR agrees to take reasonable steps to ensure that its employees' actions or omissions do not cause CONTRACTOR to breach the terms of the Agreement.
- (b) Notwithstanding the prohibitions set forth in this Certification or the Agreement, CONTRACTOR may use and disclose Protected Health Information as follows:
- (i) if necessary, for the proper management and administration of CONTRACTOR or to carry out the legal responsibilities of CONTRACTOR, provided that as to any such disclosure, the following requirements are met:
 - (A) the disclosure is required by law; or
 - (B) CONTRACTOR obtains reasonable assurances from the person to whom the information is disclosed that it will be held confidentially and used or further disclosed only as required by law, or for the purpose for which it was disclosed to the person, and the person notifies CONTRACTOR of any instances of which it is aware in which the confidentiality of the information has been breached;
 - (ii) for data aggregation services, if to be provided by CONTRACTOR for the health care operations of COUNTY pursuant to any agreements between the Parties evidencing their business relationship. For purposes of this Certification and the Agreement, data aggregation services means the combining of Protected Health Information by CONTRACTOR with the protected health information received by CONTRACTOR in its capacity as CONTRACTOR of another COUNTY, to permit data analyses that relate to the health care operations of the respective covered entities.

EXHIBIT C

- (c) CONTRACTOR will implement appropriate safeguards to prevent use or disclosure of Protected Health Information other than as permitted in this Certification. The Secretary of Health and Human Services shall have the right to audit CONTRACTOR's records and practices related to use and disclosure of Protected Health Information to ensure COUNTY's compliance with the terms of the HIPAA Privacy Rule. CONTRACTOR shall report to COUNTY any use or disclosure of Protected Health Information which is not in compliance with the terms of this Certification of which it becomes aware. In addition, CONTRACTOR agrees to mitigate, to the extent practicable, any harmful effect that is known to CONTRACTOR of a use or disclosure of Protected Health Information by CONTRACTOR in violation of the requirements of this Certification or the Agreement.

III. AVAILABILITY OF PHI

CONTRACTOR agrees to make available Protected Health Information to the extent and in the manner required by Section 164.524 of the HIPAA Privacy Rule. CONTRACTOR agrees to make Protected Health Information available for amendment and incorporate any amendments to Protected Health Information in accordance with the requirements of Section 164.526 of the HIPAA Privacy Rule. In addition, CONTRACTOR agrees to make Protected Health Information available for purposes of accounting of disclosures, as required by Section 164.528 of the HIPAA Privacy Rule.

IV. TERMINATION

Notwithstanding anything in this Certification or the Agreement to the contrary, COUNTY shall have the right to terminate the Agreement immediately if COUNTY determines that CONTRACTOR has violated any material term of this Certification and/or the Agreement. If COUNTY reasonably believes that CONTRACTOR will violate a material term of this Certification and/or the Agreement and, where practicable, COUNTY gives written notice to CONTRACTOR of such belief within a reasonable time after forming such belief, and CONTRACTOR fails to provide adequate written assurances to COUNTY that it will not breach the cited term of this Certification and/or the Agreement within a reasonable period of time given the specific circumstances, but in any event, before the threatened breach is to occur, then COUNTY shall have the right to terminate the Agreement immediately.

V. MISCELLANEOUS

Except as expressly stated herein or the HIPAA Privacy Rule, the parties to the Agreement do not intend to create any rights in any third parties. The obligations of CONTRACTOR under this Section shall survive the expiration, termination, or cancellation of this Certification and/or the Agreement, and/or the business relationship of the parties, and shall continue to bind CONTRACTOR, its agents, employees, contractors, successors, and assigns as set forth herein.

The parties agree that, in the event that any documentation of the arrangement pursuant to which CONTRACTOR provides services to COUNTY contains provisions relating to the use or disclosure of Protected Health Information which are more restrictive than the provisions of this Certification or the Agreement, the provisions of the more restrictive documentation will control. The provisions of this

EXHIBIT C

Certification and the Agreement are intended to establish the minimum requirements regarding CONTRACTOR's use and disclosure of Protected Health Information.

In the event that either party believes in good faith that any provision of this Certification and/or the Agreement fails to comply with the then current requirements of the HIPAA Privacy Rule, such party shall notify the other party in writing. For a period of up to thirty (30) days, the parties shall address in good faith such concern and amend the terms of this Certification and/or the Agreement, if necessary to bring it into compliance. If, after such thirty-day period, the Certification and/or the Agreement fails to comply with the HIPAA Privacy Rule, then either party has the right to terminate upon written notice to the other party.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Social Services (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Social Services:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:

To contact us by email send messages to: urenael@co.monterey.ca.us

To advise Social Services of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at urenael@co.monterey.ca.us and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Social Services

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to urenael@co.monterey.ca.us and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Social Services

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;
- ii. send us an email to urenae1@co.monterey.ca.us and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Social Services as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Social Services during the course of your relationship with Social Services.
