

**Before the Board of Supervisors in and for the
County of Monterey, State of California**

Resolution No. 20 - _____

Ratifying the Proclamation by the Monterey)
County Health Officer of a Local Health Emergency)
due to the River, Carmel, and Dolan Wildfire Incidents)

RECITALS:

WHEREAS, Section 101080 of the California Health and Safety Code empowers the County Health Officer to declare a local health emergency if he or she reasonably determines that conditions of exposure to hazardous waste exist that pose an immediate threat to the public health, such declaration to expire after seven days unless ratified by the Board of Supervisors and reviewed thereafter every fourteen days; and,

WHEREAS, the wildfire known as the River Fire began on August 16, 2020, and has destroyed structures and threatened numerous residences and hundreds of acres of valuable wildland and watershed resulting in evacuations and displacement of residents; road closures; areas of isolation; damage to property and utility systems; and damage to critical infrastructure and endangered species; and,

WHEREAS, on August 17, 2020, the County Administrative Officer proclaimed the existence of a local emergency because of the River Fire; and,

WHEREAS, the Board of Supervisors ratified the CAO's proclamation on August 18, 2020, and further proclaimed a local emergency because of the wildfire known as the Carmel Fire that began on August 18, and that has also destroyed structures and threatened numerous residences and hundreds of acres of valuable wildland and watershed resulting in evacuations and displacement of residents; road closures; areas of isolation; damage to property and utility systems; and damage to critical infrastructure and endangered species; and,

WHEREAS, the wildfire known as the Dolan Fire began on August 19, 2020; and,

WHEREAS, on August 21, 2020, the CAO proclaimed the existence of a local emergency due to the Dolan Fire, and, as of that date, the fire had grown to almost 7,000 acres, has destroyed structures and threatened numerous residences and hundreds of acres of valuable wildland and watershed resulting in evacuations and displacement of residents; road closures; areas of isolation; damage to property and utility systems; and damage to critical infrastructure and endangered species; and,

WHEREAS, on August 25, 2020, the Board of Supervisors ratified the CAO's proclamation of a local emergency regarding the Dolan Fire; and,

WHEREAS, as of September 9, 2020, the River Fire had burned over 48,000 acres and was 100% contained, the Carmel Fire had burned almost 6,700 acres and was 100% contained, and the Dolan Fire had burned over 36,000 acres, is still burning, and only at 40% containment; and,

WHEREAS the River, Carmel and Dolan fires (collectively, the “Monterey County fires”) have destroyed hundreds of private buildings, resulting in accumulation of ash debris, much of which has been determined to be contaminated with heavy metals and/or asbestos; and,

WHEREAS the circumstances of the accumulation of this contaminated debris as a result of the Monterey County fires, by reason of the magnitude, are or are likely to be beyond the control of the services, personnel, equipment and facilities of any single local government and will require the combined forces of a mutual aid region or regions to abate; and,

WHEREAS, Dr. Edward Moreno is the Health Officer of the County of Monterey, and,

WHEREAS, under the provisions of section 101080 of the California Health and Safety Code, Dr. Moreno found that conditions of exposure to hazardous waste and an immediate threat to the health and safety of the public exist in the areas burned by the Monterey County fires; and,

WHEREAS, under the provisions of section 101085 of the California Health and Safety Code, Monterey County needs other political subdivisions and State agencies to provide mutual aid, including personnel, equipment and other available resources; and,

WHEREAS, on September 3, 2020, Dr. Moreno, in accordance with the authority vested in him by section 101080 of the California Health and Safety Code, issued a Declaration of Local Health Emergency for the affected areas of the County of Monterey due to the Monterey County fires; and,

WHEREAS, in accordance with the powers and duties of the local health officer vested by sections 101085 and 101310 of the California Health and Safety Code, Dr. Moreno has ordered that all assisting state agencies, in particular the State Department of Toxics Substance Control, Office of Emergencies Services (OES), the California Department of Resources Recycling and Recovery, and all appropriate County agencies, in particular the Environmental Health Bureau of the Monterey County Health Department, utilize and employ personnel, equipment, and facilities for the performance of any and all activities consistent with the direction of the Incident Commanders for the Monterey County fire incidents; and,

WHEREAS, the Dr. Moreno has further ordered that all persons are to heed the directions of emergency officials with regard to this emergency in order to protect their health and safety. This may include temporary or extended evacuations of identified dwelling units during hazardous waste demolition and removal efforts, further and/or expanded access restrictions on property owners and the public into areas identified to be contaminated, and the removal of contaminants and debris of those parcels of which an agreement as to the remediation efforts has not been determined or identified by the respective property owners; and

WHEREAS, Emergency conditions continue to exist, necessitating ratification and continuation of the Declaration of Local Health Emergency; and,

WHEREAS, the earliest meeting at which ratification of the Declaration of Local Health Emergency could be scheduled for consideration by the Board of Supervisors is its regular meeting on September 15, 2020, which is beyond the seven (7) day requirement for ratification by the Board of Supervisors; and,

WHEREAS, accordingly, Dr. Moreno issued a second proclamation of Local Health Emergency on September 10, 2020, with the same terms and provisions as his order of September 3, 2020; **NOW, THEREFORE,**

BE IT RESOLVED, by the Board of Supervisors in and for the County of Monterey as follows:

1. The above recitals are true and correct.
2. The actions of the Health Officer of the County of Monterey in response to the local health emergency, including the Declaration of Local Health Emergency issued by the Health Officer and orders pursuant thereto, are hereby ratified by the Board of Supervisors of the County of Monterey.
3. Pursuant to section 101080 of the California Health and Safety Code, the Board of Supervisors shall review the need for continuing the local health emergency at least once every 30 days and shall proclaim the termination of the local health emergency at the earliest possible date that conditions warrant the termination.
