MEMORANDUM

TO:

Monterey County Community Action Contractors

FROM:

Monterey County Community Action Partnership

SUBJECT:

Child Support Referral Policy

The federal CSBG Act requires all Community Action Agencies (CAAs) during each fiscal year to:

- Inform custodial parents in single-parent families that participate in CSBGfunded programs, activities, or services about the availability of child support services; and
- Refer eligible parents to the child support offices of state and local governments.

42 U.S.C. § 9919(b).

To ensure that the CSBG statute regarding child support referral procedures is being implemented within all CSBG supported programs, Monterey County Community Action Partnership subcontractors must include this procedure during intake processes. During the client's initial intake, the client is asked if he or she is the custodial parent in a single-parent family. If this status is confirmed, then the caseworker/intake worker will:

- Inform the custodial parent about the availability of child support services.
- Refer the custodial parent to the Monterey County Department of Child Support Services.
- Have available for all clients the Child Support Referral Notice and Application for Child Support Services form.

Staff should not act in a manner to be interpreted as giving legal advice but should assure that custodial parents in single-parent families are referred to the Monterey County Department of Child Support Services.

By Christopher Logue September 2015

On July 22, 2014, President Obama signed the Workforce Innovation and Opportunity Act (WIOA, or the Act), which is designed to help job seekers access employment, education, training, and support services to succeed in the labor market and to match employers with the skilled workers they need to compete in the global economy. WIOA supersedes titles I and II of the Workforce Investment Act of 1998 (WIA), and amends the Wagner-Peyser Act and the Rehabilitation Act of 1973. As the largest single source of federal funding for workforce development programs, WIA has been connected to the Community Action Network by requiring some CAAs to partner with the WIA system. WIOA makes significant changes to its predecessor WIA and reauthorizes its programs through 2020. Some of WIOA's changes are noteworthy for the Community Action network and this set of FAQs addresses the basics of what has changed—and what hasn't.

1. What is WIOA?

WIOA, like WIA, establishes a publicly funded workforce system which aims to align workforce development, education, and economic development programs with regional economic development strategies

WIOA establishes a publicly funded workforce system... providing access to one-stop centers that connect individuals with a range of services available in their communities...

to meet the needs of local and regional employers. This is accomplished by providing access to one-stop centers that connect individuals with a range of services available in their communities, whether they are looking to find jobs, building basic educational or occupational skills, earning a postsecondary certificate or degree, or obtaining guidance on how to make career choices, or are businesses and employers seeking skilled workers.¹

2. Are WIOA workforce systems structured in the same way as those established under WIA?

Yes. Under WIOA, partner programs and entities that are jointly responsible for workforce and economic development, educational, and other human resource programs will still collaborate to create a one-stop delivery system that integrates service delivery across all programs and enhances access to the programs' services. The one-stop delivery system includes six core programs (Title I adult, dislocated worker, and youth programs; Title II adult education and literacy programs; Title III Wagner-Peyser program; and Title IV vocational rehabilitation program), as well as the programs offered by other required and optional partners identified in WIOA. including employment and training activities carried out under the Community Services Block Grant (CSBG). Under WIOA,

the goals of one-stop centers and their partners are to:

- Provide job seekers with the skills and credentials necessary to secure and advance in employment with familysustaining wages;
- Provide access and opportunities to all job seekers, including individuals with barriers to employment, such as individuals with disabilities, to prepare for, obtain, retain, and advance in highquality jobs and high-demand careers;
- Enable businesses and employers to easily identify and hire skilled workers and access other supports, including education and training for their current workforce;
- Participate in rigorous evaluations that support continuous improvement of one-stop centers by identifying which strategies work better for different populations; and
- Ensure that high-quality integrated data inform decisions made by policy makers, employers, and job seekers.²

The management of the one-stop delivery system is the shared responsibility of states, local boards, elected officials, the core WIOA partners, other required partners, and one-stop center operators.

3. What terms are used to describe the WIOA structure?

While the language used to describe the main components of the workforce system has not changed, those who are new to WIOA will want to familiarize themselves with the following basic terms:

- One-Stop Delivery System: Also known as the American Job Center (AJC) system, the name for the entire network of WIOA programs, partners, operators, centers, and boards.3 Also known as the One-Stop System.
- One-Stop Partner: Any entity that is required, or may be allowed, to participate in the One Stop System⁴
- One-Stop Operator: An entity designated or certified by a local board to receive WIOA funds to operate a one stop center⁵
- One-Stop Center: Also known as American Job Centers, the physical location where WIOA services are provided6

4. When is a CAA a required partner?

WIOA continues to include the WIA mandate that any programs that provide "employment and training

activities carried out under the Community Services Block Grant Act" are required partners.7 This requirement is reinforced

by the CSBG Act's requirement that CSBG state plans describe how the state and CAAs in the state will coordinate the provision of employment and training activities in the state and in communities with entities providing activities through statewide and local workforce development systems under

WIOA.8 "Employment and training activities" are defined as any activity described in Section 134 of WIOA, and includes activities such as job search and placement assistance, career counseling, job recruitment, providing workforce and labor statistics such as job vacancy listings and job market information, providing information regarding filing of claims for unemployment compensation, assistance in establishing eligibility for programs of financial aid assistance for training and education programs that are not funded under WIOA, or referrals to any such services.9 CAAs that are unsure whether they provide CSBG-funded employment and training activities should review this section of WIOA at 29 U.S.C. §3174.

The Act also lists 12 other federally funded programs that will trigger the required partner designation. If a CAA operates any of these federally funded programs, the CAA is a required partner and must integrate those programs into the one stop system. (See Question 4 below for more information on what a CAA must do if it is a required partner). Programs that will trigger the required partner designation include:

- Programs authorized under Title I of WIOA¹⁰
- Employment and training activities carried out by the Department of Housing and Urban Development;
- Temporary Assistance for Needy Families (TANF) (unless the governor makes a determination to exclude TANF from the state's WIOA systems)11

CAAs should consult the full list of programs that trigger the required partner designation at 29 U.S.C. § 3151.

...any programs that provide "employment and training activites carried out by the Community Services Block Grant Act" are required partners.

5. Have these required partners changed since the WIA?

For the most part, the same federally funded programs are required partners under the old WIA and the new WIOA.

One-stop partners are not required to contribute more than 1.5% of the federal funds provided for the program. However, there are some notable changes. Programs funded under the Second Chance Act of 2007 are now included.¹² The Second Chance Act, designed to assist individuals recently released from incarceration, funds programs related to adult and juvenile reentry services, drug treatment and mentoring, and technology career training. These programs are administered through the

Office of Justice in the U.S. Department of Justice.

Also significant is the addition of TANF to the list of required partners. Any entity that administers programs under TANF (referred to as part A of title IV of the Social Security Act) must participate in the one-stop system, unless their state's governor determines otherwise, pursuant to the notification requirements in the Act.¹³

6. What are required partners required to do?

If a CAA is a required partner under WIOA, it must do the following:

i. Provide access through the one-stop delivery system to the relevant programs or activities. ¹⁴ For example, a CAA that provides employment or training services under its CSBG funding must provide access to those employment or training services through the one-stop system.

ii. Use a portion of the funds available for the program and activities to maintain the one-stop delivery system, including payment of the infrastructure costs of one-stop centers.15 For example, a CAA that runs a CSBG-funded job training program must be willing to dedicate a portion of its CSBG funding to developing the infrastructure of the local one-stop center. The process for determining how the infrastructure of one-stop centers will be funded is laid out in the statute16 and more guidance will be provided in future regulations.17 This process requires one-stop partners, along with the local board and chief elected officials, to reach a voluntary agreement on infrastructure funding and incorporate that agreement into a memorandum of understanding.18 If the partners fail to reach an agreement by July 1, 2016, the Act creates a mechanism for the state to determine funding for each program year the partners are unable to agree. One-stop partners may not be required to contribute more than 1.5 percent of the amount of federal funds provided to carry out the program, such as a CAA's CSBG-funded employment and training programs, in the state for a fiscal year. 19 The Act also requires the state to establish a process under which a required one-stop partner may appeal a determination regarding the portion of funds to be provided on the basis that the determination is inconsistent with the Act's infrastructure funding requirements.20

iii. Enter into a local memorandum of understanding (MOU) with the local board relating to the operation of the one-stop system.²¹ The content of the MOU must meet the requirements of act.²²

iv. Participate in the operation of the onestop system consistent with the terms of the MOU, the requirements of the Act, and the requirements of the Federal laws authorizing the program or Activities.²³

v. Provide representation on the state board to the extent provided under the Act.²⁴ One-stop partners are not guaranteed representation on the state board but may have a representative appointed at the discretion of the governor.²⁵

7. What are the requirements and opportunities for CAA membership on state and local boards?

WIOA generally maintains the structure of state and local workforce development boards from its predecessor WIA, although the size of the boards has been reduced and the composition requirements have changed significantly. State boards must be composed of the governor, one member of each chamber of the state legislature, and representatives appointed by the governor,

State boards must be composed of the governor, one member of each chamber of the state legislature and representatives appointed by the governor... a majority of which must be representatives of business in the state.²⁶ Local boards, like the state boards, must be comprised of a majority of members from the business community and must be chaired by a business representative.²⁷ Numerous other requirements for both the local and state boards can be found in the Act.

WIOA has made some changes to the composition of local boards that are noteworthy for CAAs. Under the former WIA, each one-stop partner had a

representative on the local board.²⁸ WIOA has eliminated that requirement and instead made CAA representation discretionary.²⁹

Although there is no language that explicitly gives one-stop partners a seat on the local board, the following is a list of provisions in the local board requirements section under which a CAA could be appointed a seat on the local board. The local board:

- "...may include representatives of community-based organizations that have demonstrated experience and expertise in addressing the employment needs of individuals with barriers to employment." 29 U.S.C. § 3122(b)(2)(B) (iii).
- "...may include representatives of organizations that have demonstrated experience and expertise in addressing the employment, training, or education needs of eligible youth, including representatives of organizations that serve out-of-school youth." 29 U.S.C. § 3122(b)(2)(B)(iv).
- "...shall include a representative of eligible providers administering adult education and literacy activities under title II [of WIOA]." 29 U.S.C. § 3122(b)(2) (C)(i).
- "...may include representatives of... community-based organizations with demonstrated experience and expertise in addressing the education or training needs of individuals with barriers to employment." 29 U.S.C. § 3122(b)(2)(C)(iii).
- "...shall include a representative of economic and community development entities." 29 U.S.C. § 3122(b)(2)(D)(i).

• "...may include representatives of agencies or entities administering programs serving the local area relating to transportation, housing, and public assistance." 29 U.S.C. § 3122(b) (2)(D)(iv).

8. What are the Combined State Plans?

As with WIA, WIOA allows states to create a combined state plan that includes all of the WIOA core programs (also known as "career services") as well as the option to include a number of other programs, such as CSBG-funded programs.³⁰ The proposed regulations on combined state plans indicate that states may include in their combined plans the WIOA-related

The effective date of the WIOA is the first full program year after enactment, which began on July 2, 2015... CSBG programs and services (i.e., CSBG-funded employment and training services), but all other CSBG plans would be submitted separately in the typical CSBG state plan. This arrangement, whereby the state will include only portions of CSBG-funded programs in the WiOA state plan, comes out of a recognition that

CSBG-funded employment and training services are only a subset of a broad range of anti-poverty activities addressed in the overall CSBG plan.³¹

On August 6, the Departments of Labor, Education, Health and Human Services, Agriculture, and Housing and Urban development released proposed WIOA Unified and Combined State Plan Requirements in the form of an "Information Collection Request." The agencies are soliciting comments on the proposed requirements, which can be found here.

9. When do these changes take effect?

The effective date of the WIOA is the first full program year after enactment, which began on July 2, 2015,32 although WIOA contains numerous provisions that take effect on later dates. While most of the provisions with later start dates are relevant to states and to state and local workforce boards, some are directly relevant to CAAs, such July 1, 2016, when one-stop infrastructure costs requirements take effect³³ and use of the common one-stop delivery identifier must be implemented.34 The Department of Labor has created a chart of WIOA key implementation dates which can be accessed on their website by clicking here.

ADDITIONAL PROVISIONS

I. PAYMENT BY COUNTY:

- 1.01 Monthly claims/invoices by CONTRACTOR: Not later than the tenth (10th) day of each month, CONTRACTOR shall submit to COUNTY a signed invoice setting forth the amount claimed. All invoices (monthly and final) shall be submitted in the form set forth in Exhibit D and shall include an invoice number.
- 1.02 Final Invoice; forfeiture for late invoice: CONTRACTOR's final month and end of fiscal year invoice is due, and must be received by COUNTY, no later than close of business on December 10. If the Final Invoice is not received by COUNTY by close of business on December 10, CONTRACTOR understands and agrees that the reimbursement of CONTRACTOR's final expenses represented by that invoice may be forfeited, and COUNTY shall have no legal obligation regarding it, nor shall COUNTY be required to make any payment towards that untimely/late invoiced claim.
- 1.03 Allowable Costs: Allowable costs shall be the CONTRACTOR's actual costs of developing, supervising and delivering the services under this Agreement, as set forth in Exhibit C. Only the costs listed in Exhibit C as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of 45 Code of Federal Regulations, Part 74, Sub-Part F and 48 Code of Federal Regulations (CFR), Chapter 1, Part 31.
- 1.04 Cost Control: CONTRACTOR shall not exceed by more than twenty (20) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this contract. Therefore, an increase in one line item will require corresponding decreases in other line items.

1.05 Payment in Full:

- (a) If COUNTY certifies and pays the amount requested by CONTRACTOR, such payment shall be deemed payment in full for the month in question and may not thereafter be reviewed or modified, except to permit COUNTY's recovery of overpayments.
- (b) If COUNTY certifies and pays a lesser amount than the amount requested, COUNTY shall, immediately upon certification of the lesser amount, notify CONTRACTOR in writing of such certification. If CONTRACTOR does not protest the lesser amount by delivering to COUNTY a written notice of protest within twenty (20) days after CONTRACTOR's receipt of the certification, then payment of the lesser amount shall be

Page 1 of 7 Exhibit B, Additional Provisions Agreement: 2020 Gathering for Women

deemed payment in full for the month in question and may not thereafter be questioned by CONTRACTOR.

1.06 Disputed payment amount: If COUNTY pays a lesser amount than the amount requested, and if CONTRACTOR submits a written notice of protest to COUNTY within twenty (20) days after CONTRACTOR's receipt of the certification, then the parties shall promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such dispute until the parties have met and attempted to resolve the dispute in person.

II. PERFORMANCE STANDARDS & COMPLIANCE

- 2.01 Outcome objectives and performance standards: CONTRACTOR shall for the entire term of this Agreement provide the service outcomes set forth in Exhibit A. CONTRACTOR shall meet the contracted level of service and the specified performance standards described in Exhibit A, unless prevented from doing so by circumstances beyond CONTRACTOR's control, including but not limited to, natural disasters, fire, theft, and shortages of necessary supplies or materials due to labor disputes.
- 2.02 County monitoring of services: COUNTY shall monitor services provided under this Agreement in order to evaluate the effectiveness and quality of services provided.
- 2.03 Notice of defective performance: COUNTY shall notify CONTRACTOR in writing within thirty (30) days after discovering any defects in CONTRACTOR's performance. CONTRACTOR shall promptly take action to correct the problem and to prevent its recurrence. Such corrective action shall be completed and a written report made to the COUNTY concerning such action not later than thirty (30) days after the date of the COUNTY's written notice to CONTRACTOR.
- 2.04 Termination for cause: Notwithstanding Section 7.02 of the Agreement, if the corrective actions required above are not completed and the report to the COUNTY not made within thirty (30) days, the COUNTY may terminate this Agreement by giving five (5) days' written notice to CONTRACTOR.

2.05 Remedies for Inadequate Service Levels:

- a) For each month that service falls below 80% of the contracted level, CONTRACTOR shall submit to the COUNTY an analysis of the causes of the problem and any necessary actions to be taken to correct the problem. If the problem continues for another month, the COUNTY shall meet with CONTRACTOR to explore the problem and develop an appropriate written corrective action plan with appropriate time frames.
- b) If CONTRACTOR does not carry out the required corrective action within the time frame specified, sanctions shall be applied in accordance with funding source regulations.

Page 2 of 7 Exhibit B, Additional Provisions Agreement: 2020 Gathering for Women

- c) Notwithstanding Section 7.02 of the Agreement, if, after the COUNTY notifies CONTRACTOR of any sanctions to be imposed, CONTRACTOR continues in its failure to take corrective action, then COUNTY may terminate this contract by giving CONTRACTOR five (5) days' written notice.
- d) If all appropriate corrective actions are taken but service still falls 80% or more below contracted level, COUNTY and CONTRACTOR may renegotiate the contracted level of service.
- 2.06 Training for Staff: CONTRACTOR shall insure that sufficient training is provided to its volunteer and paid staff to enable them to perform effectively on the project, and to increase their existing level of skills. Additionally, CONTRACTOR shall ensure that all staff completes Division 21 Civil Rights training.
