Dear Supervisor Lopez:

The Monterey County Regional Fire District desires the donation of the following surplus equipment from Monterey County:

***1996 John Deere Backhoe Loader Model 710d -ID number 96N742***

The Monterey County Fire District will accept all transfer rights, including all responsibilities (as is) for the future maintenance, repair and insurance of the identified equipment.

This piece of equipment will help us in the event of flooding or mudslides due to the recent River & Carmel Fire within our Fire District boundary, over the years we had to rent such equipment for over \$600 a day.

Sincerely

A handwritten signature in black ink, appearing to read "Michael Urquides".
