Craig Spencer I would like to comment on the following scheduled item:

Project: Poss Roy James Jr & Debra Ann
File Number PLN200136
Project location: 1138 Chaparral Rd Pebble Beach
Parcel Number: 007-543-004-000

I am a neighbor living just a few houses away from this property, at 1146 Arrowhead Road. The house and the removal of 35 trees will not fit into the existing neighborhood, the homeowners have maintained the forest look and have kept the existing protected trees. Removing this many trees and a house that fills the whole property does not fit with the homes that were originally built in this neighbors. I would request that the approval for the removal of trees be declined.

Thank you

Chuck Perry
