

2021 County of Monterey – Grant Tracking Report

Active Applications

Department	Grant Program	Project Summary	Request	Role	Status
PWFP	Statewide Parks Program	San Lorenzo Park including riparian corridor enhancement, group bbq area, children's play structure, splash pad, trail enhancements, and more.	TBD	Meet with staff to discuss the project and the grant program. Request clarification from the State on questions related to the grant program. Review the application for competitiveness.	Due March 12, 2021
WRA	2019-20 State Budget Earmark – California Department of Fish and Wildlife (CDFW)	Interlake Tunnel fish screen costs.	\$17 Million	Successfully lobbied for the funding in the 2019-20 State budget, including testifying in hearings, meetings with Members of the Legislature, and meetings with the Administration. Continued coordination meetings with CDFW to discuss drawing down funds and executing the grant agreement.	All WRA grant agreement approvals are complete. WRA will send the signed agreement to CDFW in March for final sign off by June 2021.
PWFP	Drinking Water State Revolving Fund	Planning for safe, clean drinking water project in San Lucas.	\$1,288,600	Meet with staff to discuss potential funding opportunities. Continue to coordinate several meetings with the State Water Board. Provide strategic advice to PWFP.	PWFP provided the State Water Board information on a new project alternative in January 2021 and we are working to set up a meeting with the Water Board regarding next steps to update the application and securing funding.
PWFP	CalOES/FEMA Hazard	Address flood management and floodplain habitat loss within the	\$22.9 Million	Reviewed the first draft, comments from the Big Sur Land Trust, and	All outstanding issues with the application have been resolved.

	Mitigation Grant Program	lower Carmel River Basin by improving the natural and historic functions and values of the lower Carmel River and Carmel Lagoon through the hydraulic reconnection of the Carmel River, its southern floodplain, and the lagoon.		the final application. In October 2020, the County sent a letter clarifying technical points of the application and is awaiting response from FEMA.	The FEMA award is secured pending the environmental review process to be completed. Expected Award: 2021
