The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

8. INDEMNIFICATION.

8.01 For purposes of the following indemnification provisions ("Indemnification Agreement"), "design professional" has the same meaning as set forth in California Civil Code section 2782.8. If there is any conflict between the terms, provisions or application of this Indemnification Agreement and the provisions of California Civil Code Sections 2782 or 2782.8, the broadest indemnity protection for COUNTY under this Indemnity Agreement that is permitted by law shall be provided by CONTRACTOR.

8.02 Indemnification for Design Professional Services Claims:

CONTRACTOR shall indemnify, defend and hold harmless COUNTY, its governing board, directors, officers, employees, and agents against any claims that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of CONTRACTOR, its employees, subcontractors, and agents in the performance of design professional services under this Agreement, excepting only liability arising from the sole negligence, active negligence or willful misconduct of COUNTY, or defect in a design furnished by COUNTY, but in no event shall the amount of such CONTRACTOR's liability exceed such CONTRACTOR's proportionate percentage of fault as determined by a court, arbitrator or mediator, or as set out in a settlement agreement. In the event one (1) or more defendants to any action involving such claim or claims against COUNTY is unable to pay its share of defense costs due to bankruptcy or dissolution of the business, such CONTRACTOR shall meet and confer with the other parties to such action regarding unpaid defense costs.

8.03 Indemnification for All Other Claims or Loss:

For any claim, loss, injury, damage, expense or liability other than claims arising out of CONTRACTOR's performance of design professional services under this Agreement, CONTRACTOR shall indemnify, defend and hold harmless COUNTY, its governing board, directors, officers, employees, and agents against any claim for loss, injury, damage, expense or liability resulting from or alleging injury to or death of any person or loss of use of or damage to property, arising from or related to the performance of services under this Agreement by CONTRACTOR, its employees, subcontractors or agents, excepting only liability arising from the sole negligence, active negligence or willful misconduct of COUNTY, or defect in a design furnished by COUNTY.

If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

Modification (Justification attached; subject to approval).

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

To Agreement by and between
County of Monterey, hereinafter referred to as “County”
AND
Rincon Consultants, Inc., hereinafter referred to as “CONTRACTOR”

A. SCOPE OF SERVICES

- A.1** CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work as set forth below. CONTRACTOR’S scope of services includes, but is not limited to the following:

CONTRACTOR shall provide responsible and comprehensive assistance to process individual development permit applications and related environmental review (exemption determinations and/or initial studies) from the permit application “complete” stage to the final decision on an as-needed basis. CONTRACTOR shall abide by all local, state, and federal regulations.

A.2 CHARACTER OF WORK

A.2.1 Project Intake and Initial Contact: County’s Project Planner shall hand out the application and subsequently receive and review application materials and technical reports (e.g., traffic, noise, air quality, soils and geology, archeological, biology), and confirm the permits required and the level of environmental review necessary. County’s Project Planner will prepare the Interdepartmental Review (IDR) Packets and will identify the tasks that are to be performed by CONTRACTOR for the project. CONTRACTOR, before proceeding, shall articulate in writing a statement defining the steps required to process the project, confirming County expectations regarding staff assignment and the definition of the work effort required to process the application and scheduling on a draft budget sheet.

A.2.2 Cost/Time Estimate: CONTRACTOR shall submit their budget estimate to include hours to complete the tasks required to process the application as identified by the County’s Project Planner.

A.2.3 Project Evaluation: CONTRACTOR shall review the IDR comments, make a site visit, if deemed necessary by County’s Project Planner, or may communicate with County’s Project Planner and review photos. In collaboration with County’s Project Planner, CONTRACTOR shall determine the project status and whether additional information is required per the State’s permit streamlining requirements and CEQA.

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

A.2.4 CEQA Determination: CONTRACTOR and County's Project Planner will determine whether a categorical exemption or initial environmental review study is required.

A.2.4.1 Final determination whether the project is categorically exempt or if an environmental review is required will be made by County's Project Planner.

A.2.5 Preparation of Initial Study/Negative/Mitigated Negative Declaration: When an Environmental Initial Study is deemed necessary by County, CONTRACTOR, in collaboration with County's Project Planner, shall determine the scope of the initial study and identify potentially significant issues that need to be addressed. CONTRACTOR shall prepare a cost estimate of the Initial Study and present to County for approval. Once approved, CONTRACTOR shall complete an administrative draft Initial Study including impact analysis, mitigation measures and monitoring actions. CONTRACTOR shall submit a completed and finished administrative draft Initial Study to the County's Project Planner for the Project Planner's review. CONTRACTOR shall make such revisions as the County Planner directs. The administrative draft Initial Study will then be circulated through the County Clearinghouse (one week). The County Clearinghouse is responsible for distributing environmental documents to other County land use departments for review and collects their comments. Once acceptable to County staff, the administrative draft Initial Study may be forwarded by County's Project Planner to the applicant for a one week review to only correct or revise factual details in the Project Description and agree to any proposed mitigation measures. If, during the preparation of the Initial Study, it is determined that an Environmental Impact Report (EIR) is required for the project, the County will follow its standard procedure for hiring an EIR consultant. CONTRACTOR shall not be eligible to prepare the EIR for any permits which CONTRACTOR provided application review under this Agreement.

A.2.6 Set Public Hearing Date for the Application: CONTRACTOR shall work with County's Project Planner to determine an appropriate date to schedule the public hearing. This decision must follow County cutoff dates for staff report submission, review, corrections, and production and meet requirements of the state Permit Streamlining Act.

A.2.7 Staff Report Preparation and Review: After the application is deemed complete, and in consultation with the County's Project Planner, the CONTRACTOR shall prepare a draft staff report including all attachments and exhibits as required by County utilizing County templates to produce a clear and concise overview of the proposed project, issues and their resolution. This shall include a summary of the Land Use Advisory Committee (LUAC) action, where necessary. The appropriate Findings and Evidence shall be included in the draft resolution attached to the staff report and completed with comprehensive, clear and concise evidence to support findings. The Condition Compliance/Mitigation Monitoring matrix (i.e., list of conditions of approval, mitigation measures and monitoring actions) shall be completed. CONTRACTOR shall submit the draft staff report, findings

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

and evidence and conditions and mitigation measure matrix to the County’s Project Planner and make such revisions as the County’s Project Planner directs.

A.2.8 Presentation and Responses to Comments and Last-Minute Issues:

CONTRACTOR shall prepare all appropriate presentation materials for the hearing body as requested by County. CONTRACTOR shall be available during office hours one week prior to the public hearing to assist County’s Project Planner to resolve any remaining issues or respond to comments in written form from the public and provide support to County as necessary.

A.2.9 Public Hearing Follow-up – Appeals: Under the direction of the County’s Project Planner, CONTRACTOR shall be responsible for revising and changing any findings, evidence, or conditions/mitigation measures that are a result of the hearing process. CONTRACTOR may be required to prepare a revised staff report and following recommendations of the hearing body. If the project is appealed to another County hearing body (e.g., from the Planning Commission to the Board of Supervisors) then CONTRACTOR shall respond to the appeal and prepare an appropriate discussion of the appeal topics in a *de novo* type staff report, prepare findings and evidence addressing the appeal and re-insert conditions and mitigations if the County is submitting an affirmative recommendation.

A.2.10 Field Trips: CONTRACTOR shall conduct field trips as needed for each project development application and related environmental review if required. Field trip requirements will ultimately be the decision of the County as appropriate.

A.2.11 Responsible Agency Contacts: CONTRACTOR shall be responsible for early contacts with interested agencies identified by the County’s Project Planner.

A.2.12 County Plans, Ordinances, Forms, Templates and Process: It shall be the responsibility of the CONTRACTOR to receive and review all County Plans, Ordinances, Forms (as applicable) and templates for reviewing, analyzing, preparing, and processing the permit application products and documents. It shall be the responsibility of the CONTRACTOR to endeavor to learn and master the County’s permitting and related environmental review process to minimize involvement of staff time during the processing of the individual permits.

A.2.13 Files and file Organization: CONTRACTOR shall receive a copy of the Planning Department’s file and all subsequent correspondence. All e-mails and electronic files shall be forwarded immediately to County’s Project Planner.

A.3 DELIVERY OF SCHEDULED DOCUMENTS AND REPORTS

CONTRACTOR shall deliver one electronic copy and one clean hard copy original of the staff report with all required attachments per County format and requirements at least two weeks prior

EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

to the public hearing as the final completed product with all reviews and required approvals. CONTRACTOR shall deliver one electronic copy and one original hard copy of the Initial Study/Negative Declaration (where required) pursuant to a schedule set at the time the CEQA determination is made. By no later than when the Initial Study is ready for release to the public for the public review and comment period, CONTRACTOR shall provide to the County a complete and accurate copy of all references listed in the environmental review document prepared by CONTRACTOR.

All written reports required under this Agreement must be delivered in accordance with the CONTRACTOR'S cost estimate and task schedule, per individual project, to the designated Project Planner and the following individual:
