

My name is Bandy Smith. I am a Monterey County Park Ranger and have been so for about 10 years.

I am a resident of Bradley and have lived near the lakes for most of my life.

I began in EMS as an Explorer and later became a Volunteer Fire Fighter for San Luis Obispo County. I was a responding member of Station 34 which is at Nacimiento Lake inside the Oak Shores Community for 18 years.

I no longer volunteer for SLO County but still serve the area through Monterey County Parks.
