## Background Information:

The California Coastal Commission was established by voter initiative in 1972 and was made permanent by the Legislature through the adoption of the California Coastal Act of 1976. The Commission, in collaboration with coastal cities and counties, strategizes and regulates the use of land and water in the coastal zone. Development activities, which are broadly defined by the Coastal Act to include (among others) construction of buildings, divisions of land, and activities that change the intensity of use of land or public access to coastal waters, generally require a coastal permit from either the Coastal Commission or the local government.

The Commission is comprised of twelve (12) voting members, appointed equally (four each) by the Governor, the Senate Rules Committee, and the Speaker of the Assembly; and three (3) additional ex officio (non-voting) members. Voting membership includes six (6) locally elected officials, with the remaining six (6) from the public at large.

Pursuant to California Public Resources Code section 30301(e), the Speaker of the Assembly shall appointment one (1) member of the California Coastal Commission from the central coast region, which encompasses the counties of San Mateo, Santa Cruz and Monterey. Code Section 30301.2, further provides that *“In regions composed of three counties, the board of supervisors and the city selection committee in each county within the region shall each nominate one or more supervisors and one or more mayors or city council members.”* The code specifies that nominations must occur within 45-days of the request for nominations by the appointing authority. In this case, the Speaker’s letter was received by the Chairperson of the Board of Supervisors on January 24, 2023; with a 45-day period elapsing on March 10, 2023

## **Section 30301 Membership**

The commission shall consist of the following 15 members:

(a) The Secretary of the Natural Resources Agency.

(b) The Secretary of Transportation.

(c) The Chairperson of the State Lands Commission.

(d) Six representatives of the public from the state at large. The Governor, the Senate Committee on Rules, and the Speaker of the Assembly shall each appoint two of these members.

(e) Six representatives selected from six coastal regions. The Governor shall select one member from the north coast region and one member from the south central coast region. The Speaker of the Assembly shall select one member from the central coast region and one member from the San Diego coast region. The Senate Committee on Rules shall select one member from the north central coast region and one member from the south coast region. For purposes of this division, these regions are defined as follows:

(1) The north coast region consists of the Counties of Del Norte, Humboldt, and Mendocino.

(2) The north central coast region consists of the Counties of Sonoma and Marin and the City and County of San Francisco.

(3) The central coast region consists of the Counties of San Mateo, Santa Cruz, and Monterey.

(4) The south central coast region consists of the Counties of San Luis Obispo, Santa Barbara, and Ventura.

(5) The south coast region consists of the Counties of Los Angeles and Orange.

(6) The San Diego coast region consists of the County of San Diego.

(f) Of the representatives appointed by the Governor pursuant to subdivision (d) or (e), one of the representatives shall reside in, and work directly with, communities in the state that are disproportionately burdened by, and vulnerable to, high levels of pollution and issues of environmental justice, including, but not limited to, communities with diverse racial and ethnic populations and communities with low-income populations. The Governor shall appoint a representative qualified pursuant to this subdivision to a vacant position from the appointments available pursuant to either subdivision (d) or (e) no later than the fourth appointment available after January 1, 2017.

### **Section 30301.2 Appointments; methods**

(a) The appointments of the Governor, the Senate Committee on Rules, and the Speaker of the Assembly, pursuant to subdivision (e) of Section 30301, shall be made as prescribed in this section. Within 45 days from the date of receipt of a request for nominations by the appointing authority, the board of supervisors and city selection committee of each county within the region shall nominate supervisors, mayors, or city council members who reside in the region from which the Governor, the Senate Committee on Rules, or the Speaker of the Assembly shall appoint a replacement. In regions composed of three counties, the board of supervisors and the city selection committee in each county within the region shall each nominate one or more supervisors and one or more mayors or city council members. Immediately upon selecting the nominees, the board of supervisors and the city selection committee shall send the names of the nominees to either the Governor, the Senate Committee on Rules, or the Speaker of the Assembly, whoever will appoint the replacement.

(b) Within 30 days from the date of receipt of the names of the nominees pursuant to subdivision (a), the Governor, the Speaker of the Assembly, or the Senate Committee on Rules, whoever will appoint the replacement, shall either appoint one of the nominees or notify the boards of supervisors and city selection committees within the region that none of the nominees are acceptable and request the boards of supervisors and city selection committees to make additional nominations. Within 45 days from the date of receipt of a notice rejecting all the nominees, the boards of supervisors and city selection committees within the region shall nominate and send to the appointing authority the names of additional nominees in accordance with subdivision (a). Upon receipt of the names of those additional nominees, the appointing authority shall appoint one of the nominees.

Dear Chair,

I understand that Assembly Speaker Rendon has issued a request for nominations to fill an upcoming vacancy on the Coastal Commission for the Central Coast region. I am requesting that you add me to the list of nominations that you submit to the Speaker. As a City Councilmember in the coastal city of Capitola and a board member of the Monterey Bay National Marine Sanctuary Foundation, I believe that I am uniquely and fully qualified to represent the important coastal land use issues in these regions as well as the broader issues facing coastal areas statewide.

I have worked closely with local, regional, and State government agencies; educational research institutions, environmental non profit organizations and the people of the Central Coast on many aspects of California's coastal policy and planning. I serve our Central Coast community with a passion for who we are and what we have created.

As an elected official, I currently serve on the following boards and commissions:

- Monterey Bay National Marine Sanctuary Foundation- Board Member
- Central Coast Community Energy 3CE - Policy Board Member
- The Local Agency Formation Commission of Santa Cruz County LAFCO - Chair
- League of Cities, Executive Board - Monterey Bay Region Division - Vice President
- Santa Cruz County Workforce Development Board - Executive Committee Vice Chair
- Santa Cruz County Children's Network - Chair
- Aptos/Capitola Rotary Club Member

I am writing today as an individual Council Member and not on behalf of the City Council itself. Respectfully I am asking to be included on your list of nominations for the appointment of Coastal Commissioner.

Sincerely,

A handwritten signature in black ink, appearing to be "Yvette Brooks", with a long horizontal stroke extending to the right.

Yvette Brooks
