Matter Type: Ordinance

Adopt an ordinance amending Ordinance No. 4065 of the Monterey County Water Resources Agency to remove the boat dock license fees and penalties from the Ordinance and to instead reference the Monterey County Water Resources Fee Article within the Monterey County Fee Resolution to set the fee amounts.

RECOMMENDATION:

It is recommended that the Monterey County Water Resources Agency Board of Supervisors:

Adopt an ordinance amending Ordinance No. 4065 of the Monterey County Water Resources Agency to remove the boat dock license fees and penalties from the Ordinance and to instead reference the Monterey County Water Resources Fee Article within the Monterey County Fee Resolution to set the fee amounts.

SUMMARY/DISCUSSION:

The Monterey County Water Resources Agency (Agency) has identified the need to amend Ordinance 4065 Regulating the Licensing of Docks at Nacimiento Lake and Establishing Dock Licensing Fees enacted on May 30, 2000. The proposed simple amendment will allow all license and other fees charges under the provision of the Ordinance and fines, penalties and enforcements costs associated with any violations, to be established by the Agency Board of Supervisors and set forth in the Monterey County Fee Resolution, pursuant to Chapter 1.40 of the Monterey County Code.

Concurrently, Agency staff is scheduling consideration of a Boat Dock Program Fee Study and Resolution to update fees and levy new fees and service charges for the Agency's Boat Dock Licensing and Inspection Program. The scheduling to update fees will consist of the September 2020 meeting of Reservoir Operations Advisory Committee, the October 2020 meeting of the Agency Board of Directors, and the November 2020 meeting of the Agency Board of Supervisors. This close tracking will allow these future updates to be contained in Article XI Monterey County Water Resources Agency Fees instead of in Ordinance No. 4065. This will allow for ease in amending from time to time, as necessary.

This ordinance was introduced on September 29, 2020 and is scheduled for consideration by the Board for adoption on October 13, 2020.

OTHER AGENCY INVOLVEMENT:

The Monterey County Water Resources Agency worked with the Office of County Counsel as to form of the ordinance. On September 21, 2020, the Monterey County Water Resources Agency's

Board of Directors will be considering a recommendation that the Monterey County Water Resources Agency Board of Supervisors approve the proposed amendments to Ordinance 4065.

FINANCING:

There is no financial impact for amending Ordinance 4065. Ensuing completion of the fee study, agency staff will provide the projected impact to boat dock licensing fee revenue.

ORDINANCE NO. 04065

AN ORDINANCE OF THE MONTEREY COUNTY WATER RESOURCES AGENCY
REPEALING ORDINANCE NO. 3672 AND ENACTING IN ITS PLACE, THIS ORDINANCE
REGULATING THE LICENSING OF DOCKS AT NACIMIENTO LAKE AND
ESTABLISHING DOCK LICENSING FEES

County Counsel Summary

This ordinance repeals Ordinance No. 3672 and enacts in its place, this ordinance, pertaining to licensing of docks at Lake Nacimiento, to provide (1) for an increase in dock fees from \$40 to \$60, (2) for an increase in additional slip fee from \$15 to \$20, (3) that a dock use commercially acceptable flotation material and specified dock anchorage, (4) that applicant show proof of property ownership, such as a copy of tax bill or deed, where the dock is to be moored, or, in the alternative, provide a letter from a property owner granting permission for mooring, (5) that a dock constructed prior to the effective date of this ordinance be accepted for licensure if it meets the provisions of this ordinance, (6) that a disposal fee shall be charged to the property owner and/or licensee for any dock determined to be a nuisance, with such a fee being \$300 for single slip docks and \$125 for each additional slip, and (7) that the Agency has the right to remove moored docks not in compliance with this ordinance.

The Board of Supervisors of the Monterey County Water Resources Agency repeals Ordinance No. 3672 and enacts, in its stead, this ordinance, to read as follows:

SECTION 1. REPEAL OF PRIOR ORDINANCE

Ordinance No. 3672 is hereby repealed.

SECTION 2. DEFINITIONS

The following definitions apply in this ordinance:

- (a) "Agency" is the Monterey County Water Resources Agency.
- (b) "Lake Nacimiento" or "lake" is the reservoir impounded by Nacimiento Dam in the County of San Luis Obispo.
- (c) "General Manager" is the General Manager of the Agency, or an employee of the Agency authorized to act on behalf of the General Manager.
- (d) "Dock" is any structure, raft, or vessel designed to float on water and not designed primarily for transport.
- (e) "Supervisors" is the Board of Supervisors of the Agency.

(f) "Licensing year" is the period from April 1 of any year to March 31 of the succeeding year.

(g) "Highwater mark" means the elevation or contour line that would be reached by the water in Lake Nacimiento when the lake is at the top of the dam spillway, elevation 800 feet. The lake is considered full when it is at the highwater mark.

(h) "Licensee" is the person who applies for a dock license and the person to whom the license is issued.

SECTION 3. DOCK LICENSE REQUIRED

It shall be unlawful for any person to construct, moor, maintain, own, operate or use any dock on or in the waters of Lake Nacimiento unless said dock is first licensed by the Agency in conformity with this ordinance.

SECTION 4. INITIAL AND RENEWAL LICENSES

(a) A dock license must be obtained from the Agency for each dock initially proposed to be constructed or placed within the highwater mark at Lake Nacimiento, in anticipation of floating such dock in the waters of Lake Nacimiento, before such dock is so constructed or placed. Such license shall be required, even though, at the time the dock is placed or constructed within the highwater mark, the lake bed is dry or partially dry. The license so issued shall expire on March 31 of the calendar year following the year in which the license is issued.

(b) Following the initial year of issuance, each dock license must be renewed on or before April 1 each licensing year during which the dock is left, reinstalled, or refloated on or in the waters of Lake Nacimiento. The renewal license shall expire on March 31 of the succeeding year. If a previously registered dock has been removed from the water or left high and dry and is not refloated until after April 1, the renewal of the license may be deferred, provided that the dock shall not be refloated until after issuance of the renewal license. Renewal is not required during any year in which the dock remains out of the water for the entire licensing year.

SECTION 5. ANNUAL LICENSING FEE

Prior to issuance of an initial or renewal license, the licensee shall pay to the Agency an annual fee of \$60.00 per dock for all single-slip docks, or \$60.00 for the first slip plus \$20.00 for each additional slip for all multiple-slip docks. The General Manager shall determine the number of slips for which any particular dock is designed.

SECTION 6. INDEMNITY AND INSURANCE

Before any initial license and any renewal license is issued by the General Manager, the licensee must file with the General Manager (a) a certificate of insurance issued by a company

authorized to do insurance business in the state of California, providing that the insurer will give to the Agency thirty days' notice of cancellation, and (b) an agreement executed by the applicant holding the Agency and Monterey County and their officers, agents, and employees harmless for any damage or injury resulting from the installation or use of the dock. The insurance shall have a combined single limit of not less than \$500,000 for public liability and property damage. The Supervisors may amend the required amount of insurance by resolution, and such amendment shall be effective for all initial and renewal licenses issued after the effective date of the resolution.

SECTION 7. LICENSING CONDITIONS

(a) Each dock must be designed, constructed and maintained so that the dock or any of its parts will not capsize, break up, or slip its moorings and float at large on the surface of the lake.

(b) Styrofoam, poly-foam, or some other waterproof plastic foam material, or a commercially-constructed float manufactured specifically for dock flotation acceptable to the General Manager, shall be used for dock flotation. All foam material shall be encapsulated or enclosed by an outer layer sufficiently durable to withstand abrasion by normal contact with water and water-borne debris without damage to outer layer. Steel barrels may not be used for dock flotation. Plastic barrels, or barrel-like floats designed and manufactured specifically for flotation may be used but must meet all of the following conditions: (i) they must be completely filled with a waterproof plastic foam material, (ii) contain no toxic material, (iii) structurally designed to be attached securely to the dock in such a manner that they cannot become detached even if the dock is completely upset, and (iv) be approved by the Agency prior to being placed within the highwater mark of the Lake.

(c) Main dock anchorage shall consist of at least ½ inch diameter galvanized steel cable attached to anchorage with a combined weight of 2,500 pounds minimum. The anchorage shall be in two locations, one at or above the highwater mark elevation (800 feet above sea level) and one at the lowest Lake elevation that the dock is expected to float. The steel cable shall be strung between the two anchorage weights and the dock attached to the cable with a steel cable sling at each end of the dock. A light anchor or shore stake shall hold the dock near shore. The cable size and anchorage listed above are suitable for a dock with a dimension of 6 by 10 feet. Larger cable and heavier anchorage shall be used for larger docks (e.g., a 15 by 20 foot dock would require a 7/8 inch diameter main cable and an anchorage weight of at least 9,000 pounds).

(d) An applicant shall submit proof of property ownership for the land on which his or her dock is to be moored. Proof must be in the form of a copy of a deed or a recent San Luis Obispo County Tax Assessor's bill showing the parcel number of the property on which the dock is to be moored. If permission is granted by a property owner, other than the applicant, allowing the applicant to moor the dock, a letter shall be submitted by the property owner stating that permission is so granted, listing the name, address and telephone number of the applicant.

(e) Any dock(s) constructed prior to the effective date of this ordinance shall be accepted for licensure provided it is in compliance with the provisions of this ordinance.

(f) The General Manager shall not issue a license if in the opinion of the General Manager the dock does not comply with paragraphs (b) through (e), or there is a substantial danger that the dock will not comply with paragraph (a).

SECTION 8. DOCK LICENSE NUMBER

Each license issued pursuant to this ordinance shall be given an identifying number. The licensee shall forthwith paint or affix in a permanent manner said number in three-inch high numerals on said dock such that the number is readily visible at a distance from a boat on the lake.

SECTION 9. DOCKS FLOATING AT LARGE.

No licensee shall cause, suffer or permit any dock licensed to such licensee, or any part of such dock, to float at large upon the lake, without being tethered securely to a fixed location.

SECTION 10. REVOCATION OF LICENSES

A license may be revoked for any of the following reasons:

- (a) the dock is used or maintained in violation of any of the requirements of this ordinance;
- (b) deterioration, damage, or inadequate maintenance renders the dock a hazard;
- (c) at any time during the licensing year the dock fails to meet any of the conditions required to be met at the time of licensure;
- (d) the insurance required to be maintained expires or is terminated without renewal during the licensing year;
- (e) the licensee transfers ownership or responsibility for the dock, without issuance of a new license for the new owner or responsible party; or
- (f) the dock, or any part of the dock, is found floating at large on the lake causing a hazard to other users of the lake, to the reservoir's outlet works, to any other Agency property, or to Agency personnel.

SECTION 11. DISPOSAL FEE

Upon notice being provided to the property owner and/or licensee pursuant to Section 13, a disposal fee shall be charged to the property owner and/or licensee for any dock determined to

be a nuisance pursuant to Section 15. The disposal fee for a single-slip dock is \$300 and \$125 for each additional slip for all multiple-slip docks.

SECTION 12. NON-TRANSFERABILITY OF LICENSES

Licenses issued under this ordinance are not transferable. If a dock is sold or if responsibility for the dock changes hands, a new license shall be applied for and issued for the dock. When such a transfer occurs before expiration of the license, there will be no new license fee for the licensing year in which the transfer occurs.

SECTION 13. APPEALS

(a) Any decision by the General Manager concerning the granting or revocation of a license under this ordinance may be appealed. Such appeal shall be in writing and shall be filed with the General Manager within ten days after the date on which the General Manager gives notice of the decision to the owner.

(b) At the time of the filing of the appeal, the appellant shall pay to the Agency a filing fee of twenty-five dollars.

(c) An appeal shall set forth specifically the points at issue, the reasons for the appeal, and wherein the appellant believes there was an error or abuse of discretion by the General Manager.

(d) The appeal shall be heard by the Appeals Board established by Ordinance No. 3539, or by any successor body established by the Agency by ordinance or resolution for the purpose of hearing administrative appeals. Upon receipt of the notice of appeal, the Appeals Board shall set a date for public hearing thereon, giving notice thereof to the appellant.
