28.1.3 The complete destruction of all or a substantial portion of the Concession Area from a cause other than the negligence or omission to act of Concessionaire, its agents, officers, or employees, and the failure of County to repair or reconstruct said Concession Area;

28.1.4 Any exercise of authority under this Agreement which so interferes with Concessionaire's use and enjoyment of the Concession Area as to constitute a termination, in whole or in part, of this Agreement by operation of law in accordance with the laws of the State of California; or

28.1.5. The default by County in the performance of any covenant or agreement herein required to be performed by County and the failure of County to remedy such default for a period of thirty (30) days after receipt from Concessionaire of written notice to do so.

## **29. SURRENDER OF POSSESSION.**

29.1 Concessionaire agrees to yield and deliver possession of the Concession Area to County on the date of the expiration or earlier termination of this Agreement promptly, peaceably, quietly, and in as good order and condition as the same now are or may be hereafter improved by Concessionaire or County, normal use and wear and tear thereof excepted.

29.2 No agreement of surrender or agreement to accept a surrender shall be valid unless and until the same is in writing and signed by the duly authorized representatives of County and Concessionaire. Neither the doing nor omission of any act or thing by any of the officers, agents or employees of County shall be deemed an acceptance of a surrender of the Concession Area utilized by Concessionaire under this Agreement.

29.3 Concessionaire shall have the right to remove its equipment, supplies, furnishings, inventories, removable fixtures, and personal property from the Concession Area within

thirty (30) days of the expiration or earlier termination of this Agreement pursuant to the terms stated in section 4.5 hereof.

### **30. GENERAL PROVISIONS.**

- 30.1 Permits and Licenses. Concessionaire shall obtain and maintain at its sole expense all approvals, permits, or licenses that may be required about the operation of the Concession including, but not limited to, tax permits, business licenses, health permits, building permits, police, and fire permits, etc. During the entire Term of this Agreement, the Concessionaire must hold a current Monterey County business license.

Concessionaire shall comply with all applicable health, safety and sanitary laws, regulations and inspections concerning the same. Concessionaire shall keep such licenses and permits displayed in the Concession Area, as required by law. Concessionaire shall allow duly authorized representatives of governmental entities access to the Concession Area for inspection purposes.

- 30.2 Compliance with Laws and Regulations:

30.2.1 Concessionaire shall not use or allow the Concession Area to be used, in whole or in part, for any use in violation of any present or future laws, ordinances, rules, and regulations at any time applicable thereto of any public or governmental authority or agencies, departments, or officers thereof, including County. These ordinances, rules, and regulations include those which relate to sanitation, public health, and safety. Concessionaire shall at its own expense obtain all licenses and permits necessary for the operation of the Concession Area.

30.2.2 Concessionaire shall, at its own expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders, covenants and restrictions of record, and requirements (including but not limited to any requirements of the Department of Environmental Resources in addition too Local, State or Federal Food Handling Guidelines in effect during the Term of this Agreement regulating the use of the Concession Area by Concessionaire. Concessionaire shall pay all fines and penalties assessed by any local agency, district, or state agency arising from a violation of any statute, ordinance, rule, regulation, order, covenant, or restriction of record relating to the use of the Concession Area by Concessionaire, its employees, officers, agents, or contractors. Concessionaire's willful violation of any law or regulation shall constitute grounds for termination as set forth in Section 27 above.

- 30.3 Quiet Enjoyment: County agrees that Concessionaire, upon payment of the fees and charges specified herein, and all other charges and payments to be paid by Concessionaire under the terms of this Agreement, and upon observing and keeping the required terms, conditions, and covenants of this Agreement, shall lawfully and quietly hold, use, and enjoy the Concession Area during the Term of this Agreement. In the case of disputes, during the life of this Agreement, over any conditions which may impede upon the

Concessionaire's quiet enjoyment of the Concession Area, the County shall have final determination of any solution to such dispute; the County's final determination shall be binding upon all parties in such dispute.

- 30.4 Responsibility for Payment of Taxes and Assessments: Concessionaire shall pay all taxes of whatever character that may be levied or charged upon the rights of Concessionaire to use the Concession Area, or upon Concessionaire's improvements, fixtures, equipment, or other property thereon or upon Concessionaire's operations hereunder, or any other charges levied or made because of Concessionaire's possession or use of the Concession Area without contribution by County. In addition, by executing this Agreement and accepting the benefits thereof, a property interest may be created known as "Possessory Interest" and such property interest will be subject to property taxation. Concessionaire, as the party to whom the Possessory Interest is vested, may be subject to the payment of the property taxes levied by the State and County upon such interest.
- 30.5 Brokers: Concessionaire warrants that it has had no dealings with any real estate broker or agent about the negotiation and/or execution of this Agreement. In the event any broker other than the brokers acknowledged in writing by County make claim for monies owed, Concessionaire shall indemnify, defend, and hold County harmless.
- 30.6 Captions: The captions, headings and index appearing in this Agreement are inserted for convenience only and in no way define, limit, construe, or describe the scope or intent of the provisions of this Agreement.
- 30.7 County Approval: Except where stated herein to the contrary, the phrases "County's approval," and "County's written approval" or such similar phrases shall mean written approval of County by the appropriate permitting authority for the County or if no such appropriate authority exists, then by the County Administrative Officer and/or his or her designee.
- 30.8 Cumulative Remedies: In the event of a default under this Agreement, each party's remedies shall be limited to those remedies set forth in this Agreement. Any such remedies are cumulative and not exclusive of any other remedies under this Agreement to which the non-defaulting party may be entitled.
- 30.9 Notices: All notices required or permitted by this Agreement or by any law now in effect, or later enacted, to be served on or given to either party hereto by the other party, shall be in writing and personally delivered to the party to whom it is directed, or in lieu of personal service when deposited in the United States mail addressed as follows:

To County: County of Monterey  
Attn: Contracts/Purchasing Officer  
1488 Schilling Place  
Salinas, CA 93901

To Concessionaire: Zako HK Inc.  
 Attn: Sun Jeung Lim  
 328 Brittany Road, Seaside CA 93955

Any Notice or correspondence shall be deemed delivered upon personal delivery or five (5) days after notice is given by certified mail to the addresses above. Correspondence other than regular mail may give notices, facsimile or email. Any correspondence sent by facsimile or email shall also be sent by United States mail. By written notice to the other, either party may change its own correspondence information.

- 30.10 Entire Agreement: This Agreement, together with all addenda, exhibits and riders attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof, and all prior or contemporaneous agreements, understandings, and representations, oral or written, are superseded. This Agreement supersedes all other agreements, either oral or in writing, between any of the parties herein with respect to the subject matter hereof and contains all the agreements between the parties with respect to such matter. Each party acknowledges that no representations, inducements, promises or agreements, oral or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other agreement, statement or promise not contained in this Agreement shall be valid or binding.
- 30.11 Number of Originals: The number of original texts of this Agreement shall be equal to the number of parties hereto, one text being retained by each party.
- 30.12 Duplicate Counterparts: This Agreement may be executed in duplicate counterparts, each of which shall be deemed a duplicate original.
- 30.13 Exhibits: All exhibits referred to herein are attached hereto and incorporated by reference.
- 30.14 Force Majeure: In the event either party is prevented or delayed from performing any act or discharging any obligation hereunder, except for the payment of rent by Concessionaire, because of any and all causes beyond either party's reasonable control, including unusual delays in deliveries, abnormal adverse weather conditions, unavoidable casualties, strikes, labor disputes, inability to obtain labor, materials or equipment, acts of God, governmental restrictions, regulations or controls, any hostile government actions, civil commotion and fire or other casualty, legal actions attacking the validity of this Agreement or the County's occupancy of the Premises, or any other casualties beyond the reasonable control of either party except casualties resulting from Concessionaire's negligent operation or maintenance of the Concession Area ("Force Majeure"), performance of such act shall be excused for the period of such delay, and the period for performance of such act shall be extended for a period equivalent to the period of such delay. Force Majeure shall not include any bankruptcy, insolvency, or other financial inability on the part of either party hereto.

- 30.15 Governing Law: This Agreement shall be governed, construed, and enforced in accordance with the laws of the State of California.
- 30.16 Interpretation: The language of this Agreement shall be construed simply per its plain meaning and shall not be construed for or against either party.
- 30.17 Survival: The following provisions of this Agreement shall survive the termination or expiration of this Agreement:
- 30.17.1 Section 12.2, "Business Records"; and
  - 30.17.2 Section 22, "DEFENSE AND INDEMNIFICATION"; and
  - 30.17.3 Section 23, "INSURANCE CONDITIONS"; and
  - 30.17.4 Section 24, "INSURANCE COVERAGE REQUIREMENTS"; and
  - 30.17.5 Section 27.5, "Survival of Concessionaire's Obligations"; and
  - 30.17.6 Any payments activity that occurs after termination or expiration.
- 30.18 Severability: if any provision of this Agreement, is determined by a court of competent authority to be invalid or unenforceable, the remainder of this Agreement shall not be affected thereby. Each provision shall be valid and enforceable fully permitted by law.
- 30.19 Joint and Several Liability: If more than one person or entity executes this Agreement as Concessionaire, each of them is jointly and severally liable for all the obligations of Concessionaire hereunder.
- 30.20 Liquidated Damages: Any payments by Concessionaire to County under this Agreement described as liquidated damages represent the parties' reasonable estimate of County's actual damages under the described circumstances, such actual damages being uncertain and difficult to ascertain considering the impossibility of foreseeing the state of the leasing market and amount of gross revenue Concessionaire will generate at the time of the various deadlines set forth herein. County may, at its election, take any of the liquidated damages assessed in any portion of this Agreement as direct monetary payments from Concessionaire and/or as an increase of rent due from Concessionaire under this Agreement.
- 30.21 Modification: The provisions of this Agreement may not be modified, except by a written instrument signed by both parties.
- 30.22 Successors & Assigns: This Agreement shall be binding on and inure to the benefit of the parties and their successors and assigns, except as may otherwise be provided herein.
- 30.23 Time of Essence: Time is of the essence of each provision of this Agreement.
- 30.24 Waiver of Condition: No provision of this Agreement or the breach thereof shall be deemed waived, except by written consent of the party against whom the waiver is claimed. The waiver by County of any breach of any term, covenant or condition contained in this Agreement shall not be deemed to be a waiver of such term, covenant, or condition of any subsequent breach thereof, or of any other term, covenant or

condition contained in this Agreement. County's subsequent acceptance of partial rent or performance by Concessionaire shall not be deemed to be an accord and satisfaction or a waiver of any preceding breach by Concessionaire of any term, covenant, or condition of this Agreement or of any right of County to a forfeiture of this Agreement because of such breach, regardless of County's knowledge of such preceding breach at the time of County's acceptance. The failure on the part of County to require exact or full and complete compliance with any of the covenants, conditions of agreements of this Agreement shall not be construed as in any manner changing or waiving the terms of this Agreement or as estopping County from enforcing in full the provisions hereof. No custom or practice which may arise between the parties hereto during administering this Agreement shall be construed to waive, estop or in any way lessen County's right to insist upon Concessionaire's full performance of, or compliance with, any term, covenant, or condition of this Agreement or to inhibit or prevent County's exercise of its rights with respect to any default, dereliction, or breach of this Agreement by Concessionaire.

- 30.25 Venue: Venue for any action arising under this agreement shall be Monterey County, California.
- 30.26 Non-Exclusive Use Areas: Concessionaire shall also have the non-exclusive right to use, loading and unloading areas, visitor parking areas, ramps, drives, platforms, public rest rooms, and common walkways and sidewalks necessary for access to the Premises.
- 30.27 Parking Areas: Parking lot adjacent to the Building Premises includes random parking spaces, outlined with white striping, and situated closest to the Premises, for use by Concessionaire's visitors and clients. Additional random parking spaces, which are outlined with yellow striping, are available for use by Concessionaire's employees.
- 30.28 Addendum: In the event of conflict between this Lease and any Addendum or Exhibit attached hereto, the provisions of such Addendum or Exhibit shall control.
- 30.29 Dispute Resolution: County shall discuss any concerns or complaints with Concessionaire's Facility Manager (the "Manager") immediately. If County's concern relates to the Manager or the concern cannot be resolved with the Manager, County shall immediately contact Concessionaire's Executive Officer at its Administrative Office. Any ongoing dispute between Concessionaire and County shall be arbitrated.
- 30.30 Consent to Use of Electronic Signatures:
- 30.30.1 DocuSign. The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California Government Code Section 16.5; and, California Civil Code Section 1633.1 et. seq. Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

30.30.2 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) via email transmittal.

30.30.3 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in portable document format (PDF) by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

- 30.31 Authority: Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.
- 30.32 Interpretation of Conflicting Provisions: In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by and through their authorized officers:

## **SOLE SOURCE/SOLE BRAND JUSTIFICATION**

### **OVERVIEW:**

Contracts/Purchasing recognizes that departments often invest a great deal of time and effort in selecting a source or brand, prior to submitting a requisition to Purchasing. Even though the department's review process prior to the submittal of a requisition may be sound, departments may unknowingly discourage free and open competition by requesting a single vendor or product. Additionally, the County is bound by both federal and local laws as well as County Policies of which County Staff may be not be aware of. The lack of an effective means of communication between buyer and requesting departments can lead to both lost time in completing the requisition as well as possible adverse legal actions towards both the County and the requesting staff member. Purchasing can be an effective partner in a competitive review process given adequate time and involvement in your requirement definitions.

In an effort to expedite sole source/brand requisition requests through purchasing, we would encourage you to review the criteria for Sole Source/Brand form herein. If you feel your request meets such criteria, follow the instructions in filling out the form and attach it to your requisition. If sole source/brand justification is warranted and accepted by Purchasing, the requisition will be processed for the sole source/brand as requested.

This is an internal review process. Departments are requested to use discretion in their discussion with vendors so as not to compromise any competitive advantage the Buyer may utilize, regardless of the acceptance or rejection of the sole source/brand justification.

Rather than merely a shift of the review process and burden, this process acknowledges the significant effort a department may undertake when identifying a vendor or brand, and provides you with the method by which to make your requisitioning efforts more efficient under sole source/brand conditions.

Purchasing will advise you when a particular competitive review process may both serve the County better and/or be required by governing law.

In order for us to accept a request for sole source/brand the certification, the form referenced herein should be made a part of your justification and be signed by an authorized department representative. This certification will remain on file as part of your requisition package for audit purposes.

### **SOLE SOURCE PURCHASING:**

On rare occasions there may be a need to purchase goods or services from one vendor/contractor without going to formal bid or requesting competitive quotations. This is known as "Sole Source" purchasing.

“Sole Source” purchasing is authorized by Monterey County Code 2.32.040, Emergency Purchases, and by Monterey County Code 2.32.070, Competitive Bidding Not Required.

A sole source may be designated when it is apparent that a needed product or service is uniquely available from the source, or for all practical purposes, it is justifiably in the best interest of the County.

“Sole Source” purchasing may be necessary under certain circumstances such as an emergency wherein the department head or other County Official who is authorized to sign requisitions may purchase items for the continuance of the department function, or that items purchased are necessary for the preservation of life or property, and that no authorized purchasing department personnel are immediately available to make the purchase.

The designation of a “Sole Source” supplier must be authorized by the County Purchasing Agent or Deputy-Purchasing Agent before the requirement for competitive quotations is waived.

### **PROCEDURE:**

Sole source/brand purchasing is an exception to the normal procurement function and requires a detailed justification. In processing sole source/brand requests for supplies, services and/or equipment, Purchasing adheres to and is governed by the principles set forth in both the Federal and State Laws governing public purchasing and the Public Contract Code, and by the adopted and approved County of Monterey Policies and Procedures. As such, our decision is final.

If you are requesting a particular vendor, brand or product, you must make this fact clear on your requisition. Such a request should not be made unless the request is reasonable and appropriately justified to meet legal requirements and can withstand a possible audit. The County requirements and the format for submitting such requests are contained herein. Please make copies of the Criteria for Sole Source/Brand form for your future use.

The following factors **DO NOT** apply to sole source/brand requests and should not be included in your sole source/brand justification. They will not be considered and only tend to confuse the evaluation process.

1. Personal preference for product or vendor
2. Cost, vendor performance, and local service (this may be considered an award factor in competitive bidding)
3. Features which exceed the minimum department requirements
4. Explanation for the actual need and basic use for the equipment, unless the information relates to a request for unique factors
5. A request for no substitution submitted without justification. This is a sole source/brand request requiring detailed justification including established sole source/brand criteria

**JUSTIFICATION OF SOLE SOURCE/SOLE BRAND REQUEST**

Purchase Requisition Number     N/A     Date     10/08/2021    

Description of Item: To lease County concession areas at 1441 Schilling Place and 168 W Alisal Street.

1. Please indicate the following: N/A

Procurement: ☐ Goods  
☐ Services

(Check One)

X Sole Source: Item is available from one source only. Item is a one-of-a kind and is not sold through distributors. Manufacturer is exclusive distributor.

☐ Sole Brand: Various sources can supply the specified model and brand and competitive bids will be solicited for the requested brand only. Meets form, fit and function- nothing else will do.

Note: Sole Source/Sole Brand Requests are not maintained as a standing request. Each request is for a single one-time purchase only.

2. Vendor Selection:

☐ Preferred Vendor  
X Sole Source

Vendor Name: ZAKO HK INC (VS\* 7843)  
Address: 328 BRITTANY ROAD City: SEASIDE State: CA 93955  
Phone Number: (510) 289-7242 Fax: ( )  
Contact Person: Wanjoong Kim Title: Secretary  
Email: [pfdcafe.schilling@gmail.com](mailto:pfdcafe.schilling@gmail.com)

3. Provide a brief description of the goods/services to be purchased and why this purchase is being proposed under a sole source acquisition.

Revised:  
March 1, 2006

- a) Why were product and/or vendor chosen?

ZAKO HK INC has been providing the food and beverage needs of all County visitors having business within the County Campus as well as employees working within the Campus since January 10, 2019. The County has chosen to terminate the current Agreement with PFD Management and to go out to bid for the service.

- b) What are the unique performance features of the product/brand requested that are not available in any other product/brand? For Services: what unique qualifications, rights, and licenses does the vendor possess to qualify as a sole source/brand request?

ZAKO HK INC has been providing healthy, affordable, and enjoyable food options for breakfast, lunch, and snacks for both County concession areas since January 10, 2019.

- c) Why are these specific features/qualifications required?

The County is asked to assure a reliable source of food service provided and made available within the referenced concession areas: 1441 Schilling Place and 142 West Alisal Street.

The goal of both the cafeteria at 1441 and Joe's Café at 142 West Alisal, is to provide healthy, affordable, and enjoyable food options for breakfast, lunch, and snacks. Along with serving County employee's campus-wide, it is anticipated that the Cafes will also receive patronage from County and State Departments within the facility, as well as visitors to the facility.

- d) What other products/services have been examined and/or rejected?

The County has chosen to terminate the Agreement with PFD Management without cause in 30 days.

ZAKO HK INC has agreed to enter into an Agreement with the County for a period not to exceed two years while the County goes out to bid formally to secure a vendor for the service.

- e) Why are other sources providing like goods or services unacceptable (please give a full meaningful explanation)?

The County conducted a formal solicitation that resulted in an Agreement with PFD Management for two concession areas: 1441 Schilling Place cafeteria since 2017 and 162 W Alisal, Jo's Cafe since 2018.

The County has chosen to terminate the current Agreement with PFD Management without cause in 30 days.

- f) What are the unique performance features REQUIRED (not merely preferred), and how would your requirement be inhibited without this particular item or service?

ZAKO HK INC is currently managing the daily operations for both County concession and has agreed to enter into an Agreement with the County for two years while a extensive solicitation is developing.

This arrangement ensures continuity of service for providing healthy, affordable, and enjoyable food options for breakfast, lunch, and snacks.

- g) Estimated Costs:

There are no direct costs to the County for the provided service.

4. Is there an unusual or compelling urgency associated with this project?

I hereby certify that:

Revised:  
March 1, 2006

1. I am an approved department representative, and am aware of the County's requirements for competitive bidding, as well as the criteria for justification for sole source/brand purchasing.
2. I have gathered the required technical information and have made a concentrated effort to review comparable and/or equal equipment.
3. The information contained herein is complete and accurate.
4. There is justification for sole source/brand purchasing noted above as it meets the County's criteria.
5. A sole source/brand purchase in this case would withstand a possible audit or a vendor's protest.

#### **22. County Administration Officer Comments and Referrals**

Charles McKee, County Administrative Officer from the County Administrative office made no comments and shared there are two new referrals this week:

One new referral from Supervisor Mary L. Adams: Referral 2021.11  
Referral Purpose: To establish June 19th, also known as Juneteenth, as an official County holiday.

One new referral from Supervisor John M. Phillips: Referral 2021.12:  
Referral Purpose: To consider a review of the Cannabis Program's efficiencies, particularly the processes for permit review and compliance inspections. Insignificant progress has been made towards local authorizations for cannabis operators related to land use and building permits, which impacts the industry's ability to be considered for state annual licenses. Disparate departmental staff funded solely by cannabis revenue should report directly to the Cannabis Program Manager to expedite permit submittal and reporting efficiencies. This would serve to not only expedite current cannabis permitting, but would in-turn free up staff dedicated to cannabis to more quickly focus on other programs.

- 29.     PLN190030 - AMD1 - SKEEN & CHANG**

Public hearing to consider:

- a. Denial of an appeal by David Sabih from the April 29, 2021 decision of the Zoning Administrator to approve a Minor and Trivial Amendment to a previously approved Combined Development Permit (PLN060735), as modified by the 2011 and 2019 Design Approvals (PLN110448 and PLN190030) and extended under PLN150766;
- b. Consider the previously adopted Mitigated Negative Declaration for the Skeen & Chang Combined Development Permit; and
- c. Approve a Minor and Trivial Amendment to a previously approved Combined Development Permit (PLN060735), as modified by 2011 and 2019 Design Approvals (PLN110448 and PLN190030) and extended under PLN150766, to allow exterior and interior modifications to an approved three-story single-family dwelling including modifications to the roof, main level's ceiling height, front access steps, and upper-level windows; addition of an approximately 255 square foot terrace, 65 square foot balcony, 250 square foot patio, an outdoor spa, and side access steps; relocation of outdoor firepit; removal of one (1) light well; replacement of a main-level window with double doors; and interior floor plan changes.

**Proposed CEQA Action:** Consider previously adopted Mitigated Negative Declaration

**Project Location:** 26327 Scenic Road, Carmel, Carmel Land Use Plan

A motion was made by Supervisor John M. Phillips, seconded by Supervisor Chris Lopez to: Adopt Resolution No. 21-209 to:

- a) Deny the appeal of David Sabih of the April 29, 2021 decision of the Zoning Administrator decision finding the project consistent with the previously adopted Mitigated Negative Declaration and approving an application (PLN190030-AMD1) for a Minor and Trivial Amendment to a previously approved Combined Development Permit (PLN060735), modified by PLN110448 and PLN190030 and extended under PLN150766, to allow exterior and interior modifications and improvements to the three-story single-family dwelling;
- b) Consider the previously adopted Mitigated Negative Declaration (MND) for the Skeen & Chang residence (PLN060735) and find that the proposed Minor and Trivial Amendment does not require subsequent environmental review pursuant to Section 15162 of the CEQA Guidelines; and
- c) Approve a Minor and Trivial Amendment to a previously approved Combined Development Permit (PLN060735), as modified by the 2011 and 2019 Design Approvals (PLN110448 and PLN190030) and extended under PLN150766, to allow exterior and interior improvements to the previously approved three-story single-family dwelling. Improvements include modifications to the roofline, main level's ceiling height, front access steps, and upper-level windows; addition of an approximately 255 square foot terrace, 65 square foot balcony, 250 square foot patio, an outdoor spa, and side access steps; relocation of outdoor firepit; removal of one (1) light well; replacement of a main-level window with double doors; and interior floor plan changes. Materials and colors, and associated grading of 1,130 cubic yards of cut to remain as previously

approved.

A draft resolution, including findings and evidence, is attached for consideration (Attachment B).  
Staff recommends approval subject to seventeen (17) conditions.

Matter Type: BoS Resolution

- a. Approve and Adopt a Resolution amending Article VIII of the Master Fee Resolution, to authorize removal of overdue library fines, and adjust fees pursuant to the attached Fee Schedule relating to services provided by the Monterey County Free Libraries, effective January 1, 2022.
- b. Approve the Library Director or her/his Designee in forgiving all outstanding overdue fines. The outstanding fines that are being requested to be forgiven is in the amount of \$155,953.20.

### RECOMMENDATION/SUMMARY:

- a. Approve and Adopt a Resolution amending Article VIII of the Master Fee Resolution, to authorize removal of overdue library fines, and adjust fees pursuant to the attached Fee Schedule relating to services provided by the Monterey County Free Libraries, effective January 1, 2022.
- b. Approve the Library Director or her/his Designee in forgiving all outstanding overdue fines. The outstanding fines that are being requested to be forgiven is in the amount of \$155,953.20.

### SUMMARY/DISCUSSION:

Public libraries continue to evolve, adapting services to community needs and aspirations, and continually innovating to bring a wider variety of resources in an increasing number of methods. Advancements in automation, changes in services desired and required from public libraries, and increasing awareness of the impact ready access to the services of a public library have on education, literacy, career preparation, and community resilience all require ongoing evaluations of the impact fines, fees, and policies have on how communities use their public library.

The Monterey County Free Libraries evaluated all service changes, fines, and fees throughout the last two years, and recommends the changes detailed below. Most significantly, we recommend joining many other public libraries in California and throughout the nation in eliminating overdue fines. Overdue fines have been widely demonstrated to not be significantly correlated with the return of items on time, to restrict families from even using their public library, and to have an inequitable impact on those most in need.

### **Overdue Fines**

Library patrons of all ages can equally accrue overdue fines, however not all library patrons can

equally pay overdue fines. Overdue fines are simple punitive measures designed to promote returning items on time. Complete suspension of borrowing privileges can occur due to accumulated overdue fines. Each overdue fine collected requires a staff transaction, often a negative or punitive one.

The American Library Association passed a resolution on overdue fines as a form of social inequity, and research has shown the critical importance of books in the home for early literacy and school readiness. A family that fears risk of accruing fines they cannot readily pay can too easily end up not allowing their young children to bring books home during a critical reading period. A family with access blocked due to overdue fines may not be able to use other resources, such as library computers, or access resources required for school success.

A GARE (Government Alliance on Race and Equity) Issue Brief *Advancing Racial Equity in Public Libraries* specifically calls out library fines as both institutional and structural racism, stating a “library’s enforcement of fines has a disproportionate impact on people of color, who are overrepresented in among low-income populations due to the racial wealth gap” and detailing how users blocked from borrowing resources or using services such as computers then have impacts compounded across multiple institutions and throughout other areas.

[GARE Issue Brief

[https://www.racialequityalliance.org/wp-content/uploads/2018/04/GARE\\_LibrariesReport\\_v8\\_DigitalScroll\\_WithHyperlinks.pdf](https://www.racialequityalliance.org/wp-content/uploads/2018/04/GARE_LibrariesReport_v8_DigitalScroll_WithHyperlinks.pdf)] ]

Other California public library systems have stopped charging overdue fines. These include San Jose Public Library, Los Angeles County Public Library, Sonoma County Library, Tulare County Library, Santa Clara County Library, Sacramento Public Library, San Luis Obispo City/County Library, Marin County Library, and San Diego Public Library.

[ULC Fine Free Map <https://www.urbanlibraries.org/resources/fine-free-map>] ]

Library users with items out past the due date, and unable to be renewed, would continue to get overdue notices, and at a set period of time, the item would be listed as “lost” and the user billed for the material. Users would also still be billed for damage to materials, or loss of a critical part that is required for the materials to be used again. This would just eliminate the punitive overdue fines.

### **Historical Materials**

Also of significant change is a new fee schedule for reproductions from the Monterey County Free Libraries’ vast archive of historical materials. These are sought by researchers, authors, publishers, and others across the country, and sometimes from around the world. The items are kept in a variety of locations, with many digitized into various archives. The items need to be handled with care, and often the dedicated services of our Local History Librarian are needed to find the required items. This new schedule expands and updates the fees charged for reproduction of items. It reflects the variety of formats for which we are asked, and charges different fees for public or research use than for for-profit or publications.

The detailed explanations of how fees will be charged for duplication of the many historical records entrusted to the care of the Monterey County Free Libraries assists the Librarian to ensure materials

are handled well, carefully, and in accordance with preservation practices. They continue to allow us to serve scholars and researchers, while collecting appropriate cost recovery for what can be a technically detailed and labor-intensive process.

### **Other Changes**

We are also recommending changes for charges for lost parts of items, which will more fully encompass new collections such as hot spots and learning kits. In addition, we recommend eliminating the lost card fee - the plastic cards cost very little in bulk, and staff time to collect a small fee is often more of a cost than simply replacing a card. This will serve to encourage people to keep their library information up to date and continue to use their public library. We are also recommending removal of the \$3.00 fee for an Inter Library Loan. This formal process is labor intensive, it has largely been supplemented by our participation in the State's "Zip Books" program, for which we are not allowed to charge a fee to the patron. For the end user, the result is the same, they get an item, and the fee does not make sense. We will absorb the loss of the fee in-house and continue to use Zip Books whenever feasible.

Removed from this policy is the section on Loan Periods, Renewals, and Returns. We recommend moving that back into policy generated by the Library, so that staff can rapidly respond to community needs without having to bring this item back for Board revision. For example, to immediately respond to the needs during the pandemic, we increased the number of automatic renewals, as branches were closed. A rapid change to how library materials flow in and out of branches, are placed on reserve, or are returned is likely to be required again as we pilot new avenues of access such as holds lockers.

### **Budget Impacts**

The outstanding fines that are being requested to be forgiven is in the amount of \$155,953.20. No additional fines have been incurred as the library Branches have been closed for in person services when and during the COVID pandemic. July of 2021 is when the libraries opened back for in person services.

The elimination of overdue fines is anticipated to reduce the Library Department's operating budget by about \$20,000. However, it is also anticipated to eliminate over 14,000 unpleasant and punitive transactions that staff currently make with the public, along with reducing the related cash management processes. This shortens lines and frees front line library staff to provide other services including reference, readers advisory, and other assistance. It also is anticipated to improve access to the materials in the library for families across the County.

### **Conclusion**

These changes will serve many aspects of the Monterey County Free Librarians' Strategic Plan. This includes the Strategic Pillars of effective service to traditionally underserved or marginalized communities and effective alignment of resources with outcomes and strategic goals. It serves our Library Finances outcome that "all residents of Monterey County can use the services of Monterey

County Free Libraries regardless of discretionary or household income” and the specific goal, set in February 2020, to conduct an assessment of the current fine and fee structure including the expressed or implied goals of charging any fine or fee to the public.

[MCFL Strategic Plan

<https://www.co.monterey.ca.us/government/departments-i-z/library/about-us-our-library/strategic-plan> ].

We continue to evaluate our policies and related fines and fees, along with considering new services, formats, and methods of library use. This streamlined fines and fees schedule should serve us broadly into the future, allowing staff to work with stakeholders in developing new and innovative methods of bringing the Monterey County Free Libraries to all our communities, in multiple formats, to meet evolving needs and aspirations.

#### OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed the recommended action and approved as to form. A copy of the Proposed Resolution and the Proposed fee schedule are attached in this report and on file with the Clerk of the Board.

#### FINANCING:

The recommended actions have been reviewed and passed through the Budget Committee hearing on October 29, 2021. The elimination of overdue fines is anticipated to reduce the Library Department’s revenue budget by about \$20,000. MCFL is not requesting any augmentation from the General Fund due to this reduction. Instead, MCFL will redirect raising revenue from other sources such as contributions from donating Friends of Library groups, grants, and other sources; to cover the revenue reduction.

A family that fears risk of accruing fines they cannot readily pay can too easily end up not allowing their young children to bring books home during a critical reading period. A family with access blocked due to overdue fines may not be able to use other resources, such as library computers, or access resources required for school success.

A GARE (Government Alliance on Race and Equity) Issue Brief *Advancing Racial Equity in Public Libraries* specifically calls out library fines as both institutional and structural racism, stating a “library’s enforcement of fines has a disproportionate impact on people of color, who are overrepresented in among low-income populations due to the racial wealth gap” and detailing how users blocked from borrowing resources or using services such as computers then have impacts compounded across multiple institutions and throughout other areas.

[GARE Issue Brief

[https://www.racialequityalliance.org/wp-content/uploads/2018/04/GARE\\_LibrariesReport\\_v8\\_DigitalScroll\\_WithHyperlinks.pdf](https://www.racialequityalliance.org/wp-content/uploads/2018/04/GARE_LibrariesReport_v8_DigitalScroll_WithHyperlinks.pdf)] ]

Other California public library systems have stopped charging overdue fines. These include San Jose Public Library, Los Angeles County Public Library, Sonoma County Library, Tulare County Library, Santa Clara County Library, Sacramento Public Library, San Luis Obispo City/County Library, Marin County Library, and San Diego Public Library.

[ULC Fine Free Map <https://www.urbanlibraries.org/resources/fine-free-map>] ]

Library users with items out past the due date, and unable to be renewed, would continue to get overdue notices, and at a set period of time, the item would be listed as “lost” and the user billed for the material. Users would also still be billed for damage to materials, or loss of a critical part that is required for the materials to be used again. This would just eliminate the punitive overdue fines.

### **Historical Materials**

Also of significant change is a new fee schedule for reproductions from the Monterey County Free Libraries’ vast archive of historical materials. These are sought by researchers, authors, publishers, and others across the country, and sometimes from around the world. The items are kept in a variety of locations, with many digitized into various archives. The items need to be handled with care, and often the dedicated services of our Local History Librarian are needed to find the required items. This new schedule expands and updates the fees charged for reproduction of items. It reflects the variety of formats for which we are asked, and charges different fees for public or research use than for for-profit or publications.

The detailed explanations of how fees will be charged for duplication of the many historical records entrusted to the care of the Monterey County Free Libraries assists the Librarian to ensure materials

are handled well, carefully, and in accordance with preservation practices. They continue to allow us to serve scholars and researchers, while collecting appropriate cost recovery for what can be a technically detailed and labor-intensive process.

### **Other Changes**

We are also recommending changes for charges for lost parts of items, which will more fully encompass new collections such as hot spots and learning kits. In addition, we recommend eliminating the lost card fee - the plastic cards cost very little in bulk, and staff time to collect a small fee is often more of a cost than simply replacing a card. This will serve to encourage people to keep their library information up to date and continue to use their public library. We are also recommending removal of the \$3.00 fee for an Inter Library Loan. This formal process is labor intensive, it has largely been supplemented by our participation in the State's "Zip Books" program, for which we are not allowed to charge a fee to the patron. For the end user, the result is the same, they get an item, and the fee does not make sense. We will absorb the loss of the fee in-house and continue to use Zip Books whenever feasible.

Removed from this policy is the section on Loan Periods, Renewals, and Returns. We recommend moving that back into policy generated by the Library, so that staff can rapidly respond to community needs without having to bring this item back for Board revision. For example, to immediately respond to the needs during the pandemic, we increased the number of automatic renewals, as branches were closed. A rapid change to how library materials flow in and out of branches, are placed on reserve, or are returned is likely to be required again as we pilot new avenues of access such as holds lockers.

### **Budget Impacts**

The outstanding fines that are being requested to be forgiven is in the amount of \$155,953.20. No additional fines have been incurred as the library Branches have been closed for in person services when and during the COVID pandemic. July of 2021 is when the libraries opened back for in person services.

The elimination of overdue fines is anticipated to reduce the Library Department's operating budget by about \$20,000. However, it is also anticipated to eliminate over 14,000 unpleasant and punitive transactions that staff currently make with the public, along with reducing the related cash management processes. This shortens lines and frees front line library staff to provide other services including reference, readers advisory, and other assistance. It also is anticipated to improve access to the materials in the library for families across the County.

### **Conclusion**

These changes will serve many aspects of the Monterey County Free Librarians' Strategic Plan. This includes the Strategic Pillars of effective service to traditionally underserved or marginalized communities and effective alignment of resources with outcomes and strategic goals. It serves our Library Finances outcome that "all residents of Monterey County can use the services of Monterey

County Free Libraries regardless of discretionary or household income” and the specific goal, set in February 2020, to conduct an assessment of the current fine and fee structure including the expressed or implied goals of charging any fine or fee to the public.

[MCFL Strategic Plan

<<https://www.co.monterey.ca.us/government/departments-i-z/library/about-us-our-library/strategic-plan>> ].

We continue to evaluate our policies and related fines and fees, along with considering new services, formats, and methods of library use. This streamlined fines and fees schedule should serve us broadly into the future, allowing staff to work with stakeholders in developing new and innovative methods of bringing the Monterey County Free Libraries to all our communities, in multiple formats, to meet evolving needs and aspirations.

#### OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed the recommended action and approved as to form. A copy of the Proposed Resolution and the Proposed fee schedule are attached in this report and on file with the Clerk of the Board.

#### FINANCING:

The recommended actions have been reviewed and passed through the Budget Committee hearing on October 29, 2021. The elimination of overdue fines is anticipated to reduce the Library Department’s revenue budget by about \$20,000. MCFL is not requesting any augmentation from the General Fund due to this reduction. Instead, MCFL will redirect raising revenue from other sources such as contributions from donating Friends of Library groups, grants, and other sources; to cover the revenue reduction.

#### BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

*Improve the health and quality of life through County supported policies, programs and services, promoting access to equitable opportunities for the communities it serves.*

**Date Issued: 12/19/2019**

**Last Revised: August 1, 2021**

---

The mission of Monterey County Free Libraries is to bring ideas, inspiration, information and enjoyment to our community.

---

Reproduction of archival materials requires professional services and staff assistance beyond the limits of reference services provided free of charge by MCFL. Therefore, the Board of Supervisors has established that MCFL has the right to set up fees as appropriate for staff time, actual materials costs and use of related equipment.

**Fees for Digital Reproduction of archival materials by staff:**

- Existing digital image file without alteration:
  - o \$20.00 per image (personal/research/nonprofit use)
  - o \$35.00 per image (publication/commercial use)
- Newly created or altered digital files: Add \$20 to digital image charges.

**Fees for photocopying of archival materials by library staff:**

- \$5.00 per order or \$.50 per photocopy, whichever is greater, plus postage.

**Fees for reproduction of archival materials by photographic services, duplication services or other vendors:**

Will be the total of:

- The itemized cost of the requested reproductions charged by the vendor, and sales tax charged by the vendor.
- 20% of the above amount for Library staff handling and processing.
- The itemized cost of any negatives or digital images produced for retention by the library.

**Fees for Staff Assistance:**

MCFL may establish fees for staff assistance for large reproduction requests or other services above standard reference requests.

THE MONTEREY COUNTY BOARD OF SUPERVISORS FINDS:

- A. Section 1.40.010 the Monterey County Code provides that all fees, penalties, refunds, reimbursements, and charges of any kind by the County may be specified in the Monterey County Master Fee Resolution.
- B. The Monterey County Free Libraries has service fees and other charges that are appropriate to update and specify in the Monterey County Master Fee Resolution, Article VIII effective January 1, 2022.
- C. This action to modify charges to meet operational expenses is statutorily exempt from environmental review [Pub Res. Code sec. 21080 sub. (b)(8)].
- D. Any and all adjustments to charges for services reflect no more than the actual and reasonable, fully loaded costs of the service or benefit received by the patron/payor, and do not exceed the maximums permitted pursuant by law.
- E. By definition, these charges are not a 'tax' and are exempt from voter approval pursuant to Article XIII C section 1(e)(1) (5) of the California Constitution (Prop. 26: charge imposed for specific benefit conferred/privilege/service or product/reasonable regulatory costs provided or granted to the payer; charges for use/purchase/rental of government property; fines/penalties/charges for violations of law).

THE MONTEREY COUNTY BOARD OF SUPERVISORS RESOLVES:

- I. Article VIII of the Monterey County Master Fee Resolution is amended effective January 1, 2022, and all schedules, tables, fees, taxes, penalties, and charges contained therein are hereby adopted as described in the attachment to this Resolution.
- II. All prior resolutions regarding such fees are hereby repealed.

Consent

Version: 1

Matter Type: BoS Resolution

- a. Approve and Adopt a Resolution authorizing the release of the cannabis assignment of \$125,000 representing additional financing to leverage a State grant to purchase a Library Book mobile. The release of this funds was formerly approved by the Board of Supervisors for fiscal year 20-21, however, it is intended and appropriated in the Library Budget for fiscal year 21-22.
- b. Authorize the Auditor-Controller to amend the FY 21-22 Adopted budget for the CAO to increase the appropriation by \$125,000 (001-CAO017-1050-8038), funded by the release of cannabis assignment (001-3132). 4/5th vote required.
- c. Authorize the Auditor-Controller to transfer \$125,000 in FY 2021-22 from CAO (001-CA017-1050-8038) to the Library Fund (003-LIB001-6110-8141).4/5th vote required.

### RECOMMENDATION:

- a. Approve and Adopt a Resolution authorizing the release of the cannabis assignment of \$125,000 representing additional financing to leverage a State grant to purchase a Library Book mobile. The release of this funds was formerly approved by the Board of Supervisors for fiscal year 20-21, however, it is intended and appropriated in the Library Budget for fiscal year 21-22.
- b. Authorize the Auditor-Controller to amend the FY 21-22 Adopted budget for the CAO to increase the appropriation by \$125,000 (001-CAO017-1050-8038), funded by the release of cannabis assignment (001-3132). 4/5th vote required.
- c. Authorize the Auditor-Controller to transfer \$125,000 in FY 2021-22 from CAO (001-CA017-1050-8038) to the Library Fund (003-LIB001-6110-8141).4/5th vote required.

### SUMMARY/DISCUSSION:

In the Budget process for FY 2020-21, June 23, 2020, the Board of Supervisors funded \$125,000 toward the CIP North Bookmobile Project for a new Bookmobile for North County. This project was also funded by a \$250,000 grant from the California State Library.

The project is ongoing, with the new vehicle in production. A deposit was paid to Farber Specialty Vehicles, with the remainder due upon delivery of the vehicle. This is anticipated for February 2022.

The County funding was allocated for FY 2020-21.

This request is to move the funding allocated by the Board of Supervisors to FY 2021-22. The release of this funds was formerly approved by the Board of Supervisors for fiscal year 20-21, however, it is intended and appropriated in the Library Budget for fiscal year 21-22.

OTHER AGENCY INVOLVEMENT:

This recommended action is in consultation and review with County Administration Office Budget Analysis Department. County Counsel has reviewed and agreed as to form and content.

FINANCING:

The Library adopted Budget for current fiscal year 2021-22 includes the \$125,000 as Operating Transfer In. Approval of this action would entail the adjustment increase in the County Administration Office budget by \$125,000.

WHEREAS, at said Public Hearings held on June 1 and 2, 2020, the Board of Supervisors heard all requests for the increase, decrease, or other alteration of the 2020-21 Recommended Budget as prepared by the County Administrative Officer, and in consideration thereof has decided upon all revisions of said Recommended Budget which it deems advisable; and

WHEREAS, the record of such decisions is in final form in the possession of, and will be published by the Monterey County Auditor-Controller; and

WHEREAS, the minimum requirements as set forth in Section 29089 of the Government Code of the State of California have been met in the budget document; and

WHEREAS, Section 29090 of the Government Code of the State of California permits the adoption of the budget by reference to the financing uses in the budget as finally determined; and

WHEREAS, on April 7, 2020, the Board of Supervisors held the FY 2020-21 Budget Workshop in an effort to minimize impacts to employees and County services,

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Monterey as follows:

1. The FY 2020-21 Budget for the County of Monterey, including the County's General Financial Policies, and incorporating the FY 2020-21 Recommended Budget presented at its June 1-2, 2020 Budget Hearings, including modifications approved by the Board at said Public Hearings, as detailed in Attachment A and Exhibit 1, and adjustments for COWCAP changes as detailed in Attachment C, and by reference attached hereto and incorporated herein, is hereby approved and adopted.
2. The FY 2020-21 Recommended Budget as received and approved with modifications by the Board during the aforementioned Public Hearings, and as officially submitted by the County Administrative Officer to the Auditor-Controller, with said revised budget for the County of Monterey is hereby approved and adopted by reference as the Adopted Budget for the 2020-21 Fiscal Year for the County of Monterey.

PASSED AND ADOPTED on this 23<sup>rd</sup> day of June 2020, by roll call vote:

**ATTACHMENT A**  
**June 1-2, 2020 Budget Hearings**  
**Board of Supervisors Modifications to the Fiscal Year 2020-21 Recommended Budget**

The items listed below were directed by the Board of Supervisors (Board) as modifications to the Fiscal Year (FY) 2020-21 Recommended Budget during the June 1-2, 2020 Budget Hearings.

1. Increase appropriations in the County Administrative Office (001-1050-8029-CAO007) by \$250,000, including a contribution to Salinas Valley Promise (\$200,000) for leadership development and the membership fee for the California Cannabis Authority Joint Powers Authority (CCA JPA) (\$50,000), financed by the release in the General Fund Cannabis Assignment fund balance (001-3132).
2. Increase appropriations in the County Administrative Office (001-1050-8035-CAO013) by \$15,000 for the Rural County Representatives of California (RCRC) organization membership fee, offset by a reduction of \$15,000 to the appropriation for contingencies (001-1050-8034-CAO020).
3. Increase appropriations in the County Administrative Office (001-1050-8054-CAO004) by \$125,000 for the Intergovernmental and Legislative Affairs contract with Citigate, offset by a reduction of \$125,000 to the appropriation for contingencies (001-1050-8034-CAO020).
4. Increase appropriations in the County Administrative Office (001-1050-8512-CAO036) by \$50,000 for the Development Set-Aside to the Monterey County Convention and Visitors Bureau (MCCVB) to promote Salinas Valley tourism, offset by a reduction of \$50,000 to the appropriation for contingencies (001-1050-8034-CAO020).
5. Increase appropriations in the County Administrative Office (001-1050-8514-CAO038) by \$285,000 for affordable Housing and Economic Development, including consultant contracts with National Development Council (NDC) (\$75,000), the membership fee for the Monterey Bay Economic Partnership (MBEP) (\$10,000), and a matching commitment in the Local Housing Trust for the California Department of Housing and Community Development (HCD) grant (\$200,000), offset by a reduction of \$85,000 to the appropriation for contingencies (001-1050-8034-CAO020) for NDC and MBEP and financed by the release of \$200,000 in the General Fund Cannabis Assignment fund balance (001-3132) for HCD.
6. Increase appropriations by \$1,250,000 in the County Administrative Office (001-1050-8038-CAO017) to replace the Sheriff's Office end of life radio equipment, financed by the release in the General Fund Cannabis Assignment fund balance (001-3132).
7. Increase appropriations by \$11,243 in the County Administrative Office (001-1050-8038-CAO017) to make an operating transfer from the General Fund to the Emergency Communications Special Revenue Fund (028-1520-8507-EME004), to cover the County's portion of increased Countywide Cost Allocation Plan (COWCAP) charges, funded by the credit for COWCAP to the General Fund.

8. Decrease non-program revenues by \$1,569,907 in the County Administrative Office (001-1050-8041-CAO019) to account for projected Transient Occupancy Tax losses due to COVID-19, offset by the COWCAP final charge credits to the General Fund.
9. Increase appropriations in the Office of County Counsel (001-1210-8057-COU001) by \$208,277 overall for position changes, offset by a reduction of \$208,277 to the appropriation for contingencies (001-1050-8034-CAO020) as follows:
  - a. Delete one vacant Deputy County Counsel I position to decrease appropriations by \$133,338.
  - b. Delete one vacant Deputy County Counsel II position to decrease appropriations by \$168,324.
  - c. Increase appropriations by \$415,798 to restore funding for two vacant Deputy County Counsel IV positions for 10 months.
  - d. Increase appropriations by \$94,141 to restore funding for one vacant Administrative Secretary-Confidential position for 10 months.
10. Increase appropriations in the Sheriff's Office by \$740,815 to restore funding to positions, including \$666,413 for four vacant Deputy Sheriffs in Corrections and two Corrections Specialist filled after the department budget was submitted (001-2300-8238-SHE003) and \$74,402 for one filled Sheriffs Property Technician position in Enforcement (001-2300-8242-SHE001), offset by a reduction of \$740,815 to the appropriation for contingencies (001-1050-8034-CAO020).
11. Reallocate appropriations in the Sheriff's Office to fully fund three Sheriffs Commander positions, fully offset by a reduction in overtime, as follows:
  - a. Decrease appropriations for Sheriff's Office overtime by \$745,000 including (\$496,666) for Corrections (001-2300-8238-SHE003) and (\$248,334) in (001-2300-8250-SHE001) offset by increased appropriations in the following units to fund three Sheriffs Commanders.
    - i. Increase appropriations by \$248,333 (001-2300-8238-SHE003) to fund one Sheriffs Commander in the Corrections Unit.
    - ii. Increase appropriations by \$248,333 (001-2300-8227-SHE001) to fund one Sheriffs Commander in the Professional Standards Unit.
    - iii. Increase appropriations by \$248,334 (001-2300-8250-SHE001) to fund one Sheriffs Commander in the Community Services and Special Enforcement Unit.
12. Increase appropriations and revenue by \$351,798 for the Road Fund (002-3000-8443-RMA012) to meet the Measure X MOE with a corresponding increase in appropriations in the County Administrative Office (001-1050-CAO017) to make an operating transfer from the General Fund to the Road Fund, offset by a reduction of \$351,798 to the appropriation for contingencies (001-1050-8034-CAO020).
13. Increase appropriations in the Resource Management Agency (001-3000-8529-RMA110) by \$75,998 for the Salinas Valley Groundwater Basin (SVGB) investigation, financed by the release in the General Fund Cannabis Assignment fund balance (001-3132).
14. Increase appropriations and revenue by \$207,500 for the Pajaro County Sanitation District (PCSD) fund (151-3000-8197-RMA040) as a loan to the PCSD for drainage repairs with a corresponding increase in appropriations in the County Administrative Office (001-1050-

- 8038-CAO017) to make an operating transfer from the General Fund to the District Fund, financed by the release in General Fund Cannabis Assignment fund balance (001-3132).
15. Increase appropriations in the Health Department (001-4000-8099-HEA007) by \$135,000 to provide free legal services to patients, including \$67,500 in revenues as an operating transfer from the Health Realignment Fund (025-4000-8424-HEA013) with the remainder offset by a reduction of \$67,500 to the appropriation for contingencies (001-1050-8034-CAO020).
  16. Increase appropriations in the Health Department (001-4000-8124-HEA003) by \$350,000 for Early Childhood Development programs, including School Readiness Assessment (\$50,000), Family Friendly Business Certification (\$100,000), and Trauma Informed Capacity Building (\$200,000), financed by the release in the General Fund Cannabis Assignment fund balance (001-3132).
  17. Approve an Office Assistant III position in the Health Department's Public Guardian Bureau (001-4000-8118-HEA008), increasing appropriations offset by a \$78,276 reduction to the appropriation for contingencies (001-1050-8034-CAO020).
  18. Approve an Office Assistant II position in the Health Department's Animal Services Division (001-4000-8442-HEA001) with 11 months funding (\$67,576) and offer spay and neuter clinics (\$61,000), increasing appropriations offset by a \$128,576 reduction to the appropriation for contingencies (001-1050-8034-CAO020).

  21. Decrease federal revenues by \$66,000 in Social Services (001-5010-8262-SOC005) for the underfill of a Social Worker V position in Adult Protective Services, funded by a corresponding decrease in the appropriation for contingencies (001-1050-8034-CAO020).
  22. Increase appropriations and revenue by \$125,000 for the Library Fund (003-6110-8141-LIB001) to leverage a State grant for a book mobile bus with a corresponding increase in appropriations in the County Administrative Office (001-1050-8038-CAO017) to make an operating transfer from the General Fund to the Library Fund, financed by the release in General Fund Cannabis Assignment fund balance (001-3132).

**ATTACHMENT B**  
**June 1-2, 2020 Budget Hearings**  
**Board-directed Follow-up and Pending Budget Issues**  
**For the Fiscal Year 2020-21 Adopted Budget**

The Board of Supervisors considered additional funding requests for FY 2020-21 expenditures and requested follow-up reports and discussion on several funding requests to more thoroughly understand the nature and scope of the issues, impacts, and availability of potential financing options. Board-directed follow-up issues and actions include:

1. County Administrative Office – The Board requested a plan from the Monterey County Convention and Visitors Bureau (MCCVB) on promoting Salinas Valley tourism with the \$50,000 request that it approved and a report accounting for expenditures in FY 2019-20.
2. County Administrative Office – The Board requested a presentation from the governing for racial equity (GRE) group.
3. County Administrative Office – The Board directed staff from Housing and Economic Development and housing partners return with a coordinated plan leveraging resources to offer solutions for homelessness issues. Additionally, a funding commitment of a total of one million over five years shall be detailed and was initially provided \$200,000 for FY 2020-21 for a competitive grant application that required a County match.
4. County Administrative Office/Elections Department – The Board approved a transfer of \$973,300 out of the cannabis assignment to conduct the November election. The County Administrative will coordinate timing with the Elections Department.
5. County Administrative Office/Sheriff's Office – The Board requested staff from the Sheriff's Office and County Administrative Office review purchase and lease options to replace radios that have exceeded their end of life. The County Administrative Office has earmarked an initial \$1,250,000 in funding for the chosen solution. Funding and the timing of transfers for an additional \$1,250,000 requested remains to be determined.
6. Resource Management Agency – The Board funded a loan of \$207,500 for drainage repairs to the Pajaro County Sanitation District out of the General Fund Cannabis Assignment. The Resource Management Agency (RMA) is to provide details for loan repayment, including feasibility of reimbursement through a fee study. RMA will also report options for funding sidewalk, lighting and road improvements in Las Lomas, San Ardo and San Lucas, not limited to coordinating with municipalities and identifying potential partnerships with public health and safety organizations and programs or TAMC.
7. Natividad Medical Center – The Board confirmed that Natividad Medical Center will return in July with a report on the comprehensive healthcare services offered to the undocumented community by Esperanza Care, including existing and potential future programs, options for coordination with adjacent Counties and expansion into other hospitals.

## **North County Bookmobile GRANT AGREEMENT AND CERTIFICATION OF COMPLIANCE**

This is the North County Bookmobile Grant Agreement (award number SVBT-023) and Certification of Compliance between the California State Library and Monterey County Free Libraries, henceforth referred to as Grantee.

The Grantee designated above hereby certifies to the California State Library that the grant of \$250000 will be used solely to carry out the program set forth in its North County Bookmobile application as approved, and/or as amended and approved by the California State Librarian.

### **TERMS AND CONDITIONS**

The Grantee and its named or designated fiscal agent (if applicable) hereby assures the California State Library that:

1. It is mutually understood between the parties that this grant award may have been made before the availability of appropriated funds was ascertained. This was done for the mutual benefit of both parties in order to avoid program and fiscal delays which would occur if the grant award were executed after that determination was made.
2. This grant award is valid and enforceable only if sufficient funds are made available to the California State Library in the Enactment Year 2019 State Budget for the purposes of this program. In addition, this grant award is subject to any additional restrictions, limitation, or conditions enacted by the Legislature and approved by the Governor, which may affect the provisions, terms or funding of this grant award in any manner.
3. It is mutually agreed that if sufficient funds are not appropriated for the program, this grant award shall be amended to reflect any reduction in funds.
4. It is mutually agreed that the grant application and the timeline included therein are part of the grant agreement.
5. The complete North County Bookmobile GRANT AGREEMENT and CERTIFICATION OF COMPLIANCE shall constitute the grant agreement for the project.

6. The Grantee shall report to the State Librarian in such form and containing such information as may be required to enable the California State Library to administer the grant. The Grantee shall keep records and afford access to records concerning the grant as the California State Librarian finds necessary to assure the correctness and verification of grant reports.
7. The expenditure under this program shall not be used to supplant Grantee efforts in other programs.

This agreement is subject to the provisions of the Budget Act of 2019, Chapter 23 of the Statutes of 2019. Performance of the provisions of this agreement is subject to the conditions and availability of funds as awarded by the State Librarian under the Act.

1. The terms of this agreement shall be upon execution until the end of the grant period, but shall be subject to termination by the State Librarian upon notice to the grantee at least thirty (30) days prior to the effective date of termination. The State Librarian may extend the final deadline for good cause. Request for extension beyond the final deadline of the end of the grant period must be received at least 30 days prior in writing to that deadline at the State Librarian's office.

In the event this agreement is terminated, the Grantee shall deliver to the State Librarian copies of all reports and/or materials prepared up to the date of termination, and the State Librarian shall determine, and pay the grantee for necessary and appropriate expenditures and obligations to the date of termination which have not been covered by prior installments previously paid to the Grantee. If funding has been advanced to the Grantee, any unobligated balances, as determined by the State Librarian, shall be returned to the State Library within 60 days of the notice of termination.

2. The State Librarian may at any time during the term of this agreement review, audit, and inspect the project for compliance with this agreement.
3. The California State Library shall be acknowledged in all promotional materials and publications related to the North County Bookmobile project.
4. Original material produced with these grant funds may be copyrighted by the Grantee or its assignees. However, the California State Library reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, for public library and State governmental purposes:
  - a. The copyright in any work developed under this grant, sub-grant, or contract under this grant or sub-grant; and

- b. Any rights of copyright to which a Grantee, sub-grantee, or a contractor purchases ownership with grant support.

The foregoing provision specifically authorizes the California State Library to mount copyrighted material produced or purchased with grant funds on a California State Library website for public access and viewing.

- 5. Nothing contained in this Agreement or otherwise shall create any contractual relation between the State and any subcontractors, and no subcontract shall relieve the Grantee of his/her responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the State for the acts and omissions of its subcontractors, volunteers, student interns and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the State's obligation to make payments to the Grantee. As a result, the State shall have no obligation to pay or to enforce the payment of any monies to any subcontractor.
- 6. Grantee has the right to perform services for others during the term of this agreement.
  - a. Grantee has the right to perform the services required by this agreement at any location or at any time during the grant period, following the agreed-upon timeline.
  - b. Grantee shall furnish all equipment and materials used to provide the services required by this Agreement.
  - c. Grantee, Grantee's employees or contract personnel shall perform all services required by this Agreement; and beyond general monitoring and administration of the grant contract, the State Library shall not hire, supervise or pay any personnel to assist Grantee.
  - d. The State Library shall not provide any training to Grantee, Grantee's employees or contract personnel with the skills necessary to perform the services required by this Agreement.
  - e. The State Library shall not require the Grantee, Grantee's employees or contract personnel to devote full time to performing the services required by this Agreement.
- 7. Indemnification: Grantee agrees to indemnify, defend and save harmless the State of California, its agents, and employees from any and all claims and losses accruing or resulting to any and all contractors, subcontractors, suppliers, laborers and any other person, firm or corporation furnishing or supplying work services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by Grantee in the performance of this Agreement.

8. In the event of a dispute, Grantee shall file a "Notice of Dispute" with the State Library within ten (10) days of discovery of the problem. Within ten (10) days, the grant monitor shall meet with the Grantee for purposes of resolving the dispute. Any dispute concerning a question of fact arising under the terms of this Agreement which is not disposed of within a reasonable period of time by Grantee and State employees normally responsible for the administration of this Agreement shall be brought to the attention of the State Librarian or designated representative of each organization for resolution. The decision of the State Librarian or designated representative shall be final. In the event of a dispute, the language contained within this Agreement shall prevail over any other language including that of the bid proposal. The existence of a dispute not fully resolved shall not delay Grantee to continue with the responsibilities under this Agreement which are not affected by the dispute.
9. Federal and State Taxes: The State Library shall not
  - a. Withhold FICA (Social Security and Medicare payments) from Grantee's payments or make FICA payments on the Grantee's behalf; or
  - b. Make Federal or State unemployment insurance contributions on Grantee's behalf; or
  - c. Withhold Federal or State income taxes from Grantee's payments

Grantee shall pay all taxes required on payments made under this Agreement including applicable income taxes and FICA.
10. Fringe Benefit Ineligibility: Grantee agrees that neither the Grantee nor its employees and contract personnel are eligible to participate in any employee pension, health benefit, vacation pay, sick pay or other fringe benefit plan of the State of California.
11. Workers' Compensation: The State of California will not provide Workers' Compensation insurance for Grantee or Grantee's employees or contract personnel. If Grantee hires employees to perform services required by this Agreement, Grantee shall provide Workers' Compensation insurance for them.
12. Non-Discrimination Clause: During this grant period, the Grantee and the Grantee's subcontractors shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sexual orientation, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical conditions (cancer), age (over 40), marital status, and denial of family care leave. Grantee shall insure that the evaluation and treatment of contractors, employees and applicants for employment are free from such discrimination and harassment.
13. Exclusive Agreement: This is the entire Agreement between the State Library and the Grantee.

14. Severability: If any part of this Agreement is held unenforceable, the remainder of the Agreement will remain in full force and effect.
15. Applicable Law: The laws of the State of California govern this Agreement.
16. Notices: All notices and other communications in connection with this Agreement shall be in writing, and shall be considered delivered as follows:
  - a. When delivered personally to the recipient's address as stated in this Agreement;
  - b. Three days after being deposited in the U.S. Mail, postage prepaid addressed to recipient's address as stated in this Agreement
  - c. When sent by Fax or e-mail to the last Fax or e-mail address of the recipient known to the party giving notice. Notice is effective upon receipt.

## PAYMENTS, REPORTS AND CLAIMS

### LIMITATION OF EXPENDITURE

Expenditure for all projects must conform to the approved budget, as amended, and with applicable Federal and State laws and regulations.

Any of the sums listed as approved and/or amended appearing under the categories in the approved budget may be adjusted with prior authorization from the State Library grant monitor. This would be to increase any allotment not more than 10% with the understanding that there will be corresponding decreases in the other allotments so that the total amount paid by the California State Library to the Grantee under this Agreement shall not exceed the awarded amount, which shall be expended/encumbered during the grant period.

### PAYMENTS

Payment will be provided to cover the expenditures incurred by the Grantee for the project in the following manner:

- **Initial Payment of 90% of Approved Award Amount (\$225,000):** upon execution of the agreement and submission of claim and certification by Grantee.
- **Payment of 10% of Approved Award Amount (\$25,000):** on project completion and upon the submission of required final narrative and financial reports, no later than June 30, 2022.

If the amount of payment made by the California State Library shall exceed the actual expenses during the term of this agreement, as reflected in the financial reports to be filed by the Grantee, the Grantee shall refund to the California State Library the amount of such excess payment.

### REPORTS AND CLAIMS

The Grantee shall make all required reports and claims to the California State Library.

- I. The Grantee shall be responsible for the submission of interim and final **narrative and financial** reports on the progress and activities of the project, to the California State Library. The financial reports shall reflect the expenditures made by the Grantee under the Agreement. The financial reports may be incorporated into the same reporting structure as the narrative reports. The financial reports shall be submitted by the following dates, by the following dates:
  - a. First Grant Reports (mid-project narrative and financial) (covering start of grant-December 2020: **January 31, 2021**

- b. Second Grant Reports (mid-project narrative and financial) (covering January 2021-June 2021): **July 31, 2021**
  - c. Final Grant Reports (final narrative and financial): upon the completion of the grant project and/or no later than **April 30, 2022**
- II. To obtain payment hereunder, the Grantee shall submit authorized claims provided by the California State Library for that purpose. For properly submitted claims, the California State Library agrees to reimburse the Grantee as soon thereafter as State fiscal procedures permit.
- III. The final 10% of the grant award is payable only if the Grantee is on schedule to fulfill all project requirements in the time specified in the award. The project grant monitor must also approve the project reports. Failure to provide timely reports is a breach of a Grantee's administrative duty under the award, which may result in State audit exceptions against the State and the loss of grant funds. The State Librarian may extend the final deadline for good cause. Request for extension beyond the ending date of the grant period, must be received at least 30 days prior in writing to that deadline by the grant monitor.

**Resolution No.**

**Adopt a Resolution:**

Authorizing the release of the cannabis assignment of \$125,000 representing additional financing to leverage a State grant to purchase a Library Book mobile. The release of this funds was formerly approved by the Board of Supervisors for fiscal year 20-21, however, it is intended and appropriated in the Library Budget for fiscal year 21-22.

**WHEREAS**, The Auditor-Controller is to amend the FY 21-22 Adopted budget for the CAO to increase the appropriation by \$125,000 (001-CAO017-1050-8038), funded by the release of cannabis assignment (001-3132).

**WHEREAS**, The Auditor-Controller is to transfer \$125,000 in FY 2021-22 from CAO (001-CA017-1050-8038) to the Library Fund (003-LIB001-6110-8141).

**NOW, THEREFORE**, the Monterey County Board of Supervisors hereby resolves to approve the following:

Approve and Adopt a Resolution authorizing the release of the cannabis assignment of \$125,000 representing additional financing to leverage a State grant to purchase a Library Book mobile. Legistar File Number: 21-982

November 16, 2021

Introduced: 11/3/2021

Current Status: General Government -  
Consent

Version: 2

Matter Type: BoS Resolution

- a. Authorize the Treasurer-Tax Collector to sell 47 specified tax defaulted properties as set forth in Attachment A-Monterey County Auction Listing at public auction via the internet in accordance with Revenue and Taxation Code Section 3691 et. seq. or as a sealed bid sale pursuant to Chapter 7, Part 6, Division 1 of the Revenue and Taxation Code for at least the minimum bid.
- b. Authorize the Treasurer-Tax Collector to reoffer any unsold properties at a reduced minimum bid at the conclusion of the sale or within a 90-day period.

### **RECOMMENDATION:**

It is recommended that the Board of Supervisors, by Resolution:

- a. Authorize the Treasurer-Tax Collector to sell 47 specified tax defaulted properties as set forth in Attachment A-Monterey County Auction Listing (Attachment A) at public auction via the internet in accordance with Revenue and Taxation Code Section 3691 et. seq. or as a sealed bid sale pursuant to Chapter 7, Part 6, Division 1 of the Revenue and Taxation Code for at least the minimum bid.
- b. Authorize the Treasurer-Tax Collector to reoffer any unsold properties at a reduced minimum bid at the conclusion of the sale or within a 90-day period.

### **SUMMARY:**

In accordance with Section 3694 and 3698 of the California Revenue and Taxation Code, the Tax Collector is required to provide notice to and get approval from the Board of Supervisors to sell specified tax-defaulted properties, as set forth in Attachment A, at public auction or sealed bid sale for not less than the established minimum bid specified on each assessment. The requested action permits the Tax Collector to proceed, comply with State requirements for such sales, and provide the opportunity for the County to recover legitimate delinquent tax revenue.

### **DISCUSSION:**

The collection of delinquent property taxes requires the Tax Collector to offer for sale property upon which taxes remain unpaid (California Revenue and Taxation Code Section 3692). The Tax Collector, after receiving authorization to sell from the Board of Supervisors, as laid out in Attachment B-Authorization to Sell Tax Defaulted Properties Resolution (Attachment B) must notify the California State Controller, all known lien holders of record, and the current property owner at the last known address of the date of the impending sale and the minimum amount due to satisfy the property tax obligation.

If not redeemed by paying all outstanding delinquent taxes, penalties, and costs before 5:00 p.m. the day before the sale is to begin, the Tax Collector will sell the property to the highest bidder. The monies

received from the sale of the properties are deposited by the Tax Collector with the County Auditor and a deed to the property is awarded to the successful purchaser. Excess proceeds, if any, are then distributed to legitimate claimants according to their priority. Any property not sold will be held over for future sale.

Pursuant to Sections 3698.5 and 3692(e) of the California Revenue and Taxation Code, the Tax Collector has determined the minimum price at which each of the properties may be offered for sale. Attachment A identifies each property and reflects the minimum bid necessary to satisfy the individual property delinquent taxes and assessments plus costs, or the minimum bid deemed appropriate given unique circumstances applicable to the subject property. As indicated above, if any individual property does not sell, the Tax Collector may statutorily reoffer that property at a reduced minimum bid at the conclusion of the original sale or within a 90-day period.

The auction of the property listed on Attachment A will be conducted through an internet sales program that has been successfully utilized in the past with a reduced cost and higher return to the County. The Tax Collector may also conduct a sealed bid sale if deemed appropriate by the unique attributes of the property and/or where required by law.

**OTHER AGENCY INVOLVEMENT:**

The Auditor-Controller will provide for the apportionment of funds collected from the public auction or sealed bid sale after the Tax Collector deposits monies to various receivable accounts. The Office of the County Counsel has reviewed and concurs with the recommendation as to form and legality.

**FINANCING:**

The County General Fund will benefit from this recommendation. The recommended process permits the recovery of overdue and delinquent property taxes that would otherwise not be recoverable. Typically, up to fifty percent of the delinquent properties have the taxes paid prior to the sale, which results in general fund revenue to the County and other local jurisdictions that share in the tax collection formula.

## Attachment B – Authorization to Sell Tax Defaulted Properties

Before the Board of Supervisors in and for the  
County of Monterey, State of California

### Resolution No.

A. Authorize the Treasurer-Tax Collector to sell 47 specified tax defaulted properties as set forth in Attachment A at public auction via the internet in accordance with Revenue and Taxation Code section 3691 et. seq. for at least the minimum bid.  
B. Authorize the Treasurer-Tax Collector to reoffer any unsold properties at a reduced minimum bid at the conclusion of the sale or within a 90-day period.

### RECITALS:

WHEREAS, the 47 properties identified on Attachment A-Monterey County Auction Listing (Attachment A) are delinquent in the payment of legitimate property taxes and assessments; and

WHEREAS, California Revenue and Taxation Code section 3691 et. seq. permits the sale of tax defaulted properties at public auction to recover the delinquent property taxes and costs; and

WHEREAS, the County of Monterey Treasurer-Tax Collector has determined the individual minimum bids necessary to recover the delinquent property taxes and costs and has determined that the sale of the 47 specified tax defaulted properties at public auction via the internet would be the most appropriate method of recovering these taxes and costs; and

WHEREAS, in the event that any of the properties do not sell as part of the initial offering the County of Monterey Treasurer-Tax Collector should be authorized to reoffer any unsold properties at a reduced minimum bid at the conclusion of the sale or within a 90-day period to maximize the potential recovery of the delinquent amounts.

NOW, THEREFORE BE IT RESOLVED that the Monterey County Board of Supervisors on behalf of the County and all citizens thereof, adopts the following:

A. The Treasurer-Tax Collector is authorized to Sell 47 Specified Tax Defaulted Properties as set forth in the attached Attachment A at public Auction via the internet in accordance with Revenue and Taxation Code section 3691 et. seq. for at least the minimum bid.

B. The Treasurer-Tax Collector is authorized to reoffer any unsold properties at a reduced minimum bid at the conclusion of the sale or within a 90-day period.

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

Legistar File Number: A 21-542

November 16, 2021

Introduced: 11/4/2021

Current Status: General Government -  
Consent

Version: 1

Matter Type: BoS Agreement

- a. Approve and authorize the Director of the Emergency Communications Department to sign Amendment #6 to the agreement with Everbridge, Inc. for mass notification software, adding \$88,850 for a revised contract total of \$780,368, and extending the term of the agreement for one year, retroactive to October 8, 2021, for a revised term of October 8, 2013 through October 7, 2022; and
- b. Authorize the Director of the Emergency Communications Department to sign up to three additional amendments to this agreement where the amendments do not exceed 10% (\$78,036) of the current contract amount and do not significantly change the scope of work.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of the Emergency Communications Department to sign Amendment #6 to the agreement with Everbridge, Inc. for mass notification software, adding \$88,850 for a revised contract total of \$780,368, and extending the term of the agreement for one year, retroactive to October 8, 2021, for a revised term of October 8, 2013 through October 7, 2022; and
- b. Authorize the Director of the Emergency Communications Department to sign up to three additional amendments to this agreement where the amendments do not exceed 10% (\$78,036) of the current contract amount and do not significantly change the scope of work.

### SUMMARY/DISCUSSION:

Through this agreement, Everbridge, Inc provides mass notification alerting and messaging software used for emergency and non-emergency alerting to the residents of Monterey County. In October 2013 the County selected Everbridge, Inc. through a formal solicitation process for this public alert and notification system. This software is used to send landline and cell phone notifications for emergencies and non-emergencies from the County Office of Emergency Service, Cities in Monterey County, and CSUMB. The Everbridge system is also used by County departments and cities for both emergency and non-emergency employee notifications.

The Everbridge system is a fully compliant Integrated Public Alert & Warning System (IPAWS) which allows for mass notifications to unregistered cell phones. Everbridge also includes Nixle, a proprietary opt-in texting/email delivery process and is integrated with all the mass notification alerting pathways (cellular, landline, email, social media, SMS texting, IPAWS (EAS and WEA)) into one single platform/user interface.

EverBridge, Inc. has been selected as the State-wide vendor for public notification services and the

County, through the Office of Emergency Services, has implemented the new State funded platform. This sixth amendment extends the term of the agreement for one year, with the option for the County to terminate upon 30-days' notice, to allow the County time to migrate contact data, fully test the new platform, and train all users within the County, the Cities and CSUMB.

The State funded system is functional and live, but this retroactive amendment to October 8, 2021 is needed because the implementation, data migration, and training took longer than anticipated. Nixle is not part of the State System and the Office of Emergency Services and participating agencies will evaluate if Nixle will be needed and may enter into a future agreement(s) for Nixle. Once the Office of Emergency Services has completed these final transitioning steps, the Department of Emergency Communications intends to terminate this Agreement.

OTHER AGENCY INVOLVEMENT:

The Everbridge System is operationally managed through the County Office of Emergency Services. The Emergency Communications Department holds the contract, budgets for the software, and collects the costs from the participating agencies.

County Counsel has approved this amendment as to legal form. The Auditor-Controller and Contracts/Purchasing have reviewed and approved this amendment.

The County of Monterey Office of Emergency Services has coordinated with the California Governor's Office of Emergency Services to implement the State funded Everbridge platform and is training users at participating jurisdictions throughout the County.

FINANCING:

Sufficient appropriations and estimated revenues in EME004 are included in the FY2021/22 Adopted Budget. The cost of this software is shared between all twelve cities in the County, CSUMB, and the County based on respective populations with the County Administrative Office, through the Office of Emergency Services, funding the County's share.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This contract meets the Board's Public Safety Strategic Initiative by providing a mass notification software to alert the residents of Monterey County of emergency and non-emergency incidents.

Original Agreement, Amendments 1-6

## **AGREEMENT BETWEEN COUNTY OF MONTEREY AND EVERBRIDGE, INC.**

This AGREEMENT is made and entered into by and between the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "County", and EVERBRIDGE, Inc. hereinafter referred to as "CONTRACTOR."

### **SAMPLE RECITALS**

WHEREAS, County has invited proposals through the Request for Proposals (RFP # 10436) for TELEPHONE MESSAGING AND EMERGENCY NOTIFICATION SYSTEM, in accordance with the specifications set forth in this AGREEMENT; and

WHEREAS, CONTRACTOR has submitted a responsive and responsible proposal to perform such services; and

WHEREAS, CONTRACTOR has the expertise and capabilities necessary to provide the services requested.

NOW THEREFORE, County and CONTRACTOR, for the consideration hereinafter named, agree as follows:

### **1.0 PERFORMANCE OF THE AGREEMENT**

- 1.1 After consideration and evaluation of the CONTRACTOR'S proposal, the County hereby engages CONTRACTOR to provide the services set forth in RFP # 10436 and in this AGREEMENT on the terms and conditions contained herein and in RFP # 10436. The intent of this AGREEMENT is to summarize the contractual obligations of the parties. This AGREEMENT is based on the following supporting documents:

#### **AGREEMENT**

RFP # 10436 dated May 16, 2013, including all attachments and exhibits

CONTRACTOR'S Proposal dated June 27, 2013,

Exhibit A – Prequalification's (pgs. 18-19)

Exhibit B – Functional Requirements (pgs. 20-26)

Exhibit C – Technical Specifications (pgs. 27-35)

Exhibit D – Security Requirements (pgs. 36-38)

Exhibit E – System Specs – Mass Notification (pgs. 39-42)

Exhibit F – Pricing (pgs. 43-48)

Exhibit G – Q&A (pgs. 49- 50)

Exhibit H – Everbridge Additional Provision (pg. 51)

- 1.2 These documents are on file with the Contracts/Purchasing Division.

- 1.3 All of the above-referenced documents are intended to be complementary. Work required by one of the above-referenced documents and not by others shall be done as if required by all. In the event of a conflict between or among component parts of the contract, the contract documents shall be construed in the following order: AGREEMENT, RFP #10436, CONTRACTOR'S Proposal, including all attachments and exhibits.
- 1.4 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing Services (as defined below) under this AGREEMENT are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this AGREEMENT and are not employees of the County, or immediate family of an employee of the County.
- 1.5 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this AGREEMENT that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.
  - 1.5.1 CONTRACTOR must maintain all licenses throughout the term of the AGREEMENT.
- 1.6 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this AGREEMENT, except as otherwise specified in this AGREEMENT. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this AGREEMENT.

## **2.0 SCOPE OF SERVICE**

- 2.1 CONTRACTOR shall provide periodic security reviews and vulnerability assessments of CONTRACTOR's provided service and system.
- 2.2 To provide Telephone Messaging and Emergency Notification Systems to the County of Monterey. Per terms and conditions set forth within RFP 10436, proposal submitted by CONTRACTOR, Inc. to include addendum, attachments, and reference exhibits A – H (the "Service").

## **3.0 TERM OF AGREEMENT**

- 3.1 The initial term shall commence on October 8, 2013 through and including October 8, 2014, with the option to extend the AGREEMENT for four (4) additional one (1) year periods. County is not required to state a reason if it elects not to renew this AGREEMENT.

- 3.2 If County exercises its option to extend, all applicable parties shall mutually agree upon the extension, including any changes in rate and/or terms and conditions in writing.
- 3.3 Termination by Either Party. Either Party may terminate this Agreement upon the other Party's material breach of this Agreement, provided that (i) the non-breaching Party sends written notice to the breaching Party describing the breach in reasonable detail; (ii) the breaching Party does not cure the breach within thirty (30) days following its receipt of such notice (the "Notice Period"); and (iii) following the expiration of the Notice Period, the non-breaching Party sends a second written notice to the breaching Party indicating its election to terminate this Agreement.
- 3.4 Termination for Convenience by COUNTY. County May terminate this AGREEMENT without cause at any time on thirty (30) days prior written notice; provided, however, that it shall not be entitled to a refund of any fees then due and owing.

#### **4.0 COMPENSATION AND PAYMENTS**

- 4.1 It is mutually understood and agreed by both parties that CONTRACTOR shall be compensated under this AGREEMENT in accordance with the pricing sheet attached hereto.
- 4.2 County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibit F – Pricing, subject to the limitation set forth in this AGREEMENT. The total amount payable by County to CONTRACTOR under this AGREEMENT is not to exceed the sum of \$79,234.00 for year one of the contract and not to exceed the sum of \$73,550.00 for the optional renewal years.
- 4.3 Any discount offered by the CONTRACTOR must allow for payment after receipt and acceptance of Services, material or equipment and correct invoice, whichever is later. In no case will a discount be considered that requires payment in less than 30 days.
- 4.4 CONTRACTOR shall levy no additional fees or surcharges of any kind during the term of this AGREEMENT without first obtaining approval from County in writing.
- 4.5 Pricing does not include any local, state, federal or foreign taxes, levies or duties of any nature, all of which COUNTY is responsible for paying, except for those relating to CONTRACTOR's income and any Federal Transportation Tax.

#### **5.0 INVOICES AND PURCHASE ORDERS**

- 5.1 Invoices for all Services rendered per this AGREEMENT shall be billed directly to the Department of Emergency Communications department at the following address:  
County of Monterey Department of Emergency Communications  
Attn: John Vaught – Administrative Services Assistant

1322 Natividad Rd.  
Salinas, CA. 93906

- 5.2 CONTRACTOR shall reference the RFP/RFQ number on all invoices submitted to County. CONTRACTOR shall submit such invoices periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. County shall certify the invoice, either in the requested amount or in such other amount as County approves in conformity with this AGREEMENT, and shall promptly submit such invoice to County Auditor-Controller for payment. County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.
- 5.3 All County of Monterey Purchase Orders issued for the AGREEMENT are valid only during the fiscal year in which they are issued (the fiscal year is defined as July 1 through June 30).
- 5.4 Unauthorized Surcharges or Fees: Invoices containing unauthorized surcharges or unauthorized fees of any kind shall be rejected by County. Surcharges and additional fees not included in the AGREEMENT must be approved by County in writing via an Amendment.

## 6.0 INDEMNIFICATION

- 6.1 CONTRACTOR shall defend, indemnify and hold COUNTY harmless from and against any Claim against COUNTY, but only to the extent it is based on a Claim that the Everbridge Mass Notification Service directly infringes an issued patent or other IP Right in a country in which the Everbridge Mass Notification Service is actually provided to COUNTY. In the event CONTRACTOR believes any CONTRACTOR Technology is, or is likely to be the subject of an infringement claim, CONTRACTOR shall have the option, at its own expense, to: (i) to procure for COUNTY the right to continue using the Everbridge Mass Notification Service; (ii) replace same with a non-infringing service; (iii) modify such Everbridge Mass Notification Service so that it becomes noninfringing; or (iv) refund any fees paid to CONTRACTOR and terminate this Agreement without further liability. CONTRACTOR shall have no liability for any Claim arising out of (w) COUNTY Data or other COUNTY supplied content, (x) use of the Everbridge Mass Notification Service or Software (as defined on Attachment 1) in combination with other products, equipment, software or data not supplied by CONTRACTOR, (y) any use, reproduction, or distribution of any release of the Everbridge Mass Notification Service or Software other than the most current release made available to COUNTY, or (z) any modification of the Everbridge Mass Notification Service or Software by any person other than CONTRACTOR.

- 6.2 **LIMITATION OF LIABILITY.** Neither Party shall have any liability to the other Party for any loss of use, interruption of business, lost profits, costs of substitute services, or for any other indirect, special, incidental, punitive, or consequential damages, however caused, under any theory of liability, and whether or not the Party has been advised of the possibility of such damage. Notwithstanding anything in this Agreement to the contrary, in no event shall CONTRACTOR's aggregate liability, regardless of whether any action or claim is based on warranty, contract, tort, indemnification or otherwise, exceed amounts actually paid by COUNTY to CONTRACTOR hereunder during the 12 month period prior to the event giving rise to such liability.

## **7.0 INSURANCE REQUIREMENTS**

### **7.1 Evidence of Coverage:**

7.1.1 Prior to commencement of this AGREEMENT, CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition CONTRACTOR upon request shall provide a certified copy of the policy or policies.

7.1.2 This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. CONTRACTOR shall not receive a "Notice to Proceed" with the work under this AGREEMENT until it has obtained all insurance required and such, insurance has been approved by County. This approval of insurance shall neither relieve nor decrease the liability of CONTRACTOR.

- 7.2 **Qualifying Insurers:** All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by County's Purchasing Officer.

### **7.3 Insurance Coverage Requirements:**

Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this AGREEMENT a policy or policies of insurance with the following minimum limits of liability:

- 7.3.1 **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

- 7.3.2 Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing Services under this AGREEMENT, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.
- 7.3.3 Workers' Compensation Insurance, if CONTRACTOR employs others in the performance of this AGREEMENT, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.
- 7.3.4 Professional liability insurance, if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, CONTRACTOR shall, upon the expiration or earlier termination of this AGREEMENT, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this AGREEMENT.
- 7.4 Other Insurance Requirements:
- 7.4.1 All insurance required by this AGREEMENT shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this AGREEMENT, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of Services under this AGREEMENT.
- 7.4.2 Each liability policy shall provide that County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this AGREEMENT, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.
- 7.4.3 Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees

as Additional Insureds with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance. The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

- 7.4.4 Prior to the execution of this AGREEMENT by County, CONTRACTOR shall file certificates of insurance with County's contract administrator and County's Contracts/Purchasing Division, showing that CONTRACTOR has in effect the insurance required by this AGREEMENT. CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this AGREEMENT, which shall continue in full force and effect.
- 7.4.5 CONTRACTOR shall at all times during the term of this AGREEMENT maintain in force the insurance coverage required under this AGREEMENT and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this AGREEMENT, which entitles County, at its sole discretion, to terminate this AGREEMENT immediately.

## **8.0 RECORDS AND CONFIDENTIALITY**

- 8.1 Confidentiality: CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other Confidential Information (as defined below) received from the County or prepared in connection with the performance of this AGREEMENT, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this AGREEMENT except for the sole purpose of carrying out CONTRACTOR's obligations under this AGREEMENT.

Definition; Protection. As used herein, “Confidential Information” means all information of a Party (“Disclosing Party”) disclosed to the other Party (“Receiving Party”), whether orally, in writing, or by inspection of tangible objects (including, without limitation, documents or prototypes), that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information includes without limitation, any personally identifiable Customer Data, all CONTRACTOR Technology, and either Party’s business and marketing plans, technology and technical information, product designs, reports and business processes. Confidential Information shall not include any information that: (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (iii) was independently developed by the Receiving Party without breach of any obligation owed to the Disclosing Party; or (iv) is received from a third party without breach of any obligation owed to the Disclosing Party. The Receiving Party shall not disclose or use any Confidential Information of the Disclosing Party for any purpose other than performance or enforcement of this Agreement without the Disclosing Party’s prior written consent, unless (but only to the extent) otherwise required by a governmental authority. Each Party agrees to protect the Confidential Information of the other Party with the same level of care that it uses to protect its own confidential information, but in no event less than a reasonable level of care. Without limiting the foregoing, this Agreement and all terms hereof shall be CONTRACTOR’s Confidential Information.

8.2 County Records: When this AGREEMENT expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this AGREEMENT; provided, however, that any data archived on backup tapes in the ordinary course of business shall not be returned. CONTRACTOR shall destroy this archived data as soon as it is feasible but not more than 18 months after the end of the agreement. CONTRACTOR may destroy the data by fully overwriting or destroying the tape. CONTRACTOR is required to submit to County notice indicating how the data was destroyed, date, time, and location.

8.3 Maintenance of Records: CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to Services performed under this AGREEMENT.

8.4 Access to and Audit of Records: Once per calendar year, upon 30 days written notice, County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of CONTRACTOR and its subcontractors related to Services provided under this AGREEMENT. The parties to this AGREEMENT may be subject, at the request of County or as part of any audit of County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this

AGREEMENT for a period of three (3) years after final payment under the AGREEMENT.

## **9.0 NON-DISCRIMINATION**

- 9.1 During the performance of this contract, CONTRACTOR shall not unlawfully discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sex, or sexual orientation. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment are free of such discrimination. CONTRACTOR shall comply with the provisions of the Fair Employment and Housing Act (Government Code, §12900, et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, §7285.0, et seq.).
- 9.2 The applicable regulations of the Fair Employment and Housing Commission implementing Government Code, §12900, et seq., set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations are incorporated into this AGREEMENT by reference and made a part hereof as if set forth in full.
- 9.3 CONTRACTOR shall include the non-discrimination and compliance provisions of the clause in all AGREEMENTs with subcontractors to perform work under the contract.

## **10.0 OVERRIDING CONTRACTOR PERFORMANCE REQUIREMENTS**

- 10.1 Independent Contractor: CONTRACTOR shall be an independent contractor and shall not be an employee of Monterey County, nor immediate family of an employee of County. CONTRACTOR shall be responsible for all insurance (General Liability, Automobile, Workers' Compensation, unemployment, etc.) and all payroll-related taxes. CONTRACTOR shall not be entitled to any employee benefits. CONTRACTOR shall control the manner and means of accomplishing the result contracted for herein.
- 10.2 Minimum Work Performance Percentage: CONTRACTOR shall perform with his own organization contract work amounting to not less than 50 percent of the original total AGREEMENT amount, except that any designated 'Specialty Items' may be performed by subcontract and the amount of any such 'Specialty Items' so performed may be deducted from the original total AGREEMENT amount before computing the amount of work required to be performed by CONTRACTOR with his own organization or per a consortium.
- 10.3 Non-Assignment: CONTRACTOR shall not assign this contract or the work required herein without the prior written consent of COUNTY except in the event that CONTRACTOR merges, is acquired by, or transfers substantially all of its assets.

CONTRACTOR agrees to provide COUNTY with notice of any such merger, acquisition or transfer within 30 days of its occurrence.

- 10.4 Any subcontractor shall comply with all of County of Monterey requirements, including insurance and indemnification requirements as detailed in SAMPLE AGREEMENT.

### **11.0 CONFLICT OF INTEREST**

CONTRACTOR covenants that CONTRACTOR, its responsible officers, and its employees having major responsibilities for the performance of work under the AGREEMENT, presently have no interest and during the term of this AGREEMENT will not acquire any interests, direct or indirect, which might conflict in any manner or degree with the performance of CONTRACTOR'S Services under this AGREEMENT.

### **12.0 COMPLIANCE WITH APPLICABLE LAWS**

- 12.1 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders, including but not limited to all state and federal tax-laws, that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this AGREEMENT. CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices required by law in the performance of the Services.
- 12.2 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.
- 12.3 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations and guidelines that are in force at the time such documentation is prepared.

### **13.0 FORCE MAJEURE**

"Force Majeure" means any cause beyond the reasonable control of a party, including but not limited to acts of God, civil or military disruption, fire, strike, flood, riot, war, or inability due to the aforementioned causes to obtain necessary labor, materials or facilities.

If any party hereto is delayed or prevented from fulfilling its obligations under this AGREEMENT by Force Majeure, said party will not be liable under this AGREEMENT

for said delay or failure, nor for damages or injuries resulting directly from the inability to perform scheduled work due to Force Majeure.

CONTRACTOR shall be granted an automatic extension of time commensurate with any delay in performing scheduled work arising from Force Majeure. CONTRACTOR agrees to resume such work within three (3) days after the Force Majeure has subsided enough to do so.

#### **14.0 RIGHTS AND REMEDIES OF THE COUNTY FOR DEFAULT**

In the case of default by CONTRACTOR, County may procure the articles or services from other sources and may recover the loss occasioned thereby from any unpaid balance due to CONTRACTOR or by proceeding against any performance bond of CONTRACTOR, if any, or by suit against CONTRACTOR. The prices paid by County shall be considered the prevailing market price at the time such purchase(s) may be made. Inspections of deliveries or offers for deliveries that do not meet specifications shall be made at the expense of CONTRACTOR.

#### **15.0 TRAVEL REIMBURSEMENT**

Travel reimbursements shall not exceed the IRS allowance rates as per County of Monterey Travel Policy. A copy of County's Travel Policy is available on the Auditor-Controller's web site at: <http://www.co.monterey.ca.us/auditor/policy.htm>.

#### **16.0 EMERGENCY SITUATIONS**

CONTRACTOR shall provide the name and contact information of a representative who shall be available 24 hours a day, 7 days a week, in the event of an emergency. During the emergency, CONTRACTOR shall provide County with all available supplies, materials, equipment and/or services on a priority basis.

County expects emergency deliveries to occur within 4 hours of order placement and may be required during evenings, weekends, and holidays. Time is of the essence for delivery during emergency situations. Delivery location(s) and estimated arrival will be mutually agreed upon, by County and CONTRACTOR, at time of order and will be determined based on need and existing conditions. It is understood that current conditions, such as power outages, road closures, and damages to CONTRACTOR's facility and/or equipment, will be taken into consideration.

#### **17.0 BACKGROUND CHECKS**

CONTRACTOR shall be required to submit appropriate State level criminal background clearance(s) for all personnel required to work within County facilities that are deemed restricted or high security, including but not limited to the Sheriff's Office, Probation Department, 911 Center, and District Attorney's Office.

17.1.1 A California licensed Investigator must perform the required State level criminal background check(s) which must then be submitted to County prior to the personnel being allowed to work within such County facilities.

17.1.2 CONTRACTOR is responsible for the cost of the State level criminal background check(s).

17.1.3 EXCEPTION: personnel who are designated to provide services at any of the Sheriff's facilities are required to undergo fingerprinting and background checks through the Sheriff's main office, at no cost to CONTRACTOR.

The required background checks SHALL be completed prior to allowing the personnel to work within any of the limited access facilities.

## **18.0 WARRANTY BY CONTRACTOR**

CONTRACTOR shall fully warrant all materials, equipment, and service against poor and inferior quality or workmanship for a period of not less than one (1) year from date of final acceptance by the COUNTY. Time is of the essence of this AGREEMENT. CONTRACTOR shall repair or replace any inoperable materials or equipment in a timely manner during warranty period. THE FOREGOING REPRESENT THE ONLY WARRANTIES MADE BY EVERBRIDGE HEREUNDER AND CONTRACTOR EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

NEITHER CONTRACTOR NOR ITS LICENSORS WARRANT THAT THE EVERBRIDGE MASS NOTIFICATION SERVICE WILL OPERATE ERROR FREE OR WITHOUT INTERRUPTION. WITHOUT LIMITING THE FOREGOING, IN NO EVENT SHALL CONTRACTOR HAVE ANY LIABILITY TO CUSTOMER, USERS, CONTACTS OR ANY THIRD PARTY FOR PERSONAL INJURY (INCLUDING DEATH) OR PROPERTY DAMAGE ARISING FROM FAILURE OF THE EVERBRIDGE MASS NOTIFICATION SERVICE TO DELIVER AN ELECTRONIC COMMUNICATION, HOWEVER CAUSED AND UNDER ANY THEORY OF LIABILITY, EVEN IF CONTRACTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

## **19.0 ACCESSIBILITY**

CONTRACTOR shall inform itself regarding any peculiarities and limitations of the spaces available for the installation of all work and materials furnished and installed under the AGREEMENT. CONTRACTOR shall exercise due and particular caution to determine that all parts of CONTRACTORS work are made quickly and easily accessible.

## **20.0 DAMAGE**

The CONTRACTOR shall be held responsible for any breakage, loss of the COUNTY's equipment or supplies through negligence of the CONTRACTOR or his employee while working on the COUNTY's premises. The CONTRACTOR shall be responsible for restoring/replacing any equipment, facilities, etc. so damaged. The CONTRACTOR shall immediately report to the COUNTY any damages to the premises resulting from services performed under this AGREEMENT.

## **21.0 PROTECTION OF PUBLIC**

CONTRACTOR shall provide adequate warning devices, barricades, guards, flagmen, or other necessary precautions shall be taken by the CONTRACTOR to give advice and reasonable protection, safety and warning to persons and vehicular traffic concerned in the area(s) affected by this AGREEMENT.

## **22.0 GUARANTEE OF MALWARE-FREE GOODS**

All software/hardware purchased must be free of malicious code such as viruses, Trojan horse programs, worms, spyware, etc. Validation of this must be written into the contract. Malicious code or malware (short for malicious software) is defined as software (or firmware) designed to damage or do other unwanted actions on a computer system. Common examples of malware include viruses, worms, Trojan horses and spyware. Viruses, for example, can cause havoc on a computer's hard drive by deleting files or directory information. Spyware can gather data from a user's system without the user knowing it. This can include anything from the web pages a user visits to personal information, such as credit card numbers.

## **23.0 INTELLECTUAL PROPERTY RIGHTS**

All data provided by County belongs to County. All records compiled by CONTRACTOR in completing the work described in this AGREEMENT, including but not limited to written reports, studies, drawings, blueprints, negatives of photographs, graphs, charts, plans, source codes, specifications and all other similar recorded data, shall become and remain the property of County. Use or distribution of County data by

CONTRACTOR is prohibited unless CONTRACTOR obtains prior written consent from County.

For systems hosted or stored on equipment not owned by County, CONTRACTOR shall furnish all data to County upon request by County at any time during the term of this AGREEMENT in a useable format as specified by County and at no additional cost to County.

Notwithstanding anything to the contrary contained in this AGREEMENT, it is understood and agreed that CONTRACTOR shall retain all of its rights in its proprietary information including, without limitation, methodologies and methods of analysis, ideas, concepts, expressions, know how, methods, techniques, knowledge and experience possessed by CONTRACTOR prior to this AGREEMENT.

## 24.0 NOTICES

Notices required to be given to the respective parties under this AGREEMENT shall be deemed given by any of the following means: (1) when personally delivered to County's contract administrator or to CONTRACTOR'S responsible officer; (2) when personally delivered to the party's principle place of business during normal business hours, by leaving notice with any person apparently in charge of the office and advising such person of the import and contents of the notice; (3) 24 hours after the notice is transmitted by FAX machine to the other party, at the party's FAX number specified pursuant to this AGREEMENT, provided that the party giving notice by FAX must promptly confirm receipt of the FAX by telephone to the receiving party's office; or, (4) three (3) days after the notice is deposited in the U. S. mail with first class or better postage fully prepaid, addressed to the party as indicated below.

Notices mailed or faxed to the parties shall be addressed as follows:

## 25.0 LEGAL DISPUTES

CONTRACTOR agrees that this AGREEMENT and any dispute arising from the relationship between the parties to this AGREEMENT, shall be governed and interpreted

by the laws of the State of California, excluding any laws that direct the application of another jurisdiction's laws.

Any dispute that arises under or relates to this AGREEMENT (whether contract, tort, or both) shall be resolved in the Superior Court of California in Monterey County, California.

Subject to Section 3.3, CONTRACTOR shall continue to perform under this AGREEMENT during any dispute.

The parties agree to waive their separate rights to a trial by jury. This waiver means that the trial will be before a judge.

#### Additional Provisions

## Exhibit A- Pre-Qualifications

County of Monterey  
Telephone Messaging & Emergency Notification System

### **Section 2—Pre-qualifications**

**Pre-Qualifications/Licensing:** CONTRACTOR must acknowledge in writing that it meets all of the pre-qualifications and licensing requirements, if required.

Everbridge is qualified and has introduced publish notification functionality to deploy messages by authorized clients to WEA (formerly IPAWS-CMAS). Authorized clients, such as government entities, will need to provide their COG ID (Common Operating Group ID), the Common Name (Logon Name), and the digital certificate provided by FEMA within the settings of the Everbridge system. Once this information has been provided, clients are able to send notifications and include the publish to WEA as a deployment option – or simply target WEA separate from any other target population.

When sending to WEA, additional fields are required (and specified) by FEMA to successfully launch the message. These fields include the Sender Agency Name (text), Event Name (dropdown), Message Status (dropdown), Message Type (dropdown), Message Category (dropdown), Urgency (dropdown), Severity (dropdown), Certainty (dropdown), Expiration Date (date field), Region Code (text), and the Message to the Public (text, max 90 characters). All fields and specifications are designated by FEMA. Once all elements have been provided and the message is sent, the Everbridge system sends a CAP-formatted message to the WEA gateway on the client's behalf to notify the public within their outlined jurisdictional areas.

Everbridge also provides a training mode for WEA notifications whereby clients may train their message initiators on the usage of the WEA functionality without actually sending a message to the WEA gateway.

**Note:** Approval for the use of WEA is conducted by FEMA.

Prospective CONTRACTORs must demonstrate that their proposed service, including all software, is capable of sending and receiving CAP (Common Alerting Protocol) Version 1.2 messages via the IPAWS-Open Platform. Proposed service shall be capable of sending and receiving messages through the same user interface that is used to generate TENS (Telephone Emergency Notification System) messages both in production and training modes.

Yes, Everbridge is able to demonstrate the deployment of CAP-formatted messages to WEA (CMAS) at any time. We maintain both the ability to utilize WEA in a real event (for authorized clients) or in a training mode.

Should clients desire further integration with CAP, Everbridge provides JSON based RESTful API structures to launch notifications based on any CAP message generated within the client environment. These APIs allow clients a great level of flexibility when integrating with internal systems and achieving integration points with Everbridge (for notification launches or contract management) that are not out of the box functionality. Additional details regarding available integration options and our APIs is available as part of the final selection process and under NDA.

County of Monterey  
Telephone Messaging & Emergency Notification System

---

Prospective CONTRACTOR's proposal shall state:

- Date that CONTRACTOR'S proposed service became IPAWS compliant

Everbridge integrates with the CMAS dissemination channel within the IPAWS platform (June 2013). Furthermore, Everbridge is CAP 1.2 compliant (Everbridge began testing in Spring 2012; compliance was achieved in October 2012). However, we do not comply or support all dissemination channels of IPAWS today.

- The full IPAWS capability will be maintained through the life of any service contract and;

To the extent of the current services outlined above, Everbridge will be maintaining this functionality for our clients in future generations of the system. Furthermore, Everbridge will be continually enhancing this functionality as client needs demand or as new generations of CAP are released. Additional information regarding potential future enhancements is not available at this time.

- That CONTRACTOR will update proposed service in a timely fashion and at no cost to County to maintain compatibility with newer versions of the Common Alerting Protocol should the Federal Management Agency create a version to succeed Version 1.2 of the CAP.

Yes, please see the previous Everbridge response.

Exhibit B – Functional Requirements

County of Monterey  
Telephone Messaging & Emergency Notification System

**RFP Appendix A—Functional Requirements**

#	FUNCTIONAL REQUIREMENTS	Response			COMMENTS
		C	N	A	
	<b>General Requirements</b>				
1	CONTRACTOR must state and demonstrate upon request that their system meets Minimum Standards for Emergency Telephone Notification Systems, Document 56-003, published by the National Emergency Number Association (NENA), June 12, 2004.	X			Everbridge complies with and meets Minimum Standards for Emergency Telephone Notification Systems, Document 56-003, published by the National Emergency Number Association (NENA), June 12, 2004.
2	Must support an Application Programming Interface (API) that allows for automatically adding, updating, and removing of users. API must also support custom user fields, subscriptions, and delivery methods.	X			Everbridge has a RESTful API that uses a HTTPS connection to transfer data in real time if desired. Everbridge's Contact API allows clients to integrate our contact record management functionality with existing backend data systems such as LDAP, Active Directory, PeopleSoft, Oracle, Banner, and other SIS platforms. All data fields including custom fields, subscriptions and delivery methods can be imported through the API.
3	Must support the ability for administrators to manually add, edit, and delete message recipients from the system without CONTRACTOR intervention.	X			Monterey County will have full ability to manually manage their own data. No contractor intervention is required for administration of the system.
4	Must include a mechanism to track which user made changes, when changes were made, and include a detailed list of changes.	X			Everbridge maintains a log regarding changes made to the system. All uploads are fully logged showing when changes were made, who made the changes, including a full list of the changes made.
5	Activations do not require CONTRACTOR intervention, such as an operator.	X			Everbridge is accessible through a web portal, mobile application, or web portal. There is no action necessary from Everbridge to broadcast a message. This is completely managed by the county.
6	Must allow users to search for pre-loaded campaigns, maps, and messages using dynamic key word search; searching should not require exact name.	X			Everbridge supports notification templates that can include preloaded messages and settings including mapping settings.

County of Monterey

				dynamic filters, and searches. Everbridge supports "begins with" and "contains" searches that will help produce the desired data.
7	Must be able to generate notifications to listed and unlisted telephone numbers.	X		Everbridge can reach any phone number including phone numbers that require an extension.
8	Must accept a monthly upload of MSAG data provided by County. CONTRACTOR must sign nondisclosure agreement.	X		Everbridge can accept uploads of data at any interval. Everbridge will sign a NDA after review from our legal department, this is a common request and generally does not represent a hurdle to implementation.
9	Must be able to send all messages in multiple languages.	X		<p>Everbridge also supports Text-to-Speech messaging in a foreign language (ability to type a message in a foreign language and have that message delivered in the language with correct message prompts and pronunciation). Everbridge supports the following 13 distinct languages today:</p> <ul style="list-style-type: none"> <li>• Danish</li> <li>• English (U.S and U.K)</li> <li>• French</li> <li>• German</li> <li>• Italian</li> <li>• Japanese</li> <li>• Norwegian</li> <li>• Portuguese</li> <li>• Russian</li> <li>• Spanish (Europe and Latin American)</li> <li>• Swedish</li> </ul> <p>These languages are available at no additional cost. Translating services are not provided due to the types of errors that automatic translations can make (the building is hot vs. the building is on fire). Professional translations should be used for all messages sent.</p>

County of Monterey  
Telephone Messaging & Emergency Notification System

10	Must be able to initiate sessions, activate saved messages, and create new messages from IOS and Android mobile devices as well as Windows and Mac desktop computers.	X		Any authorized user (admin based on permissions) who has internet access can launch a notification from an internet browser. In addition Everbridge has developed a solution to support any Smartphone device called the Everbridge Mobile URL. This Mobile URL can be launched from any web connected device allowing an administrator the ability to deploy a notification quickly and easily from a wide variety of non-standard devices. In addition, Everbridge has developed a series of mobile Apps for IOS and Android devices.
11	Interface must be simple, intuitive, and user friendly.	X		Using the Everbridge system, the entire message creation process is completed in a single screen and is pre-set with default preferences, expediting the time to broadcast a message while reducing human errors. For maximum efficiency, both text messages and voice messages can be created and delivered via the same broadcast. All default settings are controlled by your administrator and do not require vendor assistance. The system was designed to be intuitive and user friendly, ensuring easy message creation.
12	User shall be given the option to record a message at the time of activation (on the fly) or to use a previously recorded message.	X		Everbridge supports the following methods to record a live voice: <ul style="list-style-type: none"> <li>• Record a new message via phone or with a microphone connected to the PC</li> <li>• Call in with a telephone and record a message</li> <li>• Select a pre-recorded voice message</li> <li>• Upload a .WAV file from your computer</li> <li>• Record directly on your mobile phone via our</li> </ul>

Telephone Messaging & Emergency Notification System

					Mobile Member application In addition to including a text-to-speech (TTS) engine which can be used with any notification, Everbridge holds US Patent # 8,149,995 covering the use of text to speech in a notification.
13	All system functionality and components available to users must be utilized through a single application; a single user interface.	X			Everbridge has designed the system to make all functions accessible to account administrators through a single interface portal. This simplifies system management for administrators.
14	Must provide simple, online registration for citizens.	X			The Member Portal is a full self-serve registration and opt-in interface largely under the direct design control of the Client. It is easy to collect opt-in information through this portal.
15	Must provide campaign tracking and time stamp database storage of sent messages for reporting.	X			Everbridge logs every messages sent from the notification platform. This includes a time stamp and tracking for each message.
16	Must be capable of answering machine detection and ability to leave a message.	X			Everbridge can determine whether a phone is answered by a live recipient or an answering machine. This result is logged and will result in the system leaving a message if configured to do so.
17	Must have the ability to resend a message that has been sent and to adjust the targeted audience of the message content.	X			Everbridge allows a message to be easily resent. In this process you can use the same or different recipients (even targeting those that responded or didn't respond to a previous message). The message content can also be adjusted in the case of an update to a situation (update to an incident, all clear, etc.)
18	Must have the ability to resend a message that has been sent and to adjust the targeted audience of the message content. (This is a repeat of # 17 above.)	X			Everbridge allows a message to be easily resent. In this process you can use the same or different recipients (even

County of Monterey  
Telephone Messaging & Emergency Notification System

				targeting those that responded or didn't respond to a previous message). The message content can also be adjusted in the case of an update to a situation (update to an incident, all clear, etc.)
19	Must be able to schedule a notification for a future date and time of delivery.	X		Everbridge allows you to schedule a notification for a time in the future, or to set a recurring broadcast that will occur daily, weekly, monthly, or yearly.
20	Call recipients must be able to replay the message multiple times.	X		Everbridge allows recipients to replay a message after listening to it.
21	Must be able to select geographic areas on an online map in which notifications will be sent.	X		Everbridge has an integrated GIS platform that allows recipients to be selected geographically.
22	Must be able to edit and save a geographic area for future notification.	X		Everbridge allows you to draw, edit and save a geographic area for notification. These areas can be utilized in the future and can be stored in a catalog of shape files.
23	Must be able to exclude individual address(es) from geographic notifications.	X		Everbridge allows an address or subset of addresses to be excluded from a specific notification.
24	Must allow delivery of location only based notifications.	X		Everbridge enables notifications to target contacts based on individuals, groups, rules, or the map. Each can be used in combination with each other or completely independently. This allows delivery based on location only.
25	Must be able to restrict user access to send messages based on jurisdictional areas.	X		Everbridge allows you to restrict user access on a number of criteria. This includes static groups or dynamic groups that are defined as part of the contact management and user roles definitions.
26	The notification system has to provide the means to deliver messages to all devices including: IPAWS, landline, wireless, e-mail, SMS/MMS, and alpha and numeric pagers.	X		Everbridge supports multiple delivery methods for every message that is sent. Everbridge uses a rotational methodology that will seek a confirmation from the individual by

County of Monterey  
Telephone Messaging & Emergency Notification System

					systematically working through the stored contact paths for each person.
27	Must utilize existing shape files for display and notification as well as accept uploads of new GIS files.	X			Everbridge allows shape files to be imported from standard ESRI (SHP/ZIP) or Google (KML) formats.
28	Residents, employees, and constituents must be able to register/add/edit up to five additional persons, such as parents, siblings, spouses, to their account.	X			Everbridge supports potentially an unlimited number of opt-in registrations through our member portal. Each citizen can register up to five addresses and as many contact paths as allowed by your settings.
29	Must not allow individuals to opt out of future emergency notifications.	X			Everbridge gives administrators full control of the notification system. If desired, it is possible in the member portal to prevent information from being removed.
30	Must allow individuals to opt out of non-emergency notifications.	X			Everbridge allows administrators to easily manage subscriptions, this can include the ability to give subscription preferences that include non-emergency notification types.
31	Notifications must include a programmable callback number that allows for up to ten (10) digits but will accept as few as three (3). (e.g., 911)	X		X	Everbridge allows customers to customize the ten digit caller ID that is sent for every notification. A three digit number such as 911 is not accepted for a number of reasons. One major one is that when a person misses a call as a matter of habit they will quickly call it back. This can put undue stress on your 911 operators and cause mass confusion in an already stressful time. Everbridge would be happy to share a decade of experience and best practices for messaging including caller ID and callback number strategy.
32	E-mail notifications shall be able to include attachments (drawings, maps, lists, etc.). Define any limitations and exceptions.	X			Everbridge allows up to five file attachments of 1MB each to be attached to a notification. There are no restrictions on the file type.

County of Monterey  
Telephone Messaging & Emergency Notification System

33	Must allow for the import and export of all message information in a common format. (CONTRACTOR to specify available formats.)	X		Everbridge allows you to use the API to populate message content if desired. Our API utilizes a RESTful JSON based protocol. Message information can be exported through our reporting functionality as a PDF, CSV file, or also through our API.
34	Must include 24/7/365 toll-free, immediate, CONTRACTOR operated technical support phone number for County and other users staffed by on-duty technician who can send messages on our behalf in both English and Spanish.	X		Everbridge has a staffed 24/7/365 toll free support center that is operated by employees. The support center is available to assist with sending notifications if the web interface is not accessible. We do have a linguistically diverse support team, and members have the capability of sending a message in any language supported by our system. It should always be noted that messages should be approved by a native speaker prior to sending the message to prevent confusion.
35	Easily accessible descriptions of data fields in notification entry screen.	X		Everbridge has built in help and support that describes each of the fields of a notification. Our system is designed and built in an intuitive way to ensure easy message creation and sending.
36	Must allow for daily uploads of population data.	X		Everbridge allows for uploads at any interval. This could be anything including weekly, daily, or hourly uploads. Additionally a full contact integration can ensure a live 1-to-1 match of data in your system and the Everbridge system.

Exhibit C – Technical Specifications

County of Monterey  
Telephone Messaging & Emergency Notification System

**RFP Appendix B—Technical Specifications**

#	TECHNICAL SPECIFICATIONS	Response			COMMENTS
		C	N	A	
	<b>General Requirements</b>				
1	Must provide a test environment and test plan.	X			Everbridge can provide a live test environment that can be populated with contact information within a test group. This live test system only differs in the contact database and is a true representation of the environment that administrators will access. Everbridge is willing to help develop a test plan that will ensure the county is prepared to go live.
2	Must do quarterly (or better) updates to GIS mapping.	X			Everbridge subscribes to cloud based mapping services from ESRI, Google and Bing. These systems are updated continuously as changes and additions are made to maps.
3	Must be CONTRACTOR hosted; SAS70 Software as a Service model is required.	X			Everbridge operates exclusively as a SaaS. Our application runs on SOC 2 Tier IV datacenters and has a plan for redundancy failover in the event of a disaster.
4	Must not require on-site hardware.	X			Everbridge requires no on-site hardware or software to be installed. Everything is maintained by Everbridge.
5	Must not require any integration with on-site software or hardware (excluding Web browser).	X			The Everbridge user interface only requires a web browser. There is no specialized software or hardware required to access the system.
6	Must be 100% IPAWS Functional – See Section 7.1 for additional detail.	X			Everbridge complies. Everbridge is certified as a gateway for IPAWS/CMAS. Authorized clients, such as government entities, will need to provide their CUG ID (Common Operating Group ID), the Common Name (Logon Name), and the digital certificate provided by

County of Monterey  
Telephone Messaging & Emergency Notification System

					<p>FEMA within the settings of the Everbridge system. Once this information has been provided, clients are able to send notifications and include the Publish to IPAWS/CMAS as a deployment option - or simply target IPAWS/CMAS separate from any other target population.</p> <p>When sending to IPAWS/CMAS, additional fields are required (and specified) by FEMA to successfully launch the message. These fields include the Sender Agency Name (text), Event Name (dropdown), Message Status (dropdown), Message Type (dropdown), Message Category (dropdown), Urgency (dropdown), Severity (dropdown), Certainty (dropdown), Expiration Date (date field), Region Code (text), and the Message to the Public (text, max 90 characters). All fields and specifications are designated by FEMA. Once all elements have been provided and the message is sent, the Everbridge system sends a CAP-formatted message to the IPAWS/CMAS gateway on the client's behalf to notify the public within their outlined jurisdictional areas.</p> <p>Everbridge also provides a training mode for IPAWS/CMAS notifications, whereby clients may train their message initiators on the usage of the IPAWS/CMAS functionality</p>
--	--	--	--	--	---

County of Monterey  
Telephone Messaging & Emergency Notification System

				without actually sending a message to the IPAWS-CMAS gateway.
7	Must have CMAS capability independent of IPAWS as soon as technology is available in County's area.	X		See response 6.
8	Must be capable of storing contact information of 1 million individuals.	X		Everbridge complies. Customers such as the state of Connecticut and the City of Boston have over 1 million contacts.
9	Must be capable of processing simultaneous activations without call lists being placed into queue for later delivery.	X		Everbridge can send multiple notifications simultaneously to different audiences. The system will not require one broadcast to be completed before the other one begins. Both notifications will occur at the same time.
10	Must be able to send messages via TDD/TTY without the aid of a relay operator.	X		Everbridge fully supports TDD/TTY.
11	Must be able to set TDD/TTY as a global default.	X		TDD/TTY can be set as a default delivery method.
12	Must be provided through a service supported by back-up operations geographically separated and redundant architecture (alternate hosted facility).	X		Everbridge maintains an active-active infrastructure. The redundant infrastructure ensures that the system is available even in the event of a failure. The datacenters are in geographically diverse locations ensuring that a regionalized disaster will not prevent us from sending messages.
13	Must make data available to the County at all times.	X		All data stored in the Everbridge system is continuously available to the county.
14	Must allow County to be able to access and modify data at any time.	X		County administrators can log into the Everbridge system and manage data and settings at any time.
15	County must retain ownership of data; data must be returned to County upon termination of contract.	X		Everbridge will not hold your data hostage if you ever decide to terminate our contract. The county will have a set period to export the data, after this it will be

County of Monterey  
Telephone Messaging & Emergency Notification System

					purged from the system and overwritten or destroyed in line with our data destruction policies.
16	Must retain in progress work after a system timeout due to user inactivity or connection failure.	X			All data in the Everbridge system is stored on our datacenters. Logging out of a workstation or losing connection will not cause any saved work to be discarded.
17	Database must be searchable by any field (phone number, name, street, city, ZIP code, etc.)	X			Everbridge provides an advanced search capability that allows you to search any piece of data that is in the contact database.
18	CONTRACTOR must provide and host a sign-up page. Smartphone app for citizen signups is a desirable feature.	X			Everbridge maintains a member portal that allows for citizen signups. The page is fully accessible from smartphones through the web browser. Everbridge has a recipient application built to receive messages.
19	County must be able to query on any field/fields in the database.	X			Everbridge provides an advanced search capability that allows you to search any piece of data that is in the contact database.
20	Must have customizable fields in the database.	X			Everbridge allows for an unlimited number of custom fields in the database. These fields can contains items such as subscriptions, special needs, specialized skills, and response teams.
21	Must be capable of generating reports of who was contacted, and who was not contacted.	X			Everbridge has a rich advanced reporting feature that allows all fields in the member database and notification history to be used to generate a report. This includes the request of finding who confirmed or didn't confirm a notification.
22	Must be able to provide on-screen reports of all notifications.	X			Everbridge provides on screen reporting of notifications. All notifications can be examined in the user interface. Real-time information is collected in the interface, allowing you to monitor results and to

County of Monterey  
Telephone Messaging & Emergency Notification System

				send follow up information to the appropriate audience at the appropriate time.
23	Maps, databases, saved messages, and reports must remain saved and available on the application until contract is terminated.	X		Everbridge stores up to 18 months of data directly in the user interface. Reports can be exported at any time to contain all data regarding a notification.
24	Full system functionality shall be available to County during all testing and upgrades.	X		Since Everbridge maintains an active-active infrastructure, it is possible for us to perform system upgrades while the system remains online. We can achieve this by upgrading a single datacenter while another handles system load.
25	CONTRACTOR shall ensure that all data is retained, and if necessary, reloaded after any hardware or software upgrades.	X		Everbridge performs all system maintenance, handling the database, upgrades and migrations. This process is seamless and invisible to our customers.
26	Reports must be downloadable in Excel or other common format.	X		Everbridge allows reports to be exported in CSV, Excel, PDF and JSON formats.
27	Reports must be searchable by date range and/or specifics: last 30 days, 7 days, etc.	X		Everbridge provides a near infinite number of filters that can return only the information desired. This can be a date range, type of message, specific content, etc.
28	Reports must be searchable by user (who sent the message) or location of the message.	X		This is a field that can be utilized in the custom reporting within the Everbridge system.
29	Reports must include: Success percentage and the actual number (and define what makes it a "success") as well as failures by percentage and actual number (define failure: network error, busy signal? Etc.). Include the number or count of each type of service: landline, cellular, text, etc.	X		Everbridge provides all this information in addition to the number of each type of contact and their response path. Everbridge considers a "success" as a confirmation of receipt. This is more than reaching a number or an answer machine. A confirmation requires an actual action by the recipient. This will be a response via email or SMS, or a key press

County of Monterey  
Telephone Messaging & Emergency Notification System

					on a phone call. This ensures we have reached an actual contact, and not just placed a successful message.
30	Reports must include: start and stop time, type of message or subject of message, size of the message, success of each service type, who initiated the message.	X			Everbridge includes all this in our reporting functionality. This is just the beginning as we can reference any field in the member database or notification history. Everbridge has a dynamic fully featured reporting engine that ensures you can document your history.
31	Must be able to download report into file of last (specific number of) activations with basic information in a readable format (Excel, Access). Executive Summary reports as well as detailed report levels.	X			Everbridge Mass Notification is capable of tracking message delivery and acknowledgment of receipt. All reporting information is available in real time, as it is collected from the target recipients. Reports are available in HTML, PDF, and CSV formats.
32	Must be able to generate reports by activations by user, location, and/or date.	X			Everbridge provides several levels of real-time reporting. First, our Dashboard provides high level graphical reporting for both in progress and historical notifications. Second, after launching any notification, the Active Notification/Notification History tab is displayed which provides additional graphical high level reporting details for any notification campaign launched. These reports can be investigated further to determine all notification options configured, summary status information (confirmation by status and path) and full delivery details. This information is exportable in CSV and PDF formats. Finally, our Ad-Hoc Reporting provides custom

County of Monterey  
Telephone Messaging & Emergency Notification System

				reporting whereby clients have the ability to define the reports as they see fit. This includes the selection of data fields to include, filtering options, export options (HTML, CSV, PDF), and the ability to save reports for later use.
33	CONTRACTOR reports must include at a minimum: answer, answering machine, busy, ring, no answer, operator intercept, fax, defined Telco network error, etc.	X		Reports can be customized to determine all notification options configured, summary status information (confirmation by status and path) and full delivery details.
34	Can query the database on any field, or any combination of fields, in the database to create lists.	X		Ad-Hoc Reporting provides custom reporting whereby clients have the ability to define the reports as they see fit. This includes the selection of data fields to include, filtering options, export options (HTML, CSV, PDF), and the ability to save reports for later use.
35	Must be able to throttle messages to at variable rates. Please describe.	X		To help ensure notifications are received by the target recipients, Everbridge designed a truly rotational contact methodology which leverages multiple contact delivery paths such as telephone calls, native SMS, IM, and e-mail (and many more). This provides a natural call throttling ability. The system will rotate through each target recipient's devices, individually, and seek confirmation. Once confirmation is received, it is registered with the Everbridge system and no further notifications are deployed to that contact. However, if the contact does not confirm, the Everbridge system rotates to the next available device for the target recipient and attempts to contact them

County of Monterey  
Telephone Messaging & Emergency Notification System

			<p>again, seeking confirmation. This process continues until the contact confirms or until the broadcast duration and/or contact cycles have expired.</p> <p>The rotational contact methodology further allows the Everbridge system to automatically handle the "last mile" issues by simply side-stepping any congested or non-available network(s) and attempting to contact the target recipient on their next available device (potentially on a different network or using a different technology entirely). In addition, this system of rotating through multiple contact paths provides an inherent throttling capability that not only increases reliability of communication streams but also reduces overall congestion on various carrier networks.</p> <p>Finally, for those clients who understand limitations in their internal voice infrastructure (such as a limited number of phone lines available in an office space with a large amount of people), Everbridge offers client definable broadcast throttling capabilities. This allows clients to fully define an unlimited number of global dialing string, and when Everbridge places any calls to these "dialing patterns", the volume of calls simultaneously placed will be throttled based on the client's defined maximum. If a telephone number dialed does not meet the defined</p>
--	--	--	---

County of Monterey  
Telephone Messaging & Emergency Notification System

				<p>throttling pattern, a default throttling volume can be used as a "fall back" - or throttling may be skipped altogether.</p> <p>This blend of rotational delivery and our global throttling flexibility provides our clients with high degrees of flexibility when handling diverse notification target environments and this functionality is not available in any other product on the marketplace.</p>
36	Data of any kind (maps, campaigns, citizen data, reports, saved messages, etc.) must never expire or be removed from the system for any reason by CONTRACTOR without explicit instruction by County until termination of Contract.	X		<p>Maps, citizen data, reports and notification templates do not expire and will not be removed from the system without County Administrator interaction. Notification history is maintained in the system for 18 months.</p>

Exhibit D – Security Requirements

County of Monterey  
Telephone Messaging & Emergency Notification System

**RFP Appendix C—Security Requirements**

#	SECURITY REQUIREMENTS	Response			COMMENTS
		C	N	A	
1	Data must be hosted offsite on secure SSL v3 or higher servers.	X			<p>The SOC Type-II datacenters utilized by Everbridge for the ACT-SaaS production environment provide reliable, secure, and scalable services. Security controls include:</p> <ul style="list-style-type: none"> <li>• On-site security personnel 24/7/365</li> <li>• Indoor and outdoor video surveillance</li> <li>• Automated alarm systems</li> <li>• Employee access controls</li> <li>• Biometric scanners</li> <li>• Security escorts to and from cage or rack</li> <li>• Physical bag search (e.g. purses, etc.)</li> <li>• Laptop computer restrictions and registration</li> <li>• Property passes for removing or introducing hardware</li> </ul>
2	Denote the location where the data will be stored and if it will be replicated elsewhere.	X			<p>Everbridge uses top-tier Century Link CyberCenters that are located in Burbank, CA and Denver, CO. The data centers are maintained in an Active-Active configuration which means that data is continuously replicated between the two, maintaining our multiple data centers in sync with one another.</p>
3	Encrypted username/password with firewall protection. Multifactor authentication recommended for County Administrators.	X			<p>Everbridge requires a 256-bit HTTPS connection to access the platform. All connections are authenticated with a valid username and password.</p>
4	Server must use logging.	X			<p>Everbridge enables active monitoring, intrusion detection, and logging of all events, on all components,</p>

County of Monterey  
Telephone Messaging & Emergency Notification System

				<p>within all tiers of the ACT-SaaS infrastructure. The monitoring tools consist of both network based IDS devices scanning all network traffic, and host-based probes that are designed to detect any activity outside of normal application traffic and performance. If a monitor detects any unusual or suspicious activity, the monitoring tool generates an automated alert that is immediately investigated by our on-call support team. We do not share additional internal system performance information/metrics or client deployment information with any outside party to maintain confidentiality.</p>
5	Denote who will have access to the data.	X		<p>Everbridge employees with backend data system access are granted only the access that they need for a specific purpose. Users are always given the least access that is needed for a specific task. Operating system accounts and platform accounts require changes every 90 days.</p> <p>Account administrators will control who is given access to the system. In some cases this may include Everbridge employees with training or set up roles in the system. These employees may be implementation specialists, trainers, and account managers. County Administrators will control all other Users and their permissions.</p>
6	Product shall support HTTPS.	X		<p>Everbridge requires a 256-bit HTTPS connection to access the platform.</p>

County of Monterey  
Telephone Messaging & Emergency Notification System

7	List controls in place to ensure the safety of stored data. Monitoring by CONTRACTOR for unauthorized activity and timely notification of potential data security breaches; regular security reviews and vulnerability assessments as part of Service Agreement.	X		Everbridge constantly reviews all aspects of the ACT-SaaS infrastructure to ensure that the system monitoring, intrusion detection, and audit logging capabilities are meeting the current security challenges in the marketplace. Should the on-call support team become aware of a breach or issue on the internal Corporate or SaaS network, Everbridge is able to quickly disable any part or the entire infrastructure.
8	Ensure backup of data is not commingled with other customers' data.	X		Everbridge contracts with industry leader Iron Mountain for off-site backups. Prior to transport all client data is encrypted and stored on barcoded media. The media is transported by bonded carriers in locked containers. The media is offloaded inside Iron Mountain's secure warehouse for storage.

## Exhibit E – System Specs - Mass Notification

### Mass Notification

### Overview

Everbridge Mass Notification enables users to send notifications to individuals or groups using lists, locations, and visual intelligence. This comprehensive notification system keeps everyone informed before, during and after all events whether emergency or non-emergency. Discerning customers choose Everbridge Mass Notification for its robust analytics, GIS capabilities, flexible, customizable contact management system and a unique "globally local" approach that makes it simple to notify or manage contacts and/or manage contact data across multiple distributed data stores from a single access point.

- Citizen Protection and Life Safety
- Emergency Response and Management
- Continuity of Operations
- Developing Your Notification Program
- Power outages

WWW.EVERBRIDGE.COM

#### ANTICIPATE, TARGET, COMMUNICATE

- + Intelligent, personalized message delivery is about targeting the individual and not the device. Escalation follows the order of contact preference designated by the recipient and stops once the recipient confirms receipt.
- + GIS-based message targeting to quickly and easily send messages to recipients in a specific geographic region defined by zip code, street address, radius from a specific point, or other attribute. Specify a location with user-friendly drawing tools or even upload shapefiles from other applications for on-the-fly notifications to targeted geographic areas.
- + Support for up to 13 contact paths is included, providing flexibility in broadcasting messages to virtually any communications device, including desktop alerts, in addition to supporting escalation workflow throughout the organization.
- + Build events for one-click sending during incidents. Set up notification templates with pre-determined contact lists and pre-defined messages for faster communications in a crisis.
- + Quickly resend notifications to recipients, or send follow up messages to all or a sub-set of recipients for tracking within the same incident or event.
- + Flexible call-throttling capabilities empower system administrators to configure rules based on their infrastructure's capacity.
- + Segregate your management and operating structure into multiple notification environments. Separating by geography, department/function, country or other criteria provides maximum security and flexibility.
- + Web Posting allows notifications to automatically be published to systems such as: Public Websites, Intranets, Internal Systems, and Social Media.

#### ADVANCED MOBILITY AND CONNECTIVITY

- + Bring the power and security of communications and incident management to mobile devices everywhere, even under adverse network conditions.
- + Support for multi platform smart phones and tablets including Apple® iOS and Android™ devices are provided.
- + Benefit from reporting and analytics with a native interface designed for the operating system of the device.
- + Send notifications with a multiple-choice question with up to nine different responses or "I'm OK" citizen wellness information.

#### GLOBAL READY

- + Personalize your reach to a global audience by broadcasting messages globally, in any language.
- + Multilingual text-to-speech capability enables you truly to localize communications.

- + Globally local call routing increases the delivery speed and volume of voice notifications; your global calls will be initiated using providers that are local to the call recipient.
- + Customized global caller ID enables you send a single notification anywhere in the world with a caller ID can be customized per country and is local and familiar to the call recipient.
- + Store your data locally and securely in your country of preference and comply with the regulatory requirements of that locale.
- + An organization with multiple, distributed data stores does not need to do anything special in order to access or manage this contact data or notify contacts. A unified access point makes the location of data transparent to the user.
- + Designed to meet the highest standards for regulatory requirements and handling of PII worldwide, including encryption of data at rest, if needed.

#### GEO-INTELLIGENT TOOLS

- + Save and organize critical and often-used shapes and boundaries to improve communication speed and accuracy.
- + Create or import regions for one-time use or categorize and store to the Region Library for reuse later.
- + Dynamic search, filtering and targeted alerts allow you to view the locations of special needs populations, subscribers to specific alert types, fire districts, police stations, and more.
- + Load, geo-code and manage contact data within a single interface and in real-time.
- + Search address, location or point of interest and exclude contacts based on location or other attributes.

#### FLEXIBLE, CUSTOMIZABLE CONTACT MANAGEMENT

- + Easily automated bulk, partial and full updates utilizing a secure, industry standard method for data transfer.
- + Update groups and custom fields without compromising information from HR systems.
- + Organize and categorize contact data in a way that is meaningful to your organization.
- + Search or filter contacts on any attribute or combination of attributes within the contact's profile.
- + Easily notify contacts and/or manage contact data across multiple distributed data stores from a single access point.
- + Data can be populated from several sources and geo-coded. 911 data can be kept separate for emergency-only usage.

#### REPORT, ANALYZE, UNDERSTAND

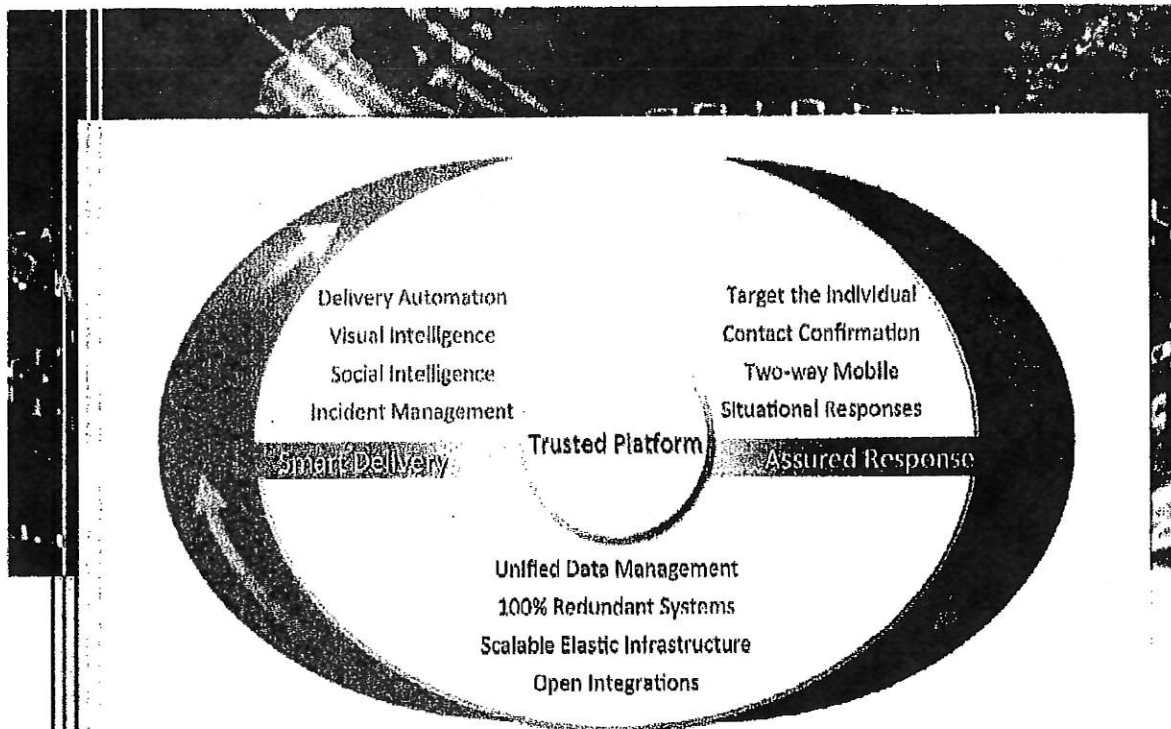

- + Comprehensive, robust analytics and reporting capabilities provide the actionable intelligence needed to enhance your continuity and resiliency, as well as measure your communication program's effectiveness and to continually improve its efficiency.
- + Armed with powerful, accurate incident analyses in real-time, decision-makers are empowered to make changes on-the-fly, leading to better results.
- + Launch frequently requested reports on-the-fly with Quick Reports.
- + Provide summary and detailed after-action reports for continuous improvements as well as management and regulatory compliance.
- + Easily enhance exported reports with off-line creation of pivot tables and cross-referencing.

#### POSITIVE USER EXPERIENCE

- + Comprehensive and intuitive administrator interface to manage settings, limits and defaults.
- + Separate user and contact management that uses role-based access controls.
- + Account and Organizational hierarchy structure.
- + Comprehensive self-service administration.
- + Mass Notification provides branded, customizable profile management portals to administer both publicly available and private (invitation only) opt-in. Both are accessed via a link on your website that directs participants to the opt-in interface.
- + Public and private portals are Section 508 compliant and include field-level view/read/write access controls. The intuitive interface enables recipients to quickly and easily manage their preferences including contact information, locations they care about, alert preferences and more.

#### SUMMARY

Whether you need to immediately contact stakeholders or to manage nonemergency tasks like tests and peak usage, Everbridge's reliable and easy-to-use system keeps everyone up to date. Everbridge offers a single platform for all critical communications, so that you can better protect life and property, meet regulatory requirements, and improve operational efficiencies.

#### The Everbridge Difference

##### Scalability

Everbridge's next generation elastic infrastructure delivers unmatched scale and performance. It incorporates real-time intelligent monitoring of system demand to ensure optimal notification delivery performance. So when spikes in demand occur, the system's architecture seamlessly taps into a near-infinite amount of capacity and processing resources to satisfy all notification delivery needs - without failures or bottlenecks.

##### Patented Innovation

Everyone says that they lead the industry in innovation - but Everbridge has been granted more patents than any other mass communication vendor. These patents underscore Everbridge's vision, industry expertise and technology proficiency in mass communications and reflect the advancements that Everbridge has contributed to the communications industry within the areas of notification systems, geo-notification systems, text-to-speech and speech-to-text notifications.

##### Secure & Compliant

The Everbridge Solutions Suite features a proprietary ACT-SaaS<sup>SM</sup> service, an advanced Software-as-a-Service (SaaS) delivery model on a cloud infrastructure with multiple data centers in active-active configuration. Everbridge is the only incident notification provider to offer this level of security, performance, and availability. Leveraging the benefits of Emergency Notification for Cloud Computing<sup>TM</sup> helps lower the cost and increase the power of communications, provides flexibility, and creates a more secure computing environment without software, hardware, or internal telephone networks to purchase and maintain.

##### About Everbridge

Everbridge provides industry-leading interactive communication and mass notification solutions to organizations in all major industries and government sectors. Everbridge solutions increase connectivity to key audiences, automate communication processes, and integrate recipient feedback, data feeds, and social media in a single communications console. Ultimately, these solutions provide the insight and infrastructure that help clients save lives, manage critical activities and improve the efficiency of daily operations.

### ***Section 5—Pricing (Attachment A) & Warranty***

CONTRACTOR shall complete and submit pricing as per ATTACHMENT A - PRICING SHEET attached hereto.

Please see on the following page Attachment A - Pricing Sheet. We have also included as a supplement a detailed Everbridge price quote which provides a comprehensive overview of the Mass Notification solution inclusions as well as costs.

**Warranty:** CONTRACTOR shall specify the warranty period for the materials and guarantee the workmanship of all items proposed. After the award, the CONTRACTOR shall promptly remedy all defects without cost to the County that may appear within this period. CONTRACTOR shall also specify if extended warranty is available and submit the extended warranty term period and associated cost.

The Everbridge system is a Software as a Service (SaaS) solution that does not require customers to install or manage any hardware or software. As such, it does not lend itself to the provision of a warranty in the traditional sense. Everbridge performs all system updates and maintenance for the life of the contract at no additional charge to the customer.

### Supplemental Notes:

Quote is for an ANNUAL UNLIMITED USE system which includes:

Unlimited use – all contact or call types: Phone (Home, Cell, Work, Other), SMS (SMPP and SMTP), email (multiple accounts per person), TTY/TDD, Member Application (location based notifications) as well as other paths as they become available

Unlimited administrators

Unlimited ongoing training

All system updates

Mass Notification tools

Custom Citizen/Business Opt-In Page design and hosting (provides portal for collecting additional contact paths of citizens and businesses)

This pricing package provides for up to 145,000 households/businesses and up to 5,000 employees or other associated team members as identified by the county.

Everbridge has designed the system to provide interoperable communications for all cities, towns and agencies in the county. As part of that design it is expected various teams (such as CS/IMR personnel, various emergency directors from hospitals and surrounding areas etc) would be included under the notification program.

If the university is considering a system for their unique use it is recognized that any student can opt in through the county opt in portal and identify themselves as a student in order to receive notifications of various types via the system as quoted. It is however suggested that if this is the goal the university consider contracting for its own unique organization or system which would be networked but unique from the county system.

### Benefits of a university specific system:

Custom Caller ID

Custom greeting identifying the university when calling

Custom student opt in page with programs and identifying characteristics unique to student population (such as dorm number, program or other student organization with unique communications needs)

Full SMART University Notification Suite which includes both the Mass Notification (MN) platform as well as the Interactive Visibility (IV) services

The organizations will be able to network their systems if needed. The price offered to the university is discounted off our standard pricing due to the relationship between the two entities. If the university intends to only enter their personnel and students through the opt in process into the county system the price as presented is the correct price.

If the university would like to adopt their own system with the benefits outlined above then the annual fee as presented would increase by \$8,000 providing a system for the 5,000 students. The system will also have unlimited annual use.

## Exhibit G – Q & A's

- Where will my data be stored?

Everbridge uses top-tier Century Link CyberCenters that are located in Burbank, CA and Denver, CO. The data centers are maintained in an Active-Active configuration which means that data is continuously replicated between the two, maintaining our multiple data centers in sync with one another.

- Who will have access to my sensitive data?

Everbridge employees with backend data system access are granted only the access that they need for a specific purpose. Users are always given the least access that is needed for a specific task. Operating system accounts and platform accounts require changes every 90 days. Account administrators will control who is given access to the system. In some cases this may include Everbridge employees with training or set up roles in the system. These employees may be implementation specialists, trainers, and account managers. County Administrators will control all other Users and their permissions.

- What controls do you have in place to ensure safety for my data while it is stored in your environment?

The data centers are maintained in an Active-Active configuration which means that data is continuously replicated between the two, maintaining our multiple data centers in sync with one another.

Everbridge enables active monitoring, intrusion detection, and logging of all events, on all components, within all tiers of the ACTSaaS infrastructure. The monitoring tools consist of both network based IDS devices scanning all network traffic, and host-based probes that are designed to detect any activity outside of normal application traffic and performance. If a monitor detects any unusual or suspicious activity, the monitoring tool generates an automated alert that is immediately investigated by our on-call support team. We do not share additional internal system performance information/metrics or client deployment information with any outside party to maintain confidentiality.

- What type of employee /contractor screening you do, before you hire them?

Everbridge performs a rigorous background check on all Everbridge employees who will have access to technology infrastructure or client data. We use Mega Group Online for background checks, these checks include: Address verification, Social Security number confirmation, Driving records, Courts of General Jurisdiction (Felony index, 7-year scope), Tax Lien and judgment filings (10-year scope), Bankruptcy filings (statewide), Consumer Credit Report summary, Court of General Jurisdiction Civil Records (7-year scope), Education verification (highest degree), Professional license/certificate verification, Employment verification (three prior employers), Criminal misdemeanors (7-year scope). Additionally, all Everbridge employees, prior to employment, are required to submit and pass a drug test. These tests are conducted by Qwest Diagnostics.

- Will my data be replicated to any other datacenters around the world (If yes, then which ones)?

Everbridge uses top-tier Century Link CyberCenters that are located in Burbank, CA and Denver, CO.

- What is your Disaster Recovery and Business Continuity strategy?

Everbridge operates exclusively as a SaaS. Our application runs on SOC2 Tier IV datacenters and has a plan for redundancy failover in the event of a disaster.

- Is your Cloud Computing service SAS70 compliant? - Everbridge operates exclusively as a SaaS. Our application runs on SOC2 Tier IV datacenters and has a plan for redundancy failover in the event of a disaster.

- Do you offer single sign-on for your services?

As an emergency communications tool, the Everbridge service has been designed to ensure clients' ability to access it even under crisis conditions. Any form of Single Sign-On (SSO) that requires validation against a system outside of Everbridge's control introduces a potential point of failure as well as dependencies on the customer's network. If the client's authentication environment is unavailable for any reason, it creates a situation where the emergency communication tool could be unusable. In order to avoid this dependency Everbridge does not currently integrate directly into Active Directory, LDAP, or other Single Sign-On systems.

- How do you detect if an application is being attacked (hacked), and how is that reported to me and my employees?

Everbridge constantly reviews all aspects of the ACT-SaaS infrastructure to ensure that the system monitoring, intrusion detection and audit logging capabilities are meeting the current security challenges in the marketplace. Should the on-call support team become aware of a breach or issue on the internal Corporate or SaaS network, Everbridge is able to quickly disable any part or the entire infrastructure.

We do not share additional internal system performance information/metrics or client deployment information with any outside party to maintain confidentiality.

- Will I have full ownership of my data?

Everbridge will not hold your data hostage if you ever decide to terminate our contract. The county will have a set period to export the data, after this it will be purged from the system and overwritten or destroyed in line with our data destruction policies.

- Will you provide me my data in a readable format – Pdf, Excel, Access? - Everbridge allows reports to be exported in CSV, Excel, PDF and JSON formats.
- Do you offer a way for me to run your application locally and how quickly I can revert to the local installation? - No
- Data Classification: Consider the sensitivity of your data before making a decision of whether or not to put it in the cloud. - N/A
- Encryption: Encrypt sensitive, protected data before placing it in the cloud.

Everbridge contracts with industry leader Iron Mountain for off-site backups. Prior to transport all client data is encrypted and stored on barcoded media. The media is transported by bonded carriers in locked containers. The media is offloaded inside Iron Mountain's secure warehouse for storage.

- Authentication: Consider requiring multifactor authentication for access to cloud computing resources.

Everbridge requires a 256-bit HTTPS connection to access the platform. All connections are authenticated with a valid username and password. - The Everbridge service has been designed to ensure your ability to access it even under crisis conditions. As such, multi-factor authentication (typically implemented as "something you know, and something you have") could prevent users from successfully logging in to send emergency communications when emergency strikes. Everbridge has opted not to provide multi-factor authentication to ensure your emergency communication are available when you need them, no matter what the situation at hand.

- Vulnerability Assessment: Include a requirement for regular security reviews and vulnerability assessments as part of the service level agreement with the provider.

Everbridge shall provide periodic security reviews and vulnerability assessments. See Section 2.1 of Agreement.

- Monitor: Require close monitoring of cloud computing resources by providers for unauthorized activity.

Everbridge constantly reviews all aspects of the ACT-§§§ infrastructure to ensure that the system monitoring, intrusion detection, and audit logging capabilities are meeting the current security challenges in the marketplace. Should the on-call support team become aware of a breach or issue on the internal Corporate or §§§ network, Everbridge is able to quickly disable any part of the entire infrastructure.

- Backup: Ensure that your backup data is not commingled with other customers.

Everbridge contracts with industry leader Iron Mountain for off-site backups. Prior to transport all client data is encrypted and stored on barcoded media. The media is transported by bonded carriers in locked containers. The media is offloaded inside Iron Mountain's secure warehouse for storage.

- Notification: Require providers to provide timely notification of any potential data security breach.

Everbridge maintains a well-defined Incident Response Plan which covers information security breaches, among other things. We take every effort to ensure a client's data is protected from loss or unauthorized access. These efforts encompass network security, hardware security, access privileges, software security using industry-standard procedures, and employee security awareness training. However, in the unlikely event that Everbridge personnel become aware of any compromise in security or client data, Everbridge executes the following procedures:

- Determine the scope of the data compromised and scope of breach
- Report breach description, data compromised, and clients affected
- Contact affected clients via Client Services outreach to established account contacts
- Re-start services, if applicable
- Implement corrective action

- Investigations: Require providers to provide timely assistance in fulfilling investigation and audit requirements.

County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of CONTRACTOR and its subcontractors related to services provided under this AGREEMENT. The parties to this AGREEMENT may be subject, at the request of County or as part of any audit of County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this AGREEMENT for a period of three years after final payment under the AGREEMENT. All data stored in the Everbridge system is continuously available to the County.

## Exhibit H – Everbridge Additional Provisions

### Attachment 1 -Additional Provisions

**1.1 Users.** County shall in its discretion authorize certain employees and contractors of County, all cities, police departments, fire departments, fire agencies, and universities within the County of Monterey to access the Services ("User(s)"). Each User must be bound in writing to confidentiality obligations that are no less restrictive than those set forth herein, and that are sufficient to permit County to fully perform its obligations under this Agreement. County shall cause Users to undergo initial setup and training. County shall be responsible for (i) ensuring that Users maintain the confidentiality of all User login and password information; (ii) ensuring that Users use the Services in accordance with all applicable laws and regulations, including those relating to use of personal information; (iii) any breach of the terms of this Agreement by any User; and (iv) all communications by Users using the Services. County shall immediately notify CONTRACTOR if it becomes aware of any User action or omission that would constitute a breach or violation of any term of this Agreement.

**1.2 County Data.** All electronic data County provides to CONTRACTOR in connection with the use of the Services ("County Data") shall be true, accurate, current and complete, and shall be in a form and format specified by CONTRACTOR. County shall have sole responsibility for the accuracy, quality, integrity, legally, reliability, and appropriateness of all County Data. By purchasing the Services, County authorizes CONTRACTOR to collect, store and process County Data subject to the terms of this Agreement. County shall maintain a copy of all County Data it provides to CONTRACTOR. If County or any User provides any County Data that is untrue, inaccurate, outdated or incomplete, County acknowledges and agrees that any communications sent utilizing the Services may not reach the Intended Contact. County shall prevent unauthorized access to, or use of, the Services, and shall notify CONTRACTOR promptly of any such unauthorized use. CONTRACTOR shall have no liability for any losses, damages, claims, suits or other actions arising out of or in connection with the unauthorized or improper use of the Services on County's hardware or networks. County acknowledges that CONTRACTOR is not responsible for monitoring County or Users' use of the Service to examine the content passing through it, and CONTRACTOR shall have no liability for such content.

**1.3** County shall use the Services solely for its internal business purposes and shall not make the Services available to, or use the Services for the benefit of, any third party except as expressly contemplated by this Agreement. County shall not: (i) copy, modify, reverse engineer, de-compile, disassemble or otherwise attempt to discover or replicate the computer source code and object code provided or used by CONTRACTOR in connection with delivery of the Services (the "Software") or create derivative works based on the Software, the Service or any portion thereof; (ii) merge any of the foregoing with any third party software or services; (iii) use any CONTRACTOR Confidential Information to create a product that competes with the Software; (iv) remove, obscure or alter any proprietary notices or labels on the Software or any portion of the Services; (v) create Internet "links" to or from the Services, or "frame" or "mirror" any content forming part of the Services, other than on County's own Intranets for its own internal business purposes; (vi) use, post, transmit or introduce any device, software or routine which interferes or attempts to interfere with the operation of the Service; or (vii) use the Services in violation of any applicable law or regulation.

**1.4 Reservation of Rights.** Other than as expressly set forth in this Agreement, CONTRACTOR grants to County no license or other rights in or to the Services, the Software or any other proprietary technology, material or information made available to County through the Services or otherwise in connection with this Agreement (collectively, the "CONTRACTOR Technology"), and all such rights are hereby expressly reserved. CONTRACTOR (or its licensors where applicable) owns all rights, title and interest in and to the Services, the Software and any CONTRACTOR Technology, and all patent, copyright, trade secret and other intellectual property rights ("IP Rights") therein, as well as (i) all feedback and other information (except for the County Data) provided to CONTRACTOR by Users, County and Contacts, and (ii) all transactional, performance and derivative data and metadata generated in connection with the Services.

**1.5 County Representations and Warranties.** County represents and warrants that during use of the Service, County shall have primary safety and emergency response procedures including, without limitation, notifying 911 or equivalent fire, police, emergency medical and public health officials (collectively, "First Responders"). County acknowledges and agrees that CONTRACTOR is not a First Responder, and that the Services do not serve as a substitute for County's own emergency response plan, which in the event of an actual or potential threat to person or property, shall include contacting a First Responder. County represents and warrants that all communications utilizing the Services shall be sent by authorized Users, and that the collection, storage and processing of County Data, and the use of the Services, as provided in this Agreement, will at all times comply with (x) County's own policies regarding privacy and protection of personal information; and (y) all applicable laws and regulations, including those related to processing, storage, use, disclosure, security, protection and handling of County Data.

**AMENDMENT #1 TO PROFESSIONAL SERVICES AGREEMENT  
COUNTY OF MONTEREY & EVERBRIDGE, Inc.**

**THIS AMENDMENT** is made to the AGREEMENT for Notification services by and between **EVERBRIDGE, Inc.** hereinafter "CONTRACTOR", and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "County".

**WHEREAS**, the County and CONTRACTOR wish to amend the AGREEMENT for user training on the new notification system and to increase the total amount of the AGREEMENT due to the addition of these training services. This training does not constitute a substantial change to the Agreement.

**NOW THEREFORE**, the County and CONTRACTOR hereby agree to amend the AGREEMENT in the following manner:

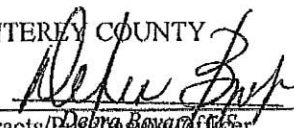

1. Section 4.2 "COMPENSATION AND PAYMENTS" shall be amended by removing, *"The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of \$79,234.00 for year one of the contract and not to exceed the sum of \$73,550.00 for optional renewal years."* and replacing it with *"The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of \$79,234.00 for year one of the contract and not to exceed the sum of \$78,550.00 for optional renewal years."*
2. EXHIBIT A – Prequalifications shall be amended for user training on the notification system as per EXHIBIT A1 Revised per Amendment #1 attached hereto.
3. Except as provided herein, all remaining terms, conditions and provisions of the AGREEMENT are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the AGREEMENT.
4. A copy of the AMENDMENT shall be attached to the original AGREEMENT executed by the County on September 27, 2013.

**AMENDMENT #2 TO PROFESSIONAL SERVICES  
AGREEMENT  
COUNTY OF MONTEREY & Everbridge, Inc.**

**THIS AMENDMENT** is made to the AGREEMENT for Emergency Notification services by and between Everbridge, Inc. , hereinafter "CONTRACTOR", and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as "County".

**WHEREAS**, the County and CONTRACTOR wish to amend the AGREEMENT to add additional services and to increase the total amount of the AGREEMENT due to the addition of services.

**NOW THEREFORE**, the County and CONTRACTOR hereby agree to amend the AGREEMENT in the following manner:

1. Section 4.2, "PAYMENTS BY THE COUNTY" shall be amended effective February 1, 2016, by removing, *"The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of \$79,234.00 for year one of the contract and not to exceed the sum of \$78,550.00 for optional renewal years."* and replacing it with *"The total amount payable by County to CONTRACTOR under this AGREEMENT shall not exceed \$247,268.00 for the term of the AGREEMENT, which is comprised of \$79,234.00 for year one and not to exceed amounts of \$78,550.00 for each additional option year for services rendered pursuant to the Exhibit A1 Scope of Work, and a not to exceed amount of \$15,250.00 for services rendered pursuant to the separate Exhibit A2 Scope of Work,"* Payment for the additional services (only) shall be pursuant to the EXHIBIT B2, attached hereto; EXHIBIT B2 shall supplement, not replace, the existing payment provisions of the existing Agreement as those existing provisions relate to unmodified services.
2. EXHIBIT A – Scope of Services to the original Agreement shall be amended effective February 1, 2016, by adding to the existing services required by the Agreement, not replacing them, with the additional services as per EXHIBIT A2, attached hereto.

Exhibit H – Everbridge Additional Provisions shall be amended effective February 1, 2016, by adding *"CONTRACTOR's product offerings include Community Engagement and Nixle-branded products. The nature of these products involves the transmission of notifications via public forums. As such, the following shall apply with respect to such products: County grants to CONTRACTOR a non-exclusive, royalty free, worldwide and perpetual right and license (including sublicense) to (a) use, copy, display, disseminate, publish, translate, reformat and create derivative works from*

## AMENDMENT #6 TO AGREEMENT #1520-16001

### County of Monterey and Everbridge, Inc.

**THIS AMENDMENT** is made and entered into by and between the County of Monterey, a political subdivision of the State of California (hereinafter “County”) and Everbridge Inc., (hereinafter “CONTRACTOR”).

**WHEREAS**, This Amendment modifies Agreement #1520-16001 for the provision of the Everbridge Messaging and Notification System, from October 8, 2013 through October 7, 2018, and; Amendment #1, and; Amendment #2, and; Amendment #3 from October 8, 2018 through October 7, 2019, and; Amendment #4 from October 8, 2019 through October 7, 2020, and; Amendment #5 from October 8, 2020 through October 7, 2021 (hereinafter, “Original Agreement”); and

**WHEREAS**, the County and CONTRACTOR wish to amend the Original Agreement by **adding eighty-eight thousand eight hundred fifty dollars (\$88,850.00) and extending the agreement retroactively to October 8, 2021 through October 7, 2022** for a revised contract total of **seven hundred eighty thousand three hundred sixty eight dollars (\$780,368.00)**.

**NOW THEREFORE**, the County and CONTRACTOR hereby agree to amend the Original Agreement in the following manner:

1. Section 3.1 of the Original Agreement is amended to read as follows:

**3.1 The term of this Agreement is retroactive to October 8, 2013 through October 7, 2022, unless sooner terminated pursuant to the terms of this Agreement. County is not required to state a reason if it elects not to renew this AGREEMENT.**

2. Section 3.4 of the Original Agreement is amended to read as follows:

**Termination for Convenience by COUNTY. County may terminate this AGREEMENT without cause at any time on thirty (30) days prior written notice; provided, however that it shall not be entitled to a refund of any fees then due and owing. Upon termination, fees for the final invoice shall be pro-rated in accordance with the number of days in that quarter prior to the effective date of the termination.**

3. Section 4.2 of the Original Agreement is amended to read as follows:

**4.2 The total amount payable by County to CONTRACTOR under this Agreement shall not exceed seven hundred eighty thousand three hundred sixty-eight dollars (\$780,368.00) for the term of this Agreement. Payment for the additional services (only) shall be pursuant to the Exhibit B2; Exhibit B2 shall supplement, not replace all other payment provisions.**

4. Section 5.2 of the Original Agreement is amended to read as follows:

**CONTRACTOR shall submit such invoices periodically or at the completion of such services but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the quarter, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. County shall certify the invoice, either in the requested amount or in such other amount as County approves in conformity with this AGREEMENT, and shall promptly submit such invoice to County Auditor-Controller for payment. County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice. The invoicing schedule for the October 8, 2021 through October 7, 2022 contract term shall be as follows:**

Quarter	Dates of Quarter	Invoice Amount	Invoice Date
1	10/8/21 – 1/7/22	\$22,212.50	11/20/2021
2	1/8/22 – 4/7/22	\$22,212.50	1/30/2022
3	4/8/22 – 7/7/22	\$22,212.50	4/30/2022
4	7/8/22 – 10/7/22	\$22,212.50	7/30/2022

Except as provided herein, all remaining terms, conditions and provisions of the Original Agreement are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the Original Agreement.

Salinas, CA 93901

Legistar File Number: RES 21-203

November 16, 2021

Introduced: 11/4/2021

Current Status: General Government -  
Consent

Version: 1

Matter Type: BoS Resolution

Authorize the Auditor-Controller to amend the FY 2021-22 Adopted Budget to increase appropriations by \$435,000 for the County Administrative Office (CAO), Fund 001, Appropriation Unit CAO005, Budget Unit 8541, in support of the Emergency Operations Center (EOC) and ongoing COVID-19 operations throughout the County, funded by release of cannabis assignment (001-3132) (4/5ths vote).

### **..Report**

#### **RECOMMENDATION:**

It is recommended that the Board of Supervisors authorize the Auditor-Controller to amend the FY 2021-22 Adopted Budget to increase appropriations by \$435,000 for the County Administrative Office (CAO), Fund 001, Appropriation Unit CAO005, Budget Unit 8541, in support of the Emergency Operations Center (EOC) and ongoing COVID-19 operations throughout the County, funded by release of cannabis assignment (001-3132) (4/5ths vote).

#### **SUMMARY:**

The Emergency Operations Center (EOC) support of the ongoing COVID-19 emergency has continued into the new fiscal year, with activity levels dropping significantly over the past several months. During the last three months of the prior fiscal year, April through June, expenditures averaged approximately \$7M per month. For the current fiscal year, expenditures have decreased to approximately \$130K per month.

#### **DISCUSSION:**

If this level of activity is sustained, an additional \$435,000 will be needed in appropriations to cover these expenditures through the end of the year. Currently, \$735K in appropriations has been authorized for these operations. When additional funding may be necessary, additional requests will be submitted for review.

#### **OTHER AGENCY INVOLVEMENT:**

The County Administrative Office and Budget Office have reviewed this action. The Budget Committee supported increasing appropriations to continue activities through FEMA's 100% reimbursement eligibility period for the pandemic of December 31, 2021.

#### **FINANCING:**

Staff recommends increasing appropriations by \$435,000 to sustain the current level of pandemic activity and prevent payment delays during the winter and holiday season. EOC will return before the

Budget Committee and Board to request funding for activities for the rest of the fiscal year if FEMA extends the disaster again. FEMA countywide pandemic project submissions total \$24,033,652, of which \$1,014,740 have been obligated and another \$6,098,181 are in the final stage of the FEMA review process.

6. FSZ Application No. 2022-06 - Linda S. De Santiago Living Trust dated December 21, 1998; APNs 165-101-006 and 165-101-008

b. Direct the Clerk of the Board of Supervisors to publish Notice of Public Hearing for the Public Hearing to take place on December 7, 2021 at 10:30 A.M. to consider the six (6) 2022 applications, to create six (6) Farmland Security Zones ("FSZ") and FSZ Contracts.

California Environmental Quality Act (CEQA) Status: Categorically Exempt pursuant to CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, Article 19, Categorical Exemptions, Section 15317 Open Space Contracts or Easements (Class 17 - establishment of agricultural preserves).

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

Set a public hearing for December 7, 2021 at 10:30 a.m. to consider the 2022 Williamson Act applications, to create six (6) Farmland Security Zones ("FSZ") and FSZ Contracts (hereafter, "Applications"). The six (6) total applications being considered this year include one (1) continued application from the previous two years (De Santiago).

### SUMMARY:

Each calendar year, the Board of Supervisors must consider Agricultural Preserve Contracts (AgP) and Farmland Security Zone (FSZ) contract applications pursuant to the Land Conservation Act of 1965. This year, six (6) applications for the creation of FSZs and FSZ Contracts will be considered.

This number includes one (1) continued application from two years ago (FSZ Application No. 2022-06 De Santiago was application FSZ No. 2020-09 in 2019- Board Resolution No. 19-172) and this application was granted a two-year continuance for the property owner to satisfy conditions of approval for a minor subdivision map.

DISCUSSION:

A Williamson Act Land Conservation Contract is an agreement between a property owner and the County whereby the landowner may receive a reduced property tax assessment by agreeing that their property is to be utilized solely for commercial agricultural production of food or fiber and a limited number of “compatible uses”. Williamson Act Contracts are established with an initial twenty (20) year term which renews annually on January 1 of each succeeding year to add one (1) additional year to the term unless notice of nonrenewal is provided.

The Agricultural Preservation Review Committee (APRC) which consists of staff from the Housing and Community Development (HCD) Planning Department, Agricultural Commissioner’s Office, Assessor-Recorder’s Office, and the Office of the County Counsel-Risk Management reviewed the 2022 Williamson Act Applications on October 4, 2021. The Monterey County Agricultural Advisory Committee (AAC) considered the 2022 Williamson Act Applications on October 28, 2021.

Because this item must be set for a noticed public hearing, the December 7, 2021 Staff Report will provide the Board of Supervisors with recommendations from the APRC and the AAC regarding each of the applications. Board action is required to establish, by contract, AgP and FSZ status for those selected applications, to commence in the year 2022, if the subject property meets the criteria pursuant to Board Resolution No. 01-485, as amended by Board Resolution No. 03-383 (Procedures for Agricultural Preserves) (Attachment B) and Board Resolution No. 01-486 (Procedure for the Creation of Farmland Security Zones and Contracts) (Attachment C).

Approximately 797,000 acres of land in Monterey County is presently under Williamson Act contract. The six (6) applications under consideration total 11 parcels and approximately 1,900 acres. Agricultural Preserves are generally comprised of “non-prime” (typically grazing) lands, whereas Farmland Security Zone acreage must be comprised of at least fifty one percent (51%) “predominantly prime” farmland (typically row crop).

The APRC met on October 4, 2021 and the Monterey County AAC met on October 28, 2021 to review the subject applications, which, if approved by the Board, would commence on the January 1, 2022 property tax lien date. Final recommendations by the Committees with detailed analysis and maps of each application will be provided as part of the December 7, 2021 Board of Supervisors report for final action.

Attached to this report is the 2022 Application Matrix (Attachment D) listing the name, acreage and parcel number(s) and General Plan/Area Plan location, for applications submitted, with a large-scale map (Attachment E) showing the general locations of the proposed applications. The public will be informed of the scheduled December 7, 2021 public hearing by way of Countywide noticing through the publication of notice in a newspaper of general circulation. Notice of the Public Hearing will be mailed to the applicant/owners and/or their legal representatives.

OTHER AGENCY INVOLVEMENT:

The APRC and the AAC have reviewed the 2022 Applications, including the one (1) continued application. The APRC and the AAC have made recommendations pursuant to the criteria set forth in Board Resolution No. 01-485, as amended by Board Resolution No. 03-383 (Procedures for Agricultural Preserves) and Board Resolution No. 01-486 (Procedures for the Creation of FSZs).

The APRC and the AAC's recommendations will be provided in the Board Report for the Public Hearing on December 7, 2021.

FINANCING:

In the event that the Board of Supervisors decides to approve the applications and enter into these Contracts at the December 7, 2021 hearing, the assessed valuation of properties placed under said Contracts shall be reduced to their respective restricted values, resulting in a property tax reduction. A full estimate of said reduction will be available in the Board Report for the December 7, 2021 Public Hearing.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The processing of Williamson Act Contract Applications in a timely manner represents the County's effective and timely response to Agricultural Commissioner's and Housing and Community Development customer requests. Additionally, the ability to maintain a Williamson Act Contract provides an economic benefit to the agricultural industry, which is a main economic driver of Monterey County.

Before the Board of Supervisors in and for the  
County of Monterey, State of California

**Resolution No. 03-383:**

Amend Resolution No. 01-485, Amending )  
Procedure for Agricultural Preserves, to )  
include the word "usually" into item no. 1 )  
of "the list of compatible uses within )  
Agricultural Preserves," to read as )  
follows: "The drying, packing or other )  
processing of an agricultural commodity )  
usually performed on the premises where )  
it is produced." )

WHEREAS, the Board of Supervisors recognizes a clerical error that inadvertently omitted the word "usually" in item no. 1 of the County's list of compatible uses within Agricultural Preserves found in Resolution No. 01-485 approved by the Board on December 11, 2001, and

WHEREAS, the Board of Supervisors recognizes that by re-inserting the word, the list of Board-approved Agricultural Preserve compatible uses will be consistent with the Farmland Security Zone compatible uses found in Resolution No. 01-486 that was also approved by the Board on December 11, 2001.

NOW, THEREFORE, BE IT RESOLVED THAT the Board of Supervisors amends Resolution No. 01-485, Amending Procedure for Agricultural Preserves, to include the word "usually" into item no. 1 of "the list of compatible uses within Agricultural Preserves," to read as follows:

**"The drying, packing or other processing of an agricultural commodity usually performed on the premises where it is produced."**

**Resolution No. 01-485 --** )  
Amending Procedure for )  
Agricultural Preserves . . . . . )

1. Applications, an original and four copies, to establish agricultural preserves, shall be filed with the Clerk of the Board of Supervisors on forms provided by said Clerk. Said application and copies shall be filed on or before **September 15th** of each year. The application shall set forth the identity of the owners of the property located within the proposed preserve, a legal description of the property together with Assessor's parcel number or numbers, the size or acreage of the property, and shall have attached thereto a Title Company Lot Book Report which said report shall contain a plat or map of the property accurately showing the exterior boundaries thereof. The application shall also show that the property is being used for commercial agricultural purposes and uses compatible therewith and shall show the rental history or income and expense history for the past three years. The application shall further state that the applicant and the owners request that appropriate steps be taken to reclassify said property into an appropriate agricultural zoning district and that the applicant and the owners desire to enter into a Land Conservation Contract with the County which qualifies as an "enforceable restriction" as that term is used in Revenue and Taxation Code Section 422.
2. The application shall be accompanied by non-refundable fee of \$200.00 provided, however, where the application or applications are to place more than one parcel of property under separate ownerships into one preserve the fee shall be \$200.00 plus \$50.00 for each additional parcel over one under separate ownership.

3. When filed, within ten (10) days of filing, the Clerk shall forward a copy of the application, together with a transmittal memo indicating the date filed, and whether the application was timely filed, to the Assessor, to the Director of Planning and Building Inspection, to the County Counsel, and to the Agricultural Commissioner and/or their designees for their recommendations. The Director of Planning shall submit a report as required by Section 51234 of the Government Code.
4. The Clerk of the Board of Supervisors shall place the matter upon the agenda of the Board of Supervisors. If the Board determines that said application should be granted, the Clerk shall give notice in accordance with the provisions of California Government Code Sections 51230 and 51233.
5. The Board will establish agricultural preserves by resolution. Said resolution shall contain a finding of authorized uses which are compatible with the agricultural uses within the preserve and shall also contain any uniform rules to be adopted for the administering of the preserve.
6. Upon filing the application, the owners of land within the proposed agricultural preserve shall file a request with the Clerk of the Board of Supervisors to enter into a land conservation contract with the County.
7. The Board by resolution shall authorize and direct the Chair of the Board of Supervisors to sign land conservation contracts with the owners of any land within the agricultural preserve.
8. It shall be the policy of the County to establish preserves where qualifications have been met and there is reasonable certainty that contracts will be concluded within a reasonable length of time.
9. It shall also be the policy of this Board to enter into land conservation contracts (a) which provide for a minimum effective period of 20 years; (b) which restrict the use of land to commercial agricultural uses and to uses compatible therewith stated in the agreement; (c) which provide that such contract may not be canceled prior to the date of expiration by their own terms except as provided in said Land Conservation Act, and (d) which also provide for the payment of deferred taxes to the County, unless waived by the Board of Supervisors with the approval of the Secretary of the Resources Agency after the Board's determination that continuation of the contract conditions would seriously jeopardize public health or safety, and upon such cancellation the payment of the same amount and in the same manner as provided by Sections 51283 and 51283.1 of the Government Code.
10. It is further the policy of this Board to provide in such contracts that they shall be effective on the last day of December, prior to the lien date of January first, of the succeeding year, that each shall provide for automatic annual renewal for a period of one year unless notice of non-renewal is given as provided by Section 51245 of

the Government Code. All land conservation contracts and notices of non-renewal thereof shall be recorded by the County. Such contracts shall be binding upon all subsequent transferees of any interest in the real property subject thereto.

11. It is further the policy of this Board to approve only agricultural preserves and land conservation contract applications meeting the following conditions:
  - a. If located within one mile of a city, said city neither protests the establishing of the preserve nor the execution of the contract.
  - b. Land Use. To be considered for inclusion in an agricultural preserve, land must have a recent history of use primarily for the production of food and fibre products for commercial purposes. Use for the production of such products for three out of the last five years shall be required, unless a bona fide commitment to such use is clearly evidenced by shorter use after a material change of circumstances, such as in the case of substantial capital investment to improve previously unimproved property for agricultural purposes or recent availability of agricultural water. "Commercial purposes" shall be interpreted to require that most products produced thereon are sold in normal marketing channels.
  - c. Minimum size and gross income. Applications for establishment of an agricultural preserve will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains 100 or more acres and shall have had an annual gross income during three of the last five years from the production of animals and/or unprocessed agricultural plant products of not less than \$8,000.00, or in the case of recently improved lands, have a potential during the next succeeding year of producing a gross income of \$8,000.00 from the production of animals and/or unprocessed agricultural plant products, provided, however, the Board of Supervisors will consider establishing agricultural preserves of less than 100 acres, but of 40 or more acres if it finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprises in the area and that the establishment of preserves of less than 100 acres is consistent with the general plan of the County.
  - d. Compatible Uses. Compatible uses permitted on lands within an established "agricultural preserve":
    1. Shall not be in conflict or inconsistent with or in violation of the basic underlying zoning applicable to the property;
    2. Shall be particularly specified and included in the resolution establishing any preserve; and

3. Shall be reviewed by the Agricultural Preserve Committee for each proposed contract and said Committee shall recommend appropriate adjustments.

PASSED AND ADOPTED this 11th day of December 2001, upon motion of Supervisor Calcagno, seconded by Supervisor Potter, and carried by the following vote, to-wit:

AYES: Supervisors Armenta, Calcagno, Johnsen and Potter.

NOES: None.

ABSENT: Supervisor Pennycook.

I, SALLY R. REED, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof at page -- of Minute Book 70, on December 4, 2001.

### SUMMARY OF AGRICULTURAL PRESERVE CONTRACT REQUIREMENTS

(Excerpts from Government Code Sections 51230, 51233, 51234, 51243 (a, b) 51243.5, 51244, 51244.5, Resolution No. 80-529; Resolution No. 99-454).

The Land Conservation Act of 1965, as amended, (Government Code, title 5, Division 1, Part 1, Chapter 7), authorizes counties to establish agricultural preserves; and

The purpose of this Act is to maintain the agricultural economy of California by providing an incentive to continue the agricultural use of land; and

The Board of Supervisors of Monterey County finds that it can assist in maintaining the agricultural economy of California by establishing agricultural preserves and entering into land conservation contracts as authorized by said Act.

The Agricultural Preservation Review Committee consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, Planning & Building Inspection Department shall be responsible for reviewing the following in order to consider the establishment of an Agricultural Preserve Contract:

#### Establishment of Agricultural Preserve Contract

- I. Application
  - A. Original and three copies of application
  - B. Filed on or before **September 15th**
  - C. Name and address of each property owner
  - D. Legal description of the property
  - E. Size (area) of property
  - F. Assessor Parcel Numbers
  - G. Title report containing plot or map
  - H. Indicate current commercial agricultural use and all other uses
  - I. Reclassification request, if required
  - J. History of Income & Expense

## II. Qualifications

- A. Areas of 100 acres or more, or group of contiguous parcels (Gov't. Code Sec. 51230) and
- B. Annual gross income during three of the last five years from production of animals and/or unprocessed agricultural plant products of not less than \$8,000.00 (Res. 80-529, Para 11 (c)).
- C. Areas of less than 100 acres, but of 40 or more acres if necessary to preserve the unique characteristics of the agricultural enterprise, (Gov't Code Sec. 51230, Res. 80-529. Para 11 (c) and
- D. Is consistent with the County General Plan. (Gov't Code Section 51234.)
- E. Land has been used for production of food and fibre products for three of last five years. (Res. 80-529, Para 11 (c).)
- F. Recently improved lands shall have the potential of a gross \$8,000.00 income the next succeeding year. (Res. 80-529, Para 11 (c).)
- G. If within one mile of a city, that city has not or will not protest the preserve or contract. (Gov't Code Sections 51233, 51243.5.)
- H. The property is zoned an appropriate agricultural designation, or that the proper reclassification be requested at the time the contract is applied for. (Res. 80-529, para 1)

### Procedure to make New Contracts

The owner of land applies to the Board of Supervisors on or before **September 15** of each year. The application identifies the owners of the property and, besides a legal description, sets forth a size or acreage of the property. A map accurately showing the exterior boundaries of the property also accompanies the application.

The application should show the rental history or income and expense history of the land for commercial agricultural purposes for the last three (3) years. The owners must also request that property be rezoned into an appropriate district. (Resolution No. 80-529, para 1.)

The application is submitted together with a nonrefundable \$200.00 fee plus \$50.00 for each additional parcel over one under separate ownership (Resolution No. 80-529, para 2.). Within ten (10) days of filing, the Board Clerk forwards the application, together with a

transmittal memo indicating the date received, and whether the application was timely filed, to the Agricultural Preservation Review Committee, consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, and Planning and Building Inspection Department within thirty (30) days. The Committee reports on whether the agricultural preserve is consistent with the general plan. (Government Code Section 51234, Resolution No. 80-529, para 3.)

The application is to restrict land by contract within an agricultural preserve. The agricultural preserve may include several ownerships. To be considered for inclusion in an agricultural preserve, land must have recent history of use primarily for the production of food and fiber for commercial purposes. An application for the establishment of an agricultural preserve will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains one hundred (100) or more acres (Government Code Section 51230) and shall have had an annual gross income during three (3) of the last five (5) years of not less than eight thousand dollars (\$8,000). (Resolution No. 80-529, paragraph 11 (c).)

The Board of Supervisors will consider establishing agricultural preserves of less than one hundred (100) but more than forty (40) acres if it finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprise. (Resolution No. 80-529, paragraph 11 (c).) For example, specialty crops.

The owner of the land files an application for the establishment of an agricultural preserve and at the same time files an application to enter into an agricultural land conservation contract. This may be in a new agricultural preserve or in the enlargement of an existing preserve.

The Board, by resolution, establishes agricultural preserves and authorizes the Chair of the board to sign all contracts within the preserve. (Resolution No. 80-529; paragraphs 5, 6, 7.) The Board also establishes compatible uses permitted on lands within an established "agricultural preserve" and this list is appended to each contract. (Resolution No. 80-529, paragraph 11 (d).)

#### What compatible uses are permitted for an Agricultural Preserve Contract

"Compatible use" is defined in the statute, Section 51201 (e) as follows:

"(e) 'Compatible use' is any use determined by the County or City administering the preserve pursuant to Section 51231 or Section 51238 or by this act to be compatible with the agricultural, recreational, or open-space use of land within the preserve and subject to contract. 'Compatible use' includes agricultural use, recreational use or open-space use unless the Board or Council finds after notice and hearing that such use is not compatible with the agricultural, recreational or open space use to which the land is restricted by contract pursuant to this chapter."

The list of compatible uses within Agricultural Preserves approved by the Board follow:

1. The drying, packing or other processing of an agricultural commodity performed on the premises where it is produced.
2. Structures necessary and incidental to the agricultural use of the land.
3. Single family dwellings incidental to the agricultural use of the land for the residence of the owner, and the family of the owner. Single family dwellings incidental to the agricultural use of the land for the residence of the lessee of the land and the family of the lessee.
4. Dwellings for persons employed by owner or lessee and the family of the employee or lessee incidental to the agricultural use of the land.
5. An aircraft landing strip incidental to the agricultural use of the land.
6. The erection, construction, alteration or maintenance of gas, electric, water or communication utility facilities.
7. The erection, construction, alteration or maintenance of radio, television or microwave antennas, transmitters and related facilities.
8. Public or private hunting of wildlife or fishing.
9. Public or private hunting clubs and accessory structures.
10. Public or private rifle and pistol practice range, trap or skeet field, archery range or other similar use.
11. Public or private riding or hiking trails.
12. Removal of natural materials.
13. Disposal site for oil field wastes, provided that any such use shall be made only in accordance with the use permit and other permits issued by the County of Monterey and the California Regional Water Quality Board and such other governmental authority as may have jurisdiction over this use.

"Wastes received (discharged) at the site have been, and will continue to be, limited to petroleum and oil field wastes, such as muds, oily water, tank bottom wastes, and brine waters."

*Before the Board of Supervisors in and for the  
County of Monterey, State of California*

Resolution No. 01-486 --- )  
Amending Procedure for the Creation of )  
Farmland Security Zones and Contracts. )

WHEREAS, the Land Conservation Act of 1965, as amended, (Government Code, title 5, Division 1, Part 1, Chapter 7), authorizes counties to establish agricultural preserves; and

WHEREAS, urgency legislation (SB 1182, Statutes of 1998, Chapter 353, Chaptered 8/24/98) amended the Land Conservation Act of 1965, commonly known as the Williamson Act, to authorize the creation of Farmland Security Zones;

WHEREAS the purpose of this Act is to maintain the agricultural economy of California by providing an incentive to continue the agricultural use of land; and

WHEREAS, the legislature of the State of California finds and declares that it is desirable to expand options available to landowners for the preservation of agricultural land, and has enacted urgency legislation for the establishment of farmland security zones (Government Code Section 51296);

WHEREAS, the Board of Supervisors of Monterey County finds that it can assist in maintaining the agricultural economy of California by creating farmland security zones and entering into farmland security zone contracts as authorized by said Act.

WHEREAS, the Board of Supervisors has considered the Environmental Review through the Initial Study process and determined that the amendment of the procedures would have no potential for significant impact upon the environment.

NOW, THEREFORE, BE IT RESOLVED that the following procedures shall be used in the County of Monterey for initiating, filing and processing requests to create farmland security zones:

1. Applications, an original and four copies, to create farmland security zones for existing agricultural preserves, shall be filed with the Clerk of the Board of Supervisors on forms provided by said Clerk. For new Farmland Security Zones, said Applications shall be accompanied by Applications, an original and four copies, to establish agricultural preserves, which shall also be filed with the Clerk of the Board of Supervisors on forms provided by said Clerk. Said application or applications and copies shall be filed on or before September 15th of each year. The application(s) shall set forth the identity of each and every owner of the

property located within the proposed preserve and/or farmland security zone, a legal description of the property together with Assessor's parcel number or numbers, the size or acreage of the property. The application(s) shall have attached thereto a Title Company Lot Book Report which said report shall contain a plat or map of the property accurately showing the exterior boundaries thereof. The application(s) shall also show that the property is being used for commercial agricultural purposes and uses compatible therewith and shall show the rental history or income and expense history for the past three years. The application(s) shall further state that the applicant and each of the owner(s) expressly request(s) that appropriate steps be taken to reclassify said property into an appropriate agricultural zoning district and that a Farmland Security Zone be created, that the applicant and the owners desire to rescind an existing Land Conservation Contract or enter into a Land Conservation Contract and rescind said Land Conservation Contract, in order to simultaneously rescind the Land Conservation Contract, create a Farmland Security Zone and enter into a Farmland Security Zone Contract which qualifies for property tax valuation pursuant to Section 423.4 of the Revenue and Taxation Code and Government Code Section 51296.2, as may be amended from time to time.

2. The application shall be accompanied by non-refundable fee of \$200.00 provided, however, where the application or applications are to place more than one parcel of property under separate ownerships into one preserve the fee shall be \$200.00 plus \$50.00 for each additional parcel over one under separate ownership.
3. When filed, within ten days of filing, the Clerk shall forward a copy of the application(s), together with a transmittal memo indicating the date filed, and whether the application(s) are timely filed, to the Assessor, to the Director of Planning, to the County Counsel, and to the Agricultural Commissioner and/or their designees for their recommendations. The Director of Planning shall submit a report as required by Section 51234 of the Government Code.
4. The Clerk of the Board of Supervisors shall place the matter upon the agenda of the Board of Supervisors. If the Board determines that said application(s) should be granted, the Clerk shall give notice in accordance with the provisions of California Government Code Sections 51230 and 51233.
5. The Board will establish agricultural preserves, and/or Farmland Security Zones, by resolution. Said resolution shall contain a finding of authorized uses which are compatible with the agricultural uses within the preserve or Farmland Security Zone and shall also contain any uniform rules to be adopted for the administering of the preserve and/or Farmland Security Zone.
6. Upon filing the application, the owners of land within the proposed agricultural preserve and/or Farmland Security Zone, shall file a request with the Clerk of the Board of Supervisors to enter into a land conservation contract and/or Farmland Security Zone Contract, as applicable, with the County.

7. The Board by resolution shall authorize and direct the Chair of the Board of Supervisors to sign land conservation contracts and/or Farmland Security Zone contracts with the owners of any land within the agricultural preserve and/or Farmland Security Zone, as applicable.
8. It shall be the policy of the County to establish preserves and/or Farmland Security Zones, where qualifications have been met and there is reasonable certainty that contracts will be concluded within a reasonable length of time.
9. It shall also be the policy of this Board to enter into Land Conservation, and/or Farmland Security Zone contracts, as applicable, (a) which provide for a minimum effective period of 20 years; (b) which restrict the use of land to commercial agricultural uses and to uses compatible therewith stated in the agreement; (c) which provide that such contract may not be canceled prior to the date of expiration by their own terms except as provided in said Land Conservation Act and/or Farmland Security Zone, and (d) which also provide for the payment of deferred taxes to the County, unless waived by the Board of Supervisors with the approval of the Secretary of the Resources Agency after the Board's determination that continuation of the contract conditions would seriously jeopardize public health or safety, and upon such cancellation the payment of the same amount and in the same manner as provided by Section 51283 of the Government Code.
10. It is further the policy of this Board to provide in such contracts that they shall be effective on the last day of December, prior to the lien date of January first, of the succeeding year, that each shall provide for automatic annual renewal for a period of one year unless notice of non-renewal is given as provided by Section 51245 of the Government Code. All land conservation and/or Farmland Security Zone contracts and notices of non-renewal thereof shall be recorded by the County. Such contracts shall be binding upon all subsequent transferees of any interest in the real property subject thereto.
11. It is further the policy of this Board to approve only agricultural preserves and land conservation contract and/or Farmland Security Zone applications and contracts meeting the following conditions:
  - a. If located within one mile of a city, said city neither protests the establishing of the preserve nor the execution of the contract. If located within a sphere of influence of a city, the creation of the Farmland Security Zone within the sphere of influence has been expressly approved by resolution by the city with jurisdiction within the sphere.
  - b. Land Use. To be considered for inclusion in an agricultural preserve and or Farmland Security Zone, land must have a recent history of use primarily for the production of food and fibre products for commercial purposes. Use for

the production of such products for three out of the last five years shall be required, unless a bona fide commitment to such use is clearly evidenced by shorter use after a material change of circumstances, such as in the case of substantial capital investment to improve previously unimproved property for agricultural purposes or recent availability of agricultural water. "Commercial purposes" shall be interpreted to require that most products produced thereon are sold in normal marketing channels.

- c. Minimum size and gross income. Applications for establishment of an agricultural preserve, and/or Farmland Security Zone as applicable, will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains 100 or more acres and shall have had an annual gross income during three of the last five years from the production of animals and/or unprocessed agricultural plant products of not less than \$8,000.00, or in the case of recently improved lands, have a potential during the next succeeding year of producing a gross income of \$8,000.00 from the production of animals and/or unprocessed agricultural plant products, provided, however, the Board of Supervisors will consider establishing agricultural preserves and/or creating Farmland Security Zones as applicable, of less than 100 acres, but of 40 or more acres if it finds that smaller preserves and/or Farmland Security Zones as applicable, are necessary due to the unique characteristics of the agricultural enterprises in the area and that the establishment of preserves and/or Farmland Security Zones of less than 100 acres is consistent with the general plan of the County.
- d. Compatible Uses. Compatible uses permitted on lands within an established "agricultural preserve" and/or "Farmland Security Zone":
  - 1. Shall not be in conflict or inconsistent with or in violation of the basic underlying zoning applicable to the property;
  - 2. Shall be particularly specified and included in the resolution establishing any preserve and/or Farmland Security Zone;
  - 3. Shall be reviewed by the Agricultural Preserve Committee for each proposed contract and said Committee shall recommend appropriate adjustments.
  - 4. Shall not be based on the compatible use provisions contained in Government Code Section 51238.1(c). (Government Code Section 51296.7).
- e. Prime Agricultural Land. Applications for Farmland Security Zones shall not be considered unless the property is predominantly prime agricultural land as defined in Government Code Section 51201(c), or designated on the Important Farmland Series Maps, prepared pursuant to Government Code Section 65570 as predominantly one or more of the following: (1) prime

farmland; (2) farmland of statewide significance; (3) unique farmland; (4) farmland of local importance.

- f. The property is not enforceably restricted pursuant to the Open-Space Easement Act of 1974 (commencing with Government Code Section 51070).

PASSED AND ADOPTED this 11<sup>th</sup> day of December, 2001, upon motion of Supervisor Calcagno, seconded by Supervisor Potter, and carried by the following vote, to-wit:

  - A. Areas of 100 acres or more, or group of contiguous parcels (Gov't. Code Sec. 51230) and
  - B. Annual gross income during three of the last five years from production of animals and/or unprocessed agricultural plant products of not less than \$8,000.00 (Res. 80-529, Para 11 (c)).
  - C. Areas of less than 100 acres, but of 40 or more acres if necessary to preserve the unique characteristics of the agricultural enterprise, (Gov't Code Sec. 51230, Res. 80-529, Para 11 (c) and
  - D. Is consistent with the County General Plan. (Gov't Code Section 51234.)
  - E. Land has been used for production of food and fibre products for three of last five years. (Res. 80-529, Para 11 (c).)
  - F. Recently improved lands shall have the potential of a gross \$8,000.00 income the next succeeding year. (Res. 80-529, Para 11 (c).)
  - G. If within one mile of a city, that city has not or will not protest the preserve or contract. (Gov't Code Sections 51233, 51243.5.). If located within a sphere of influence of a city, the creation of the Farmland Security Zone within the sphere of influence has been expressly approved by resolution by the city with jurisdiction within the sphere.
  - H. The property is zoned an appropriate agricultural designation, or that the proper reclassification be requested at the time the contract is applied for. (Res. 80-529, para 1)
  - I. Compatible Uses. Compatible uses permitted on lands within an established "agricultural preserve" and/or "Farmland Security Zone": (1) Shall not be in conflict or inconsistent with or in violation of the basic underlying zoning applicable to the property; (2) Shall be particularly specified and included in the resolution establishing any preserve and/or Farmland Security Zone; (3) Shall be reviewed by the Agricultural Preserve Committee for each proposed contract

and said Committee shall recommend appropriate adjustments. (4) Shall not be based on the compatible use provisions contained in Government Code Section 51238.1(c). (Government Code Section 51296.7).

- J. Prime Agricultural Land. Applications for Farmland Security Zones shall not be considered unless the property is predominantly prime agricultural land as defined in Government Code Section 51201(c), or designated on the Important Farmland Series Maps, prepared pursuant to Government Code Section 65570 as predominantly one or more of the following: (1) prime farmland; (2) farmland of statewide significance; (3) unique farmland; (4) farmland of local importance.
- K. The property is not enforceably restricted pursuant to the Open-Space Easement Act of 1974(commencing with Government Code Section 51070.

#### Procedure to make New Contracts

The owner of land applies to the Board of Supervisors on or before September 15th of each year. The application identifies each of the owners of the property and, in addition to a legal description, sets forth the size or acreage of the property. A map accurately showing the exterior boundaries of the property also accompanies the application.

The application should show the rental history or income and expense history of the land for commercial agricultural purposes for the last three (3) years. The owners must also expressly request that the property be rezoned into an appropriate district and that a Farmland Security Zone be created.

The application is submitted together with a nonrefundable \$200.00 fee plus \$50.00 for each additional parcel over one under separate ownership. The Board Clerk forwards the application (together with a transmittal memo indicating the date the application(s) is/are received, and whether the application(s) is/are timely filed), to the Agricultural Preservation Review Committee, consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, and Planning and Building Inspection Department within ten (10) days. The Committee reports on whether the agricultural preserve is consistent with the general plan. (Government Code Section 51234, Resolution No. 80-529, para 3.)

The application(s) is/are to restrict land by contract within an agricultural preserve and/or Farmland Security Zone as applicable. The agricultural preserve may include several ownerships. To be considered for inclusion in an agricultural preserve and/or Farmland Security Zone as applicable, land must have recent history of use primarily for

the production of food and fiber for commercial purposes. An application for the establishment of an agricultural preserve, and/or creation of a Farmland Security Zone as applicable, will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains one hundred (100) or more acres (Government Code Section 51230) and shall have had an annual gross income during three (3) of the last five (5) years of not less than eight thousand dollars (\$8,000). (Resolution No. 80-529, paragraph 11 (c).)

The Board of Supervisors will consider establishing agricultural preserves and/or creating Farmland Security Zones as applicable, of less than one hundred (100) but more than forty (40) acres if it finds that smaller preserves, and/or Farmland Security Zones as applicable, are necessary due to the unique characteristics of the agricultural enterprise. (Resolution No. 80-529, paragraph 11 (c).) For example, specialty crops.

The owner of the land files an application for the creation of a Farmland Security Zone and at the same time files an application to enter into a Farmland Security Zone contract. This may be in a new Farmland Security Zone or in the enlargement of an existing preserve and/or Farmland Security Zone as applicable.

The Board, by resolution, establishes Farmland Security Zones and authorizes the Chair of the Board to sign the contracts within the Farmland Security Zones as applicable. The Board also establishes compatible uses permitted on lands within the "Farmland Security Zones" and the applicable list is appended to each contract.

#### What compatible uses are permitted for a Farmland Security Zone Contract

"Compatible use" is defined in the statute, Section 51201 (e) as follows:

"(e) 'Compatible use' is any use determined by the County or City administering the preserve pursuant to Section 51231 or Section 51238 or Section 51238.1 or by this act to be compatible with the agricultural, recreational, or open-space use of land within the preserve and subject to contract. 'Compatible use' includes agricultural use, recreational use or open-space use unless the Board or Council finds after notice and hearing that such use is not compatible with the agricultural, recreational or open space use to which the land is restricted by contract pursuant to this chapter."

#### The list of compatible uses approved by the Board within Farmland Security Zones follow:

1. The drying, packing or other processing of an agricultural commodity usually performed on the premises where it is produced.
2. Structures necessary and incidental to the agricultural use of the land.
3. Single family dwellings incidental to the agricultural use of the land for the residence of the owner, and the family of the owner. Single family dwellings

incidental to the agricultural use of the land for the residence of the lessee of the land and the family of the lessee.

4. Dwellings for persons employed by owner or lessee and the family of employee or lessee incidental to the agricultural use of the land.
5. An aircraft landing strip incidental to the agricultural use of the land.
6. The erection, construction, alteration or maintenance of gas, electric, water or communication utility facilities.
7. The erection, construction, alteration or maintenance of radio, television or microwave antennas, transmitters and related facilities.
8. Public or private hunting of wildlife or fishing.
9. Public or private hunting clubs and accessory structures.
10. Public or private rifle and pistol practice range, trap or skeet field, archery range or other similar use.
11. Public or private riding or hiking trails.
12. Removal of natural materials.
13. Disposal site for oil field wastes, provided that any such use shall be made only in accordance with the use permit and other permits issued by the County of Monterey and the California Regional Water Quality Board and such other governmental authority as may have jurisdiction over this use.  
  
"Wastes received (discharged) at the site have been, and will continue to be, limited to petroleum and oil field wastes, such as muds, oily water, tank bottom wastes, and brine waters."
14. Shall not be based on the compatible use provisions contained in Government Code Section 51238.1(c). (Government Code Section 51296.7).

Deputy Barbara S. Grant

cc: Planning and Building/E. Nordgreen; County Counsel/M. Perry

Resolution No. 01-485 -- )  
Amending Procedure for )  
Agricultural Preserves . . . . . )

NOW, THEREFORE, BE IT RESOLVED that the following procedures shall be used in the County of Monterey for initiating, filing and processing requests to establish agricultural preserves:

- 2428

3. When filed, within ten (10) days of filing, the Clerk shall forward a copy of the application, together with a transmittal memo indicating the date filed, and whether the application was timely filed, to the Assessor, to the Director of Planning and Building Inspection, to the County Counsel, and to the Agricultural Commissioner and/or their designees for their recommendations. The Director of Planning shall submit a report as required by Section 51234 of the Government Code.
4. The Clerk of the Board of Supervisors shall place the matter upon the agenda of the Board of Supervisors. If the Board determines that said application should be granted, the Clerk shall give notice in accordance with the provisions of California Government Code Sections 51230 and 51233.
5. The Board will establish agricultural preserves by resolution. Said resolution shall contain a finding of authorized uses which are compatible with the agricultural uses within the preserve and shall also contain any uniform rules to be adopted for the administering of the preserve.
6. Upon filing the application, the owners of land within the proposed agricultural preserve shall file a request with the Clerk of the Board of Supervisors to enter into a land conservation contract with the County.
7. The Board by resolution shall authorize and direct the Chair of the Board of Supervisors to sign land conservation contracts with the owners of any land within the agricultural preserve.
8. It shall be the policy of the County to establish preserves where qualifications have been met and there is reasonable certainty that contracts will be concluded within a reasonable length of time.
9. It shall also be the policy of this Board to enter into land conservation contracts (a) which provide for a minimum effective period of 20 years; (b) which restrict the use of land to commercial agricultural uses and to uses compatible therewith stated in the agreement; (c) which provide that such contract may not be canceled prior to the date of expiration by their own terms except as provided in said Land Conservation Act, and (d) which also provide for the payment of deferred taxes to the County, unless waived by the Board of Supervisors with the approval of the Secretary of the Resources Agency after the Board's determination that continuation of the contract conditions would seriously jeopardize public health or safety, and upon such cancellation the payment of the same amount and in the same manner as provided by Sections 51283 and 51283.1 of the Government Code.
10. It is further the policy of this Board to provide in such contracts that they shall be effective on the last day of December, prior to the lien date of January first, of the succeeding year, that each shall provide for automatic annual renewal for a period of one year unless notice of non-renewal is given as provided by Section 51245 of

the Government Code. All land conservation contracts and notices of non-renewal thereof shall be recorded by the County. Such contracts shall be binding upon all subsequent transferees of any interest in the real property subject thereto.

11. It is further the policy of this Board to approve only agricultural preserves and land conservation contract applications meeting the following conditions:
  - a. If located within one mile of a city, said city neither protests the establishing of the preserve nor the execution of the contract.
  - b. Land Use. To be considered for inclusion in an agricultural preserve, land must have a recent history of use primarily for the production of food and fibre products for commercial purposes. Use for the production of such products for three out of the last five years shall be required, unless a bona fide commitment to such use is clearly evidenced by shorter use after a material change of circumstances, such as in the case of substantial capital investment to improve previously unimproved property for agricultural purposes or recent availability of agricultural water. "Commercial purposes" shall be interpreted to require that most products produced thereon are sold in normal marketing channels.
  - c. Minimum size and gross income. Applications for establishment of an agricultural preserve will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains 100 or more acres and shall have had an annual gross income during three of the last five years from the production of animals and/or unprocessed agricultural plant products of not less than \$8,000.00, or in the case of recently improved lands, have a potential during the next succeeding year of producing a gross income of \$8,000.00 from the production of animals and/or unprocessed agricultural plant products, provided, however, the Board of Supervisors will consider establishing agricultural preserves of less than 100 acres, but of 40 or more acres if it finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprises in the area and that the establishment of preserves of less than 100 acres is consistent with the general plan of the County.
  - d. Compatible Uses. Compatible uses permitted on lands within an established "agricultural preserve":
    1. Shall not be in conflict or inconsistent with or in violation of the basic underlying zoning applicable to the property;
    2. Shall be particularly specified and included in the resolution establishing any preserve; and

3. Shall be reviewed by the Agricultural Preserve Committee for each proposed contract and said Committee shall recommend appropriate adjustments.

PASSED AND ADOPTED this 11th day of December 2001, upon motion of Supervisor Calcagno, seconded by Supervisor Potter, and carried by the following vote, to-wit:

AYES: Supervisors Armenta, Calcagno, Johnsen and Potter.

NOES: None.

ABSENT: Supervisor Pennycook.

I, SALLY R. REED, Clerk of the Board of Supervisors of the County of Monterey, State of California, hereby certify that the foregoing is a true copy of an original order of said Board of Supervisors duly made and entered in the minutes thereof at page -- of Minute Book 70, on December 4, 2001.

### SUMMARY OF AGRICULTURAL PRESERVE CONTRACT REQUIREMENTS

(Excerpts from Government Code Sections 51230, 51233, 51234, 51243 (a, b), 51243.5, 51244, 51244.5, Resolution No. 80-529; Resolution No. 99-454).

The Land Conservation Act of 1965, as amended, (Government Code, title 5, Division 1, Part 1, Chapter 7), authorizes counties to establish agricultural preserves; and

The purpose of this Act is to maintain the agricultural economy of California by providing an incentive to continue the agricultural use of land; and

The Board of Supervisors of Monterey County finds that it can assist in maintaining the agricultural economy of California by establishing agricultural preserves and entering into land conservation contracts as authorized by said Act.

The Agricultural Preservation Review Committee consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, Planning & Building Inspection Department shall be responsible for reviewing the following in order to consider the establishment of an Agricultural Preserve Contract:

#### Establishment of Agricultural Preserve Contract

- I. Application
  - A. Original and three copies of application
  - B. Filed on or before September 15th
  - C. Name and address of each property owner
  - D. Legal description of the property
  - E. Size (area) of property
  - F. Assessor Parcel Numbers
  - G. Title report containing plot or map
  - H. Indicate current commercial agricultural use and all other uses
  - I. Reclassification request, if required
  - J. History of Income & Expense

## II. Qualifications

- A. Areas of 100 acres or more, or group of contiguous parcels (Gov't. Code Sec. 51230) and
- B. Annual gross income during three of the last five years from production of animals and/or unprocessed agricultural plant products of not less than \$8,000.00 (Res. 80-529, Para 11 (c)).
- C. Areas of less than 100 acres, but of 40 or more acres if necessary to preserve the unique characteristics of the agricultural enterprise, (Gov't Code Sec. 51230, Res. 80-529, Para 11 (c) and
- D. Is consistent with the County General Plan. (Gov't Code Section 51234.)
- E. Land has been used for production of food and fibre products for three of last five years. (Res. 80-529, Para 11 (c).)
- F. Recently improved lands shall have the potential of a gross \$8,000.00 income the next succeeding year. (Res. 80-529, Para 11 (c).)
- G. If within one mile of a city, that city has not or will not protest the preserve or contract. (Gov't Code Sections 51233, 51243.5.)
- H. The property is zoned an appropriate agricultural designation, or that the proper reclassification be requested at the time the contract is applied for. (Res. 80-529, para 1)

### Procedure to make New Contracts

The owner of land applies to the Board of Supervisors on or before September 15 of each year. The application identifies the owners of the property and, besides a legal description, sets forth a size or acreage of the property. A map accurately showing the exterior boundaries of the property also accompanies the application.

The application should show the rental history or income and expense history of the land for commercial agricultural purposes for the last three (3) years. The owners must also request that property be rezoned into an appropriate district. (Resolution No. 80-529, para 1.)

The application is submitted together with a nonrefundable \$200.00 fee plus \$50.00 for each additional parcel over one under separate ownership (Resolution No. 80-529, para 2.). Within ten (10) days of filing, the Board Clerk forwards the application, together with a

transmittal memo indicating the date received, and whether the application was timely filed, to the Agricultural Preservation Review Committee, consisting of representatives from the Assessor's Office, County Counsel Office, Agricultural Commissioner, and Planning and Building Inspection Department within thirty (30) days. The Committee reports on whether the agricultural preserve is consistent with the general plan. (Government Code Section 51234, Resolution No. 80-529, para 3.)

The application is to restrict land by contract within an agricultural preserve. The agricultural preserve may include several ownerships. To be considered for inclusion in an agricultural preserve, land must have recent history of use primarily for the production of food and fiber for commercial purposes. An application for the establishment of an agricultural preserve will not be considered unless the parcel or group of contiguous parcels to be included in the preserve contains one hundred (100) or more acres (Government Code Section 51230) and shall have had an annual gross income during three (3) of the last five (5) years of not less than eight thousand dollars (\$8,000). (Resolution No. 80-529, paragraph 11 (c).)

The Board of Supervisors will consider establishing agricultural preserves of less than one hundred (100) but more than forty (40) acres if it finds that smaller preserves are necessary due to the unique characteristics of the agricultural enterprise. (Resolution No. 80-529, paragraph 11 (c).) For example, specialty crops.

The owner of the land files an application for the establishment of an agricultural preserve and at the same time files an application to enter into an agricultural land conservation contract. This may be in a new agricultural preserve or in the enlargement of an existing preserve.

The Board, by resolution, establishes agricultural preserves and authorizes the Chair of the board to sign all contracts within the preserve. (Resolution No. 80-529; paragraphs 5, 6, 7.) The Board also establishes compatible uses permitted on lands within an established "agricultural preserve" and this list is appended to each contract. (Resolution No. 80-529, paragraph 11 (d).)

#### What compatible uses are permitted for an Agricultural Preserve Contract

"Compatible use" is defined in the statute, Section 51201 (e) as follows:

"(e) 'Compatible use' is any use determined by the County or City administering the preserve pursuant to Section 51231 or Section 51238 or by this act to be compatible with the agricultural, recreational, or open-space use of land within the preserve and subject to contract. 'Compatible use' includes agricultural use, recreational use or open-space use unless the Board or Council finds after notice and hearing that such use is not compatible with the agricultural, recreational or open space use to which the land is restricted by contract pursuant to this chapter."

The list of compatible uses within Agricultural Preserves approved by the Board follow:

1. The drying, packing or other processing of an agricultural commodity performed on the premises where it is produced.
2. Structures necessary and incidental to the agricultural use of the land.
3. Single family dwellings incidental to the agricultural use of the land for the residence of the owner, and the family of the owner. Single family dwellings incidental to the agricultural use of the land for the residence of the lessee of the land and the family of the lessee.
4. Dwellings for persons employed by owner or lessee and the family of the employee or lessee incidental to the agricultural use of the land.
5. An aircraft landing strip incidental to the agricultural use of the land.
6. The erection, construction, alteration or maintenance of gas, electric, water or communication utility facilities.
7. The erection, construction, alteration or maintenance of radio, television or microwave antennas, transmitters and related facilities.
8. Public or private hunting of wildlife or fishing.
9. Public or private hunting clubs and accessory structures.
10. Public or private rifle and pistol practice range, trap or skeet field, archery range or other similar use.
11. Public or private riding or hiking trails.
12. Removal of natural materials.
13. Disposal site for oil field wastes, provided that any such use shall be made only in accordance with the use permit and other permits issued by the County of Monterey and the California Regional Water Quality Board and such other governmental authority as may have jurisdiction over this use.

"Wastes received (discharged) at the site have been, and will continue to be, limited to petroleum and oil field wastes, such as muds, oily water, tank bottom wastes, and brine waters."

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

Legistar File Number: 21-992

November 16, 2021

Introduced: 11/5/2021

Current Status: RMA Public Works -  
Consent

Version: 1

Matter Type: General Agenda Item

- a. Approve the Right of Entry and Indemnification Agreement (Agreement) between the County and the Pajaro Sunny Mesa Community Services District (PSMCSD) for access and use of warehouse space located at 24 San Juan Road, in the unincorporated community of Pajaro, California; and
- b. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute the Right of Entry and Indemnification Agreement (Agreement), and any future amendments under similar terms, conditions, and format if deemed by the Contracts/Purchasing Officer to be in the best interest of the County, subject to review and approval by the Office of the County Counsel-Risk Management.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve the Right of Entry and Indemnification Agreement (Agreement) between the County and the Pajaro Sunny Mesa Community Services District (PSMCSD) for access and use of warehouse space located at 24 San Juan Road, in the unincorporated community of Pajaro, California; and
- b. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute the Right of Entry and Indemnification Agreement (Agreement), and any future amendments under similar terms, conditions, and format if deemed by the Contracts/Purchasing Officer to be in the best interest of the County, subject to review and approval by the Office of the County Counsel-Risk Management.

### SUMMARY/DISCUSSION:

Approval of the Right of Entry and Indemnification Agreement (Agreement) will allow the County access to storage space owned by the Pajaro Sunny Mesa Community Services District (PSMCSD) at 24 San Juan Road (Storage Location), located in the unincorporated community of Pajaro, California.

Storage space and access is required as part of the Pajaro levee encampment abatement (Encampment Abatement) tentatively commencing the week of November 15, 2021. The Encampment Abatement will be conducted under the direction and collaboration of Public Works, Facilities, and Parks (PWFP) and the Monterey County Water Resources Agency (WRA). PWFP and WRA will store personal property securely at the Storage Location and will provide individuals who have been relocated the opportunity to establish ownership of the property and reclaim said property during normal weekday business hours for a period of ninety (90) days from the date said property is first stored.

The Agreement includes a non-County standard indemnification clause with the County agreeing to indemnify, defend, and hold harmless PSMCSD against any claims and losses related to the County's use of the Storage Location.

PWFP is requesting that the Board approve and authorize future amendments to the Agreement should similar storage needs associated with a future encampment abatement arise. Any future amendment would be subject to review and approval of PSMCSD and by the Office of the County Counsel-Risk Management.

Approval and execution of the Agreement will provide the PWFP and WRA with immediate access to the Storage Location required for personal property stored on behalf of individuals who are relocated as part of the Encampment Abatement.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel-Risk Management has reviewed and approved the proposed Agreement as to form. Risk Management has reviewed as to indemnification provisions and approves subject to Board approval.

FINANCING:

There is no anticipated fiscal impact to the General Fund resulting from approval of the Agreement. In the spirit of cooperation, Pajaro Sunny Mesa Community Services District has waived occupancy fees.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This action supports the Board of Supervisors strategic initiative for Public Safety and Health and Human Services. Approval of the Agreement will aid in properly conducting the Encampment Abatement and mitigate any potential public safety issues. Approval of the Agreement also provides individuals experiencing homelessness and relocation due to the Encampment Abatement with the opportunity to reclaim personal property at the Storage Location.

- a. Approve the Right of Entry and Indemnification Agreement (Agreement) between the County and the Pajaro Sunny Mesa Community Services District (PSMCSD) for access and use of warehouse space located at 24 San Juan Road, in the unincorporated community of Pajaro, California; and
- b. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute the Right of Entry and Indemnification Agreement (Agreement), and any future amendments under similar terms, conditions, and format if deemed by the Contracts/Purchasing Officer to be in the best interest of the County, subject to review and approval by the Office of the County Counsel-Risk Management.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve the Right of Entry and Indemnification Agreement (Agreement) between the County and the Pajaro Sunny Mesa Community Services District (PSMCSD) for access and use of warehouse space located at 24 San Juan Road, in the unincorporated community of Pajaro, California; and
- b. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute the Right of Entry and Indemnification Agreement (Agreement), and any future amendments under similar terms, conditions, and format if deemed by the Contracts/Purchasing Officer to be in the best interest of the County, subject to review and approval by the Office of the County Counsel-Risk Management.

### SUMMARY/DISCUSSION:

Approval of the Right of Entry and Indemnification Agreement (Agreement) will allow the County access to storage space owned by the Pajaro Sunny Mesa Community Services District (PSMCSD) at 24 San Juan Road (Storage Location), located in the unincorporated community of Pajaro, California.

Storage space and access is required as part of the Pajaro levee encampment abatement (Encampment Abatement) tentatively commencing the week of November 15, 2021. The Encampment Abatement will be conducted under the direction and collaboration of Public Works, Facilities, and Parks (PWFP) and the Monterey County Water Resources Agency (WRA). PWFP and WRA will store personal property securely at the Storage Location and will provide individuals who have been relocated the opportunity to establish ownership of the property and reclaim said property during normal weekday business hours for a period of ninety (90) days from the date said property is first stored.

The Agreement includes a non-County standard indemnification clause with the County agreeing to

Legistar File Number: 21-992

---

indemnify, defend, and hold harmless PSMCSD against any claims and losses related to the County's use of the Storage Location.

PWFP is requesting that the Board approve and authorize future amendments to the Agreement should similar storage needs associated with a future encampment abatement arise. Any future amendment would be subject to review and approval of PSMCSD and by the Office of the County Counsel-Risk Management.

Approval and execution of the Agreement will provide the PWFP and WRA with immediate access to the Storage Location required for personal property stored on behalf of individuals who are relocated as part of the Encampment Abatement.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel-Risk Management has reviewed and approved the proposed Agreement as to form. Risk Management has reviewed as to indemnification provisions and approves subject to Board approval.

FINANCING:

There is no anticipated fiscal impact to the General Fund resulting from approval of the Agreement. In the spirit of cooperation, Pajaro Sunny Mesa Community Services District has waived occupancy fees.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This action supports the Board of Supervisors strategic initiative for Public Safety and Health and Human Services. Approval of the Agreement will aid in properly conducting the Encampment Abatement and mitigate any potential public safety issues. Approval of the Agreement also provides individuals experiencing homelessness and relocation due to the Encampment Abatement with the opportunity to reclaim personal property at the Storage Location.

Fee: **\$0.00**

Purpose: **To perform necessary storage activities for homeless individuals under the direction of the County and Agency, and as further defined below.**

The County will store unattended personal property and personal property entrusted to it by individuals relocated from illegal campsites in or near the Pajaro River Homeless Encampment. Consistent with due process of law, County will store such personal property securely, and will provide individuals who have relocated the opportunity to establish ownership of the property and reclaim it during normal weekday business hours for a period of at least ninety (90) days from the date it is first stored. County will not store property that is large or bulky; hazardous; illegal to possess; severely damaged; or infested with insects, rodents, or other vermin. County will not store property determined to be abandoned as opposed to unattended.

In the furtherance of the specified purpose, the County agrees to indemnify, defend, and hold harmless the District's officers, agents, and employees from and against any and all claims and losses whatsoever arising out of or in any way related to the County's performance under this Agreement, including but not limited to claims for property damage, personal injury, death, injuries to reputation, economic losses, and emotional distress, and any legal expenses (such as attorney's fees, court costs, investigation costs, and expert fees) incurred by the District in connection with such claims. "The County's performance" includes the County's action or inaction, and the action or inaction of its officers, employees, contractors, agents or designees. The County's obligation to indemnify the District does not extend to any claim or losses arising out of the sole negligence or willful misconduct of the District, or of the District's officers, agents, or employees. The County shall restore, or cause the restoration of, the Property to the original condition or to a

condition reasonably acceptable to the District upon completion of the purpose for entry onto the Property.

County may designate in writing to the District an agent, or other person or entity, to perform or be responsible for the work set forth above. The County, or its agent or designee, shall comply with all applicable local, state or federal laws and regulations in the performance of the work pursuant to this Agreement.

This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument. The signature page of each counterpart may be detached from such counterpart and attached to a single document which shall for all purposes be treated as an original. The execution of this Agreement shall be deemed to have occurred, and this Agreement shall be enforceable and effective, only upon the complete execution of this Agreement by all Parties. To facilitate execution of this Agreement, the Parties may execute and exchange by facsimile or electronic counterparts of the signature pages.

The Parties acknowledge that they had an opportunity to seek respective counsel in the development and approval of this Agreement.

The persons executing this Agreement on behalf of the County and the District hereby covenant and warrant that they are duly authorized to execute this Agreement.

Authorize and direct Public Works, Facilities, & Parks to negotiate an amendment to the existing management agreement with Urban Park Concessionaires for management of Lake Nacimiento Resort operations incorporating provisions for a concessionaire-owned and managed boat rental fleet.

### RECOMMENDATION:

It is recommended that the Board of Supervisors authorize and direct Public Works, Facilities, & Parks to negotiate an amendment to the existing management agreement with Urban Park Concessionaires for management of Lake Nacimiento Resort operations incorporating provisions for a concessionaire-owned and managed boat rental fleet.

### SUMMARY/DISCUSSION:

On May 3, 2011, the Board of Supervisors approved a management agreement, including a vehicle/vessel lease, with Urban Park Concessionaires (UPC) to manage the resort businesses at Lake Nacimiento and Lake San Antonio. This Agreement was subsequently renewed to provide continued facilities management services. On January 15, 2019, the Board approved the removal of Lake San Antonio (LSA) from Enterprise Fund 452, and the County gradually assumed full management of the LSA recreational facilities. On July 23, 2019, per the Request for Proposals (RFP) #10674 solicitation for facility management services, the Board approved a new management agreement with UPC, the sole responder to the RFP, to manage the resort and recreation areas at Lake Nacimiento from August 1, 2019 to December 31, 2026. Under this new agreement, UPC continued leasing County-owned vehicles and vessels.

For several years, County budgetary constraints have limited the investment in Lake Nacimiento's infrastructure and revenue-generating amenities. Initially, the County's boat rental inventory was comprised of 23 motorized boats and produced significant annual revenue. The business plan provided for replacement of rental vessels after five years of service with new units. Budgetary constraints obviated the planned replacements and ongoing fleet renewal. Since 2011, the number of rental vessels remaining in service has eroded to five units.

Boat rentals are a primary draw at a lake resort. The decrease in available vessel rentals at Lake Nacimiento has negatively impacted not only marina revenues, but also revenues across all sectors of the resort operation. The deteriorating rental fleet has had a domino effect, greatly reducing marketability of the offering, which, in turn, attracts less visitors and adversely impacts day use, lodging, camping, fuel sales, and boat and equipment rental revenue-generation sectors at the park.

The chart below highlights annual lost revenue as compared to the revenue generators available at the inception of the initial agreement in 2011. As the revenue generators at the resort continue to deteriorate, the ability to realize a profit or *break even* within the Enterprise Fund declines correspondingly.

<u>Revenue Generator</u>	<u>Service Units Removed</u>	<u>Average Annual Revenue/Unit</u>	<u>Annual Lost Revenue</u>
Rental Trailers	2	\$18,000	\$ 36,000
Lakeview Lodges	5	20,000	100,000
Mobile Homes	1	30,000	30,000
Boat Rentals	18	30,000	<u>540,000</u>
		TOTAL	\$706,000

UPC has proposed purchasing ten new Crest Classic LX 240 SCL pontoon boats to bolster Lake Nacimiento's rental fleet and improve the resort's overall operation. A full fleet of rental boats yields the preponderance of revenue at a resort and enhances all other revenue-generating sectors as well. Lake Nacimiento's boat rental revenue alone with a revitalized fleet is projected to generate \$300,000-\$400,000 annually. Attachment A lists the vessels proposed for purchase to invigorate the rental fleet before the 2022 peak season along with potential daily rental rates. An amendment to the existing management agreement to incorporate provisions for a concessionaire-owned and managed boat rental fleet is necessary. The addition of new boats to the rental fleet will allow UPC to increase marketing efforts, thereby increasing park visitation. Ancillary revenues generated are projected to exceed \$280,000 annually, excluding boat rental revenue.

Public Works, Facilities, & Parks (PWFP) views this proposal as a unique, mutually beneficial opportunity to increase guest satisfaction, revenue generation, and overall visitation at the Lake Nacimiento Resort with minimal to no County capital outlay. The proposed amendment would allow for UPC to purchase and operate a rental fleet under the terms of the management agreement. All finances related to the UPC-owned fleet would be run under a separate set of financials, which would be available to the County for audit purposes. The County would receive 15% of gross revenues attained by the rental fleet as well as all ancillary revenues including, but not limited to: fuel sales, admissions, and accommodations. UPC would be solely responsible for all operating costs related to the UPC-owned rental fleet. To efficiently operate and respond to fluctuations in demand, UPC would independently set and adjust its fleet rental fees. County-owned vessels would continue to be rented at the approved rates listed in Article V- Parks User Fees. If required, Article V-Parks User Fees would be amended to add a category of concessionaire-owned boat rental rates. The current term of UPC's management agreement, through December 31, 2026, would remain unchanged.

Alternately, if the Board should decide to fund the fleet purchase, the estimated procurement cost for a comparable fleet is \$510,000. A revitalized County-owned fleet is estimated to produce annual Gross Revenues of \$336,000 with related operating expenses of \$196,000, generating an approximate net income of \$140,000 annually. Operating expenses include depreciation and Vehicle Acquisition Management Plan (VAMP) expenses assuming a 7-year useful life. Though participation in the VAMP program is optional, it is highly advisable given the need to replace rental vessels every 5-7

years. While annual profits realized would exceed the Franchise Fee proposed by \$80,000-\$95,000 a year, a capital injection of this amount would be more suitably directed to permanent County infrastructure assets (e.g., lodging, campgrounds, roads) given existing deferred maintenance needs.

PWFP requests the Board authorize and direct PWFP staff to negotiate an amendment to the UPC management agreement to incorporate provisions for a concessionaire-owned and managed boat rental fleet. If such direction is provided, PWFP anticipates returning for approval of the agreement amendment in January 2022.

FINANCING:

If the agreement amendment is approved for a concessionaire owned/managed rental fleet, Lake Nacimiento fleet rental revenues are expected to increase by \$45,000 to \$60,000 annually (15% Gross Revenue), plus additional ancillary revenues are projected at \$280,000 annually. UPC would be solely responsible for all costs associated with the proposed concessionaire-owned/managed rental boat fleet.

OTHER AGENCY INVOLVEMENT:

If the recommendation is approved, PWFP staff will work with County Counsel in the preparation of an agreement amendment. This item was presented to the Parks Commission on November 3, 2021.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This recommendation is consistent with the Board of Supervisors' Economic Development, Administration, and Health & Human Services Strategic Initiatives. Efficient, cost-effective management of County Parks and proactively seeking alternative funding enhance the County's ability to offer expanded public recreational facilities at Lake Nacimiento. The availability of County parks and open spaces provides opportunities for healthy living activities. The potential new boat rental opportunities will increase the marketability of the park thereby increasing park visitation which will also stimulate economic development in the surrounding community.

- c. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute Amendment No. 1 to each Agreement and future amendments to each Agreement where the amendments do not significantly alter the scope of work or increase the approved amount of each Agreement.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve Amendment No. 1 to Standard Agreement with Granite Construction Company to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to: update the rate schedule; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022; and
- b. Approve Amendment No. 1 to Standard Agreement with The Don Chapin Company, Inc. to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to: update the rates; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022; and
- c. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute Amendment No. 1 to each Agreement and future amendments to each Agreement where the amendments do not significantly alter the scope of work or increase the approved amount of each Agreement.

SUMMARY/DISCUSSION:

A significant portion of County owned Road and Bridge Maintenance equipment is obsolete relative to mandated regulations (e.g., air emissions), aging and unreliable. Equipment is being replaced through a fleet asset management plan, but will span the course of years. Moreover, there is specialized equipment that must be deployed, dependent on the nature of the assignment. To provide responsive, efficient, and high-quality public service, the Department of Public Works, Facilities, & Parks (PWFP) needs to supplement its workforce and equipment with local contractors on an “as-needed basis” and in preparation for potential winter storms. The proposed Amendment No. 1 to each Standard Agreement (SA) will supplement staff positions and will not reduce existing staff work or positions.

PWFP has identified a continued need for Granite Construction Company and The Don Chapin Company, Inc. to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis as requested by PWFP. Amendment No. 1 to each SA will update the rates; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date of each SA from December 31, 2021 for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022.

Attachment A provides a summary of the SAs to date. Attachment B provides a summary of the annual expenditures and balance of the SAs to date.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel and the Auditor-Controller’s Office have reviewed and approved Amendment No. 1 to each Agreement as to form, and fiscal provisions, respectively.

FINANCING:

Sufficient appropriations are available in the FY 2021-22 Adopted Budget for Road and Bridge Maintenance, Road Fund 002, Appropriation Unit PFP004 to fund Amendment No. 1. The amounts for the remaining FY 2022-23 of the SAs will be included in those budgets as appropriate.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The recommended action supports the Board of Supervisors’ Strategic Initiatives for Infrastructure and Public Safety. These services will allow PWFP to provide efficient, responsive service to County roadways and residents to enhance public safety and supplement County infrastructure.

**November 16, 2021**

**Introduced:** 10/29/2021

**Current Status:** Agenda Ready

**Version:** 1

**Matter Type:** BoS Agreement

- a. Approve Amendment No. 1 to Standard Agreement with Granite Construction Company to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to: update the rate schedule; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022; and
- b. Approve Amendment No. 1 to Standard Agreement with The Don Chapin Company, Inc. to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to: update the rates; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022; and
- c. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute Amendment No. 1 to each Agreement and future amendments to each Agreement where the amendments do not significantly alter the scope of work or increase the approved amount of each Agreement.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve Amendment No. 1 to Standard Agreement with Granite Construction Company to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to: update the rate schedule; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022; and
- b. Approve Amendment No. 1 to Standard Agreement with The Don Chapin Company, Inc. to continue to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis to: update the rates; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022; and
- c. Authorize the Contracts/Purchasing Officer or Contracts/Purchasing Supervisor to execute Amendment No. 1 to each Agreement and future amendments to each Agreement where the amendments do not significantly alter the scope of work or increase the approved amount of each Agreement.

SUMMARY/DISCUSSION:

A significant portion of County owned Road and Bridge Maintenance equipment is obsolete relative to mandated regulations (e.g., air emissions), aging and unreliable. Equipment is being replaced through a fleet asset management plan, but will span the course of years. Moreover, there is specialized equipment that must be deployed, dependent on the nature of the assignment. To provide responsive, efficient, and high-quality public service, the Department of Public Works, Facilities, & Parks (PWFP) needs to supplement its workforce and equipment with local contractors on an “as-needed basis” and in preparation for potential winter storms. The proposed Amendment No. 1 to each Standard Agreement (SA) will supplement staff positions and will not reduce existing staff work or positions.

PWFP has identified a continued need for Granite Construction Company and The Don Chapin Company, Inc. to provide fully operated, fueled and maintained construction equipment to work sites on an on-call basis as requested by PWFP. Amendment No. 1 to each SA will update the rates; increase the not to exceed amount of \$100,000 by \$200,000 for a total amount not to exceed \$300,000; and extend the expiration date of each SA from December 31, 2021 for one (1) additional year through December 31, 2022, for a revised term from January 1, 2021 to December 31, 2022.

Attachment A provides a summary of the SAs to date. Attachment B provides a summary of the annual expenditures and balance of the SAs to date.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel and the Auditor-Controller’s Office have reviewed and approved Amendment No. 1 to each Agreement as to form, and fiscal provisions, respectively.

FINANCING:

Sufficient appropriations are available in the FY 2021-22 Adopted Budget for Road and Bridge Maintenance, Road Fund 002, Appropriation Unit PFP004 to fund Amendment No. 1. The amounts for the remaining FY 2022-23 of the SAs will be included in those budgets as appropriate.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The recommended action supports the Board of Supervisors’ Strategic Initiatives for Infrastructure and Public Safety. These services will allow PWFP to provide efficient, responsive service to County roadways and residents to enhance public safety and supplement County infrastructure.

**AMENDMENT NO. 1  
TO STANDARD AGREEMENT  
BETWEEN COUNTY OF MONTEREY AND  
GRANITE CONSTRUCTION COMPANY**

**THIS AMENDMENT NO. 1** to the Standard Agreement between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and Granite Construction Company (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

**WHEREAS**, CONTRACTOR entered into a Standard Agreement with County on February 5, 2021 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed \$100,000; and

**WHEREAS**, the County has a continued need for services; and

**WHEREAS**, the CONTRACTOR's original Labor and Equipment Rental Rates require an update effective January 1, 2022; and

**WHEREAS**, additional time and funding are necessary to allow CONTRACTOR to continue to provide the services required by the County; and

**WHEREAS**, the Parties wish to amend the Agreement to extend the term for one (1) additional year to December 31, 2022, update the Labor and Equipment Rental Rates, and increase the amount by \$200,000 for a total amount not to exceed \$300,000 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 1.

**NOW, THEREFORE**, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A and A-1, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of \$300,000.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

The term of this Agreement is from January 1, 2021 to December 31, 2022, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions" to add "Exhibit A-1 – Revised Labor and Equipment Rental Rates", effective January 1, 2022.

4. Amend the fourth paragraph under Section 9.03, Insurance Coverage Requirements, of Paragraph 9.0 "Insurance Requirements", to remove the checkmark in the box and add the checkmark in the box next to the fifth paragraph titled, **"Agreement Over \$100,000 Business Automobile Liability Insurance"**.

**Agreement Over \$100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

5. Amend Section 11.01 of Paragraph 11.0, "Non-Discrimination", to read as follows:

During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code §12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

6. Amend Agreement to revise Paragraph 16.0, "Signature Page", to Paragraph 18.0, "Signature Page".
7. Amend Agreement to add Paragraph 16.0, "Compliance with Applicable Laws", as follows:

16.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices required by law in the performance of the Services.

16.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

16.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

8. Amend Agreement to add Paragraph 17.0, “Consent to Use of Electronic Signatures”, as follows:

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 USC Section 7001 *et seq.*; California Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

9. Amend the first sentence of section B.1, “Compensation/Payment” in Exhibit A - Scope of Services/Payment Provisions of the Agreement to read as follows:

County shall pay an amount not to exceed \$300,000 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services.

10. Amend the first paragraph of B.2, Contractor’s Billing Procedures, in Exhibit A – Scope of Services/Payment Provisions of the Agreement to read as follows:

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6.0, Payment Conditions, of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number (MYA#3200\*5541), services/project name and associated Delivery Order number, and an original hardcopy shall be sent to the following address or via email to [PWFP-Finance-AP@co.monterey.ca.us](mailto:PWFP-Finance-AP@co.monterey.ca.us):

## COUNTY OF MONTEREY STANDARD AGREEMENT

This Agreement is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:  
**Granite Construction Company**  
 \_\_\_\_\_,  
 (hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

### 1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

**Provide:**

Fully operated, fueled and maintained construction equipment to work sites on an on-call basis

### 2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: \$ 100,000.00

### 3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 1, 2021 to December 31, 2021, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

### 4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

**Exhibit A Scope of Services/Payment Provisions**

**Exhibit B Other:**

## 5.0 PERFORMANCE STANDARDS:

- 5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.
- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.
- 5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

## 6.0 PAYMENT CONDITIONS:

- 6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.
- 6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.
- 6.03 Invoice amounts shall be billed directly to the ordering department.
- 6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

## 7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

## 8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

## 9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

- 9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

**Commercial General Liability Insurance:** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

*(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

**Requestor must check the appropriate Automobile Insurance Threshold:**

Requestor must check the appropriate box.

☒ **Agreement Under \$100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence.

☐ **Agreement Over \$100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

*(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

**Workers' Compensation Insurance:** if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

*(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

**Professional Liability Insurance:** if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

*(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

#### 9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

**Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds** with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

#### 10.0 **RECORDS AND CONFIDENTIALITY:**

- 10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

## 11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

## 12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

## 13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

#### 14.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

#### 15.0 MISCELLANEOUS PROVISIONS.

- 15.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.
- 15.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.
- 15.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.
- 15.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.
- 15.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.
- 15.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

- 15.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.
- 15.08 **Compliance with Applicable Law:** The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.
- 15.09 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.
- 15.10 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.
- 15.11 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.
- 15.12 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.
- 15.13 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.
- 15.14 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.
- 15.15 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.
- 15.16 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.
- 15.17 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

## **EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS**

**To Agreement by and between  
County of Monterey, hereinafter referred to as “County”  
and  
Granite Construction Company, hereinafter referred to as “CONTRACTOR”**

### **A. SCOPE OF SERVICES**

**A.1** CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

On an “on-call” basis, CONTRACTOR shall provide fully operated, fueled, and maintained equipment as outlined on the following proposed Rates and as directed by the County’s Department of Public Works, Facilities, & Parks (PWF&P). CONTRACTOR shall be responsible for transporting the equipment to and from the worksite at the hourly rates stated in the attached Rates. The Rates are to remain firm for the initial term of the Agreement and, thereafter may be adjusted according to the terms and conditions of the Agreement and by written amendment executed by the County.

The Scope of Services is further defined below:

1. PWF&P will perform all work incidental to the equipment rental.
2. PWF&P will provide all traffic control.
3. PWF&P will provide all pre-notifications and signage.
4. PWF&P will provide USA notification and markings prior to starting work.
5. Rental rates do not include permits, bonds, state, or local taxes.
6. The operation of the rental equipment requires payment of prevailing wages to all workers employed under this Agreement on public work projects as defined in Labor Code Section 1771. Copies of the prevailing rate of per diem wages are on file at the County’s PWF&P, 1441 Schilling Place, South 2nd Floor, Salinas, California, which shall be made available to any interested party on request.

### **B. PAYMENT PROVISIONS**

#### **B.1 COMPENSATION/PAYMENT**

County shall pay an amount not to exceed \$100,000 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services.

## **EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS**

CONTRACTOR's compensation for services rendered shall be based on the following Rates or in accordance with the following terms:

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not in excess of those charged to any other client for the same services performed by the same individuals.

### **B.2 CONTRACTOR'S BILLING PROCEDURES**

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6.0, "Payment Conditions", of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number, services (*On-Call Fully Operated, Fueled and Maintained Construction Equipment*), and associated Delivery Order (DO) number, and an original hardcopy shall be sent to the following address or via email to RMA-Finance-AP@co.monterey.ca.us:

County of Monterey  
Department of Public Works, Facilities, & Parks – Finance  
1441 Schilling Place, South 2<sup>nd</sup> Floor  
Salinas, California 93901-4527

Any questions pertaining to invoices under this Agreement should be directed to PWF&P Finance at (831) 755-4800 or via email to: RMA-Finance-AP@co.monterey.ca.us.

County may, in its sole discretion, terminate the Agreement or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

**DISALLOWED COSTS:** CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

**AMENDMENT NO. 1  
TO STANDARD AGREEMENT  
BETWEEN COUNTY OF MONTEREY AND  
THE DON CHAPIN COMPANY, INC.**

**THIS AMENDMENT NO. 1** to the Standard Agreement between the County of Monterey, a political subdivision of the State of California (hereinafter, "County") and The Don Chapin Company, Inc. (hereinafter, "CONTRACTOR") is hereby entered into between the County and the CONTRACTOR (collectively, the "Parties") and effective as of the last date opposite the respective signatures below.

**WHEREAS**, CONTRACTOR entered into a Standard Agreement with County on December 14, 2020 (hereinafter, "Agreement") to provide fully operated, fueled, and maintained construction equipment to work sites on an on-call basis (hereinafter, "services") through December 31, 2021 for an amount not to exceed \$100,000; and

**WHEREAS**, the County has a continued need for services; and

**WHEREAS**, the CONTRACTOR's original rates require an update effective January 1, 2022; and

**WHEREAS**, additional time and funding are necessary to allow CONTRACTOR to continue to provide the services required by the County; and

**WHEREAS**, the Parties wish to amend the Agreement to extend the term for one (1) additional year to December 31, 2022, update the rates, and increase the amount by \$200,000 for a total not to exceed \$300,000 to allow CONTRACTOR to continue to provide services identified in the Agreement and as amended by this Amendment No. 1.

**NOW, THEREFORE**, the Parties agree to amend the Agreement as follows:

1. Amend Paragraph 2.0, "Payment Provisions", to read as follows:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in Exhibits A and A-1, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of \$300,000.

2. Amend the first sentence of Section 3.01 of Paragraph 3.0, "Term of Agreement", to read as follows:

The term of this Agreement is from January 1, 2021 to December 31, 2022, unless sooner terminated pursuant to the terms of this Agreement.

3. Amend Paragraph 4.0, "Scope of Services and Additional Provisions" to add "Exhibit A-1 – Revised Rates", effective January 1, 2022.

4. Amend the fourth paragraph under Section 9.03, Insurance Coverage Requirements, of Paragraph 9.0 "Insurance Requirements", to remove the checkmark in the box and add the checkmark in the box next to the fifth paragraph titled, **"Agreement Over \$100,000 Business Automobile Liability Insurance"**.

5. Amend Section 11.01 of Paragraph 11.0, "Non-Discrimination", to read as follows:

During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), sexual orientation, or any other characteristic set forth in California Government code §12940(a), either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

6. Amend Agreement to revise Paragraph 16.0, "Signature Page", to Paragraph 18.0, "Signature Page".

7. Amend Agreement to add Paragraph 16.0, "Compliance with Applicable Laws", as follows:

16.01 CONTRACTOR shall keep itself informed of and in compliance with all federal, state and local laws, ordinances, regulations, and orders including but not limited to all state and federal tax laws that may affect in any manner the Project or the performance of the Services or those engaged to perform Services under this Agreement as well as any privacy laws including, if applicable, Health Insurance Portability and Accountability Act (HIPAA). CONTRACTOR shall procure all permits and licenses, pay all charges and fees, and give all notices required by law in the performance of the Services.

16.02 CONTRACTOR shall report immediately to County's Contracts/Purchasing Officer, in writing, any discrepancy or inconsistency it discovers in the laws, ordinances, regulations, orders, and/or guidelines in relation to the Project of the performance of the Services.

16.03 All documentation prepared by CONTRACTOR shall provide for a completed project that conforms to all applicable codes, rules, regulations, and guidelines that are in force at the time such documentation is prepared.

8. Amend Agreement to add Paragraph 17.0, "Consent to Use of Electronic Signatures", as follows:

17.01 The parties to this Agreement consent to the use of electronic signatures via DocuSign to execute this Agreement. The parties understand and agree that the legality of electronic signatures is governed by state and federal law, 15 U.S.C. Section 7001 et seq.; California

Government Code Section 16.5; and, California Civil Code Section 1633.1 *et seq.* Pursuant to said state and federal law as may be amended from time to time, the parties to this Agreement hereby authenticate and execute this Agreement, and any and all Exhibits to this Agreement, with their respective electronic signatures, including any and all scanned signatures in portable document format (PDF).

17.02 Counterparts. The parties to this Agreement understand and agree that this Agreement can be executed in two (2) or more counterparts and transmitted electronically via facsimile transmission or by delivery of a scanned counterpart in PDF via email transmittal.

17.03 Form: Delivery by E-Mail or Facsimile. Executed counterparts of this Agreement may be delivered by facsimile transmission or by delivery of a scanned counterpart in PDF by e-mail transmittal, in either case with delivery confirmed. On such confirmed delivery, the signatures in the facsimile or PDF data file shall be deemed to have the same force and effect as if the manually signed counterpart or counterparts had been delivered to the other party in person.

9. Amend the first sentence of section B.1, "Compensation/Payment" in Exhibit A- Scope of Services/Payment Provisions of the Agreement to read as follows:

County shall pay an amount not to exceed \$300,000 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services.

10. Amend the first paragraph of B.2, Contractor's Billing Procedures, in Exhibit A – Scope of Services/Payment Provisions of the Agreement to read as follows:

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6.0, Payment Conditions, of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number (MYA#3200\*5496), services/project name and associated Delivery Order number, and an original hardcopy shall be sent to the following address or via email to [PWFP-Finance-AP@co.monterey.ca.us](mailto:PWFP-Finance-AP@co.monterey.ca.us):

County of Monterey  
Department of Public Works, Facilities, & Parks (PWFP) – Finance Division  
1441 Schilling Place, South 2<sup>nd</sup> Floor  
Salinas, California 93901-4527

Any questions pertaining to invoices under this Agreement shall be directed to the PWFP – Finance Division at (831) 755-4800 or via email to: [PWFP-Finance-AP@co.monterey.ca.us](mailto:PWFP-Finance-AP@co.monterey.ca.us).

11. In all places within the Agreement, any reference to the Rates on Pages 3, 4 and 5 of Exhibit A – Scope of Services/Payment Provisions are hereby replaced with "Exhibit A-1 – Revised Rates", effective January 1, 2022.
12. All other terms and conditions of the Agreement, including all Exhibits thereto, remain unchanged and in full force.

13. This Amendment No. 1 shall be attached to the Agreement and incorporated therein as if fully set forth in the Agreement.
14. The recitals to this Amendment No. 1 are incorporated into the Agreement and this Amendment No. 1.

IN WITNESS WHEREOF, the Parties hereto have executed this Amendment No. 1 to the Agreement which shall be effective as of the last date opposite the respective signatures below.

## COUNTY OF MONTEREY STANDARD AGREEMENT

This **Agreement** is made by and between the County of Monterey, a political subdivision of the State of California (hereinafter "County") and:

The Don Chapin Company, Inc.

(hereinafter "CONTRACTOR").

In consideration of the mutual covenants and conditions set forth in this Agreement, the parties agree as follows:

### 1.0 GENERAL DESCRIPTION:

The County hereby engages CONTRACTOR to perform, and CONTRACTOR hereby agrees to perform, the services described in **Exhibit A** in conformity with the terms of this Agreement. The goods and/or services are generally described as follows:

**Provide:**

Fully operated, fueled and maintained construction equipment to work sites on an on-call basis

### 2.0 PAYMENT PROVISIONS:

County shall pay the CONTRACTOR in accordance with the payment provisions set forth in **Exhibit A**, subject to the limitations set forth in this Agreement. The total amount payable by County to CONTRACTOR under this Agreement shall not exceed the sum of: \$ 100,000.00

### 3.0 TERM OF AGREEMENT:

3.01 The term of this Agreement is from January 1, 2021 to December 31, 2021, unless sooner terminated pursuant to the terms of this Agreement. This Agreement is of no force or effect until signed by both CONTRACTOR and County and with County signing last, and **CONTRACTOR may not commence work before County signs this Agreement.**

3.02 The County reserves the right to cancel this Agreement, or any extension of this Agreement, without cause, with a thirty day (30) written notice, or with cause immediately.

### 4.0 SCOPE OF SERVICES AND ADDITIONAL PROVISIONS:

The following attached exhibits are incorporated herein by reference and constitute a part of this Agreement:

**Exhibit A Scope of Services/Payment Provisions**

**Exhibit B Other:**

## 5.0 PERFORMANCE STANDARDS:

- 5.01 CONTRACTOR warrants that CONTRACTOR and CONTRACTOR's agents, employees, and subcontractors performing services under this Agreement are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required under this Agreement and are not employees of the County, or immediate family of an employee of the County.
- 5.02 CONTRACTOR, its agents, employees, and subcontractors shall perform all work in a safe and skillful manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements.
- 5.03 CONTRACTOR shall furnish, at its own expense, all materials, equipment, and personnel necessary to carry out the terms of this Agreement, except as otherwise specified in this Agreement. CONTRACTOR shall not use County premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations under this Agreement.

## 6.0 PAYMENT CONDITIONS:

- 6.01 Prices shall remain firm for the initial term of the Agreement and, thereafter, may be adjusted annually as provided in this paragraph. The County does not guarantee any minimum or maximum amount of dollars to be spent under this Agreement.
- 6.02 Negotiations for rate changes shall be commenced, by CONTRACTOR, a minimum of ninety days (90) prior to the expiration of the Agreement. Rate changes are not binding unless mutually agreed upon in writing by the County and the CONTRACTOR.
- 6.03 Invoice amounts shall be billed directly to the ordering department.
- 6.04 CONTRACTOR shall submit such invoice periodically or at the completion of services, but in any event, not later than 30 days after completion of services. The invoice shall set forth the amounts claimed by CONTRACTOR for the previous period, together with an itemized basis for the amounts claimed, and such other information pertinent to the invoice. The County shall certify the invoice, either in the requested amount or in such other amount as the County approves in conformity with this Agreement and shall promptly submit such invoice to the County Auditor-Controller for payment. The County Auditor-Controller shall pay the amount certified within 30 days of receiving the certified invoice.

## 7.0 TERMINATION:

- 7.01 During the term of this Agreement, the County may terminate the Agreement for any reason by giving written notice of termination to the CONTRACTOR at least thirty (30) days prior to the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be reduced in proportion to the services provided prior to the date of termination.

7.02 The County may cancel and terminate this Agreement for good cause effective immediately upon written notice to CONTRACTOR. "Good cause" includes the failure of CONTRACTOR to perform the required services at the time and in the manner provided under this Agreement. If County terminates this Agreement for good cause, the County may be relieved of the payment of any consideration to CONTRACTOR, and the County may proceed with the work in any manner, which County deems proper. The cost to the County shall be deducted from any sum due the CONTRACTOR under this Agreement.

7.03 The County's payments to CONTRACTOR under this Agreement are funded by local, state and federal governments. If funds from local, state and federal sources are not obtained and continued at a level sufficient to allow for the County's purchase of the indicated quantity of services, then the County may give written notice of this fact to CONTRACTOR, and the obligations of the parties under this Agreement shall terminate immediately, or on such date thereafter, as the County may specify in its notice, unless in the meanwhile the parties enter into a written amendment modifying this Agreement.

## 8.0 INDEMNIFICATION:

CONTRACTOR shall indemnify, defend, and hold harmless the County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the County. "CONTRACTOR's performance" includes CONTRACTOR's action or inaction and the action or inaction of CONTRACTOR's officers, employees, agents and subcontractors.

## 9.0 INSURANCE REQUIREMENTS:

9.01 **Evidence of Coverage:** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the County's Contracts/Purchasing Department, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and the County has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

9.02 **Qualifying Insurers:** All coverage's, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to

The Don Chapin Company, Inc.  
On-Call Fully Operated, Fueled and  
Agreement ID: Maintained Construction Equipment

the current Best's Key Rating Guide or a company of equal financial stability that is approved by the County's Purchasing Manager.

- 9.03 **Insurance Coverage Requirements:** Without limiting CONTRACTOR's duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

**Commercial General Liability Insurance:** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

*(Note: any proposed modifications to these general liability insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

**Requestor must check the appropriate Automobile Insurance Threshold:**

Requestor must check the appropriate box.

☒ **Agreement Under \$100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$500,000 per occurrence.

☐ **Agreement Over \$100,000 Business Automobile Liability Insurance:** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.

*(Note: any proposed modifications to these auto insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

**Workers' Compensation Insurance:** if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's Liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.

*(Note: any proposed modifications to these workers' compensation insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

**Professional Liability Insurance:** if required for the professional services being provided, (e.g., those persons authorized by a license to engage in a business or profession regulated by the California Business and Professions Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or

errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the expiration or earlier termination of this Agreement.

*(Note: any proposed modifications to these insurance requirements shall be attached as an Exhibit hereto, and the section(s) above that are proposed as not applicable shall be lined out in blue ink. All proposed modifications are subject to County approval.)*

#### 9.04 **Other Requirements:**

All insurance required by this Agreement shall be with a company acceptable to the County and issued and executed by an admitted insurer authorized to transact Insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the County shall be given notice in writing at least thirty days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insureds with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

**Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds** with respect to liability arising out of the CONTRACTOR'S work, including ongoing and completed operations, **and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.** The required endorsement form for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement form for Automobile Additional Insured endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by the County, CONTRACTOR shall file certificates of insurance with the County's contract administrator and County's Contracts/Purchasing Division, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall always during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by County, annual certificates to County's Contract Administrator and County's Contracts/Purchasing Division. If the certificate is not received by the expiration date, County shall notify CONTRACTOR and CONTRACTOR shall have five calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance is a default of this Agreement, which entitles County, at its sole discretion, to terminate this Agreement immediately.

## 10.0 **RECORDS AND CONFIDENTIALITY:**

- 10.1 **Confidentiality:** CONTRACTOR and its officers, employees, agents, and subcontractors shall comply with any and all federal, state, and local laws, which provide for the confidentiality of records and other information. CONTRACTOR shall not disclose any confidential records or other confidential information received from the County or prepared in connection with the performance of this Agreement, unless County specifically permits CONTRACTOR to disclose such records or information. CONTRACTOR shall promptly transmit to County any and all requests for disclosure of any such confidential records or information. CONTRACTOR shall not use any confidential information gained by CONTRACTOR in the performance of this Agreement except for the sole purpose of carrying out CONTRACTOR's obligations under this Agreement.
- 10.2 **County Records:** When this Agreement expires or terminates, CONTRACTOR shall return to County any County records which CONTRACTOR used or received from County to perform services under this Agreement.
- 10.3 **Maintenance of Records:** CONTRACTOR shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulations related to services performed under this Agreement. CONTRACTOR shall maintain such records for a period of at least three years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three-year period, then CONTRACTOR shall retain said records until such action is resolved.
- 10.4 **Access to and Audit of Records:** The County shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the CONTRACTOR and its subcontractors related to services provided under this Agreement. Pursuant to Government Code section 8546.7, if this Agreement involves the expenditure of public funds in excess of \$10,000, the parties to this Agreement may be subject, at the request of the County or as part of any audit of the County, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three years after final payment under the Agreement.
- 10.5 **Royalties and Inventions:** County shall have a royalty-free, exclusive and irrevocable license to reproduce, publish, and use, and authorize others to do so, all original computer programs, writings, sound recordings, pictorial reproductions, drawings, and other works of similar nature produced in the course of or under this Agreement. CONTRACTOR shall not publish any such material without the prior written approval of County.

## 11.0 NON-DISCRIMINATION:

11.01 During the performance of this Agreement, CONTRACTOR, and its subcontractors, shall not unlawfully discriminate against any person because of race, religious creed, color, sex, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR's employment practices or in the furnishing of services to recipients. CONTRACTOR shall ensure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. CONTRACTOR and any subcontractor shall, in the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be prohibited discrimination.

## 12.0 COMPLIANCE WITH TERMS OF STATE OR FEDERAL GRANTS:

If this Agreement has been or will be funded with monies received by the County pursuant to a contract with the state or federal government in which the County is the grantee, CONTRACTOR will comply with all the provisions of said contract, to the extent applicable to CONTRACTOR as a subgrantee under said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, County will deliver a copy of said contract to CONTRACTOR, at no cost to CONTRACTOR.

## 13.0 INDEPENDENT CONTRACTOR:

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is always acting and performing as an independent contractor and not as an employee of the County. No offer or obligation of permanent employment with the County or County department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from County any form of employee benefits including but not limited to sick leave, vacation, retirement benefits, workers' compensation coverage, insurance or disability benefits. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes, including federal and state income taxes and social security, arising out of CONTRACTOR's performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold County harmless from any and all liability which County may incur because of CONTRACTOR's failure to pay such taxes.

#### 14.0 NOTICES:

Notices required under this Agreement shall be delivered personally or by first-class, postage pre-paid mail to the County and CONTRACTOR'S contract administrators at the addresses listed below:

#### 15.0 MISCELLANEOUS PROVISIONS.

- 15.01 **Conflict of Interest:** CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly, or indirectly conflict in any manner or to any degree with the full and complete performance of the services required to be rendered under this Agreement.
- 15.02 **Amendment:** This Agreement may be amended or modified only by an instrument in writing signed by the County and the CONTRACTOR.
- 15.03 **Waiver:** Any waiver of any terms and conditions of this Agreement must be in writing and signed by the County and the CONTRACTOR. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.
- 15.04 **Contractor:** The term "CONTRACTOR" as used in this Agreement includes CONTRACTOR's officers, agents, and employees acting on CONTRACTOR's behalf in the performance of this Agreement.
- 15.05 **Disputes:** CONTRACTOR shall continue to perform under this Agreement during any dispute.
- 15.06 **Assignment and Subcontracting:** The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement without the prior written consent of the County. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the County. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

- 15.07 **Successors and Assigns:** This Agreement and the rights, privileges, duties, and obligations of the County and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns, and heirs.
- 15.08 **Compliance with Applicable Law:** The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.
- 15.09 **Headings:** The headings are for convenience only and shall not be used to interpret the terms of this Agreement.
- 15.10 **Time is of the Essence:** Time is of the essence in each and all of the provisions of this Agreement.
- 15.11 **Governing Law:** This Agreement shall be governed by and interpreted under the laws of the State of California; venue shall be Monterey County.
- 15.12 **Non-exclusive Agreement:** This Agreement is non-exclusive and both County and CONTRACTOR expressly reserve the right to contract with other entities for the same or similar services.
- 15.13 **Construction of Agreement:** The County and CONTRACTOR agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment to this Agreement.
- 15.14 **Counterparts:** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.
- 15.15 **Authority:** Any individual executing this Agreement on behalf of the County or the CONTRACTOR represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such party and bind the party to the terms and conditions of this Agreement.
- 15.16 **Integration:** This Agreement, including the exhibits, represent the entire Agreement between the County and the CONTRACTOR with respect to the subject matter of this Agreement and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the County and the CONTRACTOR as of the effective date of this Agreement, which is the date that the County signs the Agreement.
- 15.17 **Interpretation of Conflicting Provisions:** In the event of any conflict or inconsistency between the provisions of this Agreement and the Provisions of any exhibit or other attachment to this Agreement, the provisions of this Agreement shall prevail and control.

**16.0 SIGNATURE PAGE.**

## **EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS**

**To Agreement by and between  
County of Monterey, hereinafter referred to as “County”  
and  
The Don Chapin Company, Inc., hereinafter referred to as “CONTRACTOR”**

### **A. SCOPE OF SERVICES**

**A.1** CONTRACTOR shall provide services and staff, and otherwise do all things necessary for or incidental to the performance of work, as set forth below:

On an “on-call” basis, CONTRACTOR shall provide fully operated, fueled, and maintained equipment as outlined on the following proposed Rates and as directed by the County’s Department of Public Works, Facilities, & Parks (PWF&P). CONTRACTOR shall be responsible for transporting the equipment to and from the worksite at the hourly rates stated in the attached Rates. The Rates are to remain firm for the initial term of the Agreement and, thereafter may be adjusted according to the terms and conditions of the Agreement and by written amendment executed by the County.

The Scope of Services is further defined below:

1. PWF&P will perform all work incidental to the equipment rental.
2. PWF&P will provide all traffic control.
3. PWF&P will provide all pre-notifications and signage.
4. PWF&P will provide USA notification and markings prior to starting work.
5. Rental rates do not include permits, bonds, state, or local taxes.
6. The operation of the rental equipment requires payment of prevailing wages to all workers employed under this Agreement on public work projects as defined in Labor Code Section 1771. Copies of the prevailing rate of per diem wages are on file at the County’s PWF&P, 1441 Schilling Place, South 2nd Floor, Salinas, California, which shall be made available to any interested party on request.

### **B. PAYMENT PROVISIONS**

#### **B.1 COMPENSATION/PAYMENT**

County shall pay an amount not to exceed \$100,000 for the performance of all things necessary for or incidental to the performance of work as set forth in the Scope of Services.

## EXHIBIT A – SCOPE OF SERVICES/PAYMENT PROVISIONS

CONTRACTOR's compensation for services rendered shall be based on the following Rates or in accordance with the following terms:

County and CONTRACTOR agree that CONTRACTOR shall be reimbursed for travel expenses during this Agreement. CONTRACTOR shall receive compensation for travel expenses as per the "County Travel Policy". A copy of the policy is available online at <https://www.co.monterey.ca.us/home/showdocument?id=69364>. To receive reimbursement, CONTRACTOR must provide a detailed breakdown of authorized expenses, identifying what was expended and when.

CONTRACTOR warrants that the cost charged for services under the terms of this Agreement are not more than those charged to any other client for the same services performed by the same individuals.

### B.2 CONTRACTOR'S BILLING PROCEDURES

Invoices under this Agreement shall be submitted monthly and promptly, and in accordance with Paragraph 6.0, "Payment Conditions", of the Agreement. All invoices shall reference the Multi-Year Agreement (MYA) number, services (*On-Call Fully Operated, Fueled and Maintained Construction Equipment*), and associated Delivery Order (DO) number, and an original hardcopy shall be sent to the following address or via email to [RMA-Finance-AP@co.monterey.ca.us](mailto:RMA-Finance-AP@co.monterey.ca.us):

County of Monterey  
Department of Public Works, Facilities, & Parks – Finance  
1441 Schilling Place, South 2<sup>nd</sup> Floor  
Salinas, California 93901-4527

Any questions pertaining to invoices under this Agreement should be directed to PWF&F Finance at (831) 755-4800 or via email to: [RMA-Finance-AP@co.monterey.ca.us](mailto:RMA-Finance-AP@co.monterey.ca.us).

County may, in its sole discretion, terminate the Agreement or withhold payments claimed by CONTRACTOR for services rendered if CONTRACTOR fails to satisfactorily comply with any term or condition of this Agreement.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by County.

County shall not pay any claims for payment for services submitted more than twelve (12) months after the calendar month in which the services were completed.

**DISALLOWED COSTS:** CONTRACTOR is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

Legistar File Number: RES 21-197

November 16, 2021

Introduced: 10/29/2021

Current Status: RMA Public Works -  
Consent

Version: 1

Matter Type: BoS Resolution

Adopt a resolution authorizing and directing the Auditor-Controller to amend the Fiscal Year (FY) 2021-22 Adopted Budget for County Service Area 66-Las Lomas/Monterra Ranch (also known as Oak Tree Views), Fund 087, Appropriation Unit PFP041, increasing appropriations in the amount of \$11,000, to fund necessary open space maintenance, where Fund 087 unassigned fund balance is the financing source (4/5th vote required).

### RECOMMENDATION:

It is recommended that the Board of Supervisors adopt a resolution authorizing and directing the Auditor Controller to amend the Fiscal Year (FY) 2021-22 Adopted Budget for County Service Area 66-Las Lomas/Monterra Ranch (also known as Oak Tree Views), Fund 087, Appropriation Unit PFP041, increasing appropriations in the amount of \$11,000, to fund necessary open space maintenance, where Fund 087 unassigned fund balance is the financing source (4/5th vote required).

### SUMMARY/DISCUSSION:

The Monterra Ranch development was annexed into County Service Area 66 - Las Lomas/Monterra Ranch (CSA 66) on May 20, 1997, to provide extended county services to the new development. Current active services are street lighting, street and sidewalk maintenance, storm drain maintenance and park/recreation/parkway facilities.

CSA 66 includes open space that surrounds the housing development in the CSA. Annual mowing and tree trimming within the open space area surrounding the development is provided on an annual basis and was completed in August 2021. The amount of tree trimming that was required was greater than anticipated during the development of the FY 2021-22 budget. This was due to a number of large oak trees that required extensive trimming to bring up the tree canopies and provide increased fire fuel protection, approximately \$7,000 more than budgeted. Additionally, it has been determined that a second mowing, estimated at \$4,000, should be completed prior to the end of the fiscal year to better prepare for the 2022 fire season. The total cost of this additional work is estimated at \$11,000.

### OTHER AGENCY INVOLVEMENT:

This recommendation was reviewed and approved by the Budget Committee on October 29, 2021.

### FINANCING:

If approved, the recommended action will increase appropriations for Fiscal Year 2021-22 Adopted Budget for County Service Area 66 - Las Lomas/Monterra Ranch, Fund 087, Appropriation Unit PFP041, from \$18,659 to \$29,659 (an increase of \$11,000), using unappropriated fund balance, to

fund the additional expenditures necessary for the recommended required open space maintenance. Attachment B provides a Financial Summary for the County Service Area 66 - Las Lomas/ Monterra Ranch Fiscal Year Ending June 30, 2022. This will result in an estimated ending fund balance of \$32,679.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The requested appropriation for CSA 66 will provided open space clearing and fire fuel mitigation. The recommended action complies with the Board of Supervisors' Strategic Initiatives for Infrastructure and Public Safety.

e. Authorize the Director of Public Works, Facilities & Parks to execute future amendments to these Agreements where the amendments do not significantly alter the scope or cost of the approved agreements for Purchase of Real Property for Permanent Drainage Easements, and Temporary Construction Easements.

SUMMARY/DISCUSSION:

During the Winter Storms of 2021, several county roads were affected by the heavy rains, excessive storm water flows, and debris/mud flows. The River Road Emergency Repair at Fairview Road (Project) is one of those projects resulting from the 2021 Winter Storms, located southwest of the City of Gonzales along River Road at Fairview Road. This section of River Road is directly downhill of the 2020 River Fire burn scar. After an emergency declaration by the State, this Project became eligible for disaster-relief funding. The Project consists of installing two (2) 48-inch diameter culverts, in place of the existing single 60 inch diameter culvert, that failed as a result of the immense amount of sediment and runoff that washed down the hillside from the 2021 Winter Storms. The Project will also require clearing and grubbing around the inlet and outlet of the culvert, stabilization of the damaged slopes and traffic control consisting of temporary lane closures during work hours to establish safe work zone. A complete road closure will be necessary to perform a portion of the work and will be limited to three-week period in the middle of the construction season accompanied with a traffic detour, for each direction, which will also be maintained during nonwork periods.

In compliance with the California Environmental Quality Act (CEQA), Monterey County Public Works, Facilities & Parks (PWFP) filed a Notice of Exemption on February 5th, 2021. The Project was determined to be a Declared Emergency pursuant to the California Environmental Quality Act (CEQA) because it is to perform repair and maintenance of existing streets and similar facilities, which involves no expansion of an existing use (See California Code of Regulations [CCR] § 21080(b)(3); 15269(a)). Caltrans, as the designated lead for the National Environmental Policy Act (NEPA), determined that the Project is categorically excluded from having to prepare an Environmental Assessment (EA) or an Environmental Impact Statement (EIS). Caltrans approved the NEPA Categorical Exemption/Categorical Exclusion Determination on June 2, 2021.

The bid opening is set for January 14, 2022 at 2:00 p.m., in the Board of Supervisors' Conference Room 1032, County Administration Building, Government Center, 168 West Alisal Street, 1st Floor, Salinas, California 93901. Project construction is scheduled to begin in April 2022.

Adopting the Plans and Special Provisions and authorizing PWFP to advertise the Project, will allow PWFP to proceed with the construction phase of the Project and solicit construction bids. PWFP will return to the Board after opening bids and determining the lowest responsible and responsive bidder to award the Project.

Temporary construction easements (TCE) are required to construct the Project. Bender Rosenthal,

Inc. (BRI) performed the appraisal and conducted the right-of-way negotiations for Monterey County. The proposed Agreements for the Purchase of Real Property between the County and the Trustees of the Peterson Revocable Trust and the Trustees of the Silva Family Living Trust are required for the County to complete the right-of-way phase of the Project. BRI informed the Trustees regarding their right to compensation for the easements. However, the Trustees opted to donate the necessary easements to the County of Monterey to expedite the construction of the Project. The terms of the donations are reflected in the respective Purchase and Sale Agreements. The Trustees were informed of the right to compensation for the subject properties, which have been donated and conveyed to the County by the Trustees pursuant to conveyance Document No. 216-021-0105 (By Grantor: The Peterson Revocable Trust) and Document No. 216-021-013 (By Grantor: Silva Living Trust DTD February 9, 1996) which are on file with the County Recorder. The County shall pay all costs for recording fees incurred in these transactions.

**OTHER AGENCY INVOLVEMENT:**

The Office of the County Counsel-Risk Management and the Auditor-Controller have reviewed and approved the Special Provisions as to form, insurance and indemnification provisions, and fiscal provisions, respectively. The Purchase and Sale Agreements which reflect the terms of the donations have been approved as to form by the Office of the County Counsel.

**FINANCING:**

The total estimated Project cost including engineering design, environmental documentation and permitting, right-of-way, and construction is \$2,253,600.

The Project is funded mostly through the Federal Highway (FHWA) Permanent Restoration Program \$1,996,014 and a SB 1 match of \$257,586. See Attachment B for further details on the Project budget. There are currently sufficient appropriations in the amount in the adopted FY 2021-22 Road Fund 002, Appropriation Unit PFP 004 budget to finance the construction phase of the Project.

**BOARD OF SUPERVISORS STRATEGIC INITIATIVES:**

The Project will replace the existing corrugated metal pipe underneath River Road at Fairview Road with two 48" pipes to provide a safe passage of water and debris under River Road. The recommended action supports the following Board of Supervisors' Strategic Initiative:

- ☐ Economic Development
- ☐ Administration
- ☐ Health and Human Services
- ☒ Infrastructure
- ☒ Public Safety

### **STANDARD PLANS LIST**

The Standard Plans of 2018 and the Revised Standard Plans apply to this Contract.

COUNTY OF MONTEREY  
PUBLIC WORKS, FACILITIES, AND PARKS

**NOTICE TO BIDDERS**

Sealed bids will be received at the OFFICE OF THE CLERK OF THE BOARD OF SUPERVISORS, COUNTY OF MONTEREY, 168 W. ALISAL STREET 1<sup>ST</sup> FLOOR, SALINAS, CALIFORNIA 93901 (MAILING ADDRESS: P O BOX 1728, SALINAS, CALIFORNIA 93902-1728), until 2:00 p.m., on January 14, 2022 for the

**RIVER ROAD EMERGENCY PROJECT AT FAIRVIEW ROAD  
PROJECT NO. 7210  
STATE PROJECT NO:  
FEDERAL AID PROJECT NO: ER-15A7 (001)**

As shown on the plans, at which time they will be publicly opened and read in the Board of Supervisors' Board Chambers.

The general work description for the "River Road Emergency Repair at Fairview Road" is the construction for the repairs of the drainage channel below River Road and Repair of River Road, including but not limited to clearing and grubbing, traffic control, excavation and backfill, storm drain pipe culvert installation, culvert concrete encasement installation, head walls, retaining walls, wing walls, cutoff walls, drainage system, slope protection including riprap pads, and pavement. Such other items or details, not mentioned above, that are required by the Construction Plans, Standard Specifications, Standard Plans, or these Special Provisions, shall be performed, placed, constructed, and/or installed. The Engineer's Estimate for the construction costs is \$1,792,800.

The County of Monterey affirms that in any Contract entered into pursuant to this advertisement, disadvantage business enterprise will be afforded full opportunity to submit bids in response to this invitation.

The DBE Contract goal is Seven percent (7%).

For the Federal Training Program, the number of trainees or apprentices is 1.

The Bidder shall possess a valid Class A General Engineering Contractor's license.

The Contractor awarded the Contract shall begin work when authorized by the County of Monterey.

This work shall be diligently prosecuted to completion before the expiration of **145 CALENDAR DAYS** beginning on the date listed on the issuance of the "Notice to Proceed"

A bidder's bond, issued by an admitted corporate surety company in an amount equal to at least ten percent (10%) of the amount bid, must accompany the bid.

The successful bidder shall furnish a payment bond and a performance bond each in the amount of one hundred percent (100%) of the Contract.

The Contract Documents are available ELECTRONICALLY and can be downloaded for free at the following Monterey County website: <https://www.co.monterey.ca.us/government/departments-i-z/resource-management-agency-rma-/public-works-facilities/projects-out-to-bid>. Plan holders must register before they can view or download the documents. A copy of the electronic files on compact-disc (CD) is also available at **MONTEREY COUNTY DEPARTMENT OF PUBLIC WORKS, 1441 SHILLING PLACE, 2<sup>ND</sup> FLOOR, SALINAS, CALIFORNIA 93901** for a nonrefundable fee of \$5.00. The electronic files can be used to print the project plans, project specifications, and other such documents at various printing companies.

Pursuant to California Labor Code Section 1773, the general prevailing wage rates in the county, or counties, in which the work is to be done have been determined by the Director of the California Department of Industrial Relations and are available at the Department of Public Works, 168 W. Alisal Street, 2<sup>nd</sup> Floor, Salinas, California 93901, and available from the California Department of Industrial Relations' Internet web site at <http://www.dir.ca.gov/DLSR/PWD>.

Pursuant to Labor Code Section 1771.1(a), a Contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Public Contract Code Section 4104, or engage in the performance of any Contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. It is not a violation of Labor Code Section 1771.1(a) for an unregistered Contractor to submit a bid that is authorized by Business and Professions Code Section 7029.1 or by Public Contract Code Sections 10164 or 20103.5, provided the Contractor is registered to perform public work pursuant to Labor Code Section 1725.5 at the time the Contract is awarded.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Pursuant to Public Contract Code Section 22300, the Contractor may substitute securities for any moneys withheld by the County to ensure performance under the Contract.

Attention is directed to the Federal minimum wage rate requirements in the Special Provision. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The Department will not accept lower State wage rates not specifically included in the Federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the Contractor and subcontractors shall pay not less than the Federal minimum wage rate, which most closely approximates the duties of the employees in question.

Anyone with knowledge of possible bid rigging, bidder collusion, or other fraudulent activities should call the U.S. Department of Transportation (1-800-424-9071) "hotline," between 8:00 am and 5:00 pm, and report these activities.

The County reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding.

**SPECIAL PROVISIONS**

**RIVER ROAD EMERGENCY REPAIR AT FAIRVIEW ROAD  
PROJECT NO. 7210  
STATE PROJECT NO:  
FEDERAL AID PROJECT NO: ER-15A7 (001)**

**SECTION 1 – DEFINITION AND TERMS**

**1-1.01 SPECIFICATIONS AND PLANS:**

The work embraced herein shall be done in accordance with the Standard Specifications and Standard Plans, of 2018, of the State of California, Department of Transportation, as revised, insofar as the same may apply and in accordance with the following Special Provisions:

**In case of conflict between the Standard Specifications and these Special Provisions, the Special Provisions shall take precedence over and be used in lieu of such conflicting portions.**

The listing of certain salient sections from the Standard Specifications and these Special Provisions shall not in any way relieve the Contractor of complying with each and every section of the Standard Specifications.

Revisions to the Standard Specifications set forth in these special provisions shall be considered as part of the Standard Specifications for the purposes set forth in Section 5-1.02 “Contract Components” of the Standard Specifications. Whenever either the term “Standard Specifications is revised” or the term “Standard Specifications are revised” is used in the special provisions, the indented text or table following the term shall be considered Revised Standard Specifications. In case of conflict between such revisions and the Standard Specifications, the revision shall take precedence over and be used in lieu of the conflicting portions.

**1-1.02 INTERPRETATION OF STANDARD SPECIFICATIONS:**

For the purpose of this Contract, certain terms or pronouns in place of them used throughout the Standard Specifications, shall be interpreted as follows: Attention is directed to Section 1, “Definition and Terms,” of the Standard Specifications and these Special Provisions:

**1-1.03 DEFINITIONS:**

The following terms defined in Section 1-1.07, “Definitions,” of the Standard Specifications shall be interpreted to have the following meaning and intent:

State:	County of Monterey
Department:	Public Works Facilities and Parks
Director:	Chair of the Board of Supervisors

Engineer: Deputy Director of Public Works Facilities and Parks, acting either directly or through properly authorized agents, such agents acting within the scope of the particular duties entrusted to them.

#### 1-1.04 DEFINITIONS IN SPECIAL PROVISIONS:

Whenever in the Special Provisions and other Contract documents, the following terms, or pronouns in place of them are used, the intent and meaning shall be interpreted as follows:

Clerk of the Board:	The Clerk of the Monterey County Board of Supervisors
Director of Public Works:	The Deputy Director of Public Works Facilities & Parks of Monterey County.
Attorney General:	County Counsel of Monterey County
Laboratory:	Any established laboratory designated by the Engineer to test materials and work involved in the Contract.
County:	County of Monterey
Caltrans:	California Department of Transportation
Board of Supervisors:	The governing body of the County of Monterey
Authorized Material List:	Caltrans prequalified products list
Standard Plans:	2018 Standard Plans and Revised Standard Plans of the State of California, Department of Transportation
Standard Specifications:	2018 Standard Specifications and Revised Standard Specifications of the State of California, Department of Transportation
Business day:	Day on the calendar except a Saturday, Sunday, and a holiday
PLAC:	Permits, licenses, agreements, certifications, and approvals

#### 1-1.05 STATE HOLIDAYS:

Attention is directed to definition of **holiday** in Section 1-1.07B “Glossary,” of the Standard Specifications.

#### 1-1.06 BID ITEMS AND APPLICABLE SECTIONS:

The bid items are set forth in Book Two “Bid Form”. The first 2 digits of a bid item code correspond to the specification section number with the same 2 first digits.

## **SECTION 2 – BIDDING**

### **2-1.01 GENERAL:**

The bidder's attention is directed to the provisions in Section 2, "Bidding," of the Standard Specifications and these Special Provisions for the requirements and conditions which he/she/it must observe in the preparation and the submission of the bid.

The Bidder's Bond form mentioned in the last paragraph in Section 2-1.34, "Bidder's Security," of the Standard Specifications will be found in the Bid Form, **Book Two**. Bidder's security in the form of cashier's check or certified check shall be made payable to the County of Monterey.

In conformance with Public Contract Code Section 7106, a Noncollusion Declaration is included in the Bid Form, Book Two. Signing the Bid shall also constitute signature of the Noncollusion Declaration.

This Contract will require a Class "A" General Engineering Contractor's license.

### **2-1.02 DISADVANTAGE BUSINESS ENTERPRISE (DBE):**

The bidder's attention is directed to the provisions in Section 2-1.12, "Disadvantage Business Enterprise," of the Standard Specifications for federal-aid Contract.

The contractor, subrecipient or subcontractor shall take necessary and reasonable steps to ensure that DBEs have opportunity to participate in the contract (49 CFR 26). To ensure equal participation of DBEs provided in 49 CFR 26.5, the Agency shows a contract goal for DBEs. The prime contractor shall make work available to DBEs and select work parts consistent with available DBE subcontractors and suppliers.

The prime contractor shall meet the DBE goal shown elsewhere in these special provisions or demonstrate that they made adequate good faith efforts to meet this goal.

It is the prime contractor's responsibility to verify that the DBE firm is certified as DBE at date of bid opening and document the record by printing out the California Unified Certification Program (CUCP) data for each DBE firm. A list of DBEs certified by the CUCP can be found <https://dot.ca.gov/programs/civil-rights/dbe-search>.

All DBE participation will count toward the California Department of Transportation's federally mandated statewide overall DBE goal.

Credit for materials or supplies you purchase from DBEs counts towards the goal in the following manner:

- One Hundred percent (100%) counts if the materials or supplies are obtained from a DBE manufacturer.
- Sixty percent (60%) counts if the materials or supplies are obtained from a DBE regular dealer.
- Only fees, commissions, and charges for assistance in the procurement and delivery of materials or supplies count if obtained from a DBE that is neither a

manufacturer nor regular dealer. 49 CFR 26.55 defines “manufacturer” and “regular dealer.”

You receive credit towards the goal if you employ a DBE trucking company that performs a commercially useful function as defined in 49 CFR 26.55(d)(1) through (4), (6) and (7).

#### 2-1.02A NONDISCRIMINATION STATEMENT

The contractor, subrecipient or subcontractor will never exclude any person from participation in, deny any person the benefits of, or otherwise discriminate against anyone in connection with the award and performance of any contract covered by 49 CFR 26 on the basis of race, color, sex, or national origin. In administering the Local Agency components of the DBE Program Plan, the contractor, subrecipient or subcontractor will not, directly, or through contractual or other arrangements, use criteria or methods of administration that have the effect of defeating or substantially impairing accomplishment of the objectives of the DBE Program Plan with respect to individuals of a particular race, color, sex, or national origin.

#### 2-1.02B CONTRACT ASSURANCE

Under 49 CFR 26.13(b):

The contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR 26 in the award and administration of federal-aid contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

- (1) Withholding monthly progress payments;
- (2) Assessing sanctions;
- (3) Liquidated damages; and/or
- (4) Disqualifying the contractor from future bidding as non-responsible.

#### 2-1.02C PROMPT PROGRESS PAYMENT

The prime contractor or subcontractor shall pay to any subcontractor, not later than **seven days** after receipt of each progress payment, unless otherwise agreed to in writing, the respective amounts allowed the contractor on account of the work performed by the subcontractors, to the extent of each subcontractor’s interest therein. In the event that there is a good faith dispute over all or any portion of the amount due on a progress

payment from the prime contractor or subcontractor to a subcontractor, the prime contractor or subcontractor may withhold no more than 150 percent of the disputed amount. Any violation of this requirement shall constitute a cause for disciplinary action and shall subject the licensee to a penalty, payable to the subcontractor, of 2 percent of the amount due per month for every month that payment is not made.

In any action for the collection of funds wrongfully withheld, the prevailing party shall be entitled to his or her attorney’s fees and costs. The sanctions authorized under this requirement shall be separate from, and in addition to, all other remedies, either civil, administrative, or criminal. This clause applies to both DBE and non-DBE subcontractors.

#### 2-1.02D PROMPT PAYMENT OF WITHHELD FUNDS TO SUBCONTRACTORS

Attention is directed to the provisions in Public Contract Code Sections 10262 and 10262.5 and Business and Professions Code Section 7108.5 concerning prompt payment to subcontractors.

The County may hold retainage from the prime contractor and shall make prompt and regular incremental acceptances of portions, as determined by the County, of the contract work, and pay retainage to the prime contractor based on these acceptances. The County shall designate one of the methods below in the contract to ensure prompt and full payment of any retainage kept by the prime contractor or subcontractor to a subcontractor.

No retainage will be held by the County from progress payments due the prime Contractor. A prime Contractor or subcontractor shall pay any subcontractor not later than seven (7) days of receipt of each progress payment in accordance with the provision in California Business and Professions Code Section 7108.5 concerning prompt payment to subcontractors. The seven (7) days is applicable unless a longer period is agreed to in writing. Federal law (49CFR26.29) requires that any delay or postponement of payment over the 30 days may take place only for good cause and with the agency's prior written approval. Any violation of this provision shall subject the violating prime Contractor or subcontractor to the penalties, sanctions and other remedies specified in Business and Professions Code Section 7108.5. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to the prime Contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the prime Contractor, deficient subcontract performance, or noncompliance by a subcontractor.

Any violation of these provisions shall subject the violating prime contractor or subcontractor to the penalties, sanctions and other remedies specified therein. These requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to the prime contractor or subcontractor in the event of a dispute involving late payment or nonpayment by the prime contractor, deficient subcontract performance, or noncompliance by a subcontractor. This provision applies to both DBE and non-DBE subcontractors.

## 2-1.02E TERMINATION AND SUBSTITUTION OF DBE SUBCONTRACTORS

The prime contractor shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains the County's written consent. The prime contractor shall not terminate or substitute a listed DBE for convenience and perform the work with their own forces or obtain materials from other sources without prior written authorization from the Agency. Unless the Agency's prior written consent is provided, the contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE on the Exhibit 15-G Construction Contract DBE Commitment form, included in the Bid.

The Agency authorizes a request to use other forces or sources of materials if the bidder shows any of the following justifications:

1. Listed DBE fails or refuses to execute a written contract based on plans and specifications for the project.
2. The Local Agency stipulated that a bond is a condition of executing the subcontract and the listed DBE fails to meet the Local Agency's bond requirements.
3. Work requires a contractor's license and listed DBE does not have a valid license under Contractors License Law.

4. Listed DBE fails or refuses to perform the work or furnish the listed materials (failing or refusing to perform is not an allowable reason to remove a DBE if the failure or refusal is a result of bad faith or discrimination).
5. Listed DBE's work is unsatisfactory and not in compliance with the contract.
6. Listed DBE is ineligible to work on the project because of suspension or debarment.
7. Listed DBE becomes bankrupt or insolvent.
8. Listed DBE voluntarily withdraws with written notice from the Contract
9. Listed DBE is ineligible to receive credit for the type of work required.
10. Listed DBE owner dies or becomes disabled resulting in the inability to perform the work on the Contract.
11. The Agency determines other documented good cause.

The prime contractor shall notify the original DBE of the intent to use other forces or material sources and provide the reasons, allowing the DBE 5 days to respond to the notice and advise the prime contractor and the Agency of the reasons why the use of other forces or sources of materials should not occur.

The prime contractor's request to use other forces or material sources must include:

1. One or more of the reasons listed in the preceding paragraph.
2. Notices from the prime contractor to the DBE regarding the request.
3. Notices from the DBEs to the prime contractor regarding the request.

If a listed DBE is terminated or substituted, the prime contractor must make good faith efforts to find another DBE to substitute for the original DBE. The substitute DBE must perform at least the same amount of work as the original DBE under the contract to the extent needed to meet or exceed the DBE goal.

## 2-1.02F COMMITMENT AND UTILIZATION

Submit the Exhibit 15-G *Construction Contract DBE Commitment* form, included in the Bid book. If the form is not submitted with the bid, remove the form from the Bid book before submitting your bid.

The bidder shall complete, and sign Exhibit 15-G Construction Contract DBE Commitment included in the contract documents regardless of whether DBE participation is reported. The bidder shall provide written confirmation from each DBE that the DBE is participating in the Contract. A copy of a DBE's quote serves as written confirmation. If a DBE is participating in as a joint venture partner, the bidder shall submit a copy of the joint venture agreement.

If the DBE Commitment form is not submitted with the bid, the apparent low bidder, the 2<sup>nd</sup> low bidder, and the 3<sup>rd</sup> low bidder must complete and submit the DBE Commitment form to the Agency. DBE Commitment form must be received by the Agency no later than 4:00 p.m. on the 4<sup>th</sup> business day after bid opening.

Use each DBE subcontractor as listed on Exhibit 12-B *Bidder's List of Subcontractors (DBE and Non-DBE)* and Exhibit 15-G *Construction Contract DBE Commitment* form unless you receive authorization for a substitution.

The Agency requests the Contractor to:

1. Notify the Engineer of any changes to its anticipated DBE participation
2. Provide this notification before starting the affected work
3. Maintain records including:
  - Name and business address of each 1<sup>st</sup>-tier subcontractor.
  - Name and business address of each DBE subcontractor, DBE vendor, and DBE trucking company, regardless of tier.
  - Date of payment and total amount paid to each business.

If you are a DBE Contractor, include the date of work performed by your own forces and the corresponding value of the work.

Before the 15<sup>th</sup> of each month, submit a Monthly DBE Trucking Verification form.

If a DBE is decertified before completing its work, the DBE must notify you in writing of the decertification date. If a business becomes a certified DBE before completing its work, the business must notify you in writing of the certification date. Submit the notifications. On work completion, complete a Disadvantaged Business Enterprises (DBE) Certification Status Change, Exhibit 17-O, form. Submit the form within 30 days of Contract acceptance.

Upon work completion, complete Exhibit 17-F *Final Report – Utilization of Disadvantaged Business Enterprises (DBE), First-Tier Subcontractors*. Submit it within 90 days of Contract acceptance. The Agency will withhold \$10,000 until the form is submitted. The Agency releases the withhold upon submission of the completed form.

DBEs must perform work or supply materials as listed in the Exhibit 15-G *Local Agency Bidder DBE Commitment (Construction Contracts)* form, included in the Bid.

The substitute DBE must be certified as a DBE at the time of request for substitution.

Other bidders do not need to submit the DBE Commitment form unless the Agency requests it. If the Agency requests you to submit a DBE Commitment form, submit the completed form within four (4) business days of the request.

If you do not submit the DBE Commitment form within the specified time, the Agency will find your bid nonresponsive.

### GOOD FAITH EFFORTS SUBMITTAL

If you have not met the DBE goal, complete and submit the DBE Information – Good Faith Efforts, Exhibit 15-H, form with the bid showing that you made adequate good faith efforts to meet the goal. Only good faith efforts directed towards obtaining participation by DBEs will be considered. If good faith efforts documentation is not submitted with the bid, it must be received by the Agency no later than 4:00 p.m. on the fourth (4<sup>th</sup>) business day after bid opening.

If your DBE Commitment form shows that you have met the DBE goal or if you are required to submit the DBE Commitment form, you must also submit good faith efforts documentation within the specified time to protect your eligibility for award of the Contract in the event the Agency finds that the DBE goal has not been met.

Good faith efforts documentation must include the following information and supporting documents, as necessary:

1. Items of work you have made available to DBE firms. Identify those items of work you might otherwise perform with your own forces and those items that have been broken down into economically feasible units to facilitate DBE participation. For each item listed, show the dollar value and percentage of the total Contract. It is your responsibility to demonstrate that sufficient work to meet the goal was made available to DBE firms.
2. Names of certified DBEs and dates on which they were solicited to bid on the project. Include the items of work offered. Describe the methods used for following up initial solicitations to determine with certainty if the DBEs were interested, and the dates of the follow-up. Attach supporting documents such as copies of letters, memos, facsimiles sent, telephone logs, telephone billing statements, and other evidence of solicitation. You are reminded to solicit certified DBEs through all reasonable and available means and provide sufficient time to allow DBEs to respond.
3. Name of selected firm and its status as a DBE for each item of work made available. Include name, address, and telephone number of each DBE that provided a quote and their price quote. If the firm selected for the item is not a DBE, provide the reasons for the selection.
4. Name and date of each publication in which you requested DBE participation for the project. Attach copies of the published advertisements.
5. Names of agencies and dates on which they were contacted to provide assistance in contacting, recruiting, and using DBE firms. If the agencies were contacted in writing, provide copies of supporting documents.
6. List of efforts made to provide interested DBEs with adequate information about the plans, specifications, and requirements of the Contract to assist them in responding to a solicitation. If you have provided information, identify the name of the DBE assisted, the nature of the information provided, and date of contact. Provide copies of supporting documents, as appropriate.
7. List of efforts made to assist interested DBEs in obtaining bonding, lines of credit, insurance, necessary equipment, supplies, and materials, excluding supplies and equipment that the DBE subcontractor purchases or leases from the prime Contractor or its affiliate. If such assistance is provided by you, identify the name of the DBE assisted, nature of the assistance offered, and date assistance was provided. Provide copies of supporting documents, as appropriate.
8. Any additional data to support demonstration of good faith efforts.

The Agency may consider DBE commitments of the second (2<sup>nd</sup>) and third (3<sup>rd</sup>) bidders when determining whether the low bidder made good faith efforts to meet the DBE goal.

#### 2-1.02G DBE RUNNING TALLY OF ATTAINMENTS

After submitting an invoice for reimbursement that includes a payment to a DBE, but no later than the 10th of the following month, the prime contractor/consultant shall complete and email the Exhibit 9- F: Disadvantaged Business Enterprise Running Tally of Payments to [business.support.unit@dot.ca.gov](mailto:business.support.unit@dot.ca.gov) with a copy to the Agency.

2-1.03 BID OPENING:

The Agency publicly opens and reads bids at the time and place shown on the *Notice to Bidders*.

2-1.04 BID RIGGING:

The U.S. Department of Transportation (DOT) provides a toll-free hotline to report bid rigging activities. Use the hotline to report bid rigging, bidder collusion, and other fraudulent activities. The hotline number is (800) 424-9071. The service is available 24 hours seven (7) days a week and is confidential and anonymous. The hotline is part of the DOT's effort to identify and investigate highway construction Contract fraud and abuse and is operated under the direction of the DOT Inspector General.

2-1.05 SUBCONTRACTORS LIST:

Each bid shall have listed therein the name and address of each Subcontractor to whom the bidder proposes to subcontract portions of the work in an amount in excess of one-half of one percent of his total bid or \$10,000, whichever is greater, in accordance with the Subletting and Subcontracting Fair Practices Act, commencing with Public Contract Code Section 4100.

The bidder's attention is directed to other provisions of said Act related to the imposition of penalties for a failure to observe its provisions by using unauthorized Subcontractors or by making unauthorized substitutions.

A sheet for listing the Subcontractors, as required herein by law, is included in the Bid.

2-1.06 JOB SITE AND DOCUMENT EXAMINATION:

The bidder shall examine carefully the site of the work contemplated, the specifications, and the proposal and Contract forms therefor. The submission of a bid shall be conclusive evidence that the bidder has investigated and is satisfied as to the general and local conditions to be encountered, as to the character, quality and scope of work to be performed, the quantities of materials to be furnished and as to the requirements of the proposal, plans, specifications and the Contract.

Where dimensions of new construction required by this contract are dependent on the dimensions of existing features, the Contractor shall verify the controlling field dimensions and shall be responsible for adjusting dimensions of the work to fit existing conditions.

The submission of a bid shall also be conclusive evidence that the bidder is satisfied as to the character, quality and quantity of surface and subsurface materials or obstacles to be encountered insofar as this information was reasonably ascertainable from an inspection of the site as well as from the specifications made a part of the Contract.

All bidder inquiries about the meaning or intent of the Contract Documents submitted to the Engineer shall be in writing. Replies to the inquiries will be in the form of addenda and will be mailed, faxed, or delivered to all parties recorded by the Engineer as having received the bidding documents. Issued addenda shall be considered as part of the Contract Documents. Bidder inquiries received less than ten (10) days prior to the date of bid opening will not be answered. Oral and other interpretations or clarifications will be without legal effect.

The County assumes no responsibility for conclusions or interpretations made by a bidder or Contractor based on the information or data made available by the County. The County does not

assume responsibility for representation made by its officers or agents before the execution of the Contract concerning surface or subsurface conditions, unless that representation is expressly stated in the Contract.

No conclusions or interpretations made by a bidder or Contractor from the information and data made available by the County will relieve a bidder or Contractor from properly fulfilling the terms of the Contract.

### **SECTION 3 - CONTRACT AWARD AND EXECUTION**

#### **3-1.01 GENERAL:**

The bidder's attention is directed to the provisions in Section 3, "Contract Award and Execution," of the Standard Specifications and these special provisions for the requirements and conditions concerning award and execution of Contract.

#### **3-1.02 CONTRACT AWARD:**

If the Agency awards the Contract, the award is made to the lowest responsible bidder.

In lieu of Section 3-1.04, "Contract Award," of the Standard Specification, insert the following:

Bidders who wish to lodge a protest as to the award of the bid must do so before 5 p.m. of the fifth (5<sup>th</sup>) business day following the notice of intent to award the Contract. Failure to timely file a written protest shall constitute a waiver of right to protest. Untimely protests will not be accepted or considered. Bid protests must be submitted, in writing, to: **MONTEREY COUNTY PUBLIC WORKS FACILITIES AND PARKS TO THE ATTENTION OF THE PROJECT MANAGER, 1441 SCHILLING PLACE, 2<sup>ND</sup> FLOOR, SALINAS, CALIFORNIA 93901-2438**. Protests may be hand-delivered or sent via facsimile (831)755-4958, certified United States Postal Service (USPS) mail, or E-mail to the attention of Project Manager Enrique Saavedra at [saavedraem@co.monterey.ca.us](mailto:saavedraem@co.monterey.ca.us). Bid protests must include the project name and project number, a complete statement describing the basis for the bid protest, including a detailed statement of all legal and factual grounds for the protest, any documentation supporting the protestor's grounds for the protest, and the form of relief requested and the legal basis for such relief. The party lodging the protest must also include their contact information including mailing address, telephone number, and E-mail address.

If a valid protest is timely filed, the Department shall investigate the bid protest. The protested bidder shall have three (3) business days to respond to any Department of Public Works requests to provide additional information. The Department shall respond to the protesting party, stating its findings. The Department Director shall make a recommendation to the Board regarding the bid protest.

The award of the Contract, if it be awarded, will be to the lowest responsible bidder soon after bid opening, whose bid complies with all the requirements prescribed.

In determining the lowest "responsible" Bidder, consideration shall be given to the general competency of Bidder in regards to the work covered by the bid.

The Contract shall be executed by the successful bidder and shall be returned, together with the Contract bonds and insurance certificates, to the MONTEREY COUNTY PUBLIC WORKS DEPARTMENT so that it is received within ten (10) days, not including Saturdays, Sundays and legal holidays, after the bidder has received the Contract for execution. Failure to do so shall be just cause for forfeiture of the bid guaranty. The executed Contract documents shall be delivered to the following address:

**MONTEREY COUNTY PUBLIC WORKS FACILITIES AND PARKS, 1441 SCHILLING PLACE, 2<sup>ND</sup> FLOOR, SALINAS, CALIFORNIA, 93901-2438.**

### 3-1.03 CONTRACT BONDS (PUB. CONT. CODE 10221 AND 10222):

In lieu of the second paragraph in Section 3-1.05 “Contract Bonds” of the Standard Specifications, the following shall be inserted:

2. Performance bond to guarantee the faithful performance of the Contract. This bond must be equal to at least One Hundred percent (100%) of the total bid.

The two (2) bonds shall be written by an admitted corporate surety.

### 3-1.04 CONTRACTOR LICENSE:

Attention is directed to the provisions in Section 3-1.06, “Contractor License” of the Standard Specification for federal-aid Contract.

The Contractor must be properly licensed as a Contractor from Contract award through Contract acceptance (Public Contract Code § 10164).

### 3-1.05 CONTRACTOR REGISTRATION WITH THE DEPARTMENT OF INDUSTRIAL RELATIONS:

Attention is directed to Department of Industrial Relations Contractor registration for public works project.

Pursuant to Labor Code Section 1771.1(a), a Contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Public Contract Code Section 4104, or engage in the performance of any Contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Labor Code Section 1725.5. It is not a violation of Labor Code Section 1771.1(a) for an unregistered Contractor to submit a bid that is authorized by Business and Professions Code Section 7029.1 or by Public Contract Code Sections 10164 or 20103.5, provided the Contractor is registered to perform public work pursuant to Labor Code Section 1725.5 at the time the Contract is awarded.

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

For Contractor Registration, go to: <http://www.dir.ca.gov/Public-Works/PublicWorks.html>

## **SECTION 4 - SCOPE OF WORK**

### **4-1.01 WORK DESCRIPTION:**

The general work description for the “River Road Emergency Repair at Fairview Road” is the construction for the repairs of the drainage channel above and below River Rd and Repair of River Road, including but not limited to clearing and grubbing, traffic control, dewatering, excavation and backfill, culvert installation, culvert concrete encasement installation, head walls, retaining walls, wing walls, cutoff walls, drainage system, slope protection including riprap, and pavement. Such other items or details, not mentioned above, that are required by the Plans, Standard Specifications, Standard Plans, or these Special Provisions, shall be performed, placed, constructed, or installed.

### **4-1.02 CHANGED CONDITIONS:**

#### **a. Differing Site Conditions**

1. During the progress of the work, if subsurface or latent physical conditions are encountered at the site differing materially from those indicated in the Contract or if unknown physical conditions of an unusual nature, differing materially from those ordinarily encountered and generally recognized as inherent in the work provided for in the Contract, are encountered at the site, the party discovering such conditions shall promptly notify the other party in writing of the specific differing conditions before the site is disturbed and before the affected work is performed.
2. Upon written notification, the engineer will investigate the conditions, and if it is determined that the conditions materially differ and cause an increase or decrease in the cost or time required for the performance of any work under the Contract, an adjustment, excluding anticipated profits, will be made and the Contract modified in writing accordingly. The engineer will notify the Contractor of the determination whether or not an adjustment of the Contract is warranted.
3. No Contract adjustment which results in a benefit to the Contractor will be allowed unless the Contractor has provided the required written notice.
4. No Contract adjustment will be allowed under this clause for any effects caused on unchanged work unless agreed to by the Engineer.

#### **b. Suspensions of Work Ordered by the Engineer**

1. If the performance of all or any portion of the work is suspended or delayed by the engineer in writing for an unreasonable period of time (not originally anticipated, customary, or inherent to the construction industry) and the Contractor believes that additional compensation and/or Contract time is due as a result of such suspension or delay, the Contractor shall submit to the engineer in writing a request for adjustment within seven (7) calendar days of receipt of the notice to resume work. The request shall set forth the reasons and support for such adjustment.
2. Upon receipt, the engineer will evaluate the Contractor's request. If the engineer agrees that the cost and/or time required for the performance of the Contract has

increased as a result of such suspension and the suspension was caused by conditions beyond the control of and not the fault of the Contractor, its suppliers, or subcontractors at any approved tier, and not caused by weather, the engineer will make an adjustment (excluding profit) and modify the Contract in writing accordingly. The Contractor will be notified of the engineer's determination whether or not an adjustment of the Contract is warranted.

3. No Contract adjustment will be allowed unless the Contractor has submitted the request for adjustment within the time prescribed.
4. No Contract adjustment will be allowed under this clause to the extent that performance would have been suspended or delayed by any other cause, or for which an adjustment is provided or excluded under any other term or condition of this Contract.

c. Significant Changes in the Character of Work

1. The engineer reserves the right to make, in writing, at any time during the work, such changes in quantities and such alterations in the work as are necessary to satisfactorily complete the project. Such changes in quantities and alterations shall not invalidate the Contract nor release the surety, and the Contractor agrees to perform the work as altered.
2. If the alterations or changes in quantities significantly change the character of the work under the Contract, whether such alterations or changes are in themselves significant changes to the character of the work or by affecting other work cause such other work to become significantly different in character, an adjustment, excluding anticipated profit, will be made to the Contract. The basis for the adjustment shall be agreed upon prior to the performance of the work. If a basis cannot be agreed upon, then an adjustment will be made either for or against the Contractor in such amount as the engineer may determine to be fair and equitable.
3. If the alterations or changes in quantities do not significantly change the character of the work to be performed under the Contract, the altered work will be paid for as provided elsewhere in the Contract.
4. The term "significant change" shall be construed to apply only to the following circumstances:
  - When the character of the work as altered differs materially in kind or nature from that involved or included in the original proposed construction; or
  - When a major item of work, as defined elsewhere in the Contract, is increased in excess of One Hundred Twenty Five percent (125%) or decreased below Seventy Five percent (75%) of the original Contract quantity. Any allowance for an increased in quantity shall apply only to that portion in excess of One Hundred Twenty Five percent (125%) of original Contract item quantity, or in case of a decrease below Seventy Five percent (75%), to the actual amount of work performed.

## **SECTION 5 – CONTROL OF WORK**

### **5-1.01 GENERAL:**

The bidder's attention is directed to the provisions in Section 5, "Control of Work" of the Standard Specifications and these Special Provisions related to the Contract parties' relations and Contract acceptance.

### **5-1.02 SUBCONTRACTING:**

Attention is directed to Section 5-1.13, "Subcontracting" of the Standard Specifications.

No subcontract releases the Contractor from the Contract or relieves the Contractor of their responsibility for a subcontractor's work.

If the Contractor violates Public Contract Code Section 4100 et seq., the County of Monterey may exercise the remedies provided under Public Contract Code Section 4110. The County of Monterey may refer the violation to the Contractors State License Board as provided under Public Contract Code Section 4111.

The Contractor shall perform work equaling at least thirty percent (30%) of the value of the original total bid with the Contractor's own employees and equipment, owned or rented, with or without operators.

### **5-1.03 DISADVANTAGE BUSINESS ENTERPRISES (DBE) RECORDS:**

Attention is directed to the requirements specified in Section 5-1.13B (1), "General" of the Standard Specifications.

### **5-1.04 AREAS FOR CONTRACTOR'S USE:**

Attention is directed to the requirements specified in Section 5-1.32, "Areas for Use," of the Standard Specifications and these Special Provisions.

The Contractor staging areas are shown in the Contract Plans.

The County right-of-way shall be used only for purposes that are necessary to perform the required work. The Contractor shall not occupy the right-of-way, or allow others to occupy the right-of-way, for purposes that are not necessary to perform the required work.

There are no County-owned parcels adjacent to the right-of-way for the exclusive use of the Contractor within the Contract limits.

Use of the Contractor's work areas and other County-owned property shall be at the Contractor's own risk, and the County shall not be held liable for any damage to or loss of materials or equipment located within such areas.

The County shall obtain encroachment permits prior to occupying non-County-owned parcels outside the Contract limits.

The Contractor shall remove all equipment, materials, and rubbish from the work areas and other County-owned property, which Contractor occupies and shall leave the areas in a presentable

condition, in accordance with the provisions in Section 4-1.13, "Clean Up," of the Standard Specifications.

The Contractor shall secure at Contractor's own expense any area required for storage of equipment or materials or for other purposes if sufficient area is not available to Contractor within the Contract limits or the Contractor prefers other staging area location.

#### 5-1.05 COORDINATION WITH OTHER ENTITIES:

Attention is directed to Section 5-1.20, "Coordination with other entities," of the Standard Specifications and these Special Provisions.

## **SECTION 6 – CONTROL OF MATERIALS**

#### 6-1.01 GENERAL:

Attention is directed to Section 6, "Control of Materials," of the Standard Specifications and these Special Provisions.

**All materials required to complete the work under this Contract shall be furnished by the Contractor.**

#### 6-1.02 LOCAL MATERIALS:

All Cut and Fill slopes shall be in accordance to the plans. Excess Cut Material must be placed onsite. The engineer shall confirm placement of excess material.

#### 6-1.03 BUY AMERICA:

Attention is directed to Section 6-1.04, "Buy America," of the Standard Specifications and these Special Provisions.

**Furnish steel and iron materials to be incorporated into the work with certificates of compliance and certified mill test reports. Mill test reports must indicate where the steel and iron were melted and manufactured. Steel and iron materials must be produced in the U.S. except:**

1. Foreign pig iron and processed, pelletized, and reduced iron ore may be used in the domestic production of the steel and iron materials [60 Fed Reg 15478 (03/24/1995)];
2. If the total combined cost of the materials does not exceed the greater of 0.1 percent of the total bid or \$2,500, materials produced outside the U.S. may be used.

Production includes:

1. Processing steel and iron materials, including smelting or other processes that alter the physical form or shape (such as rolling, extruding, machining, bending, grinding, and drilling) or chemical composition;
2. Coating application, including epoxy coating, galvanizing, and painting, that protects or enhances the value of steel and iron materials.

**6-1.04 AUTHORIZED MATERIAL LIST:**

The Department maintains list of Authorized Materials List. The Engineer shall not be precluded from sampling and testing products on the list of Authorized Materials List.

The manufacturer of products on the list of Authorized Materials List shall furnish the Engineer a Certificate of Compliance in conformance with the provisions in Section 6-2.03C, "Certificates of Compliance," of the Standard Specifications for each type of product supplied.

For those categories of materials included on the list of Authorized Materials List, only those products shown within the listing may be used in the work. Other categories of products, not included on the list of Authorized Materials List, may be used in the work provided they conform to the requirements of the Standard Specifications and as approved by the engineer.

For the Authorized Material Lists, go to: [http://www.dot.ca.gov/hq/esc/approved\\_products\\_list](http://www.dot.ca.gov/hq/esc/approved_products_list)

**6-1.05 QUALITY ASSURANCE:**

The Department uses a Quality Assurance Program (QAP) to ensure a material is produced to comply with the Contract. The Department may examine the records and reports of tests the prime contractor performs if they are available at the job site. Schedule work to allow time for QAP.

## **SECTION 7 - LEGAL RELATIONS AND RESPONSIBILITY TO THE PUBLIC**

**7-1.01 LABOR NON DISCRIMINATION:**

Attention is directed to the following Notice that is required by Chapter 5 of Division 4 of Title 2, California Code of Regulations.

### **NOTICE OF REQUIREMENT FOR NONDISCRIMINATION PROGRAM (GOVERNMENT CODE SECTION 12990)**

Your attention is called to the "Nondiscrimination Clause", set forth in Section 7-1.02I (2), "Nondiscrimination," of the Standard Specifications, which is applicable to all nonexempt state Contracts and subcontracts, and to the "Standard California Nondiscrimination Construction Contract Specifications" set forth therein. The Specifications are applicable to all nonexempt state construction Contracts and subcontracts of \$5,000 or more.

**7-1.02 LABOR CODE REQUIREMENT:**

Attention is directed to Section 7-1.02K (5), "Working Hours," of the Standard Specifications.

**7-1.03 GENERAL PREVAILING WAGE RATES:**

Attention is directed to Section 7-1.02K (2), "Wages," of the Standard Specifications.

The general prevailing wage rates determined by the Director of Industrial Relations, for the county or counties in which the work is to be done, are available on the Internet at: <http://www.dir.ca.gov/dlsr/pwd/>. These wage rates are not included in the Bid book for the project. Changes, if any, to the general prevailing wage rates will be available at the same location.

The general prevailing rates of per diem, holiday, and overtime wages for each craft, classification, or type of worker needed to execute the Contract are determined in accordance with Labor Code Section 1770, et. seq. and the Contractor shall comply with all applicable sections thereof.

The Contractor shall post the prevailing wage rates at the job site or as directed by the Engineer.

For Federal minimum wage rates see the website <http://www.dot.ca.gov/hq/esc/oe/federal-wages/>.

If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The Department will not accept lower State wage rates not specifically included in the Federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the Contractor and subcontractors shall pay not less than the Federal minimum wage rate, which most closely approximates the duties of the employees in question.

#### 7-1.04 PAYROLL RECORDS:

The Contractor's attention is directed to Section 7- 1.02K(3), "Certified Payroll Records," of the Standard Specifications, and to the provisions of Labor Code Section 1776 (Stats. 1978, Chapter 1249). The Contractor shall be responsible for the compliance with these provisions by his/her/its Subcontractors. The Contractor shall furnish the Engineer with certified payrolls and statement of benefits.

#### 7-1.05 SURFACE MINING AND RECLAMATION ACT:

Attention is directed to the Surface Mining and Reclamation Act of 1975, commencing in Public Resources Code, Mining and Geology, Section 2710, which establishes regulations pertinent to surface mining operations.

Material from mining operations furnished for this project shall only come from permitted sites in compliance with the Surface Mining and Reclamation Act of 1975.

The requirements of this section shall apply to all materials furnished for the project, except for acquisition of materials in conformance with Section 4-1.04, "Use of Materials Found on the Job Site" of the Standard Specifications.

#### 7-1.06 PUBLIC SAFETY:

The Contractor shall provide for the safety of traffic and the public in conformance with the provisions in Section 7-1.03, "Public Convenience" and Section 7-1.04, "Public Safety," of the Standard Specifications and these special provisions.

#### 7-1.07 INDEMNIFICATION AND INSURANCE:

Attention is directed to Section 7-1.05, "Indemnification" and Section 7-1.06 "Insurance," of the Standard Specifications and these Special Provisions.

In addition to all the requirements in Section 7-1.06D (2) of the Standard Specifications, the following additional requirements shall be met. An Additional Insured Endorsement to the Contractor's Liability insurance policy naming the County of Monterey, their officers, agents, and employees as additional insured's in the form approved by the County of Monterey shall also be furnished. A copy of the approved endorsement form may be obtained from the County of Monterey at the address to obtain bid packages as shown in the Notice to Bidders. The insurance afforded to the additional insured's is primary insurance and if the additional insured's have other insurance that might be applicable to any loss, the amount of this insurance shall not be reduced or prorated due to the existence of such other insurance.

The Contractor's insurer agrees to waive subrogation claims against the County of Monterey, their officers, agents, and employees.

Evidence of insurance (Contractual Liability insurance and Additional Insured Endorsement) in compliance with the requirements herein shall be furnished to the County of Monterey by the Contractor with the Certificate of Insurance in the form as approved by the County of Monterey. A copy of the approved certificate form may be obtained from the County of Monterey at the address to obtain bid packages as shown in the Notice to Bidders. Certificates of insurance shall, without any qualification thereto, contain the following statement:

Should any of the described policies be canceled, modified, or reduced in limits before the expiration date thereof, the issuing company will mail 30 days advance written notice to the named certificate holders.

The insurance shall be issued by a company or companies authorized to transact business in the State of California and shall have a rating of at least A- VII in accordance with the current Best's rating.

Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve the Contractor for liability in excess of such coverage, nor shall it preclude the State of California or County of Monterey from taking such other actions as is available to them under any other provision of this Contract (except retainage of money due to the Contractor) or otherwise in law.

Nothing in the Contract is intended to create the public or any member thereof a third party beneficiary hereunder, nor is any term and condition or other provision of the Contract intended to establish a standard of care owed to the public or any member thereof.

Prior to the execution of this Agreement by the County, Contractor shall file certificates of insurance with the County Contracts/Purchasing Department and with the County Director of Public Works, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance promptly after any change is made in any insurance policy that would alter the information of the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

#### 7-1.08 WORKERS' COMPENSATION AND EMPLOYER'S LIABILITY INSURANCE:

Attention is directed to Section 7-1.06C, "Workers' Compensation and Employer's Liability Insurance," of the Standard Specifications.

7-1.09 FORM FHWA-1273 REQUIRED CONTRACT PROVISIONS FEDERAL-AID  
CONTRACTS:

“Section VI. Subletting or Assigning the Contract” does not apply since this project is off the National Highway System (NHS).

## REQUIRED CONTRACT PROVISIONS FEDERAL-AID CONSTRUCTION CONTRACTS

- I. General
- II. Nondiscrimination
- III. Nonsegregated Facilities
- IV. Davis-Bacon and Related Act Provisions
- V. Contract Work Hours and Safety Standards Act Provisions
- VI. Subletting or Assigning the Contract
- VII. Safety: Accident Prevention
- VIII. False Statements Concerning Highway Projects
- IX. Implementation of Clean Air Act and Federal Water Pollution Control Act
- X. Compliance with Governmentwide Suspension and Debarment Requirements
- XI. Certification Regarding Use of Contract Funds for Lobbying

### ATTACHMENTS

A. Employment and Materials Preference for Appalachian Development Highway System or Appalachian Local Access Road Contracts (included in Appalachian contracts only)

### I. GENERAL

1. Form FHWA-1273 must be physically incorporated in each construction contract funded under Title 23 (excluding emergency contracts solely intended for debris removal). The contractor (or subcontractor) must insert this form in each subcontract and further require its inclusion in all lower tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services).

The applicable requirements of Form FHWA-1273 are incorporated by reference for work done under any purchase order, rental agreement or agreement for other services. The prime contractor shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Form FHWA-1273 must be included in all Federal-aid design-build contracts, in all subcontracts and in lower tier subcontracts (excluding subcontracts for design services, purchase orders, rental agreements and other agreements for supplies or services). The design-builder shall be responsible for compliance by any subcontractor, lower-tier subcontractor or service provider.

Contracting agencies may reference Form FHWA-1273 in bid proposal or request for proposal documents, however, the Form FHWA-1273 must be physically incorporated (not referenced) in all contracts, subcontracts and lower-tier subcontracts (excluding purchase orders, rental agreements and other agreements for supplies or services related to a construction contract).

2. Subject to the applicability criteria noted in the following sections, these contract provisions shall apply to all work performed on the contract by the contractor's own organization and with the assistance of workers under the contractor's immediate superintendence and to all work performed on the contract by piecework, station work, or by subcontract.

3. A breach of any of the stipulations contained in these Required Contract Provisions may be sufficient grounds for withholding of progress payments, withholding of final payment, termination of the contract, suspension / debarment or any other action determined to be appropriate by the contracting agency and FHWA.

4. Selection of Labor: During the performance of this contract, the contractor shall not use convict labor for any purpose within the limits of a construction project on a Federal-aid highway unless it is labor performed by convicts who are on parole, supervised release, or probation. The term Federal-aid highway does not include roadways functionally classified as local roads or rural minor collectors.

### II. NONDISCRIMINATION

The provisions of this section related to 23 CFR Part 230 are applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more. The provisions of 23 CFR Part 230 are not applicable to material supply, engineering, or architectural service contracts.

In addition, the contractor and all subcontractors must comply with the following policies: Executive Order 11246, 41 CFR 60, 29 CFR 1625-1627, Title 23 USC Section 140, the Rehabilitation Act of 1973, as amended (29 USC 794), Title VI of the Civil Rights Act of 1964, as amended, and related regulations including 49 CFR Parts 21, 26 and 27; and 23 CFR Parts 200, 230, and 633.

The contractor and all subcontractors must comply with: the requirements of the Equal Opportunity Clause in 41 CFR 60-1.4(b) and, for all construction contracts exceeding \$10,000, the Standard Federal Equal Employment Opportunity Construction Contract Specifications in 41 CFR 60-4.3.

Note: The U.S. Department of Labor has exclusive authority to determine compliance with Executive Order 11246 and the policies of the Secretary of Labor including 41 CFR 60, and 29 CFR 1625-1627. The contracting agency and the FHWA have the authority and the responsibility to ensure compliance with Title 23 USC Section 140, the Rehabilitation Act of 1973, as amended (29 USC 794), and Title VI of the Civil Rights Act of 1964, as amended, and related regulations including 49 CFR Parts 21, 26 and 27; and 23 CFR Parts 200, 230, and 633.

The following provision is adopted from 23 CFR 230, Appendix A, with appropriate revisions to conform to the U.S. Department of Labor (US DOL) and FHWA requirements.

**1. Equal Employment Opportunity:** Equal employment opportunity (EEO) requirements not to discriminate and to take affirmative action to assure equal opportunity as set forth under laws, executive orders, rules, regulations (28 CFR 35, 29 CFR 1630, 29 CFR 1625-1627, 41 CFR 60 and 49 CFR 27) and orders of the Secretary of Labor as modified by the provisions prescribed herein, and imposed pursuant to 23 U.S.C. 140 shall constitute the EEO and specific affirmative action standards for the contractor's project activities under

this contract. The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) set forth under 28 CFR 35 and 29 CFR 1630 are incorporated by reference in this contract. In the execution of this contract, the contractor agrees to comply with the following minimum specific requirement activities of EEO:

a. The contractor will work with the contracting agency and the Federal Government to ensure that it has made every good faith effort to provide equal opportunity with respect to all of its terms and conditions of employment and in their review of activities under the contract.

b. The contractor will accept as its operating policy the following statement:

"It is the policy of this Company to assure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color, national origin, age or disability. Such action shall include: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship, pre-apprenticeship, and/or on-the-job training."

**2. EEO Officer:** The contractor will designate and make known to the contracting officers an EEO Officer who will have the responsibility for and must be capable of effectively administering and promoting an active EEO program and who must be assigned adequate authority and responsibility to do so.

**3. Dissemination of Policy:** All members of the contractor's staff who are authorized to hire, supervise, promote, and discharge employees, or who recommend such action, or who are substantially involved in such action, will be made fully cognizant of, and will implement, the contractor's EEO policy and contractual responsibilities to provide EEO in each grade and classification of employment. To ensure that the above agreement will be met, the following actions will be taken as a minimum:

a. Periodic meetings of supervisory and personnel office employees will be conducted before the start of work and then not less often than once every six months, at which time the contractor's EEO policy and its implementation will be reviewed and explained. The meetings will be conducted by the EEO Officer.

b. All new supervisory or personnel office employees will be given a thorough indoctrination by the EEO Officer, covering all major aspects of the contractor's EEO obligations within thirty days following their reporting for duty with the contractor.

c. All personnel who are engaged in direct recruitment for the project will be instructed by the EEO Officer in the contractor's procedures for locating and hiring minorities and women.

d. Notices and posters setting forth the contractor's EEO policy will be placed in areas readily accessible to employees, applicants for employment and potential employees.

e. The contractor's EEO policy and the procedures to implement such policy will be brought to the attention of employees by means of meetings, employee handbooks, or other appropriate means.

**4. Recruitment:** When advertising for employees, the contractor will include in all advertisements for employees the notation: "An Equal Opportunity Employer." All such advertisements will be placed in publications having a large circulation among minorities and women in the area from which the project work force would normally be derived.

a. The contractor will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minorities and women. To meet this requirement, the contractor will identify sources of potential minority group employees, and establish with such identified sources procedures whereby minority and women applicants may be referred to the contractor for employment consideration.

b. In the event the contractor has a valid bargaining agreement providing for exclusive hiring hall referrals, the contractor is expected to observe the provisions of that agreement to the extent that the system meets the contractor's compliance with EEO contract provisions. Where implementation of such an agreement has the effect of discriminating against minorities or women, or obligates the contractor to do the same, such implementation violates Federal nondiscrimination provisions.

c. The contractor will encourage its present employees to refer minorities and women as applicants for employment. Information and procedures with regard to referring such applicants will be discussed with employees.

**5. Personnel Actions:** Wages, working conditions, and employee benefits shall be established and administered, and personnel actions of every type, including hiring, upgrading, promotion, transfer, demotion, layoff, and termination, shall be taken without regard to race, color, religion, sex, national origin, age or disability. The following procedures shall be followed:

a. The contractor will conduct periodic inspections of project sites to insure that working conditions and employee facilities do not indicate discriminatory treatment of project site personnel.

b. The contractor will periodically evaluate the spread of wages paid within each classification to determine any evidence of discriminatory wage practices.

c. The contractor will periodically review selected personnel actions in depth to determine whether there is evidence of discrimination. Where evidence is found, the contractor will promptly take corrective action. If the review indicates that the discrimination may extend beyond the actions reviewed, such corrective action shall include all affected persons.

d. The contractor will promptly investigate all complaints of alleged discrimination made to the contractor in connection with its obligations under this contract, will attempt to resolve such complaints, and will take appropriate corrective action within a reasonable time. If the investigation indicates that the discrimination may affect persons other than the complainant, such corrective action shall include such other persons. Upon completion of each investigation, the contractor will inform every complainant of all of their avenues of appeal.

**6. Training and Promotion:**

a. The contractor will assist in locating, qualifying, and increasing the skills of minorities and women who are

applicants for employment or current employees. Such efforts should be aimed at developing full journey level status employees in the type of trade or job classification involved.

b. Consistent with the contractor's work force requirements and as permissible under Federal and State regulations, the contractor shall make full use of training programs, i.e., apprenticeship, and on-the-job training programs for the geographical area of contract performance. In the event a special provision for training is provided under this contract, this subparagraph will be superseded as indicated in the special provision. The contracting agency may reserve training positions for persons who receive welfare assistance in accordance with 23 U.S.C. 140(a).

c. The contractor will advise employees and applicants for employment of available training programs and entrance requirements for each.

d. The contractor will periodically review the training and promotion potential of employees who are minorities and women and will encourage eligible employees to apply for such training and promotion.

**7. Unions:** If the contractor relies in whole or in part upon unions as a source of employees, the contractor will use good faith efforts to obtain the cooperation of such unions to increase opportunities for minorities and women. Actions by the contractor, either directly or through a contractor's association acting as agent, will include the procedures set forth below:

a. The contractor will use good faith efforts to develop, in cooperation with the unions, joint training programs aimed toward qualifying more minorities and women for membership in the unions and increasing the skills of minorities and women so that they may qualify for higher paying employment.

b. The contractor will use good faith efforts to incorporate an EEO clause into each union agreement to the end that such union will be contractually bound to refer applicants without regard to their race, color, religion, sex, national origin, age or disability.

c. The contractor is to obtain information as to the referral practices and policies of the labor union except that to the extent such information is within the exclusive possession of the labor union and such labor union refuses to furnish such information to the contractor, the contractor shall so certify to the contracting agency and shall set forth what efforts have been made to obtain such information.

d. In the event the union is unable to provide the contractor with a reasonable flow of referrals within the time limit set forth in the collective bargaining agreement, the contractor will, through independent recruitment efforts, fill the employment vacancies without regard to race, color, religion, sex, national origin, age or disability; making full efforts to obtain qualified and/or qualifiable minorities and women. The failure of a union to provide sufficient referrals (even though it is obligated to provide exclusive referrals under the terms of a collective bargaining agreement) does not relieve the contractor from the requirements of this paragraph. In the event the union referral practice prevents the contractor from meeting the obligations pursuant to Executive Order 11246, as amended, and these special provisions, such contractor shall immediately notify the contracting agency.

**8. Reasonable Accommodation for Applicants / Employees with Disabilities:** The contractor must be familiar

with the requirements for and comply with the Americans with Disabilities Act and all rules and regulations established there under. Employers must provide reasonable accommodation in all employment activities unless to do so would cause an undue hardship.

**9. Selection of Subcontractors, Procurement of Materials and Leasing of Equipment:** The contractor shall not discriminate on the grounds of race, color, religion, sex, national origin, age or disability in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The contractor shall take all necessary and reasonable steps to ensure nondiscrimination in the administration of this contract.

a. The contractor shall notify all potential subcontractors and suppliers and lessors of their EEO obligations under this contract.

b. The contractor will use good faith efforts to ensure subcontractor compliance with their EEO obligations.

#### **10. Assurance Required by 49 CFR 26.13(b):**

a. The requirements of 49 CFR Part 26 and the State DOT's U.S. DOT-approved DBE program are incorporated by reference.

b. The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the contracting agency deems appropriate.

**11. Records and Reports:** The contractor shall keep such records as necessary to document compliance with the EEO requirements. Such records shall be retained for a period of three years following the date of the final payment to the contractor for all contract work and shall be available at reasonable times and places for inspection by authorized representatives of the contracting agency and the FHWA.

a. The records kept by the contractor shall document the following:

(1) The number and work hours of minority and non-minority group members and women employed in each work classification on the project;

(2) The progress and efforts being made in cooperation with unions, when applicable, to increase employment opportunities for minorities and women; and

(3) The progress and efforts being made in locating, hiring, training, qualifying, and upgrading minorities and women;

b. The contractors and subcontractors will submit an annual report to the contracting agency each July for the duration of the project, indicating the number of minority, women, and non-minority group employees currently engaged in each work classification required by the contract work. This information is to be reported on [Form FHWA-1391](#). The staffing data should represent the project work force on board in all or any part of the last payroll period preceding the end of July. If on-the-job training is being required by special provision, the contractor

will be required to collect and report training data. The employment data should reflect the work force on board during all or any part of the last payroll period preceding the end of July.

### III. NONSEGREGATED FACILITIES

This provision is applicable to all Federal-aid construction contracts and to all related construction subcontracts of \$10,000 or more.

The contractor must ensure that facilities provided for employees are provided in such a manner that segregation on the basis of race, color, religion, sex, or national origin cannot result. The contractor may neither require such segregated use by written or oral policies nor tolerate such use by employee custom. The contractor's obligation extends further to ensure that its employees are not assigned to perform their services at any location, under the contractor's control, where the facilities are segregated. The term "facilities" includes waiting rooms, work areas, restaurants and other eating areas, time clocks, restrooms, washrooms, locker rooms, and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing provided for employees. The contractor shall provide separate or single-user restrooms and necessary dressing or sleeping areas to assure privacy between sexes.

### IV. DAVIS-BACON AND RELATED ACT PROVISIONS

This section is applicable to all Federal-aid construction projects exceeding \$2,000 and to all related subcontracts and lower-tier subcontracts (regardless of subcontract size). The requirements apply to all projects located within the right-of-way of a roadway that is functionally classified as Federal-aid highway. This excludes roadways functionally classified as local roads or rural minor collectors, which are exempt. Contracting agencies may elect to apply these requirements to other projects.

The following provisions are from the U.S. Department of Labor regulations in 29 CFR 5.5 "Contract provisions and related matters" with minor revisions to conform to the FHWA-1273 format and FHWA program requirements.

#### 1. Minimum wages

a. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions

of paragraph 1.d. of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under paragraph 1.b. of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

b.(1) The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

(i) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(ii) The classification is utilized in the area by the construction industry; and

(iii) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(2) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(3) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Wage and Hour Administrator for determination. The Wage and Hour Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or

will notify the contracting officer within the 30-day period that additional time is necessary.

(4) The wage rate (including fringe benefits where appropriate) determined pursuant to paragraphs 1.b.(2) or 1.b.(3) of this section, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

c. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

d. If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

## 2. Withholding

The contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor under this contract, or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the contracting agency may, after written notice to the contractor, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

## 3. Payrolls and basic records

a. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-

Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.

b.(1) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the contracting agency. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to the contracting agency for transmission to the State DOT, the FHWA or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the contracting agency..

(2) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(i) That the payroll for the payroll period contains the information required to be provided under §5.5 (a)(3)(ii) of Regulations, 29 CFR part 5, the appropriate information is being maintained under §5.5 (a)(3)(i) of Regulations, 29 CFR part 5, and that such information is correct and complete;

(ii) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR part 3;

(iii) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(3) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph 3.b.(2) of this section.

(4) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

c. The contractor or subcontractor shall make the records required under paragraph 3.a. of this section available for inspection, copying, or transcription by authorized representatives of the contracting agency, the State DOT, the FHWA, or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, the FHWA may, after written notice to the contractor, the contracting agency or the State DOT, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### 4. Apprentices and trainees

##### a. Apprentices (programs of the USDOL).

Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed.

Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly

rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination.

In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

##### b. Trainees (programs of the USDOL).

Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration.

The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration.

Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

c. Equal employment opportunity. The utilization of apprentices, trainees and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

d. Apprentices and Trainees (programs of the U.S. DOT).

Apprentices and trainees working under apprenticeship and skill training programs which have been certified by the Secretary of Transportation as promoting EEO in connection with Federal-aid highway construction programs are not subject to the requirements of paragraph 4 of this Section IV. The straight time hourly wage rates for apprentices and trainees under such programs will be established by the particular programs. The ratio of apprentices and trainees to journeymen shall not be greater than permitted by the terms of the particular program.

**5. Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

**6. Subcontracts.** The contractor or subcontractor shall insert Form FHWA-1273 in any subcontracts and also require the subcontractors to include Form FHWA-1273 in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR 5.5.

**7. Contract termination: debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

**8. Compliance with Davis-Bacon and Related Act requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

**9. Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

**10. Certification of eligibility.**

a. By entering into this contract, the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

b. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1).

c. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001.

**V. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT**

The following clauses apply to any Federal-aid construction contract in an amount in excess of \$100,000 and subject to the overtime provisions of the Contract Work Hours and Safety Standards Act. These clauses shall be inserted in addition to the clauses required by 29 CFR 5.5(a) or 29 CFR 4.6. As used in this paragraph, the terms laborers and mechanics include watchmen and guards.

**1. Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

**2. Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (1.) of this section, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1.) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1.) of this section.

**3. Withholding for unpaid wages and liquidated damages.** The FHWA or the contracting agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2.) of this section.

**4. Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1.) through (4.) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1.) through (4.) of this section.

**VI. SUBLETTING OR ASSIGNING THE CONTRACT**

This provision is applicable to all Federal-aid construction contracts on the National Highway System.

1. The contractor shall perform with its own organization contract work amounting to not less than 30 percent (or a greater percentage if specified elsewhere in the contract) of the total original contract price, excluding any specialty items designated by the contracting agency. Specialty items may be performed by subcontract and the amount of any such specialty items performed may be deducted from the total original contract price before computing the amount of work required to be performed by the contractor's own organization (23 CFR 635.116).

a. The term "perform work with its own organization" refers to workers employed or leased by the prime contractor, and equipment owned or rented by the prime contractor, with or without operators. Such term does not include employees or equipment of a subcontractor or lower tier subcontractor, agents of the prime contractor, or any other assignees. The term may include payments for the costs of hiring leased employees from an employee leasing firm meeting all relevant Federal and State regulatory requirements. Leased employees may only be included in this term if the prime contractor meets all of the following conditions:

- (1) the prime contractor maintains control over the supervision of the day-to-day activities of the leased employees;
- (2) the prime contractor remains responsible for the quality of the work of the leased employees;
- (3) the prime contractor retains all power to accept or exclude individual employees from work on the project; and
- (4) the prime contractor remains ultimately responsible for the payment of predetermined minimum wages, the submission of payrolls, statements of compliance and all other Federal regulatory requirements.

b. "Specialty Items" shall be construed to be limited to work that requires highly specialized knowledge, abilities, or equipment not ordinarily available in the type of contracting organizations qualified and expected to bid or propose on the contract as a whole and in general are to be limited to minor components of the overall contract.

2. The contract amount upon which the requirements set forth in paragraph (1) of Section VI is computed includes the cost of material and manufactured products which are to be purchased or produced by the contractor under the contract provisions.

3. The contractor shall furnish (a) a competent superintendent or supervisor who is employed by the firm, has full authority to direct performance of the work in accordance with the contract requirements, and is in charge of all construction operations (regardless of who performs the work) and (b) such other of its own organizational resources (supervision, management, and engineering services) as the contracting officer determines is necessary to assure the performance of the contract.

4. No portion of the contract shall be sublet, assigned or otherwise disposed of except with the written consent of the contracting officer, or authorized representative, and such consent when given shall not be construed to relieve the contractor of any responsibility for the fulfillment of the contract. Written consent will be given only after the contracting agency has assured that each subcontract is

evidenced in writing and that it contains all pertinent provisions and requirements of the prime contract.

5. The 30% self-performance requirement of paragraph (1) is not applicable to design-build contracts; however, contracting agencies may establish their own self-performance requirements.

**VII. SAFETY: ACCIDENT PREVENTION**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

1. In the performance of this contract the contractor shall comply with all applicable Federal, State, and local laws governing safety, health, and sanitation (23 CFR 635). The contractor shall provide all safeguards, safety devices and protective equipment and take any other needed actions as it determines, or as the contracting officer may determine, to be reasonably necessary to protect the life and health of employees on the job and the safety of the public and to protect property in connection with the performance of the work covered by the contract.

2. It is a condition of this contract, and shall be made a condition of each subcontract, which the contractor enters into pursuant to this contract, that the contractor and any subcontractor shall not permit any employee, in performance of the contract, to work in surroundings or under conditions which are unsanitary, hazardous or dangerous to his/her health or safety, as determined under construction safety and health standards (29 CFR 1926) promulgated by the Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704).

3. Pursuant to 29 CFR 1926.3, it is a condition of this contract that the Secretary of Labor or authorized representative thereof, shall have right of entry to any site of contract performance to inspect or investigate the matter of compliance with the construction safety and health standards and to carry out the duties of the Secretary under Section 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 3704).

**VIII. FALSE STATEMENTS CONCERNING HIGHWAY PROJECTS**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

In order to assure high quality and durable construction in conformity with approved plans and specifications and a high degree of reliability on statements and representations made by engineers, contractors, suppliers, and workers on Federal-aid highway projects, it is essential that all persons concerned with the project perform their functions as carefully, thoroughly, and honestly as possible. Willful falsification, distortion, or misrepresentation with respect to any facts related to the project is a violation of Federal law. To prevent any misunderstanding regarding the seriousness of these and similar acts, Form FHWA-1022 shall be posted on each Federal-aid highway project (23 CFR 635) in one or more places where it is readily available to all persons concerned with the project:

18 U.S.C. 1020 reads as follows:

"Whoever, being an officer, agent, or employee of the United States, or of any State or Territory, or whoever, whether a person, association, firm, or corporation, knowingly makes any false statement, false representation, or false report as to the character, quality, quantity, or cost of the material used or to be used, or the quantity or quality of the work performed or to be performed, or the cost thereof in connection with the submission of plans, maps, specifications, contracts, or costs of construction on any highway or related project submitted for approval to the Secretary of Transportation; or

Whoever knowingly makes any false statement, false representation, false report or false claim with respect to the character, quality, quantity, or cost of any work performed or to be performed, or materials furnished or to be furnished, in connection with the construction of any highway or related project approved by the Secretary of Transportation; or

Whoever knowingly makes any false statement or false representation as to material fact in any statement, certificate, or report submitted pursuant to provisions of the Federal-aid Roads Act approved July 1, 1916, (39 Stat. 355), as amended and supplemented;

Shall be fined under this title or imprisoned not more than 5 years or both."

#### **IX. IMPLEMENTATION OF CLEAN AIR ACT AND FEDERAL WATER POLLUTION CONTROL ACT**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts.

By submission of this bid/proposal or the execution of this contract, or subcontract, as appropriate, the bidder, proposer, Federal-aid construction contractor, or subcontractor, as appropriate, will be deemed to have stipulated as follows:

1. That any person who is or will be utilized in the performance of this contract is not prohibited from receiving an award due to a violation of Section 508 of the Clean Water Act or Section 306 of the Clean Air Act.

2. That the contractor agrees to include or cause to be included the requirements of paragraph (1) of this Section X in every subcontract, and further agrees to take such action as the contracting agency may direct as a means of enforcing such requirements.

#### **X. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION**

This provision is applicable to all Federal-aid construction contracts, design-build contracts, subcontracts, lower-tier subcontracts, purchase orders, lease agreements, consultant contracts or any other covered transaction requiring FHWA approval or that is estimated to cost \$25,000 or more – as defined in 2 CFR Parts 180 and 1200.

##### **1. Instructions for Certification – First Tier Participants:**

a. By signing and submitting this proposal, the prospective first tier participant is providing the certification set out below.

b. The inability of a person to provide the certification set out below will not necessarily result in denial of participation in this

covered transaction. The prospective first tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective first tier participant to furnish a certification or an explanation shall disqualify such a person from participation in this transaction.

c. The certification in this clause is a material representation of fact upon which reliance was placed when the contracting agency determined to enter into this transaction. If it is later determined that the prospective participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the contracting agency may terminate this transaction for cause of default.

d. The prospective first tier participant shall provide immediate written notice to the contracting agency to whom this proposal is submitted if any time the prospective first tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

e. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

f. The prospective first tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

g. The prospective first tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," provided by the department or contracting agency, entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

h. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

i. Nothing contained in the foregoing shall be construed to require the establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of the prospective participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

j. Except for transactions authorized under paragraph (f) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

\*\*\*\*\*

## **2. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – First Tier Participants:**

a. The prospective first tier participant certifies to the best of its knowledge and belief, that it and its principals:

(1) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency;

(2) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(3) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (a)(2) of this certification; and

(4) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

b. Where the prospective participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

### **2. Instructions for Certification - Lower Tier Participants:**

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior FHWA approval or estimated to cost \$25,000 or more - 2 CFR Parts 180 and 1200)

a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which

this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "participant," "person," "principal," and "voluntarily excluded," as used in this clause, are defined in 2 CFR Parts 180 and 1200. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations. "First Tier Covered Transactions" refers to any covered transaction between a grantee or subgrantee of Federal funds and a participant (such as the prime or general contract). "Lower Tier Covered Transactions" refers to any covered transaction under a First Tier Covered Transaction (such as subcontracts). "First Tier Participant" refers to the participant who has entered into a covered transaction with a grantee or subgrantee of Federal funds (such as the prime or general contractor). "Lower Tier Participant" refers any participant who has entered into a covered transaction with a First Tier Participant or other Lower Tier Participants (such as subcontractors and suppliers).

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the \$25,000 threshold.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the Excluded Parties List System website (<https://www.epls.gov/>), which is compiled by the General Services Administration.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the

department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

\*\*\*\*\*

**Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Participants:**

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participating in covered transactions by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

\*\*\*\*\*

**XI. CERTIFICATION REGARDING USE OF CONTRACT FUNDS FOR LOBBYING**

This provision is applicable to all Federal-aid construction contracts and to all related subcontracts which exceed \$100,000 (49 CFR 20).

1. The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

a. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

b. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

2. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

3. The prospective participant also agrees by submitting its bid or proposal that the participant shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such recipients shall certify and disclose accordingly.

#### 7-1.10 FEMALE AND MINORITY GOALS

To comply with Section II, "Nondiscrimination," of "Required Contract Provisions Federal-Aid Construction Contracts," the following are goals for female and minority utilization goals for Federal-aid construction Contracts and subcontracts that exceed \$10,000:

The nationwide goal for female utilization is 6.9 percent (6.9%).

The goals for minority utilization [45 Fed Reg 65984 (10/3/1980)] are as follows:

**MINORITY UTILIZATION GOALS**

For each July during which work is performed under the Contract, you and each non material-supplier subcontractor with a subcontract of \$10,000 or more must complete Form FHWA PR-1391 (Appendix C to 23 CFR 230). Submit the forms by August 15.

#### 7-1.11 FEDERAL TRAINEE PROGRAM:

For the Federal training program, the number of trainees or apprentices is 1.

This section applies if a number of trainees or apprentices are specified in the Special Provisions.

As part of your equal opportunity affirmative action program, provide on-the-job training to develop full journeymen in the types of trades or job classifications involved.

You have primary responsibility for meeting this training requirement.

If you subcontract a Contract part, determine how many trainees or apprentices are to be trained by the subcontractor.

Include these training requirements in your subcontract.

Where feasible twenty five percent (25%) of apprentices or trainees in each occupation must be in their first (1<sup>st</sup>) year of apprenticeship or training.

Distribute the number of apprentices or trainees among the work classifications on the basis of your needs and the availability of journeymen in the various classifications within a reasonable recruitment area.

Before starting work, submit to the County of MONTEREY:

1. Number of apprentices or trainees to be trained for each classification
2. Training program to be used
3. Training starting date for each classification

Obtain the County of MONTEREY approval for this submitted information before you start work. The County of MONTEREY credits you for each apprentice or trainee you employ on the work who is currently enrolled or becomes enrolled in an approved program.

The primary objective of this section is to train and upgrade minorities and women toward journeymen status. Make every effort to enroll minority and women apprentices or trainees, such as conducting systematic and direct recruitment through public and private sources likely to yield minority and women apprentices or trainees, to the extent they are available within a reasonable recruitment area. Show that you have made the efforts. In making these efforts, do not discriminate against any applicant for training.

Do not employ as an apprentice or trainee an employee:

1. In any classification in which the employee has successfully completed a training course leading to journeyman status or in which the employee has been employed as a journeyman.
2. Who is not registered in a program approved by the US Department of Labor, Bureau of Apprenticeship and Training.

Ask the employee if the employee has successfully completed a training course leading to journeyman status or has been employed as a journeyman. Your records must show the employee's answers to the questions.

In your training program, establish the minimum length and training type for each classification. The County of MONTEREY and FHWA approves a program if one (1) of the following is met:

1. It is calculated to:
  - Meet the equal employment opportunity responsibilities.
  - Qualify the average apprentice or trainee for journeyman status in the classification involved by the end of the training period.
2. It is registered with the U.S. Department of Labor, Bureau of Apprenticeship and Training, and it is administered in a way consistent with the equal employment responsibilities of Federal-aid highway construction Contracts.

Obtain the State's approval for your training program before you start work involving the classification covered by the program.

Provide training in the construction crafts, not in clerk-typist or secretarial-type positions. Training is allowed in lower level management positions such as office engineers, estimators, and timekeepers if the training is oriented toward construction applications. Training is allowed in the laborer classification if significant and meaningful training is provided and approved by the division office. Off-site training is allowed if the training is an integral part

of an approved training program and does not make up a significant part of the overall training.

The County of MONTEREY reimburses you 80 cents per hour of training given an employee on this Contract under an approved training program:

1. For on-site training.
2. For off-site training if the apprentice or trainee is currently employed on a Federal-aid project and you do at least one of the following:
  - Contribute to the cost of the training.
  - Provide the instruction to the apprentice or trainee.
  - Pay the apprentice's or trainee's wages during the off-site training period.
3. If you comply this section.

Each apprentice or trainee must:

1. Begin training on the project as soon as feasible after the start of work involving the apprentice's or trainee's skill.
2. Remain on the project as long as training opportunities exist in the apprentice's or trainee's work classification or until the apprentice or trainee has completed the training program.

Furnish the apprentice or trainee with the following:

1. Copy of the program you will comply with in providing the training.
2. Certification showing the type and length of training satisfactorily completed.

#### 7-1.12 TITLE VI ASSURANCES

During the performance of this Agreement, the Contractor, for itself, its assignees and successors in interest (hereinafter collectively referred to as Contractor) agrees as follows:

- a. Compliance with Regulations: CONTRACTOR shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation, Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the REGULATIONS), which are herein incorporated by reference and made a part of this agreement.
- b. Nondiscrimination: CONTRACTOR, with regard to the work performed by it during the AGREEMENT, shall not discriminate on the grounds of race, color, sex, national origin, religion, age, or disability in the selection and retention of sub-applicants, including procurements of materials and leases of equipment. CONTRACTOR shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the agreement covers a program set forth in Appendix B of the Regulations.
- c. Solicitations for Sub-agreements, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by CONTRACTOR for work to be performed under a Sub-agreement, including procurements of materials or leases of equipment, each potential sub-applicant or supplier shall be notified by CONTRACTOR of the CONTRACTOR'S obligations under this Agreement and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
- d. Information and Reports: CONTRACTOR shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit

access to its books, records, accounts, other sources of information, and its facilities as may be determined by the California Department of Transportation or FHWA to be pertinent to ascertain compliance with such Regulations or directives. Where any information required of CONTRACTOR is in the exclusive possession of another who fails or refuses to furnish this information, CONTRACTOR shall so certify to the California Department of Transportation or the FHWA as appropriate, and shall set forth what efforts CONTRACTOR has made to obtain the information.

- e. Sanctions for Noncompliance: In the event of CONTRACTOR's noncompliance with the nondiscrimination provisions of this agreement, the California Department of Transportation shall impose such agreement sanctions as it or the FHWA may determine to be appropriate, including, but not limited to:
  - i. withholding of payments to CONTRACTOR under the Agreement within a reasonable period of time, not to exceed 90 days; and/or
  - ii. cancellation, termination or suspension of the Agreement, in whole or in part.
- f. Incorporation of Provisions: CONTRACTOR shall include the provisions of paragraphs (1) through (6) in every sub-agreement, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto.

CONTRACTOR shall take such action with respect to any sub-agreement or procurement as the California Department of Transportation or FHWA may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that, in the event CONTRACTOR becomes involved in, or is threatened with, litigation with a sub-applicant or supplier as a result of such direction, CONTRACTOR may request the California Department of Transportation enter into such litigation to protect the interests of the State, and, in addition, CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

#### MAINTAIN RECORDS AND SUBMIT REPORTS DOCUMENTING YOUR PERFORMANCE UNDER THIS SECTION

##### 7-1.13 EXCAVATION SAFETY:

Attention is directed to the provisions in Section 7-1.02K (6) (b), "Excavation Safety" of the Standard Specifications and these Special Provisions.

##### 7-1.14 SCOPE:

This item shall consist of performing all work required to meet the Excavation Safety and temporary structures requirements specified in 7-1.02(K) (6) (b). It is the Contractor's responsibility to review and adhere to the recommendations in the geotechnical study titled "GEOTECHNICAL REPORT FOR RIVER ROAD EMERGENCY REPAIR AT FAIRVIEW ROAD, MONTEREY COUNTY, CALIFORNIA" conducted by Kleinfelder:

The design, excavation and installation of the shoring systems and/or cut-slopes are the sole responsibility of the Contractor. All excavations must meet the requirements of 29 CFR 1926.651 and 1926.652 or comparable OSHA approved state plan requirements.

Excavations should have temporary sidewall slopes in accordance with CAL-OSHA guidelines or be mechanically shored. For planning purposes, we have assumed that the onsite soils are consistent with a Type C material as defined by the CAL-OSHA Excavation Safety Manual. Excavations in Type C soils should have a maximum slope gradient of 1½:1 (H:V), and a maximum height of 20 feet. Final slope gradients and height should be determined by the Contractor's excavation/shoring designer. Excavation and/or shoring system designs shall be submitted to the County a minimum of three (3) weeks prior to construction for a review. The Contractor takes sole responsibility for the shoring system.

The geotechnical borings in drainage channel and the undocumented fill encountered on River Road encountered granitic and sandstone boulders up to 39 inches in diameter at depths ranging between 17 and 26 feet. Contractor should expect very difficult drilling and/or pile driving conditions within this stratum.

All temporary shoring should be fully drained and should not obstruct nor significantly change the normal flow of moisture or groundwater through the project soils. Wall drainage should discharge to an approved location.

All shoring backfill to be placed in maximum 8 inch lifts, at a water content which is 1 to 3 percent above the laboratory optimum value. The material should be compacted to at least ninety percent (90%) relative compaction. If a clean gravel backfill is utilized as shoring backfill, it should be compacted in maximum 1 to 2 foot lifts using a vibra-plate or similar equipment. It is recommended that all voids behind the shoring system be completely filled with soil or gravel backfill while the shoring work is in progress.

The "top" of any temporary cut slope and excavations should be set-back at least ten (10) feet (measured horizontally) from any nearby structure or property line. Any excavations which cannot meet this requirement will need to have a shoring system designed to support steeper sidewall gradients.

No excavation shall be allowed until the Excavation Safety Plan has been approved.

#### 7-1.15 EXCAVATION SAFETY (TEMPORARY SHEETING, SHORING, AND BRACING) PAYMENT:

Progress payments for Excavation Safety (Temporary Sheeting, Shoring, and Bracing) will be computed by the Engineer based on his/her estimate of the percentage completion of this item of work. In general, this will be proportional to the percentage completion of the major items of work to which excavation safety is incidental.

Payment for Excavation Safety (Temporary Sheeting, Shoring, and Bracing) shall be made on a lump sum basis at the contract price bid for Bid Item No. 4. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

#### 7-1.16 USE OF UNITED STATES-FLAG VESSELS:

The CONTRACTOR agrees -

1. To utilize privately owned United States-flag commercial vessels to ship at least fifty percent (50%) of the gross tonnage (computed separately for dry bulk carries, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this Contract, to the extent such vessels are available at fair and reasonable rates for United States-flag commercial vessels.
2. To furnish within 20 days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated "on board" commercial ocean bill-of-lading in English for each shipment of cargo described in paragraph (1) of this section to both the Contracting Officer (through the prime Contractor in the case of subcontractor bills-of-lading) and to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20690.
3. To insert the substance of the provisions of this clause in all subcontracts issued pursuant to this Contract.
4. Maintain records and submit reports documenting your performance under this section

## **SECTION 8 - PROSECUTION AND PROGRESS**

### **8-1.01 BEGINNING OF WORK, TIME OF COMPLETION, AND LIQUIDATED DAMAGES:**

Attention is directed to the provisions in Section 8-1.04, "Start of Job Site Activities;" in Section 8-1.05 "Time", and in Section 8-1.10, "Liquidated Damages;" of the Standard Specifications and these Special Provisions.

The Contractor shall begin work within 15 calendar days of the issuance of the "Notice to Proceed" by the County of Monterey.

This work shall be diligently prosecuted to completion before the expiration of **ONE HUNDRED AND FORTY FIVE (145) CALENDAR DAYS** beginning on the fifteenth calendar day after the date shown on the Notice to Proceed.

The Contractor shall pay to the County of Monterey the liquidated damages amount shown in Section 8-1.10A of the Standard Specifications for each and every calendar day delay in finishing the work in excess of the number of working days prescribed above.

The Contractor may initiate a "Request for a Suspension of Working Days" for a period of time, or to a specified date agreed to by the Contractor and the Engineer, for the purpose of preparing shop drawings, to procure materials, and to fabricate the steel bridge barrier railing elements. The Contractor may request in writing a suspension of work during the winter months when the controlling item of work cannot be conducted due to restrictions on work within the riparian area that are listed in the project Permits, Licenses, Agreements and Certifications (PLAC). The Engineer may approve and grant the winter month suspension after negotiation and concurrence with the Contractor on the beginning and ending dates of the suspension. No on-site work will occur during the period of suspension of working days. Working Days on site shall resume after the expiration of the Suspension of Working Days.

Attention is directed to the provisions in Section 8-1.04, "Start of Job Site Activities;" in Section

8-1.05 "Time", and in Section 8-1.10, "Liquidated Damages;" of the Standard Specifications and these Special Provisions.

8-1.02 PRE-CONSTRUCTION CONFERENCE:

In lieu of Section 8-1.03, "Preconstruction Conference," of the Standard Specifications, the County of Monterey inserts the following:

A pre-construction conference will be held at the office of the MONTEREY COUNTY, PUBLIC WORKS AND FACILITIES, 1141 SCHILLING PLACE, 2<sup>ND</sup> FLOOR, SALINAS, CALIFORNIA 93901, where the "Notice to Proceed" will be issued and for the purpose of discussing with the Contractor the scope of work, Contract drawings, Specifications, existing conditions, materials to be ordered, equipment to be used, and all essential matters pertaining to the prosecution of and the satisfactory completion of the project as required. The Contractor's representatives at this conference shall include all major superintendents for the work and may include major subcontractors.

8-1.03 SCHEDULE:

Comply with Section 8-1.02(C), "Level 2 Critical Path Method Schedule," of the Standard Specifications, unless otherwise authorized in writing by the Engineer.

The schedule software must be compatible with the current version of the Microsoft Windows operating system in use by the Engineer.

Full compensation for submitting the required schedules shall be considered as included in the Contract prices paid for the various items of work involved, and no additional compensation shall be allowed therefor.

## **SECTION 9 – PAYMENT**

### **9-1.01 PROMPT PAYMENT FROM THE AGENCY TO THE CONTRACTORS:**

The County shall make any progress payment within 30 days after receipt of an undisputed and properly submitted payment request from a contractor on a construction contract. If the Agency fails to pay promptly, the Agency shall pay interest to the contractor, which accrues at the rate of 10 percent per annum on the principal amount of a money judgment remaining unsatisfied. Upon receipt of a payment request, the Agency shall act in accordance with both of the following:

1. Each payment request shall be reviewed by the Agency as soon as practicable after receipt for the purpose of determining that it is a proper payment request.
2. Any payment request determined not to be a proper payment request suitable for payment shall be returned to the contractor as soon as practicable, but not later than seven (7) days, after receipt. A request returned pursuant to this paragraph shall be accompanied by a document setting forth in writing the reasons why the payment request is not proper.

### **9-1.02 PROGRESS PAYMENTS AND PAYMENTS AFTER CONTRACT ACCEPTANCE:**

Attention is directed to Section 9-1.16, "Progress Payments," and 9-1.17 "Payment After Contract Acceptance," of the Standard Specifications and these special provisions.

In lieu of Section 9-1.16C, "Materials On Hand," of the Standard Specifications, the following shall be inserted:

No progress payment will be made for any materials on hand which are furnished but not incorporated in the work.

### **9-1.03 ARBITRATION:**

Section 9-1.22, "Arbitration," as defined in the Standard Specifications, is deleted from this Contract. In lieu of arbitration, the following shall apply (from the Public Contract Code):

- A. Application of article; inclusion of article in plans and specifications (Public Contract Code Section 20104):
  - 1a. This article applies to all public works claims of three hundred seventy-five thousand dollars (\$375,000) or less which arise between a Contractor and the County of Monterey.
  - 1b. This article shall not apply to any claims resulting from a Contract between the Contractor and the County of Monterey when the public agency has elected to resolve any disputes pursuant to Article 7.1 (commencing with Section 10240) of Chapter 1 of Part 2, of the Public Contract Code).
  - 2a. "Public Work" has the same meaning as in Public Contract Code Section 1101 but does not include any work or improvement contracted for by the state or the Regents of the University of California.
  - 2b. "Claim" means a separate demand by the Contractor for (A) a time extension, (B) payment of money or damages arising from work done by or on behalf of the Contractor

pursuant to the Contract for a public work and payment of which is not otherwise expressly provided for or the claimant is not otherwise entitled to, or (C) an amount the payment of which is disputed by the local agency.

3. The provisions of this article or a summary thereof shall be set forth in the plans or specifications for any work, which may give, rise to a claim under this article.
4. This article applies only to Contracts entered into on or after January 1, 1991.

B. Claims; requirements (Public Contract Code 20104.2):

For any claim subject to this article, the following requirements apply:

1. The claim shall be in writing and include the documents necessary to substantiate the claim. Claims must be filed on or before the date of final payment. Nothing in this subdivision is intended to extend the time limit or supersede notice requirements otherwise provided by Contract for the filing of claims.
  - 2a. For Claims of less than fifty thousand dollars (\$50,000), the local agency shall respond in writing to any written claim within 45 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims the local agency may have against the claimant.
  - 2b. If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the local agency and the claimant.
  - 2c. The local agency's written response to the claim, as further documented, shall be submitted to the claimant within 15 days after receipt of the further documentation or within a period of time no greater than that taken by the claimant in producing the additional information, whichever is greater.
- 3a. For claims of over fifty thousand dollars (\$50,000) and less than or equal to three hundred seventy-five thousand dollars (\$375,000), the local agency shall respond in writing to all written claims within 60 days of receipt of the claim, or may request, in writing, within 30 days of receipt of the claim, any additional documentation supporting the claim or relating to defenses or claims the local agency may have against the claimant.
  - 3b. If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the local agency and the claimant.
  - 3c. The local agency's written response to the claim, as further documented, shall be submitted to the claimant within 30 days after receipt of the further documentation, or within a period of time no greater than that taken by the claimant in producing the additional information or requested documentation, whichever is greater.
4. If the claimant disputes the local agency's written response, or the local agency fails to respond within the time prescribed, the claimant may so notify the local agency, in writing, either within 15 days of receipt of the local agency's response or within 15 days

of the local agency's failure to respond within the time prescribed, respectively, and demand an informal conference to meet-and-confer for settlement of the issues in dispute. Upon a demand, the local agency shall schedule a meet-and-confer conference within 30 days for settlement of the dispute.

5. If following the meet-and-confer conference the claim or any portion remains in dispute, the claimant may file a claim pursuant to Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code. For purposes of those provisions, the running of the period of time within which a claim must be filed shall be tolled from the time the claimant submits his or her written claim pursuant to Section 915(a) of the Government Code until the time the claim is denied, including any period of time utilized by the meet and confer conference.
- C. Procedures for civil actions filed to resolve claims (Public Contracts Codes 20104.4): The following procedures are established for all civil actions filed to resolve claims subject to this article:
1. Within 60 days, but no earlier than 30 days, following the filing or responsive pleadings, the court shall submit the matter to nonbinding mediation unless waived by mutual stipulation of both parties. The mediation process shall provide for the selection within 15 days by both parties of a disinterested third person as mediator, shall be commenced within 30 days of the submittal, and shall be concluded within 15 days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court.
  - 2a. If the matter remains in dispute, the case shall be submitted to judicial arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) Title 3 of Part 3 of the Code of Civil Procedure, notwithstanding Section 1141.11 of that code. The Civil Discovery Act of 1986 Article 3 (commencing with Section 2016) of Chapter 3 of Title 3 of Part 4 of the Code of Civil Procedure) shall apply to any proceeding brought under this subdivision consistent with the rules pertaining to judicial arbitration.
  - 2b. In addition to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, (A) arbitrators shall, when possible, be experienced in construction law, and (B) any party appealing an arbitration award who does not obtain a more favorable judgment shall, in addition to payment of costs and fees under that chapter, also pay the attorney's fees on appeal of the other party.
- D. Payment by local agency of undisputed portion of claim; interest on arbitration award or judgment (Public Contract Code 20104.6):
1. The County of Monterey shall not fail to pay money as to any portion of a claim that is undisputed except as otherwise provided in the Contract.
  2. In any suit filed under Section 20104.4, Monterey County shall pay interest at the legal rate on any arbitration award or judgment. The interest shall begin to accrue the date the suit is filed in a court of law.

9-1.04 MOBILIZATION:

Attention is directed to the provisions in Section 9-1.16D, "Mobilization" of the Standard Specifications and these Special Provisions.

9-1.05 SCOPE:

Mobilization includes preliminary services, work and operations, including but not limited to, furnishing required bonds, obtaining necessary permits and work areas, the movement of labor, supplies, equipment and incidentals to the work site, and for all other work, services and operations which must be performed or for which costs are incurred prior to performing work of the other Contract items.

9-1.06 PAYMENT:

Payment for Mobilization shall be made on a lump sum basis and shall be paid at the contract price bid for Bid Item No. 1 in accordance with 9-1.17 "Payment after Contract Acceptance" of the Standard Specifications. Such payment will be considered full compensation for furnishing all labor, materials, tools, equipment, and in doing all the work required per the Plans, Special Provisions and Standard Specifications.

## **DIVISION II GENERAL CONSTRUCTION**

### **SECTION 10 – GENERAL**

#### **10-1.01 WORK SEQUENCING:**

It is the Contractor's responsibility to develop a Construction Schedule, which outlines the sequence of work for the project. The Engineer must approve the Construction Schedule prior to the commencement of any work.

**River Road and Fairview Road cannot be closed for more than four (4) weeks and no more than two (2) weeks at a time.**

#### **10-1.02 DEVELOP WATER CONNECTION**

Contractor must provide all water to be used during construction. Payment for Bid Item No. 7 to Develop Water Connection shall be paid on a lump sum basis at the contract price bid for Bid Item No. 7.

#### **10-1.03 SURVEY AND CONSTRUCTION STAKING**

**Contractor is responsible to perform all survey and construction staking for the project.** The County of Monterey will provide the Contractor the County Right of Way information and Control Points in AutoCAD format. Payment for Survey and Construction Staking shall be paid on a lump sum basis at the contract price bid for Bid Item No. 8.

#### **10-1.04 TEMPORARY SHEETING, SHORING, AND BRACING**

The contract lump sum price for Trench Sheet piling, Shoring, and Bracing per Bid Item No. 4 includes full compensation for furnishing all labor, materials, tools, equipment, and incidentals, and for doing all work involved in Trench Sheet piling and Shoring and Bracing, including but not necessarily limited to installation, maintenance and removal, complete in place, as shown on the plans, as specified in the Standard Specifications and these special provisions, and as accepted by the Engineer.

## **SECTION 12 TRAFFIC CONTROL**

#### **12-1.01 GENERAL:**

River Road and Fairview Road are currently open.

#### **12-1.02 TEMPORARY MESSAGE SIGN:**

Temporary message signs shall be furnished, placed, and maintained at a maximum of six (6) locations designated by the Engineer and shall conform to the provisions in Section 12-3, "Temporary Traffic Control Devices" of the Standard Specifications and these Special Provisions. Messages displayed on the portable temporary message signs shall conform to Section 12-4, "Maintaining Traffic," of these Special Provisions."

Seven (7) calendar days prior to the start of work, message signs shall be placed at minimum, at both begin and end limits of construction, warning the public of expected road closure and delays due to construction activities.

#### 12-1.03 CLOSURE REQUIREMENTS:

**River Road and Fairview Road cannot be closed for more than six (6) weeks and no more than four (4) weeks at a time during the construction of improvements per the Plans.** Contractor shall be responsible for preparing and submitting Traffic Control Plans to the County for permitting approval.

Replace Section 12-4.02, "Traffic Control Systems," of the Standard Specifications with;

#### 12-1.04 TRAFFIC CONTROL SYSTEMS

This section 12-1.04 includes specifications for providing a traffic control system to close traffic lanes, shoulders, ramps, and connectors.

#### 12-1.05 GENERAL:

This section includes specifications for closing traffic lanes with stationary lane closures on two (2)-lane, two (2)-way highways, multi lanes, two (2)-way highways, and single lane, two (2)-way highways. The traffic control system for a lane closure must comply with County requirements.

#### 12-1.06 MATERIALS:

Vehicles equipped with attenuators must comply with section 12-1.03, "Impact Attenuator Vehicle," of these special provisions.

A new attenuator that is proposed as equal to the authorized attenuators or attenuators ordered for recertification must not be used until authorized by the Engineer.

#### 12-1.07 CONSTRUCTION:

Minimum seven (7) business days prior to lane closure on one road lane which will take place, the Contractor shall install warning signs which include Date and Time for road closure at road intersections and at a maximum of six (6) locations determined by the Engineer. Coordination with the County Traffic Engineer is mandatory at least five (5) business days in advance of all road closures. In the events of medical emergency or fire, the Contractor shall open the road access for the emergency personnel.

#### 12-1.08 CONSTRUCTION FUNDING IDENTIFICATION SIGN:

Install 2 - 48" by 30" inch construction project funding identification signs at the location determined by the Engineer before starting major work activities visible to highway users.

Dispose of construction project funding identification signs upon completion of the project if authorized.

#### 12-1.09 TRAFFIC CONTROL PAYMENT:

Payment for Traffic Control shall be paid on a lump sum basis at the contract price bid for Bid Item No. 5. Such payment will be considered full compensation for furnishing all labor, materials, tools, equipment, including, but not limited to, placing, operating, maintaining, repairing, transporting

from location to location and removing the portable changeable message signs, required to complete the traffic control duty per the Plans, Special Provisions and Standard Specifications.

## **SECTION 13 – WATER POLLUTION CONTROL**

### **13-1.01 WATER POLLUTION CONTROL PROGRAM:**

Water Pollution Control shall conform to the provisions in Section 13, "Water Pollution Control," of the Standard Specifications and these special provisions.

### **13-1.02 GENERAL:**

This item shall consist of preparation and implementation of a Storm Water Pollution Prevention Plan (SWPPP) in accordance with California Storm Water Best Management Handbook and as approved by the County, preventing, controlling, and abating discharges of pollutants from the construction site, and shall be performed in accordance with the Standard Specifications, the Plans, and these Special Provisions.

### **13-1.03 JOB SITE MANAGEMENT:**

Job Site Management shall conform to the provisions in section 13-4, "Job Site Management" of the Standard Specifications.

### **13-1.04 TEMPORARY SEDIMENT CONTROL:**

Temporary Sediment Control shall conform to the provisions in section 13-6, "Temporary Sediment Control" of the Standard Specifications and these special provisions.

### **13-1.05 CONSTRUCTION METHOD:**

Water pollution control proposed by the Contractor shall be approved by the County. All work shall be performed in accordance with Sections 13-1.01C, 13-2.01C, 13-3.01C, 13-4.01C, 13-4.03A-F, 13-7.02A, 13-7.03A, 13-8.01C, 13-9.01C, 13-10.01C.

### **13-1.06 WATER POLLUTION CONTROL PAYMENT:**

Payment for Water Pollution Control shall be made on a lump sum basis at the contract price bid for Bid Item No. 2 in accordance with Section 13. Such payment shall be considered full compensation for furnishing all labor, material, tools, all equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

## **SECTION 14 – ENVIRONMENTAL STEWARDSHIP**

### **14-1.01 GENERAL:**

Attention is directed to Section 14, "Environmental Stewardship," of the Standard Specifications and these Special Provisions.

### **14-1.02 HAZARDOUS WASTE AND CONTAMINATION:**

Hazardous Waste and Contamination shall conform to the provisions in Section 14-11, "Hazardous Waste and Contamination" of the Standard Specification. Attention is directed to Section 14-11.02 "Discovery Unanticipated of Asbestos and Hazardous Substances," and Section 14-11.03 "Hazardous Waste Management" of the Standard Specification and this special provision.

If delay of work in the area, due to unanticipated discovery of asbestos or hazardous substances, delays the current controlling operation, the delay will be considered as right of way delay and the Contractor will be compensated for the delay in conformance with the provisions in Section 8-1.07, "Delays," of the Standard Specifications.

In conformance with Section 25914.1 of the Health and Safety Code, removal of asbestos or hazardous substances including exploratory work to identify and determine the extent of the asbestos or hazardous substance will be performed by separate Contract.

The Department reserves the right to use other forces for exploratory work to identify and determine the extent of such material and for removing hazardous material from such area.

#### 14-1.03 AIR QUALITY:

Comply with section 14-9, "Air Quality," of the Standard Specifications.

The Contractor will comply with the following requirements:

1. Water all active construction areas at least twice daily. Frequency should be based on the type of operation, soil and wind exposure.
2. Prohibit all grading activities during periods of high wind (over 15 MPH).
3. Apply chemical soil stabilizers on inactive construction areas (disturbed lands within construction projects that are unused for at least four consecutive days).
4. Apply non-toxic binders (e.g., latex acrylic copolymer) to exposed areas after cut and fill operations and hydroseed areas (see Erosion Control Plan).
5. Cover all trucks hauling soil, sand, and other loose materials or require all trucks to maintain at least two (2) feet of freeboard.
6. Replant vegetation in disturbed areas as quickly as possible (see Erosion Control).
7. Limit traffic speeds on unpaved roads to 15 MPH.
8. Install sandbags or other erosion control measure to prevent silt runoff to public roadways (see Erosion Control Plan).

Dust control is included in the Contract lump sum price paid for Water Pollution Control.

#### 14-1.04 PROJECT PROTECTED SPECIES

Sensitive habitats have been identified within the project area and include open waters/channel and riparian corridors, both of which are considered Waters of the State (riparian habitat includes the extent of riparian vegetation, or the area within 100-year flood elevation, whichever is larger). There are no protected species that are expected to occur within or adjacent to the project area.

#### 14-1.05 CONSERVATION MEASURES

The following conservation measures will reduce the impacts to the biological resources:

1. Preconstruction Surveys. Preconstruction surveys for nesting birds shall be conducted within seven (7) days of the start of construction (including the removal or trimming of trees). Surveys shall cover areas within 250 feet of the project area for passerines and 500 feet for raptors. Any active nests should be either 1) protected by a no-work zone buffer of 250-500 feet (for passerines or raptors, respectively), or 2) monitored daily for signs that construction is disturbing the nests. These two (2) options shall be implemented until a qualified biologist determines that the young in the nest have fledged.
2. Start-up Meeting. As part of the pre-construction meeting and prior to any construction activities on site, a review of all required permits and notifications shall be held to ensure requirements for environmental compliance are fully understood, specific limits of activities and work are defined and understood, and all environmental clearances and access, encroachment agreements, and permissions have been obtained from the appropriate agencies and parties.
3. Worker Education Program. Contractor's personnel at the site shall attend a Worker Educational Program conducted by a qualified biologist/environmental analyst obtained by the County.

The program will summarize relevant laws and regulations that protect biological resources, discuss sensitive plant communities and special-status species with the potential to occur in the work area, explain the role and authority of the biological monitors, and review applicable avoidance and minimization measures to protect federally protected species and their habitat.

The program will also summarize relevant laws and regulations that protect undiscovered cultural resources. Although there are no known resources that are located within or adjacent to the project area, the chance of discovering unknown resources is always present with ground disturbance. The program will review the measures that will be undertaken in the event that previously undiscovered cultural resources are discovered through project implementation to protect and minimize potential impacts on these resources.

Workers must receive Worker Education Program training before performing on-site work. Workers include laborers, tradesmen, material suppliers, equipment maintenance personnel, supervisors, foremen, office personnel, food vendors, and other personnel who stay on the project longer than 30 minutes.

4. Environmentally and Culturally Sensitive Areas. Prior to construction activities, environmentally and culturally sensitive areas will be flagged or fenced to clearly delineate the extent of construction by a qualified biologist, qualified archaeologist, and contractor and/or County representative. All crews will also have a set of drawings showing the locations of environmentally and culturally sensitive areas. Fencing shall be per Section 16-2.03 of the Standard Specifications. A cultural resources monitor shall be present during initial ground disturbing activities to determine whether artifacts are

present and/or likely to be found, and any ongoing project cultural resource monitoring needs.

5. Daytime Work. All work shall be restricted to daytime hours, noisy activities shall be located away from sensitive noise receptors, and other noise minimization practices implemented
6. Construction Access and Staging: Potential construction access, staging, storage, and parking areas are shown on Sheet X-01 "Demolition and Staging Plan". Vehicle travel adjacent to sensitive habitats will be limited to existing roads and designated access paths, and vehicle speeds will not exceed 15 miles per hour.
7. Work Area Cleanliness. All foods and food-related trash items will be enclosed in sealed trash containers and removed from the site at the end of each work day.
8. Pets. No pets shall be allowed in the project area.
9. Work in Dry Conditions. No work activities shall occur in areas of flowing or standing water.
10. Dewatering/Diversions. A dewatering plan is only required if work in waters of the state (including the 100 year flood elevation) occurs after September 1, 2021. This plan must be written by a qualified biologist and approved by both RWQCB and CDFW. It is not anticipated that dewatering/diversions will be required for the project.
11. Equipment Maintenance and Hazardous Materials. All equipment shall be maintained so that there are no fluid leaks such as gasoline or oil. Hazardous materials such as fuels and oils shall be stored in sealable containers in a designated location a minimum of 200 feet from waters of the state (areas within the 100 year flood elevation). Equipment stored overnight shall be at staging areas and shall be positioned over drip pans. Secondary containment structures shall be incorporated to prevent spills and provide for prompt cleanup in the event of a spill.
12. Erosion Control Material. Only tightly woven fiber netting or similar material will be used for erosion control. All erosion control materials must be free of plastic. See Erosion Control sheet in the Plans.
13. Vegetation Clearing. The two (2) trees and other vegetation identified for removal may be trimmed and/or removed as necessary after preconstruction surveys for birds (see Preconstruction Surveys, above). Any additional trees that must be removed shall be measured (diameter at breast height) and reported to the qualified biologist prior to removal.
14. Invasive Plant Species. The Contractor shall implement the following measures to reduce the spread of invasive plant species in temporary work areas and along the project corridor:
  - a. Inspect and clean construction equipment prior to grading to minimize the spread of invasive plant species into nearby creek banks and areas of exposed soil.

- b. Minimize vehicle travel through weed-infested areas.
  - c. Minimize soil disturbance and the removal of existing vegetation (exotic or native) to the extent feasible during construction activities.
  - d. Use only certified weed-free straw and mulch or weed-free fiber roll barriers or sediment logs for erosion control.
  - e. Use only certified weed-free native seed mixes and native plants that are appropriate to the pre-existing or adjacent natural habitat for revegetation. Seed mixes for hydroseeding/erosion control must be approved by the qualified biologist.
  - f. At sites where ground-disturbance is required, remove pre-existing invasive plant species that are growing in the work area.
15. Habitat Restoration following Construction. Upon project completion, all temporarily disturbed natural areas, including stream banks, shall be returned to pre-project contours to the maximum extent feasible. Affected stream banks or stream channels will be stabilized prior to the rainy season and /or prior to reestablishing flow. Native vegetation shall be re-established after erosion control is installed, using a planting palette determined by a qualified biologist.
16. All construction debris and associated materials shall be removed from the work site upon completion of the project.
17. Refueling of equipment shall take place within turnouts or staging areas at least 50 feet from the top of bank.

Full compensation for conforming to the provisions in this section not otherwise provided for, shall be considered in prices paid for the various Contract items of work involved and no additional compensation shall be allowed therefor.

#### 14-1.06 MITIGATION FOR IMPACTS TO WATERS OF THE STATE

Mitigation required by the RWQCB and CDFW for permanent impacts to waters of the state (including riparian habitat) will be achieved off site.

#### 14-1.07 TREE PLANTING

The location, type, and quantity of trees to be planted will need to be coordinated with the Environmental Agency. Payment for Tree Planting shall be made as an each (ea) basis as the contract price for Bid Item No. 48.

### **SECTION 15 – EXISTING FACILITIES**

The work performed in connection with existing facilities shall conform to the provisions in Section 15, "Existing Facilities," of the Standard Specifications and these special provisions.

15-1.01 EXISTING UTILITIES:

**The Contractor must pothole all existing utilities as first order of work prior to the construction of proposed improvements.**

There are overhead electrical/telephone lines and power poles within the Project site. The power poles are generally located near the edge of pavement along River Road and Fairview Road. If required, the power poles shall be relocated by Pacific Gas and Electric Company and AT&T concurrently.

There are existing 3-inch Fiber Optic Lines located near the edge of the pavement on both sides of River Road. Contractor must coordinate relocation with the Utility agency/cies prior to start of construction.

There is an existing 48-inch corrugated metal pipe (CMP) crossing River Road. This pipe shall be removed in its entirety. Payment for Removal of existing 60-inch Storm Drain Pipe shall be made on a linear feet basis at the contract price bid for Bid Item No. 18. Such payment shall be considered full compensation for furnishing all labor, material, tools, and equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

There is an existing concrete culvert crossing Fairview Road at the intersection with River Road. This culvert shall remain and must be protected in place.

Existing Trees to be removed are identified in the project plans. Contractor must coordinate trees to be removed with engineer prior to tree removal. Payment for Tree Removal shall be made as an each (ea) basis at the contract price for Bid Item No. 47.

Existing Mailboxes to be removed and replaced are identified in the project plans. Contractor must install temporary mailboxes outside the work limits to allow resident to continue to access and receive their mail. Payment for Removal and Replacement of mailboxes shall be made as an each (ea) basis as the contract price for Bid Item No. 50.

Existing Fence to be removed and replaced as identified in the project plans. The existing fence is comprised of wood and steel. Contractor must coordinate fence removal and placement with the Engineer. Payment for Removal and Replacement of fence shall be made as a lineal feet basis at the contract price for Bid Item No. 51.

There is an existing CMU Wall and Vineyard Sign at the intersection of River Road and Fairview Road. This CMU Wall and Vineyard sign will need to be removed and replaced. Payment for Removal and Replacement of CMU Wall and Vineyard Sign shall be made as a lump sum basis at the contract price for Bid Item No. 49.

15-1.02 OBSTRUCTION

Attention is directed to Section 15, "Existing Facilities," and Section 5-1.36, "Property and Facility Preservation," of the Standard Specifications and these special provisions.

The Contractor shall notify in writing the following utilities and agencies five (5) days prior to the beginning of construction:

The Contractor's attention is directed to the existence of certain underground facilities that may require special precautions be taken by the Contractor to protect the health, safety and welfare of workmen and of the public. Facilities requiring special precautions include, but are not limited to: conductors of petroleum products, oxygen, chlorine, and toxic or flammable gases; natural gas in pipelines greater than six (6) inches in diameter or pipelines operating at pressures greater than 60 psi (gage); underground electric supply system conductors or cables, with potential to ground of more than 300 volts, either directly buried or in duct or conduit which does not have concentric grounded conductors or other effectively grounded metal shields or sheaths.

The Contractor shall notify the Engineer and the appropriate regional notification center for operators of subsurface installations at least two (2) working days, but not more than 14 calendar days, prior to performing any excavation or other work close to any underground pipeline, conduit, duct, wire or other structure. Regional notification centers include, but are not limited to, the following:

Notification Center	Telephone Number
Underground Service Alert-Northern California (USA)	(800) 642-2444 (800) 227-2600
Western Utilities Underground Alert (Inc.)	(800) 424-3447

Full compensation for conforming to the provisions in this section not otherwise provided for, shall be considered in prices paid for the various Contract items of work involved and no additional compensation shall be allowed therefor.

## **DIVISION III EARTHWORK AND LANDSCAPE**

### **SECTION 17 – GENERAL**

#### **17-1.01 CLEARING AND GRUBBING:**

Contractor shall comply with Section 17-2, “Clearing and Grubbing” of the Standard Specifications and these Special Provisions.

#### **17-1.02 GENERAL:**

This item shall consist of clearing and grubbing of the project work area, and disposal of materials removed, in accordance with these Specifications.

All foundation elements from existing structures must be completely removed from the areas. Tree removal should include the entire stump and root ball, unless otherwise directed by the arborist. Any voids created by the removal of the existing culverts and associated structures, tree and root balls, must be backfilled with properly compacted engineering fill.

Surface vegetation, tree roots and organically contaminated topsoil should then be removed from the area to be graded. Any remaining debris or large rocks (larger than 2-inches in any dimension) shall also be removed. Rocks may be stockpiled and reused where acceptable and compliant.

All removals shall be disposed of in legal off-site locations.

#### **17-1.03 PAYMENT:**

Payment for Clearing and Grubbing shall be made on a lump sum basis at the contract price bid for Bid Item No. 3. Such payment shall be considered full compensation for furnishing all labor, material, tools, and equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

### **SECTION 19 – EARTHWORK**

#### **19-1.01 GENERAL:**

Contractor shall comply with Section 19, “Earthwork” of the Standard Specifications and these Special Provisions.

#### **19-1.02 SAND BEDDING:**

Sand bedding shall consist of clean sand. The sand shall be free of clay or organic material, and shall comply with the following grading requirements:

Sieve Size	Percentage Passing
No. 4	100
No. 200	0-5

Sand bedding shall be compacted to ninety five percent (95%) relative compaction.

**19-1.03 CONCRETE BEDDING:**

Concrete bedding shall comply with the requirements of Section 19-3.02F (3) Soil Cement Beddings of the Standard Specifications.

**19-1.04 EXCAVATION AND BACKFILL**

Excavation for this project shall be performed in accordance with the Standard Specifications and these Special Provisions.

Culvert Excavation and Backfill	Section 19-3
Roadway Excavation and Backfill	Section 19-2
Undocumented Fill Removal	Section 19,-3, 19-5, 19-9

**Surplus excavation material shall be placed onsite with location to be confirmed by the Engineer.**

Man-made fills from previous emergency repair (“undocumented fill”) are identified as undocumented fill on the Plans. Where this fill underlies proposed foundations, culverts or engineered fill, it shall be completely excavated to expose undisturbed native material. The excavation process shall be observed and extent designated by the geotechnical engineer. Any voids created by fill removal shall be backfilled and compacted as engineered fill.

All foundation systems that derive their support from the encountered boulder layer, should be underlain by a minimum 6-inch-thick leveling coarse comprised of 1 inch minus crushed rock. The thickness of this layer may be greater in areas of depressions, or where the foundation elements extend into the softer overlying soils.

Large boulders may be encountered in excavations. Contractor shall use appropriate equipment and methods to accomplish work.

Subexcavations should extend at least five (5) feet horizontally beyond foundations. Final depths and horizontal limits of subexcavations shall be determined by the geotechnical engineer.

**19-1.05 CUT AND FILL SLOPES**

Fill slopes shall be constructed with onsite excavated material meeting the minimum density requirements noted above and have a gradient no steeper than 2:1 (H:V). Fill slopes greater than 15 feet in height shall be reviewed by a geotechnical engineer. Fill heights greater than 15 feet shall require intermediate benches which shall be a minimum width of six (6) feet and sloped to surface drainage.

Permanent cut slopes in soil shall not exceed a 2:1 (H: V) gradient. Permanent cut slopes in rock shall not exceed a 1.5:1 (H: V) gradient. All cut slopes shall not exceed a 15 foot vertical height unless reviewed by the geotechnical engineer. Cut slope heights greater than 15 feet shall require benches which shall be a minimum width of six (6) feet and sloped to surface drainage.

The above slope gradients are based on the strength characteristics of the materials under conditions of normal moisture content that would result from rainfall falling directly on the slope, and do not take into account the additional activating forces applied by seepage from spring areas or subsurface groundwater. Therefore, in order to maintain stable slopes at the recommended gradients, it is important that any seepage forces and accompanying hydrostatic pressure (if encountered) be relieved by adequate drainage. Drainage facilities may include subdrains, gravel blankets, rock fill surface trenches or horizontally drilled drains. Configurations and type of drainage will be determined by geotechnical engineer during the grading operations.

To maintain the stable slopes at the recommended gradients, seepage forces and accompanying hydrostatic pressure is relieved by adequate drainage. Drainage facilities may include subdrains, gravel blankets, rock fill surface trenches, or horizontally drilled drains. Configurations and type of drains shall be determined by the geotechnical engineer.

#### 19-1.06 EARTHWORK EXCAVATION (CUT)

Contractor shall comply with Section 19-2, "Roadway Excavation", Section 19-3 "Structure Excavation" of the Standard Specifications and these Special Provisions.

This item shall consist of excavation required for the grading of the channel, roadway reconstruction, headwall construction, wingwall construction, two (2) 48-inch HDPE pipe culverts, roadway storm drain improvements, and grading associated with Rip-Rap placement. This item shall be performed in accordance with the Standard Specifications, the Plans, and these Special Provisions.

#### 19-1.07 EARTHWORK EXCAVATION (CUT) PAYMENT

Payment for Earthwork Excavation (Cut) shall be made as a cubic yard basis and a final pay item at the contract price bid for Bid Item No. 9. Such payment shall be considered full compensation for furnishing all labor, material, tools, and equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

#### 19-1.08 EARTHWORK PLACEMENT (FILL)

Native or imported soils proposed for use as engineered fill shall meet the following requirements:

- Free from organics, debris, and other deleterious materials,
- Free from "recycled" materials such as asphaltic concrete, concrete, brick, etc.
- Granular in nature, well-graded, and contain sufficient binder to allow utility trenches to stand open, and
- Free of rocks in excess of 2-inches in size.

Imported fill shall have a Plasticity Index between 4 and 12, and a minimum Resistance "R" value of 30 and be non-expansive. Samples of imported fill shall be submitted to the geotechnical engineer not less than ten (10) working days prior to job-site delivery for appropriate testing and approval. Imported trench sand, drain rock, and aggregate materials shall also be submitted for testing and approval. Untested imported materials shall not be allowed on the project site.

Native soils may be used as engineered fill but will require screening. Oversized materials, greater than 2-inches, must be removed to meet project specifications.

Earthwork activities performed during or soon after the “rainy” season, or where they are performed near groundwater, the on-site soils and other materials may be too wet to be used as engineered fill. These materials shall require the moisture content be reduced to the levels required in these specifications to obtain adequate compaction as engineered fill. If on-site materials are too dry, water may need to be added.

**All Fill onsite must be keyed and benched into the natural hillside in accordance with the geotechnical engineer recommendation and Detail 6 on Sheet D-01 shown on the plans.**

#### 19-1.09 EARTHWORK PLACEMENT (FILL) PAYMENT

Payment for Earthwork Placement (Fill) shall be made as cubic yard basis and a final pay item at the contract price bid for Bid Item No. 10. Such payment shall be considered full compensation for furnishing all labor, material, tools, and equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

#### 19-1.10 BACKFILL DESCRIPTION

Contractor shall comply with Section 19-3, “Structure Excavation and Backfill”, 19-5, “Compaction”, 19-6, “Embankment Construction”, 19-9, “Shoulder Backing” of the Standard Specifications and these Special Provisions.

#### 19-1.11 BACKFILL PAYMENT

Payment for Backfill shall be made as a lump sum basis and a final pay item at the contract bid price for Bid Item No.11. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required including grading, shaping, disposing of the excess material, subgrade preparation for channel structures, restoring adjacent ground to original or proposed conditions per the Plans, Special Provisions and Standard Specifications.

#### 19-1.12 12-INCH THICK COMPACTED SHOULDER BACKING

Contractor shall comply with Section 19-9, “Shoulder Backing” of the Standard Specifications and these Special Provisions.

#### 19-1.13 12-INCH THICK COMPACTED SHOULDER BACKING

Payment for 12-inch Thick compacted shoulder backing shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price bid for Bid Item No. 43. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

**19-1.14 STRUCTURE EXCAVATION (CULVERT)**

Payment for Structure Excavation (Culvert) shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price bid for Bid Item No. 23. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

**19-1.15 STRUCTURE BACKFILL (CULVERT)**

Payment for Structure Backfill (Culvert) shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price bid for Bid Item No. 24. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

**19-1.16 CONCRETE ENCASEMENT FOR (2) 48-INCH STORM DRAIN PIPES**

Concrete Encasement for (2) 48-inch HDPE pipes shall be constructed per plan and per Section 19-3.03 F of the Standard Specifications.

Payment for Concrete Encasement shall be made on a cubic yard basis for the actual cubic yards installed at the contract unit price bid for Bid Item No. 22. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

**SECTION 21 EROSION CONTROL****21-1.01 EROSION CONTROL-HYDROSEED**

Erosion Control (Hydroseed) shall conform to the provisions in section 21 Erosion Control and specifically section 21-2.03D Hydromulch and Hydroseed. Erosion Control (Hydroseed) work includes removing and disposing of weeds and applying erosion control materials including seed, fiber, commercial fertilizer, organic fertilizer, straw, and tackifier to erosion control (hydroseed) areas as shown on the plans. Erosion Control (Hydroseed) shall be applied on all cut and fill slopes within the project boundary.

Payment for Hydroseed shall be made on a square foot basis for the actual square foot installed at the contract unit price bid for Bid Item No. 52. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

**SECTION 26 – AGGREGATE BASES****26-1.01 8-INCH THICK (CLASS II) AGGREGATE BASE MATERIAL DESCRIPTION:**

Contractor shall comply with Section 26, “Aggregate Bases” of the Standard Specifications and these Special Provisions.

26-1.02 8-INCH THICK (CLASS II) AGGREGATE BASE MATERIAL PAYMENT:

Payment for 8-inch Thick (Class II) Aggregate Base Material shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price bid for Bid Item No. 42. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

26-1.03 12-INCH THICK (CLASS II) AGGREGATE BASE FOR TEMPORARY ACCESS ROAD

Contractor shall comply with Section 26, "Aggregate Bases" of the Standard Specifications and these Special Provisions.

26-1.04 12-INCH THICK (CLASS II) AGGREGATE BASE FOR TEMPORARY ACCESS ROAD PAYMENT

Payment for 12-inch Thick (Class II) Compacted Aggregate Base Material for Temporary Access Road shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price bid for Bid Item No. 6. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **DIVISION V SURFACINGS AND PAVEMENTS**

### **SECTION 39 – ASPHALT CONCRETE**

#### **39-1.01 TYPE A HOT MIX ASPHALT:**

Comply with Section 39, “Asphalt Concrete” of the Standard Specifications and these Special Provisions and the Plans.

For this Project:

1. All aggregate base shall meet Standard Specification Section 26 “Aggregate Base” for Class 2 materials and be angular in shape.
2. All Class 2 aggregate base shall be ¾-inch maximum aggregate size meeting the requirements of Section 26-1.02B.
3. Aggregate base shall be compacted to 95% of maximum dry density.
4. Use ¾-inch minimum, Type “A” medium graded asphaltic concrete shown in Section 39-2.02B (4).
5. Asphalt binder used in HMA Type A must be PG 64-10.

#### **39-1.02 INSTALLATION**

Scarify and moisture condition the upper 8-inches of subgrade soil and compact to a minimum of ninety five percent (95%) of its maximum dry density, at moisture content 1 to 3% over the optimum moisture content of the soil.

Provide sufficient gradient to prevent ponding of water.

#### **39-1.03 5-INCH THICK (¾-INCH MIX DESIGN) HOT MIX ASPHALT CONCRETE PAVEMENT PAYMENT:**

Payment for 5-inch Thick (¾-inch Mix Design) Hot Mix Asphalt Concrete Pavement shall be made on a per ton basis at the contract unit price bid for Bid Item No. 41. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required including roadway pavement and 2-inch cold plane grind and overlay, per the Plans, Special Provisions and Standard Specifications.

#### **39-1.04 ASPHALT CONCRETE (AC) DIKE, TYPE F DESCRIPTION:**

Comply with Section 39-2.01B (11), “Miscellaneous Areas and Dikes” of the Standard Specifications and these Special Provisions and the Plans.

Asphaltic concrete binder shall be PG64-10.

#### **39-1.05 ASPHALT CONCRETE (AC) DIKE, TYPE F PAYMENT:**

Payment for Asphalt Concrete (AC) Dike, Type f shall be made on a linear feet basis at the contract unit price bid for Bid Item No. 40. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **SECTION 51 – CONCRETE STRUCTURES**

### **51-1.01 GENERAL**

Contractor shall comply with Section 51, “Concrete Structures” of the Standard Specifications and these Special Provisions and the Plans.

### **51-1.02 STRUCTURAL CONCRETE WARPED WINGALL PAYMENT**

Payment for Structural Concrete Warped Wingall shall be made on a cubic yard basis at the contract unit price bid for Bid Item 26. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

### **51-1.03 STRUCTURAL CONCRETE HEADWALL PAYMENT:**

Payment for Structural Concrete Headwall shall be made on a cubic yard basis at the contract unit price bid for Bid Item 27. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

### **51-1.04 STRUCTURAL CONCRETE APRON PAYMENT:**

Payment for Concrete Apron shall be made on a cubic yard basis at the contract unit price bid for Bid Item 28. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

### **51-1.05 STRUCURAL CUTOFF WALLS PAYMENT:**

Payment for Cutoff Walls (Concrete) shall be made on a cubic yard basis for the actual cubic yards installed at the contract unit price bid for Bid Item 29. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **SECTION 52 – REINFORCEMENT**

Contractor shall comply with Section 52 “Reinforcement” of the Standard Specifications and these Special Provisions and the Plans.

### **52-1.01 BAR REINFORCING STEEL WARPED WINGWALL PAYMENT**

Payment for Bar Reinforcing Steel Warped Wingwall shall be made on a pound (lbs) basis and as a final pay item at the contract bid price for Bid Item 25. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

### **52-1.02 BAR REINFORCING STEEL CUTOFF WALL PAYMENT:**

Payment for Concrete Cutoff Wall (Reinforcement Steel) shall be made on a pound (lbs) basis and as a final pay item at the contract bid price for Bid Item 30. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **DIVISION VII DRAINAGE FACILITIES**

### **SECTION 64 – PLASTIC PIPE**

#### **64-1.01 GENERAL**

Contractor shall comply with Section 19 “Earthwork” and Section 64 “Plastic Pipe” of the Standard Specifications and these Special Provisions and the Plans.

#### **64-1.02 MATERIAL**

Use the following high density polyethylene (HDPE) pipe:

Manufacturer: Advanced Drainage System, Inc.

Product: N-12 Dual Wall-HDPE Pipe

#### **64-1.03 PAYMENT**

Payment for Polyethylene Pipe (HDPE) shall be made on a linear foot basis for the actual linear foot installed at the contract unit price per Bid Item 12 “18-inch Pipe”, Bid Item 13 “24-inch Pipe Risers”, and Bid Item 14 “48-inch Pipe”. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **SECTION 68– SUBSURFACE DRAINS**

#### **68-1.01 GENERAL**

Contractor shall comply with Section 68 “Subsurface Drains,” Section 19 “Earthwork,” and Section 64 “Plastic Pipe” of the Standard Specifications and these Special Provisions and the Plans.

#### **68-1.02 PERFORATED PLASTIC PIPE DESCRIPTION**

Comply with section 68-2.02D “Perforated Plastic Pipe” of the Standard Specifications and these Special Provisions and the Plans.

Perforated plastic pipe shall be PVC and shall be class SDR 35 or better.

Location, depth, and length of the perforated plastic pipe will be determined in the field by the engineer.

#### **68-1.03 PERFORATED PLASTIC PIPE PAYMENT**

Payment for Perforated Plastic Pipe shall be made on a linear feet basis at the contract unit price bid for Bid Item No. 15. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

#### **68-1.04 PLASTIC OUTLET PIPE DESCRIPTION**

Comply with section 68-2.02E “Underdrain Outlets and Risers” of the Standard Specifications and these Special Provisions and the Plans.

Plastic outlet pipe shall be PVC and shall not be slotted and shall be of class SDR 35 or better.

Location, depth, and length of the plastic outlet pipe will be determined in the field by the engineer.

#### 68-1.05 PLASTIC OUTLET PIPE PAYMENT

Payment for Plastic Outlet Pipe shall be made on a linear feet basis at the contract unit price bid for Bid Item No. 16. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

#### 68-1.06 CLASS 2 PERMEABLE MATERIAL DESCRIPTION

Contractor shall comply with Section 68-2.02F, “Permeable Material” of the Standard Specifications and these Special Provisions.

Location and depth of permeable material will be determined in the field by the engineer.

Class 2 Permeable Material shall be placed around perforated pipe and outlet pipe as noted in the plans. When placed, Class 2 Permeable Membrane shall be clean and free draining.

#### 68-1.07 CLASS 2 PERMEABLE MATERIAL PAYMENT

Payment for Class 2 Permeable Material shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price bid for Bid Item No. 35. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

#### 68-1.08 SUBDRAIN CLEANOUT DESCRIPTION

Contractor shall comply with Section 68-4, “Edgedrains” of the Standard Specifications and these Special Provisions.

Location and depth of Subdrain cleanouts will be determined in the field by the engineer..

#### 68-1.09 SUBDRAIN CLEANOUT PAYMENT

Payment for Subdrain Cleanouts shall be made on an each (ea) basis at the contract unit price bid for Bid Item 17. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment, and doing all work required, including fittings and plugs, per the Plans, Special Provisions, and Standard Specifications.

## **SECTION 70– MISCELLANEOUS DRAINAGE FACILITIES**

### **70-1.01 PRECAST DRAINAGE STRUCTURES**

The loading requirement for the precast drainage structures shall meet AASHTO HL-93. The precast vault manufacturer shall provide signed and sealed structural calculations for each precast unit provided to this Project.

The precast units shall meet the requirements for Caltrans Drainage Inlet structure, Type GO.

### **70-1.02 DRAINAGE INLET, TYPE GO (DEPTH OF 6') PAYMENT**

Payment for Drainage Inlet Type GO (Depth of 6') shall be made on an each (ea) basis at the contract unit price bid for Bid Item 19. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment, and doing all work required, including grates and covers, per the Plans, Special Provisions, and Standard Specifications.

**70-1.03 ATRIUM GRATES PAYMENT**  
Payment for Atrium Grates shall be made on an each (ea) basis at the contract unit price bid for Bid Item 20. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment, and doing all work required, including grates and covers, per the Plans, Special Provisions, and Standard Specifications.

### **70-1.04 HDPE FLARED END SECTION**

Payment for HDPE Flared End Section shall be made on an each (ea) basis at the contract unit price bid for Bid Item 21. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment, and doing all work required, including grates and covers, per the Plans, Special Provisions, and Standard Specifications.

## **DIVISION VIII MISCELLANEOUS CONSTRUCTION**

### **SECTION 72 – SLOPE PROTECTION**

#### **72-1.01 RIPRAP DESCRIPTION:**

This item shall consist of No. 1 Backing, 1/2 Ton Riprap, 2 Ton Riprap, and 2 Ton Grouted Riprap. Construction shall be performed in accordance Section 72 “Slope Protection” with the Standard Specifications, the plans, and these Special Provisions.

#### **72-1.02 RIPRAP CONSTRUCTION MATERIALS:**

The rock shall conform to the following gradation and Section 72-2 “Rock Slope Protection”

#### **Rock Gradation for Method A Placement**

Rock Size	Percentage larger than <sup>a</sup>				
	Class				
	8T	4T	2T	1T	1/2 T
16 ton	0–5	--	--	--	--
8 ton	50–100	0–5	--	--	--
4 ton	95–100	50–100	0–5	--	--
2 ton	--	95–100	50–100	0–5	--
1 ton	--	--	95–100	50–100	0–5
1/2 ton	--	--	--	95–100	50–100
1/4 ton	--	--	--	--	95–100
For any class, the percentage of rock smaller than the smallest rock size must be determined on the basis of weight. For all other rock sizes within a class, the percentage must be determined on the basis of the ratio of the number of individual rocks larger than the smallest size shown for that class compared to the total number of rocks					

#### **Rock Gradation for Method B Placement**

Rock Size	Percentage larger than <sup>a</sup>							
	Class other than Backing					Backing		
	1 T	1/2 T	1/4 T	Light	Facing	No. 1	No. 2	No. 3
2 ton	0–5	--	--	--	--	--	--	--
1 ton	50–100	0–5	--	--	--	--	--	--
1/2 ton	--	50–100	0–5	--	--	--	--	--

5 lb	--	--	--	--	--	--	90–100	25–75
1 lb	--	--	--	--	--	--	--	90–100
For any class, the percentage of rock smaller than the smallest rock size must be determined on the basis of weight. For all other rock sizes within a class, the percentage must be determined on the basis of the ratio of the number of individual rocks larger than the smallest size shown for that class compared to the total number of rocks								

Contractor shall utilize existing riprap within the Project vicinity for the improvements in this contract that meet the requirements of the Plans and these special provisions. County will direct Contractor to the quantity and quality of the rock being reused. Credit shall be given to the County of Monterey for any applicable material re-utilized for the improvements.

#### 72-1.03 ROCK RIPRAP CONSTRUCTION METHODS:

The rock shall be placed by equipment on surfaces and to the thickness and grades shown on plans. The riprap shall be installed to the full course thickness in one operation and chinking or filling with loose material shall be avoided. The rock shall be delivered and placed in a manner that will insure that the riprap in place shall be reasonably homogeneous with the larger rocks uniformly distributed and firmly in contact one to another with the smaller rocks and spalls filling the voids between larger rocks. Placement of rock riprap shall begin at the bottom of the toe trench and proceed up the slope. Placement of the rock riprap shall meet the requirements of the Standard Specifications Section 72-2.03B (Method A). Riprap shall be placed in a manner to prevent damage to existing side drain outlets. Hand placing will be required to the extent necessary to prevent damage to structures. Placement of riprap by dumping will not be allowed.

#### 72-2.04 ROCK RIPRAP CONSTRUCTION METHODS PAYMENT

Quantities of 1/2-Ton Rock Riprap, 2-Ton Rock Riprap, 2-Ton Grouted Riprap, and No.1 Backing RSP shall be measured to the neat lines and limits shown on the Plans. Payment shall be made on a cubic yard basis for the actual cubic yards installed at the contract price bid for Bid Item Nos. 31, 32, 33, and 34 respectively. Such payment shall be considered full compensation for furnishing all labor material (including, but not limited to the above-mentioned classes of rock riprap etc.), tools and equipment, and doing all the work required per the Plans, Special Provisions and Standard Specifications.

#### 72-1.05 GABION BASKETS

Contractor shall comply with Section 72 “Slope Protection” of the Standard Specifications and these special provisions.

#### 72-1.06 GABION BASKETS PAYMENT

Payment for Gabion Baskets shall be made on an each (ea) basis for the actual quantity installed at the contract unit price for Bid Item No. 39. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **SECTION 78-INCIDENTAL CONSTRUCTION**

#### 78-1.01 SHOTCRETE

Contractor shall comply with Section 78 “Incidental Construction” of the Standard Specifications and these special provisions.

Shotcrete shall include integral buff/tan color that matches the adjacent soil color to the satisfaction of the Engineer. Color shotcrete samples shall be presented to the engineer in advance for approval. The shotcrete samples must be cured sufficiently to accurately represent the final post cure color.

#### 78-1.02 SHOTCRETE PAYMENT

Payment for Shotcrete shall be made on a cubic yard basis for the actual cubic yard installed at the contract unit price for Bid Item No. 38. Such payment shall be considered full compensation for furnishing all labor, materials, tools, equipment and doing all work required per the Plans, Special Provisions and Standard Specifications.

## **DIVISION IX TRAFFIC CONTROL DEVICES**

### **SECTION 82 –SIGN AND MARKERS**

#### **82-1.01 GENERAL**

Traffic Signs shall conform to the provisions in Section 82 “Signs and Markers” of the Standard Specifications and these Special Provisions. All traffic signs must follow the latest CA MUTCD guidelines

#### **82-1.02 PAYMENT**

Payment for traffic signs shall be made on an each (ea) basis for the actual quantity installed at the contract unit price for Bid Item No. 46. Such payment shall be considered full compensation for furnishing all labor, material, tools, equipment, and incidentals required to complete the installation in place per the Plans, Special Provisions, and the Standard Specifications.

### **SECTION 84-MARKINGS**

#### **84-1.01 GENERAL**

Thermoplastic traffic stripes (traffic lines) shall conform to the provisions in Sections 84-1, “General” and 84-2, “Traffic Stripes and Pavement Markings”, of the Standard Specifications and these Special Provisions. Painted traffic strips and pavement markings shall conform to Section 84-1, “General”, 84-2.03C(3), “Painted Traffic Stripes and Pavement Markings” and Section 81-3, “Pavement Markers” of the Standard Specifications and these Special Provisions.

#### **84-1.02 PAYMENT**

Payment for the traffic striping and pavement marking shall be made on a linear feet basis for the actual linear footage installed at the contract price per Bid Item No. 44 and Bid Item No. 45. Schedule. Such payment shall be considered full compensation for furnishing all labor, material, tools, and equipment, and incidentals required to complete the installation in place per the Plans, Special Provisions and Standard Specifications.

## **DIVISION XI MATERIALS**

### **SECTION 96 – GEOSYNTHETICS**

#### **96-1.01 FILTER FABRIC GENERAL:**

This item shall consist of furnishing and installing filter fabric under the Rip Rap and surrounding the perforated subdrain pipes and shall be performed in accordance with the Standard Specifications, the Plans, and these Special Provisions.

#### **96-1.02 FILTER FABRIC CONSTRUCTION MATERIALS:**

##### **Filter Fabric**

Filter fabric shall consist of a commercial grade high-tenacity polypropylene yarn, which are woven into a network such that the yarns retain their relative position and shall meet requirements of Type B per Section 96-1.02B of the Standard Specifications. The Contractor shall furnish to the Engineer, for his approval, a minimum of one square yard of the chosen fabric, the manufacturer's name, fabric style number, and product specifications 15 days prior to installation.

##### **Securing Pins**

Pins used to secure the filter fabric in place shall be steel or fiberglass. The pins shall have a minimum penetrating length of 8-inches and a minimum diameter of 1/8-inch (11 gage). Each pin shall be formed as a “U”, “L”, or “T” shape, or contain “ears” to prevent total penetration. Grommets or steel washers with an outside diameter of 1-1/2 inches steel shall be provided for all but “U” shaped securing pins.

#### **96-1.03 FILTER FABRIC INSTALLATION METHODS:**

For the riprap, the filter fabric shall be placed in the manner and at the locations shown on the drawings and required in the geotechnical report. The placement shall meet the requirements per Section 72 of the Standards Specifications. The surface to receive the fabric shall be prepared to a relatively smooth condition free of obstructions, depressions and debris. The cloth shall not be laid in a stretched condition, but shall be laid loosely. Riprap shall not be dropped on the cloth from a height greater than 2-feet. The panels shall be overlapped a minimum of 24-inches for horizontal laps. The fabric shall be placed so that the upstream or higher panel will overlap the downstream or lower panel. No more than three (3) horizontal overlaps shall be permitted. At vertical laps, securing pins shall be inserted through both layers along a line through the approximate midpoint of the overlap. At horizontal laps, securing pins shall be inserted through the bottom layer only. The pins shall be placed at not greater than 12-foot intervals. Securing pins shall be placed along a line approximately 2-inches in from the edge of the outer limits of the completed filter cloth area at intervals not greater than 12-feet unless otherwise shown on the drawings. Additional pins shall be installed as necessary to prevent any slippage of the filter fabric, regardless of location. Each securing pin shall be inserted through the fabric until the washer bears against the fabric and secures it firmly to the foundation. Filter fabric damaged or displaced before or during installation or during placement of overlying layers of riprap shall be replaced or repaired to the satisfaction of the Engineer at the Contractor's expense.

For the subdrain, the filter fabric shall be placed to encase the perforated subdrain pipes in the manner and at the locations shown on the drawings and required in the geotechnical report. The placement shall meet the requirements per Section 68 of the Standards Specifications. Filter fabric

damaged or displaced before or during installation or during construction shall be replaced or repaired to the satisfaction of the Engineer at the Contractor's expense.

96-1.04 FILTER FABRIC PAYMENT:

Payment for the Filter Fabric shall be made on a square yard basis for the actual square yard installed at the contract price bid for Bid Item No. 36. Such payment shall be considered full compensation for furnishing all labor, material, tools, and equipment, and incidentals required to complete the installation in place per the Plans, Special Provisions and Standard Specifications. No additional payment shall be made for fabric overlaps.

COUNTY OF MONTEREY

PAYMENT BOND

(Civil Code Section 9550)

WHEREAS, the County of Monterey has awarded to Principal, as Contractor, a Contract for the following project:

RIVER ROAD EMERGENCY REPAIR AT FAIRVIEW ROAD  
PROJECT NO. 7210

AND WHEREAS, Principal, as Contractor, is required to furnish a bond in connection with said Contract, to secure the payment of claims of laborers, mechanics, materialmen, and other persons furnishing labor and materials on the project, as provided by law.

NOW, THEREFORE, we \_\_\_\_\_, as Principal, and

\_\_\_\_\_ as Surety, are held and firmly bound unto the County of Monterey, a political subdivision of the State of California (hereinafter called "County"), and to the persons named in California Civil Code section 9100 in the penal sum of \_\_\_\_\_ Dollars (\$ \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_) for the payment of which sum in lawful money of the United States, well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal, or any of Principal's heirs, executors, administrators, successors, assigns, or Subcontractors, (1) fails to pay in full all of the persons named in Civil Code Section 9100 with respect to any labor or materials furnished by said persons on the project described above, or (2) fails to pay in full all amounts due under the California Unemployment Insurance Code with respect to work or labor performed on the project described above, or (3) fails to pay for any amounts required to be deducted, withheld, and paid over to the Employment Development Department from the wages of employees of the Principal and Subcontractors pursuant to Unemployment Insurance Code section 13020 with respect to such work and labor, then the Surety shall pay for the same.

Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Contract on the call for bids, or to the work to be performed there under, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of said Contract or the call for bids, or to the work, or to the specifications.

If suit is brought upon this bond by the County and judgment is recovered, the Surety shall pay all litigation expenses incurred by the County in such suit, including attorney's fees, court costs, expert witness fees and investigation expenses.

This bond inures to the benefit of any of the persons named in Civil Code Section 9100, and such persons or their assigns shall have a right of action in any suit brought upon this bond, subject to any limitations set forth in Civil Code Sections 9550 et seq. (Civil Code, Division 4, Part 6, Title 3, Chapter 5: Payment Bond for Public Works).

IN WITNESS WHERE OF the above-bounden parties have executed this instrument under their several seals this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

## COUNTY OF MONTEREY

PERFORMANCE BOND

WHEREAS, the County of Monterey has awarded to Principal, \_\_\_\_\_  
as Contractor, a Contract for the following project:

RIVER ROAD EMERGENCY REPAIR AT FAIRVIEW ROAD  
PROJECT NO. 7210

WHEREAS, Principal, as Contractor, is required to furnish a bond in connection with said Contract, to secure the faithful performance of said Contract.

NOW, THEREFORE, we \_\_\_\_\_, as Principal, and  
\_\_\_\_\_  
\_\_\_\_\_ as Surety, are held and firmly  
bound unto the County of Monterey, a political subdivision of the State of California (hereinafter  
called "County"), in the penal sum of \_\_\_\_\_  
Dollars (\$ \_\_\_\_\_), for the payment of which sum in lawful money of the United  
States, well and truly to be made, we bind ourselves, our heirs, executors, administrators,  
successors and assigns, jointly and severally, firmly by these presents.

## THE CONDITION OF THIS OBLIGATION IS SUCH THAT:

If the Principal, as Contractor, or Principal's heirs, executors, administrators, successors, or assigns, (1) shall in all things stand to and abide by and well and truly keep and perform the covenants, conditions, and agreements in said Contract and any alteration thereof made as therein provided, on Principal's part to be kept and performed, at the time and in the manner therein specified and in all respects according to their true intent and meaning, and (2) shall defend, indemnify and save harmless the County, the members of its board of supervisors, and its officers, agents and employees as therein stipulated, then this obligation shall become null and void; otherwise, it shall be and remain in full force and virtue.

Surety hereby stipulates and agrees that no change, extension of time, alteration, or addition to the terms of the Contract or the call for bids, or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of said Contract or the call for bids, or to the work, or to the specifications.

Whenever the Principal, as Contractor, is in default, and is declared in default, under the Contract by the County of Monterey, the County of Monterey having performed its obligation under the Contract, Surety may promptly remedy the default, or shall promptly:

- (1) Complete the Contract in accordance with its terms or conditions, or
- (2) Obtain a bid or bids for submission to County of Monterey for completing the Contract in accordance with its terms or conditions, and upon determination by County of Monterey and Surety of the lowest responsible and responsive bidder,

arrange for a Contract between such bidder and County of Monterey, and make available as work progresses (even though there should be a default or a succession of defaults under the Contract or Contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the balance of Contract price.

If suit is brought upon this bond by the County and judgment is recovered, the Surety shall pay all litigation expenses incurred by the County in such suit, including attorney’s fees, court costs, expert witness fees and investigation expenses.

IN WITNESS WHEREOF, the above-bounden parties have executed this instrument under their several seals this\_\_\_\_\_day of \_\_\_\_\_, 20\_\_\_\_\_, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

# DISADVANTAGED BUSINESS ENTERPRISES (DBE) CHANGE IN CERTIFICATION STATUS REPORT

The top of the form requires specific information regarding the construction project: Contract Number, County, Route, Post Miles, the Administering Agency, the Contract Completion Date, and the Estimated Contract Amount. It requires the Prime Contractor's name and Business Address. The focus of the form is to substantiate and verify the actual DBE dollar amount paid to Contractors on federally funded projects that had a changed in Certification status during the course of the completion of the Contract. The two situations that are being addressed by CP-CEM 2403(F) are, if a firm certified as a DBE and doing work on the Contract during the course of the project becomes Decertified, and if a non-DBE firm doing work on the Contract during the course of the project becomes Certified as a DBE.

The form has a column to enter the Contract Item No (or Item Nos.) as well as a column for the Subcontractor's Name, Business Address, Business Phone, and Contractor's Certification Number.

The column entitled Amount Paid While Certified will be used to enter the actual dollar value of the work performed by those Contractors who meet the conditions as outlined above during the time period they are Certified as a DBE. This column on the CP-CEM-2403(F) should only reflect the dollar value of work performed while the firm was Certified as a DBE.

The column called Certification/Decertification Date (Letter attached) will reflect either the date of the Decertification Letter sent out by the Civil Rights Program or the date of the Certification Certificate mailed out by the Civil Rights Program. There is a box to check that support documentation is attached to the CP-CEM-2403 (F) form.

There is a Comments section for any additional information that may need to be provided regarding any of the above transactions.

The CEM-2403(F) has an area at the bottom where the Contractor and the Resident Engineer sign and date that the information provided is complete and correct.

FINAL REPORT – UTILIZATION OF  
DISADVANTAGED BUSINESS ENTERPRISES  
(DBE), FIRST-TIER SUBCONTRACTORS  
CEM 2402(F) (Rev. 02/2008)

The form requires specific information regarding the construction project: Contract Number, County, Route, Post Miles, Federal-aid Project No., the Administering Agency, the Contract Completion Date and the Estimated Contract Amount. It requires the prime Contractor name and business address. The focus of the form is to describe who did what by Contract item number and descriptions, asking for specific dollar values of item work completed broken down by subcontractors who performed the work both DBE and non-DBE work forces. DBE prime Contractors are required to show the date of work performed by their own forces along with the corresponding dollar value of work.

The form has a column to enter the Contract Item No. (or Item No's) and description of work performed, or materials provided, as well as a column for the subcontractor name and business address. For those firms who are DBE, there is a column to enter their DBE Certification Number. The DBE should provide their certification number to the Contractor and notify the Contractor in writing with the date of the decertification if their status should change during the course of the project.

The form has six (6) columns for the dollar value to be entered for the item work performed by the subcontractor.

The Non-DBE column is used to enter the dollar value of work performed for firms who are not certified DBE.

The decision of which column to be used for entering the DBE dollar value is based on what program(s) status the firm is certified. This program status is determined by the California Unified Certification Program by ethnicity, gender, ownership, and control issues at time of certification. To confirm the certification status and program status, access the Department of Transportation Civil Rights web site at: <http://www.dot.ca.gov/hq/bep> or by calling (916) 324-1700 or the toll free number at (888) 810-6346.

Based on this DBE Program status, the following table depicts which column to be used:

DBE Program Status	Column to be used
If program status shows DBE only with no other programs listed	DBE

If a Contractor performing work as a DBE on the project becomes decertified and still performs work after their decertification date, enter the total dollar value performed by this Contractor under the appropriate DBE identification column.

If a Contractor performing work as a non-DBE on the project becomes certified as a DBE, enter the dollar value of all work performed after certification as a DBE under the appropriate identification column.

Enter the total of each of the six columns in Form CEM-2402(F).

Any changes to DBE certification must also be submitted on Form-CEM 2403(F).

Enter the Date Work Completed as well as the Date of Final Payment (the date when the prime Contractor made the "final payment" to the subcontractor for the portion of work listed as being completed).

The Contractor and the resident engineer sign and date the form indicating that the information provided is complete and correct.

FHWA Form-1022 (Revised May2015)

**EXHIBIT A – FEMA FEDERAL PROVISIONS****1.1. No Obligation by Federal Government – All Contracts**

The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity,

**1.2. Acknowledgement of FEMA Funding – All Contracts**

This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The CONTRACTOR will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

**1.3. Program Fraud and False or Fraudulent Statements or Related Acts – All Contracts**

The CONTRACTOR acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the CONTRACTOR's actions pertaining to this contract.

**1.4. DHS Seal, Logo and Flags – All Contracts**

CONTRACTOR shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA preapproval.

**1.5. EPA – Compliant Purchasing – All Contracts**

(1) In the performance of this contract, the CONTRACTOR shall make maximum use of products containing recovered materials that are EPA designated items unless the product cannot be acquired:

- (i) Competitively within a timeframe providing for compliance with the contract performance schedule;
- (ii) Meeting contract performance requirements; or
- (iii) At a reasonable price.

(2) Information about this requirement is available at EPA's Comprehensive Procurement Guidelines web site, <http://www.epa.gov/cpg/>. The list of EPA-designate items is available at <http://www.epa.gov/cpg/products.htm>."

**1.6. Equal Employment Opportunity Clause – All “federally assisted construction contracts” as defined in 41 CFR 60-1.3**

During the performance of this contract, the CONTRACTOR agrees as follows:

(1) The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion,

sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONTRACTOR's legal duty to furnish information.

(4) The CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the CONTRACTOR's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with

procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The CONTRACTOR will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a CONTRACTOR becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of CONTRACTORS and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a CONTRACTOR debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon CONTRACTORS and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of

future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

### **1.7. Compliance with Copeland “Anti-Kickback” Act – Prime construction in excess of \$2,000**

(1) CONTRACTOR. The CONTRACTOR shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

(2) Subcontracts. The CONTRACTOR or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime CONTRACTOR shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

(3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a CONTRACTOR and subcontractor as provided in 29 C.F.R. § 5.12."

### **1.8. Davis-Bacon Act Clause – Construction in excess of \$2,000. (N/A to Public Assistance and HMGP contracts)**

The Contractor must comply with the Davis-Bacon Act (40 U.S.C. 276a to 276a7) as supplemented by Department of Labor regulations (29 CFR Part 5).

a. This project is a public work in the State of California, funded in whole or in part with public funds. Therefore, the higher of the two applicable prevailing wage rates, federal or state, will be enforced.

### **1.9. Work Hours Clause - \$100,000, Contracts that involve the employment of mechanics or laborers**

(1) *Overtime requirements.* No CONTRACTOR or subcontractor contracting for any part of the contract work which may require or involve the employment of [laborers](#) or mechanics shall require or permit any such [laborer](#) or mechanic in any workweek in which he or she is [employed](#) on such work to work in excess of forty hours in such workweek unless such [laborer](#) or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in [paragraph \(b\) \(1\)](#) of this section the CONTRACTOR and any subcontractor responsible therefore shall be liable for the unpaid [wages](#). In addition, such CONTRACTOR and subcontractor shall be liable to the United States (in the case of work done under [contract](#) for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual [laborer](#) or mechanic, including watchmen and guards, [employed](#) in violation of the clause set forth in [paragraph \(b\)\(1\)](#) of this section, in the sum of \$25 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime [wages](#) required by the clause set forth in [paragraph \(b\)\(1\)](#) of this section.

(3) *Withholding for unpaid wages and liquidated damages.* The (write in the name of the [Federal agency](#) or the loan or grant recipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the CONTRACTOR or subcontractor under any such [contract](#) or any other Federal [contract](#) with the same prime CONTRACTOR, or any other federally-assisted [contract](#) subject to the [Contract](#) Work Hours and Safety Standards Act, which is held by the same prime CONTRACTOR, such sums as may be determined to be necessary to satisfy any liabilities of such CONTRACTOR or subcontractor for unpaid [wages](#) and liquidated damages as provided in the clause set forth in [paragraph \(b\)\(2\)](#) of this section.

(4) *Subcontracts.* The CONTRACTOR or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b) (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime CONTRACTOR shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b) (1) through (4) of this section.

#### **1.10. Clean Air Clause – All Contracts over \$150,000**

CONTRACTOR agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

#### **1.11. Suspension & Disbarment – Contracts and sub-contracts over \$25,000**

##### **Suspension and Debarment**

(1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the CONTRACTOR is required to verify that none of the CONTRACTOR, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

(2) The CONTRACTOR must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

(3) This certification is a material representation of fact relied upon by (insert name of subgrantee). If it is later determined that the CONTRACTOR did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to (name of state agency serving as grantee and name of subgrantee), the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

(4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include

**1.12. Anti-lobbying Clause – Contracts over \$100,000, Filed with County by CONTRACTOR**

“Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

CONTRACTORS who apply or bid for an award of \$100,000 or more shall file the required certification. (Attachment B) Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.”

**EXHIBIT B – ANTI-LOBBYING CLAUSE CERTIFICATION FOR SOLICITATION –  
CONTRACTS OVER \$100,000, FILED WITH COUNTY BY CONTRACTOR**

**1.1. Anti-Lobbying Clause Certification for Solicitation:**

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

(To be submitted with each bid or offer exceeding \$100,000)

The undersigned [CONTRACTOR] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the **undersigned shall complete and submit Standard Form-LLL**, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The CONTRACTOR, \_\_\_\_\_, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the CONTRACTOR understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq.*, apply to this certification and disclosure, if any.

<b>TOTAL COST</b>							

F – Final Pay Item  
S – Specialty Item  
P – Partial Pay Item

2. Bids are required for the entire work. The undersigned understands that the quantities given are approximate only, being given as a basis for the comparison of Bids, and the County of Monterey does not, expressly or by implication, agree that the actual amount of work shall correspond therewith, but reserves the right to increase or decrease the amount of any portion of the work, or to omit portions of the work, as may be deemed necessary without claim for damage or loss of anticipated profit and that payment shall be made only on the basis of the actual quantities of work performed.

The bidder shall set forth for each unit basis item of work a unit price and a total for the item, and for each lump sum item a total for the item, all in clearly legible figures in the respective spaces provided for that purpose. In the case of unit basis items, the amount set forth under the "Item Total" column shall be the product of the unit price bid and the estimated quantity for the item.

The basis of award to the lowest responsive, responsible bidder will be the lowest TOTAL BID.

The bid submitted must not contain erasures, interlineations, or other corrections unless each such correction is suitably authenticated by affixing in the margin immediately opposite the correction the surname or surnames of the person or persons signing the bid, in the named person's own handwriting.

In case of discrepancy between the unit price and the item total price set forth for the item, the unit price shall prevail; provided, however, if the amount set forth as the unit price is ambiguous, unintelligible or uncertain for any cause, or is omitted, the amount set forth in the "Item Total" column for the item shall prevail in accordance with the following:

- (1) As to lump sum items, the amount set forth in the "Item Total" column shall be the unit price.
  - (2) As to unit basis items, the amount set forth in the "Item Total" column shall be divided by the estimated quantity for the item, and the price thus obtained shall be the unit price.
3. The undersigned has checked all of the above figures carefully and understands that the County of Monterey (also referred to herein as "Owner") will not be responsible for any errors and omissions on the part of the undersigned in making this bid.

Symbols such as commas and dollar signs will be ignored and have no mathematical significance in establishing any unit price or item total or lump sums. Written unit prices, item totals and lump sums will be interpreted according to the number of digits and, if applicable, decimal placement. Cents symbols also have no significance in establishing any unit price or item total since all figures are assumed to be expressed in dollars and/or decimal fractions of a dollar.

The foregoing provisions for the resolution of specific irregularities cannot be so

comprehensive as to cover every omission, inconsistency, error or other irregularity which may occur in a bid. Any situation not specifically provided for will be determined in the discretion of the Owner, and that discretion will be exercised in the manner deemed by the Owner to best protect the public interest in the prompt and economical completion of the work. The decision of the Owner respecting the amount of a bid, or the existence or treatment of an irregularity in a bid, shall be final.

4. It is understood that the Owner reserves the right to reject any and all bids or waive any irregularities or informalities in the bidding.
5. This bid shall remain valid and will not be withdrawn by the undersigned bidder for a period of ninety (90) days from the date prescribed for opening of this bid.
6. Attached hereto are the following:

  - (14) Exhibit 15-H DBE Information-Good Faith Efforts
  - (15) Bidder's Bond
7. If this bid is accepted by the Owner, then the undersigned shall, within ten (10) business days after receipt of the Letter of Intent to Award, execute and deliver to the Owner (a) a Contract in the form set forth in the Contract documents on which this bid is based, (b) a payment bond for public works and facilities, as required by the Contract documents, (c) a performance bond, as similarly required, and (d) insurance certificates showing all required insurance coverage. The undersigned will thereafter commence and complete the work within the time required by the Contract documents.

In the event the bidder to whom the Letter of Intent to Award Contract is given fails or refuses to Contract as required, including to post the required bonds, provide the

insurance certificates, and return the executed copies of the agreement form within ten (10) business days from the date of receiving the Letter of Intent to Award Contract, the County may, at its option, determine that the bidder has abandoned the Contract, reject the bid, and declare the bidder's security forfeited as damages and same shall become the property of the County of Monterey.

8. Notice of acceptance and any requests for additional information should be addressed to the undersigned at the following address:

---

---

---

9. The names of all persons interested in the foregoing proposal as principals are as follows:

---

---

(IMPORTANT NOTICE: If the bidder or other interested person is a corporation, state the legal name of the corporation, and the names of the president, secretary, treasurer, and manager thereof; if a limited liability corporation (LLC), state the legal name of the LLC, and the names of the LLC managers, if a partnership, state the name of the firm and the names of all the individual partners composing the firm; if the bidder or other interested person is an individual, state the first and last names in full and give all fictitious names under which the individual does business.)

10. By execution of this bid, the undersigned bidder declares that he or she is a Contractor licensed in accordance with the Contractors' State License Law, as follows:

Classification: \_\_\_\_\_  
 License number: \_\_\_\_\_  
 Expiration date: \_\_\_\_\_

11. ADDENDA - This Bid is submitted with respect to the changes to the Contract included in addenda number(s) \_\_\_\_, \_\_\_\_, \_\_\_\_, \_\_\_\_, \_\_\_\_, \_\_\_\_, \_\_\_\_, and \_\_\_\_\_. If the Bidder submits this bid without all issued addenda, the agency finds your bid nonresponsive.

(Fill in addenda numbers if addenda have been received and insert, in this Bid, any Engineer's Estimate sheets that were received as part of the addenda. By signing this Bid on the signature portion thereof, the Bidder acknowledges receipt of all addenda.)

12. This bid is Submitted pursuant to Section 7103.5(b) of the Public Contract Code which states,

(a) As used in this section:

(1) “Public works contract” means a contract awarded through competitive bids by the state or any of its political subdivisions or public agencies, on whose behalf the Attorney General may bring an action pursuant to subdivision (c) of Section 16750 of the Business and Professions Code, for the erection, construction, alteration, repair, or improvement of any structure, building, road, or other improvement of any kind.

(2) “Awarding body” means the state or the subdivision or agency awarding a public works contract.

(b) In entering into a public works contract or a subcontract to supply goods, services, or materials pursuant to a public works contract, the contractor or subcontractor offers and agrees to assign to the awarding body all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, services, or materials pursuant to the public works contract or the subcontract. This assignment shall be made and become effective at the time the awarding body tenders final payment to the contractor, without further acknowledgment by the parties.

(c) Subdivision (b) shall be included in full in the specifications for the public works contract or in the general provisions incorporated therein and shall be included in full in the public works contract or in the general provisions incorporated therein.

By submitting this bid to the County, the bidder offers and agrees that if the bid is accepted, and a contract is awarded, it will assign to the County all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 USC Section 15) or under the Cartwright Act (Chapter 2 [commencing with Section 16700] of Part 2 of Division 7 of the California Business and Professions Code), arising from purchases of goods, services, or materials by the bidder/contractor/subcontractor pursuant to the public works contract or subcontract. Such assignment shall be made and become effective at the time the awarding body tenders final payment to the bidder/contractor, without further acknowledgment by the parties.

By my signature on this bid I certify, under penalty of perjury under the laws of the State of California, the foregoing questionnaire and statements of Public Contract Code Sections 10162, 10232 and 10285.1 are true and correct and the bidder has complied with the requirements of Section 8103 of the Fair Employment and Housing Commission Regulations (Chapter 5, Title 2 of the California Administrative Code). By my signature on this Bid I further certify, under penalty of perjury under the laws of the State of California and the United States of America, the Equal Employment Opportunity Certification; the Title 49 Code of Federal Regulations, Part 29 Debarment and Suspension Certification; the Statement Concerning Employment of Undocumented Aliens; and the Contractor’s Certification as to Workers’ Compensation are true and correct.

## **LIST OF SUBCONTRACTORS**

In compliance with the Subletting and Subcontracting Fair Practices Act (Chapter 4 [commencing with Section 4100], Part 1, Division 2 of the Public Contract Code) and any amendments thereto, each bidder shall set forth below: (a) the name and the location of the place of business of each subcontractor who will perform work or labor or render service to the prime Contractor in or about the construction of the work or improvement to be performed under this Contract or a subcontractor licensed by the State of California who, under subcontract to the prime Contractor, specially fabricates and installs a portion of the work or improvement according to detailed drawings contained in the plans and specifications in an amount in excess of one-half of one percent of the prime Contractor's total bid or, in the case of bids or offers for the construction of streets or highways, including bridges, in excess of one-half of one percent of the prime Contractor's total bid or \$10,000, whichever is greater, and (b) the portion of the work which will be done by each subcontractor under this Act. The prime Contractor shall list only one subcontractor for each such portion as is defined by the prime Contractor in this bid.

If a prime Contractor fails to specify a subcontractor or if a prime Contractor specifies more than one subcontractor for the same portion of the work to be performed under the Contract in excess of one-half of one percent of the prime Contractor's total bid, he/she/it shall be deemed to have agreed that he/she/it is fully qualified to perform that portion himself/herself/itself, and that he/she/it shall perform that portion himself/herself/itself.

No prime Contractor whose bid is accepted shall: (a) substitute any subcontractor, (b) permit any subcontract to be voluntarily assigned or transferred or allow it to be performed by anyone other than the original subcontractor listed in the original bid, or (c) sublet or subcontract any portion of the work in excess of one-half of one percent of the prime Contractor's total bid as to which his/her/its original bid did not designate a subcontractor, except as authorized in the Subletting and Subcontracting Fair Practices Act. Subletting or subcontracting of any portion of the work in excess of one-half of one percent of the prime Contractor's total bid as to which no subcontractor was designated in the original bid shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the authority awarding this Contract setting forth the facts constituting the emergency or necessity.

☐ Check this box if no subcontractors are required to be listed for work or labor to be performed or services to be rendered.

## **EQUAL EMPLOYMENT OPPORTUNITY CERTIFICATION**

The bidder \_\_\_\_\_, hereby certifies that he/she has \_\_\_\_\_, has not \_\_\_\_\_, participated in a previous contract or subcontract subject to the equal opportunity clauses, as required by Executive Orders 10925, 11114, or 11246, and that, where required, he has filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance, a Federal Government contracting or administering agency, or the former President's Committee on Equal Employment Opportunity, all reports due under the applicable filing requirements.

**Note:** The above certification is required by the Equal Employment Opportunity Regulations of the Secretary of Labor (41 CFR 60-1.7(b) (1)), and must be submitted by bidders and proposed subcontractors only in connection with contracts and subcontracts which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contracts or subcontracts of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders and have not filed the required reports should note that 41 CFR 60-1.7(b) (1) prevents the award of contracts and subcontracts unless such contractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration or by the Director, Office of Federal Contract Compliance, U.S. Department of Labor.

**EQUAL EMPLOYMENT OPPORTUNITY CERTIFICATION**

The proposed subcontractor \_\_\_\_\_, hereby certifies that he/she has \_\_\_\_\_, has not \_\_\_\_\_, participated in a previous contract or subcontract subject to the equal opportunity clauses, as required by Executive Orders 10925, 11114, or 11246, and that, where required, he has filed with the Joint Reporting Committee, the Director of the Office of Federal Contract Compliance, a Federal Government contracting or administering agency, or the former President's Committee on Equal Employment Opportunity, all reports due under the applicable filing requirements.

**Note:** The above certification is required by the Equal Employment Opportunity Regulations of the Secretary of Labor (41 CFR 60-1.7(b) (1)), and must be submitted by bidders and proposed subcontractors only in connection with contracts and subcontracts which are subject to the equal opportunity clause. Contracts and subcontracts which are exempt from the equal opportunity clause are set forth in 41 CFR 60-1.5. (Generally only contracts or subcontracts of \$10,000 or under are exempt.)

Currently, Standard Form 100 (EEO-1) is the only report required by the Executive Orders or their implementing regulations.

Proposed prime contractors and subcontractors who have participated in a previous contract or subcontract subject to the Executive Orders and have not filed the required reports should note that 41 CFR 60-1.7(b) (1) prevents the award of contracts and subcontracts unless such contractor submits a report covering the delinquent period or such other period specified by the Federal Highway Administration or by the Director, Office of Federal Contract Compliance, U.S. Department of Labor.

## **PUBLIC CONTRACT CODE**

### **PUBLIC CONTRACT CODE SECTION 10285.1 STATEMENT**

In accordance with Public Contract Code Section 10285.1 (Chapter 376, Stats. 1985), the bidder hereby declares under penalty of perjury under the laws of the State of California that the bidder has \_\_\_\_\_, has not \_\_\_\_\_ been convicted within the preceding three years of any offenses referred to in that section, including any charge of fraud, bribery, collusion, conspiracy, or any other act in violation of any state or Federal antitrust law in connection with the bidding upon, award of, or performance of, any public works and facilities Contract, as defined in Public Contract Code Section 1101, with any public entity, as defined in Public Contract Code Section 1100, including the Regents of the University of California or the Trustees of the California State University. The term "bidder" is understood to include any partner, member, officer, director, responsible managing officer, or responsible managing employee thereof, as referred to in Section 10285.1.

Note: The bidder must place a check mark after "has" or "has not" in one of the blank spaces provided.

---

### **PUBLIC CONTRACT CODE SECTION 10162 QUESTIONNAIRE**

In accordance with Public Contract Code Section 10162, the Bidder shall complete, under penalty of perjury, the following questionnaire:

Has the bidder, any officer of the bidder, or any employee of the bidder who has a proprietary interest in the bidder, ever been disqualified, removed, or otherwise prevented from bidding on, or completing a federal, state, or local government project because of a violation of law or a safety regulation?

Yes \_\_\_\_\_ No \_\_\_\_\_

If the answer is yes, explain the circumstances in the following space.

### **PUBLIC CONTRACT CODE SECTION 10232 STATEMENT**

In accordance with Public Contract Code Section 10232, the Contractor, hereby states under penalty of perjury, that no more than one final unappealable finding of contempt of court by a federal court has been issued against the Contractor within the immediately preceding two year period because of the Contractor's failure to comply with an order of a federal court which orders the Contractor to comply with an order of the National Labor Relations Board.

Note: The above Public Contract Code Statements and Questionnaire are part of the Bid. Signing this Bid on the signature portion thereof shall also constitute signature of these Statements and Questionnaire. Bidders are cautioned that making a false certification may subject the certifier to criminal prosecution.

**NONCOLLUSION DECLARATION**  
**TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID**  
(Public Contract Code Section 7106)

The undersigned declares:

I am the \_\_\_\_\_ of \_\_\_\_\_, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on \_\_\_\_\_ [date], at \_\_\_\_\_ [city], \_\_\_\_\_ [state].

**DEBARMENT AND SUSPENSION CERTIFICATION**

Title 2, Code of Federal Regulations, Part 180

The bidder, under penalty of perjury, certifies that, except as noted below, he/she or any person associated therewith in the capacity of owner, partner, director, officer, manager:

- is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency;
- has not been suspended, debarred, voluntarily excluded or determined ineligible by any federal agency within the past three (3) years;
- does not have a proposed debarment pending; and,
- has not been indicted, convicted, or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct within the past three (3) years.

If there are any exceptions to this certification, insert the exceptions in the following space.

Exceptions will not necessarily result in denial of award but will be considered in determining bidder responsibility. For any exception noted above, indicate below to whom it applies, initiating agency, and dates of action.

Note: The above Certification is part of the Bid. Signing this Bid on the signature portion thereof shall also constitute signature of this Certification. Providing false information may result in criminal prosecution or administrative sanctions.

## **NONLOBBYING CERTIFICATION FOR FEDERAL-AID CONTRACTS**

The prospective participant certifies, by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal Contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal Contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal Contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The prospective participant also agrees by submitting his or her bid or proposal that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000 and that all such subrecipients shall certify and disclose accordingly.

## **INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES**

This disclosure form shall be completed by the reporting entity, whether subawardee or prime Federal recipient, at the initiation or receipt of covered Federal action or a material change to previous filing pursuant to title 31 U.S.C. section 1352. The filing of a form is required for such payment or agreement to make payment to lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress an officer or employee of Congress or an employee of a Member of Congress in connection with a covered Federal action. Attach a continuation sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence, the outcome of a covered Federal action.
2. Identify the status of the covered Federal action.
3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last, previously submitted report by this reporting entity for this covered Federal action.
4. Enter the full name, address, city, state and zip code of the reporting entity. Include Congressional District if known. Check the appropriate classification of the reporting entity that designates if it is or expects to be a prime or subaward recipient. Identify the tier of the subawardee, e.g., the first subawardee of the prime is the first tier. Subawards include but are not limited to subcontracts, subgrants and Contract awards under grants.
5. If the organization filing the report in Item 4 checks "Subawardee" then enter the full name, address, city, state and zip code of the prime Federal recipient. Include Congressional District, if known.
6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organization level below agency name, if known. For example, Department of Transportation, United States Coast Guard.
7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans and loan commitments.
8. Enter the most appropriate Federal identifying number available for the Federal action identification in item 1 (e.g., Request for Proposal (RFP) number, Invitation for Bid (IFB) number, grant announcement number, the Contract grant or loan award number, the application/proposal control number assigned by the Federal agency). Include prefixes, e.g., "RFP-DE-90-001."
9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitments for the prime entity identified in item 4 or 5.
10. (a) Enter the full name, address, city, state and zip code of the lobbying entity engaged by the reporting entity identified in item 4 to influence the covered Federal action.  
(b) Enter the full names of the individual(s) performing services and include full address if different from 10 (a). Enter Last Name, First Name and Middle Initial (MI).
11. Enter the amount of compensation paid or reasonably expected to be paid by the reporting entity (item 4) to the lobbying entity (item 10). Indicate whether the payment has been made (actual) or will be made (planned). Check all boxes that apply. If this is a material change report, enter the cumulative amount of payment made or planned to be made.
12. Check the appropriate box. Check all boxes that apply. If payment is made through an in-kind contribution, specify the nature and value of the in-kind payment.
13. Check the appropriate box. Check all boxes that apply. If other, specify nature.
14. Provide a specific and detailed description of the services that the lobbyist has performed or will be expected to perform and the date(s) of any services rendered. Include all preparatory and related activity not just time spent in actual contact with Federal officials. Identify the Federal officer(s) or employee(s) contacted or the officer(s) employee(s) or Member(s) of Congress that were contacted.
15. Check whether or not a continuation sheet(s) is attached.
16. The certifying official shall sign and date the form, print his/her name title and telephone number.

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including time for reviewing instruction, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **STATEMENT CONCERNING EMPLOYMENT OF UNDOCUMENTED ALIENS**

(Public Contract Code Section 6101)

In conformance with Public Contract Code Section 6101, the bidder certifies compliance with state and federal law with respect to the employment of undocumented aliens by signing this proposal on the signature portion thereof. Public Contract Code section 6101 provides that no state agency or department, as defined in Section 10335.7, that is subject to this code, shall award a public works & facilities or purchase Contract to a bidder or Contractor, nor shall a bidder or Contractor be eligible to bid for or receive a public works and facilities or purchase Contract, who has, in the preceding five (5) years, been convicted of violating a state or federal law respecting the employment of undocumented aliens..

Note: The above Statement is part of the Bid. Signing this Bid on the signature portion thereof shall also constitute signature of this Statement. Providing false information may result in criminal prosecution or administrative sanctions.

**CONTRACTOR'S CERTIFICATE AS TO WORKER'S COMPENSATION**

(Labor Code Section 1861)

Labor Code Section 3700 provides, in relevant part:

Each contractor to whom a public works contract is awarded shall sign and file with the awarding body the following certification prior to performing the work of the contract: "I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

Labor Code Section 3700 provides, in relevant part:

"Every employer except the State shall secure the payment of compensation in one or more of the following ways:

- "(a) By being insured against liability to pay compensation in one or more insurers duly authorized to write compensation insurance in this state.
- "(b) By securing from the Director of Industrial Relations a certificate of consent to self-insure either as an individual employer, or as one employer in a group of employers, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his or her employees."

I certify that I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this Contract.

Note: The above Certification is part of the Bid. Signing this Bid on the signature portion thereof shall also constitute signature of this Certification. Providing false information may result in rescission of any contract awarded to bidder, criminal prosecution and/or administrative sanctions.

The \_\_\_\_\_ (Agency Name) \_\_\_\_\_ established a Disadvantaged Business Enterprise (DBE) goal of \_\_\_\_\_% for this contract. The information provided herein shows the required good faith efforts to meet or exceed the DBE contract goal.

Proposers or bidders submit the following information to document their good faith efforts within five (5) **calendar** days from cost proposal due date or bid opening. Proposers and bidders are recommended to submit the following information even if the Exhibit 10-O1: Consultant Proposal DBE Commitments or Exhibit 15-G: Construction Contract DBE Commitment indicate that the proposer or bidder has met the DBE goal. This form protects the proposer’s or bidder’s eligibility for award of the contract if the administering agency determines that the bidder failed to meet the goal for various reasons, e.g., a DBE firm was not certified at bid opening, or the bidder made a mathematical error.

The following items are listed in the Section entitled “Submission of DBE Commitment” of the Special Provisions, **please attach additional sheets as needed:**

- A. The names and dates of each publication in which a request for DBE participation for this project was placed by the bidder (please attach copies of advertisements or proofs of publication):

**BIDDER'S BOND**

WHEREAS, the Principal named below has submitted the accompanying bid to the County of Monterey, a political subdivision of the State of California (hereinafter called "County"), for the following project:

\_\_\_\_\_ (exact description as on bid); and

WHEREAS, Principal as bidder, is required to furnish a bond executed by an admitted surety in connection with said bid, to secure timely execution of the Contract and delivery of the bonds and insurance certificates, in the event that the Contract is awarded to Principal; and

WHEREAS, the Principal has submitted the above- mentioned bid to the County, for which bids are to be opened at \_\_\_\_\_ (city where bid opening), California, on, \_\_\_\_\_ (date bid opening).

NOW, THEREFORE, we \_\_\_\_\_, PRINCIPAL, and \_\_\_\_\_ as SURETY, are held and firmly bound unto the County in the penal sum of \_\_\_\_\_ Dollars (\$\_\_\_\_\_.\_\_\_\_\_) which sum is not less than ten percent (10%) of the total amount of the base bid amount including all alternates submitted by said above-named Principal to the County, for the project described below, for the payment of which sum in lawful money of the United States, well and truly to be made to the County, we bind ourselves, our heirs, executors, administrators and successors, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT,

If the aforesaid Principal is awarded the Contract and, within the time and manner required under the specifications, after the prescribed forms are presented to him for signature, enters into a written Contract, in the prescribed form, in accordance with the bid, and files two bonds with the County of Monterey, one to guarantee faithful performance and the other to guarantee payment for labor and materials, as required by law and said Contract documents, then this obligation shall be null and void; otherwise, it shall be and remain in full force and virtue.

Surety hereby stipulates and agrees that no change, extension of time, alteration or addition to the terms of the Contract on the call for bids, or to the work to be performed thereunder, or the specifications accompanying the same, shall in any way affect its obligation under this bond, and it does hereby waive notice of any such change, extension of time, alteration or addition to the terms of said Contract or the call for bids, or to the work or to the specifications.

If the County brings suit upon this bond and judgment is recovered, the Surety shall pay all litigation expenses incurred by the County in such suit, including attorney's fees, court costs, expert witness fees and investigation expenses.

IN WITNESS WHEREOF the above-bound parties have executed this instrument under their several seals this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by its undersigned representative, pursuant to authority of its governing body.

Project: Fairview Road Emergency Repair  
Grantors: M. Peterson Jr. and Lynn P. Peterson, trustees of  
The Peterson Revocable Trust  
Parcel No.: 216-021-005

### **AGREEMENT FOR PURCHASE OF REAL PROPERTY**

This Agreement for Purchase of Real Property is between the County of Monterey, a political subdivision of the State of California (GRANTEE), and John M. Peterson Jr. and Lynn P. Peterson, trustees of The Peterson Revocable Trust (GRANTORS).

**The parties hereby agree as follows:**

#### **1. PROPERTY:**

GRANTORS agree to sell and GRANTEE agrees to purchase certain land described in Exhibits "A" and "B" (attached and incorporated by this reference) being a portion of property in Monterey County located at 32447 Fairview Road, Soledad, California, further identified as APN 216-021-005 for use by GRANTEE on the Fairview Road Emergency Repair Project (the Project Property). GRANTORS agree to grant a Permanent Drainage Easement and Temporary Construction Easement (TCE) on the terms and conditions set forth in this Agreement. The form of the Permanent Drainage Easement Deed is as depicted in Exhibits "A" and "B".

#### **2. TITLE VI COMPLIANCE:**

- a. The parties to this contract shall, pursuant to Section 21.7(a) of Title 49, Code of Federal Regulations, comply with all elements of Title VI of the Civil Rights Act of 1964. This requirement under Title VI and the Code of Federal Regulations is to complete the USDOT-Non-Discrimination Assurance requiring compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R. Section 50.3.
- b. No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that is the subject of this contract.

#### **3. DELIVERY OF DOCUMENTS:**

Concurrently with the execution of this Agreement, the Permanent Drainage Easement Deed shall be executed and delivered by GRANTORS to William Bohan, Acquisition Agent for Bender Rosenthal, Inc., acting for the GRANTEE for the purpose of placing the Permanent Drainage Easement Deed into escrow. Prior to placing the Permanent Drainage Easement into escrow, the purchase of the Project Property must be approved by the Monterey County Board of Supervisors. The Permanent Drainage Easement Deed shall not be delivered in the manner described solely for the convenience of the parties.

GRANTEE shall not be deemed to have accepted delivery of the Permanent Drainage Easement Deed until such time as the Permanent Drainage Easement Deed is recorded in the Official Records of Monterey County, California in accordance with written escrow instructions delivered to escrow by GRANTEE and GRANTOR. The Temporary Construction Easement Deed will not be recorded.

This transaction shall be handled through an internal escrow.

**4. PURCHASE PRICE AND TITLE:**

The Property conveyed by Document No. 216-021-005, is being donated to COUNTY by GRANTOR. GRANTOR, having initiated this donation, has been informed of the right to compensation for the Property donated and hereby waive(s) this right to compensation.

GRANTEE shall pay all costs of recording fees incurred in this transaction.

**5. PERMANENT DRAINAGE EASEMENT:**

Permission is hereby granted to the GRANTEE and its authorized agents and contractors to enter on GRANTOR'S land, within the Permanent Drainage Easement area described in the document delivered herewith, for rights of way for the purpose of roadway drainage improvements.

**6. TEMPORARY CONSTRUCTION EASEMENT:**

A Temporary Construction Easement (TCE) is needed for the purpose of: providing access for construction. Said temporary easement shall be for a period of six (6) months from July 1, 2021 to December 31, 2021. Permission is hereby granted to GRANTEE or its authorized agent to enter upon GRANTOR'S land where necessary within that certain area identified as a Temporary Construction Easement (TCE) for the purpose described above.

It is further agreed and understood between GRANTORS and GRANTEE that GRANTEE or GRANTEE'S contractor shall be authorized to enter GRANTOR'S remainder property for the purpose of removing and/or replacing any improvements noted in the appraisal of the property requiring replacement if applicable. Said improvements will be temporarily replaced during the period of construction to retain the nature of the property and will be replaced in "Like Kind" by GRANTEE'S contractor at no expense to GRANTORS following construction of the project.

**7. WARRANTY OF STATUS OF TITLE:**

As a covenant that will survive the close of escrow, GRANTORS warrant that GRANTORS are the sole owner of the Property, free and clear of all liens, claims, encumbrances, easements, encroachments by improvements on the Project Property, or rights of way of any sort except those accepted by GRANTEE in writing (see Escrow Instructions controlling this transaction).

**8. EASEMENTS WARRANTY:**

GRANTORS warrant to GRANTEE that the title conveyed to GRANTEE will not be encumbered by any easements, licenses, or other rights not disclosed by the public record.

**9. LEASE WARRANTY:**

GRANTORS warrant that there are no oral or written leases on any portion of the Project Property and GRANTEE further agrees to hold harmless and reimburse GRANTEE for any and all losses or expenses resulting or arising from any lease on the Project Property.

**10. POSSESSION:**

GRANTEE shall have the right of possession and use of the Permanent Drainage Easement areas including the right to remove and dispose of improvements. Such possession shall commence at the time of recording.

**11. IMPROVEMENTS:**

Except as may be otherwise provided herein, the purchase price for the Project Property includes compensation for any and all improvements situated within the Permanent Drainage Easement areas (Project Property) as described in the appraisal of the Project Property.

**12. WARRANTY AGAINST MATERIAL DEFECTS:**

GRANTORS have no knowledge, actual or constructive, of any material defects in the Project Property.

**13. HAZARDOUS WASTE MATERIAL:**

GRANTORS hereby represent and warrant that during the period of GRANTOR'S ownership of the Project Property, there have been no disposals, releases or threatened releases of hazardous substances on, from, or under the Project Property. GRANTORS further represent and warrant that GRANTORS have no knowledge of any disposal, release, or threatened release of hazardous substances, on, from, or under the Project Property which may have occurred prior to GRANTOR'S taking title to the Project Property.

The acquisition price of the Project Property being acquired in this transaction reflects the fair market value of the Project Property without the presence of contamination. If the Project Property being acquired is found to be contaminated by the presence of hazardous substances which requires mitigation under Federal or State law, the GRANTEE reserves the right to recover its clean-up costs from those who caused or contributed to the contamination or from the GRANTORS.

GRANTORS shall indemnify, defend with counsel acceptable to GRANTEE and hold harmless GRANTEE and GRANTEE'S officers, representatives, agents, and employees from and against any and all suits, damages, costs, fees, claims, demands, causes of action, losses, liabilities and expenses, including without limitation attorneys' fees, arising in conjunction with or as a result of GRANTOR'S breach of any of its representations or warranties set forth in this Section 13, which representations and warranties shall survive close of escrow and recordation of the Permanent Easement Deed.

As used in this Agreement the term "hazardous substances" means any and all chemicals, substances, wastes or materials which have been or are hereafter determined by any federal, state or local governmental GRANTEE to be capable of posing risk of injury to health or safety, including, without limitation, petroleum, asbestos, polychlorinated biphenyls, radioactive materials and radon gas. GRANTOR'S obligations pursuant to this Section 13 shall survive the close of escrow and recordation of the Permanent Easement Deed.

**14. SEVERABILITY:**

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being impaired or invalidated in any way.

**15. GOVERNING LAW:**

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

**16. PUBLIC PURPOSE:**

GRANTEE requires the Project Property for a public use, for the Project, and GRANTEE can acquire the Project Property through the exercise of the power of eminent domain. GRANTORS are compelled to sell, and GRANTEE is compelled to acquire the Project Property. Both GRANTORS and GRANTEE recognize the expense, time, effort and risk to both GRANTORS and GRANTEE in resolving a dispute over compensation for the Project Property by eminent domain litigation; and, the compensation set forth herein is in compromise and settlement, in lieu of such litigation.

**17. AUTHORITY AND EXECUTION:**

Each person executing this Agreement on behalf of a party represents and warrants that such person is duly and validly authorized to do so on behalf of the entity it purports to bind and if such party is a partnership, corporation or trustee, that such partnership, corporation or trustee has full right and authority to enter into this Agreement and perform all of its obligations hereunder.

**18. ENTIRE AGREEMENT:**

This Agreement represents the full and complete understanding of the parties with respect to the Project Property and the Project. Any prior or contemporaneous oral or written agreements by and between the parties or their agents and representatives with respect to the Project Property or the Project are revoked and extinguished by this Agreement.

**19. NOTICES:**

All notices and demands shall be given in writing either by personal service or by registered or certified mail, postage prepaid, and return receipt requested. Notice shall be considered given when mailed. Notices shall be addressed as shown below for each party.

Parcel No.: 216-0210-13

### **AGREEMENT FOR PURCHASE OF REAL PROPERTY**

This Agreement for Purchase of Real Property is between the County of Monterey, a political subdivision of the State of California (GRANTEE), and Edward Silva Jr. and Evelina Marie Silva, Trustees F/B/O Silva Family Living Trust DTD February 9, 1996, Edward Silva AKA as Edward Silva Jr. and Evelyn Silva AKA Evelina Marie Silva, husband and wife; John Silva, a married man as his sole and separate property and Theresa Silva Amaral, a married woman, as her sole and separate property (GRANTORS).

**The parties hereby agree as follows:**

#### **1. PROPERTY:**

GRANTORS agree to sell and GRANTEE agrees to purchase certain land described in Exhibits "A" and "B" (attached and incorporated by this reference) being a portion of property in Monterey County located at 32200 Fairview Road, Soledad, California, further identified as APN 216-023-013 for use by GRANTEE on the Fairview Road Emergency Repair Project (the Project Property). GRANTORS agree to grant a Permanent Drainage Easement and Temporary Construction Easement (TCE) on the terms and conditions set forth in this Agreement. The form of the Permanent Drainage Easement Deed is as depicted in Exhibits "A" and "B".

#### **2. TITLE VI COMPLIANCE:**

- a. The parties to this contract shall, pursuant to Section 21.7(a) of Title 49, Code of Federal Regulations, comply with all elements of Title VI of the Civil Rights Act of 1964. This requirement under Title VI and the Code of Federal Regulations is to complete the USDOT-Non-Discrimination Assurance requiring compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R Section 50.3.
- b. No person in the United States shall, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity that is the subject of this contract.

#### **3. DELIVERY OF DOCUMENTS:**

Concurrently with the execution of this Agreement, the Permanent Drainage Easement Deed shall be executed and delivered by GRANTORS to William Bohan, Acquisition Agent for Bender Rosenthal, Inc., acting for the GRANTEE for the purpose of placing the Permanent Drainage Easement Deed into escrow. Prior to placing the Permanent Drainage Easement into escrow, the purchase of the Project Property must be approved by the Monterey County Board of Supervisors. The Permanent Drainage Easement Deed shall not be delivered in the manner described solely for the convenience of the parties.

GRANTEE shall not be deemed to have accepted delivery of the Permanent Drainage Easement Deed until such time as the Permanent Drainage Easement Deed is recorded in the Official Records of Monterey County, California in accordance with written escrow instructions delivered to escrow by GRANTEE and GRANTOR. The Temporary Construction Easement Deed will not be recorded.

This transaction shall be handled through an internal escrow.

**4. PURCHASE PRICE AND TITLE:**

The Property conveyed by Document No. 216-021-013, is being donated to COUNTY by GRANTOR. GRANTOR, having initiated this donation, has been informed of the right to compensation for the Property donated and hereby waive(s) this right to compensation.

GRANTEE shall pay all costs of recording fees incurred in this transaction.

**5. PERMANENT DRAINAGE EASEMENT:**

Permission is hereby granted to the GRANTEE and its authorized agents and contractors to enter on GRANTOR'S land, within the Permanent Drainage Easement area described in the document delivered herewith, for rights of way for the purpose of roadway drainage improvements.

**6. TEMPORARY CONSTRUCTION EASEMENT:**

A Temporary Construction Easement (TCE) is needed for the purpose of: providing access for construction. Said temporary easement shall be for a period of six (6) months from July 1, 2021 to December 31, 2021. Permission is hereby granted to GRANTEE or its authorized agent to enter upon GRANTOR'S land where necessary within that certain area identified as a Temporary Construction Easement (TCE) for the purpose described above.

It is further agreed and understood between GRANTORS and GRANTEE that GRANTEE or GRANTEE'S contractor shall be authorized to enter GRANTOR'S remainder property for the purpose of removing and/or replacing any improvements noted in the appraisal of the property requiring replacement if applicable. Said improvements will be temporarily replaced during the period of construction to retain the nature of the property and will be replaced in "Like Kind" by GRANTEE'S contractor at no expense to GRANTORS following construction of the project.

**7. WARRANTY OF STATUS OF TITLE:**

As a covenant that will survive the close of escrow, GRANTORS warrant that GRANTORS are the sole owner of the Property, free and clear of all liens, claims, encumbrances, easements, encroachments by improvements on the Project Property, or rights of way of any sort except those accepted by GRANTEE in writing (see Escrow Instructions controlling this transaction).

**8. EASEMENTS WARRANTY:**

GRANTORS warrant to GRANTEE that the title conveyed to GRANTEE will not be encumbered by any easements, licenses, or other rights not disclosed by the public record.

**9. LEASE WARRANTY:**

GRANTORS warrant that there are no oral or written leases on any portion of the Project Property and GRANTEE further agrees to hold harmless and reimburse GRANTEE for any and all losses or expenses resulting or arising from any lease on the Project Property.

**10. POSSESSION:**

GRANTEE shall have the right of possession and use of the Permanent Drainage Easement areas including the right to remove and dispose of improvements. Such possession shall commence at the time of recording.

**11. IMPROVEMENTS:**

Except as may be otherwise provided herein, the purchase price for the Project Property includes compensation for any and all improvements situated within the Permanent Drainage Easement areas (Project Property) as described in the appraisal of the Project Property.

**12. WARRANTY AGAINST MATERIAL DEFECTS:**

GRANTORS have no knowledge, actual or constructive, of any material defects in the Project Property.

**13. HAZARDOUS WASTE MATERIAL:**

GRANTORS hereby represent and warrant that during the period of GRANTOR'S ownership of the Project Property, there have been no disposals, releases or threatened releases of hazardous substances on, from, or under the Project Property. GRANTORS further represent and warrant that GRANTORS have no knowledge of any disposal, release, or threatened release of hazardous substances, on, from, or under the Project Property which may have occurred prior to GRANTOR'S taking title to the Project Property.

The acquisition price of the Project Property being acquired in this transaction reflects the fair market value of the Project Property without the presence of contamination. If the Project Property being acquired is found to be contaminated by the presence of hazardous substances which requires mitigation under Federal or State law, the GRANTEE reserves the right to recover its clean-up costs from those who caused or contributed to the contamination or from the GRANTORS.

GRANTORS shall indemnify, defend with counsel acceptable to GRANTEE and hold harmless GRANTEE and GRANTEE'S officers, representatives, agents, and employees from and against any and all suits, damages, costs, fees, claims, demands, causes of action, losses, liabilities and expenses, including without limitation attorneys' fees, arising in conjunction with or as a result of GRANTOR'S breach of any of its representations or warranties set forth in this Section 13, which representations and warranties shall survive close of escrow and recordation of the Permanent Easement Deed.

As used in this Agreement the term "hazardous substances" means any and all chemicals, substances, wastes or materials which have been or are hereafter determined by any federal, state or local governmental GRANTEE to be capable of posing risk of injury to health or safety, including, without limitation, petroleum, asbestos, polychlorinated biphenyls, radioactive materials and radon gas. GRANTOR'S obligations pursuant to this Section 13 shall survive the close of escrow and recordation of the Permanent Easement Deed.

**14. SEVERABILITY:**

If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being impaired or invalidated in any way.

**15. GOVERNING LAW:**

This Agreement shall be governed by and construed in accordance with the laws of the State of California.

**16. PUBLIC PURPOSE:**

GRANTEE requires the Project Property for a public use, for the Project, and GRANTEE can acquire the Project Property through the exercise of the power of eminent domain. GRANTORS are compelled to sell, and GRANTEE is compelled to acquire the Project Property. Both GRANTORS and GRANTEE recognize the expense, time, effort and risk to both GRANTORS and GRANTEE in resolving a dispute over compensation for the Project Property by eminent domain litigation; and, the compensation set forth herein is in compromise and settlement, in lieu of such litigation.

**17. AUTHORITY AND EXECUTION:**

Each person executing this Agreement on behalf of a party represents and warrants that such person is duly and validly authorized to do so on behalf of the entity it purports to bind and if such party is a partnership, corporation or trustee, that such partnership, corporation or trustee has full right and authority to enter into this Agreement and perform all of its obligations hereunder.

**18. ENTIRE AGREEMENT:**

This Agreement represents the full and complete understanding of the parties with respect to the Project Property and the Project. Any prior or contemporaneous oral or written agreements by and between the parties or their agents and representatives with respect to the Project Property or the Project are revoked and extinguished by this Agreement.

**19. NOTICES:**

All notices and demands shall be given in writing either by personal service or by registered or certified mail, postage prepaid, and return receipt requested. Notice shall be considered given when mailed. Notices shall be addressed as shown below for each party.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve the Funding Agreement with the Transportation Agency for Monterey County for the Blackie Road Extension Project; and
- b. Authorize the Director of Public Works, Facilities & Parks to execute the Funding Agreement; and
- c. Add the Blackie Road Extension Project to the PWFP FY 2021/22 Annual Work Program for Road Fund

### SUMMARY/DISCUSSION:

On November 8, 2016, the voters of Monterey County, pursuant to the provisions of the Local Transportation Authority and Improvement Act, California Public Utilities Code Section 180000 et seq. (the "Act"), approved the Transportation Safety & Investment Plan Measure X (Transportation Agency of Monterey County [TAMC] Ordinance No. 2016-01) on the Monterey County Ballot, thereby authorizing TAMC to impose and administer the proceeds from a three-eighths cent transaction and use tax ("Measure X"). Measure X identifies the State Route 156 project as an eligible use of funds from Measure X revenues. Part of the State Route 156 Corridor includes the extension of Blackie Road to a new interchange at State Route 156 and Castroville Boulevard in the County of Monterey (Blackie Road Extension Project [hereafter, "Project"]). TAMC was awarded funds from Senate Bill 1 Local Partnership Program Formula funds in the amount of \$250,000 to assist in the Project Approval and Environmental Document Phase of the Project. County has proposed the extension of Blackie Road with Measure X funding from TAMC for the Approval and Environmental Document Phase of the Project.

The California Department of Transportation (Caltrans), in cooperation with TAMC and the County of Monterey, will be constructing safety and operational improvements along State Route 156 in north Monterey County. The Project will connect these improvements to the local roadway system by constructing a new road from the interchange at State Route 156 and Castroville Boulevard, to Blackie Road. This Project will connect two (2) other roadway projects that are also planned in the

corridor: (1) the State Route 156/Castroville Boulevard Interchange Improvements; and (2) the State Route 156 West Corridor Improvements. The Project will provide a new connection from the major distribution center in south Castroville to State Route 156, reducing truck traffic and congestion on State Route 183/Merritt Street through the central part of the community of Castroville.

On August 25, 2021, the proposed Funding Agreement (sometimes referred to as “Agreement”) between TAMC and the County of Monterey for the Project was presented to the TAMC Board of Directors. At that meeting, the TAMC Board of Directors approved the proposed Funding Agreement. The funding source for this Phase of the Project is through Senate Bill 1 Local Partnership Program formula funds which TAMC administers through Measure X Regional Funding. TAMC is eligible for the \$250,000 of Senate Bill 1 Local Partnership Program formula funds because of Measure X. The County and TAMC received the allocation of these funds from the California Transportation Commission at their January 2021 meeting. The Local Partnership Program funds require a one-to-one match. The TAMC Board had previously approved using Measure X Regional Development Impact Fees for the Project in the amount of \$250,000. To receive these funds which are administered by TAMC, the County is required to enter into a Funding Agreement with the TAMC (Attachment A). The Project description, anticipated schedule, and funding summary are presented in the exhibits to the proposed of the Agreement.

Costs eligible to be reimbursed pursuant to the proposed Agreement are costs which are directly related to project implementation including project management, environmental documentation, permitting, engineering design, right-of-way acquisition, construction, and construction management costs (including staff time and costs incurred by the County that are directly related to the Project) as set forth in the proposed Agreement.

Staff recommends approval of the proposed Funding Agreement (Attachment A) to establish the framework, roles and responsibilities of the County and TAMC for the implementation of this phase of the Project.

OTHER AGENCY INVOLVEMENT:

The TAMC Board of Directors has approved the proposed Funding Agreement. The Office of the County Counsel has approved the Funding Agreement as to form.

FINANCING:

The Funding Agreement will have no immediate financial impact on the Road Fund. This phase of the proposed Project is funded by funds derived from the local Measure X revenues and Regional Development Impact fees through the proposed Agreement with TAMC, whereby said funds would be accepted from TAMC into Fund 002 Road Fund.

**REGIONAL FUNDING AGREEMENT  
FOR THE PROJECT APPROVAL AND ENVIRONMENTAL DOCUMENT PHASE OF THE  
BLACKIE ROAD EXTENSION PROJECT**

This Regional Funding Agreement ("Agreement") is made and entered into on \_\_\_\_\_ by and between the County of Monterey ("Sponsor") and the Transportation Agency for Monterey County ("TAMC"), collectively referred to herein as "Parties," or in the singular, as "Party."

**RECITALS**

**WHEREAS**, on November 8, 2016, the voters of Monterey County, pursuant to the provisions of the Local Transportation Authority and Improvement Act, California Public Utilities Code Section 180000 et seq. (the "Act"), approved the Transportation Safety & Investment Plan Measure X (TAMC Ordinance No. 2016-01) on the Monterey County Ballot, thereby authorizing TAMC to impose and administer the proceeds from a three-eighths cent transaction and use tax ("Measure X"); and

**WHEREAS**, Measure X identifies the State Route 156 project as an eligible use of funds from Measure X revenues; and

**WHEREAS**, part of the State Route 156 Corridor includes the extension of Blackie Road to a new interchange at State Route 156 and Castroville Boulevard in the County of Monterey; and

**WHEREAS**, Sponsor has proposed a manner of extending Blackie Road (hereinafter the "Project") which is more thoroughly described in Exhibit "A," attached hereto; and

**WHEREAS**, TAMC was awarded funds from Senate Bill 1 Local Partnership Program Formula funds, in the amount of \$250,000, to assist in the Project Approval and Environmental Document phase of the Project; and

**WHEREAS**, Sponsor desires to receive Measure X regional funding from TAMC as match for phase of the Project; and

**WHEREAS**, TAMC is authorized to program funds to the Project in amounts not-to-exceed those shown in the Funding Summary, attached hereto as **Exhibit "D"**; and

**WHEREAS**, the Parties understand and agree that as between TAMC and Sponsor, any cost savings developed in implementing the Project will be retained by TAMC and may be re-programmed for other eligible projects;

**NOW, THEREFORE**, in consideration of the mutual promises and undertakings herein made and the mutual benefits to be derived therefrom, the Parties hereto represent, covenant and agree as follows:

**SECTION I**  
**Covenants of Sponsor**

1.1. Project Definition. The Project Description and Scope of Work for the Project is attached hereto as Exhibit A. The Project Schedule is attached hereto as Exhibit B. The Project's Estimate of Cost, both as a whole and by activity, is attached hereto as Exhibit C. The anticipated amount and type of funds, and fiscal year of funding, are specified in Exhibit D, Funding Summary. Each of these Exhibits A, B, C, and D are incorporated herein by this reference.

1.2. Change In Project Scope. No change in the Project Description or Scope of Work as described in Exhibit A may be approved or implemented until it has been reviewed and approved by the TAMC Board of Directors as an amendment to Exhibit A. Changes implemented without TAMC approval will not be eligible for reimbursement.

1.3. Eligible Costs. Eligible costs to be reimbursed by TAMC pursuant to this Agreement are those costs directly related to the Project's implementation including Project management, environmental documentation, permitting engineering design, right-of-way acquisition, construction and construction management costs (including staff time and costs incurred by the County that are directly related to the Project) as specified in Exhibit C. County overhead costs are not eligible for reimbursement. In no event shall expenses incurred prior to the execution of this Agreement be considered eligible reimbursement costs under this Agreement.

1.4. Timing of TAMC Disbursements. TAMC shall issue payments in the form of reimbursements to Sponsor pursuant to a Request for Payment submitted by the Sponsor, as described in Section 1.5. As the Sponsor complies with the procedure set forth in Section 1.5, below, the Sponsor will submit its documentation in a sufficiently timely basis to allow TAMC to review Requests for Payment and to disburse funds directly to Sponsor within a period of fifteen (15) business days. TAMC shall not be responsible for any penalties or charges related to late payments to Sponsor or Sponsor contractors, if TAMC has made a disbursement to the Sponsor within this period, or if TAMC has complied with Section 2.4 ("Suspension of Disbursements) for any invoices/Requests for Payments that are disputed. Sponsor understands that in no event shall payments from TAMC, when aggregated with previously approved reimbursement requests, exceed the amount listed as Total Reimbursable Amount" in Exhibit D.

1.5. Invoices and Progress Reports. Starting one month after the execution of this Agreement, Sponsor will submit to TAMC progress reports and Requests for Payment for activities conducted over the prior unbilled time period. These documents will include the following specified information:

1.5.1. Invoices. Sponsor will provide TAMC with one (1) copy of all invoices submitted to Sponsor by every contractor, subcontractor, consultant, or subconsultant performing work related to the Project, timecards reflecting hours invoiced for reimbursement by Sponsor's employees and staff, and invoices supporting direct expenses billed to project by Sponsor.

1.5.2. Progress Reports. The monthly progress reports will include a brief description of the status of the Project, including the work completed to date and public outreach efforts. This summary may be included on the invoices submitted to TAMC or be attached to those invoices.

1.5.3. Allocation of Funds as Between Sponsor and TAMC. Each Request for Payment shall allocate requested funds equally between the Sponsor Contribution and TAMC Reimbursable Funds until such time as all of Sponsor's Contribution has been exhausted. That is, for each \$100 invoiced, \$50 shall be paid by Sponsor's Contribution and \$50 from TAMC funds until such time as all of the funds identified in the Funding Summary as "not reimbursable" (i.e., Sponsor's funds) have been used.

1.5.4. Request for Payments. A Request for Payment for an amount not to exceed the total invoice(s) for the prior time period, shall accompany the invoices and progress reports. Requests for Payment shall consist of a cover letter stating the time period for which reimbursement is requested (no less than monthly), a Progress Report as detailed in section 1.5.2 above, the name of the Project, total amount requested and contact name and telephone number, as well as all invoices and progress reports for which the Sponsor requests reimbursement.

1.6. Use of Funds. Sponsor will expend funds consistent with the Project's Scope of Work described in Exhibit A and Estimate of Cost described in Exhibit C, or approved by TAMC pursuant to Section 1.2. Sponsor shall encumber the funds no later than the Project schedule as listed in Exhibit B.

1.7. Submittal of Documents. Sponsor will provide copies to TAMC of all executed contracts which relate to the Project's Scope of Work, as described in Exhibit A, or approved by TAMC pursuant to Section 1.2. Sponsor will retain records pertaining to the Project for as long as required by law, but not less than a minimum of five (5) years following completion of the Project.

1.8. Completion of Project. Sponsor will be responsible for the timely completion of the Project, including meeting any timely use of funds deadlines, if applicable, set forth in Exhibit B and provide management of consultant and contractor activities, including responsibility for schedule, budget and oversight of the services, consistent with the Scope of Work. Any and all costs which exceed the total Project costs eligible for TAMC reimbursement as described herein, shall be the sole responsibility of Sponsor. This provision shall apply in all instances, including situations where a change in scope has been approved by TAMC pursuant to Section 1.2. Responsibility for the timely completion of the Project includes, but is not limited to:

1.8.1 Construction Support. Sponsor is responsible for all construction support work.

1.8.2 Disadvantaged Business Enterprise. Sponsor will include a Disadvantaged Business Enterprise (DBE) utilization goal in the Project construction contract(s) in accordance with the Caltrans Local Assistance Procedures Manual. Sponsor will award the construction contract to the lowest responsive bidder who makes a Good Faith Effort to meet the DBE goal.

1.8.3 Construction Bonds. Sponsor will require the construction contractor to furnish payment and performance bonds naming Sponsor as obligee, and TAMC as additional obligee, and to carry liability insurance in accordance with Caltrans Standard Specifications.

1.8.4 Bid Process. Sponsor will advertise, open bids, award, and approve the construction contract in accordance with the California Public Contract Code and the California Labor Code.

1.8.5 Bids in Excess of Designated Funding. If the lowest responsible construction contract bid is greater than the funding commitments of TAMC and Sponsor identified in the Funding Summary included with Exhibit B, Parties shall meet and agree in writing on a course of action within fifteen (15) business days. If no agreement is reached within fifteen (15) business days, the Sponsor shall not award the construction contract, and the Parties shall agree to a Mutual Termination pursuant to Section 3.2.1.

1.8.6 Resident Engineer. Sponsor will provide a Resident Engineer and construction support staff that are independent of the construction contractor. The Resident Engineer will be a Civil Engineer, licensed in the State of California, who is responsible for construction contract administration activities.

1.8.7 Change Orders. Sponsor will implement changes to the construction contract only through written Change Orders. Through their designated Project Managers, the Parties must review and concur on all Change Orders over \$10,000, as well as all Change Orders that cumulatively amount to \$50,000, or more. Any Change Orders that would cause the estimated Total Project Cost to be exceeded shall require approval of the TAMC Board of Directors.

1.8.8. Notice of Completion. Sponsor will, within 45 calendar days of the Project becoming operable, provide a Notice of Completion to TAMC, which includes final cost, revenues, and schedule of future and completed activities.

1.9. Closure Statement. Within one hundred eighty (180) calendar days following the completion and acceptance of the Project, Sponsor shall furnish TAMC with a document signed by Sponsor that verifies the completion of all obligations included in this Agreement. This letter shall accompany the final invoice/ Request for Payment from the Sponsor.

1.10. Public Outreach. Sponsor will be responsible for the development and administration of a public outreach effort to ensure public awareness and TAMC involvement in the Project development and delivery process. Sponsor will provide a copy of the public outreach plan and all materials documenting the public outreach activities, including public notices, press releases, flyers, etc. to TAMC. The public outreach plan must accompany the first invoice/ Request for Payment from the Sponsor. "Before" and "after" photos of the project must accompany the final invoice for payment from the Sponsor.

1.11. Provision of Signs. Sponsor shall install signs consistent with TAMC's Project Signs Guidelines and Specifications set forth in Exhibit "E" of this Agreement, attached hereto and incorporated herein by this reference.

#### 1.12. Cost Savings and Excess Costs

1.12.1. Cost Savings. As between Sponsor and TAMC, after the Project has been accepted by Sponsor as complete, any positive difference between the costs, as listed in Exhibit C or approved by TAMC pursuant to Section 1.2, and the total amount paid by TAMC and not returned to the State, shall be considered cost savings. All (100%) of the cost savings will be re-credited to TAMC for re-programming by TAMC on other eligible projects.

1.12.2. Excess Costs. In the event the actual Project cost exceeds the estimates shown in Exhibit C or D, this amount will be considered an excess cost. Sponsor is solely responsible for all costs over the amounts identified in Exhibit C as reimbursable project costs.

1.13. Errors and Omissions. Sponsor shall diligently monitor and manage all aspects of the Project and shall aggressively pursue any and all remedies, including full restitution and damages from any consultant, contractor or sub-contractor and their insureds and sureties suspected of any acts, errors, or omissions committed during business activities that economically or legally damage the Project.

### **SECTION II**

#### **Covenants of TAMC**

2.1. Funding Commitments. TAMC shall provide funding to Sponsor for eligible Project costs as specified in the Funding Summary included with Exhibit B consistent with the procedures described in Section 1.5.

2.1.1. Deadline to Submit Reimbursement Requests. Requests for Payment shall be submitted to TAMC on or before 5:00 p.m. on the tenth (10th) calendar day of the month in which the Sponsor requests reimbursement payments. Copies of invoices must be complete and legible, or the Request for Payment will be returned. TAMC shall make payments to Sponsor on or before the last day of the month for all timely submittals.

2.1.2. Late Submittals. If Sponsor fails to submit invoices, documentation or progress reports, as set forth in this agreement, to TAMC in a timely manner, then TAMC may delay the reimbursement payments until the required documentation is provided.

2.1.3. Costs Ineligible for Reimbursement. In addition to any other remedy detailed herein, or otherwise afforded by law, TAMC reserves the right to adjust current or future reimbursement payments to Sponsor if an invoice includes ineligible costs.

2.1.4. Reimbursement Amount. The amount of reimbursement payments to Sponsor shall be equivalent to 50% of eligible expenditures for each invoice submitted to TAMC until such time as Sponsor's Contribution is exhausted, as specified in Exhibit A and Section 1.5.3, except as provided in 2.2., below.

2.2. Delay or Suspension of Reimbursement Payments. Notwithstanding the reimbursement provisions listed above, if TAMC determines that an invoice includes ineligible costs, lacks adequate supporting documentation, or lacks a progress report, the TAMC Project Manager or Fiscal Officer shall provide the Sponsor with a written dispute notice outlining the reason for the return and the proposed remedy, if one exists, which would make the invoice acceptable. TAMC will delay payment until within 15 days of when the revised invoice or requested documentation is received. If Sponsor disputes the TAMC finding or request, Sponsor may immediately submit a new invoice representing only the amounts which are not in dispute, while setting aside the disputed amounts for review in accordance with the provisions set forth in the Dispute Resolution policies of the Measure X Master Programs Funding Agreement (Article V, Section B).

2.3. Making of Payment Does Not Result In Waiver. TAMC payments pursuant to an approved Request for Payment does not result in a waiver of the right of TAMC to require fulfillment of all terms of this Agreement.

2.4. Right to Conduct Audit. TAMC shall, at TAMC's expense, have the right to conduct an audit of all Sponsors' records pertaining to the Agreement at any time during construction and up to a five (5) year period after completion of the Project. If any irregularities are found as a result of an audit, Sponsor shall reimburse TAMC for the cost of the audit.

### **SECTION III** **Mutual Covenants**

3.1. Term. This Agreement shall remain in effect until discharged or terminated as provided in Section 3.2 or Section 3.15.

3.2. Discharge/Termination. This Agreement shall be subject to discharge as follows:

3.2.1. Termination by Mutual Consent. This Agreement may be terminated at any time by mutual consent of the Parties. At the time of any such mutual termination, TAMC shall be obligated to provide funding for only such Requests for Payment as may be outstanding and approved at the time of termination.

3.2.2. Discharge Upon Completion of Project. Except as to any rights or obligations which survive discharge as specified in Section 3.15, this Agreement shall be discharged, and the Parties shall have no further obligation to each other, upon completion of the Project and submission of the Closure Statement, as set forth in Section 1.9.

3.3. Indemnity. It is mutually understood and agreed, relative to the indemnification of TAMC and Sponsor:

3.3.1. Sponsor shall, to the full extent permitted by law, fully defend, indemnify and hold harmless TAMC, its Board and Directors, and any officer, agent, or employee of TAMC, against any damage or liability occurring by reason of anything done or omitted to be done by Sponsor under or in connection with any work, authority or jurisdiction delegated to Sponsor under the Agreement. It is also fully understood and agreed that, pursuant to Government Code Section 895.4, Sponsor

shall fully defend, indemnify and hold TAMC, its Board and Directors, its officers, agency and employees, harmless from any liability imposed for injury as defined by Government Code Section 810.8 occurring by reason of anything done or omitted to be done by Sponsor under this Agreement or in connection with any work, authority, or jurisdiction delegated to Sponsor or funded by Sponsor under this Agreement.

3.3.2. TAMC shall, to the full extent permitted by law, fully defend, indemnify and hold harmless Sponsor, its Board of Supervisors, and any officer, agent, or employee of Sponsor, against any damage or liability occurring by reason of anything done or omitted to be done by TAMC under or in connection with any work, authority or jurisdiction delegated to TAMC under the Agreement. It is also fully understood and agreed that, pursuant to Government Code Section 895.4, TAMC shall fully defend, indemnify and hold Sponsor, its Board of Supervisors, officers, agents and employees, harmless from any liability imposed for injury as defined by Government Code Section 810.8 occurring by reason of anything done or omitted to be done by TAMC under this Agreement or in connection with any work, authority, or jurisdiction delegated to TAMC or funded by TAMC under this Agreement.

3.4. Liability. As TAMC is only providing certain funds, and not the primary or responsible agency for carrying out the Project herein identified, TAMC is not liable for any loss, cost, liability, damage, claim, lien, action, cause of action, demand or expense which may arise as a result of the acts or omissions of Sponsor or its agents, contractors, consultants, engineers, or representatives. Nor shall TAMC be liable for any loss, cost, liability, damage, claim, lien, action, cause of action, demand or expense which may arise as a result of TAMC's provision of funds which may be utilized in, but not limited to the acquisition of, the design, implementation, or construction of the Project herein described.

3.5 Contract Administrators. Sponsor's designated principal responsible for administering Sponsor's work under this Agreement shall be Randy Ishii, Director of Public Works, Facilities, and Parks; TAMC's designated administrator of this Agreement shall be Todd Muck, Executive Director. TAMC's Project Manager under this Agreement shall be Doug Bilse.

3.6 Notices. Any notice which may be required under this Agreement shall be in writing and shall be given by personal service, or by certified or registered mail, return receipt requested, to the addresses set forth below:

TAMC  
Todd Muck  
Executive Director  
55B Plaza Circle  
Salinas, California 93901

SPONSOR  
Randy Ishii  
Director of Public Works, Facilities and Parks  
1441 Schilling Place, Second Floor  
Salinas, California, 93901

Either Party may change its address by giving notice of such change to the other party in the manner provided in this Section 3.6. All notices and other communications shall be deemed communicated as of actual receipt or after the second business day after deposit in the United States mail.

3.7. Additional Acts and Documents. Each Party agrees to do all such things and take all such actions, and to make, execute and deliver such other documents and instruments, as shall be reasonably requested to carry out the provisions, intent and purpose of the Agreement.

3.8. Integration. This Agreement, together with the State funding agreement for the Local Partnership Program funds, represents the entire Agreement of the Parties with respect to the subject matter hereof. No representations, warranties, inducements or oral agreements have been made by any of the Parties except as expressly set forth herein, or in other contemporaneous written agreements.

3.9. Amendment. This Agreement may not be changed, modified or rescinded except in writing, signed by all Parties hereto, and any attempt at oral modification of this Agreement shall be void and of no effect.

3.10. Independent Agency. Sponsor renders its services under this Agreement as an independent agency and TAMC is also an independent agency under the Agreement. None of the Sponsor's agents or employees shall be agents or employees of TAMC and none of TAMC's agents or employees shall be agents or employees of Sponsor.

3.11. Assignment. The Agreement may not be assigned, transferred, hypothecated, or pledged by any Party without the express written consent of the other Party.

3.12. Binding on Successors. This Agreement shall be binding upon the successor(s), assignee(s) or transferee(s) of TAMC or Sponsor, as the case may be. This provision shall not be construed as an authorization to assign, transfer, hypothecate or pledge this Agreement other than as provided above.

3.13. Severability. Should any part of this Agreement be determined to be unenforceable, invalid, or beyond the authority of either Party to enter into or carry out, such determination shall not affect the validity of the remainder of this Agreement which shall continue in full force and effect; provided that, the remainder of this Agreement can, absent the excised portion, be reasonably interpreted to give effect to the intentions of the Parties.

3.14. Counterparts. This Agreement may be executed in one or more counterparts and shall become effective when one or more counterparts have been signed by the Parties; each counterpart shall be deemed an original, but all counterparts shall constitute a single document.

3.15. Survival. The following provisions in this Agreement shall survive discharge:

3.15.1. Sponsor. As to Sponsor, the following sections shall survive discharge: Section 1.6 (obligation to apply funds to Project), Section 1.7 (obligation to provide copies and retain records), Section 1.8 (obligation to continue to manage Project).

3.15.2. TAMC. As to TAMC, the following section shall survive discharge: Section 2.3 (right to conduct audit).

3.15.3. Both Parties. As to both Parties, the following section shall survive discharge: Section 3.3. (indemnity) and Section 3.4 (Liability), until the expiration of all relevant statutes of limitations.

3.16. Limitation. All obligations of TAMC under the terms of this Agreement are expressly contingent upon TAMC's continued authorization to administer the reimbursable funds identified in the Funding Summary included with Exhibit A. If for any reason, TAMC's right or ability to collect or expend such funds are terminated or suspended in whole or part so that it materially affects TAMC's ability to fund the Project, TAMC shall promptly notify Sponsor, and the Parties shall consult on a course of action. If, after twenty-five (25) working days, a course of action is not agreed upon by the Parties, this Agreement shall be deemed terminated by mutual or joint consent. Any future obligation to fund this Project or any other project or projects of Sponsor, not already specifically covered by a separate Agreement, shall arise only upon execution of a new Agreement.

3.17. Time. Time is and shall be of the essence of this Agreement and each of its provisions in which performance is a factor.

3.18. Remedies Cumulative. No remedy or election of remedies provided for in this Agreement shall be deemed exclusive but shall be cumulative with all other remedies at law or in equity. Each remedy shall be construed to give the fullest effect allowed by law.

3.19. Applicable Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

3.20. Captions. The captions in this Agreement are for convenience only and are not a part of this Agreement. The captions do not in any way limit or amplify the provisions of this Agreement and shall not affect the construction or interpretation of any of its provisions.

3.21. No Continuing Waiver. The waiver by any Party of any breach of any of the provisions of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of the same, or of any other provision of this Agreement.

3.22. No Rights in Third-Parties. Nothing in this Agreement, express or implied, is intended to confer any rights or remedies on any third-party, nor is anything in this Agreement intended to relieve or discharge the obligation or liability of any third-party to any Party to this Agreement, nor shall any provision of this Agreement give any third-party any right of subrogation or action over or against any Party to this Agreement.

3.23. Signatory's Warranty. Each Party warrants to each other that he or she is fully authorized and competent to enter into this Agreement in the capacity indicated by his or her signature and agrees to be bound by this Agreement as of the day and year first mentioned above upon the execution of this Agreement by each other Party.

**IN WITNESS WHEREOF**, the undersigned parties have executed this Agreement on the day and year first written above.

## **EXHIBIT A**

### **PROJECT DESCRIPTION & SCOPE OF WORK**

**Project Name:** Blackie Road Extension

**Project Contact:** Randy Ishii, Director, County of Monterey

**Project Manager:** Enrique M. Saavedra

### **PROJECT DESCRIPTION**

**Project Sponsor:** County of Monterey is the Project Sponsor and lead agency for CEQA purposes. TAMC will support the County of Monterey to coordinate with Caltrans regarding the Project's connection with the State Route 156/Castroville Boulevard Interchange.

**Project Limits:** The project will construct a new road from the interchange at Castroville Boulevard and State Route 156 to the existing segment of Blackie Road in north Monterey County.

#### **Project Phase:**

- ✓ Phase 1 – Preliminary Engineering (includes Environmental and Preliminary Design / Engineering)
- ☐ Phase 2 – Right-of-Way Acquisition
- ☐ Phase 3 – Construction (includes Project Construction & Construction Management)

This Agreement covers the completion of Phase 1 of the Project. Future phases of the Project will be scoped and budgeted following the completion of Phase 1 and may be added via amendments to this Agreement.

#### **Project Purpose:**

This project will connect to two other projects that are also planned in the corridor: the State Route 156 / Castroville Boulevard Interchange Improvements; and the State Route 156 West Corridor Improvements. The Blackie Road Extension will provide a new connection from the major distribution center in south Castroville to State Route 156, reducing truck traffic and congestion on State Route 183/Merritt Street through the town of Castroville.

#### **Transportation Benefit:**

The project provides traffic congestion relief; improves safety for local and regional travelers; and, improves movement of valuable goods to market.
