The Board of Supervisors welcomes you to its meetings, which are regularly scheduled each Tuesday. Your interest is encouraged and appreciated. Meetings are held in the Board Chambers located on the first floor of the Monterey County Government Center, 168 W. Alisal St., Salinas, CA 93901.

As a courtesy to others, please turn off all cell phones and pagers prior to entering the Board Chambers.

**ALTERNATE AGENDA FORMATS:** If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 USC Sec. 12132), and the federal rules and regulations adopted in implementation thereof. Individuals with a disability requiring a modification or accommodation, including auxiliary aids or services, in order to participate in the public meeting may make these requests to the Clerk of the Board Office.

**CEREMONIAL/APPOINTMENTS/OTHER BOARD MATTERS:** These items may include significant financial and administrative actions, and items of special interest, usually approved by majority vote for each program. The regular calendar also includes "Scheduled Items," which are noticed hearings and public hearings.

**CONSENT CALENDAR:** These matters include routine financial and administrative actions, appear in the supplemental section by program areas, and are usually approved by majority vote.

**TO ADDRESS THE BOARD ON A MATTER ON THE AGENDA:** Walk to the podium and wait for recognition by the Chair. In order that all interested parties have an opportunity to speak, please be brief and limit your comments to the specific subject under discussion. Time limitations shall be at the discretion of the Chair, with equal time allocated to opposing sides of an issue insofar as possible. Allocated time may not be reserved or granted to others, except as permitted by the Chair. On matters for which a public hearing is required, please note that a court challenge to the Board's action may be limited to only those issues raised at the public hearing or in correspondence delivered to the Board at or before the public hearing.

**TO ADDRESS THE BOARD DURING PUBLIC COMMENT:** Members of the public may address comments to the Board concerning each agenda item and may comment when the Chair calls for general public comment for items that are not on the day's agenda. The timing of public comment shall be at the discretion of the Chair.

**DOCUMENT DISTRIBUTION:** Documents related to agenda items that are distributed to the Board less than 72 hours prior to the meeting shall be available for public inspection at the Clerk of the Board Office, 168 W. Alisal Street, 1st Floor, Salinas, CA. Documents distributed to the Board at the meeting by County staff will be available at the meeting; documents distributed to the Board by members of the public shall be made available after the meeting.

**INTERPRETATION SERVICE POLICY:** The Monterey County Board of Supervisors invites and encourages the participation of Monterey County residents at its meetings. If you require the assistance of an interpreter, please contact the Clerk of the Board located in the Monterey County Government Center, 168 W. Alisal St., Salinas - or by phone at (831) 755-5066. The Clerk will make every effort to accommodate requests for interpreter assistance. Requests should be made as soon as possible, and at a minimum 24 hours in advance of any meeting of the Board of Supervisors.

La Cámara de Supervisores del Condado de Monterey invita y apoya la participación de los residentes del Condado de Monterey en sus reuniones. Si usted requiere la asistencia de un interprete, por favor comuníquese con la oficina de la Asistente de la Cámara de Supervisores localizada en el Centro de Gobierno del Condado de Monterey, (Monterey County Government Center), 168 W. Alisal, Salinas – o por teléfono al (831) 755-5066. La Asistente hará el esfuerzo para acomodar los pedidos de asistencia de un interprete. Los pedidos se deberán hacer lo mas pronto posible, y a lo mínimo 24 horas de anticipo de cualquier reunión de la Cámara de Supervisores.

All documents submitted by the public must have no less than ten (10) copies.

The Clerk of the Board of Supervisors must receive all materials for the agenda packet by noon on the Tuesday one week prior to the Tuesday Board meeting.

Any agenda related writings or documents distributed to members of the County of Monterey Board of Supervisors regarding any open session item on this agenda will be made available for public inspection in the Clerk of the Board's Office located at 168 W. Alisal St., 1st Floor, Salinas, California. during normal business hours and in the Board Chambers on the day of the Board Meeting, pursuant to Government Code §54957.5

Adopt a resolution proclaiming August as Artist Appreciation Month in the County of Monterey.  
(Supervisor Adams)

*Before the Board of Supervisors in and for the  
County of Monterey, State of California*

**Resolution No**

Adopt a resolution proclaiming August as **Artist Appreciation Month in the County of Monterey**

**WHEREAS**, artists are the backbone of community culture, creating visual arts, sculptures, music, poetry, and theater for which help to define and shape our identity; and

**WHEREAS**, musicians have been at the forefront of the global music industry for decades, popularizing genres of music like jazz, country, hip hop, rhythm and blues, classical, and rock and roll; and

**WHEREAS**, the arts industry and art-based non-profits are a substantial part of Monterey County's economy, which generates \$12 billion for local, state, and federal governments, and supports 2.3 million jobs nationwide; and

**WHEREAS**, performances and festivals like the West End Celebration, Monterey Jazz Festival, Monterey Ocean Arts Festival, and others stimulate areas of the Monterey County economy through audience lodging, dining, tourism, and shopping; and

**WHEREAS**, the County of Monterey has always had a special relationship and connection with the arts, and has been home and inspiration to many distinguished artists; and

**WHEREAS**, despite the challenge of obtaining adequate funding in an era of decreased arts spending, artists continue to create, entertain, influence, and inspire; and

**WHEREAS**, it is fitting to designate the month of August as **Artist Appreciation Month** to acknowledge the many Monterey County artists who have created and continue to create art that inspire our residents.

**NOW, THEREFORE BE IT RESOLVED** that the Monterey County Board of Supervisors, on behalf of the County and all residents thereof, do hereby proclaim **August 2022 Artist Appreciation Month in the County of Monterey**.

Adopt a resolution honoring Mari Beraz upon her retirement after thirty-three years of dedicated service with the County of Monterey. (Supervisor Alejo)

**Before the Board of Supervisors in and for the  
County of Monterey, State of California**

**Resolution No.:**

Adopt a resolution honoring **Mari Beraz** upon her )  
retirement after thirty-three years of dedicated service )  
with the County of Monterey )

**WHEREAS, Mari Beraz** began her career with the County of Monterey on August 28, 1989, as a Senior Secretary for the County Administrative Office Intergovernmental Affairs Unit, where she also served as Clerk of the Local Agency Formation Commission (LAFCO), and

**WHEREAS, Mari Beraz**, fueled by a strong desire to make a difference through public service and a seemingly insatiable hunger for knowledge, gained years of on-the-job learning, mastering increasingly complex responsibilities, and working her way up through the analyst classification series in the Budget & Analysis Division of the County Administrative Office, eventually earning promotion to Principal Administrative Analyst in June of 2007, and

**WHEREAS, Mari Beraz** accepted an appointment as Deputy Treasurer-Tax Collector, joining the Treasurer-Tax Collector’s team in January of 2015, and utilized her thorough analysis and efficient problem-solving skills to improve many administrative, policy, organizational, operational, legislative, and fiscal functions and assisted with development and implementation of processes and policies to ensure the ongoing success of the department and its employees, and

**WHEREAS, Mari Beraz** applied her exceptional writing and people skills to numerous critical Treasurer-Tax Collector projects in her role as Assistant Treasurer-Tax Collector beginning in January of 2016 and was integral to implementing an effective annual budget process as well as mentoring and developing numerous staff who are eternally grateful, and

**WHEREAS, Mari Beraz** has gained the respect and admiration of County peers, agencies, special districts, and schools and has chosen to retire after thirty-three years of service, let it be known that her dedication, innovation, and support will be remembered by those who worked with her over the years.

**NOW, THEREFORE, BE IT RESOLVED THAT** the Board of Supervisors in and for the County of Monterey hereby acknowledges, commends, and thanks **Mari Beraz** for her contributions to Monterey County and wishes her much happiness and success in her well-deserved retirement.

Adopt a resolution honoring the City of Seaside Community Vaccine Action Team's work to combat the spread of COVID-19 and increase vaccination rates in the City of Seaside. (Supervisor Askew)

*Before the Board of Supervisors in and for the  
County of Monterey, State of California*

**Resolution No.:**

Adopt a resolution honoring **the City of Seaside Community Vaccine Action Team**'s work to combat the spread of COVID-19 and increase vaccination rates in the City of Seaside

**WHEREAS**, the City of Seaside Community Vaccine Action Team was formed in January of 2020 under the direction and leadership of Mayor Ian Oglesby and the Seaside City Council; and

**WHEREAS**, the Community Vaccine Action Team is comprised of community leaders, educators, physicians, faith-based organizations, community health care workers, local government, and city staff; and

**WHEREAS**, the Community Vaccine Action Team has met monthly since January of 2020. Their mission is to educate, brainstorm, reach out to the community by hosting community education forums in multiple languages, design educational banners, vaccine hesitancy surveys, record community member testimonials and walk door-to-door with COVID-19 vaccine information, ensure vaccine clinic information is kept up to date on the City of Seaside website and all city social media platforms, and is shared countywide; and

**WHEREAS**, the City of Seaside partnered with the Visiting Nurses Association, The Monterey County Public Health Department, Montage Health, Monterey Fire and Seaside Fire Department to provide COVID-19 vaccinations to thousands of residents in Seaside and the greater Monterey Peninsula; and

**WHEREAS**, the City of Seaside organized and hosted Fifty-Seven (57) free COVID-19 vaccine clinics in 2020; and

**WHEREAS**, the City of Seaside has organized twenty-three (23) free COVID-19 Vaccine clinics in 2022 and clinics also offer opportunities for free COVID-19 testing; and

**NOW, THEREFORE BE IT RESOLVED**, that the Monterey County Board of Supervisors, on behalf of the County and all residents thereof, honors **the City of Seaside Community Vaccine Action Team** for their life-saving efforts to reduce the spread of COVID-19 during the ongoing COVID-19 pandemic and wish them continued success in all of their future endeavors.

Adopt a resolution honoring and celebrating the life of Señora Silvia Huerta for her lifelong dedication to social justice and activism in the County of Monterey. (Supervisor Alejo)

**Before the Board of Supervisors in and for the  
County of Monterey, State of California**

**Resolution No.:**

Adopt a resolution honoring and celebrating the life of Señora **Silvia Huerta** for her )  
lifelong dedication to social justice and activism )  
in the County of Monterey )

WHEREAS **Silvia Huerta** was born on May 22, 1944 in Acambáro, Guanajuato, Mexico and  
passed away peacefully in her home there on July 23, 2022; and

WHEREAS **Silvia Huerta** moved to Salinas, California in 1970 where she worked as a  
farmworker, harvesting broccoli, celery and lettuce for 25 years; and

WHEREAS **Silvia Huerta** participated in countless community marches and meetings fighting  
for equality and justice for all. Silvia Huerta marched alongside one of history's greatest  
Mexican American labor and civil rights leaders Cesar Chavez to improve working and living  
conditions for farmworkers and their families across California; and

WHEREAS **Silvia Huerta** joined the farmworker movement to improve basic human rights and  
worked tirelessly to close the economic marginalization gap for underserved communities. Silvia  
Huerta contributed her time, energy, passion, and motivation to help the underrepresented in the  
Salinas Valley; and

WHEREAS **Silvia Huerta** would often travel to Sacramento to support legislation that would  
uplift and empower farmworkers, immigrants, and their families; and

WHEREAS **Silvia Huerta** is survived by her husband, Agapito; children Rocio and Francisco;  
grandchildren, Aimee Huerta Ibáñez, Keira Mariette Carranza, Ricardo Huerta, Isaac Uriel  
Carranza, Miguel Ángel Castañeda Jr.; and great granddaughter Keirani Rose Gonzalez.

NOW, THEREFORE, BE IT RESOLVED THAT the Monterey County Board of Supervisors,  
on behalf of the County and all residents thereof, recognize and celebrate the life of Señora  
Silvia Huerta for her lifetime of activism and commitment to social justice, farmworkers,  
immigrants and the Latino community throughout Monterey County and beyond.

- a. Introduce, waive first reading, and set September 13, 2022 at 10:30 a.m. as the date and time to consider adoption of an ordinance approving a military equipment use policy for the District Attorney's Office pursuant to Assembly Bill 481.
- b. Provide direction to staff as appropriate.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Introduce, waive first reading, and set September 13, 2022 at 10:30 a.m. as the date and time to consider adoption of an ordinance approving a military equipment use policy for the District Attorney's Office pursuant to Assembly Bill 481.
- b. Provide direction to staff as appropriate.

### SUMMARY:

On September 30, 2021, Governor Newsom signed into law Assembly Bill 481. AB 481 addresses the funding, acquisition, and use of items lawmakers deemed to be considered "military equipment." This bill requires law enforcement agencies, including the District Attorney's Office, "to obtain approval of the applicable governing body, by adoption of a military equipment use policy, as specified, by ordinance at a regular meeting held pursuant to specified open meeting laws, prior to taking certain actions relating to the funding, acquisition, or use of military equipment, as defined." The attached ordinance establishes a military equipment use policy by adding the attached "Military Equipment" policy to the Monterey County District Attorney's Office Investigation Bureau Policy Manual.

### DISCUSSION:

AB 481 requires each law enforcement agency's governing body to adopt a written military equipment use policy by ordinance in a public meeting, in order to continue the use of previously acquired military equipment. The District Attorney's Office Draft Military Equipment Policy is attached here and is posted on the District Attorney's website.

The AB 481 defined list of military equipment currently in the District Attorney Investigation Bureau's possession is included in the draft Military Equipment Policy. Also, in compliance with AB 481, and as a longstanding practice, the District Attorney's Office has processes in place for the public to submit commendations, questions, concerns and complaints online or in person.

Also in compliance with AB 481, the District Attorney's Office will prepare an Annual Report to include the use of military equipment, any complaints received, any internal audits or other information about violations of its policy, the cost of such use and other similar information. The first Annual

Report will be distributed around August or September of 2023.

OTHER AGENCY INVOLVEMENT:

Not applicable.

FINANCING:

The cost of any military equipment is allocated with the District Attorney's budget.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA  
REINSTATING PREVIOUSLY SUSPENDED PORTIONS OF ORDINANCE NO. 5310  
RELATING TO POINT-OF-USE AND POINT-OF-ENTRY WATER TREATMENT  
SYSTEMS**

**County Counsel Summary**

*This ordinance reinstates previously suspended portions of Ordinance No. 5310. On June 18, 2019, the Monterey County Board of Supervisors adopted Ordinance No. 5310 authorizing point-of-use (POU) and point-of-entry (POE) treatment of water to meet primary drinking water standards under certain circumstances. On August 27, 2019, the Board of Supervisors adopted a subsequent ordinance that suspended, until December 11, 2019, Sections 3 and 6 and a portion of Section 5 of Ordinance No. 5310 relating to utilization of POU or POE treatment by local small and state small water systems, individual lot owners within local small and state small water systems, and individual lots on private wells. On December 10, 2019, Ordinance No. 5322 further extended the suspension until further action of the Board of Supervisors. This ordinance reinstates the previously suspended portions of Ordinance No. 5310.*

The Board of Supervisors of the County of Monterey ordains as follows:

**SECTION 1. Findings and Purpose.**

A. On June 18, 2019, the Board of Supervisors (“Board”) adopted Ordinance No. 5310. The County Counsel summary of the ordinance describes the ordinance as follows:

*This ordinance amends sections of Chapter 15.04 of the Monterey County Code and adds a new Chapter 15.06 to the Monterey County Code to authorize and regulate point-of-use (POU) and point-of-entry (POE) water treatment by local small, state small, and small public water systems that would otherwise not meet primary drinking water standards. The ordinance requires an amendment to the water system permit to allow these water systems to utilize POU or POE treatment. For water systems of 15 to 199 service connections, the ordinance updates Chapter 15.04 to allow POU or POE treatment under certain circumstances in accordance with recently adopted state standards. This ordinance also establishes standards for domestic water systems with two to fourteen water connections to utilize POU and POE treatment as a means of compliance with primary water quality standards. The ordinance requires the water system to renew annually the authorization to use a POU or POE treatment, and if grant funding becomes available, renewal is contingent on the water system pursuing funding for long term solutions such as but not limited to centralized water treatment, a new well, or consolidation. The ordinance also*

*provides that if an individual property owner is seeking new construction on an existing legal lot with water that does not meet primary water quality standards, the owner may install POU or POE treatment as a means of satisfying water quality standards necessary for a construction permit for development. This ordinance applies in the unincorporated area of the County of Monterey.*

B. Ordinance No. 5310 took effect on the thirty-first day following adoption, and per Board order, the Board directed County staff to return to the Board for review of the ordinance 12 months after adoption. Ordinance No. 5310 is incorporated herein by this reference.

C. On July 26, 2019, litigation was served on the County challenging the validity of Ordinance No. 5310 on a variety of grounds including the California Environmental Quality Act (“CEQA”).

D. On August 27, 2019, the Board adopted Ordinance No. 5316 which suspended the operation of Sections 3 and 6 and a portion of Section 5 of Ordinance No. 5310 until December 11, 2019. The suspended sections pertain to utilization of POU or POE treatment by local small water systems, state small water systems, individual lot owners within local small water systems and state small water systems, and individual lots on private wells (“Suspended Sections”). More particularly, the Suspended Sections include:

- Section 3: Amends Section 15.04.070(c) of the Monterey County Code to read: “An amendment to the local small or state small water system operating permit is required to allow a POU or POE treatment program that conforms to the requirements of Chapter 15.06 of the Monterey County Code. The amendment must be renewed annually by the water system. If opportunities for grant funding resources to support long term water treatment solutions become available, the water system shall demonstrate that it is pursuing such funding in order to be eligible for renewal.”
- Section 5: Amends Section 15.04.146 of the Monterey County Code to add subsection (1) of subsection (c): “In lieu of a centralized treatment facility, a local small or state small water system may choose to install a POU or POE treatment device at each connection in conformance with the regulations specified in Chapter 15.06 of the Monterey County Code, as may be amended from time to time, subject to approval by the Director.”
- Section 6: Adds Chapter 15.06 to the Monterey County Code to authorize and regulate POU and POE water treatment by local, small, state small, and small public water systems that would otherwise not meet primary drinking water standards.

E. On December 10, 2019, the Board adopted Ordinance No. 5322 which extended the suspension of the operation of Sections 3 and 6 and a portion of Section 5 of Ordinance No. 5310 until further action of the Board.

F. Pursuant to Section 15164 of the CEQA Guidelines, Monterey County has prepared an Addendum to the 2010 Monterey County General Plan Environmental Impact Report (2010 General Plan EIR; SCH# 2007121001) for the consideration of adoption of the Suspended Sections. The Addendum analyzed environmental impacts associated with adoption of and buildout under Suspended Sections, including the growth-inducing potential of the

Suspended Sections. The Addendum shows that the adoption of the Suspended Sections could indirectly result in minimum development across the unincorporated County, and that this development was already anticipated and analyzed in the build out analysis provided in the General Plan EIR. Adoption of the Suspended Sections does not involve approval of site-specific projects, nor changes in the currently adopted General Plan land uses or certified Local Coastal Program land uses. Therefore, the adoption of the Suspended Sections would continue to fall within the impact analysis in the County's 2010 General Plan EIR certified in October 2010. Future development associated with the adoption of the Suspended Sections would be subject to applicable development standards and reviews under County plans, policies, and regulations. Also, future development involving discretionary review would be subject to CEQA. This ordinance will not result in significant impacts or increase in severity of significant impacts beyond those addressed or analyzed in the 2010 General Plan EIR, nor does this ordinance present new information that shows new significant impacts or more severe impacts than those described in the General Plan EIR. Therefore, none of the conditions described in Section 15162 of the CEQA Guidelines have occurred, and no additional environmental assessment is required. This ordinance is within the scope of the existing certified EIR, an addendum to the existing EIR is appropriate, and no new environmental document, such as a new EIR, is required.

G. County staff consulted with California Coastal Commission staff and while the ordinance would apply in both the coastal and non-coastal zones, Coastal Commission staff confirmed the ordinance does not need to be a part of the County's certified Local Coastal Program ("LCP") and therefore does not need certification by the Coastal Commission. Importantly, any limited future development in the coastal zone associated with this ordinance would be subject to the LCP.

**SECTION 2.** The following Sections of Ordinance No. 5310 are hereby reinstated:

A. Section 3 and Section 6 of Ordinance No. 5310 are reinstated and shall become operative upon the effective date of this ordinance; and

B. That portion of Section 5 of Ordinance No. 5310 which amends Section 15.04.146 of the Monterey County Code to add subsection (1) of subsection (c) of Section 15.04.146 is reinstated and shall become operative upon the effective date of this ordinance.

**SECTION 3. SEVERABILITY.** If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

**SECTION 4. EFFECTIVE DATE.** This ordinance shall become effective on the thirty-first day following its adoption.

## Military Equipment

### 705.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072).

#### 705.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):

**Governing body** – The elected or appointed body that oversees the Bureau.

**Military equipment** – Includes but is not limited to the following:

- Unmanned, remotely piloted, powered aerial or ground vehicles.
- Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
- High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
- Tracked armored vehicles that provide ballistic protection to their occupants.
- Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
- Weaponized aircraft, vessels, or vehicles of any kind.
- Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
- Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
- Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
- Any firearm or firearm accessory that is designed to launch explosive projectiles.
- Noise-flash diversionary devices and explosive breaching tools.
- Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
- TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).
- Kinetic energy weapons and munitions.
- Any other equipment as determined by a governing body or a state agency to require additional oversight.

### **705.2 POLICY**

It is the policy of the Monterey County District Attorney's Office Bureau of Investigations that members of this bureau comply with the provisions of Government Code § 7071 with respect to military equipment.

### **705.3 MILITARY EQUIPMENT COORDINATOR**

The Chief Investigator should designate a member of this bureau to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the governing body for matters related to the requirements of this policy.
- (b) Identifying bureau equipment that qualifies as military equipment in the current possession of the Bureau, or the equipment the Bureau intends to acquire that requires approval by the governing body.
- (c) Conducting an inventory of all military equipment at least annually.
- (d) Collaborating with any allied agency that may use military equipment within the jurisdiction of Monterey County District Attorney's Office Bureau of Investigations (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting to include:
  1. Publicizing the details of the meeting.
  2. Preparing for public questions regarding the bureau's funding, acquisition, and use of equipment.
- (f) Preparing the annual military equipment report for submission to the Chief Investigator and ensuring that the report is made available on the bureau website (Government Code § 7072).
- (g) Establishing the procedure for a person to register a complaint or concern, or how that person may submit a question about the use of a type of military equipment, and how the Bureau will respond in a timely manner.

### **705.4 MILITARY EQUIPMENT INVENTORY**

1. The following constitutes a list of qualifying equipment for the Bureau: Colt M4 Carbine Caliber 5.56 with 11.5-inch barrel, Serial No. LE515092
2. Colt M4 Carbine Caliber 5.56 with 11.5-inch barrel, Serial No. LE515103
3. Drone - Skydio2-e7kv Serial No. S2.0F.B.00E7KV
4. Drone - DJI WM330A Serial No. 07DDD3T0A10549

## *Military Equipment*

---

### **705.5 APPROVAL**

The Chief Investigator or the authorized designee shall obtain approval from the governing body by way of an ordinance adopting the military equipment policy. As part of the approval process, the Chief Investigator or the authorized designee shall ensure the proposed military equipment policy is submitted to the governing body and is available on the bureau website at least 30 days prior to any public hearing concerning the military equipment at issue (Government Code § 7071).

The military equipment policy must be approved by the governing body prior to engaging in any of the following (Government Code § 7071):

- (a) Requesting military equipment made available pursuant to 10 USC § 2576a.
- (b) Seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
- (c) Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
- (d) Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this bureau.
- (e) Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
- (f) Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
- (g) Acquiring military equipment through any means not provided above.

### **705.6 COORDINATION WITH OTHER JURISDICTIONS**

Military equipment should not be used by any other law enforcement agency or member in this jurisdiction unless the military equipment is approved for use in accordance with this policy.

### **705.7 ANNUAL REPORT**

Upon approval of a military equipment policy, the Chief Investigator or the authorized designee should submit a military equipment report to the governing body for each type of military equipment approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief Investigator or the authorized designee should also make each annual military equipment report publicly available on the bureau website for as long as the military equipment is available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of military equipment in bureau inventory.

## *Military Equipment*

---

### **705.8 COMMUNITY ENGAGEMENT**

Within 30 days of submitting and publicly releasing the annual report, the Bureau shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Bureau should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.

**ORDINANCE NO. \_\_\_\_\_**

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA, TO ADOPT A MILITARY EQUIPMENT USE POLICY FOR THE DISTRICT ATTORNEY'S OFFICE PURSUANT TO ASSEMBLY BILL 481**

**County Counsel Summary**

*This ordinance is in response to Assembly Bill ("AB") 481, which was signed into law by Governor Gavin Newsom on September 30, 2021 and is codified at Government Code section 7070 et seq. AB 481 requires California law enforcement agencies to obtain approval of their applicable governing body, by an ordinance adopting a military equipment use policy prior to taking certain actions relating to the funding, acquisition, and/or use of military equipment. This ordinance establishes a military equipment use policy for the District Attorney's Office. This ordinance establishes a military equipment use policy by adding the attached "Military Equipment" policy to the Monterey County District Attorney's Office Bureau of Investigations.*

The Board of Supervisors of the County of Monterey hereby ordains as follows:

**SECTION 1. FINDINGS AND PURPOSE.**

A. On September 20, 2021, Governor Gavin Newsom signed Assembly Bill ("AB") 481 into law, which is codified at Government Code section 7070 *et seq.*

B. The legislative intent behind AB 481 is to increase the public transparency by which California law enforcement agencies fund, acquire, and/or use military equipment, as defined under AB 481.

C. AB 481 requires California law enforcement agencies to obtain approval of their applicable governing body, by an ordinance adopting a military equipment use policy prior to taking certain actions relating to the funding, acquisition, and/or use of military equipment.

D. AB 481 requires California law enforcement agencies that receive approval for a military equipment use policy to submit to the applicable governing body an annual military equipment report for each type of military equipment approved by the governing body within one year of approval, and annually thereafter so long as the military equipment is available for use.

E. AB 481 requires the applicable governing body of the California law enforcement agency to annually review the military equipment use policy to either disapprove a renewal of the authorization of a type of military equipment or amend the military equipment use policy.

F. The Board of Supervisors believes that with respect to the attached Military Equipment Policy for the District Attorney’s Office: 1) the identified equipment is necessary because there is no reasonable alternative that can achieve the same objective of officer and civilian safety; 2) the policy will serve to safeguard the public’s welfare, safety, civil rights, and civil liberties; 3) in future instances in which equipment is to be purchased, the equipment will be reasonably cost effective compared to available alternatives that can achieve the same objective of officer and civilian safety; and 4) corrective action has been taken, as necessary, to ensure that prior nonconforming use of military equipment is in compliance with new policies.

SECTION 2. The attached policy, titled “Military Equipment”, shall be added to the Monterey County District Attorney’s Office Bureau of Investigations Policy Manual.

SECTION 3. SEVERABILITY. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 4. EFFECTIVE DATE. This ordinance shall become effective on the thirty-first day following its adoption.

## Military Equipment

### 705.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072).

#### 705.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):

**Governing body** – The elected or appointed body that oversees the Bureau.

**Military equipment** – Includes but is not limited to the following:

- Unmanned, remotely piloted, powered aerial or ground vehicles.
- Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers.
- High mobility multipurpose wheeled vehicles (HMMWV), two-and-one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached.
- Tracked armored vehicles that provide ballistic protection to their occupants.
- Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
- Weaponized aircraft, vessels, or vehicles of any kind.
- Battering rams, slugs, and breaching apparatuses that are explosive in nature. This does not include a handheld, one-person ram.
- Firearms and ammunition of .50 caliber or greater, excluding standard-issue shotguns and standard-issue shotgun ammunition.
- Specialized firearms and ammunition of less than .50 caliber, including firearms and accessories identified as assault weapons in Penal Code § 30510 and Penal Code § 30515, with the exception of standard-issue firearms.
- Any firearm or firearm accessory that is designed to launch explosive projectiles.
- Noise-flash diversionary devices and explosive breaching tools.
- Munitions containing tear gas or OC, excluding standard, service-issued handheld pepper spray.
- TASER® Shockwave, microwave weapons, water cannons, and long-range acoustic devices (LRADs).
- Kinetic energy weapons and munitions.
- Any other equipment as determined by a governing body or a state agency to require additional oversight.

### **705.2 POLICY**

It is the policy of the Monterey County District Attorney's Office Bureau of Investigations that members of this bureau comply with the provisions of Government Code § 7071 with respect to military equipment.

### **705.3 MILITARY EQUIPMENT COORDINATOR**

The Chief Investigator should designate a member of this bureau to act as the military equipment coordinator. The responsibilities of the military equipment coordinator include but are not limited to:

- (a) Acting as liaison to the governing body for matters related to the requirements of this policy.
- (b) Identifying bureau equipment that qualifies as military equipment in the current possession of the Bureau, or the equipment the Bureau intends to acquire that requires approval by the governing body.
- (c) Conducting an inventory of all military equipment at least annually.
- (d) Collaborating with any allied agency that may use military equipment within the jurisdiction of Monterey County District Attorney's Office Bureau of Investigations (Government Code § 7071).
- (e) Preparing for, scheduling, and coordinating the annual community engagement meeting to include:
  1. Publicizing the details of the meeting.
  2. Preparing for public questions regarding the bureau's funding, acquisition, and use of equipment.
- (f) Preparing the annual military equipment report for submission to the Chief Investigator and ensuring that the report is made available on the bureau website (Government Code § 7072).
- (g) Establishing the procedure for a person to register a complaint or concern, or how that person may submit a question about the use of a type of military equipment, and how the Bureau will respond in a timely manner.

### **705.4 MILITARY EQUIPMENT INVENTORY**

1. The following constitutes a list of qualifying equipment for the Bureau: Colt M4 Carbine Caliber 5.56 with 11.5-inch barrel, Serial No. LE515092
2. Colt M4 Carbine Caliber 5.56 with 11.5-inch barrel, Serial No. LE515103
3. Drone - Skydio2-e7kv Serial No. S2.0F.B.00E7KV
4. Drone - DJI WM330A Serial No. 07DDD3T0A10549

### **705.5 APPROVAL**

The Chief Investigator or the authorized designee shall obtain approval from the governing body by way of an ordinance adopting the military equipment policy. As part of the approval process, the Chief Investigator or the authorized designee shall ensure the proposed military equipment policy is submitted to the governing body and is available on the bureau website at least 30 days prior to any public hearing concerning the military equipment at issue (Government Code § 7071).

The military equipment policy must be approved by the governing body prior to engaging in any of the following (Government Code § 7071):

- (a) Requesting military equipment made available pursuant to 10 USC § 2576a.
- (b) Seeking funds for military equipment, including but not limited to applying for a grant, soliciting or accepting private, local, state, or federal funds, in-kind donations, or other donations or transfers.
- (c) Acquiring military equipment either permanently or temporarily, including by borrowing or leasing.
- (d) Collaborating with another law enforcement agency in the deployment or other use of military equipment within the jurisdiction of this bureau.
- (e) Using any new or existing military equipment for a purpose, in a manner, or by a person not previously approved by the governing body.
- (f) Soliciting or responding to a proposal for, or entering into an agreement with, any other person or entity to seek funds for, apply to receive, acquire, use, or collaborate in the use of military equipment.
- (g) Acquiring military equipment through any means not provided above.

### **705.6 COORDINATION WITH OTHER JURISDICTIONS**

Military equipment should not be used by any other law enforcement agency or member in this jurisdiction unless the military equipment is approved for use in accordance with this policy.

### **705.7 ANNUAL REPORT**

Upon approval of a military equipment policy, the Chief Investigator or the authorized designee should submit a military equipment report to the governing body for each type of military equipment approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Chief Investigator or the authorized designee should also make each annual military equipment report publicly available on the bureau website for as long as the military equipment is available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of military equipment in bureau inventory.

## *Military Equipment*

---

### **705.8 COMMUNITY ENGAGEMENT**

Within 30 days of submitting and publicly releasing the annual report, the Bureau shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Bureau should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.

PLN150669-AMD1 - MARTIN WILLIAM H & SIMONA H TRS (FORMERLY NASE WERNER JR. TRUST)

Public hearing to consider:

- a. Terminating the Conservation and Scenic Easement on the Martin William H & Simona H TRS (Formerly Nase Werner Jr. Trust) property;
- b. Finding that termination of the Conservation and Scenic Easement does not require additional environmental review under CEQA Guidelines section 15162.
- c. Authorizing the Chair to execute the Termination Agreement and Quitclaim Deed; and
- d. Directing the Clerk of the Board to submit the Termination Agreement and Quitclaim Deed to the County Recorder for recording with all applicable recording fees paid by the applicant.

Project Location: 1412 Lisbon Lane, Pebble Beach

Proposed CEQA action: Finding that termination of the Conservation and Scenic Easement does not require additional environmental review under CEQA Guidelines section 15162.

### RECOMMENDATION:

It is recommended that the Monterey County Board of Supervisors:

- a. Consider the previously adopted Mitigated Negative Declaration (MND) prepared for the construction of the Werner Nase Jr. Trust residence (PLN150669); and
- b. Terminate the Conservation and Scenic Easement on the Martin William H & Simona H TRS (Formerly Nase Werner Jr. Trust) property; and
- c. Authorize the Chair to execute the Termination Agreement and Quitclaim Deed; and
- d. Direct the Clerk of the Board to submit the Termination Agreement and Quitclaim Deed to the County Recorder for recording with all applicable recording fees paid by the applicant.

A draft resolution is attached for consideration (**Attachment A**). The agreement terminating the Conservation and Scenic Easement is attached to this Board Report as **Attachment B**. The Quitclaim deed is attached to this Board Report as **Attachment C**.

### PROJECT INFORMATION:

**Agent:** Joel Panzer

**Owner:** Simona & William Martin

**APN:** 008-232-003-000

**Parcel Size:** 1 acre

**Plan Area:** Del Monte Forest Land Use Plan

SUMMARY:

On August 30, 2017, the Monterey County Planning Commission approved a Combined Development Permit consisting of 1) Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single-family dwelling with an attached garage and covered porch; 2) Coastal Development Permit for the removal of 44 Monterey pine trees; and 3) Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (Resolution No. 17-035) (**Attachment F**). Approval of this project also included the adoption of a Mitigated Negative Declaration (**Attachment G**) and a Mitigation Monitoring and Reporting Program (**Attachment H**). Twenty conditions of approval (not including mitigation measures) were applied to the permit. One of the conditions (Condition No. 5) required the property owner to grant an easement over portions of the property that contained sensitive habitat. The Monterey County Board of Supervisors approved and accepted an easement on September 15, 2020 (Document No. 2020051385) satisfying Condition No. 5 and a 21,600 square foot Conservation and Scenic Easement was granted to the Del Monte Forest Conservancy. This easement encumbers nearly the entire property surrounding the approved dwelling and driveway.

On June 29, 2022, the Monterey County Planning Commission adopted a resolution (Resolution No. 22-017; included as Exhibit B of **Attachment B**) approving an Amendment to a previously approved Combined Development Permit (PLN150669; Planning Commission Resolution No. 17-035) to remove Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement are to the Del Monterey Forest Conservancy and recommending the Board of Supervisors terminate the Conservation and Scenic Easement from the subject property. This resolution contains a finding that removal of Condition No. 5 is consistent with the previously adopted Mitigated Negative Declaration prepared for the Werner Nase Jr. Trust residence.

The reason that the property owner would like to terminate the easement is that the easement precludes the use of their yard for private residential enjoyment and because the Yadon's Piperia that had existed on the site was mitigated for by moving the plants to a receiver site so that the project site no longer contains the habitat that was the reason for the easement. The Del Monte Forest Conservancy has consented to the termination of the easement in this case.

DISCUSSION:

A previously approved permit, PLN150669, included a Coastal Development Permit to allow development within 100 feet of mapped or field identified environmentally sensitive habitats. Biological studies for the residence identified *Piperia yadonii* (Yadon's piperia) and Monterey pine forest as Environmentally Sensitive Habitat Area (ESHA). Monterey pines are typically not considered ESHA, and thus are only protected due to their status as a native tree. However, if the Monterey pines or their understory support special status species, then they too are considered ESHA. Prior to the approved residential development, the subject property's Monterey pines supported Yadon's Piperia; a federally listed endangered plant species.

In accordance with Policy 13 of the Del Monte Forest Land Use Plan, Condition No. 5 was applied to the previous project, requiring the Applicant/Owner to convey a 21,600 square foot Conservation and Scenic Easement over the established Enhancement/Restoration area to the Del Monte Forest Conservancy. However, the Mitigated Negative Declaration included Mitigation Measure No. 2 which

resulted in transplanting the entirety of the identified Yadon's Piperia habitat to a receiver site (Area H, owned by the Pebble Beach Company and set aside as open space and for purposes of conservation). This mitigation was developed by the project's biologist in consultation with the United States Fish and Wildlife Service (USFWS), members of the Del Monte Forest Conservancy, the Del Monte Forest Open Space Advisory Committee and the Pebble Beach Company. This mitigation measure, which has been proven to be successful through 4 years of annual monitoring by the project biologist, effectively removed the property's isolated populations of Yadon's Piperia. Due to the successful implementation of Mitigation Measure No. 2, no Yadon's Piperia foliage or flowers have been found on the subject lot since the day the plants were removed in November 2017. With relocation of the Yadon's Piperia, the property's Monterey pines are no longer considered ESHA. The majority of the property's Monterey pines are located within a 21,600 square foot restoration and enhancement area and are further protected by applicable Del Monte Forest Land Use Plan and Coastal Implementation Plan policies.

As the grantee of the Conservation and Scenic Easement, the Del Monte Forest Conservancy has commented on the project. The Del Monte Forest Conservancy has stated via e-mail correspondence with staff that the Conservancy consents to the termination of the easement based upon evidence from that: 1) no environmentally sensitive habitat currently exists on the property site subject to the easement; 2) the habitat that was on the property at the time of the granting of the easement has been successfully moved to another location; 3) that the sensitive habitat is flourishing at its new location; 4) the County has verified the accuracy of the consultant's report containing these representations; and 5) this termination request has received all necessary regulatory approvals from applicable County agencies and the California Coastal Commission and does not constitute any form of precedent for future projects or existing Conservation and Scenic Easements.

A letter from the project biologist (**Attachment E**), Pat Regan, dated September 6, 2021, and January 22, 2022, confirms that no environmentally sensitive habitat exists on the property. Monitoring of the transplanted population confirms that the entirety of the sensitive habitat that was on the property at the time of granting of the easement (Yadon's Piperia) has been moved to a new location and is thriving at the new location (Area H). County staff independently reviewed the biological reports and concur with their conclusions. On December 15, 2022, California Coastal Commission staff expressed their support for the project due to the specifics of the case being that the transplanting of the special status species was a result of a mitigation measure, and the subsequent monitoring has proven the transplanting to be successful. Monterey County Conservation and Scenic Easements are irrevocable. The proposed termination of the Conservation and Scenic Easement is specific to this project and based solely on facts of this case. Termination of the Conservation and Scenic Easement on the subject property (APN: 008-232-003-000) does not apply to or effect other Conservation and Scenic Easements conveyed to the Del Monte Forest Conservancy or to the County of Monterey.

Therefore, Staff recommends the Board of Supervisors terminate of the subject easement. A Draft Termination Agreement (**Attachment B**) and Quitclaim Deed (**Attachment C**) have been prepared and signed by appropriate parties and are subject to the Board of Supervisor's acceptance and recordation.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):

A Mitigated Negative Declaration (MND) was adopted prior to approving the construction of the Werner Nase Jr. Trust residence. The proposed termination of the easement does not require subsequent environmental review pursuant to CEQA Guidelines Section 15162. The condition requiring the Conservation and Scenic Easement (Condition No. 5) was not identified or analyzed in the adopted Mitigated Negative Declaration and was not intended as mitigation. Condition No. 5 is separate from the mitigation measure applied to Yadon’s Piperia to reduce potential impacts to less than significant. The project meets Section 15162 of the CEQA Guidelines because no substantial changes are proposed requiring major revisions of the MND; no substantial changes have occurred with respect to circumstances under which the project was undertaken that will require major revisions to the MND; termination of the easement does not affect the previously adopted mitigation measures. Therefore, as proposed, termination of the property’s Conservation and Scenic Easement is consistent with the previously adopted Mitigated Negative Declaration.

The majority of the property's Monterey pines are located within a 21,600 square foot restoration and enhancement area and are further protected by applicable Del Monte Forest Land Use Plan and Coastal Implementation Plan policies.

As the grantee of the Conservation and Scenic Easement, the Del Monte Forest Conservancy has commented on the project. The Del Monte Forest Conservancy has stated via e-mail correspondence with staff that the Conservancy consents to the termination of the easement based upon evidence from that: 1) no environmentally sensitive habitat currently exists on the property site subject to the easement; 2) the habitat that was on the property at the time of the granting of the easement has been successfully moved to another location; 3) that the sensitive habitat is flourishing at its new location; 4) the County has verified the accuracy of the consultant's report containing these representations; and 5) this termination request has received all necessary regulatory approvals from applicable County agencies and the California Coastal Commission and does not constitute any form of precedent for future projects or existing Conservation and Scenic Easements.

A letter from the project biologist (**Attachment E**), Pat Regan, dated September 6, 2021, and January 22, 2022, confirms that no environmentally sensitive habitat exists on the property. Monitoring of the transplanted population confirms that the entirety of the sensitive habitat that was on the property at the time of granting of the easement (Yadon's Piperia) has been moved to a new location and is thriving at the new location (Area H). County staff independently reviewed the biological reports and concur with their conclusions. On December 15, 2022, California Coastal Commission staff expressed their support for the project due to the specifics of the case being that the transplanting of the special status species was a result of a mitigation measure, and the subsequent monitoring has proven the transplanting to be successful. Monterey County Conservation and Scenic Easements are irrevocable. The proposed termination of the Conservation and Scenic Easement is specific to this project and based solely on facts of this case. Termination of the Conservation and Scenic Easement on the subject property (APN: 008-232-003-000) does not apply to or effect other Conservation and Scenic Easements conveyed to the Del Monte Forest Conservancy or to the County of Monterey.

Therefore, Staff recommends the Board of Supervisors terminate of the subject easement. A Draft Termination Agreement (**Attachment B**) and Quitclaim Deed (**Attachment C**) have been prepared and signed by appropriate parties and are subject to the Board of Supervisor's acceptance and recordation.

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA):

A Mitigated Negative Declaration (MND) was adopted prior to approving the construction of the Werner Nase Jr. Trust residence. The proposed termination of the easement does not require subsequent environmental review pursuant to CEQA Guidelines Section 15162. The condition requiring the Conservation and Scenic Easement (Condition No. 5) was not identified or analyzed in the adopted Mitigated Negative Declaration and was not intended as mitigation. Condition No. 5 is separate from the mitigation measure applied to Yadon’s Piperia to reduce potential impacts to less than significant. The project meets Section 15162 of the CEQA Guidelines because no substantial changes are proposed requiring major revisions of the MND; no substantial changes have occurred with respect to circumstances under which the project was undertaken that will require major revisions to the MND; termination of the easement does not affect the previously adopted mitigation measures. Therefore, as proposed, termination of the property’s Conservation and Scenic Easement is consistent with the previously adopted Mitigated Negative Declaration.

OTHER AGENCY INVOLVEMENT

The following agencies have reviewed the project, have comments, and/or have recommended conditions:

- Environmental Health Bureau
- Pebble Beach Community Services District (Fire)
- Del Monte Forest Conservancy
- California Coastal Commission

## DRAFT RESOLUTION

### Before the Board of Supervisors in and for the County of Monterey, State of California

In the matter of the application of:

**Martin William H & Simona H TRS (formerly  
Werner Nase Jr. Trust) (PLN150669-AMD1)**

#### **RESOLUTION NO. 22 -**

Resolution by the Monterey Board of Supervisors to:

- a) Consider the previously adopted Mitigated Negative Declaration (MND) for the construction of the Werner Nase Jr. Trust residence (PLN150669);
- b) Terminate the Conservation and Scenic Easement on the Martin William H & Simona H TRS (Formerly Nase Werner Jr. Trust) property
- c) Authorize the Chair to execute the Termination Agreement and Quitclaim Deed; and
- d) Direct the Clerk of the Board to submit the Termination Agreement and Quitclaim Deed to the County Recorder for recording with all applicable recording fees paid by the applicant.

[PLN150669-AMD1, 1412 Lisbon Lane, Pebble Beach, Del Monte Forest Land Use Plan (APN: 008-232-003-000)]

**The Martin William H & Simona H TRS (formerly Werner Nase Jr. Trust) application (PLN150669-AMD1) came on for public hearing before the Monterey County Board of Supervisors on August 23, 2022. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Planning Commission finds and decides as follows:**

#### **FINDINGS**

1. **FINDING:** **PROCESS** - The County has received and processed an amendment to PLN150669-AMD1 to remove Condition No. 5 from PLN150669 (Resolution No. 17-035). Removal of this condition allows for termination of a Conservation and Scenic Easement.  
**EVIDENCE:** a) On August 30, 2017, the Monterey County Planning Commission approved PLN150669 (Resolution No. 17-035) for a Combined Development Permit consisting of 1) Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single family dwelling with an attached garage and covered porch; 2) Coastal Development Permit for the removal of 44 Monterey pine trees; and 3)

Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA- Yadon’s Piperia and Monterey pine forest). Approval of this project also included the adoption of a Mitigated Negative Declaration and a Mitigation Monitoring and Reporting Program. The entitlement incorporated 20 conditions of approval (not including the mitigation measures). All conditions of approval and mitigation measures have been “Met” except for Mitigation Measures 1f and 2c, which are applied as Condition Nos. 26 and 28. These two mitigations are “Partially Met” and will be met upon submittal of the 5<sup>th</sup> annual monitoring report for the transplanting Yadon’s Piperia and the replanted Monterey pines.

- b) Condition No. 5 of the previously approved project required the Applicant/Owner to convey a 21,600 square foot Conservation and Scenic Easement over the established Enhancement/Restoration area to the Del Monte Forest Conservancy. The Monterey County Board of Supervisors approved and accepted this easement on September 15, 2020. This easement was recorded as Document No. 2020051385.
- c) On October 13, 2021, an application for an Amendment to remove Condition No. 5 from the previously approved Combined Development Permit (PLN150669) was submitted to HCD-Planning staff (PLN150669-AMD1).
- d) On June 29, 2022, the Monterey County Planning Commission adopted a resolution (Resolution No. 22-017) finding that removal of Condition No. 5 is consistent with the previously adopted Mitigated Negative Declaration prepared for the Werner Nase Jr. Trust residence; approving removal of Condition No. 5 from the previously approved Combined Development Permit (Resolution No. 17-035); and recommending the Board of Supervisors terminate the Conservation and Scenic Easement from the subject property.
- e) None of the conditions of approval or mitigations measures applied to PLN150669 have been carried forward to this permit, PLN150669-AMD1. Condition Nos. 26 and 28 (Mitigation Measures 1f and 2c) of PLN150669 are “Partially Met” and shall be met under the original permit, PLN150669.
- f) The findings and evidence from PLN150669 (Resolution No. 17-035) and PLN15066-AMD1 (Resolution No. 22-017) have been carried forward to this permit (PLN150669-AMD1) and incorporated by reference.
- g) The application, plans, and supporting materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in Project File No(s). PLN150669 and PLN150669-AMD1.

**2. FINDING: CONSISTENCY / DESIGN / NO VIOLATIONS** – The proposed easement termination does not change the project (a single-family residence) analyzed in Planning Commission Resolution No. 17-035. With removal of Condition No. 5, the proposed easement termination is consistent with the policies of the Monterey County 1982 General Plan, Del Monte Forest Land Use Plan, Del Monte Forest Coastal

- Implementation Plan, Monterey County Zoning Ordinance (Title 20), and other County health, safety, and welfare ordinances related to land use development. No violations exist on the property.
- EVIDENCE:**
- a) The proposed easement termination (PLN150669-AMD1) amends a previously approved Combined Development Permit (PLN150669; Planning Commission 17-035) to remove Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement area to the Del Monte Forest Conservancy. No development is proposed with this amendment. The single family home has already been constructed.
  - b) No conflicts with the proposed easement termination were found to exist. No communications were received during staff's review indicating inconsistencies with the text, policies, and regulations in the applicable plans and Monterey County Code (MCC).
  - c) The property is located at 1412 Lisbon Lane, Pebble Beach (Assessor's Parcel Number 008-232-003-000), Del Monte Forest Land Use Plan, Coastal Zone. The parcel is zoned Low Density Residential, 1.5 acres per unit, with a Design Control Overlay (Coastal Zone) [LDR/1.5-D (CZ)]. The previously approved Amendment included the removal of Condition No. 5. In accordance with MCC Section 20.70.105 (Amendments to Coastal Development Permits), the Amendment was referred back to the original decision-making body (Planning Commission) because the project involved the removal of a previously adopted condition. On June 29, 2022, the Monterey County Planning Commission adopted a resolution (Resolution No. 22-017) approving removal of Condition No. 5 from the previously approved Combined Development Permit (Resolution No. 17-035) and recommending the Board of Supervisors terminate the Conservation and Scenic Easement from the subject property. Removal of Condition No. 5 removes the condition applied to the original permit that required granting of a Conservation and Scenic Easement. The Board of Supervisors is the appropriate authority to terminate the easement.
  - d) Environmentally Sensitive Habitat Areas (ESHA). The previously approved permit, PLN150669, included a Coastal Development Permit to allow development within 100 feet of mapped or field identified environmentally sensitive habitats. As part of the review of that project, biological studies for the residence identified *Piperia yadonii* (Yadon's piperia) and Monterey pine forest as ESHA. Monterey pines are protected due to their status as a native tree. If Monterey pines or their understory support special status species, they are then considered ESHA. In this case, the subject property's Monterey pines supported Yadon's Piperia, a federally listed endangered species prior to the approved development. At that time, development of the proposed dwelling was found to have impacts on ESHA. Mitigations and conditions were applied to that development. Since that time, circumstances and biological conditions have changed, primarily as a result of the implementation of a mitigation that required moving the Yadon's piperia plants to a receiver site. With the execution of the transplanting mitigation, the site still supports Monterey Pine Forest

but not Yadon's piperia.

- e) Conservation and Scenic Easement. In accordance with Policy 13 of the Del Monte Forest Land Use Plan, Condition No. 5 was applied to the previous project, PLN150669. This condition required the Applicant/Owner convey a 21,600 square foot Conservation and Scenic Easement over the established Enhancement/Restoration area to the Del Monte Forest Conservancy. At the time of the previous project was processed, ESHA did occur on the property and therefore this policy was applicable. As a result, the Monterey County Board of Supervisors approved and accepted the easement on September 15, 2020. This easement was recorded as Document No. 2020051385. However, successful implementation of Mitigation Measure No. 2 (transplanting of Yadon's Piperia, see below Evidence "h," "i," and "j") resulted in site conditions which do not support ESHA. As approved under Resolution No. 22-017, Condition No. 5 has been removed from the previously approved Combined Development Permit. Therefore, the applicant is requesting termination of the property's conservation and easement as there is no longer a nexus requiring the easement to continue to exist.
- f) Monterey Pines. The previously approved Combined Development Permit included the removal of 44 Monterey pines, 4 of which were landmark sized Monterey pines. The Tree Resource Assessment Management Plan prepared for the previously approved identified the project site as having an overstock of Monterey pines; 200 trees on a parcel of under one acre in size. In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland and 44 Monterey pine trees, Mitigation Measure No. 1 required the Applicant/Owner to restore and enhance on a 2:1 ratio (a total of 21,600 square feet). Restoration and enhancement activities include but were not limited to on-site replacement on a 1:1 of 44 Monterey pines at five-gallon each and 5-year monitoring to ensure successful growth. Although the tree replanting has been completed, only 3 of the 5 years of monitoring has occurred and therefore this mitigation measure is only partially satisfied. This mitigation measure will be satisfied upon submittal of a 5<sup>th</sup> year monitoring report.
- g) Yadon's Piperia. Yadon's piperia is an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere; Seriously endangered in California). This is a wildflower that may be dormant and not emerge above the soil surface until the spring, where it would leaf producing flowers on erect spikes. The Biological Assessment prepared by Pat Regan in 2015 (LIB160031) confirmed that there were 5 individual separate areas of Yadon's piperia habitat containing a total of approximately 437 (at minimum) individual Piperia plants, or 5,824 square feet, within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane. Approximately 3,108 square feet of Yadon's Piperia was slated to be impacted by the construction of the single-family dwelling. Due to the presence of the special status species, the project Biologist proposed three alternative mitigation measures to minimize and/or avoid impacts to the Yadon's

Piperia: 1) “complete avoidance with a significant additional buffer barrier around [the species, which would require a redesign of the residence], or [2)] transplant [the Yadon’s Piperia population] to a single area on the project site and protect with an easement and development restrictions, or [3)] removal from the site altogether and extended monitoring and maintenance activities to ensure their survival.”

- h) Mitigation Measure No. 2. In consultation with the USFWS, CDFW, members of the Del Monte Forest Conservancy, the Del Monte Forest Open Space Advisory Committee the Pebble Beach Company, and local biologist, transplanting the entirety of the Yadon’s Piperia population to a receiver site was determined to provide the species the best chance for survival and the potential to reproduce and spread. This decision was primarily made because the Yadon’s Piperia population was noncontiguous as it was surrounded by ornamental plantings, development, and a roadway. As stated by the project biologist, “Given the development surrounding the lot at 1412 Lisbon Lane...it became clear that this was an island isolated from any natural interface of suitable habitat for the species, even if the plants remained in situ and the lot undeveloped. It was essentially a dead end for the continuation of this population.” Therefore, the adopted Mitigated Negative Declaration included Mitigation Measure No. 2 which required the Applicant/Owner to transplant the entirety of the identified Yadon’s Piperia to a receiver site (Area H, owned by the Pebble Beach Company and set aside as open space and for purposes of conservation). A location along Spruance Road in Area H was chosen for transplanting due to its accessibility, proximity to another Yadon’s Piperia population for monitoring and comparison purposes, and similar conditions to the Nase property. This mitigation was developed by the project’s biologist in consultation with the USFWS, CDFW, members of the Del Monte Forest Conservancy, the Del Monte Forest Open Space Advisory Committee and the Pebble Beach Company. This mitigation measure, which has been proven to be successful through four years of monitoring by the project biologist, effectively removed the property’s isolated populations of Yadon’s Piperia. With relocation of the Yadon’s Piperia, the Monterey pines were no longer considered ESHA. A letter from the project biologist, Pat Regan, dated September 6, 2021 states, “The ESHA classification that came with the Piperia plants has been effectively transferred off the site... [and] [t]here is no environmentally sensitive habitat area remaining on the property, because there is no longer any Piperia yadonii on the lot.” No Yadon’s piperia foliage or flowers have been found on the subject lot since the day the plants were removed in November 2017.
- i) Condition No. 5, requiring the Conservation and Scenic Easement, was not identified or analyzed in the adopted Mitigated Negative Declaration and is separate from the mitigation measure applied to Yadon’s Piperia to reduce potential impacts to less than significant. Therefore, although not anticipated, if the 5<sup>th</sup> annual monitoring report of the transplanted Yadon’s Piperia population determines that the population is not

thriving and did not meet the five-year success criteria (100% survival), Mitigation Measure 2 and the adopted Mitigation Monitoring and Reporting Plan have contingencies which require additional mitigation measures to be prepared and implemented. Termination of the property's easement will not change the environmental analysis contained in the Mitigated Negative Declaration.

- j) Yadon's Piperia Transplanting Process. On November 17, 2017, Biologist Pat Regan, Archaeologist Gary Breschini, and Esselen Nation Tribal Monitor Joseph Kavanagh monitored the transplanting of all known Yadon's piperia tubers from the project site to the receiver site. The transplanting process occurred as follows: a large tree spade would remove an approximate 8 feet deep by 8-foot-wide scoop of soil at the receiver site and carry it over to project site where it was placed on the ground near the Yadon's Piperia population. The tree spade would then remove an approximate 8 feet deep by 8-foot-wide scoop of Yadon's Piperia habitat (root ball intact) and place it in the previous hole created by the first tree spade. This process continued throughout the day, six more times, with the soil mass removed from each site being used to refill the hole remaining at the opposite site. This effort has been proven to be successful through four years of monitoring. The transplanted population has adapted to the receiver site and achieved new vegetative growth similar in quantity to those noted and flagged on the project site in 2015, 2016 and 2017.
- k) Regulatory approval. The Del Monte Forest Conservancy has stated via e-mail correspondence with Staff that the Conservancy consents to the termination of the easement based upon evidence from that:
1. *No environmentally sensitive habitat currently exists on the property site subject to the easement;* A letter from the project biologist, Pat Regan, dated September 6, 2021, and January 22, 2022, confirms that no environmentally sensitive habitat exists on the property.
  2. *The habitat that was on the property at the time of the granting of the easement has been successfully moved to another location;* Pat Regan's September 6, 2021 and January 22, 2022 letter, and subsequent monitoring of both Area H and the subject property confirms that the sensitive habitat that was on the property at the time of granting of the easement (Yadon's Piperia) has been moved to a new location.
  3. *That the sensitive habitat is flourishing at its new location;* The four years of annual reporting on the transplanted Yadon's Piperia population have confirmed that the species is thriving in their new location (Area H).
  4. *The County has verified the accuracy of the consultant's report containing these representations;* County staff independently reviewed the previously prepared biological reports and more recent biological letters and concur with their conclusions.
  5. *This revocation has received all necessary regulatory approvals from applicable County agencies and the California Coastal Commission and does not constitute any form of precedent for*

*future projects or existing Conservation and Scenic Easements;*  
 Via email to staff on December 15, 2021, the California Coastal Commission staff expressed their support the project due to the specifics of the case (HCD-Planning File No. PLN15066 and PLN150669-AMD1) being that 1) the transplanting of the Yadon’s Piperia was a result of Mitigation Measure No. 2 of the previously adopted Mitigated Negative Declaration (SCH#:2017071011), and 2) the subsequent monitoring, as required by the adopted Mitigation Monitoring and Reporting Plan, has proven the transplanting to be successful thus far. Monterey County Conservation and Scenic Easements are irrevocable. The proposed termination of the Conservation and Scenic Easement is specific to this project (HCD-Planning File PLN150669 and PLN150669-AMD1) and the subject property (APN: APN: 008-232-003-000) and is based solely on facts of this case. Termination of the Conservation and Scenic Easement on the subject property (APN: 008-232-003-000) does not apply to or effect other Conservation and Scenic Easements conveyed to the Del Monte Forest Conservancy or to the County of Monterey. Absent an adopted CEQA document which includes a mitigation measure detailing the need to transplant or relocate a special status species in order to reduce impacts to less than significant, the removal and relocation or transplanting of special status species and ESHA would be in violation of Monterey County Code, and the policies and regulation of applicable General Plans, Land Use Plans, Coastal Implementation Plans, and Area/Master Plans.

- l) Monterey County HCD-Planning and HCD-Building Services records were reviewed, and the County is not aware of any active violations existing on the subject property.
- m) The application, project plans, and related support materials submitted by the project applicant to the Monterey County HCD - Planning Department for the proposed development found in Project File PLN150669 and PLN150669-AMD1.

**3. FINDING: SITE SUITABILITY** – The site is physically suitable for the use proposed.

- EVIDENCE:**
- a) There is no new use proposed as part of this project. The previously approved Amendment has been reviewed for suitability by the following departments and agencies: HCD-Planning, Pebble Beach Community Services District (Fire Protection District), HCD-Engineering Services, HCD-Environmental Services, and the Environmental Health Bureau. There has been no indication from these departments/agencies that the site is not suitable for the existing use or that the site would become unsuitable for the existing use due to termination of the easement.
  - b) The following reports prepared:
    - “RE: Easement reduction or elimination”, prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, September 6, 2021.

- “RE: Piperia yadonii mitigation measures”, prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, January 22, 2022.
- c) County staff independently reviewed the technical reports prepared for PLN150669 and recent biological letters (dated September 6, 2021, and January 22, 2022), prepared by Pat Regan, and concur with their conclusions.
- d) Termination of the Conservation and Scenic Easement will not change the physical conditions of the site.
- e) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in Project File PLN150669 and PLN150669-AMD1.

**4. FINDING:** **HEALTH AND SAFETY** - The establishment, maintenance, or operation of the amendment applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The previously approved Amendment was reviewed by HCD-Planning, Pebble Beach Community Services District (Fire Protection District), HCD-Engineering Services, HCD-Environmental Services, and the Environmental Health Bureau. No conditions were recommended by the respective agencies. The project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
  - b) Termination of the conservation and scenic easement will not affect the availability of public facilities serving the property’s residence.
  - c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in Project File PLN150669 and PLN150669-AMD1.

**5. FINDING:** **CEQA (Consistent with Previously Adopted MND)** - A Mitigated Negative Declaration (MND) was adopted prior to approving the construction of the Werner Nase Jr. Trust residence (PLN150669). Termination of the property’s conservation and scenic easement does not require subsequent environmental review pursuant to CEQA Guidelines Section 15162.

- EVIDENCE:**
- a) A Draft Mitigated Negative Declaration (MND) was prepared in accordance with CEQA and circulated for public review from July 5, 2017 to August 4, 2017 (SCH#:2017071011). Issues that were analyzed in the Mitigated Negative Declaration include: Biological Resources and Cultural Resources.
  - b) On August 30, 2017, the Monterey County Planning Commission approved PLN150669 (Resolution No. 17-035) for a Combined Development Permit consisting of 1) Coastal Administrative and Design

Approval for the construction of a 5,385 square foot one-story single family dwelling with an attached garage and covered porch; 2) Coastal Development Permit for the removal of 44 Monterey pine trees; and 3) Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA- Yadon’s Piperia and Monterey pine forest). Approval of this project also included the adoption of a Mitigated Negative Declaration and a Mitigation Monitoring and Reporting Program. 20 conditions of approval (not including mitigation measures) were approved for PLN150669 under Resolution No. 17-035. All conditions of approval and mitigation measures applied to PLN150669 are “Met” except for Mitigation Measures 1f and 2c, which are applied as Condition Nos. 26 and 28. These two mitigations are “Partially Met” and will be met upon submittal of the 5<sup>th</sup> annual monitoring report for the transplanting Yadon’s Piperia and the replanted Monterey Pines.

- c) The proposed project includes termination of a conservation and scenic easement which was required per Condition No. 5 of Resolution No. 17-035. On June 29, 2022, the Monterey County Planning Commission adopted a resolution (Resolution No. 22-017) approving removal of Condition No. 5 from the previously approved Combined Development Permit (Resolution No. 17-035).
- d) The condition requiring the Conservation and Scenic Easement was not identified or analyzed in the adopted Mitigated Negative Declaration and was not intended as mitigation. Condition No. 5 is separate from the mitigation measure applied to Yadon’s Piperia to reduce potential impacts to less than significant.
- e) The project meets Section 15162 of the CEQA Guidelines because no substantial changes are proposed requiring major revisions of the MND; no substantial changes have occurred with respect to circumstances under which the project was undertaken that will require major revisions to the MND; removal of Condition No. 5 and termination of the resulting conservation and scenic easement will not affect the previously adopted mitigation measures. Therefore, as proposed, termination of the conservation and scenic easement is consistent with the previously adopted Mitigated Negative Declaration.
- f) The application, plans, and supporting materials submitted by the project applicant to Monterey County HCD-Planning for the proposed easement termination are found in project file PLN150669 and PLN150669-AMD1.

**6. FINDING:** **APPEALABILITY** – The decision on this project may be appealed to the Coastal Commission.

**EVIDENCE:** a) Coastal Commission. Pursuant to Title 20, Section 21.86.080, an appeal may be made to the California Coastal Commission because the project site is located between the sea and the first through public road paralleling the sea.

### DECISION

**NOW, THEREFORE**, based on the above findings and evidence, the Board of Supervisors does hereby:

- a) Consider the previously adopted Mitigated Negative Declaration (MND) for the construction of the Werner Nase Jr. Trust residence (PLN150669);
- b) Terminate the Conservation and Scenic Easement on the Martin William H & Simona H TRS (Formerly Nase Werner Jr. Trust) property;
- c) Authorize the Chair to execute the Termination Agreement and Quitclaim Deed; and
- d) Direct the Clerk of the Board to submit the Termination Agreement and Quitclaim Deed to the County Recorder for recording with all applicable recording fees paid by the applicant.

**PASSED AND ADOPTED** upon motion of Supervisor \_\_\_\_\_, seconded by Supervisor \_\_\_\_\_, and carried this 23rd day of August, 2022, by the following vote to wit:

## ***AGREEMENT***

This Agreement to Terminate a Conservation and Scenic Easement for Assessor's Parcel No. 008-232-003-000 is made this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ by and between the **Martin Family Living Trust** (Grantor) and the *Del Monte Forest Conservancy*, a California non-profit corporation (Grantee), on behalf of the *County of Monterey* (the County) (collectively, the Parties)

### ***WITNESSETH:***

**WHEREAS**, Grantor is the owner in fee of the real property at 1412 Lisbon Lane, Pebble Beach, more particularly described in Exhibit "A" attached hereto and made a part hereof, situated in Monterey County, California (the Property); and

**WHEREAS**, the California Coastal Act of 1976, (the Act) requires that any coastal development permit approved by the County must be consistent with the provisions of the certified Local Coastal Program (LCP); and

**WHEREAS**, pursuant to the Act, and the LCP, Grantor applied to the County for a permit to undertake development as defined in the LCP; and

**WHEREAS**, on August 30, 2017, the Monterey County Planning Commission granted the application, adopting Resolution No. 17-035, in which it certified a Mitigated Negative Declaration under the California Environmental Quality Act and approved a Combined Development Permit (File Number PLN150669) consisting of 1) a Coastal Administrative and Design Approval to construct a 5,385 square foot one-story single family dwelling with attached garage and covered porch; 2) a Coastal Development Permit for the removal of 44 Monterey pine trees; and 3) a Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA); and

**WHEREAS**, the Planning Commission's approval was subject to several conditions, including Condition No. 5 which required the Grantor to convey a conservation and scenic easement over the 21,600 square foot Enhancement/Restoration Area on the eastern side of the subject Property, consisting of Monterey Pine Forest and associated understory, to the Del Monte Forest Conservancy as required by the procedures set forth in Monterey County Code section 20.64.280.A; and

**WHEREAS**, Condition No. 5 was imposed, in part, based on a Biological Survey conducted in November 2015 by Pat Regan (Library No.LIB160031), on file with the County of Monterey Housing and Community Development – Planning; and

**WHEREAS**, Grantor complied with Condition No. 5 by executing a Conservation and Scenic Easement (the Easement) conveying the Enhancement/Restoration Area to the Del Monte Forest Conservancy on behalf of the County of Monterey affecting the eastern 21,600 square foot portion of Property and hereby incorporated by reference (the Conservation and Scenic Easement Area), and agreed to restrict development on and use of the Property so as to preserve the open space, scenic, and/or natural resource values present on the Property and so as to prevent the adverse direct and cumulative effects on coastal resources and public access to the coast which could occur if the Property were not restricted in accordance with this easement; and

**WHEREAS**, the parties executed the Easement on May 30, 2020 and the County

recorded the Easement on September 28, 2020 (Document No. 2020051385); and

**WHEREAS**, on September 6, 2021 and January 22, 2022, project biologist Pat Regan, in a letter to the County, detailed his belief why the easement should be terminated, namely that, because the ESHA plant population the easement was intended to protect, *Piperia yadonii*, was entirely removed in accordance with Mitigation Measure 2 of the certified Mitigated Negative Declaration (PLN150669; Resolution No. 17-035; SCH# 2017071011) from the project site in November 2017 and moved to a location more appropriate for the continued sustaining of said plants, Area H of the Pebble Beach Company's preservation property (the Receiver site); and

**WHEREAS**, Mr. Regan, Archaeologist Gary Breschini and Esselen Nation Tribal Monitor Joseph Kavanagh monitored the transplantation activities conducted by Mighty Tree Movers and Native Coast Landscapes; and

**WHEREAS**, Mr. Regan confirmed that the transplanting of the entire *Piperia yadonii* population, including roots, soil, and companion plants, has since been successful through three years of monitoring of the Property and Receiver Site, which concluded that the transplanted population is thriving at the Receiver site and that no *Piperia yadonii*, and hence, no ESHA, has been found on the Property in that time; and

**WHEREAS**, the parties agree that there is no other suitable conservation use for the Enhancement/Restoration Area; and

**WHEREAS**, the parties wish to terminate the Easement; and agree that Condition No. 5 and the Easement are no longer necessary to protect the ESHA, which has been transplanted off site. Planning Commission Resolution No. 22-017 (PLN150669-AMD1) approved removal of Condition No. 5 from the previous permit (PLN150669); and

**WHEREAS**, the parties recognize and agree both that the facts motivating this Agreement are extremely rare and that this Agreement should not be construed as precedent for any future such requests to the Del Monte Forest Conservancy or the County of Monterey; and

**WHEREAS**, the parties understand that terminating the Easement may have local, state, and/or federal tax consequences and Grantor agrees that it is solely responsible for any such consequences; and

**WHEREAS**, on \_\_\_\_\_, at \_\_\_\_\_ the County executed and recorded a Quitclaim deed disclaiming all title and interest to the Conservation and Scenic Easement Area.

**NOW, THEREFORE,** Grantor, the County, and the Del Monte Forest Conservancy agree as follows:

A. TERMINATION OF EASEMENT. The Conservation and Scenic Easement Deed made between Grantor and the Del Monte Forest Conservancy, on behalf of the County, on May 30, 2020, and recorded as Instrument No. 2020051385 is hereby terminated. Grantor, the County, and the Del Monte Forest Conservancy are released from any and all rights and obligations provided for in the Conservation and Scenic Easement Deed with respect to its applicability to the Property.

B. POTENTIAL TAX LIABILITY. Grantor, the County, and the Del Monte Forest Conservancy recognize that termination of the Easement may have local, state, and/or federal tax consequences for Grantor. By executing this Agreement, Grantor agrees that any such consequences are solely Grantor's responsibility.

C. INDEMNIFICATION: Grantor as a condition and in consideration of this termination of the Easement agrees that it will defend, indemnify, and hold harmless the County of Monterey and/or its agents, officers, employees, and/or contractors from any claim, actions, and/or proceeding against the County and/or its agents, officers, employees, and/or contractors (including attorneys' fees and cost awards) arising out of and/or in connection with the execution of this Agreement including, but not limited to, claims related to local, state, and/or federal tax liability.

Executed this \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_, at \_\_\_\_\_, California.

In the matter of the application of:

MARTIN WILLIAM H & SIMONA H TRS (FORMERLY WERNER NASE JR. TRUST) (PLN150669-AMD1) RESOLUTION NO. 22 - 017

Resolution by the Monterey County Planning Commission to:

- a) Consider the previously adopted Mitigated Negative Declaration (MND) for the construction of the Werner Nase Jr. Trust residence (PLN150669);
b) Approve an Amendment to a previously approved Combined Development Permit (PLN150669; Planning Commission Resolution No. 17-035) to remove Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement area to the Del Monte Forest Conservancy; and
c) Recommend the Board of Supervisors terminate the Conservation and Scenic Easement Deed from The Werner Nase, Jr. Trust.

[PLN150669-AMD1, 1412 Lisbon Lane, Pebble Beach, Del Monte Forest Land Use Plan (APN: 008-232-003-000)]

The Martin William H & Simona H TRS (formerly Werner Nase Jr. Trust) application (PLN150669-AMD1) came on for public hearing before the Monterey County Planning Commission on June 29, 2022. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Planning Commission finds and decides as follows:

FINDINGS

- 1. FINDING: PROCESS - The County has received and processed an amendment to PLN150669-AMD1.
EVIDENCE: a) On August 30, 2017, the Monterey County Planning Commission approved PLN150669 (Resolution No. 17-035) for a Combined Development Permit consisting of 1) Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single family dwelling with an attached garage and covered porch; 2) Coastal Development Permit for the removal of 44 Monterey pine trees; and 3) Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA- Yadon's Piperia and Monterey pine forest). Approval of this project also included the

adoption of a Mitigated Negative Declaration and a Mitigation Monitoring and Reporting Program. The entitlement incorporated 20 conditions of approval (not including the mitigation measures). All conditions of approval and mitigation measures have been “Met” except for Mitigation Measures 1f and 2c, which are applied as Condition Nos. 26 and 28. These two mitigations are “Partially Met” and will be met upon submittal of the 5<sup>th</sup> annual monitoring report for the transplanting Yadon’s Piperia and the replanted Monterey pines.

- b) On October 13, 2021, an application for an Amendment to remove Condition No. 5 from the previously approved Combined Development Permit (PLN150669) was submitted to HCD-Planning staff (PLN150669-AMD1).
- c) Condition No. 5 of the previously approved project required the Applicant/Owner to convey a 21,600 square foot Conservation and Scenic Easement over the established Enhancement/Restoration area to the Del Monte Forest Conservancy. The Monterey County Board of Supervisors approved and accepted this easement on September 15, 2020. This easement was recorded as Document No. 2020051385.
- d) None of the conditions of approval or mitigations measures applied to PLN150669 have been carried forward to this permit, PLN150669-AMD1. This amendment is not the operating permit and only proposes removal of one condition of approval previously applied to PLN150669. Condition Nos. 26 and 28 (Mitigation Measures 1f and 2c) of PLN150669 are “Partially Met” and shall be met under the original permit, PLN150669.
- e) The findings and evidence from PLN150669 (Resolution No. 017-035) have been carried forward to this permit (PLN150669-AMD1 and incorporated by reference.
- f) The application, plans, and supporting materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in Project File No(s). PLN150669 and PLN150669-AMD1.

**2. FINDING:** **CONSISTENCY / DESIGN / NO VIOLATIONS** – The proposed amendment does not change the analysis contained in Resolution No. 17-035. The proposed amendment to remove Condition No. 5 is consistent with the policies of the Monterey County 1982 General Plan, Del Monte Forest Land Use Plan, Del Monte Forest Coastal Implementation Plan, Monterey County Zoning Ordinance (Title 20), and other County health, safety, and welfare ordinances related to land use development. No violations exist on the property. As approved and amended, permit number PLN150669-AMD1 will become and be referred to as the approved operating permit.

**EVIDENCE:** a) The proposed project involves an Amendment to a previously approved Combined Development Permit (PLN150669; Planning Commission 17-035) to remove Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement area to the Del Monte Forest Conservancy. No development is proposed with this amendment. The findings and evidence contained in Resolution No. 17-

035 for the previously approved development are incorporated herein by reference.

- b) No conflicts with the proposed amendment were found to exist. No communications were received during review of the amendment indicating inconsistencies with the text, policies, and regulations in the applicable plans and Monterey County Code (MCC).
- c) The property is located at 1412 Lisbon Lane, Pebble Beach (Assessor's Parcel Number 008-232-003-000), Del Monte Forest Land Use Plan, Coastal Zone. The parcel is zoned Low Density Residential, 1.5 acres per unit, with a Design Control Overlay (Coastal Zone) [LDR/1.5-D (CZ)]. The project does not propose any development but includes the removal of Condition No. 5. In accordance with MCC Section 20.70.105 (Amendments to Coastal Development Permits), the proposed amendment has been referred back to the original decision-making body (Planning Commission) because the project involves the removal of a previously adopted condition. Removal of Condition No. 5 terminates the need for a Conservation and Scenic Easement. The Board of Supervisors is the appropriate authority to terminate the easement. Therefore, the Planning Commission is making a recommendation to the Board of Supervisors.
- d) Environmentally Sensitive Habitat Areas (ESHA). The previously approved permit, PLN150669, included a Coastal Development Permit to allow development within 100 feet of mapped or field identified environmentally sensitive habitats. As part of the review of that project, biological studies for the residence identified *Piperia yadonii* (Yadon's piperia) and Monterey pine forest as ESHA. Monterey pines are protected due to their status as a native tree. If Monterey pines or their understory support special status species, they are then considered ESHA. In this case, the subject property's Monterey pines supported Yadon's Piperia, a federally listed endangered species prior to the approved development. At that time, development of the proposed dwelling was found to have impacts on ESHA. Mitigations and conditions were applied to that development. Since that time, circumstances and biological conditions have changed, primarily as a result of the implementation of a mitigation that required moving the Yadon's piperia plants to a receiver site. As it exists now, the site still supports Monterey Pine Forest but not Yadon's piperia.
- e) Conservation and Scenic Easement. In accordance with Policy 13 of the Del Monte Forest Land Use Plan, Condition No. 5 was applied to the previous project, PLN150669. This condition required the Applicant/Owner convey a 21,600 square foot Conservation and Scenic Easement over the established Enhancement/Restoration area to the Del Monte Forest Conservancy. At the time of the previous project was processed, ESHA did occur on the property and therefore this policy was applicable. However, successful implementation of Mitigation Measure No. 2 (transplanting of Yadon's Piperia, see below Evidence "h," "i," and "j") resulted in site conditions which do not have or support ESHA. Therefore, the proposed project includes deletion of Condition No. 5 which will allow the termination of the recorded

Conservation and Scenic Easement (Document No. 2020051385).

- f) Monterey Pines. The previously approved project included the removal of 44 Monterey pines, 4 of which were landmark sized Monterey pines. The Tree Resource Assessment Management Plan prepared for the previously approved identified the project site as having an overstock of Monterey pines; 200 trees on a parcel of under one acre in size. In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland and 44 Monterey pine trees, Mitigation Measure No. 1 required the Applicant/Owner to restore and enhance on a 2:1 ratio (a total of 21,600 square feet). Restoration and enhancement activities include but were not limited to on-site replacement on a 1:1 of 44 Monterey pines at five-gallon each and 5-year monitoring to ensure successful growth. Although the tree replanting has been completed, only 3 of the 5 years of monitoring has occurred and therefore this mitigation measure is only partially satisfied. This mitigation measure will be satisfied upon submittal of a 5<sup>th</sup> year monitoring report.
- g) Yadon's Piperia. Yadon's piperia is an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere; Seriously endangered in California). This is a wildflower that may be dormant and not emerge above the soil surface until the spring, where it would leaf producing flowers on erect spikes. The Biological Assessment prepared by Pat Regan in 2015 (LIB160031) confirmed that there were 5 individual separate areas of Yadon's piperia habitat containing a total of approximately 437 (at minimum) individual Piperia plants, or 5,824 square feet, within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane. Approximately 3,108 square feet of Yadon's Piperia was slated to be impacted by the construction of the single-family dwelling. Due to the presence of the special status species, the project Biologist proposed three alternative mitigation measures to minimize and/or avoid impacts to the Yadon's Piperia: 1) "complete avoidance with a significant additional buffer barrier around [the species, which would require a redesign of the residence], or [2)] transplant [the Yadon's Piperia population] to a single area on the project site and protect with an easement and development restrictions, or [3)] removal from the site altogether and extended monitoring and maintenance activities to ensure their survival."
- h) Mitigation Measure No. 2. In consultation with the USFWS, CDFW, members of the Del Monte Forest Conservancy, the Del Monte Forest Open Space Advisory Committee the Pebble Beach Company, and local biologist, transplanting the entirety of the Yadon's Piperia population to a receiver site was determined to provide the species the best chance for survival and the potential to reproduce and spread. This decision was primarily made because the Yadon's Piperia population was noncontiguous as it was surrounded by ornamental plantings, development, and a roadway. As stated by the project biologist, "Given the development surrounding the lot at 1412 Lisbon Lane...it became clear that this was an island isolated from any natural interface of

suitable habitat for the species, even if the plants remained in situ and the lot undeveloped. It was essentially a dead end for the continuation of this population.” Therefore, the adopted Mitigated Negative Declaration included Mitigation Measure No. 2 which required the Applicant/Owner to transplant the entirety of the identified Yadon’s Piperia to a receiver site (Area H, owned by the Pebble Beach Company and set aside as open space and for purposes of conservation). A location along Spruance Road in Area H was chosen for transplanting due to its accessibility, proximity to another Yadon’s Piperia population for monitoring and comparison purposes, and similar conditions to the Nase property. This mitigation was developed by the project’s biologist in consultation with the USFWS, CDFW, members of the Del Monte Forest Conservancy, the Del Monte Forest Open Space Advisory Committee and the Pebble Beach Company. This mitigation measure, which has been proven to be successful through four years of monitoring by the project biologist, effectively removed the property’s isolated populations of Yadon’s Piperia. With relocation of the Yadon’s Piperia, the Monterey pines were no longer considered ESHA. A letter from the project biologist, Pat Regan, dated September 6, 2021 states, “The ESHA classification that came with the Piperia plants has been effectively transferred off the site... [and] [t]here is no environmentally sensitive habitat area remaining on the property, because there is no longer any Piperia yadonii on the lot.” No Yadon’s piperia foliage or flowers have been found on the subject lot since the day the plants were removed in November 2017.

- i) The condition requiring the Conservation and Scenic Easement was not identified or analyzed in the adopted Mitigated Negative Declaration and is separate from the mitigation measure applied to Yadon’s Piperia to reduce potential impacts to less than significant. Therefore, although not anticipated, if the 5<sup>th</sup> annual monitoring report of the transplanted Yadon’s Piperia population determines that the population is not thriving and did not meet the five-year success criteria (100% survival), Mitigation Measure 2 and the adopted Mitigation Monitoring and Reporting Plan have contingencies which require additional mitigation measures to be prepared and implemented.
- j) Yadon’s Piperia Transplanting Process. On November 17, 2017, Biologist Pat Regan, Archaeologist Gary Breschini, and Esselen Nation Tribal Monitor Joseph Kavanagh monitored the transplanting of all known Yadon’s piperia tubers from the project site to the receiver site. The transplanting process occurred as follows: a large tree spade would remove an approximate 8 feet deep by 8-foot-wide scoop of soil at the receiver site and carry it over to project site where it was placed on the ground near the Yadon’s Piperia population. The tree spade would then remove an approximate 8 feet deep by 8-foot-wide scoop of Yadon’s Piperia habitat (root ball intact) and place it in the previous hole created by the first tree spade. This process continued throughout the day, six more times, with the soil mass removed from each site being used to refill the hole remaining at the opposite site. This effort has been proven to be successful through four years of monitoring. The transplanted

population has adapted to the receiver site and achieved new vegetative growth similar in quantity to those noted and flagged on the project site in 2015, 2016 and 2017.

k) Regulatory approval. The Del Monte Forest Conservancy has stated via e-mail correspondence with Staff that the Conservancy consents to the termination of the easement based upon evidence from that:

1. *No environmentally sensitive habitat currently exists on the property site subject to the easement;* A letter from the project biologist, Pat Regan, dated September 6, 2021, and January 22, 2022, confirms that no environmentally sensitive habitat exists on the property.
2. *The habitat that was on the property at the time of the granting of the easement has been successfully moved to another location;* Pat Regan's September 6, 2021 and January 22, 2022 letter, and subsequent monitoring of both Area H and the subject property confirms that the sensitive habitat that was on the property at the time of granting of the easement (Yadon's Piperia) has been moved to a new location.
3. *That the sensitive habitat is flourishing at its new location;* The four years of annual reporting on the transplanted Yadon's Piperia population have confirmed that the species is thriving in their new location (Area H).
4. *The County has verified the accuracy of the consultant's report containing these representations;* County staff independently reviewed the previously prepared biological reports and more recent biological letters and concur with their conclusions.
5. *This revocation has received all necessary regulatory approvals from applicable County agencies and the California Coastal Commission and does not constitute any form of precedent for future projects or existing Conservation and Scenic Easements;* Via email to staff on December 15, 2021, the California Coastal Commission staff expressed their support the project due to the specifics of the case (HCD-Planning File No. PLN150666 and PLN150669-AMD1) being that 1) the transplanting of the Yadon's Piperia was a result of Mitigation Measure No. 2 of the previously adopted Mitigated Negative Declaration (SCH#:2017071011), and 2) the subsequent monitoring, as required by the adopted Mitigation Monitoring and Reporting Plan, has proven the transplanting to be successful thus far. Monterey County Conservation and Scenic Easements are irrevocable. The proposed termination of the Conservation and Scenic Easement is specific to this project (HCD-Planning File PLN150669 and PLN150669-AMD1) and the subject property (APN: 008-232-003-000) and is based solely on facts of this case. Termination of the Conservation and Scenic Easement on the subject property (APN: 008-232-003-000) does not apply to or effect other Conservation and Scenic Easements conveyed to the Del Monte Forest Conservancy or to the County of Monterey. Absent an adopted CEQA document which includes

a mitigation measure detailing the need to transplant or relocate a special status species in order to reduce impacts to less than significant, the removal and relocation or transplanting of special status species and ESHA would be in violation of Monterey County Code, and the policies and regulation of applicable General Plans, Land Use Plans, Coastal Implementation Plans, and Area/Master Plans.

- l) Land Use Advisory Committee. The previously approved project (PLN150669) was referred to the Del Monte Forest Land Use Advisory Committee (LUAC) for review. The proposed amendment was not referred to the Del Monte Forest LUAC as the project does not meet the Board of Supervisor's LUAC Guidelines.
- m) Monterey County HCD-Planning and HCD-Building Services records were reviewed, and the County is not aware of any active violations existing on the subject property.
- n) The application, project plans, and related support materials submitted by the project applicant to the Monterey County HCD - Planning Department for the proposed development found in Project File PLN150669 and PLN150669-AMD1.

**3. FINDING: SITE SUITABILITY** – The site is physically suitable for the use proposed.

- EVIDENCE:**
- a) There is no new use proposed as part of this amendment. The amendment has been reviewed for suitability by the following departments and agencies: HCD-Planning, Pebble Beach Community Services District (Fire Protection District), HCD-Engineering Services, HCD-Environmental Services, and the Environmental Health Bureau. There has been no indication from these departments/agencies that the site is not suitable for the existing use or that the site would become unsuitable for the existing use due to the amendment.
  - b) The following reports prepared:
    - “RE: Easement reduction or elimination”, prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, September 6, 2021.
    - “RE: Piperia yadonii mitigation measures”, prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, January 22, 2022.
  - c) County staff independently reviewed the technical reports prepared for PLN150669 and recent biological letters (dated September 6, 2021, and January 22, 2022), prepared by Pat Regan, and concur with their conclusions.
  - d) Removal of Condition No. 5 and the subsequent termination of the Conservation and Scenic Easement will not change the physical conditions of the site.
  - e) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in Project File PLN150669 and PLN150669-AMD1.

**4. FINDING: HEALTH AND SAFETY** - The establishment, maintenance, or

operation of the amendment applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.

- EVIDENCE:**
- a) The amendment was reviewed by HCD-Planning, Pebble Beach Community Services District (Fire Protection District), HCD-Engineering Services, HCD-Environmental Services, and the Environmental Health Bureau. No conditions were recommended by the respective agencies. The project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.
  - b) Removal of Condition No. 5 will not affect the availability of public facilities serving the property's residence.
  - c) The application, project plans, and related support materials submitted by the project applicant to Monterey County HCD-Planning for the proposed development found in Project File PLN150669 and PLN150669-AMD1.

**5. FINDING: CEQA (Consistent with Previously Adopted MND) - A Mitigated Negative Declaration (MND) was adopted prior to approving the construction of the Werner Nase Jr. Trust residence (PLN150669) . This Amendment does not require subsequent environmental review pursuant to CEQA Guidelines Section 15162.**

- EVIDENCE:**
- a) A Draft Mitigated Negative Declaration (MND) was prepared in accordance with CEQA and circulated for public review from July 5, 2017 to August 4, 2017 (SCH#:2017071011). Issues that were analyzed in the Mitigated Negative Declaration include: Biological Resources and Cultural Resources.
  - b) On August 30, 2017, the Monterey County Planning Commission approved PLN150669 (Resolution No. 17-035) for a Combined Development Permit consisting of 1) Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single family dwelling with an attached garage and covered porch; 2) Coastal Development Permit for the removal of 44 Monterey pine trees; and 3) Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA- Yadon's Piperia and Monterey pine forest). Approval of this project also included the adoption of a Mitigated Negative Declaration and a Mitigation Monitoring and Reporting Program. 20 conditions of approval (not including mitigation measures) were approved for PLN150669 under Resolution No. 17-035. All conditions of approval and mitigation measures applied to PLN150669 are "Met" except for Mitigation Measures 1f and 2c, which are applied as Condition Nos. 26 and 28. These two mitigations are "Partially Met" and will be met upon submittal of the 5<sup>th</sup> annual monitoring report for the transplanting Yadon's Piperia and the replanted Monterey Pines.
  - c) The proposed project involves an Amendment to a previously approved

Combined Development Permit (PLN150669; Planning Commission 17-035) to remove Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement area to the Del Monte Forest Conservancy. No development is proposed.

- d) The condition requiring the Conservation and Scenic Easement was not identified or analyzed in the adopted Mitigated Negative Declaration, and was not intended as mitigation. Condition No. 5 is separate from the mitigation measure applied to Yadon's Piperia to reduce potential impacts to less than significant.
- e) The project meets Section 15162 of the CEQA Guidelines because no substantial changes are proposed requiring major revisions of the MND; no substantial changes have occurred with respect to circumstances under which the project was undertaken that will require major revisions to the MND; removal of Condition No. 5 does not affect the previously adopted mitigation measures. Therefore, as proposed and conditioned, this amendment is consistent with the previously adopted Mitigated Negative Declaration.
- f) The application, plans, and supporting materials submitted by the project applicant to Monterey County HCD-Planning for the proposed amendment are found in project file PLN150669 and PLN150669-AMD1.

**6. FINDING:** **APPEALABILITY** – The decision on this project may be appealed to the Coastal Commission and Board of Supervisors.

- EVIDENCE:**
- a) Coastal Commission. Pursuant to Title 20, Section 21.86.080, an appeal may be made to the California Coastal Commission because the project site is located between the sea and the first through public road paralleling the sea.
  - b) Board of Supervisors. Pursuant to Title 21, Section 21.86.030, an appeal may be made to the Board of Supervisors by any public agency or person aggrieved by the discretionary decision of the Planning Commission.

**DECISION**

**NOW, THEREFORE**, based on the above findings and evidence, the Planning Commission does hereby:

1. Consider the previously approved Mitigated Negative Declaration (MND) for the construction of the Werner Nase Jr. Trust residence (PLN150669) and finding the proposed Amendment consistent with the MND, therefore, not requiring an addendum pursuant to Section 15162 of the CEQA Guidelines;
2. Approve an Amendment to a previously approved Combined Development Permit (PLN150669; Planning Commission Resolution No. 17-035) to remove Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement area to the Del Monte Forest Conservancy; and
3. Recommend the Board of Supervisors terminate the Conservation and Scenic Easement Deed from The Werner Nase, Jr. Trust.

## Conditions of Approval/Implementation Plan/Mitigation Monitoring and Reporting Plan

PLN150669-AMD1

### 1. PD001 - SPECIFIC USES ONLY

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** This Amendment to a previously approved Combined Development Permit (PLN150669; Planning Commission Resolution No.17-035) removes Condition No. 5 which required conveyance of a 21,600 square foot Conservation and Scenic Easement area to the Del Monte Forest Conservancy. The property is located at 1412 Lisbon Lane, Pebble Beach (Assessor's Parcel Number 008-232-003-000), Del Monte Forest Land Use Plan, Coastal Zone. This permit was approved in accordance with County ordinances and land use regulations subject to the terms and conditions described in the project file. Neither the uses nor the construction allowed by this permit shall commence unless and until all of the conditions of this permit are met to the satisfaction of the Director of HCD - Planning. Any use or construction not in substantial conformance with the terms and conditions of this permit is a violation of County regulations and may result in modification or revocation of this permit and subsequent legal action. No use or construction other than that specified by this permit is allowed unless additional permits are approved by the appropriate authorities. To the extent that the County has delegated any condition compliance or mitigation monitoring to the Monterey County Water Resources Agency, the Water Resources Agency shall provide all information requested by the County and the County shall bear ultimate responsibility to ensure that conditions and mitigation measures are properly fulfilled. (HCD - Planning)

**Compliance or Monitoring Action to be Performed:** The Owner/Applicant shall adhere to conditions and uses specified in the permit on an ongoing basis unless otherwise stated.

## 2. PD002 - NOTICE PERMIT APPROVAL

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** The applicant shall record a Permit Approval Notice. This notice shall state:  
"An Amendment to a previously approved Combined Development Permit (PLN150669) (Resolution Number 22-017) was approved by the Monterey County Planning Commission for Assessor's Parcel Number 008-232-003-000 on June 29, 2022. The permit was granted subject to 3 conditions of approval which run with the land. A copy of the permit is on file with Monterey County HCD - Planning."

Proof of recordation of this notice shall be furnished to the Director of HCD - Planning prior to issuance of grading and building permits, Certificates of Compliance, or commencement of use, whichever occurs first and as applicable. (HCD - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of grading and building permits, certificates of compliance, or commencement of use, whichever occurs first and as applicable, the Owner/Applicant shall provide proof of recordation of this notice to the HCD - Planning.

## 3. CC01 INDEMNIFICATION AGREEMENT

**Responsible Department:** County Counsel-Risk Management

**Condition/Mitigation Monitoring Measure:** The property owner agrees as a condition and in consideration of approval of this discretionary development permit that it will, pursuant to agreement and/or statutory provisions as applicable, including but not limited to Government Code Section 66474.9, defend, indemnify and hold harmless the County of Monterey or its agents, officers and employees from any claim, action or proceeding against the County or its agents, officers or employees to attack, set aside, void or annul this approval, which action is brought within the time period provided for under law, including but not limited to, Government Code Section 66499.37, as applicable. The property owner will reimburse the County for any court costs and attorney's fees which the County may be required by a court to pay as a result of such action. The County may, at its sole discretion, participate in the defense of such action; but such participation shall not relieve applicant of his/her/its obligations under this condition. An agreement to this effect shall be recorded upon demand of County Counsel or concurrent with the issuance of building permits, use of property, filing of the final map, recordation of the certificates of compliance whichever occurs first and as applicable. The County shall promptly notify the property owner of any such claim, action or proceeding and the County shall cooperate fully in the defense thereof. If the County fails to promptly notify the property owner of any such claim, action or proceeding or fails to cooperate fully in the defense thereof, the property owner shall not thereafter be responsible to defend, indemnify or hold the County harmless. (County Counsel-Risk Management)

**Compliance or Monitoring Action to be Performed:** Upon demand of County Counsel or concurrent with the issuance of building permits, use of the property, recording of the final/parcel map, or recordation of Certificates of Compliance, whichever occurs first and as applicable, the Owner/Applicant shall submit a signed and notarized Indemnification Agreement to the Office of County Counsel-Risk Management for review and signature by the County.

Proof of recordation of the Indemnification Agreement, as outlined, shall be submitted to the Office of County Counsel-Risk Management

RE: Easement reduction or elimination on property at 1412 Lisbon Lane, Pebble Beach (Nase Scenic Conservation Easement and Mitigation– PLN150669)

Ms. Jensen:

Based on our onsite discussion of the factors involved in the ultimate decision to impose a conservation easement over the property at 1412 Lisbon Lane, I am writing today to clarify the reason why I believe the conservation easement requirement should be *significantly* reduced in size or dropped altogether.

All the biological resource conditions and requirements boil down to the fact that if the *Piperia yadonii* population had not been found in the middle of the area that was proposed for development on the lot at 1412 Lisbon Lane (and in the Pebble Beach Company right-of-way frontage of the lot), the discussion of impacts would have focused entirely on the Pine trees on the property. The County has consistently approved development in Monterey Pine Forest with requirements to replace on a one for one basis, all trees removed for the development and little else.

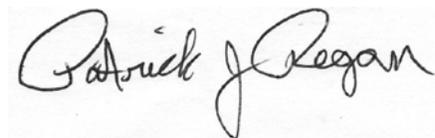

In this case, the site was determined to contain ESHA due to the existence of the *Piperia* plants. The *Piperia* population was what made any part of this property Environmentally Sensitive habitat. The presence of the plants would either require A. complete avoidance with a significant additional buffer barrier around them, or B. transplant to a single area on the project site and protection with an easement and development restrictions, or C. removal from the site altogether and extended monitoring and maintenance activities to ensure their survival. After much discussion and consultation with The US Fish and Wildlife Service, the California Department of Fish and Wildlife, The Del Monte Forest Conservancy, the Del Monte Forest Land Use Advisory Committee, Local Biologists that have done *Piperia* research on The Monterey Peninsula and negotiation with the Pebble Beach company, the decision was based on what would give the best chance for this population to survive and reproduce and potentially spread. Given the development surrounding the lot at 1412 Lisbon Lane, which included homes on the East, South and west side, and Lisbon Lane on the North side, it became clear that this was an island isolated from any natural interface of suitable habitat for the species, even if the plants remained in situ and the lot undeveloped. It was essentially a dead end for the continuation of this population. The best option would be to transplant this sensitive species to an area outside of the property and right-of-way offsite altogether. An agreement was reached with the Pebble Beach company to move this entire population, including those plants on the Pebble Beach Company owned right-of-way to land within the Del Monte Forest that had already been set aside for *Piperia yadonii* conservation as a condition of approval for the development of homes and golf courses in the Forest

Up to this point, no attempt to move such a large quantity of **Piperia** plants from one location to another had been undertaken. The Pebble Beach company had done several smaller scale trials with digging up tubers and moving them to new locations or keeping them in nursery containers temporarily. A small tree-spade trial which scooped up the tubers and the surrounding soil intact, had also been tried and proven

to be successful with a high level of survival of the tubers. Our project would move nearly ten times the amount of any previous attempt. This effort has thus far proven successful for nearly 4 years since the action was taken, to take the entire population – roots, soil, companion plants and all intact from one place to another and reestablish in a location where the population has a legitimate chance to expand and be sustained indefinitely. The population has adapted to the new site and achieved new vegetative growth similar in quantity to those noted and flagged on the Lisbon Lane site in 2015, 2016 and 2017.

The removal of the *entire* population of Yadon's *Piperia* from the lot at 1412 Lisbon Lane has been confirmed by 3 full years of monitoring that property on the same days that I have monitored the receiver site and other existing natural populations on Pebble Beach property near Poppy Hills Golf course. No *Piperia* foliage or flowers have been found on the lot at 1412 Lisbon Lane since the day the plants were removed in November of 2017. Since then, the Monterey Pine trees that were removed for the house and driveway construction have been replaced on site at a one for one ratio as they would have been if the only impact originally anticipated were the removal of the trees, and the east end of the lot has been planted with a full spectrum of Monterey Pine woodland understory plants, and nonnative weeds and landscape plants have been managed and eradicated. The ESHA classification that came with the *Piperia* plants has been effectively transferred off the site. Approximately 2850 square feet of *Piperia* habitat was impacted by the development on the lot. Those plants and the plants on the PBC right-of way (Moved at the request of PBC) were moved to a similar sized area receiver site. There is no environmentally sensitive Habitat area remaining on the property, because there is no longer any *Piperia yadonii* on the lot. The net result of all the mitigative efforts is to guarantee the best chance for that *Piperia* population to thrive and increase in an area that will remain undeveloped, no net loss of Monterey Pine trees on the site and the carefully placed location of the house to protect the maximum number of Monterey Pine and Coast Live Oak trees on the Lot. The purpose of biological mitigation measures has been achieved. There is *no additional gain* that can be made for sensitive habitat or individual special status species from maintaining the requirements for a nearly 22,000 square foot (or frankly *any size*) perpetual easement in between the house and the neighboring yards and exotic landscapes.

RE: *Piperia yadonii* mitigation measures: Translocation of Soil from property at 1412 Lisbon Lane, Pebble Beach and back to same site from Receiver Site ( PLN150669)

Ms. Jensen:

I understand that a follow up question has been brought up regarding the soil that was used to replace the soil removed by the tree spade when the population of *Piperia yadonii* from 1412 Lisbon Lane to the *Piperia* receiver site off Spruance Road on Pebble Beach company property. Simply stated you would like to know how I could be certain that no *Piperia yadonii* tubers (or any Rare, Threatened or Endangered species) were relocated from the Spruance Road receiver site back to the property on Lisbon Lane.

My first survey of the Lisbon Lane property was in late 2015 and by early 2016, we had already determined that the population of *Piperia yadonii* (Approximately 60% on PBC right of way and 40% on the Nase property) would require significant measures to protect, either by avoidance measures that would drastically affect the design of the house on site or by transplanting to a location offsite. After much discussion with County staff, Fish and Wildlife Service Biologists , Del Monte Forest Conservancy board members and other Biological Consultants, we decided best option would be to transplant this sensitive species to an area outside of the property and right-of-way offsite altogether. An agreement was reached with the Pebble Beach company to move this entire population, including those plants on the Pebble Beach Company owned right-of-way to land within the Del Monte Forest that had already been set aside for *Piperia yadonii* conservation as a condition of approval for the development of homes and golf courses in the Forest

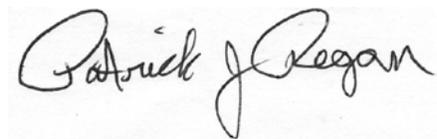

Prior to finalizing that plan, I spent time on the PBC properties searching for a good location to move the *piperia* tubers to. I searched with several criteria in mind. 1.The site had to be accessible by a large truck or tractor that would have the tree spade attached to it. 2. The site had to be close to another in-situ population of *Piperia yadonii* that could be monitored for comparison to the translocated population for sprouting and flowering timing and quantity.3. The site could not have any *Piperia* or any other Rare, Threatened or Endangered plant species that would be impacted by the transplant project. 4. the site had to be under the canopy of Monterey Pine trees along an edge where light exposure was similar to the light exposure on the Lisbon Lane property. 5. The site would be weed free. In March of 2016, a site was found that fit most of the stated criteria. The timing was ideal to compare the conditions at both the Lisbon Lane site and the chosen receiver site on Spruance road. There were *Piperia* plants fully leafed out across the road from the receiver site and throughout the frontage and northern edge of the Nase property. No *Piperia* plants or other Special status species were found in the chosen receiver site. It was assumed that based on the geology of the peninsula and the contiguous Pine Forest (or remnants thereof) between the Lisbon Lane site and the eventual chosen site along Spruance Road, next to the poppy Hills golf course that soils would be similar at both sites

The only criteria I could not meet with the eventual chosen site was the weed free requirement. The site was partially occupied by several large Acacia shrubs and a significant amount of Briza maxima – a grass species from Northern Africa and Southern Europe that has become very invasive throughout the Monterey peninsula. The site was “cleaned up” twice prior to the November 2017. One effort was to cut and remove all the Acacia (including root systems) and weed cover and a second cleanup occurred in October of 2017 to remove remaining weeds and prepare the location for the translocation of the soil “plugs”.

In November 2017 the Transplant process began with a large tree spade removing an approximate 8 x 8’ scoop of soil at the Spruance Road receiver site and carrying it over to 1412 Lisbon Lane where it as placed on the ground near the last patch of plants that would be translocated. The first “plug” filled with Piperia tubers was then dug and removed by the tree spade and taken back to the receiver site and placed in the hole that was made by the first scoop. This process then continued throughout the day, six more times, with the soil mass removed from each site, used to refill the hole remaining at the opposite site. After the last “plug” of tubers was removed from the Lisbon Lane site, the soil that had been removed from the first hole at Spruance Road was used to back fill that last remaining hole.

As I have mentioned previously, every time I have visited the Spruance Road site to monitor the Piperia population since the translocation was completed in 2017, I have also gone to the Lisbon Lane lot to look at the area where the Piperia had previously occurred. In 5 years of monitoring both sites, I have not yet found any Piperia foliage or flowers on the Lisbon Lane lot. As with any presence or absence declaration, the best way to confirm absence is to have reference locations where the plant is known to occur, for comparison to the site where presence is questionable. Multiple monitoring surveys in late 2017, and 2018, 2019, 2020, 2021 and now 2022 have confirmed presence at both the receiver site and the in-situ population across Spruance Road from it, and no sign of any Piperia growth of any kind at the Lisbon Lane property. I am confident that this confirms that we did not inadvertently transplant ant Piperia yadonii tubers from the receiver site back to the 1412 Lisbon Lane site.

1412 Lisbon Lane, Pebble Beach, Del Monte Forest  
Land Use Plan (APN: 008-232-003-000)

**The Werner Nase Jr. Trust application (PLN150669) came on for public hearing before the Monterey County Planning Commission on August 30, 2017. Having considered all the written and documentary evidence, the administrative record, the staff report, oral testimony, and other evidence presented, the Planning Commission finds and decides as follows:**

**FINDINGS**

1. **FINDING:** **CONSISTENCY / NO VIOLATIONS** – The proposed project and/or use, as conditioned, is consistent with the 1982 Monterey County General Plan, the Del Monte Forest Land Use Plan, the Monterey County Coastal Implementation Plan (Part 5), and the requirements of the applicable zoning ordinance (Title 20), to include Monterey County Code (MCC) Chapter 20.14 (Low Density Residential Zoning District) and Chapter 20.44 (Design Control Zoning District), and other County ordinances related to land use development. No violations exist on the property.  
**EVIDENCE:** a) The proposed project involves the following: a Combined Development Permit consisting of: a) Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single family dwelling

with an attached garage and covered porch; b) Coastal Development Permit for the removal of 44 Monterey pine trees; and c) Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA- Yadon's Piperia and Monterey pine forest.

- b) No conflicts were found to exist. No communications were received during review of the project indicating any inconsistencies with the text, policies, and regulations in the applicable plans and MCC.
- c) The property is located at 1412 Lisbon Lane, Pebble Beach (Assessor's Parcel Number 008-232-003-000), Del Monte Forest Land Use Plan, Coastal Zone. The parcel is zoned Low Density Residential, 1.5 acres per unit, with a Design Control Overlay (Coastal Zone) [LDR/1.5-D (CZ)], which allows single-family dwellings as a principal use, subject to granting of applicable coastal development permits. Therefore, the project is an allowed land use for this site.
- d) The project planner reviewed the project application materials and County records to verify that the proposed project on the subject parcel conforms to the plans listed above.
- e) Monterey County RMA-Planning and RMA-Building Services records were reviewed, and the County is not aware of any active violations existing on the subject property.
- f) ESHA. Development within 100 feet of mapped or field identified environmentally sensitive habitats is nonexempt development and requires a Coastal Development Permit (MCC, Section 20.14.030 of Title 20). Biological studies identified Yadon's piperia and Monterey pine forest as ESHA. (*See Finding 4*).
- g) Condition 5 has been incorporated as a condition of approval requiring a conservation and scenic easement conveyed to the Del Monte Forest Conservancy over the 21,600 square foot Enhancement/Restoration Area on the eastern side of the Nase Property in accordance with the procedures in Monterey County Code Section 20.64.280.A.
- h) Cultural Resources. County records identify the project site located within an area of moderate sensitivity for prehistoric cultural (archaeological) resources. A Phase 1 Inventory of Archaeological Resources was prepared (LIB160030), which included research of available historic resources through the Northwest Information Center of the California Historical Resources Information System (NWIC) and a pedestrian survey of the site. This resulted in negative findings of archaeologically and historically significant cultural resources. However, because the NWIC records confirmed the existence of multiple negative archaeological reports in the vicinity area, the archaeologist concluded the subject region is highly sensitive as per extant historic and cultural resources. The archaeologist recommends that the project proceeds with construction related excavation, contingent upon the need to assure that archaeological monitoring accompanies any and all excavation given the archeological sensitivity of the area. Pursuant to Assembly Bill 52, County staff consulted with the most likely descendant (MLD) of the Ohlone/Costanoan-Esselen Nation prior to conducting this Initial Study. The MLD expressed concerns with the proposed project because areas located close to water

were frequented by their people. Therefore, the MLD recommended that a tribal monitor be onsite during any earth disturbing activities, which includes the transplantation of the Yadon's piperia from the site. Therefore, based on the recommendation of the archaeologist and the MLD, in order reduce potential impacts to archaeological resources such as artifacts, human remains, and/or a sacred site, the following mitigation measure has been recommended:

- Condition No. 3- Cultural Resources Negative Archaeological Report
- Condition No. 30; Mitigation Measure No. 3; Cultural Resources

Therefore, the potential for inadvertent impacts to cultural resources is limited and will be controlled by the use of a County standard project condition and Mitigation Measure No. 3 (Condition 30).

- i) Tree Removal. The Del Monte Forest Land Use Plan and Monterey County Zoning Ordinance identify Monterey pine and Coast live oak trees as native tree species requiring protection and special consideration for their management. Specifically, Section 20.147.050, Forest Resources, states that a Forest Management Plan shall be required for all projects located in a forested area that require a discretionary permit. The *Tree Resource Assessment Management Plan dated December 29, 2015*, prepared by Frank Ono, Urban Forestry, certified arborist, states that the proposed development is within an existing stand of Monterey pine and Coast live oak trees and the removal of 46 Monterey pine trees on this site is will be unavoidable due to the heavily wooded site. In addition, the arborist recommends that seven (7) trees located near the construction activities be monitored. The arborist describes the population of pines on this site as overstocked for a one acre lot with approximately 200 trees; Many in dead, falling and in poor condition. Several of the oak trees are suppressed and range from poor to fair condition. Prior to the applicant's submittal of current development plans, the applicant worked with staff to reduce the tree removal by twelve trees, saving groupings of healthy landmark trees. This resulted in the proposed removal of 44 Monterey pine of the following sizes: Four (4) landmark sized (24 inches or greater in diameter); 11 trees in the 13 to 23 inches in diameter; and 29 trees in the 12 inches or less in diameter. Landmark trees are trees measuring 24 inches or more in diameter; and significant trees are trees measuring greater than 12 inches in diameter. (*See Finding 4*).
- j) The project was referred to the Del Monte Forest Land Use Advisory Committee (LUAC) for review. The LUAC, at a duly-noticed public meeting on February 4, 2016, continued the item to February 18, 2016, pending revisions made by the applicant, which included reduction of tree removal by 10 Monterey pines. On February 18, 2016, the LUAC recommended approval of the proposed project by a unanimous vote of 4 – 0 (2 absent) and expressed no concerns for the project.
- k) The application, project plans, and related support materials submitted by the project applicant to the Monterey County RMA - Planning Department for the proposed development found in Project File PLN150669.

2. **FINDING:** **SITE SUITABILITY** – The site is physically suitable for the use proposed.
- EVIDENCE:**
- a) The project has been reviewed for site suitability by the following departments and agencies: RMA-Planning, Pebble Beach Community Services District (Fire Protection District), RMA-Public Works, RMA-Environmental Services, Environmental Health Bureau, and Water Resources Agency. There has been no indication from these departments/agencies that the site is not suitable for the proposed development. Conditions recommended have been incorporated.
  - b) The following reports were prepared for the proposed project:
    - Phase 1 Inventory of Archaeological Resources Report (LIB160030) prepared by Archives & Archaeology, Salinas, CA November 10, 2015.
    - Geotechnical Report (LIB160033) prepared by Grice Engineering, Inc., Salinas, CA, December 2015.
    - Tree Resource Assessment Management Plan (LIB160032) prepared by Frank Ono, Certified Arborist, Pacific Grove, CA, December 29, 2015.
    - Biological Survey (LIB160031), prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, November 14, 2016.
    - Biological Update-Potential Yadon’s piperia habitat (LIB170242), prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, March 14, 2016.
    - Biological Spring Survey (LIB170243), prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, April 15, 2016.
    - Mitigation and Monitoring Plan (LIB170244), prepared by Regan Biological & Horticultural Consulting, Carmel Valley, CA, December 2016, Revised February 8, 2017.
  - c) County staff independently reviewed these reports and concurs with their conclusions. With the implementation of mitigation measures for biological and cultural resources, there are no physical or environmental constraints that would indicate that the site is not suitable for the use proposed.
  - d) The proposed residence is not located on a site that is mapped as visually sensitive or a visual resource; nor located on or near a scenic vista.
  - e) The application, project plans, and related support materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development found in Project File PLN150669.
3. **FINDING:** **HEALTH AND SAFETY** - The establishment, maintenance, or operation of the project applied for will not under the circumstances of this particular case be detrimental to the health, safety, peace, morals, comfort, and general welfare of persons residing or working in the neighborhood of such proposed use, or be detrimental or injurious to property and improvements in the neighborhood or to the general welfare of the County.
- EVIDENCE:**
- a) The project was reviewed by RMA-Planning, Pebble Beach Community

Services District (Fire Protection District), RMA-Public Works, RMA-Environmental Services, Environmental Health Bureau, and Water Resources Agency. The respective agencies have recommended conditions, where appropriate, to ensure that the project will not have an adverse effect on the health, safety, and welfare of persons either residing or working in the neighborhood.

- b) Necessary public facilities are available. Public water and sewer connections will be provided by the California American Water Company and the Pebble Beach Community Services District (PBCSD)/Carmel Area Wastewater District (CAWD). The Environmental Health Bureau reviewed the project application, and did not require any conditions.
- c) See Finding Nos. 1 and 2, and associated evidence.
- d) The application, project plans, and related support materials submitted by the project applicant to Monterey County RMA-Planning for the proposed development found in Project File PLN150669.

4. **FINDING:** **CEQA (Mitigated Negative Declaration)** - On the basis of the whole record before the Monterey County Planning Commission, there is no substantial evidence that the proposed project as designed, conditioned and mitigated, will have a significant effect on the environment. The Mitigated Negative Declaration reflects the independent judgment and analysis of the County.

- EVIDENCE:**
- a) Public Resources Code Section 21080.d and California Environmental Quality Act (CEQA) Guidelines Section 15064.a.1 require environmental review if there is substantial evidence that the project may have a significant effect on the environment.
  - b) Monterey County RMA-Planning prepared an Initial Study pursuant to CEQA. The Initial Study is on file in the offices of RMA-Planning and is hereby incorporated by reference (PLN150669).
  - c) The Initial Study identified several potentially significant effects, but revisions have been made to the project and applicant has agreed to proposed mitigation measures that avoid the effects or mitigate the effects to a point where clearly no significant effects would occur.
  - d) All project changes required to avoid significant effects on the environment have been incorporated into the project and/or are made conditions of approval. A Condition Compliance and Mitigation Monitoring and/or Reporting Plan has been prepared in accordance with Monterey County regulations, is designed to ensure compliance during project implementation, and is hereby incorporated herein by reference. The applicant must enter into an “Agreement to Implement a Mitigation Monitoring and/or Reporting Plan” as a condition of project approval (Condition # 7).
  - e) A Draft Mitigated Negative Declaration (MND) was prepared in accordance with CEQA and circulated for public review from July 5, 2017 to August 4, 2017. (SCH#:2017071011).
  - f) Issues that were analyzed in the Mitigated Negative Declaration include: Biological Resources and Cultural Resources.
  - g) Pursuant to Section 20.147.040, Environmental Sensitive Habitat Areas or ESHA of the Del Monte Forest Land Use Plan Area, areas that

support plan species for which there is compelling evidence or rarity [e.g. those areas designated 1b (rare or endangered in California and elsewhere) or 2 (rare, threatened or endangered in California but common elsewhere) by the California Native Plant Society. Biological surveys confirmed that two sensitive species occurred on the Nase property. They are the Monterey pine woodland and the *Piperia yadonii* (common name: Yadon's piperia).

- h) *Monterey pine forest*: The project includes the removal of 44 Monterey pines. A Tree Resource Assessment Management Plan prepared for the project identifies the project site as having an overstock of Monterey pines; 200 trees on the parcel of under one acre. The arborist report states that tree removal is unavoidable since the trees are scattered throughout the property. The 44 Monterey pines to be removed are within the proposed house footprint and the trees are in the following health conditions: six (6) dead; fifteen (15) poor and twenty-three (23) fair. Additionally, seven (7) Monterey pines, not within the construction footprint, but near the construction and grading activities, require monitoring. For residential development to occur on this site, tree removal is unavoidable. The area chosen for the development footprint is the least impactful to the forest because the development is concentrated on the west side of the property, allowing for a proposed enhancement/restoration area of approximately 21,600 square feet on the eastern portion of the Nase property. Mitigation measures have been incorporated to address the tree removal impacts. These include a 1: 1 replacement ratio of forty-four (44) Monterey pines at five-gallon each, to be located on site and requiring monitoring to ensure successful growth. In addition, monitoring of the seven (7) Monterey pines located near the construction activities. See Condition 25; Mitigation Measure No. 1; Mitigation Action No. 1e.
- i) *Yadon's piperia*: This is an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California). This is a wildflower that may be dormant and not emerge above the soil surface until the spring, where it would leaf producing flowers on erect spikes. Within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane are 5 individual separate areas of Yadon's piperia habitat containing a total of approximately 437 (at minimum) individual *Piperia* plants, fifty-nine (59) of which are located in the proposed house footprint area. The population of the *Piperia* is shaped like a capital T; with the top part to the T along the frontage part of the property on Lisbon Lane and the post of the T running south through the middle of the Nase property where the proposed south east corner of the residence would be located. The project involves the removal of approximately 437 individual Yadon's piperia from the Nase property and relocating these to a receiver site in Del Monte Forest. This mitigation was developed by the project's biologist in consultation with the United States Fish and Wildlife Service (USFWS), members of the Del Monte Forest Conservancy, the Del Monte Forest Open Space Advisory Committee and the Pebble Beach Company.

- j) Other alternatives were analyzed; these included: 1) Trying to avoid impacting the Piperia population by redesign of the proposed development footprint (driveway and house footprint); and 2) Large percentage of avoidance (by project's design) and partial mitigation off-site. Both alternative options failed because the long term indirect impacts of development and surrounding neighborhood would likely cause the decline of the Piperia population, especially if the Piperia remained in the Pebble Beach right-of-way. Proceeding with the proposed development plans and transplanting all of the known Piperia to the chosen receiver site, located in "Area H" of the Pebble Beach Company (a conservation site), is the best mitigation possible. The translocation of the Piperia can therefore be monitored for success, seedling recruitment and population size for five (5) years following transplanting. According the biologist, five years should be sufficient to demonstrate survival of the transplants. See *Condition No. 27*; Mitigation Measure No. 2; Mitigation Action No. 2a; *Condition No. 28*; Mitigation Action No. 2b; and *Condition No. 29*, Mitigation Action No. 2c.
- k) See Finding 1, Evidence h (Cultural Resources).
- l) Evidence that has been received and considered includes: the application, technical studies/reports (see Finding 2/Site Suitability), staff reports that reflect the County's independent judgment, and information and testimony presented during public hearings. These documents are on file in RMA-Planning (PLN150669) and are hereby incorporated herein by reference.
- m) Staff analysis contained in the Initial Study and the record as a whole indicate the project could result in changes to the resources listed in Section 753.5(d) of the California Department of Fish and Game (CDFG) regulations. All land development projects that are subject to environmental review are subject to a State filing fee plus the County recording fee, unless the Department of Fish and Game determines that the project will have no effect on fish and wildlife resources. Condition No. 5.
- n) Staff received a comment letter from the Native American Heritage Commission (NAHC) during the public review period. The NAHC expressed concerns that although issues relating to tribal cultural resources were discussed in the IS/MND, the text was not contained within a distinct subsection of the Initial Study Checklist for Tribal Cultural Resources as found within the "Final Text for tribal cultural resources update to Appendix G: Environmental Checklist Form." Pursuant to Section 15063(f) of the CEQA Guidelines, use of this form is only a suggestion and public agencies are free to devise their own format. In terms on content, Section 15063(d)(3) of the CEQA Guidelines states that environmental effects identified shall be explained indicating that there is some evidence to support the entry. The content of the IS/MND meets the content requirements of CEQA since it was disclosed that potential impacts to sacred tribal cultural resources were identified and based on the recommendation of the OCEN Tribe, a mitigation measure has been incorporated to reduce that impact to less than significant. Condition No. 30, Mitigation Measure No.3.

- o) Monterey County RMA-Planning, located at 1441 Schilling Place, Salinas, California, 93901, is the custodian of documents and other materials that constitute the record of proceedings upon which the decision to adopt the mitigated negative declaration is based.

5. **FINDING:**

**DESIGN REVIEW**– The subject project is consistent with the regulations for Design Control Zoning District (pursuant to MCC Chapter 20.44), which regulates the location, size, configuration, materials, and colors of structures to assure protection of public viewshed, neighborhood character, and visual integrity of certain developments without imposing undue restrictions on private property.

**EVIDENCE:**

- a) The site is located in a Design Control Overlay Zoning District. The proposed residence is not located on a site that is mapped as visually sensitive or a visual resource; nor located on or near a scenic vista. The proposal is under the allowable lot coverage and floor area ratio limitations of the zoning district. Analysis of the project’s siting, bulk and mass, proposed site improvements such as tree removal and proposed landscaping has been done in order to evaluate impacts to the neighborhood. The proposed residence is an asymmetrical one-story Mediterranean Modern Farmhouse-style home with portico entrance, composition roof, cement plaster, wood trim and stone veneer. Being that the home is proposed as single-story and not a two-story home, this alone reduces the sense of bulk and mass. More contributing factors to a reduced bulk and mass is the U-shaped elevation proposal with varied roof forms and moderate roof pitches; the siting of the home is proposed approximately 45 feet from the edge of Lisbon Lane and 45 feet from the west side yard property line; with a much larger east side yard setback of 80 feet. This siting in addition to the proposed native planting landscaping, ensures separation between adjoining parcels and creates screening, buffers and privacy. The proposed native plant landscaping along the perimeter of the proposed parcel and along the proposed residence and driveway, which includes a restoration site on the east portion of the Nase property, contributes to the re-forestation of Del Monte Forest.
- d) Color and Material Finishes. Colors proposed are grey roof, beige body, brown trim and beige stone façade. The style, colors and materials are in keeping with the homes in this area of Pebble Beach.
- e) The proposed residence and site improvements are consistent with the Architectural Standards and Residential Guidelines for Del Monte Forest and proposed plans have been approved by the Del Monte Forest Architectural Review Board as well as receiving a recommendation of approval by the Del Monte Forest Land Use Advisory Committee.

6. **FINDING:**

**APPEALABILITY** - The decision on this project may be appealed to the Board of Supervisors and the California Coastal Commission.

**EVIDENCE:**

- a) Board of Supervisors: Pursuant to Section 20.86.030 of the Monterey County Zoning Ordinance (Title 20), an appeal may be made to the Board of Supervisors by any public agency or person aggrieved by a decision of an Appropriate Authority other than the Board of Supervisors.

- b) California Coastal Commission: Pursuant to Section 20.86.080.A of the Monterey County Zoning Ordinance (Title 20), the project is subject to appeal by/to the California Coastal Commission because it involves development between the sea and the first through public road paralleling the sea, development within 300 feet of the mean high tide line of the sea where there is no beach, development within 300 feet of the top of the seaward face of any coastal bluff, and development that is permitted in the underlying zone as a conditional use (i.e.; development within 100 feet of environmentally sensitive habitat; tree removal).

### DECISION

**NOW, THEREFORE**, based on the above findings and evidence, the Planning Commission does hereby:

- 1) Adopt a Mitigated Negative Declaration; and
  - 2) Approve a Combined Development Permit consisting of:
    - a. Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single family dwelling with an attached garage and covered porch;
    - b. Coastal Development Permit for the removal of 44 Monterey pine trees;
    - c. Coastal Development Permit for development within 100 feet of Environmentally Sensitive Habitat (ESHA- Yadon's Piperia and Monterey pine forest); and
  - 3) Adopt a Mitigation Monitoring and Reporting Plan.
- In general conformance with the attached plans and subject to 20 conditions of approval and 10 mitigation measures, all being attached hereto and incorporated by reference.

**PASSED AND ADOPTED** this 30th day of August, 2017, upon motion of Commissioner Diehl, seconded by Commissioner Getzelman, by the following vote:

AYES: Ambriz, Diehl, Duflock, Getzelman, Hert, Mendez, Roberts, Rochester  
NOES: Vandever  
ABSENT: Padilla  
ABSTAIN: None

Jacqueline R. Onciano, Planning Commission Secretary

COPY OF THIS DECISION MAILED TO APPLICANT ON SEP 07 2017.

THIS APPLICATION IS APPEALABLE TO THE BOARD OF SUPERVISORS.

IF ANYONE WISHES TO APPEAL THIS DECISION, AN APPEAL FORM MUST BE COMPLETED AND SUBMITTED TO THE CLERK TO THE BOARD ALONG WITH THE APPROPRIATE FILING FEE ON OR BEFORE SEP 18 2017

THIS PROJECT IS LOCATED IN THE COASTAL ZONE AND IS APPEALABLE TO THE COASTAL COMMISSION. UPON RECEIPT OF NOTIFICATION OF THE FINAL LOCAL ACTION NOTICE (FLAN) STATING THE DECISION BY THE FINAL DECISION MAKING BODY, THE

COMMISSION ESTABLISHES A 10 WORKING DAY APPEAL PERIOD. AN APPEAL FORM MUST BE FILED WITH THE COASTAL COMMISSION. FOR FURTHER INFORMATION, CONTACT THE COASTAL COMMISSION AT (831) 427-4863 OR AT 725 FRONT STREET, SUITE 300, SANTA CRUZ, CA.

This decision, if this is the final administrative decision, is subject to judicial review pursuant to California Code of Civil Procedure Sections 1094.5 and 1094.6. Any Petition for Writ of Mandate must be filed with the Court no later than the 90th day following the date on which this decision becomes final.

#### NOTES

1. You will need a building permit and must comply with the Monterey County Building Ordinance in every respect.

Additionally, the Zoning Ordinance provides that no building permit shall be issued, nor any use conducted, otherwise than in accordance with the conditions and terms of the permit granted or until ten days after the mailing of notice of the granting of the permit by the appropriate authority, or after granting of the permit by the Board of Supervisors in the event of appeal.

Do not start any construction or occupy any building until you have obtained the necessary permits and use clearances from Monterey County RMA-Planning and RMA-Building Services offices in Salinas.

2. This permit expires 3 years after the above date of granting thereof unless construction or use is started within this period.

## Conditions of Approval/Implementation Plan/Mitigation Monitoring and Reporting Plan

PLN150669

### 1. PD001 - SPECIFIC USES ONLY

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** This Combined Development Permit (PLN150669) allows for the following: 1) a Coastal Administrative and Design Approval for the construction of a 5,385 square foot one-story single family dwelling with an attached garage and covered porch; 2) Coastal Development Permit for the removal of 44 Monterey pine trees; 3) Coastal Development Permit for development within 100 feet of Environmental Sensitive Habitat (ESHA -Yadon's Piperia and Monterey Pine forest). The property is located at 1412 Lisbon Lane, Pebble Beach (Assessor's Parcel Number 008-232-008-000), Del Monte Forest Land Use Plan. This permit was approved in accordance with County ordinances and land use regulations subject to the terms and conditions described in the project file. Neither the uses nor the construction allowed by this permit shall commence unless and until all of the conditions of this permit are met to the satisfaction of the Director of RMA - Planning. Any use or construction not in substantial conformance with the terms and conditions of this permit is a violation of County regulations and may result in modification or revocation of this permit and subsequent legal action. No use or construction other than that specified by this permit is allowed unless additional permits are approved by the appropriate authorities. To the extent that the County has delegated any condition compliance or mitigation monitoring to the Monterey County Water Resources Agency, the Water Resources Agency shall provide all information requested by the County and the County shall bear ultimate responsibility to ensure that conditions and mitigation measures are properly fulfilled. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** The Owner/Applicant shall adhere to conditions and uses specified in the permit on an ongoing basis unless otherwise stated.

## 2. PD002 - NOTICE PERMIT APPROVAL

**Responsible Department:** RMA-Planning

**Condition/Mitigation** The applicant shall record a Permit Approval Notice. This notice shall state:

**Monitoring Measure:**

"A Combined Development Permit (Resolution Number 17-035) was approved by the Monterey County Planning Commission for Assessor's Parcel Number 008-232-003-000 on August 30, 2017. The permit was granted subject to 30 conditions of approval which run with the land. A copy of the permit is on file with Monterey County RMA - Planning."

Proof of recordation of this notice shall be furnished to the Director of RMA - Planning prior to issuance of grading and building permits, Certificates of Compliance, or commencement of use, whichever occurs first and as applicable. (RMA - Planning)

**Compliance or  
Monitoring  
Action to be Performed:**

Prior to the issuance of grading and building permits, certificates of compliance, or commencement of use, whichever occurs first and as applicable, the Owner/Applicant shall provide proof of recordation of this notice to the RMA - Planning.

## 3. PD003(A) - CULTURAL RESOURCES NEGATIVE ARCHAEOLOGICAL REPORT

**Responsible Department:** RMA-Planning

**Condition/Mitigation  
Monitoring Measure:**

If, during the course of construction, cultural, archaeological, historical or paleontological resources are uncovered at the site (surface or subsurface resources) work shall be halted immediately within 50 meters (165 feet) of the find until a qualified professional archaeologist can evaluate it. Monterey County RMA - Planning and a qualified archaeologist (i.e., an archaeologist registered with the Register of Professional Archaeologists) shall be immediately contacted by the responsible individual present on-site. When contacted, the project planner and the archaeologist shall immediately visit the site to determine the extent of the resources and to develop proper mitigation measures required for recovery.  
(RMA - Planning)

**Compliance or  
Monitoring  
Action to be Performed:**

The Owner/Applicant shall adhere to this condition on an on-going basis.

Prior to the issuance of grading or building permits and/or prior to the recordation of the final/parcel map, whichever occurs first, the Owner/Applicant shall include requirements of this condition as a note on all grading and building plans. The note shall state "Stop work within 50 meters (165 feet) of uncovered resource and contact Monterey County RMA - Planning and a qualified archaeologist immediately if cultural, archaeological, historical or paleontological resources are uncovered."

When contacted, the project planner and the archaeologist shall immediately visit the site to determine the extent of the resources and to develop proper mitigation measures required for the discovery.

#### 4. PD004 - INDEMNIFICATION AGREEMENT

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** The property owner agrees as a condition and in consideration of approval of this discretionary development permit that it will, pursuant to agreement and/or statutory provisions as applicable, including but not limited to Government Code Section 66474.9, defend, indemnify and hold harmless the County of Monterey or its agents, officers and employees from any claim, action or proceeding against the County or its agents, officers or employees to attack, set aside, void or annul this approval, which action is brought within the time period provided for under law, including but not limited to, Government Code Section 66499.37, as applicable. The property owner will reimburse the County for any court costs and attorney's fees which the County may be required by a court to pay as a result of such action. The County may, at its sole discretion, participate in the defense of such action; but such participation shall not relieve applicant of his/her/its obligations under this condition. An agreement to this effect shall be recorded upon demand of County Counsel or concurrent with the issuance of building permits, use of property, filing of the final map, recordation of the certificates of compliance whichever occurs first and as applicable. The County shall promptly notify the property owner of any such claim, action or proceeding and the County shall cooperate fully in the defense thereof. If the County fails to promptly notify the property owner of any such claim, action or proceeding or fails to cooperate fully in the defense thereof, the property owner shall not thereafter be responsible to defend, indemnify or hold the County harmless. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Upon demand of County Counsel or concurrent with the issuance of building permits, use of the property, recording of the final/parcel map, or recordation of Certificates of Compliance, whichever occurs first and as applicable, the Owner/Applicant shall submit a signed and notarized Indemnification Agreement to the Director of RMA-Planning for review and signature by the County.

Proof of recordation of the Indemnification Agreement, as outlined, shall be submitted to RMA-Planning .

**5. (PD-Non-standard) Conservation & Scenic Easement Over Enhancement/Restoration Area**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** A conservation and scenic easement shall be conveyed to the Del Monte Forest Conservancy over the 21,600 square foot Enhancement/Restoration Area of the Nase property in accordance with the procedures in Monterey County Code § 20.64.280.A. The easement conveyance shall include funding adequate to ensure the management and protection of the easement area over time. The easement shall be developed in consultation with a certified professional and the Del Monte Forest Conservancy Inc. A Subordination Agreement shall be required, where necessary. These instruments shall be subject to approval by the County as to form and content, shall provide for enforcement, if need be, by the County or other appropriate agency, and name the County as beneficiary in event the Conservancy is unable to adequately manage these easements for the intended purpose of scenic and visual resource protection. An easement deed shall be submitted to, reviewed, and approved by the Director of RMA - Planning and the Executive Director of the California Coastal Commission, and accepted by the Board of Supervisors prior to recording the parcel/final map or prior to issuance of grading and building permits. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of grading and building permits, the Owner/Applicant/Certified Professional shall submit the conservation and scenic easement deed and corresponding map, showing the exact location of the easement on the property along with the metes and bound description developed in consultation with a certified professional, to the to the Del Monte Forest Conservancy for review and approval.

Prior to the issuance of grading and building permits, the Owner/Applicant/Certified Professional shall submit the conservation and scenic easement deed and corresponding map, showing the exact location of the easement on the property along with the metes and bound description developed in consultation with a certified professional, to RMA - Planning for review and approval.

Prior to the issuance of grading and building permits, the Owner/Applicant, shall submit a signed and notarized Subordination Agreement, if required, to RMA - Planning for review and approval.

Prior to the issuance of grading and building permits, or commencement of use, the Owner/Applicant shall record the deed and map showing the approved conservation and scenic easement. Submit a copy of the recorded deed and map to RMA-Planning

## 6. PD005 - FISH & GAME FEE NEG DEC/EIR

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Pursuant to the State Public Resources Code Section 753.5, State Fish and Game Code, and California Code of Regulations, the applicant shall pay a fee, to be collected by the County, within five (5) working days of project approval. This fee shall be paid before the Notice of Determination is filed. If the fee is not paid within five (5) working days, the project shall not be operative, vested or final until the filing fees are paid. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Within five (5) working days of project approval, the Owner/Applicant shall submit a check, payable to the County of Monterey, to the Director of RMA - Planning.

If the fee is not paid within five (5) working days, the applicant shall submit a check, payable to the County of Monterey, to the Director of RMA - Planning prior to the recordation of the final/parcel map, the start of use, or the issuance of building permits or grading permits.

## 7. PD006 - CONDITION OF APPROVAL / MITIGATION MONITORING PLAN

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** The applicant shall enter into an agreement with the County to implement a Condition of Approval/Mitigation Monitoring and/or Reporting Plan (Agreement) in accordance with Section 21081.6 of the California Public Resources Code and Section 15097 of Title 14, Chapter 3 of the California Code of Regulations. Compliance with the fee schedule adopted by the Board of Supervisors for mitigation monitoring shall be required and payment made to the County of Monterey at the time the property owner submits the signed Agreement. The agreement shall be recorded. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Within sixty (60) days after project approval or prior to the issuance of building and grading permits, whichever occurs first, the Owner/Applicant shall:

- 1) Enter into an agreement with the County to implement a Condition of Approval/Mitigation Monitoring Plan.
- 2) Fees shall be submitted at the time the property owner submits the signed Agreement.
- 3) Proof of recordation of the Agreement shall be submitted to RMA-Planning.

## 8. PD011 - TREE AND ROOT PROTECTION

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Trees which are located close to construction site(s) shall be protected from inadvertent damage from construction equipment by fencing off the canopy driplines and/or critical root zones (whichever is greater) with protective materials, wrapping trunks with protective materials, avoiding fill of any type against the base of the trunks and avoiding an increase in soil depth at the feeding zone or drip-line of the retained trees. Said protection, approved by certified arborist, shall be demonstrated prior to issuance of building permits subject to the approval of RMA - Director of Planning. If there is any potential for damage, all work must stop in the area and a report, with mitigation measures, shall be submitted by certified arborist. Should any additional trees not included in this permit be harmed, during grading or construction activities, in such a way where removal is required, the owner/applicant shall obtain required permits. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of grading and/or building permits, the Owner/Applicant shall submit evidence of tree protection to RMA - Planning for review and approval.

During construction, the Owner/Applicant/Arborist shall submit on-going evidence that tree protection measures are in place through out grading and construction phases. If damage is possible, submit an interim report prepared by a certified arborist.

Prior to final inspection, the Owner/Applicant shall submit photos of the trees on the property to RMA-Planning after construction to document that tree protection has been successful or if follow-up remediation or additional permits are required.

**9. PD012(D) - LANDSCAPE PLAN & MAINTENANCE (MPWMD-SFD ONLY)**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** The site shall be landscaped. Prior to the issuance of building permits, three (3) copies of a landscaping plan shall be submitted to the Director of RMA - Planning . A landscape plan review fee is required for this project. Fees shall be paid at the time of landscape plan submittal. The landscaping plan shall be in sufficient detail to identify the location, species, and size of the proposed landscaping materials and shall include an irrigation plan. The plan shall be accompanied by a nursery or contractor's estimate of the cost of installation of the plan. Before occupancy, landscaping shall be either installed or a certificate of deposit or other form of surety made payable to Monterey County for that cost estimate shall be submitted to the Monterey County RMA - Planning. All landscaped areas and fences shall be continuously maintained by the applicant; all plant material shall be continuously maintained in a litter-free, weed-free, healthy, growing condition. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of building permits, the Owner/Applicant/Licensed Landscape Contractor/Licensed Landscape Architect shall submit landscape plans and contractor's estimate to RMA - Planning for review and approval. Landscaping plans shall include the recommendations from the Forest Management Plan or Biological Survey as applicable. All landscape plans shall be signed and stamped by licensed professional under the following statement, "I certify that this landscaping and irrigation plan complies with all Monterey County landscaping requirements including use of native, drought-tolerant, non-invasive species; limited turf; and low-flow, water conserving irrigation fixtures."

Prior to issuance of building permits, the Owner/Applicant/Licensed Landscape Contractor/Licensed Landscape Architect shall submit one (1) set landscape plans of approved by RMA-Planning, a Maximum Applied Water Allowance (MAWA) calculation, and a completed "Residential Water Release Form and Water Permit Application" to the Monterey Peninsula Water Management District for review and approval.

Prior to issuance of building permits, the Owner/Applicant/Licensed Landscape Contractor/ shall submit an approved water permit from the MPWMD to RMA-Building Services.

Prior to occupancy, the Owner/Applicant/Licensed Landscape Contractor/Licensed Landscape Architect shall ensure that the landscaping shall be either installed or a certificate of deposit or other form of surety made payable to Monterey County for that cost estimate shall be submitted to Monterey County RMA - Planning.

On an on-going basis, all landscaped areas and fences shall be continuously maintained by the Owner/Applicant; all plant material shall be continuously maintained in a litter-free, weed-free, healthy, growing condition.

## 10. PD014(A) - LIGHTING - EXTERIOR LIGHTING PLAN

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** All exterior lighting shall be unobtrusive, down-lit, harmonious with the local area, and constructed or located so that only the intended area is illuminated and off-site glare is fully controlled. The lighting source shall be shielded and recessed into the fixture. The applicant shall submit three (3) copies of an exterior lighting plan which shall indicate the location, type, and wattage of all light fixtures and include catalog sheets for each fixture. The lighting shall comply with the requirements of the California Energy Code set forth in California Code of Regulations Title 24 Part 6. The exterior lighting plan shall be subject to approval by the Director of RMA - Planning, prior to the issuance of building permits.  
(RMA - Planning)

**Compliance or Monitoring Action to be Performed:** Prior to the issuance of building permits, the Owner/Applicant shall submit three copies of the lighting plans to RMA - Planning for review and approval. Approved lighting plans shall be incorporated into final building plans.

Prior to final/occupancy, the Owner/Applicant/Contractor shall submit written and photographic evidence demonstrating that the lighting has been installed according to the approved plan.

On an on-going basis, the Owner/Applicant shall ensure that the lighting is installed and maintained in accordance with the approved plan.

## 11. PD050 - RAPTOR/MIGRATORY BIRD NESTING

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Any tree removal activity that occurs during the typical bird nesting season (February 22-August 1), the County of Monterey shall require that the project applicant retain a County qualified biologist to perform a nest survey in order to determine if any active raptor or migratory bird nests occur within the project site or within 300 feet of proposed tree removal activity. During the typical nesting season, the survey shall be conducted no more than 30 days prior to ground disturbance or tree removal. If nesting birds are found on the project site, an appropriate buffer plan shall be established by the project biologist. (RMA - Planning)

**Compliance or Monitoring Action to be Performed:** No more than 30 days prior to ground disturbance or tree removal, the Owner/Applicant/Tree Removal Contractor shall submit to RMA-Planning a nest survey prepared by a County qualified biologist to determine if any active raptor or migratory bird nests occur within the project site or immediate vicinity.

## 12. PW0043 - REGIONAL DEVELOPMENT IMPACT FEE

**Responsible Department:** RMA-Public Works

**Condition/Mitigation Monitoring Measure:** Prior to issuance of building permits, applicant shall pay the Regional Development Impact Fee (RDIF) pursuant to Monterey Code Chapter 12.90. The fee amount shall be determined based on the parameters adopted in the current fee schedule.

**Compliance or Monitoring Action to be Performed:** Prior to issuance of Building Permits Owner/Applicant shall pay Monterey County Building Services Department the traffic mitigation fee. Owner/Applicant shall submit proof of payment to the DPW.

### 13. PW0045 – COUNTYWIDE TRAFFIC FEE

**Responsible Department:** RMA-Public Works

**Condition/Mitigation Monitoring Measure:** Prior to issuance of building permits, the Owner/Applicant shall pay the Countywide Traffic Fee or the ad hoc fee pursuant to General Plan policy C-1.8. The fee amount shall be determined based on the parameters in the current fee schedule.

**Compliance or Monitoring Action to be Performed:** Prior to issuance of Building Permits, the Owner/Applicant shall pay Monterey County Building Services Department the traffic mitigation fee. The Owner/Applicant shall submit proof of payment to the DPW.

### 14. WR003 - DRAINAGE PLAN - RETENTION

**Responsible Department:** Water Resources Agency

**Condition/Mitigation Monitoring Measure:** The applicant shall provide a drainage plan, prepared by a registered civil engineer or licensed architect, to mitigate on-site and off-site impacts. The plan shall include stormwater retention/percolation facilities. Drainage improvements shall be constructed in accordance with plans approved by the Water Resources Agency. (Water Resources Agency)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of any construction permit, the owner/applicant shall submit a drainage plan with the construction permit application.

The Building Services Department will route a plan set to the Water Resources Agency for review and approval.

### 15. EROSION CONTROL PLAN

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant shall submit an erosion control plan in conformance with the requirements of Monterey County Code Chapter 16.12. The erosion control plan shall include a construction entrance, concrete washout, stockpile area(s), material storage area(s), portable sanitation facilities and waste collection area(s), as applicable. (RMA – Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of any grading or building permits, the applicant shall submit an erosion control plan to RMA-Environmental Services for review and approval.

### 16. GEOTECHNICAL CERTIFICATION

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant shall provide certification from a licensed practitioner that all development has been constructed in accordance with the recommendations in the project Geotechnical Report. (RMA- Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to final inspection, the owner/applicant shall provide RMA-Environmental Services a letter from a licensed practitioner.

## 17. GRADING PLAN

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant shall submit a grading plan incorporating the recommendations in the project Geotechnical Report prepared by Grice Engineering, Inc. The grading plan shall also address the requirements of Monterey County Code Chapter 16.08, and the geotechnical inspection schedule shall be included on the plan. The applicant shall provide certification from the licensed practitioner that the grading plan incorporates their geotechnical recommendations. (RMA-Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to issuance of any grading or building permits, the applicant shall submit a grading plan to RMA-Environmental Services for review and approval.

Prior to issuance of any grading or building permits, the applicant shall submit certification from a licensed practitioner that they have reviewed the grading plan for conformance with the geotechnical recommendations.

## 18. INSPECTION-DURING ACTIVE CONSTRUCTION

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant shall schedule an inspection with RMA-Environmental Services to inspect drainage device installation, review the maintenance and effectiveness of BMPs installed, and to verify that pollutants of concern are not discharged from the site. At the time of the inspection, the applicant shall provide certification that all necessary geotechnical inspections have been completed to that point. This inspection requirement shall be noted on the Erosion Control Plan.(RMA – Environmental Services)

**Compliance or Monitoring Action to be Performed:** During construction, the applicant shall schedule an inspection with RMA-Environmental Services.

## 19. INSPECTION-FOLLOWING ACTIVE CONSTRUCTION

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant shall schedule an inspection with RMA-Environmental Services to ensure all disturbed areas have been stabilized and all temporary erosion and sediment control measures that are no longer needed have been removed. This inspection requirement shall be noted on the Erosion Control Plan. (RMA – Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to final inspection, the owner/applicant shall schedule an inspection with RMA-Environmental Services.

## 20. INSPECTION-PRIOR TO LAND DISTURBANCE

**Responsible Department:** Environmental Services

**Condition/Mitigation Monitoring Measure:** The applicant shall schedule an inspection with RMA-Environmental Services to ensure all necessary sediment controls are in place and the project is compliant with Monterey County regulations. This inspection requirement shall be noted on the Erosion Control Plan. (RMA – Environmental Services)

**Compliance or Monitoring Action to be Performed:** Prior to commencement of any land disturbance, the owner/applicant shall schedule an inspection with RMA-Environmental Services.

## 21. MITIGATION MEASURE NO. 1; Action 1a- ENHANCEMENT/RESTORATION

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure Action No. 1.a: Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate a note on all construction plans (for building and grading) that the project shall comply with the specifications contained in the Tree Resource Assessment Plan, dated December 29, 2015 prepared for the subject property by Frank Ono, Certified Arborist and with the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 1.a: Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate a note on all construction plans (for building and grading) that the project shall comply with the specifications contained in the Tree Resource Assessment Plan, dated December 29, 2015 prepared for the subject property by Frank Ono, Certified Arborist and with the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting.

## 22. MITIGATION MEASURE NO. 1; Action 1b- ENHANCEMENT/RESTORATION

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 1: In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland on the project site and the loss of forty-four (44) Monterey pine trees, the following shall be required to occur on an area of 21,600 square feet (Enhancement/Restoration Area) of the Nase property:

- Eradicate majority of non-native grasses, weeds and introduced landscape plants, from eastern portion of the Nase property.
- Restore 19,000 square foot area on east portion on Nase property using the dominant native species present on project site.
- 1: 1 replacement ratio of forty-four (44), five-gallon Monterey pine trees to be located on one continuous strip of land running north to south along the east side of the Nase property and fronted on the North by the Pebble Beach right of way along Lisbon Lane and on the South by the Nase Property line and corresponding fence line with the neighboring property to the south. This strip of land is approximately 21,600 square feet running approximately 240 feet from North end to South end and 90 feet from east to west, between the proposed house and the eastern neighboring property. Monterey pine replacement is incorporated into the landscape planting plan (see Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA prepared by Regan Biological and Horticultural Consulting, LLC (RBHC), revised on 2/08/2017 for the Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte Forest.
- Prevent invasive non-native plant species from colonizing during construction.
- Maintain native plant habitat with less than 10% non-native species over the course of the monitoring period.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 1.b: Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate a tree removal plan within the construction plans showing the proposed tree removal as shown in the Tree Resource Assessment Plan, dated December 29, 2015 prepared for the subject property by Frank Ono, Certified Arborist. The tree removal plan shall include the tree number identification matrix showing the trees to be removed (44 Monterey pines) and the seven (7) proposed root-pruned Monterey pines to be monitored.

**23. MITIGATION MEASURE NO. 1; Action 1c- ENHANCEMENT/RESTORATION**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 1: In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland on the project site and the loss of forty-four (44) Monterey pine trees, the following shall be required to occur on an area of 21,600 square feet (Enhancement/Restoration Area) of the Nase property:

- Eradicate majority of non-native grasses, weeds and introduced landscape plants, from eastern portion of the Nase property.
- Restore 19,000 square foot area on east portion on Nase property using the dominant native species present on project site.

Monterey pine replacement is incorporated into the landscape planting plan (see Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA prepared by Regan Biological and Horticultural Consulting, LLC (RBHC), revised on 2/08/2017 for the Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte Forest.
- Prevent invasive non-native plant species from colonizing during construction.
- Maintain native plant habitat with less than 10% non-native species over the course of the monitoring period.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 1.c: Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate an Enhancement/Restoration Area Plan within the construction plans consistent with the recommendations in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. This plan shall include the information listed in MM No. 1, planting stock information contained in Section 6.0 – Implementation Plan of the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting, which describes the responsible parties, describes planting stock, the list of plants, quantities, sizes, planting schedules, site preparation, maintenance activities, maintenance schedule, performance standards, final success criterion, monitoring, annual reports and for the Restoration/Enhancement and Preservation Areas.

**24. MITIGATION MEASURE NO. 1; Action 1d- ENHANCEMENT/RESTORATION**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 1: In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland on the project site and the loss of forty-four (44) Monterey pine trees, the following shall be required to occur on an area of 21,600 square feet (Enhancement/Restoration Area) of the Nase property:

Monterey pine replacement is incorporated into the landscape planting plan (see Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA prepared by Regan Biological and Horticultural Consulting, LLC (RBHC), revised on 2/08/2017 for the Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte Forest.
- Prevent invasive non-native plant species from colonizing during construction.
- Maintain native plant habitat with less than 10% non-native species over the course of the monitoring period.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 1.d: Prior to the commencement of any grading or construction activities (except for the removal and transplantation of the Yadon's piperia), a pre-construction meeting shall be held on the site. The preconstruction meeting shall be facilitated by the agent of the project. The meeting shall include representatives of each of the selected contractors, any consultant who will conduct required monitoring (including the archaeological monitors, see mitigation measures for Cultural Resources), and the owner/applicant. The purpose of the meeting is to review the conditions of approval that are applicable to the grading and construction of the approved development. A report of this meeting including date of meeting, content reviewed and list of attendees, shall be submitted to RMA-Planning, within five (5) business days of the preconstruction meeting date.

**25. MITIGATION MEASURE NO. 1; Action 1e- ENHANCEMENT/RESTORATION**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 1: In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland on the project site and the loss of forty-four (44) Monterey pine trees, the following shall be required to occur on an area of 21,600 square feet (Enhancement/Restoration Area) of the Nase property:

Monterey pine replacement is incorporated into the landscape planting plan (see Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA prepared by Regan Biological and Horticultural Consulting, LLC (RBHC), revised on 2/08/2017 for the Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte Forest.
- Prevent invasive non-native plant species from colonizing during construction.
- Maintain native plant habitat with less than 10% non-native species over the course of the monitoring period.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 1.e: Prior to final inspection, the property owner/applicant shall restore as per the approved Enhancement/Restoration Area Plan (see MMA No. 1.c.) consistent with the recommendations in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. This requires the replacement of Monterey pine trees at a ratio of 1:1 for a total replanting of 46 Monterey pine trees of a five-gallon size to be planted within the Enhancement/Restoration area. Furthermore, the seven (7) proposed root-pruned Monterey pines shall be pruned pursuant to the recommendations, including monitoring requirements of the Tree Resource Assessment Management Plan, prepared by Frank Ono dated December 29, 2015. In addition, the Enhancement/Restoration Area Plan requires the restoration of other planting stock described in Table 2: Plants for Restoration/Enhancement and Preservation Areas of the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. The Staff shall conduct a site visit to ensure vegetation of the site has been restored according to the approved Enhancement/Restoration Area Plan.

**26. MITIGATION MEASURE NO. 1; Action 1f- ENHANCEMENT/RESTORATION**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 1: In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland on the project site and the loss of forty-four (44) Monterey pine trees, the following shall be required to occur on an area of 21,600 square feet (Enhancement/Restoration Area) of the Nase property:

- Eradicate majority of non-native grasses, weeds and introduced landscape plants, from eastern portion of the Nase property.
- Restore 19,000 square foot area on east portion on Nase property using the dominant native species present on project site.
- 1: 1 replacement ratio of forty-four (44), five-gallon Monterey pine trees to be located on one continuous strip of land running north to south along the east side of the Nase property and fronted on the North by the Pebble Beach right of way along Lisbon Lane and on the South by the Nase Property line and corresponding fence line with the neighboring property to the south. This strip of land is approximately 21,600 square feet running approximately 240 feet from North end to South end and 90 feet from east to west, between the proposed house and the eastern neighboring property. Monterey pine replacement is incorporated into the landscape planting plan (see Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA prepared by Regan Biological and Horticultural Consulting, LLC (RBHC), revised on 2/08/2017 for the Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte Forest.
- Prevent invasive non-native plant species from colonizing during construction.
- Maintain native plant habitat with less than 10% non-native species over the course of the monitoring period.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 1.f: Maintenance and monitoring of the Enhancement/Restoration Area on the Nase property shall occur as stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. Monitoring and reporting shall occur four times a year for five full years after completion of the project (i.e. construction of the home). A qualified biologist, shall maintain, monitor and report to RMA-Planning, as stipulated in the Mitigation and Monitoring Plan. An intermediate performance standard shall be measured at 100 percent survival of the planted Monterey pines in the fall of year 1 and 2. The final success criterion is 100 percent survival on planted Monterey pines in year 5.

**27. MITIGATION MEASURE NO. 2; Action 2a- Yadon's Piperia**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 2: In order to reduce the proposed construction impacts to the Yadon's piperia, an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California), to a less than significant level, removal of approximately 437 (or more if more are present) individual Yadon's piperia plants and transplanting these to a designated conservation site within Del Monte Forest, shall be required. The transplantation activities of the Yadon's piperia shall be conducted as stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. This includes, but is not limited to the following:

- A memorandum of understanding and appropriate legal documentation of liability and shared responsibilities between Mr. Nase (property owner) and the Pebble Beach Company shall be prepared and signed before any of these activities take place:
- Transplantation of all known and live Yadon's piperia tubers from the project impact area (as shown in the Mitigation and Monitoring Plan) into a receiver site along Spruance Road in Area H of the Pebble Beach Company's preservation property. Transplantation activities shall at the times stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting and in consultation with United States Fish and Wildlife Service (USFWS).
- Monitor for transplant success, seedling recruitment, and population size for five (5) years following transplantation.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 2a: Prior to the commencement of transplantation activities for the Yadon's piperia, a memorandum of understanding (MOU) and appropriate legal documentation of liability and shared responsibilities between Mr. Nase (property owner) and the Pebble Beach Company shall be prepared and signed by both parties. The document shall include a depiction of the receiver site, a 2,700 square foot area on the west side of Spruance Road (Area H) along with a reference that the work shall be performed in accordance to the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. A copy of the signed MOU and any other appropriate legal documentation shall be furnished to RMA- Planning for review and approval before the commencement of the transplantation activities.

**28. MITIGATION MEASURE NO. 2; Action 2b- Yadon's Piperia**

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 2: In order to reduce the proposed construction impacts to the Yadon's piperia, an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California), to a less than significant level, removal of approximately 437 (or more if more are present) individual Yadon's piperia plants and transplanting these to a designated conservation site within Del Monte Forest, shall be required. The transplantation activities of the Yadon's piperia shall be conducted as stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. This includes, but is not limited to the following:

- A memorandum of understanding and appropriate legal documentation of liability and shared responsibilities between Mr. Nase (property owner) and the Pebble Beach Company shall be prepared and signed before any of these activities take place:
- Transplantation of all known and live Yadon's piperia tubers from the project impact area (as shown in the Mitigation and Monitoring Plan) into a receiver site along Spruance Road in Area H of the Pebble Beach Company's preservation property. Transplantation activities shall at the times stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting and in consultation with United States Fish and Wildlife Service (USFWS).
- Monitor for transplant success, seedling recruitment, and population size for five (5) years following transplantation.

**Compliance or Monitoring Action to be Performed:** Mitigation Measure Action No. 2b: The 2,700 square foot receiver site where the Yadon's piperia will be transplanted from the Nase property, is located on the west side of Spruance Road, approximately 2/10ths of a mile north of the intersection with Spruance and Ronda Roads. Previous to translocating the Piperia tubers from the Nase property to this location it will be prepared by removing the entire Acacia plants as well the Genista and the fallen oak tree as recommended in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. Just east of this location, on the other side of Spruance road is a population of the Yadon's piperia that will be used as a reference population to compare with the translocated plants to determine expected foliage emergence and flowering and reproduction in each year of the monitoring of the translocated plants. The preparation of the receiver site shall be monitored by the qualified biologist pursuant to the recommendations contained in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting.

## 29. MITIGATION MEASURE NO. 2; Action 2c- Yadon's Piperia

**Responsible Department:** RMA-Planning

**Condition/Mitigation Monitoring Measure:** Mitigation Measure No. 2: In order to reduce the proposed construction impacts to the Yadon's piperia, an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California), to a less than significant level, removal of approximately 437 (or more if more are present) individual Yadon's piperia plants and transplanting these to a designated conservation site within Del Monte Forest, shall be required. The transplantation activities of the Yadon's piperia shall be conducted as stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting. This includes, but is not limited to the following:

- A memorandum of understanding and appropriate legal documentation of liability and shared responsibilities between Mr. Nase (property owner) and the Pebble Beach Company shall be prepared and signed before any of these activities take place:
- Transplantation of all known and live Yadon's piperia tubers from the project impact area (as shown in the Mitigation and Monitoring Plan) into a receiver site along Spruance Road in Area H of the Pebble Beach Company's preservation property. Transplantation activities shall at the times stipulated in the Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting and in consultation with United States Fish and Wildlife Service (USFWS).
- Monitor for transplant success, seedling recruitment, and population size for five (5) years following transplantation.

**Compliance or  
Monitoring  
Action to be Performed:**

Mitigation Measure Action No. 2c: Transplanting of Yadon's rein orchid from within the project impact area on Lisbon Lane into the preservation area receiver site on Spruance Road will take place between October 15 and March 15. This allows for transplant to occur while all tubers are dormant up to the point when the majority of tubers have sent up vegetative shoots but before flower stalks appear.

Even if permitting and construction schedules prevent implementation of the transplanting plan during the October to March period, to avoid disrupting seed production, the transplant process will be restricted to that period in which the plants are dormant, post flower and seed production up until the first flowering stalks are observed to be rising out of the foliage of known *Piperia* plants on the Lisbon Lane site. A qualified Biologist on the Monterey County list of approved consulting Biologists will monitor the population up until the date that the project is approved to proceed, then confer with USFWS and Pebble Beach company biologists to evaluate the status of the plants and whether it is feasible to commence transplantation efforts. During this monitoring period, all plants sending up new foliage will be documented and marked with flags other than the orange color used during the initial monitoring in Spring 2016. This will assist in determining the size of each patch for the tree spade operator and simplify the transplant process, if it becomes necessary to do it in the fall of 2017 by marking every foliage producing tuber even after all above ground growth has withered and senesced. Based on the monitoring, the project biologist will determine when the transplant will occur and how much area will be scooped out and transferred to the Spruance road receiver site. If, at the point the project is approved to proceed, plants in the Lisbon Lane property are observed to be sending up flowering stalks, the project will be delayed until plants have gone dormant in the fall of 2017. It may be possible to move some of the Lisbon Lane population even after some plants begin flowering, but this decision will be made in consultation with USFWS staff. In 2016, plants in the eastern portion had flowered and senesced by late July and some plants in the Western portion had not yet put up flowering stalks until September.

**30. MITIGATION MEASURE NO. 3; Action 3a and 3b- Cultural Resources**

**Responsible Department:** RMA-Planning

**Condition/Mitigation  
Monitoring Measure:** Mitigation Measure No. 3. In order to reduce potential impacts to cultural resources and sacred places, earth disturbance activities (including Yadon's *piperia* transplantation from the subject site and tree removal) shall be observed by a qualified archaeologist and by an Ohlone/Costanoan-Esselen Nation tribal monitor (MLD).

**Compliance or  
Monitoring  
Action to be Performed:** Mitigation Measure Action No. 3.a. Prior to the Yadon's *piperia* transplantation from the subject site, the owner/applicant shall submit a copy of the agreed upon contract to RMA-Planning, between the Ohlone/Costanoan-Esselen Nation and the owner of the subject project, outlining the logistics for monitoring during earth disturbance activities as well as how cultural resources will be handled if uncovered.

Mitigation Measure Action No. 3.b. During earth disturbance, which includes the Yadon's *piperia* transplantation, tree removal, and all other construction related activities, the Ohlone/Costanoan-Esselen Nation approved tribal monitor and the qualified archaeologist shall be onsite observing the work. The work shall be done consistent with the Ohlone/Costanoan-Esselen Nation approved contract discussed in Mitigation Measure Action No. 3a. Prior to final of construction permits for grading and/or building, the owner/applicant shall submit a letter from the tribal monitor verifying all work was done consistent with the contract to RMA-Planning for review and approval.

## GENERAL NOTES

- CONTRACTOR LICENSE: THE CONTRACTOR(S) PERFORMING THE WORK DESCRIBED BY THESE PLANS AND SPECIFICATIONS SHALL BE PROPERLY AND CURRENTLY LICENSED DURING THE EXECUTION OF THE PROJECT AND SHALL NOT PERFORM WORK OUTSIDE THE LEGAL SCOPE OF ANY LICENSE.
- SCOPE: THE CONTRACTOR SHALL PROVIDE AND PAY FOR ALL LABOR, MATERIALS, TOOLS, EQUIPMENT AND MACHINERY, TRANSPORTATION, WATER, HEAT, ELECTRICAL, TELEPHONE AND ANY OTHER RELATED ITEMS NECESSARY FOR THE PROPER EXECUTION AND TIMELY COMPLETION OF THE WORK.
- PERMITS: UNLESS OTHERWISE INSTRUCTED, THE OWNER SHALL PAY ALL PERMIT FEES INCLUDING UTILITIES. THE CONTRACTOR SHALL SECURE THE BUILDING PERMIT AND ANY OTHER PERMITS PRIOR TO STARTING THE WORK AND COMPLY WITH ALL INSPECTION REQUIREMENTS THROUGH FINAL SIGN-OFF.
- LEGAL NOTICE/CODE COMPLIANCE: THE CONTRACTOR SHALL GIVE ALL NOTICES AND COMPLY WITH ALL LAWS, ORDINANCES, BUILDING CODES, RULES, REGULATIONS AND OTHER LAWFUL ORDERS OF ANY PUBLIC AUTHORITY BEARING ON THE PERFORMANCE OF THE WORK. THE CONTRACTOR SHALL PROMPTLY NOTIFY THE DESIGNERS IN WRITING IF THE DRAWINGS AND/OR SPECIFICATIONS ARE AT VARIANCE WITH ANY SUCH REQUIREMENTS (2013 C.B.C.)
- RESPONSIBILITY: THE CONTRACTOR SHALL BE SOLELY RESPONSIBLE FOR ALL CONSTRUCTION MEANS, METHODS, TECHNIQUES, SEQUENCES AND PROCEDURES SELECTED TO EXECUTE THE WORK. THE CONTRACTOR SHALL COORDINATE ALL PORTIONS OF WORK WITHIN THE SCOPE OF THE CONTRACT.
- SAFETY: THE CONTRACTOR SHALL BE RESPONSIBLE FOR INITIATING, MAINTAINING AND PROPERLY SUPERVISING ADEQUATE INDUSTRY STANDARD SAFETY PRECAUTIONS AND PROGRAMS IN CONNECTION WITH THIS WORK AND SHALL ADHERE TO ALL FEDERAL, STATE, LOCAL & O.S.H.A. SAFETY REGULATIONS.
- INSURANCE: LIABILITY INSURANCE SHALL BE MAINTAINED BY THE CONTRACTOR TO PROTECT AGAINST ALL CLAIMS UNDER THE WORKMAN'S COMPENSATION ACTS, DAMAGES DUE TO BODILY INJURY INCLUDING DEATH, AND FOR ANY PROPERTY DAMAGES ARISING OUT OF OR RESULTING FROM THE CONTRACTOR'S OPERATIONS UNDER THE CONTRACT. THIS INSURANCE SHALL BE FOR LIABILITY LIMITS SATISFACTORY TO THE OWNER. THE OWNER HAS THE RIGHT TO REQUIRE CONTRACTUAL LIABILITY INSURANCE APPLICABLE TO THE CONTRACTOR'S OBLIGATIONS. CERTIFICATES OF SUCH INSURANCE SHALL BE FILED WITH THE OWNER PRIOR TO THE COMMENCEMENT OF WORK.
- CLEANING UP: THE CONTRACTOR SHALL KEEP THE PREMISES AND SITE FREE FROM ACCUMULATION OF WASTE MATERIALS DURING CONSTRUCTION BY PERIODIC CLEAN UP AND OFF-SITE DEBRIS REMOVAL. FINAL CLEANUP AND DEBRIS DISPOSITION SHALL BE TO THE SATISFACTION OF THE OWNER.
- ALL NOTES, DIMENSIONS, ETC. INDICATE NEW MATERIALS OR CONSTRUCTION.
- SHOP DRAWINGS: PRIOR TO FABRICATION, THE CONTRACTOR SHALL SUBMIT FOR APPROVAL SHOP DRAWINGS FOR ALL STRUCTURAL STEEL, REINFORCING STEEL, GLUE LAMINATED BEAMS AND PREFABRICATED TRUSSES, WINDOWS & DOORS, FINISH CARPENTRY. SHOP DRAWINGS ARE NOT CHANGE ORDERS, BUT RATHER SERVE TO DEMONSTRATE TO THE ENGINEER THAT THE CONTRACTOR UNDERSTANDS THE REQUIREMENTS & DESIGN CONCEPTS OF THE PLAN, DETAILS & SPECIFICATIONS.
- CONSTRUCTION BRACING & SHORING: THE CONTRACTOR SHALL BE SOLELY RESPONSIBLE FOR ALL BRACING AND SHORING REQUIRED DURING CONSTRUCTION UNTIL ALL CONSTRUCTION IS COMPLETE.
- TECHNICAL SPECIFICATIONS: ALL TECHNICAL SPECIFICATIONS REFERRED TO IN THESE DRAWINGS ARE BY THIS REFERENCE PART OF THE CONSTRUCTION DOCUMENTS.

## PROJECT NOTES

- BUILDING CODES: ALL CONSTRUCTION SHALL MEET THE REQUIREMENTS OF THE 2013 EDITION OF THE CALIFORNIA BUILDING, RESIDENTIAL, GREEN BUILDING, PLUMBING, MECHANICAL, ELECTRICAL, FIRE, CURRENT ENERGY CODES AND ANY AMENDMENTS OF THE PRESIDING CITY OR COUNTY.
- TREE PROTECTION SHALL BE ERECTED AND MAINTAINED THROUGHOUT PROJECT BY CITY FORESTER.
- PROTECT ALL TREES DURING CONSTRUCTION.
- MINIMUM CONCRETE COMPRESSIVE STRENGTH AT 28 DAYS SHALL BE 2,500 PSI.
- ALL REINFORCING STEEL SHALL CONFORM TO THE A.S.T.M. A-615 GRADE 60 UNLESS OTHERWISE NOTED ON PLANS. DEFORMATIONS SHALL BE IN ACCORDANCE WITH A.S.T.M. A-305. WELDED WIRE FABRIC: WELDED WIRE FABRIC SHALL CONFORM TO A.S.T.M. A-185.
- LUMBER SPECIES AND GRADES SHALL CONFORM TO THE FOLLOWING U.O.N.: MAXIMUM MOISTURE CONTENT OF LUMBER SHALL BE 19%. ALL DOUGLAS FIR LUMBER WHICH IS EXPOSED TO WEATHER SHALL BE PRESSURE TREATED. ALL GRADING SHALL CONFORM TO THE RULES AND REGULATIONS OF THE W.W.P., R.A. & A.P.A. PLYWOOD SHALL BE D.F. CONFORMING TO THE U.S. PRODUCT STANDARDS PS 1-74 WITH EXTERIOR GLUE, GRADE STAMPED A.P.A. SEE FRAMING PLANS FOR ADDITIONAL REQUIREMENTS.
- WALL CONSTRUCTION SHALL COMPLY WITH 2013 CALIFORNIA RESIDENTIAL CODE.
- NAILING TO BE IN COMPLIANCE WITH CBC TABLE 2304.9.1.
- ALL MANUFACTURER'S INSTALLATION GUIDES TO BE PROVIDED TO INSPECTOR AT TIME OF FIELD INSPECTION.

## PLUMBING AND ELECTRICAL NOTES

- ALL SHOWER HEADS SHALL HAVE A MAX. FLOW RATE OF 2.0 GPM.
- ALL BATHROOM FAUCETS SHALL HAVE MAXIMUM 1.5 GPM AND KITCHEN FAUCETS SHALL HAVE MAXIMUM 1.8 GPM FLOW RATE.
- ALL TOILETS SHALL BE HIGH EFFICIENCY TOILETS WITH A MAXIMUM FLUSH CAPACITY OF 1.28 GAL.
- ALL KITCHEN AND BATHROOM ELECTRICAL OUTLETS SHALL HAVE GFCI PROTECTION.
- PROVIDE TWO SMALL APPLIANCE BRANCH CIRCUITS FOR THE KITCHEN LIMITED TO SUPPLYING WALL AND COUNTER SPACE OUTLETS.
- PROVIDE SEPARATE BRANCH CIRCUITS AT EACH BEDROOM WITH THE REQUIRED ARC-FAULT CIRCUIT INTERRUPTERS.
- PROVIDE HARD WIRED SMOKE DETECTORS WITH BATTERY BACKUP IN EACH BEDROOM, HALLWAY & WHERE INDICATED.
- SMOKE DETECTORS SHALL BE INTER-CONNECTED TO SOUND AN ALARM AUDIBLE IN ALL BEDROOMS.
- USE FIBERGLASS OR CEMENT BASED BACKER BOARD AT SINK AND TILE LOCATIONS.
- INCANDESCENT LIGHTING FIXTURES RECESSED INTO INSULATED CEILINGS SHALL BE I.C. RATED BY UL OR OTHER APPROVED AGENCY.

## FIRE SAFETY REQUIREMENTS

- SMOKE ALARMS - (SINGLE FAMILY DWELLING) - WHERE A HOUSEHOLD FIRE WARNING SYSTEM OR COMBINATION FIRE/BURGLER ALARM SYSTEM IS INSTALLED IN LIEU OF SINGLE-STATION SMOKE ALARMS REQUIRED BY THE UBC - THE ALARM PANEL SHALL BE REQUIRED TO BE PLACARDED AS PERMANENT BUILDING EQUIPMENT.
- AN APPROVED CARBON MONOXIDE DETECTOR SHALL BE INSTALLED ON EACH LEVEL OF RESIDENTIAL OCCUPANCIES WITH A FOSSIL FUEL SOURCE AND IN EACH LEVEL OF A RESIDENTIAL UNIT WITH AN ATTACHED GARAGE.

**EROSION CONTROL PLAN**  
1" = 20'

**EROSION CONTROL NOTES**

- THE CONTRACTOR SHALL TAKE ALL NECESSARY MEASURES TO PREVENT AIRBORNE DUST FROM BECOMING A NUISANCE TO NEIGHBORING PROPERTIES. THE CONTRACTOR SHALL CONFORM TO THE STANDARDS FOR DUST-CONTROL AS ESTABLISHED BY THE AIR QUALITY MAINTENANCE DISTRICT. DUST CONTROL MEASURES TO BE IMPLEMENTED INCLUDE BUT ARE NOT LIMITED TO THE FOLLOWING:
  - PROVIDE EQUIPMENT AND MANPOWER REQUIRED FOR WATERING ALL EXPOSED OR DISTURBED EARTH. SUFFICIENT WATERING TO CONTROL DUST IS REQUIRED AT ALL TIMES.
  - COVER STOCKPILES OF DEBRIS, SOIL OR OTHER MATERIALS WHICH MAY CONTRIBUTE TO AIRBORNE DUST.
  - KEEP CONSTRUCTION AREAS AND ADJACENT STREET FREE OF MUD AND DUST.
  - LANDSCAPE, SEED, OR COVER PORTIONS OF THE SITE AS SOON AS CONSTRUCTION IS COMPLETE. THE CONTRACTOR SHALL ASSUME LIABILITY FOR CLAIMS RELATED TO WIND BLOWN MATERIAL. IF THE DUST CONTROL IS INADEQUATE AS DETERMINED BY THE CITY, THE CONSTRUCTION WORK SHALL BE TERMINATED UNTIL CORRECTIVE MEASURES ARE TAKEN.
- THE CONTRACTOR SHALL TAKE ALL NECESSARY MEASURES TO KEEP STREETS AND ROADS FREE FROM DIRT AND DEBRIS. SHOULD ANY DIRT OR DEBRIS BE DEPOSITED IN THE PUBLIC RIGHT-OF-WAY, THE CONTRACTOR SHALL REMOVE IT IMMEDIATELY.
- ALL CUT AND FILL SLOPES EXPOSED DURING CONSTRUCTION SHALL BE COVERED, SEEDING OR OTHERWISE TREATED TO CONTROL EROSION WITHIN 48 HOURS AFTER GRADING. CONTRACTOR SHALL RE-VEGETATE SLOPES AND ALL DISTURBED AREAS THROUGH AN APPROVED PROCESS AS DETERMINED BY THE CITY. THIS MAY CONSIST OF EFFECTIVE PLANTING OF RYE GRASS, BARLEY OR SOME OTHER FAST GERMINATING SEED.
- DURING WINTER OPERATIONS (BETWEEN OCTOBER 15 AND APRIL 15), THE FOLLOWING MEASURES MUST BE TAKEN:
  - VEGETATION REMOVAL SHALL NOT PRECEDE SUBSEQUENT GRADING OR CONSTRUCTION ACTIVITIES BY MORE THAN 15 DAYS. DURING THIS PERIOD, EROSION AND SEDIMENT CONTROL MEASURES SHALL BE IN PLACE. DISTURBED SURFACES NOT INVOLVED IN THE IMMEDIATE OPERATIONS MUST BE PROTECTED BY MULCHING AND/OR OTHER EFFECTIVE MEANS OF SOIL PROTECTION.
  - ALL ROADS AND DRIVEWAYS SHALL HAVE DRAINAGE FACILITIES SUFFICIENT TO PREVENT EROSION ON OR ADJACENT TO THE ROADWAY OR THE DOWNHILL PROPERTIES.
  - RUN-OFF FROM THE SITE SHALL BE DETAINED OR FILTERED BY BERMS, VEGETATED FILTER STRIPS AND/OR CATCH BASINS TO PREVENT THE ESCAPE OF SEDIMENT FROM THE DISTURBED AREA OR SITE. THESE DRAINAGE CONTROL MEASURES MUST BE MAINTAINED BY THE CONTRACTOR AS NECESSARY TO ACHIEVE THEIR PURPOSE THROUGHOUT THE LIFE OF THE PROJECT.
  - EROSION AND SEDIMENT CONTROL MEASURES SHALL BE MAINTAINED AND IN PLACE AT THE END OF EACH DAY AND CONTINUOUSLY CHECKED THROUGHOUT THE LIFE OF THE PROJECT DURING WINTER OPERATIONS. (GRADING/EROSION ORD. 2806-16.12.090)
  - THE GRADING INSPECTOR MAY STOP OPERATIONS DURING PERIODS OF INCLEMENT WEATHER IF EROSION PROBLEMS ARE NOT BEING CONTROLLED ADEQUATELY.
- IF VEGETATION REMOVAL TAKES PLACE PRIOR TO A GRADING OPERATION AND THE ACTUAL GRADING DOES NOT BEGIN WITHIN 30 DAYS FROM THE DATE OF REMOVAL, THEN THAT AREA SHALL BE PLANTED UNDER THE PROVISION OF SECTION 16.08.340 TO CONTROL EROSION. NO VEGETATION REMOVAL OR GRADING WILL BE ALLOWED WHICH WILL RESULT IN SILTATION OF WATER COURSES OR UNCONTROLLABLE EROSION.
- ALL POLLUTANTS AND THEIR SOURCES, INCLUDING SOURCES OF SEDIMENT ASSOCIATED WITH CONSTRUCTION, CONSTRUCTION SITE EROSION AND ALL OTHER ACTIVITIES ASSOCIATED WITH CONSTRUCTION ACTIVITY ARE CONTROLLED.
- ALL NON-STORM WATER DISCHARGES ARE IDENTIFIED AND EITHER ELIMINATED, CONTROLLED, OR TREATED.
- SITE BMP'S ARE TO BE EFFECTIVE AND RESULT IN THE REDUCTION OR ELIMINATION OF POLLUTANTS IN STORM WATER DISCHARGES AND AUTHORIZED NON-STORM WATER DISCHARGES FROM CONSTRUCTION ACTIVITY.
- STABILIZATION BMP'S INSTALLED TO REDUCE OR ELIMINATE POLLUTANTS AFTER CONSTRUCTION IS COMPLETED.
- BEST MANAGEMENT PRACTICES (BMP'S) TO BE IMPLEMENTED BY THE PROJECT ARE LISTED BY CATEGORY, FACT SHEETS, AND DETAILS FOR THE BMP'S SELECTED FOR THIS PROJECT, CAN BE FOUND IN THE CASQA STORMWATER BEST MANAGEMENT PRACTICE HANDBOOK.

**STORMWATER MANAGEMENT**

- THE FOLLOWING STANDARD BMP'S SHALL BE IMPLEMENTED IN ACCORDANCE WITH THE MONTEREY REGIONAL STORMWATER MANAGEMENT PROGRAM:
- PAINTING:**
- MINIMIZE USE OF OIL-BASED PAINTS
  - STORE SOLVENTS AND PAINTS IN ORIGINAL CONTAINERS OR OTHER FIRE MARSHAL APPROVED CONTAINER.
  - SPENT SOLVENTS ARE HAZARDOUS WASTES. STORE SPENT SOLVENTS IN APPROVED CONTAINERS. REUSE SOLVENTS AS MUCH AS POSSIBLE AND USE PAINTS AS MUCH AS POSSIBLE RATHER THAN DISPOSING OF THEM. DISPOSE OF SPENT SOLVENTS AND UNUSABLE PAINTS AS A HAZARDOUS WASTE.
  - NEVER CLEAN PAINT EQUIPMENT WHERE SOLVENTS, PAINT OR CONTAMINATED RINSE WATER CAN ENTER THE STORM DRAIN SYSTEM.
- PLASTERING/STUCCO/TILING/SITE-MIXED CONCRETE:**
- STORE PLASTER AND CEMENT IN COVERED AREAS AND KEEP THEM OUT OF THE WIND.
  - CONSERVE MATERIALS. DON'T MIX MORE PRODUCT THAN CAN BE USED BEFORE IT HARDENS.
  - IF THERE IS LEFT OVER PRODUCT, PLACE THE EXCESS IN AN EARTHEN DEPRESSION. LET THE PRODUCT CURE AND DISPOSE OF AS REGULAR REFUSE.
  - ALL RINSE WATER IS TO BE PLACED IN AN EARTHEN DEPRESSION CAPABLE OF HOLDING THE RINSE WATER AS WELL AS ANY RAIN WATER THAT WOULD FALL/RUN INTO THE DEPRESSION.
- READY-MIXED CONCRETE:**
- HAVE AN EARTHEN DEPRESSION DUG PRIOR TO THE ARRIVAL OF THE READY-MIX TRUCK.
  - IF A PUMP IS USED, PLACE THE ENTIRE PUMP PRIMING FLUID AND REJECT CONCRETE IN THE DEPRESSION.
  - PLACE ALL SPILLED CONCRETE AND CHUTE WASH WATER IN THE DEPRESSION.
  - ALL TRUCK AND PUMP RINSE WATER IS TO BE TAKEN BACK TO THE READY-MIX BATCH PLANT FOR TREATMENT/RECYCLING.
  - BEFORE CREATING AN EXPOSED AGGREGATE FINISH, CAREFULLY PLAN AND PREPARE TO PREVENT THE SLURRY THAT IS WASHED OFF FROM ENTERING THE STORM DRAIN SYSTEM AND GUTTERS.
- EARTH MOVING/GRADING:**
- REMOVE EXISTING VEGETATION ONLY WHEN NECESSARY.
  - PLANT TEMPORARY VEGETATION WHEN SLOPE HAVE BEEN DISTURBED BUT CONSTRUCTION IS STILL ONGOING DURING PERIODS OF RAIN
  - PROTECT DOWN SLOPE DRAINAGE COURSES BY RECOGNIZED METHODS SUCH AS THOSE IN THE CASQA HANDBOOK.
  - USE CHECK DAMS OR DITCHES TO DIVERT WATER AROUND EXCAVATIONS.
  - COVER STOCKPILES OF EXCAVATED SOIL WITH TARPS.
  - SCHEDULE GRADING ACTIVITIES DURING DRY PERIODS.
- REFER TO THE CASQA BMP HANDBOOK FOR BMP FACT SHEETS.

**NOTE:**  
CONTRACTORS STAGING AREA DESIGNATED FOR FOLLOWING STORM WATER BEST MANAGEMENT PRACTICES: SCHEDULING, WATER CONSERVATION PRACTICES, VEHICLE & EQUIPMENT CLEANING, VEHICLE & EQUIPMENT MAINTENANCE, MATERIAL DELIVERY & STORAGE, STOCKPILE MANAGEMENT, SPILL PREVENTION & CONTROL, SOLID WASTE MANAGEMENT, HAZARDOUS WASTE MANAGEMENT, CONCRETE WASTE MANAGEMENT, SANITARY WASTE MANAGEMENT.

**NOTES**

- GENERAL**
- This drawing is conceptual and diagrammatic and does not constitute a complete plan. Installer to supply and install all materials shown on this plan and all others needed to complete this hydronic system. Also, provide any incidental work not shown or specified, which can be reasonable inferred as belonging to the work necessary to provide the complete system.
  - Only qualified Plumbing or Heating technician shall install the heating system.
  - Refer to all manufacturers guidelines pertaining to the installation, protection and maintenance of the hot water source.
- COMPONENTS**
- System shall be tested for 30 min. At 100 psi
  - Verify with local authority having jurisdiction for backflow prevention requirements.
  - Provide pressure relief with direct piping to approved location.
  - Where applicable, swing check valves shall be mounted in an upright position.
  - Where applicable, provide a minimum of 8 pipe diameters of straight pipe upstream of all spring check valves.
  - Condensate removal per UMC and local codes. Optional FM heat riser or if required by local authorities can be made up of lime crystals, marble or phosphate chips that will neutralize the condensate. Never drain condensate that has not been neutralized to cast iron waste piping. Florida condensate pump kit PIN 554200 available from Heat Transfer Products where condensate cannot be drained by gravity with proper slope.
  - Recommend optional TACO On Command System circulation pump with remote sensor capability. Coordinate with plumbing contractor and size based on plumbing design.
  - Verify tank size per plumbing design. WH-18 sized for 8.5 acceptance gallons at 140 gallons of system volume (including tank), 150F max temperature and max 20ft system piping above inlet to tank. See flexcon.com for sizing different than these parameters.
  - Anti-scaud thermostatic mixing valve set to 115F shall be used. Mount mixing valve no higher than 8" above hot water outlet.
- PRIMARY/SECONDARY PIPING**
- See tubing layout for manifold locations. Unless noted, all branches to manifolds shall be 3/4".
  - Secondary piping in a primary/secondary system shall have been plumbed 4 pipe diameters center to center, and shall have a minimum of 8 pipe diameters of straight pipe upstream of first tee.
  - Where not shown, provide ball valves and hose bibs for isolation and purging of primary and/or secondary piping. A purging valve may be used as a substitute for a ball valve/hose bib combination.
  - Unless practicality does not permit, all secondary piping shall be plumbed such that the risers go down from an overhead primary circuit.
- SUBSTITUTIONS**
- Installer shall obtain authorization from the owner and design team for "Or Equal" substitutions on heating system components "Or equal" substitutions constitute components that are of equal quality and workmanship to those specified. Where possible components shall be of a single manufacturer and shall have approved ratings of all applicable agencies (UL, IAPMO, ASME, etc.). Boiler substitutions shall be of the modulating condensing type with direct vent combustion and minimum efficiencies and outputs of that specified.
- Approved Manufacturer Substitutions:  
 Manifolds - Shall be compatible with approved PEX and/or PEX-AL-PEX Systems.  
 Pumps - Grundfos, B&G, Laing, Wilo  
 Expansion Tanks - Amtrol, Ebi, Flexcon  
 Components (Valves, etc.) - Watts, Niloco, Caleffi
- AIR FOR COMBUSTION AND GAS LINES**
- See venting sheet for venting requirements.
  - All routing of gas line piping shall be based on the Chapter 7 of the 2013 California Plumbing Code and Chapter 13 of the 2013 California Mechanical Code. Piping shall be new, standard weight wrought iron or steel (exterior only galvanized or black), with malleable iron fittings. Approved PE (Polyethylene) pipe may be used in exterior buried piping systems.

- CONTROLS**
- Outdoor reset (if used) and DHW temperature control per Versa-Hydro control system. Refer to Versa-Hydro design manual for wiring.
  - Control systems shall be complete, tested and fully operational prior to system balancing.
  - Thermostats shall be programmable setback type, low voltage hard wire with battery backup and min 5 day programmable, 2 time period function. For installations with six or more thermostats, communicating type thermostats such as Telemart4 are recommended.
  - Outdoor sensors should be placed in free air away from direct sunlight or other heat sources (preferably the north side of the building).
  - Indoor air sensors shall be placed at approximately the 5' level on an interior wall out of direct sunlight unless otherwise specified by the manufacturer.
  - For battery powered Thermostats 3rd wire (common) is not used.
  - Ground Wires not shown for clarity. Ground all circuits per NEC and local code. Refer to manufactures wiring guides.
  - Telestats shall be 24 V actuated compatible with approved manifolds. End switch wires (2) on 4-wire telestats typically not used, typ.
- SEQUENCE OF OPERATION**
- A call for heating from any thermostat to the ZVC control shall open the matched zone valve, telestats or group of telestats via the ZVC zone controller.
  - The master ZVC controller engages the variable speed pump P-2 when there is a call for heat. P-2 delivers flow to the system based on temperature drop at sensors S1 and S2. P-2 shall be set to 19° F delta T temperature drop.
  - The boiler and switch on the ZVC controller shall activate Versa-Hydro internal sequence control. See Versa-Hydro controls installation manual for a detailed sequence of operation. Leaking water stoppins and optional outdoor reset control shall be programmed based on radiant system design temperatures in the Detail Design Summary.

## COMPUTING TOTAL COMBINED VENT LENGTH

### NOTES:

- ALL MAXIMUM VENTING LENGTHS INCLUDE INTAKE PIPE, EXHAUST PIPE, AND FITTINGS ADDED TOGETHER. MINIMUM COMBINED OPERATION VENT LENGTH REQUIREMENT FOR ANY VERSA-HYDRO IS THE EQUIVALENT OF 6' OF PIPING AND TWO 90° ELBOWS ON INLET AND EXHAUST EACH WAY.
- WHEN INCREASING VENT RUN FROM 3" TO 4", AVOID THE TRANSITION ON A HORIZONTAL RUN TO AVOID CONDENSATE BUILD UP. MAXIMUM ALLOWABLE FITTINGS IN FIRST 10 FEET OF PIPE RUN ON BOTH INTAKE AND EXHAUST FOR 3" SECTIONS IS ONE 90° OR TWO 45° FITTINGS BEFORE ANY INCREASE IN PIPE SIZE. NEVER USE DIFFERENT SIZES FOR INTAKE AND EXHAUST. THE VENT SYSTEM MUST BE BALANCED TO OPERATE PROPERLY.

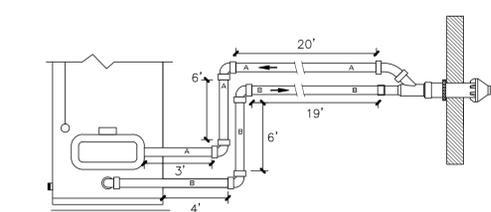

MAXIMUM VENTING LENGTHS ONE WAY, ON EITHER INTAKE OR EXHAUST

6' COMBINED AND TWO 90° FITTINGS MINIMUM IN THIS SECTION

- ONE 3" 90° ELBOW = 5 FEET EQUIVALENT LENGTH
- ONE 3" 90° ELBOW = 3 FEET EQUIVALENT LENGTH
- ONE 4" 90° ELBOW = 3 FEET EQUIVALENT LENGTH
- ONE 4" 90° ELBOW = 1 FOOT EQUIVALENT LENGTH
- ONE CONCENTRIC VENT = 3 FEET EQUIVALENT LENGTH

EXAMPLE: COMPUTING TOTAL COMBINED VENT LENGTH - 3"

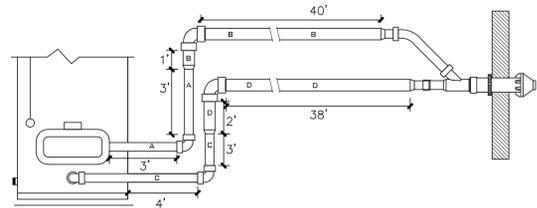

SECTION A  
3'+6'+20'(3" PIPE) + 2X5'(TWO 90°ELBOWS) = 39 EQUIVALENT FEET TOTAL

SECTION B  
4'+6'+19'(3" PIPE) + 2X5'(TWO 90°ELBOWS) = 39 EQUIVALENT FEET TOTAL

ONE 3" V1000 VENT KIT = 3 EQUIVALENT FEET TOTAL

TOTAL EQUIVALENT LENGTH = 81 EQUIVALENT FEET TOTAL

EXAMPLE: COMPUTING TOTAL COMBINED VENT LENGTH - 4"

SECTION A - 3" PIPE  
3'+3'+1X5'(90°ELBOW) = 11 EQUIVALENT FEET TOTAL

SECTION B - 4" PIPE  
1'+40'+1X3'(90°ELBOW) = 44 EQUIVALENT FEET TOTAL

SECTION C - 3" PIPE  
4'+3'+1X5'(90°ELBOW) = 12 EQUIVALENT FEET TOTAL

SECTION D - 4" PIPE  
2'+38'+1X3'(90°ELBOW) = 43 EQUIVALENT FEET TOTAL

ONE 3" V1000 VENT KIT = 3 EQUIVALENT FEET TOTAL

TOTAL EQUIVALENT LENGTH = 93 EQUIVALENT FEET TOTAL

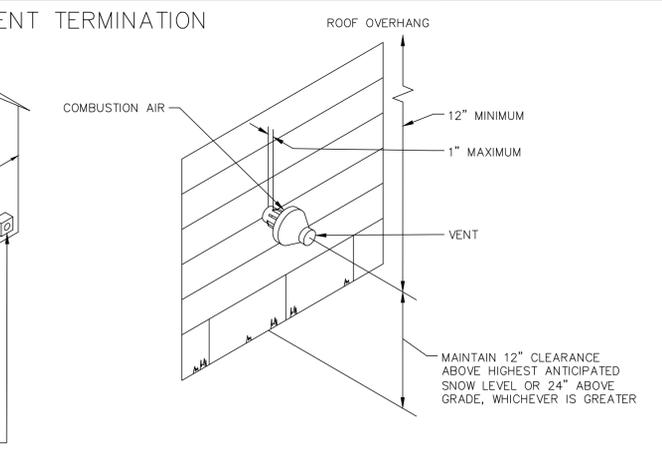

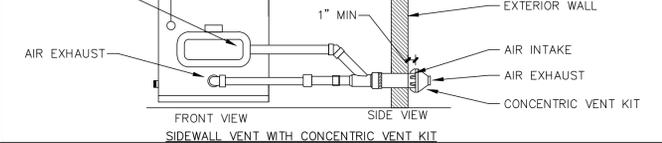

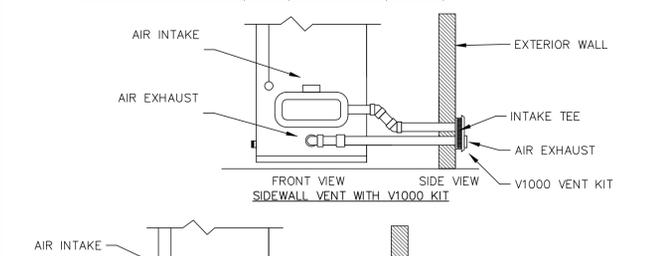

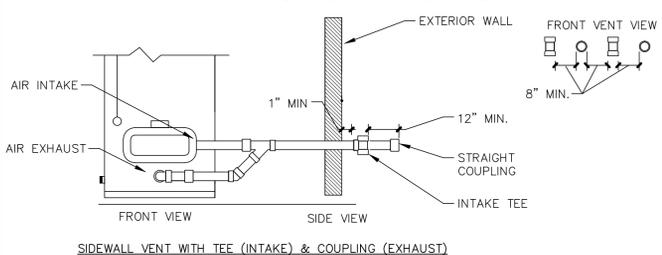

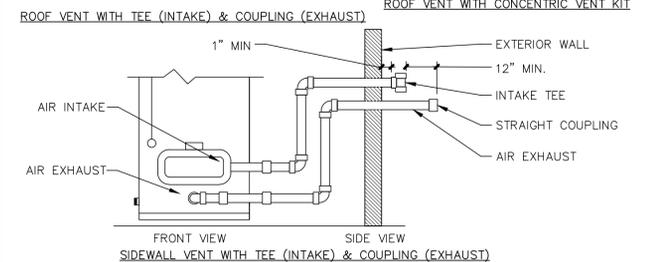

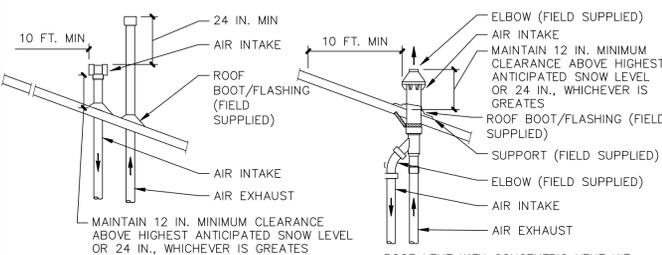

## VENT TERMINATION

### 802.8 Through-the-Wall Vent Termination.

802.8.1 A mechanical draft venting system shall terminate at least three (3) feet (.9 m) above any forced air inlet located within ten (10) feet (3.1 m).

Exception: This provision shall not apply to the combustion-air intake of a direct-vent appliance.

802.8.3 The vent terminal of a direct-vent appliance with an input of 10,000 Btu/h (3 kw) or less shall be located at least six (6) inches (150 mm) from any air opening into a building, and such an appliance with an input over 10,000 Btu/hr (3kw) but not over 50,000 Btu/h (14.7 kw) shall be installed with nine (9) inches (230 mm) vent termination clearance, and an appliance with an input over 50,000 Btu/hr (14.7 kw) shall have at least twelve (12) inches (300 mm) vent termination clearance. The bottom of the vent terminal and the air intake shall be located at least twelve (12) inches (300 mm) above grade.

## VERSA-HYDRO NOTES

### GENERAL NOTE

This sheet is provided as a venting guideline supplement only, to the installation methods of the VERSA-HYDRO product and does not constitute a complete installation guide. Please refer to the "installing, operating and maintaining VERSA-HYDRO high efficiency heater" manual for complete installation guidelines.

### LOCATION

Choose a location for your water heater centralized to the piping system, along with consideration to vent pipe length. As the length of vent pipe increases the firing rate of the appliance decreases. You must also locate the VERSA-HYDRO. Additionally, you will need to place the water heater so that the controls, inlet/outlet, and gas valves are easily accessed. This appliance must not be installed outdoors, as it is certified as an indoor appliance, and must be kept vertical and on a level surface. Also care must be exercised when choosing the location of this appliance, where leakage from the relief valve, leakage from related piping, or leakage from the tank or connections, will not result in damage to the surrounding areas, or to the lower floors to the building. A water heater should always be located in an area with a floor drain or installed in a drain pan suitable for water heaters. Under no circumstances, shall Monterey Energy Group, Inc. be held liable for any such water damage whatsoever.

### INSTALLATION REQUIREMENTS

- Unit must be installed indoors where it will not be exposed to freezing temperatures, along with consideration for electrical, gas connection and venting.
- Support pipe runs per local codes.
- Provide pressure relief valve and condensate removal.
- 120 VAC, 60 Hz, 10 amps electrical connection per manual. #14 AWG with maximum 15 amp breaker. Appliance must be grounded. Check polarity with green LED on main board. A dedicated line on a breaker is strongly recommended.

### GAS SUPPLY

- Verify correct type of gas input on the rating plate.
- Gas supply shall be minimum 7" w.c. and maximum 14" w.c..
- Provide minimum 3/4" diameter gas supply size.
- Provide fabricated drip leg.
- Do not use flex tubing on gas lines.

### VENTING

A. Approved Venting Materials:  
Exhaust Vent in Plastic 3" Pipe Schedule 40 or 80.

- Non Foam Core PVC Pipe
- Non Foam Core CPVC Pipe
- Non Foam Core ABS Pipe

Extending Exhaust Vent in Plastic 4" Pipe Schedule 40 or 80.

- Non Foam Core PVC Pipe
- Non Foam Core CPVC Pipe
- Non Foam Core ABS Pipe

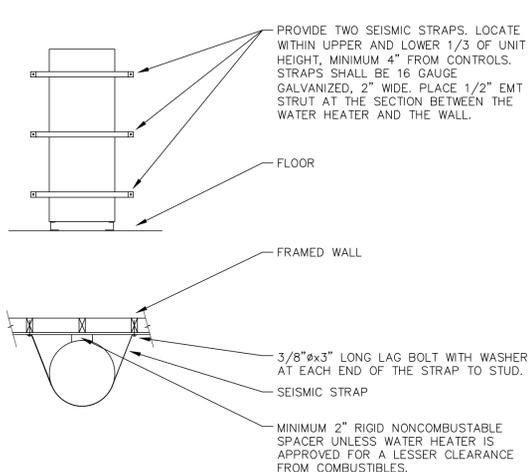

Vent Piping must conform to following:

- PVC Non Foam Core Pipe (Polyvinyl Chloride) to ASTM D-1784 Class 12454-B, Formerly designated Type 1, Grade 1
- CPVC (Chlorinated Polyvinyl Chloride) Class 23447-B, Formerly designated Type IV, Grade 1 conforming to ASTM D-1784
- ABS (AcrylonitrileButadiene-Styrene) Class 3-2-2-2-2 conforming to ASTM D3965

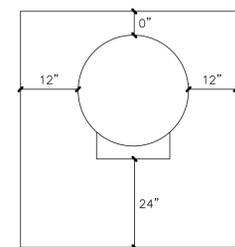

B. Venting the VERSA-HYDRO in 3" Plastic Pipe:

- For inlet air supply, top pipe on the back of the cabinet, use 3" PVC schedule 40. It is very important that you plan the location properly, to eliminate long pipe runs and excessive fittings. Inlet pipe size must not be reduced. Do not combine the inlet air with any other inlet pipe including an inlet to an additional appliance. The joints must be properly cleaned, primed, and cemented. The piping must also be properly supported as per local and national standard plumbing codes. It is important that the piping must be clean and free from burrs, debris, ragged ends, and particles of PVC.

PHE199-119	74"	27"	37"

- For concrete construction or to meet certain fire codes, exhaust and inlet piping at the wall penetration must be CPVC schedule 40 or 80, (only to meet local fire codes). The balance from the penetrated wall may be PVC schedule 40 or 80
- Use the same material as used for exhaust in either 3" or 4" Plastic Pipe Cellular Foam Core Pipe may be used for the inlet only. **Never On Exhaust Piping!**
- Exhaust piping should be sloped back to the connection on the VERSA-HYDRO, at least 1/4" per foot to remove additional condensate that forms within the pipe. The total combined length of pipe (intake piping plus exhaust piping added together) including elbow allowances intake and exhaust (each elbow=5' of pipe) should not exceed 85'. The combined vent length should not be less than a combined length of 6 plus two 90-degree elbows. Choose your vent termination locations carefully. You must additionally make certain that exhaust gas does not re-circulate back into the intake pipe. You must place them in an open area, and follow the following guidelines:

- All combustion (intake) air must be taken from the outside of building and all exhaust gases must be vented to the outside of building.
- Do not combine with other appliances.
- Never vent into a walkway or patio area, or an alley, or otherwise public area less than 7' from the ground.
- Never vent over or under a window or over a doorway where the exhaust plume or condensation liquid will cause obtrusive or dangerous conditions. (Or refer to National Fuel Gas Code, CAN B149)
- Never install a heat saver or similar product to capture waste heat from exhaust.
- Always have vent location at least 1' above maximum snow level.
- Always have vent 1' above ground level, away from shrubs and bushes.
- Follow local gas codes in your region or refer to National Fuel Gas Code, or Can B149
- Always have vent at least 3' from an inside corner of outside walls.
- Maintain at least 4' clearance to electric, gas meters, and exhaust fans or kitchen exhausts.
- Very Important! Inlet air must be taken from outside of building, next to exhaust outlet, no closer than 8" and no farther than 36".
- Always place screens in all openings in intake and exhaust to prevent foreign matter from entering the VERSA-HYDRO.
- The vent intake and exhaust must be properly cleaned and glued, for pressure tight joints. See diagrams on this sheet as a guideline and refer to the installation manual: certain site conditions such as multiple roof lines/pitches may require venting modifications-consult factory. The air inlet must be a minimum of 12" vertically above the maximum snow level or 24" which ever is greater. **All venting must be properly supported, as the VERSA-HYDRO is not intended to support any venting whatsoever.** All piping, glue, solvents, cleaners, fittings, and components, must conform to ASTM (American Society for Testing and Materials), and ANSI (American National Standard Institute). It is recommended that you use one of the mentioned vent kits specifically for VERSA-HYDRO installations; either KGAVT061CVT (3 in.) or V1000. **Note: When using the KGAVT061CVT remove the 2 screens from the provided inlet tee and install them in the inlet socket and outlet socket (Y tee connections) of the kit prior to installing the schedule 40 pipe and gluing.**

Longer Vent Using a Combination 3" to 4" Pipe:

- The connection of air inlet and exhaust vent at the boiler must remain 3" and each vent must extend from the boiler a minimum of 15 equivalent feet before transitioning to a 4" vent
- The overall extended maximum length of pipe on the inlet exhaust combined, must not exceed 125 equivalent feet.

### CLEANER/ CEMENT

Cement for all venting must be ALL PURPOSE Cement, and must conform to ASTM D-2564 and F-493, and cleaner for the piping and fittings must conform to ASTM F-656. For joining ABS to PVC, You must use transition green cement listed by NSF and IAPMO and exceeds ASTM D-3138 to make solid liquid tight joints and gas tight joints.

ROOF FRAMING NOTES

- ROOF SHEATHING:** Roof sheathing shall be min. 1/2" CDX plywood or OSB sheathing. Use minimum CCX or Exposure 1 plywood at all exposed overhangs U.O.N. on plans. Nail all sheathing with 8d at 6" o.c. all supported edges and 8d at 12" o.c. intermediate bearing. Lay panels with facegrain perpendicular to supports. P.I. 32/16. Keep minimum 1/16" clear between all panel edges. At all shear walls nail roof sheathing to all blocking or rim joist with 8d @ 4" o.c. Provide 1/2" edge distance nailing for all plywood boundary nailing.
- ROOF TRUSSES:** Roof trusses shall be designed for the following loads
 

	D.L.	L.L.
Top Chord	12.0 psf	20.0 psf
Bottom Chord	8.0 psf	10.0 psf

 Truss manufacture shall provide shop drawings and calculations for approval prior to manufacturing trusses. CONTRACTOR shall install and brace trusses as recommended by manufacturer.
- WALLS:** All exterior walls shall be 2 x 6 studs @ 16" o.c. and all interior walls shall be 2 x 4 studs @ 16" o.c. U.O.N. on plans. Studs at exterior and bearing walls shall be D.F. No. 2 or better. Balloon-frame all walls and block all studs at maximum 10' o.c. All plumbing walls that are shear walls or bearing walls shall be 2 x 6 walls. CONTRACTOR shall coordinate plumbing layout with plumbing subcontractor prior to start of framing. Wall framing shall comply with Table 2308.9.1. CONTRACTOR shall obtain permission for drilling or notching studs or double top plates of any shear or bearing wall more than 1/2 of width of wall.
- HEADERS:** All headers shall be 6 x 6 at 2 x 6 walls and 4 x 10 at 2 x 4 walls U.O.N. on plans. Provide 1 - 2 x - trimmer and 1 - 2 x - king stud at all bearing and shear walls U.O.N. on plans.
- POSTS:** All beams shall bear on posts, width, and depth of post to width and depth of beam and wall U.O.N. on plans. Use PC postcaps to connect beams to posts U.O.N. on details or plans. Use EPC postcaps at ends of beams. Posts shall be continuous to foundation.
- DOUBLE TOP PLATES:** CONTRACTOR shall splice double top plates with 20 - 16d U.O.N. on plans. Plates shall be D.F. Larch No. 2 or better
- NAILING:** All nailing shall comply with Table 2304.9.1 of the 2003 C.B.C. All nails shall be common nails, 8d (0.131d), 10d (0.148d), 16d (0.162d), 16d sinkers (0.135D)
- SHEAR WALLS:** All exterior walls shall be sheathed with **TYPE P/1** shear wall U.O.N. on plans. All shear wall sheathing shall be continuous to roof sheathing U.O.N. on plans or details. Provide minimum 4 x ~ post or 2 - 2 x ~ studs at ends of all shear walls for holdowns U.O.N. on plans. At all shear walls, nail roof sheathing to blocking, double top plate, or rim joist with 8d @ 4" o.c.
- LUMBER:** All lumber shall conform to the rules of a recognized grading agency and Tables 4D through 4F of the N.D.S. All Framing Lumber shall be D.F. Larch No. 2 or better U.O.N. on plans. Beams shall be D.F. Larch No. 1 or better. GLB's shall have a combination symbol of 24F-V4 DF/DF. Parallam beams shall be 2.2E Parallam PSL. Microlam beams shall be 1.9E Microlam LVL. Headers and posts shall be D.F. Larch No. 2 or better. For studs see Note 3. All lumber exposed to the weather shall be pressure-treated. All framing shall have a **MAXIMUM MOISTURE CONTENT OF 19%** at time of installation or incorporating the lumber into the structure.
- ROOF FRAMING:** Roof framing and plywood sheathing shall be continuous to all shear or bearing walls at all lower roofs
- SKYLIGHTS:** Provide 2 - 2 x 6 blocks on each side of all skylights. Nail continuous CS18 straps to blocks with 5 - 8d nails into each block. Keep nails minimum 4" clear from the ends of blocks to avoid splitting
- SHORING:** All required shoring shall be the sole responsibility of the CONTRACTOR. The CONTRACTOR shall provide all necessary bracing as required until all work is complete.

FOUNDATION NOTES

- FOUNDATION:** Foundation design is based on recommendations of Soils Report by:
 

Grice Engineering, Inc.  
561 A Brunken Avenue  
Salinas, CA. 93940  
Tel. (831) 375 - 1198 Fax (831) 422 - 1896

 Soils Report shall become part of specifications and CONTRACTOR shall adhere to all requirements of Soils Report. See specifications in "Soils Report" for site preparations, grading and compactions at all building pads and paved areas. CONTRACTOR shall not lay any reinforcing or pour any concrete until all grading, site preparations and footing excavations have been inspected and approved by the "Soils Engineer". All footings shall bear on engineered compacted fill as specified in Soils Report.
- CONCRETE STRENGTH:** All concrete shall develop an ultimate compressive strength at age 28 days as follows:
 

FOOTINGS	2500 psi
SLAB ON GRADE	2500 psi
- REINFORCING:** All reinforcing shall conform to A.S.T.M. Grade 40.
- BOLTS:** All bolts shall conform to A.S.T.M. A307. The threaded portion of the bolt bearing on wood shall be kept to a minimum. Do not use All-Thread rods for bolts which bear on wood. All fasteners embedded in concrete shall be attached to or hooked around reinforcing steel.
- SILL PLATES:** All sill plates shall be bolted to foundation with 5/8" o x 10" A.B.'s at 48" o.c. Embed bolts minimum of 7" into concrete or grout. This spacing is typical U.O.N. on Foundation Plan or details. Provide 3" x 3" x 0.229" washers at all A.B.'s. Install washers parallel and perpendicular to sill plates. Provide minimum of two bolts per plate and one bolt within 4" to 12" from the end of all plates. All sill plates shall be 2 x ~ P.T. D.F. No. 2 or better U.O.N. or detailed on plans. All steel as A.B.'s washers and nails and framing hardware such as hangers, post caps and post bases, in contact with pressure-treated lumber shall be stainless steel or **HOT DIP GALVANIZED** with minimum coating of G90, 0.90 oz. per sq. ft.
- HOLDOWNS:** Location of holdowns shown is approximate. See plans and details to determine exact location of holddown anchor bolt. Provide minimum 2 - 2 x ~ studs or 4 x ~ post at the end of each shear wall for bolting holddown to shear wall unless otherwise specified on plans. Provide shear wall edge nailing into each stud bolted to holddown and two rows edge nailing into 4 x ~ posts. Holddown devices shall be secured in place prior to foundation inspection. Holddown devices shall be re-tightened just prior to covering the wall framing.
- CONCRETE SLAB ON GRADE:** Concrete slab on grade shall be minimum 4" thick, over 2" sand, over vapor barrier, over 4" gravel base. Slope to drains. See plans where occurs. Vapor barrier shall be minimum 15 mil Moistop by "Fortifiber Corporation" or equal. Reinforce slab with #4 bars at 24" o.c. each way placed at center of slab.

### LANDSCAPE SCOPE FOR DESIGN:

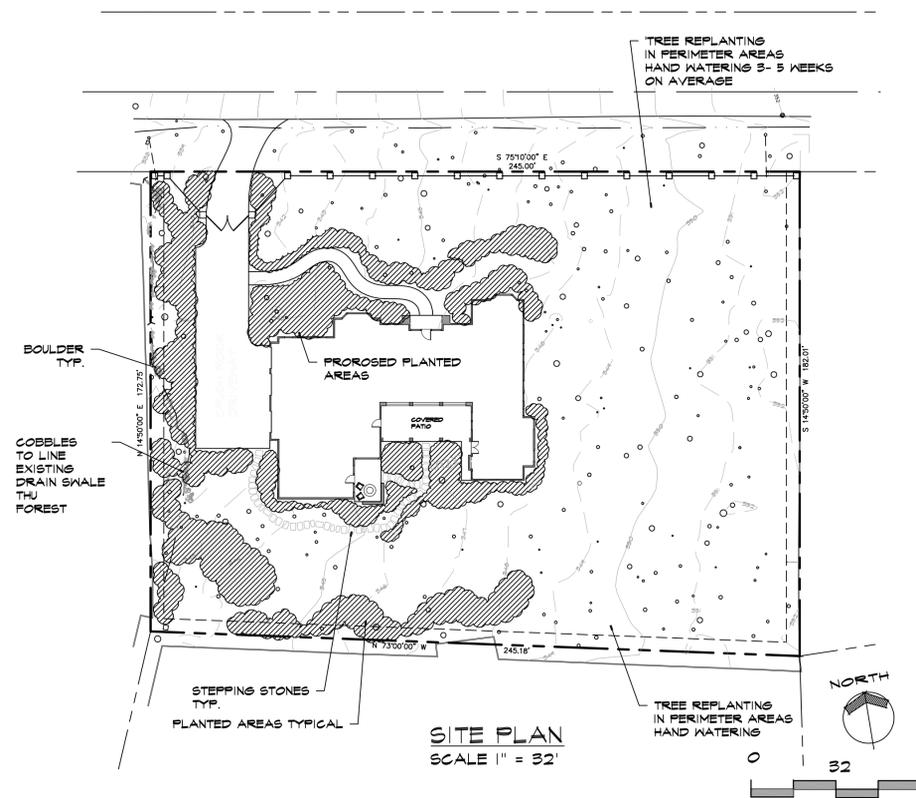

- THESE PLANS HAVE BEEN PREPARED IN CONJUNCTION WITH ARCHITECTURAL PLANS FOR THIS PROPERTY TO REVIEW THE LANDSCAPE LAYOUT, DWELLING FIRE PROTECTION, LANDSCAPE PROPOSED MONTHLY AND YEARLY WATER USE. AS WELL THE WATER DELIVERY ZONES IN THE GARDEN HAVE BEEN DELINEATED AS WELL AS SUGGESTED PLANT SPECIES FOR THE OVERALL PLANT PALETTE. PLANTING LAYOUT FOR THE SITE AND AROUND THE BUILDING, IRRIGATION AND LANDSCAPE COMPLETES THE PROPERTY LANDSCAPE PLANS
- LANDSCAPE IRRIGATION PLAN. EFFICIENT DELIVERY ZONES ESSENTIALLY THE WATER ADAGE NEEDS TO BE AWARE OF WATERING FREQUENCY:
  - REGULAR WATERING = WEEKLY OR EVERY 3-4 DAYS IN VERY HOT OR WINDY CONATIONS
  - MODERATE WATERING = 10-14 DAYS DEPENDING ON CLIMATE CONDITIONS
  - OCCASIONAL WATERING = EVERY 3-4 WEEKS
  - INFREQUENT WATER = DEEP WATER EVERY 4-6 WEEKS IN SUMMER / DRY PERIODS
- OF COURSE WATERING SCHEDULES THROUGH THE YEAR ARE DEPENDENT UPON A RANGE OF FACTORS INCLUDING AGE OF PLANTING, SOIL TYPE, MICROCLIMATE, EXPOSURE AND OF COURSE WEATHER. NEW PLANTINGS REQUIRE THE OBVIOUS - MORE WATER EARLY ON THAN WHEN THESE PLANTS ARE ESTABLISHED IN THE PLANTING BED.
- LANDSCAPE PLANTING FOR THE PROPERTY. PLANT SPECIES, SIZE CONTAINERS AND MASSING LOCATIONS. ALL PLANTS ARE TO SUGGESTED FOR THE APPROPRIATE LOCATION, USE AND WATER NEEDS. ADDITIONALLY TOPSOIL SPECIFICATIONS AND ETC.
- PLANTINGS HAVE BEEN IDENTIFIED AS TO THEIR HYDROZONE. THE SENSIBLE BUT MORE WATER ALLOCATIONS ARE CLOSER TO THE BUILDING & 'PEOPLE SPACES.'

ZONE PLANTING: ALSO REFERED TO AS HYDRO-ZONE; A CORRELATION TO THE AMOUNT OF POTENTIAL WATER USED. THIS IS EXPANDED IN THE MAWA CALCULATIONS ON SHEET L-3.

**ZONE #1:** THIS ZONE OCCUPIES AND IS CONFINED TO THE OUTDOOR LIVING AREA NEAREST THE HOUSE STRUCTURE. PLANTING IN THESE AREA ARE CLIMATE SENSITIVE TO A MEDITERRANEAN LATITUDES AND INCORPORATES MANY NATIVE PLANTS DRAWN FROM A CALIFORNIA FLORA. PERMANENT BOUNDARIES SUCH AS WALKWAYS, LOW STONE WALLS & ROCKS DEFINE THESE PLANTINGS FROM THE TRANSITION ZONE AND NATIVE HABITAT ZONE. THE MOST ORNAMENTAL PLANTS ARE CONTROLLED IN RAISED & ENCLOSED PLANTERS CLOSEST TO THE HOUSE. NO EXOTIC SPECIES CAPABLE OF NATURALIZING INTO THE SURROUNDING AREA ARE ON THIS PLANTING PALETTE.

**ZONE #2:** PLANTING IN THIS ZONE IS MADE-UP OF HORTICULTURAL COMPATIBLE LATITUDES AND NATIVE CALIFORNIA FLORA. WATER SAVING (DROUGHT RESISTANT) PLANTS ARE USED.

**ZONE #3:** NATIVE HABITAT AND PLANTINGS. SEVENTY (70 FEET) FROM THE STRUCTURE IS BORDERED BY THE PERIMETER FENCES AT THE PROPERTY EDGE ON THIS (2) TWO ACRE SITE. TO ASSURE THE BEST OUTCOME A TWO-YEAR OVERSIGHT MAINTENANCE PLANT PROGRAM IS PROPOSED. PROCEDURAL METHODOLOGY AND TIMING WILL BE SPELLED OUT IN THE WORKING DOCUMENT LANDSCAPE DESIGN SET.

### Landscape Design Statement:

I Scott Hall, a registered California Landscape Architect (#3405), certify that these landscape Planting and Irrigation Plans comply with all Monterey County and Local Coastal Plan conditions for approval and intent thereof.

The Planting Plans include the use of Native California Water Saving ("drought tolerant") plant species and do not include non-native or invasive plant species. No Lawn is used on the property.

The responsible and appropriate Water Saving plant species selected here is reflected in the Irrigation use of a LOW FLOW water saving Irrigation delivery system. The water conserving system is primarily Drip type irrigation. No Irrigation is designed around the existing Oak & Pine Trees.

Scott Hall, registered California Landscape Architect #3405

### FUEL MANAGEMENT Proposed Management Plan

This Fire / Fuel Management Plan shows how the defensible space has been thought out against spread of fire from the Dwelling. Existing Landscape & the proposed Landscape Planting points up how vegetation around proposed structures, driveway, paths and open space will be maintained to reduce fire fuel loads.

1. Roofing material is the single most important item in fire safety. Landscaping is second. Any plant and any building can burn given the conditions. However a properly designed and maintained landscape will reduce the hazard of fire. Landscape items which are reviewed here and exemplified in the planting plan are:

- Minimize or eliminate highly flammable plants
- Reduce chances for a "Fire Ladder"
- Create a fuel break around your home
- Space new trees and prune and thin old wood on existing trees
- Consider slope, aspect and typical wind direction

2. Existing Natural vegetation shows the methodology for retaining and reducing fuel loads for existing tall grass areas to be converted to low stature Meadow grasses and herbaceous plants & maintained at 18" tall and less that 12".

#### 3. 30 FOOT ZONE AROUND THE HOUSE:

This Landscape Zone includes Plantings around the Building, Foundation Plantings. The zone contains trees, shrubs and groundcover's. Plants in this zone shall be the slowest to ignite & should produce the least amount of heat if burned. This Zone shall not include any plants high in oils & resins such as Pines. Thick leathery and succulent leaves are best to consider and have been because of difficulty to ignite. Maintainable in thinning and dead wooding debris is always s an important key to the process.

- Greatest 'Hydro-Zone or Water use around the Building is encouraged. Moisture content in the plant makes it harder to burn
- Walkways using crushed rock and Stepping stones are also used because they are used as a fire break.

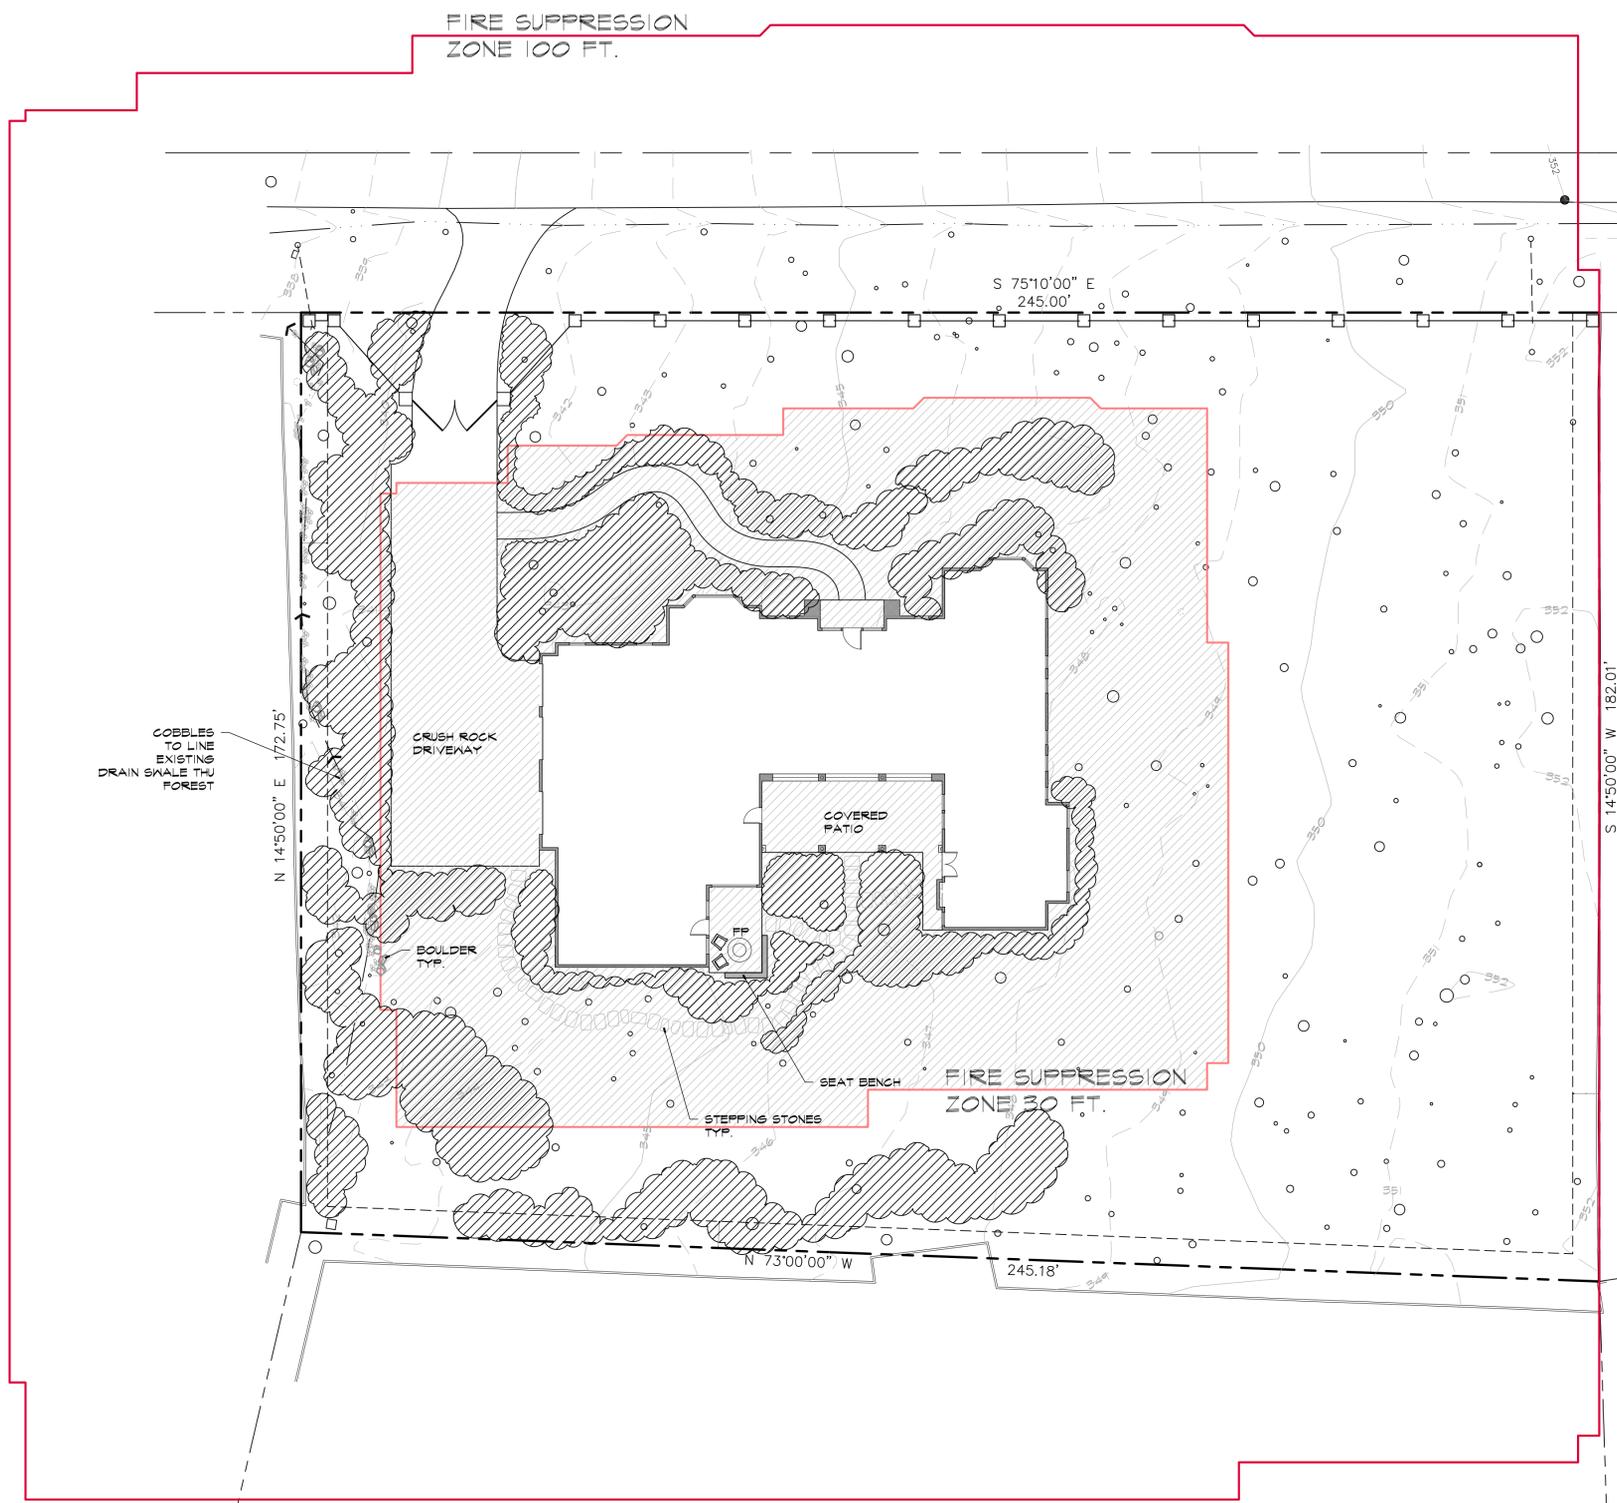

#### 4. MIDDLE HOUSE ZONES 30-70FEET FROM THE HOUSE:

This Landscape Middle Zone transitions between the planted garden and the Open Space of the landscape on the property. Plants in this Mid-Zone will be trimmed and thinned to create well spaced groups within and adjacent to the planted garden to help prevent fire in the outer area or more Wild area. Thinning in this area further reduces any fire approaching a crown type fire. The landscape plan incorporates open spaces with seasonal low growing herbaceous annuals and low stature grasses and bare ground.

#### 5. OUTER ZONE 70-FEET TO 100 FEET FROM THE HOUSE:

This Zone is defined as the edge of the road open space. The fringes of this zone need to be trimmed and thinned to create fuel mosaic made up of well spaced plant groupings. Reduction of the existing perimeter Acacia, a flammable species along with maintaining and cleaning neglected punning will add to the safety of this gently south -southwest sloping property.

The outer zone is made up of existing Pine & Oak trees bordered by public & private roads.

# WATER USE NOTES Proposed Planted Areas

**MAWA (Maximum Allowable Water Allocation)**  
 These calculations have been prepared by Scott Hall, Landscape Architect (State License #3405). Of this total landscape Maximum estimated use is 96,158.23 gallons yearly. This is worst case MAWA scenario based upon a high evapotranspiration rate. Total Planted Area Equals 5,185 s.f.

The Total Landscape Water Gallons per year based upon MAWA gallons used per year follows California State Assembly bill AB 1881. This MAWA (Maximum Applied Water Allowance) is the upper limit of the annual established landscape area. It is calculated as a surface number derived upon the size of the Landscape and evapotranspiration (ET<sub>0</sub>). The following mathematical proofs are completed for monthly and yearly total projected water use.

The ET<sub>0</sub> was derived from the CIMIS (California Irrigation Management Information System) located at the east end of Rancho Canada Golf Course Weather Station.

That value is an ET<sub>0</sub> yearly rate of 37.21 Station #193 Pacific Grove Pt. Pinos MAWA = 37.21 x 0.80 x 5,185 sq. ft. x 0.623 = 96,158.23 (gallons / year)

**FORMULAS AND DATA: Definitions:**  
 MAWA - Maximum Applied Water Allowance (Gallons / Year)  
 Acre-Feet / Year =  $ET_0 \times ET_{adj} \times LA \times 0.623$   
 325851

ET<sub>0</sub> = Reference Evapotranspiration (measured inches per year)  
 ET adj = ET Adjustment Factor =  $K_L / IE = 0.50 / 0.625 = 0.80$

MAWA =  $37.21 \times 0.80 \times 5,185 \text{ sq. ft.} \times 0.623 = 96,158.23 \text{ Gallons/Year}$

**ETWU (Estimated Total Water Use)**  
 These calculations use plant type as a Method as comparison to the overall area figures above for the MAWA. Total Planted Area Equals 5,185 s.f. same and the Point Pinos Weather Station #193 is also used in these Calculations.

The Total Landscape Water Gallons per year based upon AREA FACTOR IS THE MAWA is 96,158. gallons. Using the ETWU Method individual plants are given a factor plus each irrigation zone is evaluated for its distributions uniformity efficiency. Plant factors of .4 and .6 were used. All Irrigated Zones are Drip supplied.

**PROPOSED IRRIGATION NOTES:**

IRRIGATION ZONES ARE DEFINED AS TO DELIVERY TYPE WHICH UNIFORMLY APPLIES IRRIGATION WATER TO EACH PLANT WITH EFFICIENT AND MATCHED PRECIPITATION INDIVIDUAL NOZZLES AND DRIP EMITTERS. THE ZONES HAVE BEEN CALIBRATED FOR ONE INCH (1") AUTOMATIC VALVES TIED BACK TO A TIME CLOCK. ADDITIONALLY A RAIN SENSOR IS LOCATED AND CONNECTED TO THE AUTOMATIC TIME CLOCK.

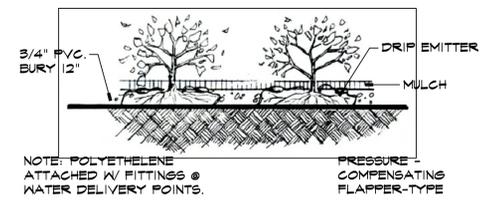

CONSTRUCTION DRAWINGS WILL SHOW DIAGRAMMATIC INDIVIDUAL NOZZLE LOCATIONS WITHIN EACH ZONE. THE FOLLOWING MATERIALS LIST IS A SUGGESTED PRODUCT TYPE FOR THE INSTALLATION DRAWING SET.

**IRRIGATION MATERIALS LIST**

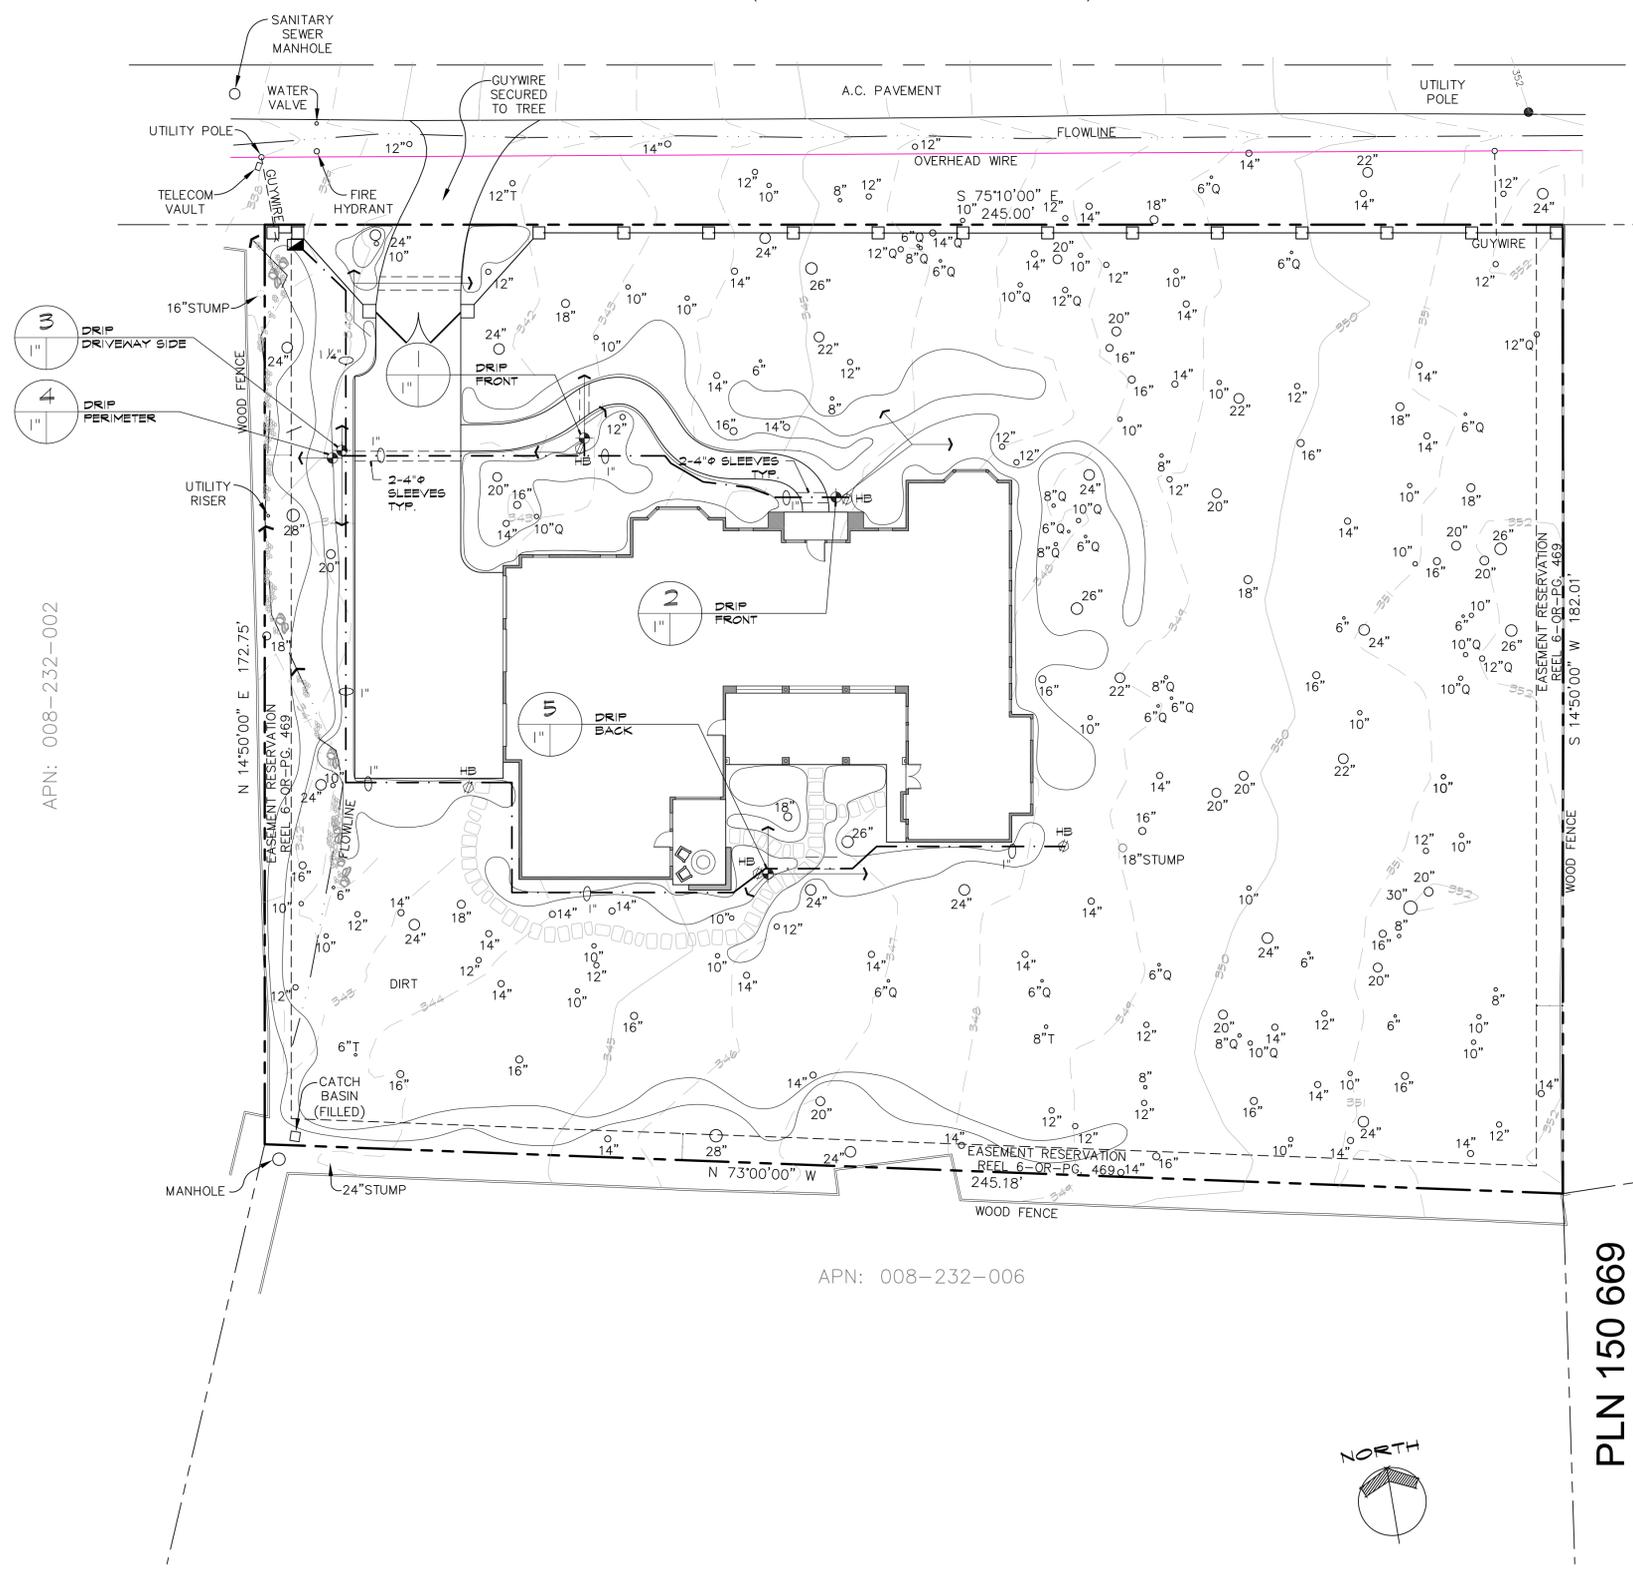

- RAIN SENSOR / Weathermatic RF55**  
Attach rain sensor to Utility Area Fence and interface with Irrigation Controller.
  - IRRIGATION CONTROLLER: WEATHERMATIC Smart Line 1600** locate in Utility Area. Outdoor GFI plug installed by project licensed Electrician.
  - Drip Emitters:**  
Emitter Model Agrafirm PC Plus pressure-compensating Emitters. See schedule 1/2" Tubing mfg. Argifirm Company.
  - PVC 3/4" Pipe** to designated areas. Fit polyethylene pipe and drip fittings to PVC and connect drip emitters. Distribute emitters around perimeter of plants. For specimen trees use concentric circle pipe layout. Install in line Pressure regulator by Netafim @ mid point on each drip run to be used as maintenance for Drip zones.
  - POC Point of Connection**  
1. Verify existing connection as provided adjacent to Water Meter at street edge.
  - Remote Valve:**  
1" Valve Weathermatic 21000 Series Valves to be placed into 10" Round Carson or Equal Irrigation Boxes (9"). Provide Dip filter at each valve location. Each valve install 3/4" Netafim Arkal Seninger 30 psi pre-set
  - Emitter Schedule:**  
Box Trees 5 / 1 gallon per hour emitters  
15 gallon Shrubs & Trees 4 / 1 gallon per hour  
5 gallon Shrubs & Trees 1 / 2 gallon per hour  
1 gallon Shrubs & Trees 1 / 1 gallon per hour
  - Subsurface Drip Tubing (Netafim Techline)**  
Emitter spacing 6" on center in tube
  - Mainline:**  
SCH 40 PVC Pipe (Mfg. Crestline or PWP)
  - Lateral Pipe:**  
SCH 40 PVC Pipe (Mfg. Crestline or PWP)
  - Sleeve:**  
Use minimum pipe 2 sizes larger than pipe where it is necessary under walks  
Sleeves installed under motor court by building contractor
  - Hose Bib:**  
• Champion 1" Garden Valve Inlet  
• Quick Coupler Valves in locations
- Note:**  
Substitution of Materials shall be approved in writing by Project Landscape Architect prior to delivery to the site.

## NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION MONTEREY COUNTY PLANNING COMMISSION

NOTICE IS HEREBY GIVEN that Monterey County Resource Management Agency – Planning has prepared a draft Mitigated Negative Declaration, pursuant to the requirements of CEQA, for a Combined Development Permit (Nase, PLN150669) at 1412 Lisbon Lane, Pebble Beach (APN 008-232-003-000) (see description below).

The Mitigated Negative Declaration and Initial Study, as well as referenced documents, are available for review at Monterey County Resource Management Agency – Planning, 1441 Schilling Place, South 2<sup>nd</sup> Floor, Salinas, California. The Mitigated Negative Declaration and Initial Study are also available for review in an electronic format by following the instructions at the following link: <http://www.co.monterey.ca.us/government/departments-i-z/resource-management-agency-rma/-planning/resources-documents/environmental-documents/pending>.

The Monterey County Planning Commission will consider this proposal at a meeting on August 9, 2017 at a time to be determined in the Monterey County Board of Supervisors Chambers, 168 West Alisal, 2<sup>nd</sup> Floor, Salinas, California. Written comments on this Mitigated Negative Declaration will be accepted from July 5, 2017 to August 4, 2017. Comments can also be made during the public hearing.

### **Project Description:**

Combined Development Permit consisting of: 1) a Coastal Administrative for the construction of a 5,385 square foot one-story single family dwelling with an attached garage, covered porch, and a detached 216 square foot gazebo; 2) a Coastal Development Permit for the removal of 46 Monterey pine trees; 3) a Coastal Development Permit for development within 100 feet of Environmental Sensitive Habitat (ESHA- Yadon's piperia and Monterey pine forest) and 4) a Design Approval. We welcome your comments during the 30-day public review period. You may submit your comments in hard copy to the name and address above. The Agency also accepts comments via e-mail or facsimile but requests that you follow these instructions to ensure that the Agency has received your comments. To submit your comments by e-mail, please send a complete document including all attachments to:

[CEQAcomments@co.monterey.ca.us](mailto:CEQAcomments@co.monterey.ca.us)

An e-mailed document should contain the name of the person or entity submitting the comments and contact information such as phone number, mailing address and/or e-mail address and include any and all attachments referenced in the e-mail. To ensure a complete and accurate

record, we request that you also provide a follow-up hard copy to the name and address listed above. If you do not wish to send a follow-up hard copy, then please send a second e-mail requesting confirmation of receipt of comments with enough information to confirm that the entire document was received. If you do not receive e-mail confirmation of receipt of comments, then please submit a hard copy of your comments to ensure inclusion in the environmental record or contact the Agency to ensure the Agency has received your comments.

Facsimile (fax) copies will be accepted with a cover page describing the extent (e.g. number of pages) being transmitted. A faxed document must contain a signature and all attachments referenced therein. Faxed document should be sent to the contact noted above at **(831) 757-9516**. To ensure a complete and accurate record, we request that you also provide a follow-up hard copy to the name and address listed above. If you do not wish to send a follow-up hard copy, then please contact the Agency to confirm that the entire document was received.

**For reviewing agencies:** Resource Management Agency – Planning requests that you review the enclosed materials and provide any appropriate comments related to your agency's area of responsibility. The space below may be used to indicate that your agency has no comments or to state brief comments. In compliance with Section 15097 of the CEQA Guidelines, please provide a draft mitigation monitoring or reporting program for mitigation measures proposed by your agency. This program should include specific performance objectives for mitigation measures identified (CEQA Section 21081.6(c)). Also inform this Agency if a fee needs to be collected in order to fund the mitigation monitoring or reporting by your agency and how that language should be incorporated into the mitigation measure.

## ***II. DESCRIPTION OF PROJECT AND ENVIRONMENTAL SETTING***

### **A. Description of Project:**

The property is located at 1412 Lisbon Lane in Pebble Beach, Monterey County (Assessor's Parcel Number 008-232-003-000), Del Monte Forest Land Use Plan, Coastal zone. The parcel is zoned Low Density Residential/1.5 Units per acre, Design Control area, in the Coastal Zone or "LDR/1.5-D (CZ)".

The proposed development includes the construction of a one-story single family residence (4 bedroom, 4.5 baths) with an attached three car garage, covered porch, detached gazebo and a wall with an entry gate. The square footages for these are as follows:

- Residence, 4,078 square feet
- Attached Garage, 889 square feet
- Attached Covered Porch, 418 square feet
- Detached Gazebo, 216 square feet

Total lot coverage proposed is of 5,601 square feet. There will be approximately 3,300 square feet of coverage by pavement, some of which will be permeable material. The total percentage of lot coverage is proposed at 12.8 percent. The proposed floor area ratio is 11.4 percent. Associated grading consists of approximately 500 cubic yards of cut and 500 cubic yards of fill.

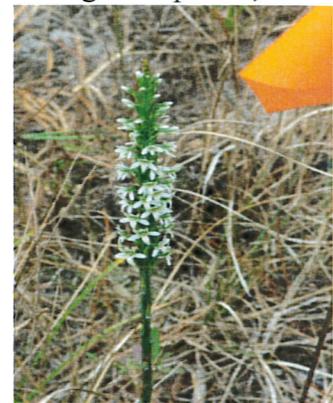

*Entitlements:* The project requires the following entitlements: A Combined Development Permit consisting of: 1) a Coastal Administrative for the construction of a 5,385 square foot one-story single family dwelling with an attached garage, covered porch, and a detached 216 square foot gazebo; 2) a Coastal Development Permit for the removal of 46 Monterey pine trees; 3) a Coastal Development Permit for development within 100 feet of Environmental Sensitive Habitat (ESHA- Yadon's Piperia and Monterey pine woodland); and 4) Design Approval.

*Tree Removal:* The Del Monte Forest Land Use Plan and Monterey County Zoning Ordinance identify Monterey pine and Coast live oak trees as native tree species requiring protection and special consideration for their management. Specifically, Section 20.147.050, Forest Resources, states that a Forest Management Plan shall be required for all projects located in a forested area that require a discretionary permit. A Tree Resource Assessment Management Plan (Source IX-8) has been prepared by a certified arborist due to the proposed construction. It states that the proposed development is within an existing stand of Monterey pine and Coast live oak trees and the removal of 46 Monterey pine trees on this site is necessary with the potential of an additional seven trees to be monitored. It further states that tree removal on this site will be unavoidable due to the heavily wooded site. The arborist describes the population of pines on this site as overstocked for a one acre lot with approximately 200 trees; Many in dead, falling and in poor condition. Several of the oak trees are suppressed and range from poor to fair condition. Prior to the applicant's submittal of current development plans (Source IX-1), the applicant worked with staff to reduce the tree removal by about ten trees, in an attempt to save groupings of healthy landmark trees. This resulted in the proposed removal of 46 Monterey pine of the following sizes: (Four (4) landmark sized (24 inches or greater in diameter); 11 trees in the 13 to 23 inches in diameter; and 31 trees in the 12 inches or less in diameter. Landmark trees are trees measuring

24 inches or more in diameter; and significant trees are trees measuring greater than 12 inches in diameter. Seven (7) additional trees may need to be monitored during grading and excavation as stated in the Tree Resource Assessment Management Plan. Replacement of trees is a requirement of the Del Monte Forest Land Use Plan at a minimum of a 1:1 replacement ratio for trees removed. The forestry assessment recommends the 1:1 replacement of the 46 trees along the perimeter of the property.

*Environmental Sensitive Habitat Areas (ESHA):* Pursuant to Section 20.147.040, Environmental Sensitive Habitat Areas or ESHA of the Del Monte Forest Land Use Plan Area, areas that support plan species for which there is compelling evidence or rarity [e.g. those areas designated 1b (rare or endangered in California and elsewhere) or 2 (rare, threatened or endangered in California but common elsewhere) by the California Native Plant Society. Biological surveys confirmed that two sensitive species occurred on the Nase property. They are the Monterey pine and the *Piperia yadonii* (common name: Yadon’s piperia):

- *Monterey pine:* This tree is on California Native Plant Society’s list 1B, which includes plants rare, threatened and endangered in California and elsewhere. It is specifically designated as 1B.1 which includes plants that are seriously endangered. The designation pertains to natural stands of this tree. This is the dominant tree on the property. As previously noted under the *Tree Removal* information, 46 Monterey pine trees are proposed to be removed at this site.
- *Yadon’s piperia:* This is an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California). This is a wildflower that may be dormant and not emerge above the soil surface until the spring, where it would leaf producing flowers on erect spikes. Within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane are 5 individual separate areas of Yadon’s piperia habitat containing a total of approximately 437 (at minimum) individual *Piperia* plants, fifty-nine (59) of which are located in the proposed house footprint area (Source IX-15). The population of the *Piperia* is shaped like a capital T; with the top part to the T along the frontage part of the property on Lisbon Lane and the post of the T running south through the middle of the Nase property where the proposed south east corner of the residence would be located.

A Mitigation and Monitoring Plan (MMP) for this site has been prepared by Regan Biological and Horticultural Consulting, LLC (RBHC) to offset the impacts to Monterey pine woodland and *Piperia yadonii* plants resulting from the construction activities. See *IX. References, item 15 for MMP*. The MMP states that three (3) potential mitigation possibilities were examined which were:

- 1) Total avoidance by redesigning the project to avoid the removal of all *Piperia* plants and mitigation on-site. This would require the entire proposed footprint of home and

driveway to be significantly reduced and moved to the southern edge of the lot. With this option, the long term indirect impacts of the development and surrounding neighborhood would still cause the decline of the *Piperia* population.

- 2) Large percentage of avoidance by removing the *Piperia* located in the proposed development footprint and mitigation on-site by replanting on-site to frontage of property (along Lisbon Lane) and Pebble Beach right-of-way. As in the previous option, the long term indirect impacts of the development and surrounding neighborhood would still cause the decline of the *Piperia* population.
- 3) Proceeding with the development plan as is and mitigating for the *Piperia* offsite by transplanting all of the known plants to a receiver site in the Del Monte Forest and maintain and monitor for success for five (5) years. Mitigate for loss of Monterey pine and pine woodland by replanting on the site as per the Forest Management Plan.

After discussion with members of different organizations including staff from United States Fish and Wildlife Service (USFWS), Option 3 was selected. Through implementation of the Mitigation and Monitoring Plan for Option 3, potential impacts to biological resources would be reduced to less than significant levels. See *Section VI. Environmental Checklist, Item 4. Biological Resources* of this Initial Study for detailed biological assessment.

#### **B. Surrounding Land Uses and Environmental Setting:**

The project site is located in Pebble Beach, a small coastal resort destination and an unincorporated community within the jurisdiction of Monterey County, located in the Monterey Peninsula. The Nase property is located at 1412 Lisbon Lane in Pebble Beach, in a developed residential community. It is .998 acres (43,456 square feet) in size and is rectangular in shape. It is an undeveloped lot of record surrounded by parcels with large homes, varying in age on similar sized lots. The zoning for this property and for adjacent properties is Low Density Residential in the Coastal Zone.

The site is relatively flat (5% to 8% slope) and covered primarily of upper canopy Monterey pine with some scattered understory Coast live oak and shrubs (willow, acacia and huckleberry). As discussed in *Section A: Description of Project*, the site has a large population of *Piperia yadonii* (common name: Yadon's piperia).

Pebble Beach includes land set aside for preservation administered by the Del Monte Forest Conservancy, a non-profit organization designated by Monterey County and the California Coastal Commission to acquire and manage certain properties by conservation easement. The coastal portion of Pebble Beach is within the Del Monte Forest LUP. The Del Monte Forest LUP is a large area that extends inland three to four miles and is located along 7 miles of central California shoreline. The Del Monte Forest LUP is organized around eight planning areas: Spanish Bay, Spyglass Cypress, Middle Fork, Pescadero, Huckleberry Hill, Gowen Cypress, Country Club and the Pebble Beach sub-area, which is where the subject property is located in.

The Pebble Beach Planning Area is approximately 1,300 acres and it is the largest of the Del Monte Forest planning areas, comprising the majority portion of the Forest. It is bordered by the Spyglass Cypress and Middle Form planning areas to the north and the Pescadero planning area to the east. Important considerations for this area include the presence of rare native Monterey cypress habitat between Pescadero Point and Cypress Point; several cultural resources sites, the presence of Cypress Point fault and proximity to the Carmel Bay Area of Special Biological Significance (ASBS).

The subject property is the southern boundary of the Seal Rock Watershed. Development in this watershed is subject to specific restrictions and criteria in order to ensure that the water quality and biological value of the Del Monte Forest's coastal streams, wetlands, open coastal waters, and the Carmel Bay are protected and maintained.

**C. Other public agencies whose approval is required:**

This project is located within the Coastal zone of Monterey County. Although the project is not required to receive separate approval from the California Coastal Commission (CCC), the CCC has appeal authority on projects located between the sea and the first public road.

Potential impacts to biological resources are addressed in the Biology section of this document and are anticipated to be less than significant with mitigation incorporated. See *Section VI. Environmental Checklist, Item 4. Biological Resources* of this Initial Study for detailed biological information. At this time it is anticipated that no additional permits are required from outside agencies, including the California Department of Fish and Wildlife (CDFW), although the project is required to pay the CDFW fee.

**D. Project Impacts:**

*No impact to the following resources:* The subject project does not have a substantial adverse effect on a scenic vista, damage scenic resources, degrade the existing visual character or quality of the site and surroundings, or create a new source of substantial light or glare. The property is not located within Prime or Unique Farmlands, forest land; and is not considered a mineral resource recovery site. The result of project implementation would not require large amounts of water usage, create large amounts of wastewater, produce or utilize hazardous materials, produce excessive noise or ground borne vibration, induce or reduce the population or availability of housing, or cause reduction of the existing level of services for fire, police, public schools, or parks. Therefore, the project would have no impact on Aesthetics, Agriculture and Forest Resources, Air Quality, Geology and Soils, Hazards/Hazardous Materials, Hydrology/Water Quality, Land Use/Planning, Mineral Resources, Noise, Population and Housing, Public Services, Recreation, Transportation/Traffic, Utilities and Service Systems.

*Less than significant impact to following resources:* Less than significant impacts have been identified for Greenhouse Gas Emissions. Implementation of the project would incorporate conditions of approval to assure compliance with County requirements to the extent that they

reduce the identified potential impacts. Therefore, mitigations were not necessary for the project to have a less than significant impact on these resources.

*Less than significant impact with mitigation incorporated:* The project has a less than significant impact with mitigation incorporated to biological resources and cultural resources. See *Section VI. Environmental Checklist, Item 4. Biological Resources and Item 5. Cultural Resources* of this Initial Study for detailed assessment of these resources.

**III. PROJECT CONSISTENCY WITH OTHER APPLICABLE LOCAL AND STATE PLANS AND MANDATED LAWS**

Use the list below to indicate plans applicable to the project and verify their consistency or non-consistency with project implementation.

General Plan/Area Plan	<input checked="" type="checkbox"/>	Air Quality Mgmt. Plan	<input type="checkbox"/>
Specific Plan	<input type="checkbox"/>	Airport Land Use Plans	<input type="checkbox"/>

**Monterey County 1982 General Plan and Local Coastal Program – DMF LUP**

The proposal was reviewed for consistency with the 1982 Monterey County General Plan and with the Del Monte Forest Land Use Plan (LUP). The Del Monte Forest LUP designates this site as a Low Density Residential (LDR) land use designation. Single family dwellings are an allowed use in this zoning district; and therefore is consistent with the site development standards under this designation. The project is consistent with all applicable General Plan Policies.

**CONSISTENT**

**IV. ENVIRONMENTAL FACTORS POTENTIALLY AFFECTED AND DETERMINATION**

**A. FACTORS**

The environmental factors checked below would be potentially affected by this project, as discussed within the checklist on the following pages.

<input type="checkbox"/> Aesthetics	<input type="checkbox"/> Agriculture and Forest Resources	<input type="checkbox"/> Air Quality
<input checked="" type="checkbox"/> Biological Resources	<input checked="" type="checkbox"/> Cultural Resources	<input type="checkbox"/> Geology/Soils

<input type="checkbox"/> Population/Housing	<input type="checkbox"/> Public Services	<input type="checkbox"/> Recreation
<input type="checkbox"/> Transportation/Traffic	<input type="checkbox"/> Utilities/Service Systems	<input checked="" type="checkbox"/> Mandatory Findings of Significance

Some proposed applications that are not exempt from CEQA review may have little or no potential for adverse environmental impact related to most of the topics in the Environmental Checklist; and/or potential impacts may involve only a few limited subject areas. These types of projects are generally minor in scope, located in a non-sensitive environment, and are easily identifiable and without public controversy. For the environmental issue areas where there is no potential for significant environmental impact (and not checked above), the following finding can be made using the project description, environmental setting, or other information as supporting evidence.

Check here if this finding is not applicable

**FINDING:** For the above referenced topics that are not checked off, there is no potential for significant environmental impact to occur from either construction, operation or maintenance of the proposed project and no further discussion in the Environmental Checklist is necessary.

**EVIDENCE:**

1) Aesthetics

The project area is not located within the mapped portion of the Del Monte Forest Land Use Plan designated as Visually Sensitive or as a Visual Resource (Figure 3 of the Del Monte Forest LUP Figures). The property is not located on or near a scenic vista; therefore, the project would not have a substantial adverse effect on a scenic vista. The proposed residential development would not create damage to scenic resources, including trees, rock outcroppings, or historic buildings; none of these resources exist on the subject property and the property is not located along a state scenic highway. *No impact.*

2) Agriculture and Forest Resources

Based upon the General Plan and County resource maps, the property is not within an agricultural area, would not convert prime farmland or otherwise conflict with agricultural zoning or uses. The property is zoned LDR (Low Density Residential) and is not used for agricultural purposes. Use of the property for the construction of a residential structure will not result in conversion of farmland to non-agricultural uses. *No impact.*

3) Air Quality

In order to provide protection and enhancement of Monterey County's air quality, Monterey County 1982 General Plan Policy No. 20.1.1 requires development decisions to be consistent with the natural limitation of the County's air basins. The California Air Resources Board (CARB) coordinates and oversees both state and federal air quality control programs in California. The CARB has established 14 air basins statewide and the project site is located in the North Central Coast Air Basin (NCCAB), which is under the jurisdiction of the Monterey Bay Unified Air Pollution Control District (MBUAPCD). The MBUAPCD is responsible for enforcing standards and regulating stationary sources through the *2008 Air Quality Management Plan for the Monterey Bay Region (AQMP)* and *2009-2001 Triennial Plan Revision* ("Revision"). Implementation of the proposed project would result in minor grading. CEQA Air

Quality Guidelines identify threshold for construction activities with potentially significant impacts for PM<sub>10</sub> to be 2.2 acres of disturbance a day. Grading for the proposed project would be less than 2.2 acres of disturbance; therefore, implementation would not create a significant impact. Project construction would not create or produce objectionable odors or exposes sensitive receptors to substantial pollutant concentrations. Furthermore, components of the project would not create additional long-term impacts to air emissions resulting from vehicular traffic. Development on the project site would not affect AMBAG population projections. *No impact*

#### 4) Geology/Soils

The project site is located in an area identified in the Del Monte Forest Land Use Plan as a low seismic hazard zone, as mapped in the Del Monte Forest Land Use Plan and the Monterey County Geographical Information System. The site is not located within any Earthquake Fault Zones in accordance with the Alquist-Priolo Earthquake Fault Zoning Act therefore having a low potential for surface rupture. Since the construction area is relatively flat and has been situated to avoid significant slopes, there is no potential for adverse impacts from landslides. Additionally the GIS indicated the site is located within an area of low liquefaction. A geotechnical report was prepared for the project concluding the site is suitable for the proposed project, provided that the recommendations made in the report are followed. These recommendations will be made part of the conditions of approval for the project. Therefore, the project will not expose people or structures to potential substantial adverse effects involving rupture of a known earthquake fault; strong seismic ground shaking; seismic-related ground failure, including liquefaction; or landslides. The project is not located on a geologic unit or soil that is considered unstable, or expansive. The project will receive public sewer via the Pebble Beach Community Services District, and therefore will not involve the installation of septic tanks or alternative wastewater disposal systems. *No impact.*

#### 5) Hazards/Hazardous Materials

The proposal involves residential construction where there would be no use of hazardous materials that would constitute a threat of explosion or other significant release that would pose a threat to neighboring properties. No changes in land use will occur which would allow the property owner to use the residence as a holding or disposal area for hazardous materials. Therefore, no transportation on or to the site of hazardous material in quantities that would constitute a significant hazard or violate state or County health and safety regulations, or through a reasonably foreseeable accident allow the release of hazardous materials into the environment. The proposed residence would not involve stationary operations, create substantial hazardous emissions, or handle hazardous materials and, therefore, would not constitute a hazard to the public health and safety to the closest school (Stevenson School), which is approximately .5 miles from the site. The site location and scale of the project site will have no impact on emergency response or emergency evacuation and is not included on any list of hazardous materials sites. The property is not located within the vicinity of a public airport or private airstrip and would not constitute a hazard for people residing or working in the area. The Pebble Beach Community Services District reviewed the project application and recommended conditions of approval regarding fire safety. *No Impact.*

6) Hydrology/Water Quality

The proposed project will not violate any water quality standards or waste discharge requirements. The site is not located within the 100 year floodplain or near a levee or dam that would expose people or structures to significant loss or death if failure resulting in flooding were to occur. The project site is not located in an area subject to inundation by seiche, tsunami, or mudflows. The property will be served by public utilities, including public sewer (Pebble Beach Community Services District) and water (California American Water Company). The project will receive water from Cal-Am purchased through the Pebble Beach Company water entitlements. The Pebble Beach Company water entitlements are not affected by the 2009 Cal-Am Water Cease and Desist Order from the Regional Water Board (Order WR 2009-0060). Therefore it's not expected that the project will deplete ground water supplies or interfere with recharge or affect nearby wells. The project is not located within a designated "urbanized area"; however conditions have been recommended by the Water Resources Agency to prepare and provide engineered drainage plans to retain storm water on site. *No impact.*

7) Land Use/Planning

The proposed project will not disrupt, divide, or otherwise have a negative impact on the existing neighborhood or adjacent properties. The proposed project is consistent with the policies and requirements of the Del Monte Forest Land Use Plan, 1982 Monterey County General Plan, and Zoning Ordinance. The subject property does not have an applicable habitat conservation plan or natural community conservation plan. The zoning regulations allow for the first single family dwelling on a legal lot of record.

The intent of the Land Use Development section (20.147.090 CIP) is that land use designations are directive as to the type of use, but uses shall only be allowed provided such use and related development can be accomplished consistent with the LCP, including its resource protection requirements. The proposed project includes constructing a new single family residence on a legal lot of record. Careful consideration has been done to address potential impacts to trees, Yadon's piperia and to potential cultural resources. Additionally, the proposed project meets all development standards. County Departments reviewed the project application and concurs. Therefore, the project would not conflict and is consistent with Land Use Plan policies. *No Impact.*

8) Mineral Resources

The project will involve the construction of a single-family residence within a residential zoned area. No mineral resources or resource recovery sites have been identified on the site or in the area. *No Impact.*

9) Noise

The project involves the construction of a single-family residence on a property within a residential area and would not expose others to noise levels or ground-borne vibrations that exceed standards contained in the Monterey County General Plan and would not substantially increase ambient noise levels in the area. The project site is not located in the vicinity of an airport or private airstrip. There is no evidence that the persons residing or working near the project site would be significantly impacted by noise related to this project. Temporary

construction activities must comply with the County's noise requirements, as required in Monterey County Code, Chapter 10.60. *No Impact.*

10) Population/Housing

The site is zoned LDR/1.5-D (CZ), or Low Density Residential, 1.5 acres per unit, with Design Control Overlay in the Coastal Zone, which anticipated residential uses. The project involves the construction of a residential dwelling on a 0.998 acre parcel, which will not make a change in growth patterns or displace existing houses or people, requiring the construction of housing elsewhere. The project would not alter the location, distribution, or density of human population in the area in any significant way, or create a demand for additional housing. The project will provide one additional dwelling units on the legal residential lot. *No Impact.*

11) Public Services

The project would have no measurable effect on existing public services. The Monterey County Water Resources Agency, Monterey County Public Works Department, the Environmental Health Bureau, and the Pebble Beach Community Services District have reviewed the project. None of the County departments/service providers indicated that this project would result in potentially significant impacts or alter acceptable service ratios or performance objectives for the following services Fire, Police Schools Parks and services provided by the Pebble Beach Community Services District. *No Impact.*

12) Recreation

The project would not result in a substantial increase in use of existing recreational facilities or physical deterioration of said facilities. No parks, trail easements, or other recreational opportunities would be adversely impacted by the proposed project. The project is in conformance with the public access and public recreation policies of the Coastal Act and Local Coastal Program, and does not interfere with any form of historic public use or trust rights. The subject property is not indicated as part of any designated trails or shoreline access as shown in Figure 8 of the Major Public Access & Recreational Facilities map shown in the Del Monte Forest Area Land Use Plan. The project does not include recreational facilities nor will the project require the construction or expansion of recreational facilities in the area of the Del Monte Forest, which might have an adverse physical effect on the environment. *No Impact.*

13) Transportation/Traffic

The project will not generate a significant increase in traffic movements or create new traffic hazards which might result in inadequate emergency access. Cumulative traffic impacts are mitigated through payment of the Regional Development Impact Fee (RDIF) pursuant to Monterey Code Chapter 12.90. The project does not conflict with adopted public transit plans nor will it affect any or impact programs or performance and safety of pedestrian facilities. The project is not located along a proposed trail as mapped in the County's Del Monte Forest Land Use Plan, Figure 8 (DMF, Major Public Access & Recreational Facilities). The proposed dwelling meets the parking requirements contained in the Zoning Ordinance Title 20. The project site is not located in the vicinity of an airport and would not result in a change in air traffic patterns substantially increase hazards because the project will not change land use or require additional design and improvements to the existing roads. *No Impact.*

14) Utilities/Service Systems

The proposed project involves the construction a single-family residence which will be served by public utilities and services. The project will receive water from Cal-Am purchased through the Pebble Beach Company water entitlements. The Pebble Beach Company water entitlements are not affected by the 2009 Cal-Am Water Cease and Desist Order from the Regional Water Board (Order WR 2009-0060); gas, and electric will be provided by Pacific Gas & Electric, and sewage disposal by Pebble Beach Community Services District. The proposed development will not cause a substantial increase nor exceed the capacity of these utilities and services or cause an increase exceeding the treatment requirements of the California Regional Water Quality Control Board. The Monterey County Water Resources Agency has recommended a condition of approval that will require on-site retention of storm water which will avoid any potential impacts on storm water drainage facilities. Developments of existing lots within the Del Monte Forest have been accounted for by the service providers. Solid waste from the project will be collected and brought to the Monterey Regional Waste Management District's Landfill and Recycling Facility, located near the City of Marina. The landfill has the total capacity of 48 million tons, which is expected to provide service through the year 2107. Therefore, the landfill is sufficient to accommodate the project's solid waste disposal needs and will have no impact, resulting in compliance with federal, state, and local statutes and regulations related to solid waste. *No Impact.*

**B. DETERMINATION**

On the basis of this initial evaluation:

- I find that the proposed project COULD NOT have a significant effect on the environment, and a NEGATIVE DECLARATION will be prepared.
- I find that although the proposed project could have a significant effect on the environment there will not be a significant effect in this case because revisions in the project have been made by or agreed to by the project proponent. A MITIGATED NEGATIVE DECLARATION will be prepared.
- I find that the proposed project MAY have a significant effect on the environment, and an ENVIRONMENTAL IMPACT REPORT is required.
- I find that the proposed project MAY have a "potentially significant impact" or "potentially significant unless mitigated" impact on the environment, but at least one effect 1) has been adequately analyzed in an earlier document pursuant to applicable legal standards, and 2) has been addressed by mitigation measures based on the earlier analysis as described on attached sheets. An ENVIRONMENTAL IMPACT REPORT is required, but it must analyze only the effects that remain to be addressed.

- I find that although the proposed project could have a significant effect on the environment, because all potentially significant effects (a) have been analyzed adequately in an earlier EIR or NEGATIVE DECLARATION pursuant to applicable standards, and (b) have been avoided or mitigated pursuant to that earlier EIR or NEGATIVE DECLARATION, including revisions or mitigation measures that are imposed upon the proposed project, nothing further is required.

## ***V. EVALUATION OF ENVIRONMENTAL IMPACTS***

- 1) A brief explanation is required for all answers except “No Impact” answers that are adequately supported by the information sources a lead agency cites in the parentheses following each question. A “No Impact” answer is adequately supported if the referenced information sources show that the impact simply does not apply to projects like the one involved (e.g., the project falls outside a fault rupture zone). A “No Impact” answer should be explained where it is based on project-specific factors as well as general standards (e.g., the project will not expose sensitive receptors to pollutants, based on project-specific screening analysis).
- 2) All answers must take into account the whole action involved, including offsite as well as onsite, cumulative as well as project-level, indirect as well as direct, and construction as well as operational impacts.
- 3) Once the lead agency has determined that a particular physical impact may occur, then the checklist answers must indicate whether the impact is potentially significant, less than significant with mitigation, or less than significant. "Potentially Significant Impact" is appropriate if there is substantial evidence that an effect may be significant. If there are one or more "Potentially Significant Impact" entries when the determination is made, an EIR is required.
- 4) "Negative Declaration: Less Than Significant With Mitigation Incorporated" applies where the incorporation of mitigation measures has reduced an effect from "Potentially Significant Impact" to a "Less Than Significant Impact." The lead agency must describe the mitigation measures, and briefly explain how they reduce the effect to a less than significant level mitigation measures from Section XVII, "Earlier Analyses," may be cross-referenced).

- 5) Earlier analyses may be used where, pursuant to the tiering, program EIR, or other CEQA process, an effect has been adequately analyzed in an earlier EIR or negative declaration. Section 15063(c)(3)(D). In this case, a brief discussion should identify the following:
  - a) Earlier Analysis Used. Identify and state where they are available for review.
  - b) Impacts Adequately Addressed. Identify which effects from the above checklist were within the scope of and adequately analyzed in an earlier document pursuant to applicable legal standards, and state whether such effects were addressed by mitigation measures based on the earlier analysis.
  - c) Mitigation Measures. For effects that are "Less than Significant with Mitigation Measures Incorporated," describe the mitigation measures which were incorporated or refined from the earlier document and the extent to which they address site-specific conditions for the project.
- 6) Lead agencies are encouraged to incorporate into the checklist references to information sources for potential impacts (e.g., general plans, zoning ordinances). Reference to a previously prepared or outside document should, where appropriate, include a reference to the page or pages where the statement is substantiated.
- 7) Supporting Information Sources: A source list should be attached, and other sources used or individuals contacted should be cited in the discussion.
- 8) The explanation of each issue should identify:
  - a) The significance criteria or threshold, if any, used to evaluate each question; and
  - b) The mitigation measure identified, if any, to reduce the impact to less than significance.

## 2. AGRICULTURAL AND FOREST RESOURCES

In determining whether impacts to agricultural resources are significant environmental effects, lead agencies may refer to the California Agricultural Land Evaluation and Site Assessment Model (1997) prepared by the California Dept. of Conservation as an optional model to use in assessing impacts on agriculture and farmland. In determining whether impacts to forest resources, including timberland, are significant environmental effects, lead agencies may refer to information compiled by the California Department of Forestry and Fire Protection regarding the state's inventory of forest land, including the Forest and Range Assessment Project and the Forest Legacy Assessment project; and forest carbon measurement methodology provided in Forest Protocols adopted by the California Air Resources Board.

**Discussion/Conclusion/Mitigation:**

As discussed in *Section II.A., Project Description*, biological surveys and a Tree Resource Assessment Management Plan (forest management plan) confirmed that two sensitive species occurred on the Nase property. They are the Monterey pine (*Pinus Radiata*) and the *Piperia yadonii* (common name: Yadon’s piperia).

*Monterey pines:* The *Tree Resource Assessment Management Plan* dated December 29, 2015, prepared by Frank Ono, Urban Forestry, certified arborist, states that the proposed development is within an existing stand of Monterey pine and Coast live oak trees and the removal of 46 Monterey pine trees on this site is necessary with the potential of an additional seven (7) trees to be monitored. It further states that tree removal on this site will be unavoidable due to the heavily wooded site. The arborist describes the population of pines on this site as overstocked for a one acre lot with approximately 200 trees; Many in dead, falling and in poor condition. Several of the oak trees are suppressed and range from poor to fair condition. Prior to the applicant's submittal of current development plans, the applicant worked with staff to reduce the tree removal by about ten trees, in an attempt to save groupings of healthy landmark trees. This resulted in the proposed removal of 46 Monterey pine of the following sizes: Four (4) landmark sized (24 inches or greater in diameter); 11 trees in the 13 to 23 inches in diameter; and 31 trees in the 12 inches or less in diameter. Landmark trees are trees measuring 24 inches or more in diameter; and significant trees are trees measuring greater than 12 inches in diameter.

Furthermore, the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA* prepared by *Regan Biological and Horticultural Consulting, LLC* (RBHC), revised on 2/08/2017, confirms the loss of approximately 9,500 square feet of Monterey Pine forest on the Nase property. This 9,500 square feet area is considered an Environmentally Sensitive Habitat Area or ESHA as this is the location of the proposed 46 Monterey pine trees to be removed. The Mitigation Plan provides mitigation measures to reduce the impacts to less than significant levels which includes several of the recommendations in the Tree Resource Assessment Management Plan.

*Yadon's piperia:* Within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane are 5 individual separate areas of Yadon's piperia habitat containing a total of approximately 437 (at minimum) individual *Piperia* plants, fifty-nine (59) of which are located in the proposed house footprint area. The population of the *Piperia* is shaped like a capital T; with the top part to the T along the frontage part of the property on Lisbon Lane and the post of the T running south through the middle of the Nase property where the proposed south east corner of the residence would be located. The biologist concludes that the proposed project will significantly impact the population with direct impacts to plants in the development footprint and indirect impacts to the *Piperia* and Monterey pine woodland habitat. A Mitigation and Monitoring Plan (MMP) for this site has been prepared by Regan Biological and Horticultural Consulting, LLC (RBHC) to offset the impacts to Monterey pine woodland and *Piperia yadonii* plants resulting from the construction activities. The MMP states that three (3) potential mitigation possibilities were examined which were:

- 1) Total avoidance by redesigning the project to avoid the removal of all *Piperia* plants and mitigation on-site. This requiring the entire proposed footprint of home and driveway to be significantly reduced and moved to the southern edge of the lot. With this option, the long term indirect impacts of the development and surrounding neighborhood would still cause the decline of the *Piperia* population.
- 2) Large percentage of avoidance by removing the *Piperia* located in the proposed development footprint and mitigation on-site by replanting on-site to frontage of

property (along Lisbon Lane) and Pebble Beach right-of-way. As in the previous option, the long term indirect impacts of the development and surrounding neighborhood would still cause the decline of the Piperia population.

- 3) Proceeding with the development plan as is and mitigating for the Piperia offsite by transplanting all of the known plants to a receiver site in the Del Monte Forest and maintain and monitor for success for five (5) years. Mitigate for loss of Monterey pine and pine woodland by replanting on the site as per the Forest Management Plan.

After discussion with members of different organizations including staff from United States Fish and Wildlife Service (USFWS), Option 3 was selected. Through implementation of the Mitigation and Monitoring Plan for Option 3, potential impacts to biological resources would be reduced to less than significant levels.

**4(c) and (f). Conclusion: No Impact.**

The proposed project is located on a residential parcel in the residential coastal community of Pebble Beach. The subject property does not contain riparian habitat or federally protected wetlands, as defined by Section 404 of the Clean Water Act. There is no adopted Habitat Conservation Plan, Natural Community Conservation Plan or other approved local, regional, or state habitat conservation plan recorded on the subject property.

**4(a), (b), (d) and (e). Conclusion: Less Than Significant Impact with Mitigation Incorporated.**

The arborist determined that no significant long term affects to the forest ecosystem is anticipated. The site is heavily forested. Large canopied trees on site are in poor or in declining health. The site has a high need for tree removal, thinning and tree replacement. The site was evaluated for the following:

- Soil erosion; Slopes are gentle to moderate and may be addressed by appropriate measures;
- Water Quality: No water courses are located on the property. The removal of the trees will not substantially lessen the ability for the natural assimilation of nutrients, chemical pollutants, heavy metals, silt and other noxious substances from ground and surface waters;
- Ecological Impacts: The removals will not have a substantial adverse impact upon existing biological and ecological systems, or create climatic conditions which affect these systems. The site is surrounded by residential forested lots; proposed removals will not create conditions which may adversely affect the dynamic equilibrium of associated systems;
- Noise Pollution: The removals will not significantly increase ambient noise levels to the degree that a nuisance is anticipated to occur;
- Air Movement: The removals will not significantly reduce the ability of the existing vegetation to reduce wind velocities to the degree that a nuisance is anticipated to occur;
- Solar shade or sunlight: The site is overcrowded, many of the removals are of trees less dominant trees or poor quality trees;

- **Wildlife Habitat:** The removals do not appear it will significantly reduce available habitat for wildlife existence and reproduction or result in the immigration of wildlife from adjacent or associated ecosystems.

The Tree Resource Assessment Management Plan prepared for the site, amongst other recommendations, requires a one to one (1:1) replacement ratio as mitigation for the loss of Monterey pine trees, an area of about 10,800 square feet of Monterey pine forest. Since forty-six (46) Monterey pine trees will be removed, 46 Monterey pines of five-gallon size each shall be replanted on the property. Seven (7) additional Monterey pine trees will require root pruning and monitoring. The *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA* prepared by *Regan Biological and Horticultural Consulting, LLC (RBHC)*, revised on 2/08/2017, provides additional mitigation measures.

**Mitigation Measure No. 1:** In order to mitigate for the loss of approximately 10,800 square feet of Monterey pine woodland on the project site and the loss of forty-six (46) Monterey pine trees, the following shall be required to occur on an area of 21,600 square feet (Enhancement/Restoration Area) of the Nase property:

- Eradicate majority of non-native grasses, weeds and introduced landscape plants, from eastern portion of the Nase property.
- Restore 19,000 square foot area on east portion on Nase property using the dominant native species present on project site.
- 1: 1 replacement ratio of forty-six (46), five-gallon Monterey pine trees to be located on one continuous strip of land running north to south along the east side of the Nase property and fronted on the North by the Pebble Beach right of way along Lisbon Lane and on the South by the Nase Property line and corresponding fence line with the neighboring property to the south. This strip of land is approximately 21,600 square feet running approximately 240 feet from North end to South end and 90 feet from east to west, between the proposed house and the eastern neighboring property. Monterey pine replacement is incorporated into the landscape planting plan (see *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA* prepared by *Regan Biological and Horticultural Consulting, LLC (RBHC)*, revised on 2/08/2017 for the Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte forest.
- Prevent invasive non-native plant species from colonizing during construction.
- Maintain native plant habitat with less than 10% non-native species over the course of the monitoring period.

**Mitigation Measure Action No. 1.a:** Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate a note on all construction plans (for building and grading) that the project shall comply with the specifications contained in the *Tree Resource Assessment Plan, dated December 29, 2015 prepared for the subject property by Frank Ono, Certified Arborist* and with the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting.*

**Mitigation Measure Action No. 1.b:** Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate a tree removal plan within the construction plans showing the proposed tree removal as shown in the *Tree Resource Assessment Plan, dated December 29, 2015 prepared for the subject property by Frank Ono, Certified Arborist.* The tree removal plan shall include the tree number identification matrix showing the trees to be removed (46 Monterey pines) and the seven (7) proposed root-pruned Monterey pines to be monitored.

**Mitigation Measure Action No. 1.c:** Prior to issuance of construction permits for grading and/or building, the owner/applicant shall incorporate an Enhancement/Restoration Area Plan within the construction plans consistent with the recommendations in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting.* This plan shall include the information listed in MM No. 1, planting stock information contained in Section 6.0 – Implementation Plan of the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting,* which describes the responsible parties, describes planting stock, the list of plants, quantities, sizes, planting schedules, site preparation, maintenance activities, maintenance schedule, performance standards, final success criterion, monitoring, annual reports and for the Restoration/Enhancement and Preservation Areas.

**Mitigation Measure Action No. 1.d:** Prior to the commencement of any grading or construction activities (except for the removal and transplantation of the Yadon's piperia), a pre-construction meeting shall be held on the site. The preconstruction meeting shall be facilitated by the agent of the project. The meeting shall include representatives of each of the selected contractors, any consultant who will conduct required monitoring (including the archaeological monitors, see mitigation measures for Cultural Resources), and the owner/applicant. The purpose of the meeting is to review the conditions of approval that are applicable to the grading and construction of the approved development. A report of this meeting including date of meeting, content reviewed and list of attendees, shall be submitted to RMA-Planning, within five (5) business days of the preconstruction meeting date.

**Mitigation Measure Action No. 1.e:** Prior to final inspection, the property owner/applicant shall restore as per the approved Enhancement/Restoration Area Plan (see MMA No. 1.c.) consistent with the recommendations in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting.* This requires the replacement of Monterey pine trees at a ratio of 1:1 for a total replanting of 46 Monterey pine trees of a five-gallon size to be planted within the

Enhancement/Restoration area. Furthermore, the seven (7) proposed root-pruned Monterey pines shall be pruned pursuant to the recommendations, including monitoring requirements of the Tree Resource Assessment Management Plan, prepared by Frank Ono dated December 29, 2015. In addition, the Enhancement/Restoration Area Plan requires the restoration of other planting stock described in *Table 2: Plants for Restoration/Enhancement and Preservation Areas* of the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017)* prepared by Pat Regan of Regan Biological and Horticultural Consulting. The Staff shall conduct a site visit to ensure vegetation of the site has been restored according to the approved Enhancement/Restoration Area Plan.

**Mitigation Measure Action No. 1.f:** Maintenance and monitoring of the Enhancement/Restoration Area on the Nase property shall occur as stipulated in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017)* prepared by Pat Regan of Regan Biological and Horticultural Consulting. Monitoring and reporting shall occur four times a year for five full years after completion of the project (i.e. construction of the home). A qualified biologist, shall maintain, monitor and report to RMA-Planning, as stipulated in the *Mitigation and Monitoring Plan*. An intermediate performance standard shall be measured at 100 percent survival of the planted Monterey pines in the fall of year 1 and 2. The final success criterion is 100 percent survival on planted Monterey pines in year 5.

**Mitigation Measure No. 2:** In order to reduce the proposed construction impacts to the Yadon's piperia, an endangered orchid, federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California), to a less than significant level, removal of approximately 437 (or more if more are present) individual Yadon's piperia plants and transplanting these to a designated conservation site within Del Monte Forest, shall be required. The transplantation activities of the Yadon's piperia shall be conducted as stipulated in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017)* prepared by Pat Regan of Regan Biological and Horticultural Consulting. This includes, but is not limited to the following:

- A memorandum of understanding and appropriate legal documentation of liability and shared responsibilities between Mr. Nase (property owner) and the Pebble Beach Company shall be prepared and signed before any of these activities take place:
  - Transplantation of all known and live Yadon's piperia tubers from the project impact area (as shown in the Mitigation and Monitoring Plan) into a receiver site along Spruance Road in Area H of the Pebble Beach Company's preservation property. Transplantation activities shall at the times stipulated in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach (Revised 2/08/2017)* prepared by Pat Regan of Regan Biological and Horticultural Consulting and in consultation with United States Fish and Wildlife Service (USFWS).
  - Monitor for transplant success, seedling recruitment, and population size for five (5) years following transplantation.

**Mitigation Measure Action No. 2a:** Prior to the commencement of transplantation activities for the Yadon's piperia, a memorandum of understanding (MOU) and appropriate legal documentation of liability and shared responsibilities between Mr. Nase (property owner) and the

Pebble Beach Company shall be prepared and signed by both parties. The document shall include a depiction of the receiver site, a 2,700 square foot area on the west side of Spruance Road (Area H) along with a reference that the work shall be performed in accordance to the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting*. A copy of the signed MOU and any other appropriate legal documentation shall be furnished to RMA- Planning for review and approval before the commencement of the transplantation activities.

**Mitigation Measure Action No. 2b:** The 2,700 square foot receiver site where the Yadon's piperia will be transplanted from the Nase property, is located on the west side of Spruance Road, approximately 2/10ths of a mile north of the intersection with Spruance and Ronda Roads. Previous to translocating the *Piperia* tubers from the Nase property to this location it will be prepared by removing the entire *Acacia* plants as well the *Genista* and the fallen oak tree as recommended in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting*. Just east of this location, on the other side of Spruance road is a population of *the Yadon's piperia* that will be used as a reference population to compare with the translocated plants to determine expected foliage emergence and flowering and reproduction in each year of the monitoring of the translocated plants. The preparation of the receiver site shall be monitored by the qualified biologist pursuant to the recommendations contained in the *Mitigation and Monitoring Plan for 1412 Lisbon Lane, Pebble Beach, CA (Revised 2/08/2017) prepared by Pat Regan of Regan Biological and Horticultural Consulting*.

**Mitigation Measure Action No. 2c:** Transplanting of Yadon's rein orchid from within the project impact area on Lisbon Lane into the preservation area receiver site on Spruance Road will take place between October 15 and March 15. This allows for transplant to occur while all tubers are dormant up to the point when the majority of tubers have sent up vegetative shoots but before flower stalks appear.

Even if permitting and construction schedules prevent implementation of the transplanting plan during the October to March period, to avoid disrupting seed production, the transplant process will be restricted to that period in which the plants are dormant, post flower and seed production up until the first flowering stalks are observed to be rising out of the foliage of known *Piperia* plants on the Lisbon Lane site. A qualified Biologist on the Monterey County list of approved consulting Biologists will monitor the population up until the date that the project is approved to proceed, then confer with USFWS and Pebble Beach company biologists to evaluate the status of the plants and whether it is feasible to commence transplantation efforts. During this monitoring period, all plants sending up new foliage will be documented and marked with flags other than the orange color used during the initial monitoring in Spring 2016. This will assist in determining the size of each patch for the tree spade operator and simplify the transplant process, if it becomes necessary to do it in the fall of 2017 by marking every foliage producing tuber even after all above ground growth has withered and senesced. Based on the monitoring, the project biologist will determine when the transplant will occur and how much area will be scooped out and transferred to the Spruance road receiver site. If, at the point the project is approved to proceed, plants in the Lisbon Lane property are observed to be sending up flowering stalks, the

project will be delayed until plants have gone dormant in the fall of 2017. It may be possible to move some of the Lisbon Lane population even after some plants begin flowering, but this decision will be made in consultation with USFWS staff. In 2016, plants in the eastern portion had flowered and senesced by late July and some plants in the Western portion had not yet put up flowering stalks until September.

**Discussion/Conclusion/Mitigation:**

The subject property is situated in a “Moderate” archaeological sensitivity zone, as shown the Monterey County GIS database. The Del Monte Forest Area Land Use Plan (LUP) identifies Del Monte Forest as Ohlone (also known as Costanoan people) territory. A key policy of the Del Monte Forest Area LUP is that cultural resources shall be maintained, preserved and protected for their scientific and cultural heritage values. In order to determine whether the subject site has the potential for positive archaeological findings, a Phase 1 Inventory of Archaeological Resources was prepared, which included research of available historic resources through the Northwest Information Center of the California Historical Resources Information System (NWIC) and a pedestrian survey of the site. This resulted in negative findings of archaeologically and historically significant cultural resources.

**5(a) and (c). Conclusion: No Impact.**

The site is currently not improved upon (no structures) and the proposed project does not include alteration of existing structures on the subject property. Furthermore, background research did not identify historic resources on the subject property. In addition, there is no indication that there are any paleontological resources on the site. Therefore, implementation of the proposed project would have no impact on historical resources, paleontological resources, or geologic features.

**5(b) and (d). Conclusion: Less Than Significant with Mitigation Incorporated.**

During field reconnaissance conducted by the archaeologist, materials typically associated with prehistoric cultural resources were not observed. No historic period archaeological resources, middens or shell were noted during this field reconnaissance. However, because the NWIC records confirmed the existence of multiple negative archaeological reports in the vicinity area, the archaeologist concluded the subject region is highly sensitive as per extant historic and cultural resources. The archaeologist recommends that the project proceeds with construction related excavation, contingent upon the need to assure that archaeological monitoring accompanies any and all excavation given the archeological sensitivity of the area.

Furthermore, Pursuant to Assembly Bill 52, County staff consulted with the most likely descendant (MLD) of the Ohlone/Costanoan-Esselen Nation prior to conducting this Initial Study. The MLD expressed concerns with the proposed project due to the fact that areas located close to water were frequented by their people. Therefore, the MLD recommended that a tribal monitor be onsite during any earth disturbing activities, which includes the transplantation of the Yadon's piperia from the site. Therefore, based on the recommendation of the archaeologist and the MLD, in order reduce potential impacts to archaeological resources such as artifacts, human remains, and/or a sacred site, the following mitigation measure has been recommended:

**Mitigation Measure No. 3.** In order to reduce potential impacts to cultural resources and sacred places, earth disturbance activities (including Yadon's piperia transplantation from the subject site and tree removal) shall be observed by a qualified archaeologist and by an Ohlone/Costanoan-Esselen Nation tribal monitor (MLD).

**Mitigation Measure Action No. 3.a.** Prior to the Yadon's piperia transplantation from the subject site, the owner/applicant shall submit a copy of the agreed upon contract to RMA-Planning, between the Ohlone/Costanoan-Esselen Nation and the owner of the subject project, outlining the logistics for monitoring during earth disturbance activities as well as how cultural resources will be handled if uncovered.

**Mitigation Measure Action No. 3.b.** During earth disturbance, which includes the Yadon's piperia transplantation, tree removal, and all other construction related activities, the Ohlone/Costanoan-Esselen Nation approved tribal monitor and the qualified archaeologist shall be onsite observing the work. The work shall be done consistent with the Ohlone/Costanoan-Esselen Nation approved contract discussed in Mitigation Measure Action No. 3a. Prior to final of construction permits for grading and/or building, the owner/applicant shall submit a letter from the tribal monitor verifying all work was done consistent with the contract to RMA-Planning for review and approval.

**Discussion/Conclusion/Mitigation:**

**7(a) and (b). Conclusion: Less Than Significant Impact.**

The project involves the construction of a new single-family residence and may create a temporary impact to air quality caused by construction activities and construction equipment. However, this will not result in an increase of air quality pollutants to a level of significance or the baseline amount of GHGs emitted prior to the project. The temporary impacts of construction for the proposed additions will not permanently create a greater amount of vehicle trips nor will it cause an increase in the emission of carbon dioxide (CO2) by fuel combustion. Monterey County does not have an adopted plan for green house gases. The project was considered in terms of the multiple state and federal laws passed regarding this subject. It is difficult to implement the goal of the various legislations on a small project level such as this project. A Climate Action Plan is being developed by the County. Consequently no action plan or thresholds of significance have been adopted by the County. In the interim, the County uses thresholds from other agencies, including the California Air Resources Board (CARB). The project allows the development of residential living spaces through the construction of a single family dwelling. Ultimately GHG sources targeted in such plans generally involve relocations in vehicle miles traveled, waste diversion, and technologies such as electric vehicles, and renewable energy sources, not projects such as this. Therefore, the project would have a less than significant impact as it relates to GHGs.

## VII. MANDATORY FINDINGS OF SIGNIFICANCE

NOTE: If there are significant environmental impacts which cannot be mitigated and no feasible project alternatives are available, then complete the mandatory findings of significance and attach to this initial study as an appendix. This is the first step for starting the environmental impact report (EIR) process.

Does the project:	Potentially Significant Impact	Less Than Significant With Mitigation Incorporated	Less Than Significant Impact	No Impact
a) Have the potential to degrade the quality of the environment, substantially reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or endangered plant or animal or eliminate important examples of the major periods of California history or prehistory? b) Have impacts that are individually limited, but cumulatively considerable? ("Cumulatively considerable" means that the incremental effects of a project are considerable when viewed in connection with the effects of past projects, the effects of other current projects, and the effects of probable future projects)? (Source: IX.1,2,3,4,8,9,10,11,12,13,14,15,16)	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
c) Have environmental effects which will cause substantial adverse effects on human beings, either directly or indirectly? (Source: IX.1,2,3,4,8,9,10,11,12,13,14,15,16)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

### Discussion/Conclusion/Mitigation:

#### a) and b) - Less than Significant with Mitigation Incorporated

Based upon the analysis throughout this Initial Study, the project does not have the potential to degrade the quality of the environment, reduce the habitat of a fish or wildlife species, cause a fish or wildlife population to drop below self-sustaining levels, threaten to eliminate a plant or animal community, reduce the number or restrict the range of a rare or engendered plant or animal. The specific work described I the project application will not result in a reasonably foreseeable direct or indirect impact to the habitat of a fish or wildlife species. The project will not result in impacts that are individually limited but cumulatively considerable. Biological surveys were prepared for the project and confirmed the presence of biological resources: Monterey pine woodland and *Piperia yadonii*. With mitigation measures incorporated, the project as proposed and conditioned will mitigate the impacts to a less than significant level.

The project will not degrade the quality of the environment, nor will have the potential to substantially reduce the fish or wildlife habitat or eliminate important examples of the major

c) – No Impact

The temporary and short-term environmental effects from project-related construction activities would not cause substantial adverse effects on human beings, either directly or indirectly.

## ***VIII. FISH AND GAME ENVIRONMENTAL DOCUMENT FEES***

### **Assessment of Fee:**

The State Legislature, through the enactment of Senate Bill (SB) 1535, revoked the authority of lead agencies to determine that a project subject to CEQA review had a “de minimis” (minimal) effect on fish and wildlife resources under the jurisdiction of the Department of Fish and Game. Projects that were determined to have a “de minimis” effect were exempt from payment of the filing fees.

SB 1535 has eliminated the provision for a determination of “de minimis” effect by the lead agency; consequently, all land development projects that are subject to environmental review are now subject to the filing fees, unless the Department of Fish and Game determines that the project will have no effect on fish and wildlife resources.

To be considered for determination of “no effect” on fish and wildlife resources, development applicants must submit a form requesting such determination to the Department of Fish and Game. Forms may be obtained by contacting the Department by telephone at (916) 631-0606 or through the Department’s website at [www.dfg.ca.gov](http://www.dfg.ca.gov).

**Conclusion:** The project will be required to pay the fee.

**Evidence:** Based on the record as a whole as embodied in the Planning Department files pertaining to PLN150669 and the attached Initial Study / Proposed Mitigated Negative Declaration.

MITIGATION AND  
MONITORING  
PLAN FOR 1412  
LISBON LANE,  
PEBBLE BEACH,  
CA

**ABSTRACT**

A mitigation and monitoring plan to offset the impacts to Monterey Pine woodland and *Piperia yadonii* plants resulting from the construction of a single-family residence and appurtenant development at 1412 Lisbon Lane, Pebble Beach California. Revised 2/08/2017

## Mitigation and Monitoring Plan

### 1.0 Summary

Mr. Werner Nase has proposed to construct a 5656 square foot single family residence at Lisbon Lane in Pebble Beach California. The property is within the developed neighborhood of Pebble Beach and is surrounded on all sides by development and Lisbon lane. There is no open space interface between the Nase property and undeveloped property. The project includes grading, removal of 46 Pine trees<sup>1</sup> of varying age and health and construction of the residence with attached 3 car garage and driveway and other hardscape features totaling 9449 square feet. The project site encompasses just under one acre (43,456 square feet) of mostly disturbed Monterey Pine woodland. Within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane are 5 individual separate areas of *Piperia yadonii* habitat containing a total of approximately 437 (at minimum<sup>2</sup>) individual *Piperia* plants. This is a federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California). The development of the project will significantly impact the population with direct impacts to plants in the development footprint and indirect impacts to the *Piperia* and Monterey pine woodland habitat.

The overall population of *Piperia yadonii* extends from the Pebble beach right-of-way frontage directly adjacent to Lisbon lane, into the very back of the proposed construction footprint. In February of 2017 I counted at least 437 individual plants of *Piperia* with the clear majority of them within the right-of-way or just inside the north edge of the Nase property. 59 of those are within the actual house footprint. The *Piperia* population footprint is somewhat shaped like a capital T with the top of the T running east to west along the frontage of Lisbon lane and the post of the T running south through the middle of the property through to the SE corner of the proposed house footprint. This poses a few issues with mitigation. Mr. Nase and I have reviewed the potential mitigation possibilities; in order of magnitude they are:

- 1.Total avoidance - Redesign project to totally avoid all plants. Not possible unless project completely changed to a much smaller house and driveway and development footprint is moved to Southern edge of lot. Long term indirect impacts of development and surrounding neighborhood would likely still cause decline of population.
2. Large percentage avoidance and mitigate by transplanting plants from building footprint to frontage of property and Pebble Beach right-of-way, maintain and monitor for success for 5 years. Long term indirect impacts of development and surrounding neighborhood would likely still cause decline of population.
3. Proceeding with the development plan as is, mitigating for *Piperia yadonii* impacts offsite in one of multiple receiver site possibilities; transplanting all known plants to chosen receiver site in Del Monte forest, maintain and monitor for success for 5 years. Mitigate for loss of Pine trees and pine woodland by replanting on Lisbon lane site.

---

<sup>1</sup> See Frank Ono *Tree Resource Assessment Management Plan December 2015*

<sup>2</sup> As of February 7, 2017, 437 individual plants (newly emerged single or double leaf) have been flagged on the project site. This is likely fewer than what the total, below ground tuber population is on site.

After discussions with Members of the Del Monte Forest conservancy, the Del Monte Forest Open Space Advisory Committee, The Pebble Beach company and Monterey County Resource Management Agency, the decision was made to mitigate for the impacts to the Lisbon Lane site by transplanting all the known *Piperia yadonii* plants from the Lisbon lane property to a receiver site approximately 6/10ths (.6) of a mile NE within one of the open space areas owned by the Pebble Beach company and applying additional replanting and enhancement measures on the Lisbon lane property.

The measures are summarized in this *Mitigation, and Monitoring Plan* together with success criteria and monitoring protocols to ensure that all preservation, restoration and habitat enhancement goals are met.

All restoration and habitat enhancement will take place within the Nase property impacted by the project on Lisbon Lane and a small 2500 square foot (+/-) receiver site in area H of the pebble beach company . MMP objectives include: 1) restoration and or enhancement of approximately 21,600 Square feet of Monterey Pine woodland in the east end of the Nase property to mitigate for the vegetation that will be permanently lost due to construction; 2) 1:1 replacement of Monterey Pine trees that will be removed by the project; 3) translocation of the approximately 437 *Piperia yadonii* plants from the Nase property and Pebble Beach right-of-way frontage of the Nase property to a 90' by 30' area within area H in the preservation property on Pebble Beach company land along Spruance road .6 mile NE of the Nase property. 4) Maintain population quantity and manage for population increase by sexual reproduction or reduction in nonnative competition in 2700 square foot receiver site.

## 2.0 Purpose

This *Mitigation and Monitoring Plan* serves as an appendix to the *Nase Property biological survey of November 30 2015* and subsequent *Piperia survey letter of March 14, 2016* and provides restoration and habitat enhancement techniques to minimize and mitigate known and potential impacts to sensitive biological resources resulting from the construction project. Through implementation of the MMP, potential impacts to biological resources would be reduced to less than significant levels.

Specific project impacts addressed in this plan include: 1) permanent loss of approximately 9500 square feet of Monterey Pine forest; 2) including removal of 46 Monterey pines (*Pinus radiata*); 3) removal by transplant, of approximately 437 individual plants of Yadon's rein orchid (*Piperia yadonii*).

Proposed minimization or mitigation measures for each impact are summarized in Table 1 below. Table 1. Impacts addressed in the RMMP and proposed minimization or mitigation measures.

Impact	Proposed Minimization or Mitigation Measure(s)
Permanent loss of approximately 10800 square feet (9500 square feet of final surface area with 1300 sq. feet of additional impact zone) Monterey Pine forest.	Enhancement, through weed eradication and replacement plantings of native species typical of the Monterey Pine forest, of 21,600 square feet of Monterey Pine forest on the east portion of the Nase property.
Removal of 46 Monterey pines ( <i>Pinus radiata</i> )	Replacement at rate of 1:1 in Landscape plan. See Landscape Plan Sheet L-5 and Title, Hall Landscape Design.
Removal by transplant, of approximately 437 individual plants of Yadon’s rein orchid ( <i>Piperia yadonii</i> )	Transplant 437 live tubers of <i>Piperia yadonii</i> from project impact area into receiver site along Spruance road in area H of Pebble Beach Company preservation property, in early Spring after foliage of current season’s growth has emerged but before flowering. Monitor for transplant success, seedling recruitment, and population size for 5 years following transplant. <i>Piperia</i> plants do not reliably sprout new foliage and/or flower stalks every year. 5 years should be sufficient to demonstrate survival of the transplants.

### 3.0 Responsible Parties

The project proponent (Werner Nase) shall, in cooperation with the Pebble Beach Company<sup>3</sup>, be responsible for ensuring completion of all required transplanting, maintenance, and monitoring. In addition, the project proponent shall submit copies of the annual monitoring report to the County of Monterey, Resource Management Agency, Planning Department, California Department of Fish and Game, the U.S. Fish and Wildlife Service and Pebble Beach Company

All transplanting and maintenance shall be performed under the direction of an approved biologist familiar with the identification and life history of *Piperia yadonii* (henceforth referred to as the Project Biologist). Enhancement of areas on the Nase property shall be conducted by a Restoration ecologist or Landscaper familiar with and experienced in native plant restoration and horticulture. (henceforth referred to as the Landscape Contractor) The Landscape Contractor shall be responsible for conducting all site preparation, planting, and maintenance per the details and specifications provided herein.

A qualified biologist (from the Monterey County list of approved consulting biologists) shall conduct all monitoring and preparation of annual monitoring reports.

### 4.0 Goals of MMP

RMMP goals are listed below per the areas to which they apply.

#### *Monterey Pine forest enhancement/ Restoration Site*

- 1) Eradicate majority of non-native grasses, weeds and introduced landscape plants, from eastern portion of Nase property.
- 2) Restore 19000 square foot area on east portion of Nase property using the dominant native species present on project site.
- 2) Replace all trees removed during construction.
- 3) Prevent invasive non-native plant species from colonizing soil disturbed during construction.
- 4) Maintain Native plant habitat with less than 10% nonnative species over course of monitoring period

#### *Piperia receiver/preservation Site*

- 1) Successfully transplant at least 437 *Piperia yadonii* tubers from the Nase property and Pebble Beach right of way into receiver site, avoiding any disruption to successful seed production.

---

<sup>3</sup> A memorandum of understanding and appropriate legal documentation of liability and shared responsibilities between Mr. Nase and the Pebble Beach Company will be prepared and signed before any of these activities take place

- 2) Restore 2700 Square feet of Monterey Pine woodland by removing and preventing establishment of new, or reestablishment of nonnative invasive weeds within the receiver site
- 3) Maintain Native Plant habitat with less than 10% nonnative species over course of monitoring period.

5.0 Proposed Restoration and Mitigation Sites

5.1 Lisbon Lane Restoration Site

5.1.1 Location, Size, and Status of Restoration Site.

One continuous strip of land running north to south along the east side of the Nase property and fronted on the North by the Pebble Beach right of way along Lisbon Lane and on the South by the Nase Property line and corresponding fence line with the neighboring property to the south, will be restored to Monterey Pine woodland. This strip of land is approximately 21,600 square feet running approximately 240 feet from North end to South end and 90 feet from east to west, between the proposed house and the eastern neighboring property. The site is currently occupied by a mixture of widely varying sized Monterey pine and Coast live oak trees, occasional native Shrubs such as Evergreen huckleberry and a dense understory of annual weedy grasses such as Rattlesnake grass, Ripgut brome, foxtail chess and Foxtail barley interspersed with introduced landscape plants like *Amaryllis belladonna* and *Epipactis helleborine* .

This area has been managed lightly over the years, primarily for fire fuel management. It appears it has also served at the depository for landscape clippings and waste from neighboring properties, hence the nonnative species introductions. Nonnative eradication and invasive weed management will be important

activities pre and post planting to ensure success of the native species.

This photo shows the proposed restoration area at the East end of the Nase property in November 2015 at the end of 4 years of severe drought.

## 5.2 Spruance Road *Piperia Yadonii* Receiver Site

### 5.2.1 Location, Size, and Status of *Piperia yadonii* Receiver site

The 2700 square foot receiver site is on the West side of Spruance road (a dirt road used for Fire safety and special transportation access for large Pebble Beach events) approximately 2/10ths of a mile north of its intersection with Ronda Road. The area is within mature Monterey pine forest with a mixture of smaller trees and shrubs including, Coast live oak, Toyon, Poison oak, and nonnative *Acacia* sp. and *Genista monspessulana* with little to no herbaceous understory. Previous to translocating the *Piperia* tubers from the Nase property to this location it will be prepared by removing the entire *Acacia* plants as well the *Genista* and the fallen oak tree seen in the photo below. Just east of this location, on the other side of Spruance road is a population of *Piperia yadonii* that will be used as a reference population to compare with the translocated plants to determine expected foliage emergence and flowering and reproduction in each year of the monitoring of the translocated plants.

## 5.3 Monterey Pine Planting Site (locations on Lisbon Lane property other than the Eastern restoration area)

### 5.3.1 Location, Size, and Status of Monterey Pine Planting Sites

Monterey pine replacement is incorporated into the landscape planting plan (Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte forest. As Monterey Pines are presently scattered over much of the project area in sizes varying from seedlings to over 40 feet tall, it is apparent that conditions are suitable for establishing new container grown trees throughout.

## 6.0 Implementation Plan

6.1 Planting Stock

The Landscape Contractor shall be responsible for procuring all container stock and ensuring that all plant materials specified as site specific are produced from site-specific materials (seed, divisions or cuttings). All container stock shall be healthy, pest-, and disease-free. Root-bound trees shall be rejected. The Landscape Contractor shall also verify that plant materials match the genus, species, and size specified in the planting list for each area. If a specified container type is unavailable, the Landscape Contractor may substitute another container type, provided the substituted container is close to the original in volume and depth. \*It is critical that the project proponent and or owner identify a nursery to begin collecting and growing the specified plants as soon as possible to ensure availability for the eventual Landscape contractor.

The number of plants required for the restoration site assumes that roots of all existing native trees and shrubs in this area will remain intact after weed eradication efforts. Spacing of new plants will be done with existing tree canopy, root competition and ultimate mature sizes of plants in mind. An average spacing of approximately 4 feet on center will be applied to all plant species. The Landscape Contractor may adjust quantities based on observed site conditions after all construction and weed control is finished. A list of all plant materials required for the restoration area is provided below in Table 2.

Table 2: Plants for Restoration/Enhancement and Preservation Areas

Common Name	Scientific Name	Quantity	Size
Restoration area C			
Evergreen huckleberry	<i>Vaccinium ovatum</i>	10	1 gallon container (minimum) or transplant from impact area
Dune goldenrod	<i>Solidago spathulata</i>	30	1 gallon or transplant from impact area
Douglass iris	<i>Iris douglasiana</i>	30	1 gallon or transplant from impact area

Common Name	Scientific Name	Quantity	Size
Creeping snowberry	<i>Symphoricarpos mollis</i>	10	1 gallon or transplant from impact area
Common yarrow	<i>Achillea millefolium</i>	30	Stubby cell
Sticky monkeyflower	<i>Mimulus aurantiacus</i>	20	stubby cell
Deer weed	<i>Acmispon glaber</i>	20	stubby cell
Monterey Pine	<i>Pinus radiata</i>	45	5 gallon
Transplants of Yadon's rein orchid to preservation area H in Del Monte Forest			
Yadon's rein orchid	<i>Piperia yadonii</i>	437 (approximate +/-)	In soil wedges

Container sizes referenced:

Stubby cell = ray leach cone-tainer RC7 1.5" diameter by 5.5" deep bullet shaped tube  
 1 gallon = 6.5" diameter by 7.5" deep

6.2 *Planting and Transplanting Schedule*

All planting for the restoration area shall begin after initial weed control efforts have been completed. Planting shall begin shortly after rains have saturated the soil to at least 8" depth and more rain is expected - typically December 1<sup>st</sup>- January 15<sup>th</sup>. Planting should be completed by April 15.

If permitting and construction schedules prevent implementation of the planting plan during the December to April period, supplemental watering for establishment of the native species will be required.

Transplanting of Yadon's rein orchid from within the project impact area on Lisbon Lane into the preservation area receiver site on Spruance Road will take place between October 15 and March 15. This allows for transplant to occur while all tubers are dormant up to the point when the majority of tubers have sent up vegetative shoots but before flower stalks appear.

Even if permitting and construction schedules prevent implementation of the transplanting plan during the October to March period, to avoid disrupting seed production, the transplant process will be restricted to that period in which the plants are dormant, post flower and seed production up until the first flowering stalks are observed to be rising out of the foliage of known *Piperia* plants on the Lisbon Lane site. A qualified Biologist on the Monterey County list of approved consulting Biologists will monitor the population up until the date that the project is approved to proceed, then confer with USFWS and Pebble Beach company biologists to evaluate the status of the plants and whether it is feasible to commence

transplantation efforts. During this monitoring period, all plants sending up new foliage will be documented and marked with flags other than the orange color used during the initial monitoring in Spring 2016. This will assist in determining the size of each patch for the tree spade operator and simplify the transplant process, if it becomes necessary to do it in the fall of 2017 by marking every foliage producing tuber even after all above ground growth has withered and senesced. Based on the monitoring, the project biologist will determine when the transplant will occur and how much area will be scooped out and transferred to the Spruance road receiver site. If, at the point the project is approved to proceed, plants in the Lisbon Lane property are observed to be sending up flowering stalks,<sup>4</sup>the project will be delayed until plants have gone dormant in the fall of 2017.

### 6.3 Site Preparation

The Monterey Pine restoration/enhancement area on the Nase property shall be mowed or cut with weed eater to 2" or less prior to planting. After the rainy season has begun and annual weeds have sprouted, the entire area will be sprayed with a glyphosate based herbicide (Roundup or equivalent). No native shrubs or trees are to be sprayed and extreme care shall be taken to avoid overspray on to existing natives and plants on neighboring property. Once first application has taken effect, if re-growth of nonnative annuals or perennials is observed, these plants should get a second application of the herbicide spot sprayed as needed. Every effort to avoid additional disturbance of the soil other than digging holes for new plants shall be made.

The *Piperia* Receiver site in the preservation area H will require little preparation aside from the removal of large Acacia plants and a dead oak tree as well as 3-5" of leaf litter from Pines and Acacias on the site. The site for the transplanted *Piperia* was selected based on similarities to the area they will be transplanted from. The Acacia trees have allelopathically limited the growth of understory plants for an extended period. Removal of the Acacia trees (roots and all) and the accumulated leaf litter will improve conditions for native understory plants to recolonize this area. After the Acacia and oak trunk have been removed, a tree spade attached to a tractor will be used to excavate a hole at the chosen receiver site. The Tractor will then go to the Nase property and begin taking "wedges" of *Piperia* occupied soil. The tubers of *Piperia* along with all the companion vegetation will be excavated in a wedge of soil by the tree spade and taken to the receiver site where they will be placed into the wedge-shaped excavations prepared for them. The soil excavated from the receiver site and the accumulated leaf litter raked from the site will be disposed of in another location as worked out with Pebble Beach company.

---

<sup>4</sup> It may be possible to move some of the Lisbon lane population even after some plants begin flowering, but this decision will be made in consultation with USFWS staff. In 2016, plants in the eastern portion had flowered and senesced by late July and some plants in the Western portion had not yet put up flowering stalks until September.

## 6.4 *Planting Methods*

### 6.4.1 Lisbon Lane Restoration Site

Containerized restoration plants shall be installed per the 8' average minimum spacing and numbers provided in Table 2. The locations of planting areas are not specified now and are open to the discretion of the Landscape contractor in coordination with the project Biologist, based on existing shrubs and trees and results of weed eradication activities. Container stock shall be planted with the minimum amount of soil disturbance possible to ensure the least amount of exposure of old weed seeds in the soil. Due to the loose sandy conditions, holes should be excavated with narrow trench shovels or tools designed for planting stubby cell leach tubes. Holes just deep enough for the container size shall be excavated and soil temporarily "stored" in a bucket to prevent spreading onto undisturbed areas. Plants should be placed into holes with the top of the root ball flush with the surrounding soil level and carefully firmed into place with the excavated soil then gently watered in.

6.4.2 Transplanted perennials and shrubs shall be prepared for transplant by carefully pruning back top growth (50% or less) and excavating around the root system to free up the entire root mass. Receiver sites shall be prepared ahead of time with holes dug wide and deep enough to hold the entire root system and well-watered to hydrate the surrounding soil. Plants shall be removed from the impact area and transplanted to the receiver site as soon as physically possible. Plants should be placed so that the root crown sits at the same height in relation to surrounding soil as it did in its original location. Excavated soil is then replaced around the plant and it should be thoroughly soaked to settle the soil around the roots.

All plants (from containers or transplant) shall be mulched with 3" of weed-free mulch (e.g. shredded bark or coconut fiber) in a 4-6" ring around the plant. Mulch shall be pulled back an inch from the base of plants to prevent rot. All plants shall be watered well after planting.

### 6.4.3 Spruance Road *Piperia yadonii* Receiver Site

Transplanted *Piperia* tubers will *not* be individually excavated by hand. *Piperia* plants will be scooped up with soil intact and carried from the donor site to the receiver site inside the tree spade. All receiver sites shall be identified and prepared before the *Piperia* plant "Wedges" are excavated. Tubers shall be transplanted from the donor to the receiver sites as soon as physically possible after being scooped up, and placed in excavated holes in the same position and at the same depth as was removed from the donor site. Each soil wedge location will be photographed, flagged, numbered and all visible *Piperia* plants mapped using a Global positioning system (GPS) device to aid future monitoring.

Until ground breaking for construction of the single-family residence occurs, the Lisbon Lane property will continue to be monitored for *Piperia* foliage, and plants documented will be flagged and transplanted to the Spruance road receiver site at the appropriate time.

During initial groundbreaking activities in the proposed driveway, garage, house and front fence areas, the project biologist shall be on site to monitor and screen samples of soil to search for additional *Piperia*

tubers that may not have produced foliage or flower and still be present after the main transplant effort has concluded. Found tubers will be documented, photographed and transplanted into the receiver site within a soil wedge previously translocated from the Lisbon lane property.

6.4.4 Seed sowing<sup>5</sup> of *Piperia yadonii* shall be done by hand into open spaces between the translocated soil wedges in the preservation area. The receiver area shall be lightly raked with a bow rake or metal tined leaf rake to remove leaf litter and create rough areas for the seed to settle in. Light tamping to maximize seed contact with soil can be achieved by walking back and forth over the seeded area. No watering is necessary, as germination timing and establishment will be dependent upon natural rainfall.

## 7.0 Maintenance During Monitoring Period

### 7.1 Maintenance Activities

#### Watering

Transplanted and container stock at the Lisbon Lane property and transplants at the Spruance road preservation receiver site shall be watered by hand using a water truck or on site irrigation connection, if low rainfall conditions threaten plant survival between the winter planting date and June 1<sup>st</sup>. Plants are not expected to require summer water provided all container stock is installed prior to March 15, planted per specifications, and adequately watered (by hand if necessary) through June 1<sup>st</sup>. However, it is the responsibility of the Landscape Contractor to ensure the plants' survival. Therefore, it is recommended that the Landscape Contractor monitor plant performance during spring/summer weed control visits and hand water once every 2 weeks through the first summer *if necessary*. All watering may cease after the start of winter rains the year after planting.

#### Weed Control

Weed control may be the single most important element of establishing a healthy restoration of habitat and protecting the long-term viability of a *Piperia yadonii* population. The goals of weed control on site are to: 1) prevent the spread of invasive non-native species to areas disturbed during

<sup>5</sup> Depending on timing of project commencement, *Piperia yadonii* seed, if available, may be collected from plants on the Nase property and sown at the receiver site after the translocation occurs.

construction and transplantation; 2) reduce or eliminate weed competition with planted stock and translocated tubers; and 3) eradicate existing invasive weeds from restoration and preservation sites

Following planting, the restoration/enhancement and preservation areas shall be weeded on a regular basis (January, April, July and October) for at least five years, or until success criteria are met. Weeding should be conducted under the direction of a qualified biologist and laborers shall be trained in the recognition of both the nonnative species to be removed as well as the native species to protect and leave in place. (Photo at bottom of previous page shows mix of native and nonnative species around *Piperia* foliage) Weeding efforts shall target annual grasses, introduced nonnative landscape plants, and *Genista* and *Acacia* in the restoration/enhancement site on the Lisbon lane property, and include any and all non-native species in the preservation site along Spruance road

## 7.2 Maintenance Schedule

### Lisbon Lane Restoration Site

The maintenance period shall begin after planting is completed, and continue for at least 5 years until success criteria have been met. Maintenance activities will include weeding the restoration/enhancement and preservation receiver site as well as watering at both sites as needed. Weeding shall be performed at least three times each year between January and July and again in Autumn as necessary. Container stock shall be watered by hand if low rainfall conditions threaten plant survival between the winter planting date and June 1<sup>st</sup>. The later the planting date occurs, the later the supplemental watering should continue. Due to the small container size of planted stock, late summer and fall watering should not be necessary. However, plant performance should be monitored by the Landscape Contractor during spring/summer weed control visits and *if necessary*, plants watered once a month until the onset of the next rainy season..

### Spruance Road *Piperia* Yadonii Receiver Site

Translocated *Piperia* plants should be watered by hand (Using a water truck or carried in buckets) immediately after the translocation process has concluded and repeated no more than two weeks apart or two weeks after the most recent rainfall if rainfall occurs less than two weeks after translocation until June 1. Timing of the transplant will also affect the watering regime here. The later the transplant the later into the year the supplemental watering should occur. Watering should be done sparingly in any case as early dormancy from drought stress is preferable to rotting the tubers from too much water.

## 8.0 Monitoring Plan

Monitoring of both the restoration/enhancement site and the preservation receiver site will occur 4 times a year for 5 full years after completion of the project.

## 8.1 Intermediate Performance Standards and Final Success Criteria

Intermediate performance standards for Years 1 and 2 and final success criteria for Year 5 are listed below by area.

### Lisbon Lane Restoration Site

#### Intermediate performance standards:

- 1) 90% survival of all container stock combined in fall of Year 1 (the first fall after planting)
- 2) Total non-native species cover 15% or less in spring of Year 1; 10% or less in spring of Year 2 and thereafter

#### Final success criteria:

- 1) Total percent of vegetative cover 90% native species or greater in spring of Year 5
- 2) Total non-native species cover 10% or less in spring of Year 5

### Spruance Road *Piperia yadonii* Receiver Site

#### Intermediate performance standards:

- 1) Total number of *Piperia* tubers sprouting foliage within the translocation receiver area, first year equal to 25% of original transplant number.  
Total number of *Piperia* tubers sprouting foliage within the translocation receiver area, years two and three equal to 50% of original transplant number.  
Total number of *Piperia* tubers sprouting foliage within the translocation receiver area, year 4 equal to 75% of original transplant number.
- 2) total vegetative cover of nonnative species within translocation receiver site 10% or less in year one and 5% or less in years 2-4

#### Final success criterion:

Total number of *Piperia* tubers within the translocation receiver site sprouting foliage in fifth year equal to 100% of original transplanted number and total area (square feet) of receiver site occupied by *Piperia* plants increased from original transplant area.

Plants existing within the preservation area, directly south of the receiver site on the opposite side of Spruance road will be monitored each of the next 5 years to use as a control baseline for determining conditions for foliage growth and blooming in each year and to provide data regarding the stability of the overall *Piperia* population within the Preservation area. A four-year percentage average (of plants counted, mapped and monitored starting in winter 2017) of the total plants putting up foliage and flower will be used as an indicator of success (or failure) in comparison to the number of plants putting up foliage and flower in the receiver site in a specific year. It is expected that the success rate (foliage and flower production) in the Receiver site will dip in the first one to two years as compared to the control site and rebound to similar rates in the 4<sup>th</sup> and 5<sup>th</sup> years. If after 4 years of monitoring, the number of plants putting up foliage growth is below 437, or below the average percentage in the control side, monitoring will be extended for up to two additional years to account for variables in weather patterns, transplant shock,

disease or mortality due to herbivory. If the 5th year count is below 437 plants putting up new foliage, the project proponent will consult with the County of Monterey and the US Fish and wildlife service to determine an appropriate alternate mitigation such as funding protection of a known population in a nearby area or extended monitoring and reporting to determine reasons for the population decline as well as potential remedial actions beneficial to future *Piperia* management activities.

Monterey Pine Planting Sites as noted on Hall Landscape Design landscape planting plan sheet L-5

Intermediate performance standard:

- 1) 100% survival of planted pines in fall of Years 1 and 2<sup>6</sup>

Final success criterion:

- 1) 100% survival of planted pines in fall of Year 5

*8.2 Monitoring Methods*

All monitoring of the containerized stock and transplanted shrubs and perennials in the restoration/enhancement site and the translocated *Piperia* plants in the preservation receiver site shall be completed by a qualified biologist, from the Monterey County list of consulting biologists. Percent cover monitoring shall be performed in the spring. Percent cover of Annual grasses, Genista, and other nonnative weeds may be visually estimated for each site after searching the entire area thoroughly.

For the restoration/enhancement site, additional required native cover data shall be collected quantitatively. Line transects shall be randomly placed per a stratified sampling design, based on the total area of that site. A total of at least 4 15-ft transects shall be placed across the restoration area. 10 points per transect shall be sampled for total cover by recording all species that occur at each point. Percent cover of native species, non-native species, and bare ground shall then be calculated for each transect. Mean and standard error for each cover class shall then be calculated for all transects combined and compared to performance standards/success criteria.

Survival/mortality shall be determined quantitatively in year one for the restoration/enhancement area. Subsampling is recommended to reduce sampling time. Subsampled individuals should be randomly selected before or immediately following planting. Each plant within the subsample should be well marked for easy relocation during fall monitoring.

*8.3 Annual Reports*

In December of each year, the project proponent shall submit annual monitoring reports to the County of Monterey RMA Planning department, U.S. Fish and Wildlife Service, California Department of Fish and

---

<sup>6</sup> Ono Tree management plan calls for 100% survival of planted stock. All trees that die will be replaced to meet 100% success.

Wildlife and Pebble Beach Company, for a total of 5 years. The first report shall be submitted in December of the year in which all planting and translocation has been concluded. Monitoring reports shall include methods, results, analysis of results, photo documentation, discussion of results relative to performance standards/success criteria, and recommended remedial measures if necessary.

#### 8.4 *Monitoring Schedule*

Monitoring of translocated *Piperia* plants in the receiver site shall occur once a month for the first 6 months after transplant. Annual monitoring for all areas shall be performed in the early spring (March – April) and late summer (August – September) of Years 1, 2, 3, 4 and 5. If final success criteria are met Year 5, all monitoring may cease. If final success criteria are not met Year 5, remedial planting and weed control shall be performed and the site monitored again the following year.

#### 9.0 *Completion of Mitigation*

Mitigation shall be considered complete once the Year 5 annual monitoring report has been submitted and all success criteria have been met to the satisfaction of the County of Monterey Planning Department, U.S. Fish and Wildlife Service and California Department of Fish and Wildlife. If the site does not meet final success criteria at the end of the 5-year monitoring period, contingency measures shall be implemented (see below) or success criteria modified with approval of the reviewing agencies listed above. Success criteria shall be waived in the event of high plant mortality due to prolonged drought, or other adverse circumstances beyond the project proponent's control.

#### 10.0 *Contingency Measures*

##### Lisbon Lane Restoration Site

If the site does not meet final success criteria at the end of 5 years, additional planting and weed control shall be implemented the following winter to meet success criteria. Monitoring shall be repeated in the spring and fall following planting, and an annual report submitted to the agencies (see Section 9.0) in December.

##### Spruance Road *Piperia yadonii* Receiver Site

If the Site does not meet final success criteria at the end of 5 years, the project proponent (and/or project biologist) shall consult with US Fish and Wildlife staff on appropriate measures to take based on monitoring results and research that has been conducted on Pebble Beach Company property. Measures may include additional monitoring time, Soil treatments, Seeding in other areas and or increased weed control.

# MITIGATION AND MONITORING PLAN FOR 1412 LISBON LANE, PEBBLE BEACH, CA

## ABSTRACT

A mitigation and monitoring plan to offset the impacts to Monterey Pine woodland and *Piperia yadonii* plants resulting from the construction of a single-family residence and appurtenant development at 1412 Lisbon Lane, Pebble Beach California. Revised 2/08/2017

## Mitigation and Monitoring Plan

### 1.0 Summary

Mr. Werner Nase has proposed to construct a 5656 square foot single family residence at Lisbon Lane in Pebble Beach California. The property is within the developed neighborhood of Pebble Beach and is surrounded on all sides by development and Lisbon lane. There is no open space interface between the Nase property and undeveloped property. The project includes grading, removal of 46 Pine trees<sup>1</sup> of varying age and health and construction of the residence with attached 3 car garage and driveway and other hardscape features totaling 9449 square feet. The project site encompasses just under one acre (43,456 square feet) of mostly disturbed Monterey Pine woodland. Within the Nase property and a section of Pebble Beach right-of-way along the southern side of Lisbon Lane are 5 individual separate areas of *Piperia yadonii* habitat containing a total of approximately 437 (at minimum<sup>2</sup>) individual *Piperia* plants. This is a federally listed Endangered species, State Rare plant rank 1B.1 (Rare, threatened, or endangered in California and elsewhere .1: Seriously endangered in California). The development of the project will significantly impact the population with direct impacts to plants in the development footprint and indirect impacts to the *Piperia* and Monterey pine woodland habitat.

The overall population of *Piperia yadonii* extends from the Pebble beach right-of-way frontage directly adjacent to Lisbon lane, into the very back of the proposed construction footprint. In February of 2017 I counted at least 437 individual plants of *Piperia* with the clear majority of them within the right-of-way or just inside the north edge of the Nase property. 59 of those are within the actual house footprint. The *Piperia* population footprint is somewhat shaped like a capital T with the top of the T running east to west along the frontage of Lisbon lane and the post of the T running south through the middle of the property through to the SE corner of the proposed house footprint. This poses a few issues with mitigation. Mr. Nase and I have reviewed the potential mitigation possibilities; in order of magnitude they are:

- 1.Total avoidance - Redesign project to totally avoid all plants. Not possible unless project completely changed to a much smaller house and driveway and development footprint is moved to Southern edge of lot. Long term indirect impacts of development and surrounding neighborhood would likely still cause decline of population.
2. Large percentage avoidance and mitigate by transplanting plants from building footprint to frontage of property and Pebble Beach right-of-way, maintain and monitor for success for 5 years. Long term indirect impacts of development and surrounding neighborhood would likely still cause decline of population.
3. Proceeding with the development plan as is, mitigating for *Piperia yadonii* impacts offsite in one of multiple receiver site possibilities; transplanting all known plants to chosen receiver site in Del Monte forest, maintain and monitor for success for 5 years. Mitigate for loss of Pine trees and pine woodland by replanting on Lisbon lane site.

---

<sup>1</sup> See Frank Ono *Tree Resource Assessment Management Plan December 2015*

<sup>2</sup> As of February 7, 2017, 437 individual plants (newly emerged single or double leaf) have been flagged on the project site. This is likely fewer than what the total, below ground tuber population is on site.

After discussions with Members of the Del Monte Forest conservancy, the Del Monte Forest Open Space Advisory Committee, The Pebble Beach company and Monterey County Resource Management Agency, the decision was made to mitigate for the impacts to the Lisbon Lane site by transplanting all the known *Piperia yadonii* plants from the Lisbon lane property to a receiver site approximately 6/10ths (.6) of a mile NE within one of the open space areas owned by the Pebble Beach company and applying additional replanting and enhancement measures on the Lisbon lane property.

The measures are summarized in this *Mitigation, and Monitoring Plan* together with success criteria and monitoring protocols to ensure that all preservation, restoration and habitat enhancement goals are met.

All restoration and habitat enhancement will take place within the Nase property impacted by the project on Lisbon Lane and a small 2500 square foot (+/-) receiver site in area H of the pebble beach company . MMP objectives include: 1) restoration and or enhancement of approximately 21,600 Square feet of Monterey Pine woodland in the east end of the Nase property to mitigate for the vegetation that will be permanently lost due to construction; 2) 1:1 replacement of Monterey Pine trees that will be removed by the project; 3) translocation of the approximately 437 *Piperia yadonii* plants from the Nase property and Pebble Beach right-of-way frontage of the Nase property to a 90' by 30' area within area H in the preservation property on Pebble Beach company land along Spruance road .6 mile NE of the Nase property. 4) Maintain population quantity and manage for population increase by sexual reproduction or reduction in nonnative competition in 2700 square foot receiver site.

## 2.0 Purpose

This *Mitigation and Monitoring Plan* serves as an appendix to the *Nase Property biological survey of November 30 2015* and subsequent *Piperia survey letter of March 14, 2016* and provides restoration and habitat enhancement techniques to minimize and mitigate known and potential impacts to sensitive biological resources resulting from the construction project. Through implementation of the MMP, potential impacts to biological resources would be reduced to less than significant levels.

Specific project impacts addressed in this plan include: 1) permanent loss of approximately 9500 square feet of Monterey Pine forest; 2) including removal of 46 Monterey pines (*Pinus radiata*); 3) removal by transplant, of approximately 437 individual plants of Yadon's rein orchid (*Piperia yadonii*).

Proposed minimization or mitigation measures for each impact are summarized in Table 1 below. Table 1. Impacts addressed in the RMMP and proposed minimization or mitigation measures.

Impact	Proposed Minimization or Mitigation Measure(s)
Permanent loss of approximately 10800 square feet (9500 square feet of final surface area with 1300 sq. feet of additional impact zone) Monterey Pine forest.	Enhancement, through weed eradication and replacement plantings of native species typical of the Monterey Pine forest, of 21,600 square feet of Monterey Pine forest on the east portion of the Nase property.
Removal of 46 Monterey pines ( <i>Pinus radiata</i> )	Replacement at rate of 1:1 in Landscape plan. See Landscape Plan Sheet L-5 and Title, Hall Landscape Design.
Removal by transplant, of approximately 437 individual plants of Yadon’s rein orchid ( <i>Piperia yadonii</i> )	Transplant 437 live tubers of <i>Piperia yadonii</i> from project impact area into receiver site along Spruance road in area H of Pebble Beach Company preservation property, in early Spring after foliage of current season’s growth has emerged but before flowering. Monitor for transplant success, seedling recruitment, and population size for 5 years following transplant. <i>Piperia</i> plants do not reliably sprout new foliage and/or flower stalks every year. 5 years should be sufficient to demonstrate survival of the transplants.

### 3.0 Responsible Parties

The project proponent (Werner Nase) shall, in cooperation with the Pebble Beach Company<sup>3</sup>, be responsible for ensuring completion of all required transplanting, maintenance, and monitoring. In addition, the project proponent shall submit copies of the annual monitoring report to the County of Monterey, Resource Management Agency, Planning Department, California Department of Fish and Game, the U.S. Fish and Wildlife Service and Pebble Beach Company

All transplanting and maintenance shall be performed under the direction of an approved biologist familiar with the identification and life history of *Piperia yadonii* (henceforth referred to as the Project Biologist). Enhancement of areas on the Nase property shall be conducted by a Restoration ecologist or Landscaper familiar with and experienced in native plant restoration and horticulture. (henceforth referred to as the Landscape Contractor) The Landscape Contractor shall be responsible for conducting all site preparation, planting, and maintenance per the details and specifications provided herein.

A qualified biologist (from the Monterey County list of approved consulting biologists) shall conduct all monitoring and preparation of annual monitoring reports.

### 4.0 Goals of MMP

RMMP goals are listed below per the areas to which they apply.

#### *Monterey Pine forest enhancement/ Restoration Site*

- 1) Eradicate majority of non-native grasses, weeds and introduced landscape plants, from eastern portion of Nase property.
- 2) Restore 19000 square foot area on east portion of Nase property using the dominant native species present on project site.
- 2) Replace all trees removed during construction.
- 3) Prevent invasive non-native plant species from colonizing soil disturbed during construction.
- 4) Maintain Native plant habitat with less than 10% nonnative species over course of monitoring period

#### *Piperia receiver/preservation Site*

- 1) Successfully transplant at least 437 *Piperia yadonii* tubers from the Nase property and Pebble Beach right of way into receiver site, avoiding any disruption to successful seed production.

---

<sup>3</sup> A memorandum of understanding and appropriate legal documentation of liability and shared responsibilities between Mr. Nase and the Pebble Beach Company will be prepared and signed before any of these activities take place

2) Restore 2700 Square feet of Monterey Pine woodland by removing and preventing establishment of new, or reestablishment of nonnative invasive weeds within the receiver site

3) Maintain Native Plant habitat with less than 10% nonnative species over course of monitoring period.

## 5.0 Proposed Restoration and Mitigation Sites

### 5.1 Lisbon Lane Restoration Site

#### 5.1.1 Location, Size, and Status of Restoration Site.

One continuous strip of land running north to south along the east side of the Nase property and fronted on the North by the Pebble Beach right of way along Lisbon Lane and on the South by the Nase Property line and corresponding fence line with the neighboring property to the south, will be restored to Monterey Pine woodland. This strip of land is approximately 21,600 square feet running approximately 240 feet from North end to South end and 90 feet from east to west, between the proposed house and the eastern neighboring property. The site is currently occupied by a mixture of widely varying sized Monterey pine and Coast live oak trees, occasional native Shrubs such as Evergreen huckleberry and a dense understory of annual weedy grasses such as Rattlesnake grass, Ripgut brome, foxtail chess and Foxtail barley interspersed with introduced landscape plants like *Amaryllis belladonna* and *Epipactis helleborine* .

This area has been managed lightly over the years, primarily for fire fuel management. It appears it has also served at the depository for landscape clippings and waste from neighboring properties, hence the nonnative species introductions. Nonnative eradication and invasive weed management will be important

activities pre and post planting to ensure success of the native species.

This photo shows the proposed restoration area at the East end of the Nase property in November 2015 at the end of 4 years of severe drought.

## 5.2 Spruance Road *Piperia yadonii* Receiver Site

### 5.2.1 Location, Size, and Status of *Piperia yadonii* Receiver site

The 2700 square foot receiver site is on the West side of Spruance road (a dirt road used for Fire safety and special transportation access for large Pebble Beach events) approximately 2/10ths of a mile north of its intersection with Ronda Road. The area is within mature Monterey pine forest with a mixture of smaller trees and shrubs including, Coast live oak, Toyon, Poison oak, and nonnative *Acacia* sp. and *Genista monspessulana* with little to no herbaceous understory. Previous to translocating the *Piperia* tubers from the Nase property to this location it will be prepared by removing the entire *Acacia* plants as well the *Genista* and the fallen oak tree seen in the photo below. Just east of this location, on the other side of Spruance road is a population of *Piperia yadonii* that will be used as a reference population to compare with the translocated plants to determine expected foliage emergence and flowering and reproduction in each year of the monitoring of the translocated plants.

## 5.3 Monterey Pine Planting Site (locations on Lisbon Lane property other than the Eastern restoration area)

### 5.3.1 Location, Size, and Status of Monterey Pine Planting Sites

Monterey pine replacement is incorporated into the landscape planting plan (Hall Landscape Design Sheet L-5) throughout the approximately 1 acre project site. To the greatest degree feasible, all trees used for replacement trees will be grown from seed collected on the project site or within the Del Monte forest. As Monterey Pines are presently scattered over much of the project area in sizes varying from seedlings to over 40 feet tall, it is apparent that conditions are suitable for establishing new container grown trees throughout.

## 6.0 Implementation Plan

6.1 Planting Stock

The Landscape Contractor shall be responsible for procuring all container stock and ensuring that all plant materials specified as site specific are produced from site-specific materials (seed, divisions or cuttings). All container stock shall be healthy, pest-, and disease-free. Root-bound trees shall be rejected. The Landscape Contractor shall also verify that plant materials match the genus, species, and size specified in the planting list for each area. If a specified container type is unavailable, the Landscape Contractor may substitute another container type, provided the substituted container is close to the original in volume and depth. \*It is critical that the project proponent and or owner identify a nursery to begin collecting and growing the specified plants as soon as possible to ensure availability for the eventual Landscape contractor.

The number of plants required for the restoration site assumes that roots of all existing native trees and shrubs in this area will remain intact after weed eradication efforts. Spacing of new plants will be done with existing tree canopy, root competition and ultimate mature sizes of plants in mind. An average spacing of approximately 4 feet on center will be applied to all plant species. The Landscape Contractor may adjust quantities based on observed site conditions after all construction and weed control is finished. A list of all plant materials required for the restoration area is provided below in Table 2.

Table 2: Plants for Restoration/Enhancement and Preservation Areas

Common Name	Scientific Name	Quantity	Size
Restoration area C			
Evergreen huckleberry	<i>Vaccinium ovatum</i>	10	1 gallon container (minimum) or transplant from impact area
Dune goldenrod	<i>Solidago spathulata</i>	30	1 gallon or transplant from impact area
Douglass iris	<i>Iris douglasiana</i>	30	1 gallon or transplant from impact area

Common Name	Scientific Name	Quantity	Size
Creeping snowberry	<i>Symphoricarpos mollis</i>	10	1 gallon or transplant from impact area
Common yarrow	<i>Achillea millefolium</i>	30	Stubby cell
Sticky monkeyflower	<i>Mimulus aurantiacus</i>	20	stubby cell
Deer weed	<i>Acmispon glaber</i>	20	stubby cell
Monterey Pine	<i>Pinus radiata</i>	45	5 gallon
Transplants of Yadon's rein orchid to preservation area H in Del Monte Forest			
Yadon's rein orchid	<i>Piperia yadonii</i>	437 (approximate +/-)	In soil wedges

Container sizes referenced:

Stubby cell = ray leach cone-tainer RC7 1.5" diameter by 5.5" deep bullet shaped tube

1 gallon = 6.5" diameter by 7.5" deep

## 6.2 Planting and Transplanting Schedule

All planting for the restoration area shall begin after initial weed control efforts have been completed. Planting shall begin shortly after rains have saturated the soil to at least 8" depth and more rain is expected - typically December 1<sup>st</sup>- January 15<sup>th</sup>. Planting should be completed by April 15.

If permitting and construction schedules prevent implementation of the planting plan during the December to April period, supplemental watering for establishment of the native species will be required.

Transplanting of Yadon's rein orchid from within the project impact area on Lisbon Lane into the preservation area receiver site on Spruance Road will take place between October 15 and March 15. This allows for transplant to occur while all tubers are dormant up to the point when the majority of tubers have sent up vegetative shoots but before flower stalks appear.

Even if permitting and construction schedules prevent implementation of the transplanting plan during the October to March period, to avoid disrupting seed production, the transplant process will be restricted to that period in which the plants are dormant, post flower and seed production up until the first flowering stalks are observed to be rising out of the foliage of known *Piperia* plants on the Lisbon Lane site. A qualified Biologist on the Monterey County list of approved consulting Biologists will monitor the population up until the date that the project is approved to proceed, then confer with USFWS and Pebble Beach company biologists to evaluate the status of the plants and whether it is feasible to commence

transplantation efforts. During this monitoring period, all plants sending up new foliage will be documented and marked with flags other than the orange color used during the initial monitoring in Spring 2016. This will assist in determining the size of each patch for the tree spade operator and simplify the transplant process, if it becomes necessary to do it in the fall of 2017 by marking every foliage producing tuber even after all above ground growth has withered and senesced. Based on the monitoring, the project biologist will determine when the transplant will occur and how much area will be scooped out and transferred to the Spruance road receiver site. If, at the point the project is approved to proceed, plants in the Lisbon Lane property are observed to be sending up flowering stalks, <sup>4</sup>the project will be delayed until plants have gone dormant in the fall of 2017.

### 6.3 Site Preparation

The Monterey Pine restoration/enhancement area on the Nase property shall be mowed or cut with weed eater to 2" or less prior to planting. After the rainy season has begun and annual weeds have sprouted, the entire area will be sprayed with a glyphosate based herbicide (Roundup or equivalent). No native shrubs or trees are to be sprayed and extreme care shall be taken to avoid overspray on to existing natives and plants on neighboring property. Once first application has taken effect, if re-growth of nonnative annuals or perennials is observed, these plants should get a second application of the herbicide spot sprayed as needed. Every effort to avoid additional disturbance of the soil other than digging holes for new plants shall be made.

The *Piperia* Receiver site in the preservation area H will require little preparation aside from the removal of large Acacia plants and a dead oak tree as well as 3-5" of leaf litter from Pines and Acacias on the site. The site for the transplanted *Piperia* was selected based on similarities to the area they will be transplanted from. The Acacia trees have allelopathically limited the growth of understory plants for an extended period. Removal of the Acacia trees (roots and all) and the accumulated leaf litter will improve conditions for native understory plants to recolonize this area. After the Acacia and oak trunk have been removed, a tree spade attached to a tractor will be used to excavate a hole at the chosen receiver site. The Tractor will then go to the Nase property and begin taking "wedges" of *Piperia* occupied soil. The tubers of *Piperia* along with all the companion vegetation will be excavated in a wedge of soil by the tree spade and taken to the receiver site where they will be placed into the wedge-shaped excavations prepared for them. The soil excavated from the receiver site and the accumulated leaf litter raked from the site will be disposed of in another location as worked out with Pebble Beach company.

---

<sup>4</sup> It may be possible to move some of the Lisbon lane population even after some plants begin flowering, but this decision will be made in consultation with USFWS staff. In 2016, plants in the eastern portion had flowered and senesced by late July and some plants in the Western portion had not yet put up flowering stalks until September.

## 6.4 *Planting Methods*

### 6.4.1 Lisbon Lane Restoration Site

Containerized restoration plants shall be installed per the 8' average minimum spacing and numbers provided in Table 2. The locations of planting areas are not specified now and are open to the discretion of the Landscape contractor in coordination with the project Biologist, based on existing shrubs and trees and results of weed eradication activities. Container stock shall be planted with the minimum amount of soil disturbance possible to ensure the least amount of exposure of old weed seeds in the soil. Due to the loose sandy conditions, holes should be excavated with narrow trench shovels or tools designed for planting stubby cell leach tubes. Holes just deep enough for the container size shall be excavated and soil temporarily "stored" in a bucket to prevent spreading onto undisturbed areas. Plants should be placed into holes with the top of the root ball flush with the surrounding soil level and carefully firmed into place with the excavated soil then gently watered in.

6.4.2 Transplanted perennials and shrubs shall be prepared for transplant by carefully pruning back top growth (50% or less) and excavating around the root system to free up the entire root mass. Receiver sites shall be prepared ahead of time with holes dug wide and deep enough to hold the entire root system and well-watered to hydrate the surrounding soil. Plants shall be removed from the impact area and transplanted to the receiver site as soon as physically possible. Plants should be placed so that the root crown sits at the same height in relation to surrounding soil as it did in its original location. Excavated soil is then replaced around the plant and it should be thoroughly soaked to settle the soil around the roots.

All plants (from containers or transplant) shall be mulched with 3" of weed-free mulch (e.g. shredded bark or coconut fiber) in a 4-6" ring around the plant. Mulch shall be pulled back an inch from the base of plants to prevent rot. All plants shall be watered well after planting.

### 6.4.3 Spruance Road *Piperia yadonii* Receiver Site

Transplanted *Piperia* tubers will *not* be individually excavated by hand. *Piperia* plants will be scooped up with soil intact and carried from the donor site to the receiver site inside the tree spade. All receiver sites shall be identified and prepared before the *Piperia* plant "Wedges" are excavated. Tubers shall be transplanted from the donor to the receiver sites as soon as physically possible after being scooped up, and placed in excavated holes in the same position and at the same depth as was removed from the donor site. Each soil wedge location will be photographed, flagged, numbered and all visible *Piperia* plants mapped using a Global positioning system (GPS) device to aid future monitoring.

Until ground breaking for construction of the single-family residence occurs, the Lisbon Lane property will continue to be monitored for *Piperia* foliage, and plants documented will be flagged and transplanted to the Spruance road receiver site at the appropriate time.

During initial groundbreaking activities in the proposed driveway, garage, house and front fence areas, the project biologist shall be on site to monitor and screen samples of soil to search for additional *Piperia*

tubers that may not have produced foliage or flower and still be present after the main transplant effort has concluded. Found tubers will be documented, photographed and transplanted into the receiver site within a soil wedge previously translocated from the Lisbon lane property.

6.4.4 Seed sowing<sup>5</sup> of *Piperia yadonii* shall be done by hand into open spaces between the translocated soil wedges in the preservation area. The receiver area shall be lightly raked with a bow rake or metal tined leaf rake to remove leaf litter and create rough areas for the seed to settle in. Light tamping to maximize seed contact with soil can be achieved by walking back and forth over the seeded area. No watering is necessary, as germination timing and establishment will be dependent upon natural rainfall.

## 7.0 Maintenance During Monitoring Period

### 7.1 Maintenance Activities

#### Watering

Transplanted and container stock at the Lisbon Lane property and transplants at the Spruance road preservation receiver site shall be watered by hand using a water truck or on site irrigation connection, if low rainfall conditions threaten plant survival between the winter planting date and June 1<sup>st</sup>. Plants are not expected to require summer water provided all container stock is installed prior to March 15, planted per specifications, and adequately watered (by hand if necessary) through June 1<sup>st</sup>. However, it is the responsibility of the Landscape Contractor to ensure the plants' survival. Therefore, it is recommended that the Landscape Contractor monitor plant performance during spring/summer weed control visits and hand water once every 2 weeks through the first summer *if necessary*. All watering may cease after the start of winter rains the year after planting.

#### Weed Control

Weed control may be the single most important element of establishing a healthy restoration of habitat and protecting the long-term viability of a *Piperia yadonii* population. The goals of weed control on site are to: 1) prevent the spread of invasive non-native species to areas disturbed during

<sup>5</sup> Depending on timing of project commencement, *Piperia yadonii* seed, if available, may be collected from plants on the Nase property and sown at the receiver site after the translocation occurs.

construction and transplantation; 2) reduce or eliminate weed competition with planted stock and translocated tubers; and 3) eradicate existing invasive weeds from restoration and preservation sites

Following planting, the restoration/enhancement and preservation areas shall be weeded on a regular basis (January, April, July and October) for at least five years, or until success criteria are met. Weeding should be conducted under the direction of a qualified biologist and laborers shall be trained in the recognition of both the nonnative species to be removed as well as the native species to protect and leave in place. (Photo at bottom of previous page shows mix of native and nonnative species around *Piperia* foliage) Weeding efforts shall target annual grasses, introduced nonnative landscape plants, and *Genista* and *Acacia* in the restoration/enhancement site on the Lisbon lane property, and include any and all non-native species in the preservation site along Spruance road

## 7.2 Maintenance Schedule

### Lisbon Lane Restoration Site

The maintenance period shall begin after planting is completed, and continue for at least 5 years until success criteria have been met. Maintenance activities will include weeding the restoration/enhancement and preservation receiver site as well as watering at both sites as needed. Weeding shall be performed at least three times each year between January and July and again in Autumn as necessary. Container stock shall be watered by hand if low rainfall conditions threaten plant survival between the winter planting date and June 1<sup>st</sup>. The later the planting date occurs, the later the supplemental watering should continue. Due to the small container size of planted stock, late summer and fall watering should not be necessary. However, plant performance should be monitored by the Landscape Contractor during spring/summer weed control visits and *if necessary*, plants watered once a month until the onset of the next rainy season..

### Spruance Road *Piperia* Yadonii Receiver Site

Translocated *Piperia* plants should be watered by hand (Using a water truck or carried in buckets) immediately after the translocation process has concluded and repeated no more than two weeks apart or two weeks after the most recent rainfall if rainfall occurs less than two weeks after translocation until June 1. Timing of the transplant will also affect the watering regime here. The later the transplant the later into the year the supplemental watering should occur. Watering should be done sparingly in any case as early dormancy from drought stress is preferable to rotting the tubers from too much water.

## 8.0 Monitoring Plan

Monitoring of both the restoration/enhancement site and the preservation receiver site will occur 4 times a year for 5 full years after completion of the project.

## 8.1 Intermediate Performance Standards and Final Success Criteria

Intermediate performance standards for Years 1 and 2 and final success criteria for Year 5 are listed below by area.

### Lisbon Lane Restoration Site

#### Intermediate performance standards:

- 1) 90% survival of all container stock combined in fall of Year 1 (the first fall after planting)
- 2) Total non-native species cover 15% or less in spring of Year 1; 10% or less in spring of Year 2 and thereafter

#### Final success criteria:

- 1) Total percent of vegetative cover 90% native species or greater in spring of Year 5
- 2) Total non-native species cover 10% or less in spring of Year 5

### Spruance Road *Piperia yadonii* Receiver Site

#### Intermediate performance standards:

- 1) Total number of *Piperia* tubers sprouting foliage within the translocation receiver area, first year equal to 25% of original transplant number.  
Total number of *Piperia* tubers sprouting foliage within the translocation receiver area, years two and three equal to 50% of original transplant number.  
Total number of *Piperia* tubers sprouting foliage within the translocation receiver area, year 4 equal to 75% of original transplant number.
- 2) total vegetative cover of nonnative species within translocation receiver site 10% or less in year one and 5% or less in years 2-4

#### Final success criterion:

Total number of *Piperia* tubers within the translocation receiver site sprouting foliage in fifth year equal to 100% of original transplanted number and total area (square feet) of receiver site occupied by *Piperia* plants increased from original transplant area.

Plants existing within the preservation area, directly south of the receiver site on the opposite side of Spruance road will be monitored each of the next 5 years to use as a control baseline for determining conditions for foliage growth and blooming in each year and to provide data regarding the stability of the overall *Piperia* population within the Preservation area. A four-year percentage average (of plants counted, mapped and monitored starting in winter 2017) of the total plants putting up foliage and flower will be used as an indicator of success (or failure) in comparison to the number of plants putting up foliage and flower in the receiver site in a specific year. It is expected that the success rate (foliage and flower production) in the Receiver site will dip in the first one to two years as compared to the control site and rebound to similar rates in the 4<sup>th</sup> and 5<sup>th</sup> years. If after 4 years of monitoring, the number of plants putting up foliage growth is below 437, or below the average percentage in the control side, monitoring will be extended for up to two additional years to account for variables in weather patterns, transplant shock,

disease or mortality due to herbivory. If the 5th year count is below 437 plants putting up new foliage, the project proponent will consult with the County of Monterey and the US Fish and wildlife service to determine an appropriate alternate mitigation such as funding protection of a known population in a nearby area or extended monitoring and reporting to determine reasons for the population decline as well as potential remedial actions beneficial to future *Piperia* management activities.

Monterey Pine Planting Sites as noted on Hall Landscape Design landscape planting plan sheet L-5

Intermediate performance standard:

- 1) 100% survival of planted pines in fall of Years 1 and 2<sup>6</sup>

Final success criterion:

- 1) 100% survival of planted pines in fall of Year 5

### 8.2 *Monitoring Methods*

All monitoring of the containerized stock and transplanted shrubs and perennials in the restoration/enhancement site and the translocated *Piperia* plants in the preservation receiver site shall be completed by a qualified biologist, from the Monterey County list of consulting biologists. Percent cover monitoring shall be performed in the spring. Percent cover of Annual grasses, Genista, and other nonnative weeds may be visually estimated for each site after searching the entire area thoroughly.

For the restoration/enhancement site, additional required native cover data shall be collected quantitatively. Line transects shall be randomly placed per a stratified sampling design, based on the total area of that site. A total of at least 4 15-ft transects shall be placed across the restoration area. 10 points per transect shall be sampled for total cover by recording all species that occur at each point. Percent cover of native species, non-native species, and bare ground shall then be calculated for each transect. Mean and standard error for each cover class shall then be calculated for all transects combined and compared to performance standards/success criteria.

Survival/mortality shall be determined quantitatively in year one for the restoration/enhancement area. Subsampling is recommended to reduce sampling time. Subsampled individuals should be randomly selected before or immediately following planting. Each plant within the subsample should be well marked for easy relocation during fall monitoring.

### 8.3 *Annual Reports*

In December of each year, the project proponent shall submit annual monitoring reports to the County of Monterey RMA Planning department, U.S. Fish and Wildlife Service, California Department of Fish and

---

<sup>6</sup> Ono Tree management plan calls for 100% survival of planted stock. All trees that die will be replaced to meet 100% success.

Wildlife and Pebble Beach Company, for a total of 5 years. The first report shall be submitted in December of the year in which all planting and translocation has been concluded. Monitoring reports shall include methods, results, analysis of results, photo documentation, discussion of results relative to performance standards/success criteria, and recommended remedial measures if necessary.

#### 8.4 *Monitoring Schedule*

Monitoring of translocated *Piperia* plants in the receiver site shall occur once a month for the first 6 months after transplant. Annual monitoring for all areas shall be performed in the early spring (March – April) and late summer (August – September) of Years 1, 2, 3, 4 and 5. If final success criteria are met Year 5, all monitoring may cease. If final success criteria are not met Year 5, remedial planting and weed control shall be performed and the site monitored again the following year.

#### 9.0 *Completion of Mitigation*

Mitigation shall be considered complete once the Year 5 annual monitoring report has been submitted and all success criteria have been met to the satisfaction of the County of Monterey Planning Department, U.S. Fish and Wildlife Service and California Department of Fish and Wildlife. If the site does not meet final success criteria at the end of the 5-year monitoring period, contingency measures shall be implemented (see below) or success criteria modified with approval of the reviewing agencies listed above. Success criteria shall be waived in the event of high plant mortality due to prolonged drought, or other adverse circumstances beyond the project proponent's control.

#### 10.0 *Contingency Measures*

##### Lisbon Lane Restoration Site

If the site does not meet final success criteria at the end of 5 years, additional planting and weed control shall be implemented the following winter to meet success criteria. Monitoring shall be repeated in the spring and fall following planting, and an annual report submitted to the agencies (see Section 9.0) in December.

##### Spruance Road *Piperia yadonii* Receiver Site

If the Site does not meet final success criteria at the end of 5 years, the project proponent (and/or project biologist) shall consult with US Fish and Wildlife staff on appropriate measures to take based on monitoring results and research that has been conducted on Pebble Beach Company property. Measures may include additional monitoring time, Soil treatments, Seeding in other areas and or increased weed control.

Project File No.: REF150053/REF150054

RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Receive a presentation from the Housing and Community Development Department on its existing Special Events Program; and
- b. Discuss and provide direction regarding possible revisions to the Special Events Program, instituting a fee for special event applications, and the appropriateness of an unruly gathering ordinance; and
- c. Provide further direction to staff as appropriate.

SUMMARY/DISCUSSION:

On December 13, 2016, the Resource Management Agency (now two separate departments; Housing and Community Development (HCD) and Public Works Facilities and Parks (PWFP)) suggested that the Board of Supervisors (Board) consider adoption of a resolution establishing interpretive guidelines for Title 21 of the County Code regarding large-scale events. Upon consideration by the Board, it was decided to not adopt a resolution establishing interpretive guidelines and maintain the existing practices while promoting public participation using the special event task force meetings.

*Existing Special Event Program*

Special events are those events that occur infrequently, occasionally or from time-to-time. Special events are those events that are not the primary function of the establishment. Special events are typically held at golf courses, resorts, hotels, wineries, other non-residential properties or within the public right-of-way. Special events on residential properties are not subject to special event authorization. However, other provisions of the County Code would still apply (e.g., Noise Control Ordinance, tent permits, electrical permits). If events become more regular in occurrence and/or the property is functioning more as an event center, a land use permit may be required for the assemblages of people. There are also some properties within the County that have “grandfathered” or legal non-conforming rights to hold events.

For those special events that warrant HCD authorization, the current practice is to grant special events ministerially through the issuance of relevant permits. The special event authorization is the issuance of all the associated permits (e.g., tent permit, encroachment permit, food vendor permit, etc.). A special event permit is not issued per se, nor a fee collect for the processing. Fees are only collected for the individual permits through HCD or the applicable agency.

The event organizer will initiate the special event authorization process by filing the Special Event Information Questionnaire (Attachment A) with supporting documentation. Upon receipt, HCD staff creates a file number and routes Special Event Information Questionnaire to the reviewing agencies (Fire, Sheriff, California Highway Patrol, Environmental Health Bureau, HCD-Engineering and HCD-Planning). HCD will also conduct an initial review of the questionnaire and send out a follow up email to the event coordinators providing tent information, applications, and Environmental Health point of contact information, as needed.

Once the questionnaire is routed, an internal HCD workgroup meeting is held on the third Thursday of each month to discuss the events and to prepare the draft agenda for the Special Event Task Force, which is meeting on the fourth Thursday of every month. Prior to COVID, the internal workgroup included other regulatory agencies. Once special events were able to resume, HCD invited the other regulatory agencies to only to the Special Event Task Force meetings, but not the internal workgroup meetings. It is likely that HCD will reengage the agency in the internal meeting in the future.

The Special Events Task Force meetings are to form a partnership between event planners and regulatory agency staff to provide support addressing life, health and safety issues. The purpose of these meeting is to guide event organizers through the various individual permits, to familiarize them with agency staff who will be their points of contact, and to have an open discussion with stakeholders on any concerns regarding an event. Unless a road closure is proposed, no public notice is warranted for the ministerial permits. The Special Event Task Force meetings provide a means for public engagement.

Through the meetings and other means of communication, the event coordinator is provided additional information need to complete the process. Once all of the comments and concerns have been addressed the associated permits are issued concurrently allowing the event to occur upon the proper inspections by the agencies.

#### *Special Event Program Enhancements*

As directed by the Board in 2016, HCD has maintained its current practice while bolstering the use of the Special Events. The Program seems to be operating in an effective manner with limited criticism. The issues and concerns related to the individual special events typically find resolution. After reopening events in 2021, following the decline in COVID case, HCD has only denied one event that proposed a road closure in Carmel Valley during Car Week. HCD did receive one compliant following Car Week related to congestion on the roadways that restricted the individual from transporting another individual that was having medical issues.

HCD has made created a GIS based application to inform the public on congestion resulting from Car Week. The application recently won a state award for innovation. HCD and the Office of Emergency Service, along with other state agencies, collaborate closing on Car Week and other large scale special events.

The number of special events occurring annually is on the raise. In 2018, the department processed 31 special event requests. The following year, in 2019, 60 special event requests were processed. In the year 2020, due to COVID, the number of events feel to 25. However, in 2021 the number of special events processed grow to 66. This year, the department has process 84 special event requests.

It is staff's opinion that the Program is functioning in an efficient and effective manner. That said, there may be some opportunity for further administrative enhancements that could include the following:

- Revamp the Questionnaire so it reads like an application.
- Update the Special Events website to be more user friendly.
- Invite agencies back into the internal workgroup meetings.
- Establish an annual authorization process for common special events at specific locations (e.g., Pebble Beach).
- Provide public notices for specific event types or sizes (e.g., events with over 50 attendees or events with live entertainment).
- Increase media communications in advance of large-scale events.

Staff seeks the Board's concurrence that the Special Event Program is generally functioning properly, discuss opportunity for improvement, and direct staff to proceed with implementing suggested administrative enhancements. As an alternative, the Board could direct staff to develop a more comprehensive Special Event Program either by resolution or ordinance, depending on the criteria applied. If so, staff would return at a later date with its revised program recommendation.

#### *Special Event Processing Fee*

Staff also seeks the Board's input on the appropriateness of a fee for processing special event applications. HCD does not charge a special events fee to cover administrative costs of processing and monitoring the special event application. Based upon staff's analysis, it appears that some other cities like Marina, Greenfield and Carmel-by-the-Sea recoup administrative costs through fees while cities like Soledad, Gonzales, Del Rey Oaks and Seaside do not collect. Special events are typically profitable, and one may say that the events should have the burden of paying application fees. On the other hand, special events also generate revenue through the collection of transient occupancy and sales tax. If the Board finds that a processing fee is appropriate staff would return later with a formal recommendation to establish such a fee.

#### *Unruly Gatherings*

During the Board's recent consideration of the Noise Control Ordinance, the Board requested that staff return seeking further direction on the potential development of an "unruly gatherings" ordinance like the City of Salinas (Attachment B). An "unruly gathering" may be defined as a gathering on any private property, including property used to conduct business, in a manner which causes a disturbance

of the quiet enjoyment of private or public property by any person or persons. Such disturbances may include, but are not limited to, excessive noise or traffic, obstruction of public streets by crowds or vehicles, drinking in public, the service of alcohol to minors or consumption of alcohol by minors, fighting, disturbing the peace, and littering.

It is staff's opinion that the nuisances generally described as "unruly gatherings" would be enforceable under other provisions of the County Code and state law. For example, the County's Social Host Ordinance (a formal course of action to combat underage drinking), Noise Control Ordinance, and littering provisions have means to enforce the applicable public nuisances, in addition to enforcement under the Health & Safety and Penal Codes. However, should the Board desire to have added protections it may direct HCD staff to work with the Sheriff's Office and the County Counsel Office on a more comprehensive analysis that may include the propagation of regulations.

OTHER AGENCY INVOLVEMENT:

HCD coordinates with the Fire, Sheriff, California Highway Patrol and Environmental Health Bureau on special event requests.

FINANCING:

Funding for staff time associated with administrative enhancement in the Special Event Program is included in the FY2022-23 Adopted Budget within Community Development General Fund 001, Appropriation Unit HCD002, Unit 8543. Development of additional rules and regulations related to special events or unruly gatherings were not anticipated in the Adopted Budget or long range work program.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This action represents effective and timely response to HCD customers and the general public. Processing special event requests in accordance with all applicable policies and regulations also provides the County accountability for proper management of our land resources.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Receive a presentation from the Housing and Community Development Department on its existing Special Events Program; and
- b. Discuss and provide direction regarding possible revisions to the Special Events Program, instituting a fee for special event applications, and the appropriateness of an unruly gathering ordinance; and
- c. Provide further direction to staff as appropriate.

### SUMMARY/DISCUSSION:

On December 13, 2016, the Resource Management Agency (now two separate departments; Housing and Community Development (HCD) and Public Works Facilities and Parks (PWFP)) suggested that the Board of Supervisors (Board) consider adoption of a resolution establishing interpretive guidelines for Title 21 of the County Code regarding large-scale events. Upon consideration by the Board, it was decided to not adopt a resolution establishing interpretive guidelines and maintain the existing practices while promoting public participation using the special event task force meetings.

#### *Existing Special Event Program*

Special events are those events that occur infrequently, occasionally or from time-to-time. Special events are those events that are not the primary function of the establishment. Special events are typically held at golf courses, resorts, hotels, wineries, other non-residential properties or within the public right-of-way. A special event permit is not issued per se, nor a fee collect for the processing. Fees are only collected for the individual permits through HCD or the applicable agency.

The event organizer will initiate the special event authorization process by filing the Special Event Information Questionnaire (Attachment A) with supporting documentation. Upon receipt, HCD staff creates a file number and routes Special Event Information Questionnaire to the reviewing agencies (Fire, Sheriff, California Highway Patrol, Environmental Health Bureau, HCD-Engineering and HCD-Planning). HCD will also conduct an initial review of the questionnaire and send out a follow up email to the event coordinators providing tent information, applications, and Environmental Health point of contact information, as needed.

Once the questionnaire is routed, an internal HCD workgroup meeting is held on the third Thursday of each month to discuss the events and to prepare the draft agenda for the Special Event Task Force, which is meeting on the fourth Thursday of every month. Prior to COVID, the internal workgroup included other regulatory agencies. Once special events were able to resume, HCD invited the other regulatory agencies to only to the Special Event Task Force meetings, but not the internal workgroup meetings. It is likely that HCD will reengage the agency in the internal meeting in the future.

The Special Events Task Force meetings are to form a partnership between event planners and regulatory agency staff to provide support addressing life, health and safety issues. The purpose of these meeting is to guide event organizers through the various individual permits, to familiarize them with agency staff who will be their points of contact, and to have an open discussion with stakeholders on any concerns regarding an event. Unless a road closure is proposed, no public notice is warranted for the ministerial permits. The Special Event Task Force meetings provide a means for public engagement.

Through the meetings and other means of communication, the event coordinator is provided additional information need to complete the process. Once all of the comments and concerns have been addressed the associated permits are issued concurrently allowing the event to occur upon the proper inspections by the agencies.

#### *Special Event Program Enhancements*

As directed by the Board in 2016, HCD has maintained its current practice while bolstering the use of the Special Events. The Program seems to be operating in an effective manner with limited criticism. The issues and concerns related to the individual special events typically find resolution. After reopening events in 2021, following the decline in COVID case, HCD has only denied one event that proposed a road closure in Carmel Valley during Car Week. HCD has made created a GIS based application to inform the public on congestion resulting from Car Week. The application recently won a state award for innovation. HCD and the Office of Emergency Service, along with other state agencies, collaborate closing on Car Week and other large scale special events.

The number of special events occurring annually is on the raise. In 2018, the department processed 31 special event requests. The following year, in 2019, 60 special event requests were processed. In the year 2020, due to COVID, the number of events feel to 25. However, in 2021 the number of special events processed grow to 66. This year, the department has process 84 special event requests.

It is staff's opinion that the Program is functioning in an efficient and effective manner. That said, there may be some opportunity for further administrative enhancements that could include the following:

- Revamp the Questionnaire so it reads like an application.
- Update the Special Events website to be more user friendly.
- Invite agencies back into the internal workgroup meetings.
- Establish an annual authorization process for common special events at specific locations (e.g., Pebble Beach).
- Provide public notices for specific event types or sizes (e.g., events with over 50 attendees or events with live entertainment).
- Increase media communications in advance of large-scale events.

Staff seeks the Board's concurrence that the Special Event Program is generally functioning properly, discuss opportunity for improvement, and direct staff to proceed with implementing suggested administrative enhancements. As an alternative, the Board could direct staff to develop a more comprehensive Special Event Program either by resolution or ordinance, depending on the criteria applied. If so, staff would return at a later date with its revised program recommendation.

#### *Special Event Processing Fee*

Staff also seeks the Board's input on the appropriateness of a fee for processing special event applications. HCD does not charge a special events fee to cover administrative costs of processing and monitoring the special event application. Based upon staff's analysis, it appears that some other cities like Marina, Greenfield and Carmel-by-the-Sea recoup administrative costs through fees while cities like Soledad, Gonzales, Del Rey Oaks and Seaside do not collect. Special events are typically profitable, and one may say that the events should have the burden of paying application fees. On the other hand, special events also generate revenue through the collection of transient occupancy and sales tax. If the Board finds that a processing fee is appropriate staff would return later with a formal recommendation to establish such a fee.

#### *Unruly Gatherings*

During the Board's recent consideration of the Noise Control Ordinance, the Board requested that staff return seeking further direction on the potential development of an "unruly gatherings" ordinance like the City of Salinas (Attachment B). An "unruly gathering" may be defined as a gathering on any private property, including property used to conduct business, in a manner which causes a disturbance

of the quiet enjoyment of private or public property by any person or persons. Such disturbances may include, but are not limited to, excessive noise or traffic, obstruction of public streets by crowds or vehicles, drinking in public, the service of alcohol to minors or consumption of alcohol by minors, fighting, disturbing the peace, and littering.

It is staff’s opinion that the nuisances generally described as “unruly gatherings” would be enforceable under other provisions of the County Code and state law. For example, the County’s Social Host Ordinance (a formal course of action to combat underage drinking), Noise Control Ordinance, and littering provisions have means to enforce the applicable public nuisances, in addition to enforcement under the Health & Safety and Penal Codes. However, should the Board desire to have added protections it may direct HCD staff to work with the Sherriff’s Office and the County Counsel Office on a more comprehensive analysis that may include the propagation of regulations.

OTHER AGENCY INVOLVEMENT:

HCD coordinates with the Fire, Sheriff, California Highway Patrol and Environmental Health Bureau on special event requests.

**IMPORTANT NOTICE:** For events taking place on private property, where a zoning permit may be required, the Permit Center team recommends budgeting at least six months. Construction permit applications must be submitted at least 60 days prior to the event to avoid additional fees. Late construction permit applications may result in construction delays or event occupancy restrictions. Processing times for traffic, encroachment, waste management, food and alcohol permits vary. Submittals shall be required a minimum of 60-120 days prior to event depending on the scope of work. Applications submitted less than 30 days prior to the event may not be processed; call 831-755-5025 prior to submitting. *All applications fees will double if the application is submitted less than 60 days prior to the event.*

## Article XI. - Cost Recovery for Responses to Disturbances and Unruly Gatherings

## Sec. 5-11.01. - Findings and purpose.

- (a) Some gatherings of people, such as parties, frequently become loud and unruly to the point that they constitute a threat to the peace, health, safety, or general welfare of the public as a result of conduct such as one or more of the following: excessive noise, excessive traffic, obstruction of public streets or crowds who have spilled over into public streets, public drunkenness, the service of alcohol to minors, fights, disturbances of the peace, and litter.
- (b) The City of Salinas, primarily its police department and its fire department, are required to make multiple responses to such unruly gatherings in order to restore and to maintain the peace and to protect public safety. Such gatherings are a burden on scarce city resources and can result in city responses to regular and emergency calls being delayed and public safety protection to the rest of the city being reduced.
- (c) In order to discourage the occurrence of repeated disturbances, including loud and unruly gatherings, the persons responsible for these gatherings should be fined and should be responsible for the city's costs incurred in repeatedly responding to the disturbances.
- (d) In order to control unnecessary disturbances, including those caused by unruly gatherings in the city, it is declared to be the policy of the city to prohibit unruly gatherings that create a substantial disturbance of the quiet enjoyment of private or public property in a significant segment of a neighborhood, as specified in this article.
- (e) It is determined that unruly gatherings are detrimental to the public health, safety, and welfare, and are contrary to the public interest. Therefore, the city council declares that creating, maintaining, causing, or allowing to be created, maintained, or caused, any unruly gathering in a manner prohibited by or not in conformity with the provisions of this article is a public nuisance and shall be punishable as such in any manner provided by law, including, but not necessarily limited to, the filing of a civil or a criminal action.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

## Sec. 5-11.02. - Definitions.

- (a) Disturbance means and will include, but will not be limited to, an unruly gathering; conduct creating a disturbing or loud noise or sound; any conduct which disrupts the peace and quiet of a neighborhood; and any conduct which interferes with the quiet enjoyment of neighboring property by persons lawfully thereon.
- (b) Unruly gathering means a gathering of twenty or more persons on private property or public property that results in conduct that causes a substantial disturbance of the quiet enjoyment of private or public property in a significant segment of an immediate neighborhood or presents a threat to the health, safety, and welfare of those in attendance, responding enforcement personnel, or nearby residents or properties. For purposes of this article, "conduct that causes a substantial disturbance of the quiet enjoyment of private or public property in a significant segment of an immediate neighborhood, or presents a threat to the health and safety..." shall include, but is not limited to, any or all of the following: a noise disturbance; obstruction of public streets or rights-of-way by people or vehicles; public drunkenness; unlawful possession of alcohol or drugs; serving alcohol to minors; fights; disturbances of the peace; urinating or defecating in public; setting

off fireworks; vandalism; littering on public or private property; not belonging to the host of the gathering; presence of persons on rooftop areas not designed for occupancy; unpermitted live bands, amplified music or DJs; and throwing bottles or other objects or substances at law enforcement or any other person.

- (c) Response means and will include, but will not be limited to, the arrival of a police officer or other law enforcement officer at the scene of a disturbance to render whatever service is reasonably required in order to stop a disturbance.
- (d) Responsible party means any person who owns, leases, or is lawfully in charge of the property where the disturbance takes place, or any person who organizes, controls, or participates in a disturbance. If the responsible person is a minor, then the parent or the guardian who has physical custody of the child at the time of the disturbance will be the responsible person who is liable and responsible.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.03. - Disturbances and unruly gatherings prohibited.

- (a) It shall be unlawful and constitute a public nuisance for any responsible person(s) to cause or allow a disturbance to occur on any private property or public property within the city. A disturbance may be abated by the city by all reasonable means including, but not limited to, an order requiring the unruly gathering to be disbanded, the issuance of citations, and/or the arrests of any law violators under any applicable local laws and state statutes.
- (b) It shall be unlawful and a violation of this article for any person to attend or to participate in an unruly gathering by engaging in conduct that causes a substantial disturbance of the quiet enjoyment of private property or public property in a significant segment of an immediate neighborhood, or presents a threat to the health, safety, and welfare of those in attendance, responding enforcement personnel, or nearby residents or properties.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.04. - Responses to disturbances.

- (a) No responsible party shall cause, permit, or tolerate a disturbance.
- (b) Whenever a police officer or other law enforcement officer at the scene warns any responsible party present to discontinue the disturbance, the responsible party will be liable and responsible for the actual cost of each subsequent response required for a disturbance within twelve hours of the first response.
- (c) At the first response, the responding police officer or other law enforcement office will give a written warning to one or more of the responsible parties present that the disturbance must cease immediately, and that if a second or subsequent response to the disturbance is required within twelve hours following such notice, a response fee will be charged to any responsible party for all responses after the first response.
- (d) All responsible parties will be jointly and severally liable for the response charge regardless of whether or not a responsible party received a written warning pursuant to this section.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.05. - Notice of unruly gathering—Mailing to property owner.

When a peace officer has determined that an unruly gathering has occurred, and either the unruly gathering was hosted by a person or persons other than the owner or responding personnel are unable to determine whether the owner was the host, the police department will mail a notice to the owner of the property where the unruly gathering occurred. The notice will advise the property owner(s) that any subsequent violation of this article at the same property may result in the property owner being subject to administrative action and penalties as defined in this article.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.06. - Persons liable for a response to an unruly gathering.

If the city is required to respond to an unruly gathering, the following persons will be jointly and severally liable for civil penalties as set forth in this article, in addition to liability for any injuries to city personnel or damage to city property:

- (a) The person or persons who own the property where the unruly gathering took place; provided, that notice has been mailed to the owner of the property as set forth herein and a subsequent unruly gathering occurs at least two weeks after the mailing of such notice.
- (b) The responsible person or persons; provided, however, that if the responsible person is a juvenile, then the parents or the guardians of the juvenile will be jointly and severally liable for penalties and liabilities herein.
- (c) Any persons in attendance at and engaging in conduct contributing to the unruly gathering as set forth in this article.
- (d) Nothing in this section will be construed to impose liability on a property owner or responsible person for the conduct of persons who are present without the express or the implied consent of the property owner/responsible person as long as the property owner/responsible person has taken reasonable steps to exclude such uninvited participants from the property. Where an invited person engages in conduct which the property owner/responsible person could not reasonably foresee and the conduct is an isolated instance of a person at the gathering violating the law which the property owner/responsible person is unable to reasonably control without the intervention of the police, the unlawful conduct of that person shall not be attributable to the property owner/responsible person for the purposes of determining whether the gathering constitutes an unruly gathering.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.07. - No mandatory duty of care.

This article is not intended to impose, and shall not be construed or given effect in a manner that imposes upon the city, or any officer, employee, agent, or representative of the city, a mandatory duty of care toward persons or property within and without the city limits, so as to provide a basis of civil liability for damages, except as may otherwise be imposed by law.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.08. - Charging for responses.

- (a) In addition to any fines or penalties which may otherwise be levied by the city pursuant to this article, the city shall be entitled to recover from any person found to be in violation of any provision of this article (responsible party), the full response costs incurred for each subsequent response within the twelve-hour period following the first response.
- (b) For purposes of this article, the term "response costs" means those reasonable and necessary costs directly incurred by the city for a response under this article and will include the cost of providing police, fire, and/or other emergency response services to include, but not limited to:
- (1) Salaries and benefits of law enforcement and/or emergency personnel for the full amount of time spent responding to, remaining at, or otherwise dealing with such gatherings, and the administrative costs attributable to such responses;
  - (2) The cost of any medical treatment to or for any law enforcement personnel injured while responding to, remaining at, or leaving the scene of such gatherings; and
  - (3) The cost of repairing any city equipment or property damaged and the cost of the use of any such equipment used in responding to, remaining at, or leaving the scene of such gatherings.
- (c) The city's response costs will be deemed a debt owed to the city which may be recovered by the city in a civil action. In addition to any response costs which the city may recover, in the event the city brings a civil action to enforce the provisions of this section and to recover its response costs, the city may be entitled to recover its attorney fees and costs incurred in the action if the city prevails.
- (d) The bill of charges will be served upon the responsible party(ies) within thirty days after the last response to a disturbance. The bill of charges must be paid within thirty days of the date of such bill.
- (e) The total amount of the response charge will be deemed to be a civil debt to the city and the finance director and the city attorney may take such action to recover the costs as the city is authorized to do by law for the recovery of a civil debt. If the city is obliged to initiate litigation or other proceedings authorized by this section to recover this debt, the responsible party(ies) will also be responsible for costs of suit, attorney fees, and costs of collection, in addition to the response costs.
- (f) The bill of charges and any other notices required by this section will be served upon the responsible party(ies) in accordance with the service procedures established in this Code. If the responsible party(ies) has no last known business or residence address, then the scene of the disturbance will be deemed to be the proper address for service of notice.
- (g) The bill of charges will include a notice of the right of the person being charged to request a determination by the city to dispute the imposition of a response charge or the amount of the charge. Any request for a determination to dispute the imposition of a response charge or the amount of the charge must be in writing and must be received by the city clerk within ten days of the date of service of the bill of charges. The city manager will designate an individual to hear and to rule upon such requests. The decision of the designated city official will be final.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.09. - Violations; penalties.

- (a) Violation of this article will be charged as a misdemeanor, punishable by up to six months in the county jail and/or up to a one thousand dollar fine.

- (b) Alternatively, and in the discretion of the city attorney, a violation of this article may be prosecuted administratively. Any enforcement officer of the city, at his or her discretion, may issue an administrative citation for a violation of this article. There is no requirement of a first warning in order for the enforcement officer to issue the citation.
- (1) A first violation of this article shall result in a citation with a five hundred dollar penalty.
  - (2) A second violation of this article within a twelve-month period shall result in a citation with a one thousand dollar penalty.
  - (3) A third or a subsequent violation of this article within a twelve-month period shall result in a citation with a one thousand five hundred dollar penalty.
- (c) The administrative penalty prescribed in this section is in addition to any administrative cost recovery fee for public safety responses set forth in the Salinas Municipal Code.
- (d) The remedies provided in this article are in addition to all other civil and criminal remedies available to the city with respect to the unlawful conduct constituting the public nuisance which gave rise to the need for the city response under this article.

(Ord. No. 2615(NCS), § 1, 3-5-2019)

Sec. 5-11.10. - [Preemption.]

This article shall not be interpreted in any manner that conflicts with the laws or the constitutions of the United States or of the State of California.

### RECOMMENDATION:

It is recommended that the members of the Board of Supervisors...

a. Receive a presentation regarding the County Climate Action Plan and Municipal Climate Action Plan and provide direction to staff in regard to the development of these plans.

### SUMMARY:

The creation of a Community Climate Action and Adaptation Plan and the update to the Municipal Climate Action Plan were launched in May of 2021. Since the launch, staff has hosted 15 stakeholder engagement meetings including a Community Workshop, an Agriculture Focus Group, a Business Focus Group, several Sector working group meetings and Equity Panel meetings. Technical consultants have conducted an emissions inventory and a sequestration analysis to understand emissions sources and sinks within the County. Currently, several sector specific working group meetings are being held to discuss the positives, considerations, and opportunities of different strategies so that a select list of strategies can be quantified for their expected emissions reductions and selected for inclusion in the final plan. Staff expects to release a draft of the Climate Action and Adaptation Plan in the late fall of 2022.

### DISCUSSION:

The County of Monterey is working to develop a Community Climate Action and Adaptation Plan (CCAAP) to reduce emissions in the unincorporated area by 40% by 2030 as required by the County General Plan. By working with the community, the CCAAP will lay out strategies that will achieve the emissions reductions goals, and that fit the needs of the local community. If properly developed, a CCAAP can achieve objectives that go far beyond reducing emissions, to things like green jobs and workforce development, public health and safety, infrastructure development and protection, and improved prospects for youth and minorities.

The County's inventory for the CCAAP has been developed using ICLEI's U.S. Community Protocol for Accounting and Reporting of Greenhouse Gas Emissions which provides methodologies and best practices to help local governments measure and report the emissions associated with their communities. In the interest of recognizing the ability of our natural and working lands to sequester carbon and create carbon sinks, the County has undertaken a sequestration analysis as well. While the

inventory of emissions sources is discrete, relatively certain, and represents only those sources that the County has authority over, the sequestration analysis includes all lands in the County regardless of ownership and County influence. In addition, the sequestration analysis is less certain, higher level, and is primarily influenced by natural events over which the County has limited jurisdictional control. Nevertheless, the data associated with sequestration is important to begin to consider, refine, and track. Still, staff cautions comparing the emissions sources to the emissions sinks at the level in which they are being presented today because it is not a straightforward comparison.

Based on the modeling conducted, community activities generated approximately 1,101,405 metric tons of carbon dioxide equivalent (MTCO<sub>2e</sub>) in 2019. The largest emissions-generating sectors include agriculture, on-road transportation, and nonresidential building energy consumption. This inventory is based on the year 2019 since 2020 was considered an odd year and 2019 data was more readily available. The inventory breakdown is as follows:

- On-Road Transportation - 44%, 479,174 MTCO<sub>2e</sub>
- Agriculture - 24%, 266,917 MTCO<sub>2e</sub>
- Nonresidential Building Energy- 15%, 170,639 MTCO<sub>2e</sub>
- Residential Building Energy- 7%, 81,750 MTCO<sub>2e</sub>
- Solid Waste- 6% 69,724 MTCO<sub>2e</sub>.
- Off-Road Vehicles and Equipment- 2%, 17,616 MTCO<sub>2e</sub>
- Wastewater Treatment - 1% 15,586 MTCO<sub>2e</sub>
- Water Supply- 0%, 0 MTCO<sub>2e</sub>

For the Municipal Climate Action Plan update, the County's municipal operations generated approximately 28,634 MTCO<sub>2e</sub> in 2019. The employee commute, buildings and facilities, and vehicle fleet sectors generated nearly all municipal operations GHG emissions, accounting for approximately 97 percent of total emissions. The inventory breakdown is as follows:

- Employee Commute- 50%, 14,501 MTCO<sub>2e</sub>
- Buildings and Facilities- 28%, 8,075 MTCO<sub>2e</sub>
- Vehicle Fleet- 18%, 5,072 MTCO<sub>2e</sub>
- Solid Waste- 2%, 600 MTCO<sub>2e</sub>
- Wastewater Treatment- 1%, 318 MTCO<sub>2e</sub>
- Water Supply - <1%, 68 MTCO<sub>2e</sub>
- Streetlights and Traffic Signals- <1%, 1 MTCO<sub>2e</sub>

Unlike the CCAAP, the County has already adopted a Municipal Climate Action Plan to reduce emissions from its operations, so this inventory can be compared to the previous inventory to show a reduction in emissions of 14.6%. Significant reductions can be achieved through continued telecommuting, electrification of the County fleet and decarbonization of our County buildings. The County has been awarded a grant from Central Coast Community Energy to create a decarbonization framework for County buildings and is exploring opportunities to monetize decarbonization through the Metered Energy Efficiency Transition Structure. In addition, staff has developed a Fleet Electrification Policy that mirrors the State's Advanced Clean Fleets Regulations and will help the County to reduce

its emissions from its vehicles.

The sequestration analysis indicates that at a minimum, the county is sequestering a minimum estimate of annual carbon sequestration by vegetation and soils on natural and working lands in the county is approximately 444,779 Metric tons of carbon per year (MT C/year). Maximum annual carbon sequestration is estimated to be approximately 313,208,553 MT C/year. This range is due to the variations in weather as well as in models available to make estimations. Sequestration numbers are derived by applying an emissions factor to each land cover type (i.e., forests, grasslands, wetlands, etc.) and multiplying the acreage in the county by that emissions factor. The results show that the majority of carbon being sequestered annually is in our forests, and our grasslands have the most variability in whether they sequester or emit carbon based on various factors like weather. This ability of our natural and working lands to sequester carbon points to the inclusion of strategies within the CCAAP that would conserve and enhance these spaces to increase the potential for future sequestration. However, it is important to understand that carbon sequestered in one year can easily be released in subsequent years and that sequestration is not usually permanent, but rather part of a cycle. Therefore, the ability to mitigate emissions sources with sequestration activities may be somewhat limited despite the enormous potential.

In line with the Sustainability Program plan for stakeholder engagement, Phase 1 of stakeholder engagement has been completed and Phase 2 has begun. Phase 1 consisted of the visioning and education phase of stakeholder engagement where the draft GHG inventory was shared with community members, businesses, industry associations, and nonprofits. Translation was provided for the community workshop and for materials concerning the community workshop so as to be able to engage with non-native English-speaking residents. More than 280 stakeholders were engaged through in-depth discussion and activities. Recordings of these meetings and meeting summaries are located on the County Climate Action Webpage: [montereyclimateaction.konveio.com](http://montereyclimateaction.konveio.com)

During Phase 1, concerns were raised by the Agricultural industry, and especially the Cattle industry regarding the emission associated with cattle in the County. By working with the industry, the UC Cooperative Extension and the Agricultural Commissioner's office to explain methodology, underlying data, and calculations, changes were made to the inventory to better reflect the duration of time cattle spend in the County. Other agricultural data, including fertilizer application rates, was verified by the UC Cooperative Extension. During this review and collaboration, the County proposed hosting a series of workshops with the agricultural industry in coordination with the Marine Sanctuary Foundation to share out the County's CCAAP goals and do discuss carbon sequestration in our natural and working lands. Two workshops have been hosted so far and the third is planned for the end of September.

During Phase 2 of stakeholder engagement, community members have been invited to submit ideas for strategies for emissions reductions and discuss the positives, negatives, and opportunities of those strategies. Positive aspects of strategies include things like reduced cost of energy, increased grid reliability, high ability to reduce emissions, and improved health outcomes as a result of the implementation of the strategy. Common themes that have emerged as high priority strategies included adoption of a building decarbonization ordinance, regenerative agriculture, alignment with other regulatory agencies, transit-oriented development and electric vehicles, incentivizing innovation, local

green jobs, and consideration of costs to disadvantaged communities in the development of strategies.

Stakeholders were also able to submit questions to the Climate Action Plan inbox and these questions will be logged and available to the public for viewing on the County sustainability webpage. Staff is working to provide a transparent process for developing the CCAAP by providing as much opportunity for interaction as possible with community members, outlining methodologies and reviewing data with community members, and providing summaries of engagement in public meetings.

Staff asks that the Supervisors consider the information presented and discuss the implications for the development of a CEQA-qualified Climate Action Plan and an update to the County Municipal Climate Action Plan.

During this review and collaboration, the County proposed hosting a series of workshops with the agricultural industry in coordination with the Marine Sanctuary Foundation to share out the County's CCAAP goals and do discuss carbon sequestration in our natural and working lands. Two workshops have been hosted so far and the third is planned for the end of September.

During Phase 2 of stakeholder engagement, community members have been invited to submit ideas for strategies for emissions reductions and discuss the positives, negatives, and opportunities of those strategies. Positive aspects of strategies include things like reduced cost of energy, increased grid reliability, high ability to reduce emissions, and improved health outcomes as a result of the implementation of the strategy. Common themes that have emerged as high priority strategies included adoption of a building decarbonization ordinance, regenerative agriculture, alignment with other regulatory agencies, transit-oriented development and electric vehicles, incentivizing innovation, local

green jobs, and consideration of costs to disadvantaged communities in the development of strategies.

Stakeholders were also able to submit questions to the Climate Action Plan inbox and these questions will be logged and available to the public for viewing on the County sustainability webpage. Staff is working to provide a transparent process for developing the CCAAP by providing as much opportunity for interaction as possible with community members, outlining methodologies and reviewing data with community members, and providing summaries of engagement in public meetings.

Staff asks that the Supervisors consider the information presented and discuss the implications for the development of a CEQA-qualified Climate Action Plan and an update to the County Municipal Climate Action Plan.

**August 23, 2022**

**Introduced:** 8/15/2022

**Current Status:** Scheduled PM

**Version:** 1

**Matter Type:** Ordinance

Introduce, waive reading of, and set September 6, 2022 at 10:30 a.m. as the date and time to consider adoption of an ordinance amending Chapter 7.100 of the Monterey County Code to reduce the commercial cannabis business tax rates for mixed-light and indoor cultivation retroactive to October 1, 2022, authorize the Board to, by resolution, waive and/or stay interest and penalties for cannabis operators with delinquent cannabis business taxes, extend the Board's conditional waiver of penalties and interest for FY 21-22 Quarters 2, and 3, from July 31, 2022 to January 31, 2023, and add FY 21-22 Quarter 4 to that conditional waiver.

### RECOMMENDATION:

Staff recommends that the Board of Supervisors:

Introduce, waive reading of, and set September 6, 2022 at 10:30 a.m. as the date and time to consider adoption of an ordinance amending Chapter 7.100 of the Monterey County Code to reduce the commercial cannabis business tax rates for mixed-light and indoor cultivation retroactive to October 1, 2022, authorize the Board to, by resolution, waive and/or stay interest and penalties for cannabis operators with delinquent cannabis business taxes, extend the Board's conditional waiver of penalties and interest for FY 21-22 Quarters 2, and 3, from July 31, 2022 to January 31, 2023, and add FY 21-22 Quarter 4 to that conditional waiver.

### SUMMARY/DISCUSSION

The County imposes an annual business tax on cannabis businesses under Monterey County Code (MCC) Chapter 7.100. That tax is collected by the Treasurer-Tax Collector. On June 1, 2022, the Cannabis Program (Program) reported to the Board of Supervisors on the implications of the decline in wholesale price points for commercial cultivation and the impacts of that decline on the cannabis industry. The Program provided the Board with six options to consider to assist the industry.

The Board approved the following:

1. Effective July 1, 2022, reduce the nursery, mixed-light, and indoor cultivation tax rates to \$1 per square foot, \$2 per square foot, and \$3 per square foot, respectively.
  - a. This option would not have budgetary impacts from the perspective of how the Recommended Budget is built.
  - b. This option does not present operational challenges to the Treasurer-Tax Collector's office, as the proposed effective date coincides with the start of the fiscal year and aligns with established quarterly reporting due dates.

After adjusting for these reductions, the estimated FY 22-23 commercial cannabis business tax revenue at the time of writing is \$7.5 million dollars. This estimate should not be considered a static figure, as it is subject to changes resulting from cultivation canopy modifications and business closures throughout the fiscal year.

On July 26, 2022, the Board was set for a second reading to adopt an Ordinance to make these changes. The Ordinance also would have given the Board the ability to waive penalties and interest for delinquent cannabis cultivation taxes by resolution instead of by ordinance. The Board approved the item on consent. However, staff mistakenly used an incorrect version of the Ordinance, requiring staff to recommence the process with a first reading of the Ordinance.

Additionally, on July 26, 2022, the Board approved the same cannabis cultivation tax rates retroactive to the beginning of the second quarter of FY 21-22 - \$1/square foot for nursery, \$2/square foot for mixed-light, and \$3/square foot for indoor cultivation.

Given these facts, staff elected to combine these matters into a single Ordinance that would 1) reduce cannabis cultivation tax rates retroactive to the beginning of the second quarter of FY 21-22 - \$1/square foot for nursery, \$2/square foot for mixed-light, and \$3/square foot for indoor cultivation; 2) authorize the Board to act as to penalties and interest by resolution instead of ordinance; and 3) extend the Board's previous conditional waiver of penalties and interest for cannabis taxes delinquent for FY 21-22 quarters 2 and 3, accomplished in Ordinance No. 5371, from July 31, 2022, to January 31, 2023, adding FY 21-22 quarter 4 to that conditional waiver.

Redlined and clean versions of the Ordinance are attached to this report as Attachments A and B, respectively.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel and Treasurer-Tax Collector's Office were involved in the preparation of the Ordinance and report. The Office of the County Counsel approved the draft Ordinance as to form.

FINANCING:

The proposed amendments to Chapter 7.100 will result in commercial cannabis business tax revenue estimates of \$10.5m in FY 21-22 and \$7.5 in FY 22-23.

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA  
AMENDING CHAPTER 7.100 OF THE MONTEREY COUNTY CODE TO REDUCE  
CERTAIN COMMERCIAL CANNABIS BUSINESS TAX RATES AND WAIVE  
PENALTIES AND INTEREST BY RESOLUTION**

County Counsel Summary

*This ordinance amends Chapter 7.100 of the Monterey County Code to lower certain commercial cannabis business tax rates. The ordinance establishes the following tax rates retroactive to October 1, 2021: for indoor cultivation, the tax rate is \$3.00 per fiscal year per square foot of authorized canopy; and for mixed light cultivation, the tax rate is \$2.00 per fiscal year per square foot of authorized canopy. This ordinance does not preclude the County from adoption of an ordinance in the future to reinstate the maximum tax rates approved by the Monterey County voters on November 8, 2016. This ordinance also amends Chapter 7.100 of the Monterey County Code to authorize the Board of Supervisors to, by resolution, waive or conditionally waive penalties and interest on delinquent commercial cannabis business taxes. Finally, this ordinance extends the Board's conditional waiver of penalties and interest on unpaid installments for the second and third quarters of Fiscal Year 2021-2022 of the annual commercial cannabis business tax imposed on cultivation, adopted in Ordinance Number 5371, from July 31, 2022 to January 31, 2023, and expands the conditional waiver to include the fourth quarter of Fiscal Year 2021-2022.*

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Findings and purpose.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. Pursuant to California Revenue and Taxation Code sections 7284 and 34021.5, Monterey County is permitted to impose taxes on cannabis.

C. On July 12, 2016, the Monterey County Board of Supervisors adopted inland zoning regulations establishing criteria for issuing local land use permits (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to the Monterey County Code). On July 19, 2016, the Board of Supervisors adopted regulations establishing criteria for issuing local business permits (Ordinance Numbers 5272 and 5273, codified at Monterey County Code Chapters 7.90 and 7.95). All these ordinances were to become operative only if the Board of

Supervisors submitted a County tax on commercial cannabis activities to the voters, the voters approved the tax, and the tax was certified by the County pursuant to California Elections Code section 15372.

D. On November 8, 2016, the voters approved the commercial cannabis business tax (Measure Y, codified at Monterey County Code Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Elections Code section 15372. Specifically, the voters approved a tax on commercial cannabis activities in the unincorporated area of Monterey County up to a maximum of: \$25.00 per square foot on cultivation with an annual adjustment by Consumer Price Index (CPI) thereafter; \$5.00 per square foot on nurseries with annual CPI adjustment thereafter; and 10% of gross receipts on other cannabis business activities with no CPI adjustment.

E. On July 24, 2018, the Board of Supervisors adopted Ordinance Number 5305, which amended Monterey County Code Chapter 7.100 to reduce the commercial cannabis tax rates. The ordinance established the following tax rates effective July 1, 2018: for indoor cultivation, the tax rate is \$8.00 per fiscal year per square foot of authorized canopy through June 30, 2020, to increase by \$1.00 per fiscal year until a maximum rate of \$15.00 per square foot is reached, and to increase thereafter based on the CPI; for mixed light cultivation, the tax rate is \$5.00 per fiscal year per square foot of authorized canopy through June 30, 2020, to increase by \$1.00 per fiscal year until a maximum rate of \$15.00 per square foot is reached, and to increase thereafter based on the CPI; for nursery cultivation, the tax rate is \$1.00 per square foot of authorized canopy through June 30, 2020, to increase by \$1 per square foot per fiscal year until a maximum rate of \$5.00 per square foot is reached, and to increase thereafter based on the CPI; for manufacturers, the tax rate is 2.5% of gross receipts per fiscal year through June 30, 2019, to increase thereafter by 1% per fiscal year, not to exceed a maximum rate of 10% of gross receipts per fiscal year; for distributors, the tax rate is 2% of gross receipts per fiscal year through June 30, 2019, to increase thereafter by 1% per fiscal year, not to exceed a maximum rate of 10% of gross receipts per fiscal year; for dispensaries, the tax rate is 4% of gross receipts per fiscal year through June 30, 2019, to increase thereafter by 0.5% per fiscal year, not to exceed a maximum rate of 10% of gross receipts per fiscal year; and for testers, the tax rate is 1% of gross receipts per fiscal year with no increase.

F. On April 21, 2020, the Board of Supervisors adopted Urgency Ordinance Number 5326 to waive penalties and interest on the County's commercial cannabis business taxes for the third quarter of Fiscal Year 2019-2020.

G. On May 19, 2020, the Board of Supervisors adopted Ordinance Number 5330, which amended Monterey County Code Chapter 7.100 to suspend the automatic increases on the County's commercial cannabis business tax rates in Fiscal Year 2020-2021.

H. On May 25, 2021, the Board of Supervisors adopted Ordinance Number 5349, which amended Monterey County Code Chapter 7.100 to suspend the automatic increases on the

County's commercial cannabis business tax rates in Fiscal Year 2021-2022.

I. On July 13, 2021, the Board of Supervisors adopted Ordinance Number 5355, which amended Monterey County Code Chapter 7.100 to establish the County's commercial cannabis business tax rate for outdoor cannabis cultivation.

J. On March 1, 2022, the Board of Supervisors adopted Ordinance Number 5371, which amended Monterey County Code Chapter 7.100 to reduce certain commercial cannabis business tax rates for cultivation, remove automatic increases, and waive penalties and interest for cultivation activities in the second and third quarters of Fiscal Year 2021-2022.

K. The Monterey County Board of Supervisors directed preparation of this ordinance after evaluating information provided by staff and the public concerning commercial cannabis business tax rates for cultivation, outcomes from the small industry focus groups, the sunset of state provisional licenses, the ongoing COVID-19 pandemic, and an apparent market correction in the licensed cannabis industry, as evidenced by California Cannabis Authority data from August 2021 through April 2022. These factors have caused turmoil for cannabis businesses, as they are not eligible for federal assistance or traditional banking relief to survive the economic downturn. As such, many face permanent closure. The permanent closure of cannabis businesses could cause widespread unemployment, abandonment of ongoing greenhouse rehabilitation in the Salinas Valley, and a potential reversion to widespread unlicensed production and sale of cannabis.

L. Based on these factors, the Monterey County Board of Supervisors directed the preparation of this ordinance to reduce certain commercial cannabis business tax rates for cultivation (for those described in amended Monterey County Code Section 7.100.050, herein, those rates shall be retroactive to October 1, 2021, the first day of the second fiscal quarter of Fiscal Year 2021-2022), expand Ordinance Number 5371's conditional waiver of penalties and interest for cultivation activities in the second and third quarters of Fiscal Year 2021-22 to include the fourth quarter of Fiscal Year 2021-22, and extend that conditional waiver from July 1, 2022 to January 1, 2023. Finally, this ordinance will allow the Board to respond to market fluctuations more quickly in the future by authorizing the Board to waive penalties and interest, conditionally or unconditionally, by resolution.

M. The Board of Supervisors reserves its right to later restore higher tax rates up to the maximum amounts approved by the voters in Measure Y (2016) and to tax any commercial cannabis activity approved by the voters in Measure Y. Such restoration of tax rates would not constitute an increase in tax rates that would require voter approval.

SECTION 2. Subsection (B) of Section 7.100.050 of the Monterey County Code is amended to read as follows:

B. There shall be a tax on indoor commercial cannabis cultivation except nurseries. Every person who is engaged in commercial cannabis indoor cultivation in the unincorporated area of the County shall pay an annual commercial cannabis business tax. The tax rate for commercial cannabis indoor cultivation, excluding nurseries, shall be ~~seven-three~~ dollars (~~\$7.00~~\$3.00) per fiscal year, per square foot of canopy authorized by each County permit, or by each state license in the absence of a County permit, not deducting for unutilized square footage. The square footage shall be the maximum square footage of canopy allowed by the County permit for commercial cannabis indoor cultivation, or, in the absence of a County permit, the square footage shall be the maximum square footage of canopy for commercial cannabis indoor cultivation allowed by the state license type. In no case shall canopy square footage which is authorized by the permit or license but not utilized for cultivation be deducted for the purpose of determining the tax for cultivation.

SECTION 3. Subsection (C) of Section 7.100.050 of the Monterey County Code is amended to read as follows:

C. There shall be a tax on mixed light commercial cannabis cultivation except nurseries. Every person who is engaged in commercial cannabis mixed light cultivation in the unincorporated area of the County shall pay an annual commercial cannabis business tax. The tax rate for commercial cannabis mixed light cultivation, excluding nurseries, shall be ~~three-two~~ dollars (~~\$3.00~~\$2.00) per fiscal year, per square foot of canopy authorized by each County permit, or by each state license in the absence of a County permit, not deducting for unutilized square footage. The square footage shall be the maximum square footage of canopy allowed by the County permit for commercial cannabis mixed light cultivation, or, in the absence of a County permit, the square footage shall be the maximum square footage of canopy for commercial cannabis mixed light cultivation allowed by the state license type. In no case shall canopy square footage which is authorized by the permit or license but not utilized for cultivation be deducted for the purpose of determining the tax for cultivation.

SECTION 4. Section 7.100.100 of the Monterey County Code is amended to read as follows:

A. Any person who fails or refuses to pay any commercial cannabis business tax required to be paid pursuant to this Chapter on or before the due date shall pay penalties and interest as follows:

1. A penalty equal to ten (10) percent of the amount of the tax, in addition to the amount of the tax, plus interest on the unpaid tax calculated from the due date of the tax at the rate of one and one-half percent per month, ~~and~~

2. If the tax remains unpaid for a period exceeding one calendar month beyond the due date, an additional penalty equal to ten (10) percent of the amount of the

tax, plus interest at the rate of one and one-half percent per month on the unpaid tax and on the unpaid penalties.

3. Interest shall be applied at the rate of one and one-half percent per month on the first day of the month for the full month, and will continue to accrue monthly on the tax and penalty until the balance is paid in full.

B. Whenever a check or electronic payment is submitted in payment of a commercial cannabis business tax and the payment is subsequently returned unpaid by the bank for any reason, the taxpayer will be liable for the tax amount due plus any fees, penalties and interest as provided for in this Section, and any other amount allowed under state law.

C. The Board of Supervisors by resolution may direct the Treasurer-Tax Collector to retroactively and/or prospectively waive penalties and interest on commercial cannabis business taxes that would otherwise accrue for some or all persons, conditionally or unconditionally, on whatever terms and for whatever duration the Board so directs provided such direction corresponds with established quarterly reporting periods within the fiscal year.

#### SECTION 5. Conditional Waiver.

A. The Monterey County Treasurer-Tax Collector shall waive all penalties and interest on unpaid installments of the annual commercial cannabis business tax imposed on cultivation for the second, third, and fourth quarters of Fiscal Year 2021-2022.

B. The second, third, and fourth quarter installments of the annual commercial cannabis business tax and cultivation must be received by the Treasurer-Tax Collector on or before January 31, 2023 to be eligible for waiver of penalties and interest.

C. Penalties and interest will be reinstated on any installments not received on or before January 31, 2023.

D. Cannabis businesses conducting cultivation activities may pay quarterly installments at any time during the Treasurer-Tax Collector's business hours prior to January 31, 2023.

SECTION 6. Severability. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 7. Effective Date. This ordinance shall become effective on the thirty-first day following its adoption. The reductions to tax rates governed by Section 7.100.050 of the

Monterey County Code shall be retroactive to October 1, 2021, the first day of the second fiscal quarter of Fiscal Year 2021-2022.

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA  
AMENDING CHAPTER 7.100 OF THE MONTEREY COUNTY CODE TO REDUCE  
CERTAIN COMMERCIAL CANNABIS BUSINESS TAX RATES AND WAIVE  
PENALTIES AND INTEREST BY RESOLUTION**

County Counsel Summary

*This ordinance amends Chapter 7.100 of the Monterey County Code to lower certain commercial cannabis business tax rates. The ordinance establishes the following tax rates retroactive to October 1, 2021: for indoor cultivation, the tax rate is \$3.00 per fiscal year per square foot of authorized canopy; and for mixed light cultivation, the tax rate is \$2.00 per fiscal year per square foot of authorized canopy. This ordinance does not preclude the County from adoption of an ordinance in the future to reinstate the maximum tax rates approved by the Monterey County voters on November 8, 2016. This ordinance also amends Chapter 7.100 of the Monterey County Code to authorize the Board of Supervisors to, by resolution, waive or conditionally waive penalties and interest on delinquent commercial cannabis business taxes. Finally, this ordinance extends the Board's conditional waiver of penalties and interest on unpaid installments for the second and third quarters of Fiscal Year 2021-2022 of the annual commercial cannabis business tax imposed on cultivation, adopted in Ordinance Number 5371, from July 31, 2022 to January 31, 2023, and expands the conditional waiver to include the fourth quarter of Fiscal Year 2021-2022.*

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Findings and purpose.

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. Pursuant to California Revenue and Taxation Code sections 7284 and 34021.5, Monterey County is permitted to impose taxes on cannabis.

C. On July 12, 2016, the Monterey County Board of Supervisors adopted inland zoning regulations establishing criteria for issuing local land use permits (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to the Monterey County Code). On July 19, 2016, the Board of Supervisors adopted regulations establishing criteria for issuing local business permits (Ordinance Numbers 5272 and 5273, codified at Monterey County Code Chapters 7.90 and 7.95). All these ordinances were to become operative only if the Board of

Supervisors submitted a County tax on commercial cannabis activities to the voters, the voters approved the tax, and the tax was certified by the County pursuant to California Elections Code section 15372.

D. On November 8, 2016, the voters approved the commercial cannabis business tax (Measure Y, codified at Monterey County Code Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Elections Code section 15372. Specifically, the voters approved a tax on commercial cannabis activities in the unincorporated area of Monterey County up to a maximum of: \$25.00 per square foot on cultivation with an annual adjustment by Consumer Price Index (CPI) thereafter; \$5.00 per square foot on nurseries with annual CPI adjustment thereafter; and 10% of gross receipts on other cannabis business activities with no CPI adjustment.

E. On July 24, 2018, the Board of Supervisors adopted Ordinance Number 5305, which amended Monterey County Code Chapter 7.100 to reduce the commercial cannabis tax rates. The ordinance established the following tax rates effective July 1, 2018: for indoor cultivation, the tax rate is \$8.00 per fiscal year per square foot of authorized canopy through June 30, 2020, to increase by \$1.00 per fiscal year until a maximum rate of \$15.00 per square foot is reached, and to increase thereafter based on the CPI; for mixed light cultivation, the tax rate is \$5.00 per fiscal year per square foot of authorized canopy through June 30, 2020, to increase by \$1.00 per fiscal year until a maximum rate of \$15.00 per square foot is reached, and to increase thereafter based on the CPI; for nursery cultivation, the tax rate is \$1.00 per square foot of authorized canopy through June 30, 2020, to increase by \$1 per square foot per fiscal year until a maximum rate of \$5.00 per square foot is reached, and to increase thereafter based on the CPI; for manufacturers, the tax rate is 2.5% of gross receipts per fiscal year through June 30, 2019, to increase thereafter by 1% per fiscal year, not to exceed a maximum rate of 10% of gross receipts per fiscal year; for distributors, the tax rate is 2% of gross receipts per fiscal year through June 30, 2019, to increase thereafter by 1% per fiscal year, not to exceed a maximum rate of 10% of gross receipts per fiscal year; for dispensaries, the tax rate is 4% of gross receipts per fiscal year through June 30, 2019, to increase thereafter by 0.5% per fiscal year, not to exceed a maximum rate of 10% of gross receipts per fiscal year; and for testers, the tax rate is 1% of gross receipts per fiscal year with no increase.

F. On April 21, 2020, the Board of Supervisors adopted Urgency Ordinance Number 5326 to waive penalties and interest on the County's commercial cannabis business taxes for the third quarter of Fiscal Year 2019-2020.

G. On May 19, 2020, the Board of Supervisors adopted Ordinance Number 5330, which amended Monterey County Code Chapter 7.100 to suspend the automatic increases on the County's commercial cannabis business tax rates in Fiscal Year 2020-2021.

H. On May 25, 2021, the Board of Supervisors adopted Ordinance Number 5349, which amended Monterey County Code Chapter 7.100 to suspend the automatic increases on the

County's commercial cannabis business tax rates in Fiscal Year 2021-2022.

I. On July 13, 2021, the Board of Supervisors adopted Ordinance Number 5355, which amended Monterey County Code Chapter 7.100 to establish the County's commercial cannabis business tax rate for outdoor cannabis cultivation.

J. On March 1, 2022, the Board of Supervisors adopted Ordinance Number 5371, which amended Monterey County Code Chapter 7.100 to reduce certain commercial cannabis business tax rates for cultivation, remove automatic increases, and waive penalties and interest for cultivation activities in the second and third quarters of Fiscal Year 2021-2022.

K. The Monterey County Board of Supervisors directed preparation of this ordinance after evaluating information provided by staff and the public concerning commercial cannabis business tax rates for cultivation, outcomes from the small industry focus groups, the sunset of state provisional licenses, the ongoing COVID-19 pandemic, and an apparent market correction in the licensed cannabis industry, as evidenced by California Cannabis Authority data from August 2021 through April 2022. These factors have caused turmoil for cannabis businesses, as they are not eligible for federal assistance or traditional banking relief to survive the economic downturn. As such, many face permanent closure. The permanent closure of cannabis businesses could cause widespread unemployment, abandonment of ongoing greenhouse rehabilitation in the Salinas Valley, and a potential reversion to widespread unlicensed production and sale of cannabis.

L. Based on these factors, the Monterey County Board of Supervisors directed the preparation of this ordinance to reduce certain commercial cannabis business tax rates for cultivation (for those described in amended Monterey County Code Section 7.100.050, herein, those rates shall be retroactive to October 1, 2021, the first day of the second fiscal quarter of Fiscal Year 2021-2022), expand Ordinance Number 5371's conditional waiver of penalties and interest for cultivation activities in the second and third quarters of Fiscal Year 2021-22 to include the fourth quarter of Fiscal Year 2021-22, and extend that conditional waiver from July 1, 2022 to January 1, 2023. Finally, this ordinance will allow the Board to respond to market fluctuations more quickly in the future by authorizing the Board to waive penalties and interest, conditionally or unconditionally, by resolution.

M. The Board of Supervisors reserves its right to later restore higher tax rates up to the maximum amounts approved by the voters in Measure Y (2016) and to tax any commercial cannabis activity approved by the voters in Measure Y. Such restoration of tax rates would not constitute an increase in tax rates that would require voter approval.

SECTION 2. Subsection (B) of Section 7.100.050 of the Monterey County Code is amended to read as follows:

B. There shall be a tax on indoor commercial cannabis cultivation except nurseries. Every person who is engaged in commercial cannabis indoor cultivation in the unincorporated area of the County shall pay an annual commercial cannabis business tax. The tax rate for commercial cannabis indoor cultivation, excluding nurseries, shall be three dollars (\$3.00) per fiscal year, per square foot of canopy authorized by each County permit, or by each state license in the absence of a County permit, not deducting for unutilized square footage. The square footage shall be the maximum square footage of canopy allowed by the County permit for commercial cannabis indoor cultivation, or, in the absence of a County permit, the square footage shall be the maximum square footage of canopy for commercial cannabis indoor cultivation allowed by the state license type. In no case shall canopy square footage which is authorized by the permit or license but not utilized for cultivation be deducted for the purpose of determining the tax for cultivation.

SECTION 3. Subsection (C) of Section 7.100.050 of the Monterey County Code is amended to read as follows:

C. There shall be a tax on mixed light commercial cannabis cultivation except nurseries. Every person who is engaged in commercial cannabis mixed light cultivation in the unincorporated area of the County shall pay an annual commercial cannabis business tax. The tax rate for commercial cannabis mixed light cultivation, excluding nurseries, shall be two dollars (\$2.00) per fiscal year, per square foot of canopy authorized by each County permit, or by each state license in the absence of a County permit, not deducting for unutilized square footage. The square footage shall be the maximum square footage of canopy allowed by the County permit for commercial cannabis mixed light cultivation, or, in the absence of a County permit, the square footage shall be the maximum square footage of canopy for commercial cannabis mixed light cultivation allowed by the state license type. In no case shall canopy square footage which is authorized by the permit or license but not utilized for cultivation be deducted for the purpose of determining the tax for cultivation.

SECTION 4. Section 7.100.100 of the Monterey County Code is amended to read as follows:

A. Any person who fails or refuses to pay any commercial cannabis business tax required to be paid pursuant to this Chapter on or before the due date shall pay penalties and interest as follows:

1. A penalty equal to ten (10) percent of the amount of the tax, in addition to the amount of the tax, plus interest on the unpaid tax calculated from the due date of the tax at the rate of one and one-half percent per month.
2. If the tax remains unpaid for a period exceeding one calendar month beyond the due date, an additional penalty equal to ten (10) percent of the amount of the

tax, plus interest at the rate of one and one-half percent per month on the unpaid tax and on the unpaid penalties.

3. Interest shall be applied at the rate of one and one-half percent per month on the first day of the month for the full month, and will continue to accrue monthly on the tax and penalty until the balance is paid in full.

B. Whenever a check or electronic payment is submitted in payment of a commercial cannabis business tax and the payment is subsequently returned unpaid by the bank for any reason, the taxpayer will be liable for the tax amount due plus any fees, penalties and interest as provided for in this Section, and any other amount allowed under state law.

C. The Board of Supervisors by resolution may direct the Treasurer-Tax Collector to retroactively and/or prospectively waive penalties and interest on commercial cannabis business taxes that would otherwise accrue for some or all persons, conditionally or unconditionally, on whatever terms and for whatever duration the Board so directs provided such direction corresponds with established quarterly reporting periods within the fiscal year.

#### SECTION 5. Conditional Waiver.

A. The Monterey County Treasurer-Tax Collector shall waive all penalties and interest on unpaid installments of the annual commercial cannabis business tax imposed on cultivation for the second, third, and fourth quarters of Fiscal Year 2021-2022.

B. The second, third, and fourth quarter installments of the annual commercial cannabis business tax and cultivation must be received by the Treasurer-Tax Collector on or before January 31, 2023 to be eligible for waiver of penalties and interest.

C. Penalties and interest will be reinstated on any installments not received on or before January 31, 2023.

D. Cannabis businesses conducting cultivation activities may pay quarterly installments at any time during the Treasurer-Tax Collector's business hours prior to January 31, 2023.

SECTION 6. Severability. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and each section, subsection, sentence, clause, and phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, or phrases be declared invalid.

SECTION 7. Effective Date. This ordinance shall become effective on the thirty-first day following its adoption. The reductions to tax rates governed by Section 7.100.050 of the

Monterey County Code shall be retroactive to October 1, 2021, the first day of the second fiscal quarter of Fiscal Year 2021-2022.

1	2016.02	4/12/16	Adams	HCD	County Counsel	Girard/Lundquist	5/10/16	Short Term Rental (STR) Ordinance a) Prioritize completion of the STR rental ordinance by scheduling a final meeting of the STR Working Group; and b) Present a complete STR Ordinance to the Planning Commission; c) County Counsel respond to the Board re. County not engage in code violation citations while the STR ordinance is being developed.	Staff presented the draft vacation rental ordinances to the Board on November 17, 2020, and May 2021 for direction. Based on Board direction, the necessary environmental review will be conducted. Upon completion of the environmental review, the Planning Commission would consider a recommendation to the Board on the environmental documentation and draft ordinance. Referral modified on August 24, 2021 (as part of Board's annual evaluation of referrals) requesting that HCD provide a proposal to address implementation of enforcement at this time, as well as anticipated funding sources for those costs. On October 5, 2021, the Board directed HCD to developed a pilot program to enforce STRs in District 5. On December 8, 2021, staff provided a presentation to the Board on its proposed proactive enforcement and was directed to proceed by returning in January/February 2022 for Board action on staff resources, funding, and a draft ordinance increasing fines for unauthorize STRs. The Budget Committee considered staff resources on January 26, 2022 and subsequently, on March 1, 2022, the Board approved three new staff positions including two Code Compliance Inspector II positions and an Office Assistant position. 2	2017.18	9/19/17	Board	CAO		Bokanovich	10/24/17	Request a presentation to the Board of Supervisors with options for commissioner compensation that supports our ability to recruit a diverse and representative pool of commissioners.	The item was presented to the Board on 10/2/2018. The Board directed that HR: 1) convene a committee of Department Heads that manage significant boards and commissions to develop a Commissioner Recruitment Strategy; 2) ask departments to provide information related to the diversity of their current volunteer Commissioner's and committee members; and 3) work with County Counsel and Auditor to determine what would be involved/required to actively implement reimbursement to these volunteers, with budget/cost implications. Referral modified on August 24, 2021 (as part of Board's annual evaluation of referrals) to include: A) an assessment on how commissions are being utilized; how well they are serving in their advisory function to the Board; staffing levels of various committees, and, how that may or may not contribute to their functioning; and, B) referring the referral to the Board of Supervisors - Human Resources Committee to engage in discussion and bring back recommendations to the full Board. This item was discussed with the Human Resources Committee in late January 2022. The referral has been reassigned to the County Administrative Office for response. Staff will provide a report to the Board in July 2022.	Pending
3	2017.20	11/19/19	Alejo	PWFP		Ishii	1/28/20	Lease agreement between the City of Salinas and the County of Monterey regarding County's parcel adjacent 855 East Laurel Drive in Salinas for the implementation of a BMX Bike Track, new Skate Park, and sidewalk on East Laurel Drive in Salinas.	An initial referral was initiated on September 15, 2017. On September 1, 2017, Supervisor Alejo held a meeting with the City of Salinas, County RMA staff, and a BMX bike park and skate park engineers/designers to review the property. County Staff conferred with City Staff relative to the City's update of their Parks Master Plan. RMA has also been coordinating with City staff regarding sidewalks on County-owned lands along East Laurel Drive adjacent to this property (between Sanborn Road and Constitution Boulevard). The referral was closed on May 7, 2019 for staff to pursue efforts for a Shelter at 855 E. Laurel. RMA is preparing to bring a master planning effort for use of County lands, specifically lands at Natividad/Laurel in Salinas. This matter is reinstated for reconsideration. Public comment on this item was received on January 14, 2020.  Item was pulled from the June 16, 2020, Board meeting agenda and is on hold pending identification of funding. Staff to consult with requesting Supervisor prior to resubmitting item to the Board. PWFP staff continues to work with our state legislative consultants to identify potential grant opportunities.  At the September 14, 2021 Board Meeting, the Board provided direction to PWFP staff to apply for Prop 68 grant funding. On January 20, 2022, the County submitted a \$3 million application to the Prop 68 Regional Park Program. Award announcements for this program are expected in Spring/Summer 2022.	Postponed

4	2018.15	6/5/18	Phillips./Alejo	HCD		Lundquist	7/17/18	Consider zoning changes to prohibit drilling for oil & gas north of King City	Present options for initiating amendments to County zoning to prohibit new oil and gas exploration in Monterey County except in the southern Salinas Valley, generally south of King City and east of the Santa Lucia range, so that it meets all legal requirements. RMA prepared options for consideration by the Planning Commission at a workshop held on 7/11/18. Referral postponed until Measure Z litigation is concluded.	Postponed
5	2018.16	6/26/2018	Alejo	County Counsel/Auditor-Controller		Girard/Shah	8/28/2018	Update County Travel Policy by County Counsel in coordination with the Auditor-Controller's Office.	Monterey County's travel policy managed by the Auditor-Controller has not been updated in many years and today, it does not compare with current market prices or organizational procedures and may exceed legal requirements. The current policy creates barriers for county staff to be able to effectively represent county business at conferences, trainings or in litigation. This policy also conflicts with another travel policy found in the Personnel Policies and Practices Resolution (PPPR). This referral seeks to update the policies to account for inconsistencies, business needs, efficiency, market prices, whether government rates are available or whether the discounted lodging rooms were secured by conference organizers, such as the California State Association of Counties. This lack in clarity in the existing policy is costing unnecessary staff time and an update would modernize our policy with current standards. The new policy should meet Federal and State law while supporting business efficiency.  A revised policy was presented to the Board on November 6, 2018. An updated memo was submitted to the Board. A revised policy will be presented to the Board in June 2022.	Pending
6	2018.28	12/4/2018	Phillips	HCD		Lundquist	12/11/2018	Affordable Housing in the Coastal Zone	Amend County LCP to be consistent with the Coastal Act regarding affordable housing, authorize staff to investigate processes and provide language revision recommendations to the Local Coastal Plan. A presentation was provided to the Board on January 15, 2019. HCD plans to couple this work with the 6th Housing Element to be completed by December 2023. In the interim, staff considers the integration of affordable housing policies in the coastal zones when the opportunities exist (e.g., update to the Big Sur Land Use Plan )	Pending
7	2019.08	9/10/2019	Alejo	PWFP/GLA		Ishii/Chiuolos	12/10/2019	State Funding for the Historic Old Monterey County Jail	A presentation of options for the disposition of the Old Jail was provided on September 10, 2019. The Board identified specific options and authorized Supervisor Alejo to pursue state funding match (\$10M) in the 2020 State Budget, which will be determined by June 2020. Meanwhile, RMA has coordinated with City staff on their Lincoln Avenue Corridor Master Plan efforts that includes an option for potential reuse of the old jail site. Due to the pandemic the Legislature did not entertain specific budget requests, such as that for the Old Jail. On Oct. 18, 2021, the County met with Assemblymember Rivas who indicated he would submit a \$15 million 2022 State Budget request for the project. Discussions on this request are ongoing with the County's State Legislative delegation. On February 11, 2022, the Board held a Legislative Workshop and identified this request as a County priority. No funding for the project was included in the FY 22-23 State Budget. Staff continues to seek opportunities to fund the project. Ongoing updates are being provided to the Legislative Committee. 8	2019.11	10/8/2019	Adams	Health/Environmental Health/Co Counsel		Jimenez/Encarnacion/Strimling	11/19/2019	Establish an Ordinance restricting the use of single-use plastics	Due to the ongoing Shelter In Place order, the development of this ordinance remains delayed. Many of the stakeholder entities have been severely impacted by the SIP (the restaurant and hotel industry particularly) and EH recommends their participation in the development of this ordinance once SIP conditions are lifted or allow business activities to resume at a higher level of production.  During the entire month of September 2021, the Recycling Resource And Recovery Services (RRRS) of the Environmental Health Bureau had a survey on posted on the program's webpage seeking input from the public. The survey was live for 30 days and RRRS received a total of 294 responses and 94 comments. 70% of respondents Strongly Agreed and 13% Strongly Disagreed.	Postponed

9	2020.06	1/28/2020	Askew	PWFP		Ishii	3/10/2020	Install speed limit signs on West Camp/Watkins Gate Roads	Staff presented to the Board on March 9, 2021, and the Board approved an update to Title 12 to apply the California Vehicle Code to private East Garrison roads. Staff met with the East Garrison CSD Advisory Committee's Traffic Safety Subcommittee on April 9, 2021 to discuss concerns and options along Watkins Gate Road. The EGCSO considered the signs and indicated its support for staff to move forward them. On January 25, 2022 after review and consideration of traffic calming options, the East Garrison CSD Advisory Committee indicated its support for staff to proceed with installation of radar speed feedback signs on West Camp and Watkins Gates Roads. Staff secured a contractor to perform this work. Equipment and materials have been ordered and contractor is awaiting delivery. After a long lead time, equipment and material were received and the signs installed on July 6, 2022.	Pending

12	2020.22	7/7/2020	Phillips	CAO		Bokanovich	7/28/2020	Referral Process Amendment	This referral requests that the process be amended to have Board approval for a referral as part of an agenda item showing the purpose of the referral, costs, time, challenges, and details of the project. Exceptions may be made for urgent matters. The Board approved an Amended Board Referral Process on April 27, 2021. The Board will conduct a review of the amended referral process, along with the evaluation of outstanding referrals, on an annual basis. The referral has been reassigned to the County Administrative Office for response. Staff will provide a report to the Board in July 2022.	Pending
13	2020.27	12/8/2020	Lopez-Alejo	COB		Ralph		Address the need for translation services	This referral seeks to support access to live translation services and translate recorded minutes of Board of Supervisor meetings. Staff provided a report to the Board on December 14, 2021. Staff will provide a report to the Board in July 2022. The referral is close to completion. Staff will provide an update to the referring Supervisors.	Pending

A preliminary analysis was approved by the Board on June 15, 2021. Staff will be submitting a response to this referral for Board consideration in May 2022. The referral has been reassigned to the County Administrative Office for response. Staff provided a report to the Board in July 2022.	Pending
21	2021.14	8/24/2021	Alejo	CAO		Chitulos/Paulsworth		EV Charging Station Infrastructure, Mapping and Investment	This referral requests that the Monterey County Sustainability Manager assess and map existing EV charging stations (Level 2 and DC fast chargers) in Monterey County and make it accessible to the public on a new county website, and to assess the need for charging station infrastructure and investment in unserved/underserved areas and disadvantaged communities in Monterey County. This referral further requests that Monterey County partner with the Monterey County Air Resources District, Central Coast Community Energy and other potential partners to pursue grant funding and expand EV charging infrastructure in unserved/underserved areas and disadvantaged communities in our county. A preliminary analysis was provided to the Board on September 21, 2021, at which time, staff was directed to return to the Board with a further analysis. Staff provided a report and presentation for Board consideration on October 26, 2021. A status update will be provided to the Board in early 2022.	Pending
24	2021.18	9/28/2021	Adams	WRA		Buche		Board Workshop to Review Regional Water Issues and Potential Solutions	This referral seeks to initiate a comprehensive discussion on regional scale water issues and potential solutions in Monterey County. This referral is for the Board of Supervisors of the MCWRA to hold a special joint meeting with the MCWRA Board of Directors, the SVBGSA Board of Directors, and the Marina Coast Water District GSA Board for the water agencies' leadership to provide a comprehensive overview of regional projects under consideration by the MCWRA, SVBGSA and MCWD GSA. Elected officials, local agencies, water purveyors, industry representatives, landowners and other stakeholders that may have some oversight or authority, or potential interest in participating in regional solutions should be invited. A preliminary analysis was provided to the Board on November 2, 2021. A workshop was held for the Board on March 15, 2022 at 1:30pm.	Pending
25	2021.19	9/28/2021	Lopez	Ag. Comm.		Gonzales		Farmworker Resource Center	In order to better serve the farm working population of Southern Monterey County, this referral seeks to direct staff to research and come back to our Board of Supervisors with options and feasibility for locating a Farmworker Resource Center in the community of Greenfield CA. The leverage opportunity of matching dollars in the recently signed AB 941, at a 3:1 ratio, provides a great incentive for our County to develop a resource center in a community that lacks direct access to County services, while continuing to face access barriers, such as transportation. The analysis of feasibility should include a recommendation of what services should be provided at this location, as well as the potential to shift existing staff, already focused on this work, into locations near the geographic center of Monterey County. A preliminary analysis was provided to the Board on October 26, 2021. A formal referral response was provided to the Board on February 1, 2022. Staff anticipates providing a status update in late April or early May 2022. Staff will provide a status update to the Board on July 12, 2022.	Pending
26	2021.20	10/12/2021	Phillips	DA	DSS	Pacioni/Medina		Family Justice Center	This referral seeks to direct staff to research and come back to the Board of Supervisors with potential funding and locations suitable for a Family Justice Center. This referral would also direct staff to coordinate and work with the City of Salinas and agencies who would be part of the Family Justice Center. A preliminary response was provided to the Board on November 16, 2021. Staff will report back to the Board in <del>March 2022</del> June 2022.	Pending

29	2021.25	11/16/2021	Askew	PWFP HCD		Leah Lundquist		East Garrison Street Renaming	This referral seeks to identify the process and funding for the renaming of certain streets in East Garrison and revise the naming approval process. A preliminary response was provided to the Board on January 11, 2022. Staff will report back to the Board on May 3, 2022. Staff presented to the Board at the May 3, 2022 Board Meeting, and received direction from the Board. HCD has been directed to engage with the public and determine interest in changing the street names within East Garrison. HCD attended the East Garrison CSD (EGCSD) meeting on May 11, 2022, to present the matter. Based on public comment, they will be presenting a follow-up item to EGCSD at one of their next meetings. Adopted FY2-23 Budget includes \$40,000 for street renaming. HCD to prepare draft program for Board consideration.	Pending
30	2021.27	12/7/2021	Askew	HRD		Ramirez-Bough		Class and Comp Study Process	This referral directs the Human Resource Director to prepare a report detailing the current process to submit a Class and Comp study request and a current list of outstanding requests, and to work with the Human Resources Committee to develop an equitable transparent process for prioritization of ongoing class and comp studies to ensure that county workers are fairly compensated. A preliminary response was provided to the Board on January 11, 2022. Staff will report back to the Board on May 17, 2022.	Pending
31	2021.28	12/7/2021	Alejo/Lopez	WRA		Buche		Water Storage Infrastructure and Maintenance State Budget Request	This referral requests that Monterey County Water Resources Agency partner with our state legislative delegation to make a \$300 million budget request in the 2022 legislative session for the water storage infrastructure & maintenance projects at Lakes San Antonio and Nacimiento. When the referral was introduced it was amended to include an additional \$12 million State Budget request for the San Lucas Clean Drinking Water Project. A preliminary response was provided to the Board on January 11, 2022. These projects have been designated as priority projects of the Board for the 2022 Legislative Program. The County has made a \$312 million State Budget request for these projects. Discussions on this request are ongoing with the County's State Legislative delegation. On February 11, 2022, the Board held a Legislative Workshop and identified these State Budget requests as County priorities. Ongoing updates will be provided to the Legislative Committee.	Pending
32	2021.29	12/7/2021	Adams	PWFP		Ishii		Increased Fines for Big Sur Roadside Camping Prohibition	This referral seeks to increase the administrative citation and fine amounts for citations issued under Monterey County Code Section 14.18.020.A. This is a follow-up to Board Referral No. 2019.16 (Big Sur Roadside Camping Prohibition Enforcement). A preliminary response was provided to the Board on January 11, 2022. Staff will report back to the Board on April 30, 2022. Staff is working with the Big Sur Byway Organization on planning and next steps. The proposed Ordinance is scheduled for consideration at the Board's July 26, 2022 meeting.	Pending
33	2021.30	12/14/2021	Askew	Health		Jimenez		School Vaccination Coordination	This referral directs the Monterey County Health Department to partner with the K12 school system to increase the rate of vaccinations amongst pediatric residents aged 5 to 11 years old in disproportionately impacted communities. A preliminary response was provided to the Board on January 11, 2022. Staff will report back to the Board in April 2022. Staff will report back to the Board in June 2022. 35	2022.01	1/11/2022	Alejo	PWFP		Ishii		Velocity International Event & Sponsorship at Weathertech Laguna Seca Raceway	This referral seeks consideration of a significant proposal by Velocity International to bring an August Monterey Motorsports Reunion Event to Weathertech Laguna Seca Raceway. This referral would direct staff to quickly enter into discussions and negotiations with Velocity International, and to expeditiously bring the proposal back for full Board of Supervisors' consideration. The Board of Supervisors has previously requested that such potential sponsorships be brought to Laguna Seca Raceway, and this proposal could also potentially offset the significant \$10 million costs to repave the track and construct a new bridge as discussed during the board meeting last Tuesday, December 8, 2021. A preliminary response was provided to the Board on February 1, 2022. Staff will report back to the board after August 20, 2022.	Pending
36	2022.02	1/11/2022	Askew	CAO		Chitulos/Bokanovich		Sheriff Oversight Board Formation	This referral seeks to explore formation of a Sheriff Oversight Board. Assembly Bill 1185 authorized counties to establish a sheriff oversight board to assist the board of supervisors to fulfill its duties related supervising the official conduct of all county officers, including the sheriff. An oversight board would consist of civilian residents appointed by the board of supervisors. Formation of the oversight board can be accomplished by action of the board of supervisors or through a vote of county residents. This referral requests the Board of Supervisor form such an oversight board and that staff return with a report that includes bylaws, formation resolution, and an outline of administrative capacity needed to support the oversight board. A preliminary response was provided to the Board on March 22, 2022; at which time, the Board took action to defer the item until after the new Sheriff is elected and the Board has had an opportunity to establish a relationship. 38	2022.04	2/1/2022	Phillips/Lopez	PWFP		Ishii		Revisit Rossi Road Extension Plan	This referral seeks to revisit the Rossi Road extension plan and explore solutions to alleviate traffic congestion and improve traffic circulation in the Boronda area as a result of the population and business growth and the relocation of the SVSWA transfer station and Republic Services' yard. A preliminary response was provided to the Board on March 8, 2022. Staff will report back to the Board by June 30, 2022. As discussion with other agencies is continuing, staff plans to report back to the Board in early September.	Pending
39	2022.05	2/8/2022	Phillips	PWFP		Ishii		Parking Prohibition Enforcement	The purpose of this referral is to perform a traffic and engineering study so that we can put in place requisite signage to clarify and strengthen the ability for Monterey County Sheriff's Office peace officers to enforce Monterey County Code Section 12.28.010. The intent of the referral is to not permit roadside parking or stopping anytime on Madison Lane. A preliminary response was provided to the Board on March 8, 2022. Staff will report back to the Board by June 30, 2022. Staff has evaluated the parking existing conditions and a proposed Ordinance for daytime parking prohibition will be scheduled for consideration at the Board's July 26, 2022 meeting.	Pending
40	2022.06	2/8/2022	Askew	Health		Jimenez/Hanni		VIDA Project Extension	This referral seeks to increase funding allocated to the VIDA Project to maintain operations through the end of the 2022. The referral directs staff to return with a report outlining costs of continuing the VIDA Project at current operating levels through December 31st. A preliminary response was provided to the Board on March 8, 2022 and updated response was provided on June 21, 2022. 41	2022.07	3/1/2022	Lopez	Sheriff Ag Comm		Bennet Gonzales		Monterey County Agricultural and Livestock Pass	This referral requests that staff determine feasibility of an agricultural and livestock pass for the County of Monterey. In the last few years, California has had some of the largest and most severe wildfires in history of the state. The purpose of creating a county-based "Ag Pass" program is to provide a uniform way to identify vetted commercial farm and ranch owner-operators and their employees to firefighting personnel, California Highway Patrol officers, Sheriff's deputies and other law enforcement officers, and other emergency personnel. Possession of an Ag Pass during a wildfire or a similar disaster potentially allows the agriculturalist limited emergency access to areas that may otherwise be restricted to the public, in order to 1) protect or care for agricultural assets (such as irrigating crops or feeding, watering, and transporting livestock) and/or 2) provide support information to emergency personnel (such as identifying access roads and available water sources). This item was reassigned to the Agricultural Commissioners Office on April 5, 2022. A preliminary analysis response will be provided to the Board on May 3, 2022. A preliminary response was provided to the Board on May 3, 2022. Staff will prepare a report and resolution for an upcoming Board meeting.	Pending

45	2022.11	3/1/2022	Alejo	Health		Jimenez/Eckert		Mental Health Services Act (MHSA) Reserve Funds Expenditure Plan & Oversight	This referral requests that the Monterey County Behavioral Health Department provide a comprehensive presentation on how Mental Health Services Act funding is being used in our county, what other potential eligible services could be provided under the act, and to devise an updated expenditure plan to utilize the record reserve funds of \$55,380,337 towards providing critical needed services to eligible residents. The referral further requests that the Board of Supervisors receive an annual report on the expenditures and effectiveness of all its programs. A preliminary response was provided to the Board on March 22, 2022. The Board directed that the matter be referred to the Budget Committee for further consideration. An initial comprehensive report was provided to the Budget Committee on April 25, 2022. The Budget Committee directed that the report be expanded to include outcomes and effectiveness, and be referred to the Board of Supervisors for further consideration. Staff provided an updated response to the Board of Supervisors on June 21, 2022 and were directed to present further updates to the Budget Committee. Staff provided an update at the Budget Committee on July 27, 2022 and were directed to return to Budget Committee in January 2023 with an update on our future fund balance assumptions and innovation projects. 46	2022.12	3/1/2022	Askew	CAO		Chulos/D'Adamo		Strategic Grants Program Capacity	This referral seeks to increase the capacity of the County's Strategic Grants Program, ensuring expertise needed to respond and successfully secure grants from State and Federal sources is immediately available. The referral requests that staff return to the Board with a report: 1) outlining the internal and contract resources needed to meaningfully support County departments in analyzing and responding to coming grant opportunities without adversely impacting the County's Legislative Program efforts; 2) options for expanding the Program to provide a comprehensive view on the grant efforts of all County departments; 3) options for building program capacity, including an estimated cost of each option; and, 4) recommended preferred options and corresponding mid-year budget request. A preliminary response was provided to the Board on April 5, 2022. The Board included \$50,000 in the FY22-23 budget for a pilot program to provide grant writing and technical assistance to departments applying for infrastructure funding opportunities. A workplan to spend down the funds will be presented to the Capital Improvements Committee and then to the Board of Supervisors for approval in September/October 2022.	Pending

**Referral Title:** Monitoring of FCS Programs and Services

**Referral Purpose:** This referral requests HHHSC Committee roles and responsibilities be amended to explicitly include responsibility for monitoring the programs and services of Family and Children's Services

**Brief Referral Description** (attach additional sheet as required):

The Family & Children's Services (FCS) Branch of the Department of Social Services offers child protective services, foster care services, and adoption services to children and youth in Monterey County. FCS strives to keep all children and youth safe and to prevent the occurrence of child abuse and neglect. The California Department of Social Services provides formal oversight of FCS, with local programs administered by the County. The County is committed to protecting confidentiality of FCS cases while also ensuring full transparency and accountability of this exceptionally challenging work.

Other California counties have assigned specific committees with the responsibility to monitor and study the operations of Family and Children's Services to ensure that the systems involved in protecting children and supporting families are effective. In Monterey County the Board of Supervisors Health, Housing, and Human Services Committee (HHHSC) is tasked with reviewing requests and recommendations for policies regarding health and human services issues impacting the County of Monterey. This referral requests that the HHHSC Committee roles and responsibilities be amended to explicitly include responsibility for monitoring the programs and services of Family and Children's Services.

Specifically this referral requests that:

1. The HHHSC Roles and Responsibilities be amended to include "Review and make recommendations for the effective operations of Family and Children's services."
2. The Dept of Social Services provide a regular consent agenda report to the HHHSC on the programs and services provided by Family and Children's Services, generated from data provided to the State, with a scheduled presentation on FCS occurring at least twice per year
3. The Dept of Social Services provide a regular consent report to the HHHCS on the staffing of Family and Children's Services, including recruitment data.
4. The Dept of Social Services provide a yearly report to the Board of Supervisors with a summary of annual programs and services for Family and Child Services and the System Improvement Plan submitted to the State.

Referral Title: <b>Elections Fee Schedule – Recounts</b>		
Referral Purpose: Bring forward recommendations to possibly include creating a fee schedule for candidates to request and plan for recounts when needed.		
Brief Referral Description (attach additional sheet as required): In order to have a transparent electoral process, it is necessary to have a clear methodology and cost for recount requests and processes. Currently, Monterey County does not have guidelines or costs per day that are easily accessible to the public. Sutter, Shasta, Los Angeles and Nevada counties currently have guidelines and rates available on their election websites. The Governor of the State of California may order a has state-funded recount when candidate or measure votes are separated by less or equal to the lesser of 1,000 votes of the number of all votes cast for that office. Having a clear cost, guidelines and indicating possible outcomes that may be reasonable for county-funded recounts for the election process will help Monterey County continue to be a dependable and reliable office for residents, elected officials, and candidates alike.

**Version:** 1

**Matter Type:** BoS Agreement

- a. Authorize the Chief Executive Officer (CEO) for Natividad or his designee to execute each of the following Professional Services Agreements with Ian Atkinson MD, Inc.; Claire Hartung MD, Inc.; Adrian Jordan MD, and Natalie LaCorte MD, Inc. to provide hospitalist services each for the period August 26, 2022 to September 30, 2024, and each for an amount not to exceed \$300,000; and
- b. Authorize the CEO for Natividad or his designee to sign up to three (3) amendments to these agreements where the total amendments do not exceed 10% (\$30,000) of the original contract amount and do not significantly change the scope of work.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Authorize the Chief Executive Officer (CEO) for Natividad or his designee to execute the Professional Services Agreement with Ian Atkinson MD, Inc. to provide hospitalist services for the period August 26, 2022 to September 30, 2024, for an amount not to exceed \$300,000;
- b. Authorize the CEO for Natividad or his designee to execute the Professional Services Agreement with Claire Hartung MD, Inc. to provide hospitalist services for the period August 26, 2022 to September 30, 2024, for an amount not to exceed \$300,000;
- c. Authorize the CEO for Natividad or his designee to execute the Professional Services Agreement with Adrian Jordan MD, to provide hospitalist services for the period August 26, 2022 to September 30, 2024, for an amount not to exceed \$300,000;
- d. Authorize the CEO for Natividad or his designee to execute the Professional Services Agreements with Natalie LaCorte MD, Inc. to provide hospitalist services for the period August 26, 2022 to September 30, 2024, for an amount not to exceed \$300,000; and
- e. Authorize the CEO for Natividad or his designee to sign up to three (3) amendments to these agreements where the total amendments do not exceed 10% (\$30,000) of the original contract amount and do not significantly change the scope of work.

### SUMMARY/DISCUSSION:

Natividad operates medical surgical units and an acute rehabilitation unit that provide direct patient care to hospitalized patients 24 hours a day, 7 days a week. In order to ensure sufficient staffing of these critical units with at least four physicians during the day and one physician at night who are immediately available to provide patient care, it requires a team of internal medicine and family medicine physicians, known as hospitalists. Natividad seeks approval of multiple agreements with multiple independent contractor hospitalist physicians to ensure sufficient coverage of this service. Natividad has obtained an independent opinion of fair market value supporting the payment terms.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Agreement as to legal form. Auditor-Controller has reviewed and approved this Agreement as to fiscal provisions. The Agreement has also been reviewed and approved by Natividad's Finance Committee and Board of Trustees.

FINANCING:

The maximum liability of these agreements in the aggregate is \$1,200,000. The actual cost is contingent upon each physician's level of service which fluctuates based on patient volumes and availability. \$600,000 is included in the Fiscal Year 2022/2023 Adopted Budget. There is no impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement provide Natividad with the additional support it needs in order to provide reliable and high-quality patient care which improves the health and quality of life for patients and their families.

**PROFESSIONAL SERVICES AGREEMENT**  
**by and between**  
**NATIVIDAD MEDICAL CENTER (“Hospital”)**  
**and**  
**ADRIAN JORDAN, M.D. (“Contractor”)**

## PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT (this “**Agreement**”) is entered into as of August 26, 2022, by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and Adrian Jordan, M.D., an individual (“**Contractor**”). County, Hospital and Contractor are sometimes referred to in this Agreement as a “**Party**” or, collectively, as the “**Parties.**”

### RECITALS

A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California, in which it operates a hospitalist program (the “**Program**”) under its acute care license.

B. Contractor is duly licensed to practice medicine in the State of California (the “**State**”). Contractor is board certified for the practice of medicine in the specialty of family practice and credentialed for critical care procedures such as central venous catheters, arterial lines, endotracheal intubation, and ventilator management (collectively, the “**Specialty**”).

C. Hospital must arrange for the provision of professional consultation and treatment of patients who present to the emergency department (“**Department**”) and/or who are admitted as Hospital inpatients in need of medical care or treatment in the Specialty (the “**Patients**”), without regard to any consideration other than medical condition.

D. In order to ensure adequate and continued Program coverage for the Hospital as may be required by applicable federal and state laws, Hospital desires to engage a panel of physicians specializing in the Specialty, including Contractor (each, a “**Panel Member**” and, collectively, the “**Panel Members**”), to provide the Services (as defined below), upon the terms and subject to the conditions set forth in this Agreement.

E. Hospital has considered the following factors in determining the necessity and amount of compensation payable to Contractor pursuant to this Agreement:

1. The nature of Contractor’s duties as contemplated by this Agreement.
2. Contractor’s qualifications.
3. The difficulty in obtaining a qualified physician to provide the services described in this Agreement.
4. The benefits to Hospital’s community resulting from Contractor’s performance of the services described in this Agreement.
5. The economic conditions locally and in the health care industry generally.

## AGREEMENT

### THE PARTIES AGREE AS FOLLOWS:

#### ARTICLE I. CONTRACTOR'S OBLIGATIONS

**1.1 Professional Services.** Contractor shall provide the professional services described in Exhibit 1.1 (the “**Professional Services**”) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

**1.2 Teaching Services.** Contractor shall provide to Hospital those teaching services set forth in Exhibit 1.2 (collectively, the “**Teaching Services**”). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

**1.3 Additional Services.** Contractor shall provide to Hospital those additional services set forth in Exhibit 1.3 (the “**Additional Services**”), upon the terms and subject to the conditions set forth in this Agreement. The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the “**Services.**”

**1.4 Personal Services.** This Agreement is entered into by Hospital in reliance on the professional skills of Contractor. Contractor shall be solely responsible for performing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement.

**1.5 Time Commitment.** Contractor shall provide the Professional Services from time to time as needed, along with other Panel Members, to cover the Hospital’s needs, including weekends and holidays. Scheduled hours for each shift shall be 7:00 AM to 7:00 PM (“**Day Shift**”), 7:00 PM to 7:00 AM (“**Night Shift**”), or as reasonably determined by Hospital and based on the patient care needs of the Program. Contractor shall allocate time among the Services as reasonably requested by Hospital from time to time.

**1.6 Availability.** On or before the first (1st) day of each month, Contractor shall inform Hospital of Contractor’s schedule of availability to perform the Services during the following month. Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital’s needs for the Services.

**1.7 Absences.** Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor’s absence, and any unapproved absence shall constitute a breach of this Agreement.

**1.8 Time Reports.** Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as Exhibit 1.8. Contractor shall submit all such time sheets to Hospital no later than the tenth (10th) day of each month for Services provided by Contractor during the immediately preceding month.

**1.9 Medical Staff.** Contractor shall be a member in good standing and active on the Hospital's medical staff (the "**Medical Staff**") and have and maintain all clinical privileges at Hospital necessary for the performance of Contractor's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), Contractor is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Contractor's obligations hereunder, Contractor shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that Hospital may immediately terminate this Agreement if Hospital determines that Contractor is not diligently pursuing such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws. Contractor may obtain and maintain medical staff privileges at any other hospital or health care facility at Contractor's sole expense.

**1.10 Professional Qualifications.** Contractor shall have and maintain an unrestricted license to practice medicine in the State. Contractor shall be board certified in the Specialty by the applicable medical specialty board approved by the American Board of Medical Specialties. Contractor shall have and maintain a valid and unrestricted United States Drug Enforcement Administration ("**DEA**") registration.

**1.11 Review of Office of the Inspector General ("OIG") Medicare Compliance Bulletins.** The OIG from time to time issues Medicare compliance alert bulletins. To the extent applicable to Contractor's performance under this Agreement, Contractor shall undertake to review, be familiar with and comply with all applicable requirements of such OIG compliance bulletins.

**1.12 Performance Standards.** Contractor shall comply with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the "**Hospital Rules**"), and all protocols applicable to the Services or the Hospital (the "**Protocols**").

**1.13 Code of Conduct.** Contractor hereby acknowledges receipt of Hospital's Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the "**Code**"), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor's business dealings with Hospital and Contractor's performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor's business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

**1.14 Continuing Medical Education.** Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

**1.15 Use of Space.** Contractor shall use Hospital's premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital's prior written consent.

**1.16 Notification of Certain Events.** Contractor shall notify Hospital in writing within twenty-four (24) hours after the occurrence of any one or more of the following events:

(a) Contractor becomes the subject of, or materially involved in, any investigation, proceeding, or disciplinary action by: Medicare and Medicaid programs or any other Federal health care program, as defined at 42 U.S.C. Section 1320a-7b(f) (collectively, the “**Federal Health Care Programs**”) or state equivalent, any state’s medical board, any agency responsible for professional licensing, standards or behavior, or any medical staff;

(b) Contractor’s medical staff membership or clinical privileges at any hospital are denied, suspended, restricted, revoked or voluntarily relinquished, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(c) Contractor becomes the subject of any suit, action or other legal proceeding arising out of Contractor’s professional services;

(d) Contractor is required to pay damages or any other amount in any malpractice action by way of judgment or settlement;

(e) Contractor becomes the subject of any disciplinary proceeding or action before any state’s medical board or similar agency responsible for professional standards or behavior;

(f) Contractor voluntarily or involuntarily retires from the practice of medicine;

(g) Contractor’s license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor is charged with or convicted of a criminal offense;

(i) any act of nature or any other event occurs which has a material adverse effect on Contractor’s ability to provide the Services; or

(j) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent.

**1.17 Representations and Warranties by Contractor.** Contractor represents and warrants that: (a) Contractor’s license to practice medicine in any state has never been suspended, revoked or restricted; (b) Contractor has never been reprimanded, sanctioned or disciplined by any licensing board or medical specialty board; (c) Contractor has never been excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program; (d) Contractor has never been denied membership and/or reappointment to the medical staff of any hospital or health care facility; (e) Contractor’s medical staff membership or clinical privileges at any hospital or health care facility have never been suspended, limited or revoked for a medical disciplinary cause or reason; and (f) Contractor has never been charged with or convicted of a felony, a misdemeanor involving fraud, dishonesty, controlled substances, or

moral turpitude, or any crime relevant to the provision of medical services or the practice of medicine.

**1.18 Nondiscrimination.** Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

**1.19 Non-Exclusive Services.** The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

**1.20 Compliance with Grant Terms.** If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

**1.21 Medical Records and Claims.**

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

**1.22 Records Available to Contractor.** Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill

requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

## **ARTICLE II.** **COMPENSATION**

**2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with **Exhibit 2.1** (the “**Compensation**”), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of Three Hundred Thousand Dollars (\$300,000).

**2.2 Billing and Collection.** Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this Agreement (the “**NMC Services**”). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability.** Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties' respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys' fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

### **2.3 Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

- (i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a "**Managed Care Organization**") designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;
- (ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;
- (iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or
- (iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

**ARTICLE III.**  
**INSURANCE AND INDEMNITY**

**3.1 Evidence of Coverage.** Prior to commencement of this Agreement, the Contractor shall provide a “Certificate of Insurance” certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital’s Medical Staff Office, unless otherwise directed. The Contractor shall not receive a “Notice to Proceed” with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

**3.2 Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder’s alphabetic and financial size category rating of not less than A-VII, according to the current Best’s Key Rating Guide or a company of equal financial stability that is approved by Hospital’s Contracts/Purchasing Director.

**3.3 Insurance Coverage Requirements.** Without limiting Contractor’s duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor’s sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital’s Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a “Claims Made” rather than “Occurrence” basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (“**Tail Coverage**”), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

Exemption/Modification (Justification attached; subject to approval).

**3.4 Other Insurance Requirements.** All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

### **3.5 Right to Offset Insurance Costs.**

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

### **3.6 Indemnification.**

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

**3.7 Indemnification for Timely Payment of Tax Contributions.** It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

**3.8 Hospital Services.** Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

**3.9 Survival of Obligations.** The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

**ARTICLE IV.**  
**RELATIONSHIP BETWEEN THE PARTIES**

**4.1 Independent Contractor.**

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (“IRS”) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

**4.2 Limitation on Control.** Hospital shall neither have nor exercise any control or direction over Contractor’s professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

**4.3 Practice of Medicine.** Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

**4.4 No Benefit Contributions.** Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

**4.5 Referrals.** Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days’ notice to the other Party.

Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

**4.6 Form 1099 or W-2.** If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

**4.7 Contractor Compensation Arrangements.** Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

**4.8 Cooperation.**

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an "**Action**") arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

**4.9 Contractor's Performance.** County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

**4.10 Right of Inspection.** Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

**4.11 Access to and Audit of Records.** Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

## **ARTICLE V. TERM AND TERMINATION**

**5.1 Term.** This Agreement shall become effective on August 26, 2022 (the "Effective Date"), and shall continue until September 30, 2024 (the "Expiration Date"), subject to the termination provisions of this Agreement.

**5.2 Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) death or permanent disability of Contractor;

(c) Contractor's voluntary retirement from the practice of medicine;

(d) neglect of professional duty by Contractor in a manner that violates Hospital's policies, rules or regulations;

(e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;

(f) Contractor's clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

(i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

**5.3 Termination by Contractor.** Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

**5.4 Termination or Modification in the Event of Government Action.**

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notifies the other of such fact.

(c) For the purposes of this Section, "**Government Action**" shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;
- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;

- (vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, "**Affiliate**" shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

**5.5 Termination without Cause.** Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

**5.6 Effect of Termination or Expiration.** Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Contractor shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

**5.7 Return of Property.** Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

**5.8 Termination or Amendment in Response to Reduction of Government Funding.** Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

## **ARTICLE VI. GENERAL PROVISIONS**

**6.1 Amendment.** This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

**6.2 Assignment.** Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

**6.3 Compliance with HIPAA.** Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, "**HIPAA,**" the obligations collectively referred to herein as "**HIPAA Obligations**"), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

**6.4 Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, "**Laws**") applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

**6.5 Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

**6.6 Confidential Information.**

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. "**Trade Secrets**" includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. "**Confidential Information**" includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

**6.7 Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

**6.8 Disclosure of Interests.** Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

**6.9 Dispute Resolution.** In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a “**Dispute**”), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the “**Dispute Notice**”), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the “**Meet and Confer**”). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“**JAMS**”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “Panel”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.
- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

- (viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

**6.10 Entire Agreement.** This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

**6.11 Exhibits.** The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

**6.12 Force Majeure.** Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

**6.13 Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State.

**6.14 Headings.** The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

**6.15 Litigation Consultation.** Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

**6.16 Master List.** The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

**6.17 Meaning of Certain Words.** Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

**6.18 No Conflicting Obligations.** Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

**6.19 No Third Party Beneficiary Rights.** The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

**6.20 Notices.** All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

If to Hospital, addressed to:

**6.21 Participation in Federal Health Care Programs.** Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

**6.22 Representations.** Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

**6.23 Severability.** If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

**6.24 Statutes and Regulations.** Any reference in this Agreement to any statute, regulation, ruling, or administrative order or decree shall include, and be a reference to any successor statute, regulation, ruling, or administrative order or decree.

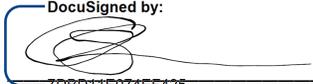

**6.25 Waiver.** No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing to be effective, and shall apply solely to the specific instance expressly stated.

**PROFESSIONAL SERVICES**

Contractor shall:

1. Provide consultation on patients in the Department, Program, and patients who are admitted to other service lines as requested by physicians and other members of the Medical Staff;
2. Attend Code Blue and Rapid Responses as per current Hospital policies;
3. While performing Professional Services during a Night Shift, manage critical care patients in the intensive care unit (“**ICU**”);
4. Manage the care of patients hospitalized with complex acute health problems and facilitate the continuum of care for Patients from admission through discharge, including facilitating the Patient’s transfer of care back to the primary care provider;
5. Serve as the primary attending physician of record, including without limitation, writing admission orders, progress notes and discharge summaries; performing history and physicals, consultations, diagnostic and therapeutic procedures; ordering and interpreting diagnostic tests; and creating and recommending treatment plans;
6. Provide medical care and treatment in the Specialty to Patients as needed, in compliance with all applicable rules, regulations and Program guidelines;
7. Prepare appropriate and timely patient medical records accurately detailing care and treatment services rendered;
8. Utilize interpersonal and communication skills to effectively exchange information with patients, families, colleagues, nursing and other health care professionals;
9. Provide supervision and guidance to those working in the Department, ICUs, the Hospital’s inpatient units, and the Program;
10. Participate in the monitoring and evaluation process of the Department’s and Program’s Quality Assessment and Improvement Plan;
11. Perform routine administrative duties ancillary to provision of patient services such as referrals, medication refills, dictation, resolution of billing issues, and completion of forms and reports;
12. Participate in staff meetings;
13. Perform functions assigned by the Department’s Medical Director, including patient care reviews and evaluation of patient care practice;

14. Utilize Hospital's telecommunication system; and
15. Arrange for treatment for Patients requiring professional services outside of the Specialty.

**Exhibit 1.2**

**TEACHING SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. supervise patient care in a constructive and supportive way;
2. demonstrate effective interviewing, physical examination, procedures, use of diagnostic and therapeutic interventions, and medical records documentation;
3. create a professional role model; and
4. evaluate resident performance in a meaningful, objective fashion.

**Exhibit 1.3**

**ADDITIONAL SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. provide teaching, educational or training services, as reasonably requested by Hospital;
2. participate in utilization review programs, as reasonably requested by Hospital;
3. participate in risk management, quality assurance and peer review programs, as reasonably requested by Hospital;
4. accept third party insured patients and referrals of patients which are made by members of the Medical Staff, subject only to the limitations of scheduling and Contractor's professional qualifications;
5. assist Hospital in monitoring and reviewing the clinical performance of health care professionals who provide services to Hospital's patients; including reviewing incident reports and patient satisfaction studies relevant to the Specialty, and assisting Hospital in implementing any necessary corrective actions to address any issues identified during the course of such review;
6. assist in monitoring the performance of those professionals who are not meeting Hospital quality and/or performance standards, including, without limitation, direct observation of the provision of care by such professionals, and in disciplining any professionals who continue poor performance, recognizing that the Hospital Board of Directors is ultimately responsible for maintaining the standards of care provided to patients;
7. assist Hospital management with all preparation for, and conduct of, any inspections and on-site surveys of Hospital conducted by governmental agencies or accrediting organizations, including those specific obligations set forth in **Attachment A**;
8. cooperate with Hospital in all litigation matters affecting Contractor or Hospital, consistent with advice from Contractor's legal counsel;
9. cooperate and comply with Hospital's policies and procedures which are pertinent to patient relations, quality assurance, scheduling, billing, collections and other administrative matters and cooperate with Hospital's efforts to bill and collect fees for services rendered to Hospital's patients. All business transactions related to the Services provided by Contractor, such as enrollment, verification and billings, shall be conducted by and in the name of Hospital; and
10. assist Hospital in developing, implementing and monitoring a program by which quality measures are reportable to Hospital with respect to the Specialty. The quality program shall include at the least those characteristics set forth in **Attachment A**.

**Attachment A**

**ADDITIONAL OBLIGATIONS**

1. The Program developed, implemented and monitored by Hospital and Contractor requires quality improvement initiatives in the areas listed below.
  - a. Clinical Standards;
  - b. Performance Improvement;
  - c. Patient Satisfaction; and
  - d. Professional Development (OPPE).
2. Contractor must be able to provide detailed accurate and timely reports to Hospital.
3. Performance improvement and patient satisfaction measures may be deleted and/or replaced with new questions in order to comply with having a quality Program and Hospital's quality and/or performance standards.

**Exhibit 1.13****MEDICAL STAFF POLICY**

<b>Title:</b> Practitioner Code of Conduct	<b>Effective:</b> 05/09 <b>Reviewed/Revised:</b> 08/11
<b>Standard:</b> MSP004-2	<b>Approved: MEC</b> 08/11 <b>BOT</b> 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

**POLICY**

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.
2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.
3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.
4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.
5. Contribute to the overall educational mission of NMC.
6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

### **EXAMPLES OF PROFESSIONAL BEHAVIOR**

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.
2. Provide for and communicate alternate coverage arrangements to assure the continuity and quality of care.
3. Demonstrate language, action, attitude and behavior which consistently convey to patients, families, colleagues, and all other members of the NMC health care team a sense of compassion and respect for human dignity.
4. Understand and accept individual cultural differences.
5. Maintain appropriate, timely, and legible medical record entries which enable all NMC professionals to understand and effectively participate in a cohesive plan of management to assure continuity, quality, and efficiency of care and effective post-discharge planning and follow-up.
6. Respect the right of patients, families or other designated surrogates to participate in an informed manner in decisions pertaining to patient care.
7. Treat patients and all persons functioning in any capacity within NMC with courtesy, respect, and human dignity.
8. Conduct one's practice at NMC in a manner that will facilitate timely commencement of medical/surgical procedures at NMC, including but not limited to, timely arrival at the hospital, pre-ordering all needed special equipment and/or supplies, and timely notification of required staff.

### **EXAMPLES OF DISRUPTIVE OR UNPROFESSIONAL BEHAVIOR**

Disruptive or Unprofessional Behavior, as characterized in this Code, includes but is not limited to:

1. Misappropriation or unauthorized removal or possession of NMC owned property.
2. Falsification of medical records, including timekeeping records and other NMC documents.

3. Working under the influence of alcohol or illegal drugs.
4. Working under the influence of prescription or over-the-counter medications when use of such medications significantly affects the practitioner's level of cognitive functioning.
5. Possession, distribution, purchase, sale, transfer, transport or use of illegal drugs in the workplace.
6. Possession of dangerous or unauthorized materials such as explosives, firearms, or other weapons in the workplace.
7. Writing derogatory and/or accusatory notes in the medical record which are not necessary for the provision of quality patient care services. Concerns regarding the performance of other Practitioners or NMC employees should be reported on a NMC Quality Review Report form and submitted pursuant to NMC policy and should not be entered into the patient's medical record.
8. Harassment
  - a. Harassment is verbal or physical contact that denigrates or shows hostility or aversion toward an individual based on race, religion, color, national origin, ancestry, age, disability, marital status, gender, sexual orientation, or any other basis protected by federal, state, or local law or ordinance, and that:
    1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment, or;
    2. Has the purpose or effect of unreasonably interfering with an individual's work performance, or;
    3. Otherwise adversely affects an individual's employment opportunity.
  - b. Harassing conduct includes, but is not limited to:
    1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation.
    2. Written material or illustrations that denigrate or show hostility or aversion toward an individual or group because of race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation, and is placed on walls; bulletin boards, or elsewhere on NMC's premises or circulated in the workplace.
9. Physical behavior that is harassing, intimidating, or threatening, from the viewpoint of the recipient, including touching, obscene or intimidating gestures, or throwing of objects;

10. Passive behaviors, such as refusing to perform assigned tasks or to answer questions, return phone calls, or pages;
11. Language that is a reasonable adult would consider to be foul, abusive, degrading, demeaning, or threatening, such as crude comments, degrading jokes or comments, yelling or shouting at a person, or threatening violence or retribution;
12. Single incident of egregious behavior, such as an assault or other criminal act.
13. Criticism of NMC staff in front of patients, families, or other staff.

## **PROCEDURE**

1. Any person who functions in any capacity at NMC who observes Practitioner language, action, attitude, or behavior which may be unprofessional, harassing, or disruptive to the provision of quality patient care services should document the incident on a NMC Quality Review Report form.
2. Identified incidents involving Practitioners shall be reviewed pursuant to the current Road Map for Handling Reports of Disruptive or Unprofessional Behavior or the County Sexual Harassment Policy, as determined by the nature of the behavior and the person who exhibits it.

I acknowledge that I have received and read this Practitioner Code of Conduct. I acknowledge that hospitals are required to define and address disruptive and inappropriate conduct to comply with The Joint Commission standards for accreditation. I agree to adhere to the guidelines in this Code and conduct myself in a professional manner. I further understand that failure to behave in a professional fashion may result in disciplinary actions set forth in the RoadMap for Handling Reports of Disruptive or Unprofessional Behavior or as determined by the Medical Executive Committee pursuant to the Medical Staff Bylaws.

**Exhibit 2.1**

**COMPENSATION**

1. **Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Fifty Dollars (\$150) per hour for those Professional Services provided to Program Patients during the Day Shift (the “**Day Shift Compensation**”) and One Hundred Sixty Dollars (\$160) per hour for those Professional Services provided to Program Patients during the Night Shift (the “**Night Shift Compensation**”); provided, however, that Contractor is in compliance with the terms and conditions of this Agreement. The Day Shift Compensation, together with the Night Shift Compensation are referred to collectively in this Agreement as the “**Compensation**”.

2. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Seven Dollars and Sixty-One Cents (\$7.61) per shift worked by Contractor to compensate for Hospital’s payment of professional liability insurance premiums on behalf of Contractor. This rate represents the then-current rate and is subject to change.

3. **Timing.** Hospital shall pay the Compensation due for Services performed by Contractor after Contractor’s submission of the monthly invoice of preceding month’s activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Services were performed, Hospital shall not be obligated to pay Contractor for Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is “30 days after receipt of the certified invoice in the Auditor-Controller’s Office”.

**Exhibit 6.3****BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (“Agreement”), effective September 26, 2022 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Adrian Jordan, M.D. (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“E PHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

**1. DEFINITIONS**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

## **2. PERMITTED USES AND DISCLOSURES OF PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law , or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

## **3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

- (h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;
- (i) if all or any portion of the PHI is maintained in a Designated Record Set:
  - (i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and
  - (ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;
- (j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;
- (k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;
- (l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

- (a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;
- (b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### **4. TERMS AND TERMINATION**

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

If to Business Associate, to:

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

Exhibit 6.3-7

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

**PROFESSIONAL SERVICES AGREEMENT**  
**by and between**  
**NATIVIDAD MEDICAL CENTER (“Hospital”)**  
**and**  
**CLAIRE HARTUNG, M.D., Inc (“Contractor”)**

## PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT (this “**Agreement**”) is entered into as of August 26, 2022, by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and Claire Hartung, M.D., Inc, a California corporation (“**Contractor**”). Contractor is a professional entity and appoints Claire Hartung M.D. to provide the services described in the Agreement on its behalf, and all references to Contractor shall include this individual. County, Hospital and Contractor are sometimes referred to in this Agreement as a “**Party**” or, collectively, as the “**Parties.**”

### RECITALS

A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California, in which it operates a hospitalist program (the “**Program**”) under its acute care license.

B. Contractor is duly licensed to practice medicine in the State of California (the “**State**”). Contractor is board certified for the practice of medicine in the specialty of family practice and credentialed for critical care procedures such as central venous catheters, arterial lines, endotracheal intubation, and ventilator management (collectively, the “**Specialty**”).

C. Hospital must arrange for the provision of professional consultation and treatment of patients who present to the emergency department (“**Department**”) and/or who are admitted as Hospital inpatients in need of medical care or treatment in the Specialty (the “**Patients**”), without regard to any consideration other than medical condition.

D. In order to ensure adequate and continued Program coverage for the Hospital as may be required by applicable federal and state laws, Hospital desires to engage a panel of physicians specializing in the Specialty, including Contractor (each, a “**Panel Member**” and, collectively, the “**Panel Members**”), to provide the Services (as defined below), upon the terms and subject to the conditions set forth in this Agreement.

E. Hospital has considered the following factors in determining the necessity and amount of compensation payable to Contractor pursuant to this Agreement:

1. The nature of Contractor’s duties as contemplated by this Agreement.
2. Contractor’s qualifications.
3. The difficulty in obtaining a qualified physician to provide the services described in this Agreement.
4. The benefits to Hospital’s community resulting from Contractor’s performance of the services described in this Agreement.
5. The economic conditions locally and in the health care industry generally.

## AGREEMENT

### THE PARTIES AGREE AS FOLLOWS:

#### ARTICLE I. CONTRACTOR'S OBLIGATIONS

**1.1 Professional Services.** Contractor shall provide the professional services described in Exhibit 1.1 (the “**Professional Services**”) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

**1.2 Teaching Services.** Contractor shall provide to Hospital those teaching services set forth in Exhibit 1.2 (collectively, the “**Teaching Services**”). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

**1.3 Additional Services.** Contractor shall provide to Hospital those additional services set forth in Exhibit 1.3 (the “**Additional Services**”), upon the terms and subject to the conditions set forth in this Agreement. The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the “**Services.**”

**1.4 Personal Services.** This Agreement is entered into by Hospital in reliance on the professional skills of Contractor. Contractor shall be solely responsible for performing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement.

**1.5 Time Commitment.** Contractor shall provide the Professional Services from time to time as needed, along with other Panel Members, to cover the Hospital’s needs, including weekends and holidays. Scheduled hours for each shift shall be 7:00 AM to 7:00 PM (“**Day Shift**”), 7:00 PM to 7:00 AM (“**Night Shift**”), or as reasonably determined by Hospital and based on the patient care needs of the Program. Contractor shall allocate time among the Services as reasonably requested by Hospital from time to time.

**1.6 Availability.** On or before the first (1st) day of each month, Contractor shall inform Hospital of Contractor’s schedule of availability to perform the Services during the following month. Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital’s needs for the Services.

**1.7 Absences.** Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor’s absence, and any unapproved absence shall constitute a breach of this Agreement.

**1.8 Time Reports.** Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as Exhibit 1.8. Contractor shall submit all such time sheets to Hospital no later than the tenth (10th) day of each month for Services provided by Contractor during the immediately preceding month.

**1.9 Medical Staff.** Contractor shall be a member in good standing and active on the Hospital's medical staff (the "**Medical Staff**") and have and maintain all clinical privileges at Hospital necessary for the performance of Contractor's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), Contractor is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Contractor's obligations hereunder, Contractor shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that Hospital may immediately terminate this Agreement if Hospital determines that Contractor is not diligently pursuing such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws. Contractor may obtain and maintain medical staff privileges at any other hospital or health care facility at Contractor's sole expense.

**1.10 Professional Qualifications.** Contractor shall have and maintain an unrestricted license to practice medicine in the State. Contractor shall be board certified in the Specialty by the applicable medical specialty board approved by the American Board of Medical Specialties. Contractor shall have and maintain a valid and unrestricted United States Drug Enforcement Administration ("**DEA**") registration.

**1.11 Review of Office of the Inspector General ("OIG") Medicare Compliance Bulletins.** The OIG from time to time issues Medicare compliance alert bulletins. To the extent applicable to Contractor's performance under this Agreement, Contractor shall undertake to review, be familiar with and comply with all applicable requirements of such OIG compliance bulletins.

**1.12 Performance Standards.** Contractor shall comply with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the "**Hospital Rules**"), and all protocols applicable to the Services or the Hospital (the "**Protocols**").

**1.13 Code of Conduct.** Contractor hereby acknowledges receipt of Hospital's Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the "**Code**"), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor's business dealings with Hospital and Contractor's performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor's business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

**1.14 Continuing Medical Education.** Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

**1.15 Use of Space.** Contractor shall use Hospital's premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital's prior written consent.

**1.16 Notification of Certain Events.** Contractor shall notify Hospital in writing within twenty-four (24) hours after the occurrence of any one or more of the following events:

(a) Contractor becomes the subject of, or materially involved in, any investigation, proceeding, or disciplinary action by: Medicare and Medicaid programs or any other Federal health care program, as defined at 42 U.S.C. Section 1320a-7b(f) (collectively, the “**Federal Health Care Programs**”) or state equivalent, any state’s medical board, any agency responsible for professional licensing, standards or behavior, or any medical staff;

(b) Contractor’s medical staff membership or clinical privileges at any hospital are denied, suspended, restricted, revoked or voluntarily relinquished, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(c) Contractor becomes the subject of any suit, action or other legal proceeding arising out of Contractor’s professional services;

(d) Contractor is required to pay damages or any other amount in any malpractice action by way of judgment or settlement;

(e) Contractor becomes the subject of any disciplinary proceeding or action before any state’s medical board or similar agency responsible for professional standards or behavior;

(f) Contractor voluntarily or involuntarily retires from the practice of medicine;

(g) Contractor’s license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor is charged with or convicted of a criminal offense;

(i) any act of nature or any other event occurs which has a material adverse effect on Contractor’s ability to provide the Services; or

(j) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent.

**1.17 Representations and Warranties by Contractor.** Contractor represents and warrants that: (a) Contractor’s license to practice medicine in any state has never been suspended, revoked or restricted; (b) Contractor has never been reprimanded, sanctioned or disciplined by any licensing board or medical specialty board; (c) Contractor has never been excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program; (d) Contractor has never been denied membership and/or reappointment to the medical staff of any hospital or health care facility; (e) Contractor’s medical staff membership or clinical privileges at any hospital or health care facility have never been suspended, limited or revoked for a medical disciplinary cause or reason; and (f) Contractor has never been charged with or convicted of a felony, a misdemeanor involving fraud, dishonesty, controlled substances, or

moral turpitude, or any crime relevant to the provision of medical services or the practice of medicine.

**1.18 Nondiscrimination.** Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

**1.19 Non-Exclusive Services.** The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

**1.20 Compliance with Grant Terms.** If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

**1.21 Medical Records and Claims.**

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

**1.22 Records Available to Contractor.** Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill

requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

## **ARTICLE II. COMPENSATION**

**2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with Exhibit 2.1 (the “**Compensation**”), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of Three Hundred Thousand Dollars (\$300,000).

**2.2 Billing and Collection.** Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this Agreement (the “**NMC Services**”). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability.** Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties' respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys' fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

### **2.3 Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

- (i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a "**Managed Care Organization**") designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;
- (ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;
- (iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or
- (iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

**ARTICLE III.**  
**INSURANCE AND INDEMNITY**

**3.1 Evidence of Coverage.** Prior to commencement of this Agreement, the Contractor shall provide a “Certificate of Insurance” certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital’s Medical Staff Office, unless otherwise directed. The Contractor shall not receive a “Notice to Proceed” with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

**3.2 Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder’s alphabetic and financial size category rating of not less than A-VII, according to the current Best’s Key Rating Guide or a company of equal financial stability that is approved by Hospital’s Contracts/Purchasing Director.

**3.3 Insurance Coverage Requirements.** Without limiting Contractor’s duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor’s sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital’s Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a “Claims Made” rather than “Occurrence” basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (“**Tail Coverage**”), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

Exemption/Modification (Justification attached; subject to approval).

**3.4 Other Insurance Requirements.** All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

### **3.5 Right to Offset Insurance Costs.**

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

### **3.6 Indemnification.**

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

**3.7 Indemnification for Timely Payment of Tax Contributions.** It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

**3.8 Hospital Services.** Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

**3.9 Survival of Obligations.** The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

#### **ARTICLE IV.** **RELATIONSHIP BETWEEN THE PARTIES**

##### **4.1 Independent Contractor.**

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (“IRS”) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

**4.2 Limitation on Control.** Hospital shall neither have nor exercise any control or direction over Contractor’s professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

**4.3 Practice of Medicine.** Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

**4.4 No Benefit Contributions.** Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

**4.5 Referrals.** Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days’ notice to the other Party.

Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

**4.6 Form 1099 or W-2.** If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

**4.7 Contractor Compensation Arrangements.** Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

**4.8 Cooperation.**

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an "**Action**") arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

**4.9 Contractor's Performance.** County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

**4.10 Right of Inspection.** Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

**4.11 Access to and Audit of Records.** Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

## **ARTICLE V. TERM AND TERMINATION**

**5.1 Term.** This Agreement shall become effective on August 26, 2022 (the "**Effective Date**"), and shall continue until September 30, 2024 (the "**Expiration Date**"), subject to the termination provisions of this Agreement.

**5.2 Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) death or permanent disability of Contractor;

(c) Contractor's voluntary retirement from the practice of medicine;

(d) neglect of professional duty by Contractor in a manner that violates Hospital's policies, rules or regulations;

(e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;

(f) Contractor's clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

(i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

**5.3 Termination by Contractor.** Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

**5.4 Termination or Modification in the Event of Government Action.**

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, "**Government Action**" shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;
- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;

- (vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, "**Affiliate**" shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

**5.5 Termination without Cause.** Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

**5.6 Effect of Termination or Expiration.** Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Contractor shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

**5.7 Return of Property.** Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

**5.8 Termination or Amendment in Response to Reduction of Government Funding.** Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

## **ARTICLE VI. GENERAL PROVISIONS**

**6.1 Amendment.** This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

**6.2 Assignment.** Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

**6.3 Compliance with HIPAA.** Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, "**HIPAA**," the obligations collectively referred to herein as "**HIPAA Obligations**"), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

**6.4 Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, "**Laws**") applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

**6.5 Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

**6.6 Confidential Information.**

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. "**Trade Secrets**" includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. "**Confidential Information**" includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

**6.7 Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

**6.8 Disclosure of Interests.** Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

**6.9 Dispute Resolution.** In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a “**Dispute**”), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the “**Dispute Notice**”), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the “**Meet and Confer**”). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“**JAMS**”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “Panel”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.
- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

- (viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

**6.10 Entire Agreement.** This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

**6.11 Exhibits.** The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

**6.12 Force Majeure.** Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

**6.13 Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State.

**6.14 Headings.** The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

**6.15 Litigation Consultation.** Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

**6.16 Master List.** The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

**6.17 Meaning of Certain Words.** Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

**6.18 No Conflicting Obligations.** Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

**6.19 No Third Party Beneficiary Rights.** The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

**6.20 Notices.** All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

If to Hospital, addressed to:

**6.21 Participation in Federal Health Care Programs.** Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

**6.22 Representations.** Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

**6.23 Severability.** If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

**6.24 Statutes and Regulations.** Any reference in this Agreement to any statute, regulation, ruling, or administrative order or decree shall include, and be a reference to any successor statute, regulation, ruling, or administrative order or decree.

**6.25 Waiver.** No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing to be effective, and shall apply solely to the specific instance expressly stated.

**Exhibit 1.3**

**ADDITIONAL SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. provide teaching, educational or training services, as reasonably requested by Hospital;
2. participate in utilization review programs, as reasonably requested by Hospital;
3. participate in risk management, quality assurance and peer review programs, as reasonably requested by Hospital;
4. accept third party insured patients and referrals of patients which are made by members of the Medical Staff, subject only to the limitations of scheduling and Contractor's professional qualifications;
5. assist Hospital in monitoring and reviewing the clinical performance of health care professionals who provide services to Hospital's patients; including reviewing incident reports and patient satisfaction studies relevant to the Specialty, and assisting Hospital in implementing any necessary corrective actions to address any issues identified during the course of such review;
6. assist in monitoring the performance of those professionals who are not meeting Hospital quality and/or performance standards, including, without limitation, direct observation of the provision of care by such professionals, and in disciplining any professionals who continue poor performance, recognizing that the Hospital Board of Directors is ultimately responsible for maintaining the standards of care provided to patients;
7. assist Hospital management with all preparation for, and conduct of, any inspections and on-site surveys of Hospital conducted by governmental agencies or accrediting organizations, including those specific obligations set forth in **Attachment A**;
8. cooperate with Hospital in all litigation matters affecting Contractor or Hospital, consistent with advice from Contractor's legal counsel;
9. cooperate and comply with Hospital's policies and procedures which are pertinent to patient relations, quality assurance, scheduling, billing, collections and other administrative matters and cooperate with Hospital's efforts to bill and collect fees for services rendered to Hospital's patients. All business transactions related to the Services provided by Contractor, such as enrollment, verification and billings, shall be conducted by and in the name of Hospital; and
10. assist Hospital in developing, implementing and monitoring a program by which quality measures are reportable to Hospital with respect to the Specialty. The quality program shall include at the least those characteristics set forth in **Attachment A**.

**Attachment A**

**ADDITIONAL OBLIGATIONS**

1. The Program developed, implemented and monitored by Hospital and Contractor requires quality improvement initiatives in the areas listed below.
  - a. Clinical Standards;
  - b. Performance Improvement;
  - c. Patient Satisfaction; and
  - d. Professional Development (OPPE).
2. Contractor must be able to provide detailed accurate and timely reports to Hospital.
3. Performance improvement and patient satisfaction measures may be deleted and/or replaced with new questions in order to comply with having a quality Program and Hospital's quality and/or performance standards.

**(See attached.)**

**Exhibit 1.13****MEDICAL STAFF POLICY**

<b>Title:</b> Practitioner Code of Conduct	<b>Effective:</b> 05/09 <b>Reviewed/Revised:</b> 08/11
<b>Standard:</b> MSP004-2	<b>Approved: MEC</b> 08/11 <b>BOT</b> 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

**POLICY**

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.
2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.
3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.
4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.
5. Contribute to the overall educational mission of NMC.
6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

### **EXAMPLES OF PROFESSIONAL BEHAVIOR**

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.
2. Provide for and communicate alternate coverage arrangements to assure the continuity and quality of care.
3. Demonstrate language, action, attitude and behavior which consistently convey to patients, families, colleagues, and all other members of the NMC health care team a sense of compassion and respect for human dignity.
4. Understand and accept individual cultural differences.
5. Maintain appropriate, timely, and legible medical record entries which enable all NMC professionals to understand and effectively participate in a cohesive plan of management to assure continuity, quality, and efficiency of care and effective post-discharge planning and follow-up.
6. Respect the right of patients, families or other designated surrogates to participate in an informed manner in decisions pertaining to patient care.
7. Treat patients and all persons functioning in any capacity within NMC with courtesy, respect, and human dignity.
8. Conduct one's practice at NMC in a manner that will facilitate timely commencement of medical/surgical procedures at NMC, including but not limited to, timely arrival at the hospital, pre-ordering all needed special equipment and/or supplies, and timely notification of required staff.

### **EXAMPLES OF DISRUPTIVE OR UNPROFESSIONAL BEHAVIOR**

Disruptive or Unprofessional Behavior, as characterized in this Code, includes but is not limited to:

1. Misappropriation or unauthorized removal or possession of NMC owned property.
2. Falsification of medical records, including timekeeping records and other NMC documents.

3. Working under the influence of alcohol or illegal drugs.
4. Working under the influence of prescription or over-the-counter medications when use of such medications significantly affects the practitioner's level of cognitive functioning.
5. Possession, distribution, purchase, sale, transfer, transport or use of illegal drugs in the workplace.
6. Possession of dangerous or unauthorized materials such as explosives, firearms, or other weapons in the workplace.
7. Writing derogatory and/or accusatory notes in the medical record which are not necessary for the provision of quality patient care services. Concerns regarding the performance of other Practitioners or NMC employees should be reported on a NMC Quality Review Report form and submitted pursuant to NMC policy and should not be entered into the patient's medical record.
8. Harassment
  - a. Harassment is verbal or physical contact that denigrates or shows hostility or aversion toward an individual based on race, religion, color, national origin, ancestry, age, disability, marital status, gender, sexual orientation, or any other basis protected by federal, state, or local law or ordinance, and that:
    1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment, or;
    2. Has the purpose or effect of unreasonably interfering with an individual's work performance, or;
    3. Otherwise adversely affects an individual's employment opportunity.
  - b. Harassing conduct includes, but is not limited to:
    1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation.
    2. Written material or illustrations that denigrate or show hostility or aversion toward an individual or group because of race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation, and is placed on walls; bulletin boards, or elsewhere on NMC's premises or circulated in the workplace.
9. Physical behavior that is harassing, intimidating, or threatening, from the viewpoint of the recipient, including touching, obscene or intimidating gestures, or throwing of objects;

10. Passive behaviors, such as refusing to perform assigned tasks or to answer questions, return phone calls, or pages;
11. Language that is a reasonable adult would consider to be foul, abusive, degrading, demeaning, or threatening, such as crude comments, degrading jokes or comments, yelling or shouting at a person, or threatening violence or retribution;
12. Single incident of egregious behavior, such as an assault or other criminal act.
13. Criticism of NMC staff in front of patients, families, or other staff.

## **PROCEDURE**

1. Any person who functions in any capacity at NMC who observes Practitioner language, action, attitude, or behavior which may be unprofessional, harassing, or disruptive to the provision of quality patient care services should document the incident on a NMC Quality Review Report form.
2. Identified incidents involving Practitioners shall be reviewed pursuant to the current Road Map for Handling Reports of Disruptive or Unprofessional Behavior or the County Sexual Harassment Policy, as determined by the nature of the behavior and the person who exhibits it.

I acknowledge that I have received and read this Practitioner Code of Conduct. I acknowledge that hospitals are required to define and address disruptive and inappropriate conduct to comply with The Joint Commission standards for accreditation. I agree to adhere to the guidelines in this Code and conduct myself in a professional manner. I further understand that failure to behave in a professional fashion may result in disciplinary actions set forth in the RoadMap for Handling Reports of Disruptive or Unprofessional Behavior or as determined by the Medical Executive Committee pursuant to the Medical Staff Bylaws.

## Exhibit 2.1

### COMPENSATION

1. **Hospitalist Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Seventy Dollars (\$170) per hour for those Professional Services provided to Program Patients during the Day Shift (the “**Day Shift Compensation**”) and One Hundred Eighty Dollars (\$180) per hour for those Professional Services provided to Program Patients during the Night Shift (the “**Night Shift Compensation**”); provided, however, that Contractor is in compliance with the terms and conditions of this Agreement. The Day Shift Compensation, together with the Night Shift Compensation are referred to collectively in this Agreement as the “**Hospitalist Compensation**”.

2. **Labor and Delivery Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Eight Dollars (\$108) per hour for those Professional Services rendered by Contractor to Patients while providing on-site coverage for Hospital’s labor and delivery unit (the “**Labor & Delivery Compensation**”); provided however, that Contractor is in compliance with the terms and conditions of this Agreement.

3. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Seven Dollars and Sixty-One Cents (\$7.61) per hospitalist shift worked and Twenty-One Dollars and Ninety Cents (\$21.90) per labor and delivery shift worked by Contractor to compensate for Hospital’s payment of professional liability insurance premiums on behalf of Contractor. This rate represents the then-current rate and is subject to change.

4. **Timing.** Hospital shall pay the Compensation due for Services performed by Contractor after Contractor’s submission of the monthly invoice of preceding month’s activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Services were performed, Hospital shall not be obligated to pay Contractor for Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is “30 days after receipt of the certified invoice in the Auditor-Controller’s Office”.

#### **BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (“Agreement”), effective August 26, 2022 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Claire Hartung, M.D., Inc (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“E PHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

#### **1. DEFINITIONS**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

## 2. **PERMITTED USES AND DISCLOSURES OF PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law, or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

## 3. **RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

(h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) if all or any portion of the PHI is maintained in a Designated Record Set:

(i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and

(ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

(a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;

(b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### 4. TERMS AND TERMINATION

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

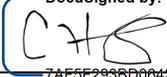

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

Exhibit 6.3-7

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

**PROFESSIONAL SERVICES AGREEMENT**  
**by and between**  
**NATIVIDAD MEDICAL CENTER (“Hospital”)**  
**and**  
**IAN L. ATKINSON, INC., M.D., Inc (“Contractor”)**

## PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT (this “**Agreement**”) is entered into as of August 26, 2022, by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and Ian L. Atkinson, M.D., Inc, a California corporation (“**Contractor**”). Contractor is a professional entity and appoints Ian L. Atkinson, M.D. to provide the services described in the Agreement on its behalf, and all references to Contractor shall include this individual. County, Hospital and Contractor are sometimes referred to in this Agreement as a “**Party**” or, collectively, as the “**Parties.**”

### RECITALS

A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California, in which it operates a hospitalist program (the “**Program**”) under its acute care license.

B. Contractor is duly licensed to practice medicine in the State of California (the “**State**”). Contractor is board certified for the practice of medicine in the specialty of family practice and credentialed for critical care procedures such as central venous catheters, arterial lines, endotracheal intubation, and ventilator management (collectively, the “**Specialty**”).

C. Hospital must arrange for the provision of professional consultation and treatment of patients who present to the emergency department (“**Department**”) and/or who are admitted as Hospital inpatients in need of medical care or treatment in the Specialty (the “**Patients**”), without regard to any consideration other than medical condition.

D. In order to ensure adequate and continued Program coverage for the Hospital as may be required by applicable federal and state laws, Hospital desires to engage a panel of physicians specializing in the Specialty, including Contractor (each, a “**Panel Member**” and, collectively, the “**Panel Members**”), to provide the Services (as defined below), upon the terms and subject to the conditions set forth in this Agreement.

E. Hospital has considered the following factors in determining the necessity and amount of compensation payable to Contractor pursuant to this Agreement:

1. The nature of Contractor’s duties as contemplated by this Agreement.
2. Contractor’s qualifications.
3. The difficulty in obtaining a qualified physician to provide the services described in this Agreement.
4. The benefits to Hospital’s community resulting from Contractor’s performance of the services described in this Agreement.
5. The economic conditions locally and in the health care industry generally.

## AGREEMENT

### THE PARTIES AGREE AS FOLLOWS:

#### ARTICLE I. CONTRACTOR'S OBLIGATIONS

**1.1 Professional Services.** Contractor shall provide the professional services described in Exhibit 1.1 (the “**Professional Services**”) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

**1.2 Teaching Services.** Contractor shall provide to Hospital those teaching services set forth in Exhibit 1.2 (collectively, the “**Teaching Services**”). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

**1.3 Additional Services.** Contractor shall provide to Hospital those additional services set forth in Exhibit 1.3 (the “**Additional Services**”), upon the terms and subject to the conditions set forth in this Agreement. The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the “**Services.**”

**1.4 Personal Services.** This Agreement is entered into by Hospital in reliance on the professional skills of Contractor. Contractor shall be solely responsible for performing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement.

**1.5 Time Commitment.** Contractor shall provide the Professional Services from time to time as needed, along with other Panel Members, to cover the Hospital’s needs, including weekends and holidays. Scheduled hours for each shift shall be 7:00 AM to 7:00 PM (“**Day Shift**”), 7:00 PM to 7:00 AM (“**Night Shift**”), or as reasonably determined by Hospital and based on the patient care needs of the Program. Contractor shall allocate time among the Services as reasonably requested by Hospital from time to time.

**1.6 Availability.** On or before the first (1st) day of each month, Contractor shall inform Hospital of Contractor’s schedule of availability to perform the Services during the following month. Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital’s needs for the Services.

**1.7 Absences.** Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor’s absence, and any unapproved absence shall constitute a breach of this Agreement.

**1.8 Time Reports.** Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as Exhibit 1.8. Contractor shall submit all such time sheets to Hospital no later than the tenth (10th) day of each month for Services provided by Contractor during the immediately preceding month.

**1.9 Medical Staff.** Contractor shall be a member in good standing and active on the Hospital's medical staff (the "**Medical Staff**") and have and maintain all clinical privileges at Hospital necessary for the performance of Contractor's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), Contractor is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Contractor's obligations hereunder, Contractor shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that Hospital may immediately terminate this Agreement if Hospital determines that Contractor is not diligently pursuing such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws. Contractor may obtain and maintain medical staff privileges at any other hospital or health care facility at Contractor's sole expense.

**1.10 Professional Qualifications.** Contractor shall have and maintain an unrestricted license to practice medicine in the State. Contractor shall be board certified in the Specialty by the applicable medical specialty board approved by the American Board of Medical Specialties. Contractor shall have and maintain a valid and unrestricted United States Drug Enforcement Administration ("**DEA**") registration.

**1.11 Review of Office of the Inspector General ("OIG") Medicare Compliance Bulletins.** The OIG from time to time issues Medicare compliance alert bulletins. To the extent applicable to Contractor's performance under this Agreement, Contractor shall undertake to review, be familiar with and comply with all applicable requirements of such OIG compliance bulletins.

**1.12 Performance Standards.** Contractor shall comply with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the "**Hospital Rules**"), and all protocols applicable to the Services or the Hospital (the "**Protocols**").

**1.13 Code of Conduct.** Contractor hereby acknowledges receipt of Hospital's Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the "**Code**"), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor's business dealings with Hospital and Contractor's performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor's business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

**1.14 Continuing Medical Education.** Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

**1.15 Use of Space.** Contractor shall use Hospital's premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital's prior written consent.

**1.16 Notification of Certain Events.** Contractor shall notify Hospital in writing within twenty-four (24) hours after the occurrence of any one or more of the following events:

(a) Contractor becomes the subject of, or materially involved in, any investigation, proceeding, or disciplinary action by: Medicare and Medicaid programs or any other Federal health care program, as defined at 42 U.S.C. Section 1320a-7b(f) (collectively, the “**Federal Health Care Programs**”) or state equivalent, any state’s medical board, any agency responsible for professional licensing, standards or behavior, or any medical staff;

(b) Contractor’s medical staff membership or clinical privileges at any hospital are denied, suspended, restricted, revoked or voluntarily relinquished, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(c) Contractor becomes the subject of any suit, action or other legal proceeding arising out of Contractor’s professional services;

(d) Contractor is required to pay damages or any other amount in any malpractice action by way of judgment or settlement;

(e) Contractor becomes the subject of any disciplinary proceeding or action before any state’s medical board or similar agency responsible for professional standards or behavior;

(f) Contractor voluntarily or involuntarily retires from the practice of medicine;

(g) Contractor’s license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor is charged with or convicted of a criminal offense;

(i) any act of nature or any other event occurs which has a material adverse effect on Contractor’s ability to provide the Services; or

(j) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent.

**1.17 Representations and Warranties by Contractor.** Contractor represents and warrants that: (a) Contractor’s license to practice medicine in any state has never been suspended, revoked or restricted; (b) Contractor has never been reprimanded, sanctioned or disciplined by any licensing board or medical specialty board; (c) Contractor has never been excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program; (d) Contractor has never been denied membership and/or reappointment to the medical staff of any hospital or health care facility; (e) Contractor’s medical staff membership or clinical privileges at any hospital or health care facility have never been suspended, limited or revoked for a medical disciplinary cause or reason; and (f) Contractor has never been charged with or convicted of a felony, a misdemeanor involving fraud, dishonesty, controlled substances, or

moral turpitude, or any crime relevant to the provision of medical services or the practice of medicine.

**1.18 Nondiscrimination.** Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

**1.19 Non-Exclusive Services.** The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

**1.20 Compliance with Grant Terms.** If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

**1.21 Medical Records and Claims.**

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

**1.22 Records Available to Contractor.** Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill

requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

## **ARTICLE II.** **COMPENSATION**

**2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with **Exhibit 2.1** (the “**Compensation**”), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of Three Hundred Thousand Dollars (\$300,000).

**2.2 Billing and Collection.** Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this Agreement (the “**NMC Services**”). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability.** Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties' respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys' fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

### **2.3 Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

- (i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a "**Managed Care Organization**") designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;
- (ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;
- (iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or
- (iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

**ARTICLE III.**  
**INSURANCE AND INDEMNITY**

**3.1 Evidence of Coverage.** Prior to commencement of this Agreement, the Contractor shall provide a “Certificate of Insurance” certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital’s Medical Staff Office, unless otherwise directed. The Contractor shall not receive a “Notice to Proceed” with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

**3.2 Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder’s alphabetic and financial size category rating of not less than A-VII, according to the current Best’s Key Rating Guide or a company of equal financial stability that is approved by Hospital’s Contracts/Purchasing Director.

**3.3 Insurance Coverage Requirements.** Without limiting Contractor’s duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor’s sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital’s Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a “Claims Made” rather than “Occurrence” basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (“**Tail Coverage**”), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

Exemption/Modification (Justification attached; subject to approval).

**3.4 Other Insurance Requirements.** All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

### **3.5 Right to Offset Insurance Costs.**

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

### **3.6 Indemnification.**

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

**3.7 Indemnification for Timely Payment of Tax Contributions.** It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

**3.8 Hospital Services.** Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

**3.9 Survival of Obligations.** The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

**ARTICLE IV.**  
**RELATIONSHIP BETWEEN THE PARTIES**

**4.1 Independent Contractor.**

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (“IRS”) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

**4.2 Limitation on Control.** Hospital shall neither have nor exercise any control or direction over Contractor’s professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

**4.3 Practice of Medicine.** Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

**4.4 No Benefit Contributions.** Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

**4.5 Referrals.** Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days’ notice to the other Party.

Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

**4.6 Form 1099 or W-2.** If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

**4.7 Contractor Compensation Arrangements.** Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

**4.8 Cooperation.**

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an "**Action**") arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

**4.9 Contractor's Performance.** County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

**4.10 Right of Inspection.** Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

**4.11 Access to and Audit of Records.** Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

## **ARTICLE V. TERM AND TERMINATION**

**5.1 Term.** This Agreement shall become effective on August 26, 2022 (the "Effective Date"), and shall continue until September 30, 2024 (the "Expiration Date"), subject to the termination provisions of this Agreement.

**5.2 Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) death or permanent disability of Contractor;

(c) Contractor's voluntary retirement from the practice of medicine;

(d) neglect of professional duty by Contractor in a manner that violates Hospital's policies, rules or regulations;

(e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;

(f) Contractor's clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

(i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

**5.3 Termination by Contractor.** Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

**5.4 Termination or Modification in the Event of Government Action.**

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notifies the other of such fact.

(c) For the purposes of this Section, "**Government Action**" shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;
- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;

- (vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, "**Affiliate**" shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

**5.5 Termination without Cause.** Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

**5.6 Effect of Termination or Expiration.** Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Contractor shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

**5.7 Return of Property.** Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

**5.8 Termination or Amendment in Response to Reduction of Government Funding.** Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

## **ARTICLE VI. GENERAL PROVISIONS**

**6.1 Amendment.** This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

**6.2 Assignment.** Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

**6.3 Compliance with HIPAA.** Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, "**HIPAA,**" the obligations collectively referred to herein as "**HIPAA Obligations**"), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

**6.4 Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, "**Laws**") applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

**6.5 Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

**6.6 Confidential Information.**

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. "**Trade Secrets**" includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. "**Confidential Information**" includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

**6.7 Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

**6.8 Disclosure of Interests.** Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

**6.9 Dispute Resolution.** In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a “**Dispute**”), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the “**Dispute Notice**”), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the “**Meet and Confer**”). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“**JAMS**”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “Panel”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.
- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

- (viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

**6.10 Entire Agreement.** This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

**6.11 Exhibits.** The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

**6.12 Force Majeure.** Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

**6.13 Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State.

**6.14 Headings.** The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

**6.15 Litigation Consultation.** Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

**6.16 Master List.** The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

**6.17 Meaning of Certain Words.** Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

**6.18 No Conflicting Obligations.** Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

**6.19 No Third Party Beneficiary Rights.** The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

**6.20 Notices.** All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

**6.21 Participation in Federal Health Care Programs.** Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

**6.22 Representations.** Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

**6.23 Severability.** If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

**6.24 Statutes and Regulations.** Any reference in this Agreement to any statute, regulation, ruling, or administrative order or decree shall include, and be a reference to any successor statute, regulation, ruling, or administrative order or decree.

**6.25 Waiver.** No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing to be effective, and shall apply solely to the specific instance expressly stated.

2. Attend Code Blue and Rapid Responses as per current Hospital policies;
3. While performing Professional Services during a Night Shift, manage critical care patients in the intensive care unit (“**ICU**”);
4. Manage the care of patients hospitalized with complex acute health problems and facilitate the continuum of care for Patients from admission through discharge, including facilitating the Patient’s transfer of care back to the primary care provider;
5. Serve as the primary attending physician of record, including without limitation, writing admission orders, progress notes and discharge summaries; performing history and physicals, consultations, diagnostic and therapeutic procedures; ordering and interpreting diagnostic tests; and creating and recommending treatment plans;
6. Provide medical care and treatment in the Specialty to Patients as needed, in compliance with all applicable rules, regulations and Program guidelines;
7. Prepare appropriate and timely patient medical records accurately detailing care and treatment services rendered;
8. Utilize interpersonal and communication skills to effectively exchange information with patients, families, colleagues, nursing and other health care professionals;
9. Provide supervision and guidance to those working in the Department, ICUs, the Hospital’s inpatient units, and the Program;
10. Participate in the monitoring and evaluation process of the Department’s and Program’s Quality Assessment and Improvement Plan;
11. Perform routine administrative duties ancillary to provision of patient services such as referrals, medication refills, dictation, resolution of billing issues, and completion of forms and reports;
12. Participate in staff meetings;
13. Perform functions assigned by the Department’s Medical Director, including patient care reviews and evaluation of patient care practice;

14. Utilize Hospital's telecommunication system; and
15. Arrange for treatment for Patients requiring professional services outside of the Specialty.

**Exhibit 1.2**

**TEACHING SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. supervise patient care in a constructive and supportive way;
2. demonstrate effective interviewing, physical examination, procedures, use of diagnostic and therapeutic interventions, and medical records documentation;
3. create a professional role model; and
4. evaluate resident performance in a meaningful, objective fashion.

**Exhibit 1.3**

**ADDITIONAL SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. provide teaching, educational or training services, as reasonably requested by Hospital;
2. participate in utilization review programs, as reasonably requested by Hospital;
3. participate in risk management, quality assurance and peer review programs, as reasonably requested by Hospital;
4. accept third party insured patients and referrals of patients which are made by members of the Medical Staff, subject only to the limitations of scheduling and Contractor's professional qualifications;
5. assist Hospital in monitoring and reviewing the clinical performance of health care professionals who provide services to Hospital's patients; including reviewing incident reports and patient satisfaction studies relevant to the Specialty, and assisting Hospital in implementing any necessary corrective actions to address any issues identified during the course of such review;
6. assist in monitoring the performance of those professionals who are not meeting Hospital quality and/or performance standards, including, without limitation, direct observation of the provision of care by such professionals, and in disciplining any professionals who continue poor performance, recognizing that the Hospital Board of Directors is ultimately responsible for maintaining the standards of care provided to patients;
7. assist Hospital management with all preparation for, and conduct of, any inspections and on-site surveys of Hospital conducted by governmental agencies or accrediting organizations, including those specific obligations set forth in **Attachment A**;
8. cooperate with Hospital in all litigation matters affecting Contractor or Hospital, consistent with advice from Contractor's legal counsel;
9. cooperate and comply with Hospital's policies and procedures which are pertinent to patient relations, quality assurance, scheduling, billing, collections and other administrative matters and cooperate with Hospital's efforts to bill and collect fees for services rendered to Hospital's patients. All business transactions related to the Services provided by Contractor, such as enrollment, verification and billings, shall be conducted by and in the name of Hospital; and
10. assist Hospital in developing, implementing and monitoring a program by which quality measures are reportable to Hospital with respect to the Specialty. The quality program shall include at the least those characteristics set forth in **Attachment A**.

**Attachment A**

**ADDITIONAL OBLIGATIONS**

1. The Program developed, implemented and monitored by Hospital and Contractor requires quality improvement initiatives in the areas listed below.
  - a. Clinical Standards;
  - b. Performance Improvement;
  - c. Patient Satisfaction; and
  - d. Professional Development (OPPE).
2. Contractor must be able to provide detailed accurate and timely reports to Hospital.
3. Performance improvement and patient satisfaction measures may be deleted and/or replaced with new questions in order to comply with having a quality Program and Hospital's quality and/or performance standards.

**CONTRACTOR'S MONTHLY TIME REPORT**

**(See attached.)**

**Exhibit 1.13****MEDICAL STAFF POLICY**

<b>Title:</b> Practitioner Code of Conduct	<b>Effective:</b> 05/09 <b>Reviewed/Revised:</b> 08/11
<b>Standard:</b> MSP004-2	<b>Approved: MEC</b> 08/11 <b>BOT</b> 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

**POLICY**

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.
2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.
3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.
4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.
5. Contribute to the overall educational mission of NMC.
6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

### **EXAMPLES OF PROFESSIONAL BEHAVIOR**

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.
2. Provide for and communicate alternate coverage arrangements to assure the continuity and quality of care.
3. Demonstrate language, action, attitude and behavior which consistently convey to patients, families, colleagues, and all other members of the NMC health care team a sense of compassion and respect for human dignity.
4. Understand and accept individual cultural differences.
5. Maintain appropriate, timely, and legible medical record entries which enable all NMC professionals to understand and effectively participate in a cohesive plan of management to assure continuity, quality, and efficiency of care and effective post-discharge planning and follow-up.
6. Respect the right of patients, families or other designated surrogates to participate in an informed manner in decisions pertaining to patient care.
7. Treat patients and all persons functioning in any capacity within NMC with courtesy, respect, and human dignity.
8. Conduct one's practice at NMC in a manner that will facilitate timely commencement of medical/surgical procedures at NMC, including but not limited to, timely arrival at the hospital, pre-ordering all needed special equipment and/or supplies, and timely notification of required staff.

### **EXAMPLES OF DISRUPTIVE OR UNPROFESSIONAL BEHAVIOR**

Disruptive or Unprofessional Behavior, as characterized in this Code, includes but is not limited to:

1. Misappropriation or unauthorized removal or possession of NMC owned property.
2. Falsification of medical records, including timekeeping records and other NMC documents.

3. Working under the influence of alcohol or illegal drugs.
4. Working under the influence of prescription or over-the-counter medications when use of such medications significantly affects the practitioner's level of cognitive functioning.
5. Possession, distribution, purchase, sale, transfer, transport or use of illegal drugs in the workplace.
6. Possession of dangerous or unauthorized materials such as explosives, firearms, or other weapons in the workplace.
7. Writing derogatory and/or accusatory notes in the medical record which are not necessary for the provision of quality patient care services. Concerns regarding the performance of other Practitioners or NMC employees should be reported on a NMC Quality Review Report form and submitted pursuant to NMC policy and should not be entered into the patient's medical record.
8. Harassment
  - a. Harassment is verbal or physical contact that denigrates or shows hostility or aversion toward an individual based on race, religion, color, national origin, ancestry, age, disability, marital status, gender, sexual orientation, or any other basis protected by federal, state, or local law or ordinance, and that:
    1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment, or;
    2. Has the purpose or effect of unreasonably interfering with an individual's work performance, or;
    3. Otherwise adversely affects an individual's employment opportunity.
  - b. Harassing conduct includes, but is not limited to:
    1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation.
    2. Written material or illustrations that denigrate or show hostility or aversion toward an individual or group because of race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation, and is placed on walls; bulletin boards, or elsewhere on NMC's premises or circulated in the workplace.
9. Physical behavior that is harassing, intimidating, or threatening, from the viewpoint of the recipient, including touching, obscene or intimidating gestures, or throwing of objects;

10. Passive behaviors, such as refusing to perform assigned tasks or to answer questions, return phone calls, or pages;
11. Language that is a reasonable adult would consider to be foul, abusive, degrading, demeaning, or threatening, such as crude comments, degrading jokes or comments, yelling or shouting at a person, or threatening violence or retribution;
12. Single incident of egregious behavior, such as an assault or other criminal act.
13. Criticism of NMC staff in front of patients, families, or other staff.

## **PROCEDURE**

1. Any person who functions in any capacity at NMC who observes Practitioner language, action, attitude, or behavior which may be unprofessional, harassing, or disruptive to the provision of quality patient care services should document the incident on a NMC Quality Review Report form.
2. Identified incidents involving Practitioners shall be reviewed pursuant to the current Road Map for Handling Reports of Disruptive or Unprofessional Behavior or the County Sexual Harassment Policy, as determined by the nature of the behavior and the person who exhibits it.

I acknowledge that I have received and read this Practitioner Code of Conduct. I acknowledge that hospitals are required to define and address disruptive and inappropriate conduct to comply with The Joint Commission standards for accreditation. I agree to adhere to the guidelines in this Code and conduct myself in a professional manner. I further understand that failure to behave in a professional fashion may result in disciplinary actions set forth in the RoadMap for Handling Reports of Disruptive or Unprofessional Behavior or as determined by the Medical Executive Committee pursuant to the Medical Staff Bylaws.

**Exhibit 2.1**

**COMPENSATION**

1. **Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Seventy Dollars (\$170) per hour for those Professional Services provided to Program Patients during the Day Shift (the “**Day Shift Compensation**”) and One Hundred Eighty Dollars (\$180) per hour for those Professional Services provided to Program Patients during the Night Shift (the “**Night Shift Compensation**”); provided, however, that Contractor is in compliance with the terms and conditions of this Agreement. The Day Shift Compensation, together with the Night Shift Compensation are referred to collectively in this Agreement as the “**Compensation**”.

2. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Seven Dollars and Sixty-One Cents (\$7.61) per shift worked by Contractor to compensate for Hospital’s payment of professional liability insurance premiums on behalf of Contractor. This rate represents the then-current rate and is subject to change.

3. **Timing.** Hospital shall pay the Compensation due for Services performed by Contractor after Contractor’s submission of the monthly invoice of preceding month’s activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Services were performed, Hospital shall not be obligated to pay Contractor for Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is “30 days after receipt of the certified invoice in the Auditor-Controller’s Office”.

#### **BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (“Agreement”), effective September 26, 2022 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Ian L. Atkinson, M.D., Inc (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“E PHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

#### **1. DEFINITIONS**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

## 2. **PERMITTED USES AND DISCLOSURES OF PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law, or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

## 3. **RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

(h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) if all or any portion of the PHI is maintained in a Designated Record Set:

(i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and

(ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

(a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;

(b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### **4. TERMS AND TERMINATION**

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

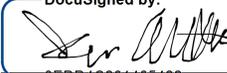

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

**PROFESSIONAL SERVICES AGREEMENT**  
**by and between**  
**NATIVIDAD MEDICAL CENTER (“Hospital”)**  
**and**  
**NATALIE LA CORTE, M.D., Inc (“Contractor”)**

## PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT (this “**Agreement**”) is entered into as of August 26, 2022, by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and Natalie La Corte, M.D., Inc, a California corporation (“**Contractor**”). Contractor is a professional entity and appoints Natalie La Corte, M.D. to provide the services described in the Agreement on its behalf, and all references to Contractor shall include this individual. County, Hospital and Contractor are sometimes referred to in this Agreement as a “**Party**” or, collectively, as the “**Parties.**”

### RECITALS

A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California, in which it operates a hospitalist program (the “**Program**”) under its acute care license.

B. Contractor is duly licensed to practice medicine in the State of California (the “**State**”). Contractor is board certified for the practice of medicine in the specialty of family practice and credentialed for critical care procedures such as central venous catheters, arterial lines, endotracheal intubation, and ventilator management (collectively, the “**Specialty**”).

C. Hospital must arrange for the provision of professional consultation and treatment of patients who present to the emergency department (“**Department**”) and/or who are admitted as Hospital inpatients in need of medical care or treatment in the Specialty (the “**Patients**”), without regard to any consideration other than medical condition.

D. In order to ensure adequate and continued Program coverage for the Hospital as may be required by applicable federal and state laws, Hospital desires to engage a panel of physicians specializing in the Specialty, including Contractor (each, a “**Panel Member**” and, collectively, the “**Panel Members**”), to provide the Services (as defined below), upon the terms and subject to the conditions set forth in this Agreement.

E. Hospital has considered the following factors in determining the necessity and amount of compensation payable to Contractor pursuant to this Agreement:

1. The nature of Contractor’s duties as contemplated by this Agreement.
2. Contractor’s qualifications.
3. The difficulty in obtaining a qualified physician to provide the services described in this Agreement.
4. The benefits to Hospital’s community resulting from Contractor’s performance of the services described in this Agreement.
5. The economic conditions locally and in the health care industry generally.

## AGREEMENT

### THE PARTIES AGREE AS FOLLOWS:

#### ARTICLE I. CONTRACTOR'S OBLIGATIONS

**1.1 Professional Services.** Contractor shall provide the professional services described in Exhibit 1.1 (the “**Professional Services**”) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

**1.2 Teaching Services.** Contractor shall provide to Hospital those teaching services set forth in Exhibit 1.2 (collectively, the “**Teaching Services**”). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

**1.3 Additional Services.** Contractor shall provide to Hospital those additional services set forth in Exhibit 1.3 (the “**Additional Services**”), upon the terms and subject to the conditions set forth in this Agreement. The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the “**Services.**”

**1.4 Personal Services.** This Agreement is entered into by Hospital in reliance on the professional skills of Contractor. Contractor shall be solely responsible for performing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement.

**1.5 Time Commitment.** Contractor shall provide the Professional Services from time to time as needed, along with other Panel Members, to cover the Hospital’s needs, including weekends and holidays. Scheduled hours for each shift shall be 7:00 AM to 7:00 PM (“**Day Shift**”), 7:00 PM to 7:00 AM (“**Night Shift**”), or as reasonably determined by Hospital and based on the patient care needs of the Program. Contractor shall allocate time among the Services as reasonably requested by Hospital from time to time.

**1.6 Availability.** On or before the first (1st) day of each month, Contractor shall inform Hospital of Contractor’s schedule of availability to perform the Services during the following month. Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital’s needs for the Services.

**1.7 Absences.** Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor’s absence, and any unapproved absence shall constitute a breach of this Agreement.

**1.8 Time Reports.** Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as Exhibit 1.8. Contractor shall submit all such time sheets to Hospital no later than the tenth (10th) day of each month for Services provided by Contractor during the immediately preceding month.

**1.9 Medical Staff.** Contractor shall be a member in good standing and active on the Hospital's medical staff (the "**Medical Staff**") and have and maintain all clinical privileges at Hospital necessary for the performance of Contractor's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), Contractor is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Contractor's obligations hereunder, Contractor shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that Hospital may immediately terminate this Agreement if Hospital determines that Contractor is not diligently pursuing such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws. Contractor may obtain and maintain medical staff privileges at any other hospital or health care facility at Contractor's sole expense.

**1.10 Professional Qualifications.** Contractor shall have and maintain an unrestricted license to practice medicine in the State. Contractor shall be board certified in the Specialty by the applicable medical specialty board approved by the American Board of Medical Specialties. Contractor shall have and maintain a valid and unrestricted United States Drug Enforcement Administration ("**DEA**") registration.

**1.11 Review of Office of the Inspector General ("OIG") Medicare Compliance Bulletins.** The OIG from time to time issues Medicare compliance alert bulletins. To the extent applicable to Contractor's performance under this Agreement, Contractor shall undertake to review, be familiar with and comply with all applicable requirements of such OIG compliance bulletins.

**1.12 Performance Standards.** Contractor shall comply with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the "**Hospital Rules**"), and all protocols applicable to the Services or the Hospital (the "**Protocols**").

**1.13 Code of Conduct.** Contractor hereby acknowledges receipt of Hospital's Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the "**Code**"), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor's business dealings with Hospital and Contractor's performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor's business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

**1.14 Continuing Medical Education.** Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

**1.15 Use of Space.** Contractor shall use Hospital's premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital's prior written consent.

**1.16 Notification of Certain Events.** Contractor shall notify Hospital in writing within twenty-four (24) hours after the occurrence of any one or more of the following events:

(a) Contractor becomes the subject of, or materially involved in, any investigation, proceeding, or disciplinary action by: Medicare and Medicaid programs or any other Federal health care program, as defined at 42 U.S.C. Section 1320a-7b(f) (collectively, the “**Federal Health Care Programs**”) or state equivalent, any state’s medical board, any agency responsible for professional licensing, standards or behavior, or any medical staff;

(b) Contractor’s medical staff membership or clinical privileges at any hospital are denied, suspended, restricted, revoked or voluntarily relinquished, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(c) Contractor becomes the subject of any suit, action or other legal proceeding arising out of Contractor’s professional services;

(d) Contractor is required to pay damages or any other amount in any malpractice action by way of judgment or settlement;

(e) Contractor becomes the subject of any disciplinary proceeding or action before any state’s medical board or similar agency responsible for professional standards or behavior;

(f) Contractor voluntarily or involuntarily retires from the practice of medicine;

(g) Contractor’s license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor is charged with or convicted of a criminal offense;

(i) any act of nature or any other event occurs which has a material adverse effect on Contractor’s ability to provide the Services; or

(j) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent.

**1.17 Representations and Warranties by Contractor.** Contractor represents and warrants that: (a) Contractor’s license to practice medicine in any state has never been suspended, revoked or restricted; (b) Contractor has never been reprimanded, sanctioned or disciplined by any licensing board or medical specialty board; (c) Contractor has never been excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program; (d) Contractor has never been denied membership and/or reappointment to the medical staff of any hospital or health care facility; (e) Contractor’s medical staff membership or clinical privileges at any hospital or health care facility have never been suspended, limited or revoked for a medical disciplinary cause or reason; and (f) Contractor has never been charged with or convicted of a felony, a misdemeanor involving fraud, dishonesty, controlled substances, or

moral turpitude, or any crime relevant to the provision of medical services or the practice of medicine.

**1.18 Nondiscrimination.** Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

**1.19 Non-Exclusive Services.** The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

**1.20 Compliance with Grant Terms.** If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

**1.21 Medical Records and Claims.**

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

**1.22 Records Available to Contractor.** Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill

requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

## **ARTICLE II.** **COMPENSATION**

**2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with **Exhibit 2.1** (the “**Compensation**”), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of Three Hundred Thousand Dollars (\$300,000).

**2.2 Billing and Collection.** Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this Agreement (the “**NMC Services**”). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability.** Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties' respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys' fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

### **2.3 Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

- (i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a "**Managed Care Organization**") designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;
- (ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;
- (iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or
- (iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

**ARTICLE III.**  
**INSURANCE AND INDEMNITY**

**3.1 Evidence of Coverage.** Prior to commencement of this Agreement, the Contractor shall provide a “Certificate of Insurance” certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital’s Medical Staff Office, unless otherwise directed. The Contractor shall not receive a “Notice to Proceed” with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

**3.2 Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder’s alphabetic and financial size category rating of not less than A-VII, according to the current Best’s Key Rating Guide or a company of equal financial stability that is approved by Hospital’s Contracts/Purchasing Director.

**3.3 Insurance Coverage Requirements.** Without limiting Contractor’s duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor’s sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital’s Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a “Claims Made” rather than “Occurrence” basis, then Contractor shall either continue such coverage or obtain extended reporting coverage (“**Tail Coverage**”), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance**, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

Exemption/Modification (Justification attached; subject to approval).

**3.4 Other Insurance Requirements.** All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

### **3.5 Right to Offset Insurance Costs.**

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

### **3.6 Indemnification.**

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

**3.7 Indemnification for Timely Payment of Tax Contributions.** It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

**3.8 Hospital Services.** Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

**3.9 Survival of Obligations.** The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

#### **ARTICLE IV. RELATIONSHIP BETWEEN THE PARTIES**

##### **4.1 Independent Contractor.**

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service (“IRS”) or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

**4.2 Limitation on Control.** Hospital shall neither have nor exercise any control or direction over Contractor’s professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

**4.3 Practice of Medicine.** Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

**4.4 No Benefit Contributions.** Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

**4.5 Referrals.** Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days’ notice to the other Party.

Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

**4.6 Form 1099 or W-2.** If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

**4.7 Contractor Compensation Arrangements.** Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

**4.8 Cooperation.**

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an "**Action**") arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital's compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

**4.9 Contractor's Performance.** County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital's Medical Director/Chief Medical Officer and from other professionals within Hospital.

**4.10 Right of Inspection.** Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

**4.11 Access to and Audit of Records.** Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

## **ARTICLE V. TERM AND TERMINATION**

**5.1 Term.** This Agreement shall become effective on August 26, 2022 (the "Effective Date"), and shall continue until September 30, 2024 (the "Expiration Date"), subject to the termination provisions of this Agreement.

**5.2 Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

(a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;

(b) death or permanent disability of Contractor;

(c) Contractor's voluntary retirement from the practice of medicine;

(d) neglect of professional duty by Contractor in a manner that violates Hospital's policies, rules or regulations;

(e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;

(f) Contractor's clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

(h) Contractor for any reason is not a member in good standing in the "active staff" category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor's performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;

(i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

**5.3 Termination by Contractor.** Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

**5.4 Termination or Modification in the Event of Government Action.**

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notifies the other of such fact.

(c) For the purposes of this Section, "**Government Action**" shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;
- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;

- (vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital's full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, "**Affiliate**" shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

**5.5 Termination without Cause.** Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

**5.6 Effect of Termination or Expiration.** Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Contractor shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

**5.7 Return of Property.** Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

**5.8 Termination or Amendment in Response to Reduction of Government Funding.** Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

## **ARTICLE VI. GENERAL PROVISIONS**

**6.1 Amendment.** This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

**6.2 Assignment.** Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

**6.3 Compliance with HIPAA.** Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, "**HIPAA,**" the obligations collectively referred to herein as "**HIPAA Obligations**"), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

**6.4 Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, "**Laws**") applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

**6.5 Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor's books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor's failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

**6.6 Confidential Information.**

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. "**Trade Secrets**" includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. "**Confidential Information**" includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

**6.7 Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

**6.8 Disclosure of Interests.** Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

**6.9 Dispute Resolution.** In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a “**Dispute**”), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the “**Dispute Notice**”), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the “**Meet and Confer**”). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“**JAMS**”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “Panel”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.
- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

- (viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

**6.10 Entire Agreement.** This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

**6.11 Exhibits.** The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

**6.12 Force Majeure.** Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

**6.13 Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State.

**6.14 Headings.** The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

**6.15 Litigation Consultation.** Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

**6.16 Master List.** The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

**6.17 Meaning of Certain Words.** Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

**6.18 No Conflicting Obligations.** Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

**6.19 No Third Party Beneficiary Rights.** The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

**6.20 Notices.** All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

**6.21 Participation in Federal Health Care Programs.** Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

**6.22 Representations.** Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

**6.23 Severability.** If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

**6.24 Statutes and Regulations.** Any reference in this Agreement to any statute, regulation, ruling, or administrative order or decree shall include, and be a reference to any successor statute, regulation, ruling, or administrative order or decree.

**6.25 Waiver.** No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing to be effective, and shall apply solely to the specific instance expressly stated.

**Exhibit 1.3**

**ADDITIONAL SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. provide teaching, educational or training services, as reasonably requested by Hospital;
2. participate in utilization review programs, as reasonably requested by Hospital;
3. participate in risk management, quality assurance and peer review programs, as reasonably requested by Hospital;
4. accept third party insured patients and referrals of patients which are made by members of the Medical Staff, subject only to the limitations of scheduling and Contractor's professional qualifications;
5. assist Hospital in monitoring and reviewing the clinical performance of health care professionals who provide services to Hospital's patients; including reviewing incident reports and patient satisfaction studies relevant to the Specialty, and assisting Hospital in implementing any necessary corrective actions to address any issues identified during the course of such review;
6. assist in monitoring the performance of those professionals who are not meeting Hospital quality and/or performance standards, including, without limitation, direct observation of the provision of care by such professionals, and in disciplining any professionals who continue poor performance, recognizing that the Hospital Board of Directors is ultimately responsible for maintaining the standards of care provided to patients;
7. assist Hospital management with all preparation for, and conduct of, any inspections and on-site surveys of Hospital conducted by governmental agencies or accrediting organizations, including those specific obligations set forth in **Attachment A**;
8. cooperate with Hospital in all litigation matters affecting Contractor or Hospital, consistent with advice from Contractor's legal counsel;
9. cooperate and comply with Hospital's policies and procedures which are pertinent to patient relations, quality assurance, scheduling, billing, collections and other administrative matters and cooperate with Hospital's efforts to bill and collect fees for services rendered to Hospital's patients. All business transactions related to the Services provided by Contractor, such as enrollment, verification and billings, shall be conducted by and in the name of Hospital; and
10. assist Hospital in developing, implementing and monitoring a program by which quality measures are reportable to Hospital with respect to the Specialty. The quality program shall include at the least those characteristics set forth in **Attachment A**.

**Attachment A**

**ADDITIONAL OBLIGATIONS**

1. The Program developed, implemented and monitored by Hospital and Contractor requires quality improvement initiatives in the areas listed below.
  - a. Clinical Standards;
  - b. Performance Improvement;
  - c. Patient Satisfaction; and
  - d. Professional Development (OPPE).
2. Contractor must be able to provide detailed accurate and timely reports to Hospital.
3. Performance improvement and patient satisfaction measures may be deleted and/or replaced with new questions in order to comply with having a quality Program and Hospital's quality and/or performance standards.

**(See attached.)**

**Exhibit 1.13****MEDICAL STAFF POLICY**

<b>Title:</b> Practitioner Code of Conduct	<b>Effective:</b> 05/09 <b>Reviewed/Revised:</b> 08/11
<b>Standard:</b> MSP004-2	<b>Approved: MEC</b> 08/11 <b>BOT</b> 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

**POLICY**

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.
2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.
3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.
4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.
5. Contribute to the overall educational mission of NMC.
6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

### **EXAMPLES OF PROFESSIONAL BEHAVIOR**

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.
2. Provide for and communicate alternate coverage arrangements to assure the continuity and quality of care.
3. Demonstrate language, action, attitude and behavior which consistently convey to patients, families, colleagues, and all other members of the NMC health care team a sense of compassion and respect for human dignity.
4. Understand and accept individual cultural differences.
5. Maintain appropriate, timely, and legible medical record entries which enable all NMC professionals to understand and effectively participate in a cohesive plan of management to assure continuity, quality, and efficiency of care and effective post-discharge planning and follow-up.
6. Respect the right of patients, families or other designated surrogates to participate in an informed manner in decisions pertaining to patient care.
7. Treat patients and all persons functioning in any capacity within NMC with courtesy, respect, and human dignity.
8. Conduct one's practice at NMC in a manner that will facilitate timely commencement of medical/surgical procedures at NMC, including but not limited to, timely arrival at the hospital, pre-ordering all needed special equipment and/or supplies, and timely notification of required staff.

### **EXAMPLES OF DISRUPTIVE OR UNPROFESSIONAL BEHAVIOR**

Disruptive or Unprofessional Behavior, as characterized in this Code, includes but is not limited to:

1. Misappropriation or unauthorized removal or possession of NMC owned property.
2. Falsification of medical records, including timekeeping records and other NMC documents.

3. Working under the influence of alcohol or illegal drugs.
4. Working under the influence of prescription or over-the-counter medications when use of such medications significantly affects the practitioner's level of cognitive functioning.
5. Possession, distribution, purchase, sale, transfer, transport or use of illegal drugs in the workplace.
6. Possession of dangerous or unauthorized materials such as explosives, firearms, or other weapons in the workplace.
7. Writing derogatory and/or accusatory notes in the medical record which are not necessary for the provision of quality patient care services. Concerns regarding the performance of other Practitioners or NMC employees should be reported on a NMC Quality Review Report form and submitted pursuant to NMC policy and should not be entered into the patient's medical record.
8. Harassment
  - a. Harassment is verbal or physical contact that denigrates or shows hostility or aversion toward an individual based on race, religion, color, national origin, ancestry, age, disability, marital status, gender, sexual orientation, or any other basis protected by federal, state, or local law or ordinance, and that:
    1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment, or;
    2. Has the purpose or effect of unreasonably interfering with an individual's work performance, or;
    3. Otherwise adversely affects an individual's employment opportunity.
  - b. Harassing conduct includes, but is not limited to:
    1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation.
    2. Written material or illustrations that denigrate or show hostility or aversion toward an individual or group because of race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation, and is placed on walls; bulletin boards, or elsewhere on NMC's premises or circulated in the workplace.
9. Physical behavior that is harassing, intimidating, or threatening, from the viewpoint of the recipient, including touching, obscene or intimidating gestures, or throwing of objects;

10. Passive behaviors, such as refusing to perform assigned tasks or to answer questions, return phone calls, or pages;
11. Language that is a reasonable adult would consider to be foul, abusive, degrading, demeaning, or threatening, such as crude comments, degrading jokes or comments, yelling or shouting at a person, or threatening violence or retribution;
12. Single incident of egregious behavior, such as an assault or other criminal act.
13. Criticism of NMC staff in front of patients, families, or other staff.

## **PROCEDURE**

1. Any person who functions in any capacity at NMC who observes Practitioner language, action, attitude, or behavior which may be unprofessional, harassing, or disruptive to the provision of quality patient care services should document the incident on a NMC Quality Review Report form.
2. Identified incidents involving Practitioners shall be reviewed pursuant to the current Road Map for Handling Reports of Disruptive or Unprofessional Behavior or the County Sexual Harassment Policy, as determined by the nature of the behavior and the person who exhibits it.

I acknowledge that I have received and read this Practitioner Code of Conduct. I acknowledge that hospitals are required to define and address disruptive and inappropriate conduct to comply with The Joint Commission standards for accreditation. I agree to adhere to the guidelines in this Code and conduct myself in a professional manner. I further understand that failure to behave in a professional fashion may result in disciplinary actions set forth in the RoadMap for Handling Reports of Disruptive or Unprofessional Behavior or as determined by the Medical Executive Committee pursuant to the Medical Staff Bylaws.

**Exhibit 2.1**

**COMPENSATION**

1. **Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Seventy Dollars (\$170) per hour for those Professional Services provided to Program Patients during the Day Shift (the “**Day Shift Compensation**”) and One Hundred Eighty Dollars (\$180) per hour for those Professional Services provided to Program Patients during the Night Shift (the “**Night Shift Compensation**”); provided, however, that Contractor is in compliance with the terms and conditions of this Agreement. The Day Shift Compensation, together with the Night Shift Compensation are referred to collectively in this Agreement as the “**Compensation**”.

2. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Seven Dollars and Sixty-One Cents (\$7.61) per shift worked by Contractor to compensate for Hospital’s payment of professional liability insurance premiums on behalf of Contractor. This rate represents the then-current rate and is subject to change.

3. **Timing.** Hospital shall pay the Compensation due for Services performed by Contractor after Contractor’s submission of the monthly invoice of preceding month’s activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Services were performed, Hospital shall not be obligated to pay Contractor for Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is “30 days after receipt of the certified invoice in the Auditor-Controller’s Office”.

**Exhibit 6.3****BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (“Agreement”), effective September 26, 2022 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Natalie La Corte, MD., Inc (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“E PHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

**1. DEFINITIONS**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

## 2. **PERMITTED USES AND DISCLOSURES OF PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law, or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

## 3. **RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

(h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) if all or any portion of the PHI is maintained in a Designated Record Set:

(i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and

(ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

(a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;

(b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### **4. TERMS AND TERMINATION**

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

Exhibit 6.3-7

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

**Legistar File Number: A 22-446**

**August 23, 2022**

**Introduced:** 8/9/2022

**Current Status:** Natividad Medical Center -  
Consent

**Version:** 1

**Matter Type:** BoS Agreement

- a. Authorize the Chief Executive Officer (CEO) for Natividad or his designee to execute the Third Amendment to the Professional Services Agreements with Nathaniel Uchtmann, M.D. to provide pediatric and adult hospitalist physician services, extending the term by twelve months (July 1, 2023 to June 30, 2024) for a revised full agreement term of July 1, 2019 to June 30, 2024, and adding \$200,000 for a revised not to exceed amount of \$300,000 in the aggregate; and
- b. Authorize the CEO for Natividad or his designee to sign up to three (3) amendments to these agreements where the total amendments do not exceed 10% (\$10,000) of the original contract amount and do not significantly change the scope of work.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Authorize the Chief Executive Officer (CEO) for Natividad or his designee to execute the Third Amendment to the Professional Services Agreements with Nathaniel Uchtmann, M.D. to provide pediatric and adult hospitalist physician services, extending the term by twelve months (July 1, 2023 to June 30, 2024) for a revised full agreement term of July 1, 2019 to June 30, 2024, and adding \$200,000 for a revised not to exceed amount of \$300,000 in the aggregate; and
- b. Authorize the CEO for Natividad or his designee to sign up to three (3) amendments to these agreements where the total amendments do not exceed 10% (\$10,000) of the original contract amount and do not significantly change the scope of work.

### SUMMARY/DISCUSSION:

Natividad operates medical surgical units and an acute rehabilitation unit that provide direct patient care to hospitalized patients 24 hours a day, 7 days a week. In order to ensure sufficient staffing of these critical units, it requires a team of internal medicine and family medicine physicians, known as hospitalist who are immediately available to provide patient care. Natividad would like to amend its existing agreement with Dr. Uchtmann to add the provision of adult hospitalist services. Natividad has obtained an independent opinion of fair market value supporting the payment terms.

### OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Amendment as to legal form. Auditor-Controller has reviewed and approved this Amendment as to fiscal provisions. The Amendment has also been reviewed and approved by Natividad's Finance Committee and Board of Trustees.

### FINANCING:

The cost of this amendment is \$200,000. The total not to exceed amount of this agreement is \$300,000 for the period July 1, 2019 to June 30, 2024. The actual cost is contingent Dr. Uchtmann's level of service which fluctuates based on patient volumes and his availability. \$100,000 is included in the Fiscal Year 2022/2023 Adopted Budget. There is no impact to the General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

The services rendered in this agreement provide Natividad with the additional support it needs in order to provide reliable and high-quality patient care which improves the health and quality of life for patients and their families.

### **THIRD AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT**

THIS THIRD AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT (the “**Amendment**”) is made and entered into as of August 26, 2022 by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and NATHANIEL UCHTMANN, M.D., an individual (“**Contractor**”) with respect to the following:

#### **RECITALS**

- A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California under its acute care license.
- B. Contractor and Hospital have entered into that certain Professional Services Agreement dated effective as of July 1, 2019, and as amended effective July 1, 2021 and April 1, 2022 (collectively, the “**Agreement**”) pursuant to which Contractor provides Specialty services to Patients.
- C. Hospital and Contractor desire to amend the Agreement to add hospitalist services to be included in the provision of Professional Services, extend the term by twelve (12) months, and add Two Hundred Thousand Dollars (\$200,000) to the aggregate amount payable to Contractor.

#### **AGREEMENT**

IN CONSIDERATION of the foregoing recitals and the mutual promises and covenants contained herein, Hospital and Contractor agree as follows:

1. **Defined Terms**. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Agreement.
2. **Recital A**. Recital A to the Agreement is hereby amended and restated to read in its entirety as follows:

“A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California, in which it operates a hospitalist program (the “**Program**”) under its acute care license.”
3. **Section 1.1**. Section 1.1 to the Agreement is hereby amended and restated to read in its entirety as follows:

“**1.1 Professional Services**. Contractor shall provide the professional services set forth in **Exhibit 1.1** (the “**Professional Services**”) to Patients, upon the terms and the conditions set forth in this Agreement.”

4. **Section 2.1.** Section 2.1 to the Agreement is hereby amended and restated to read in its entirety as follows:

**“2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with **Exhibit 2.1** (the **“Compensation”**), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of Three Hundred Thousand Dollars (\$300,000).”

5. **Section 5.1.** Section 5.1 to the Agreement is hereby amended and restated to read in its entirety as follows:

**“5.1 Term.** This Agreement shall become effective on July 1, 2019 (the **“Effective Date”**) and shall continue until June 30, 2024 (the **“Expiration Date”**), subject to the termination provisions of this Agreement.”

6. **Exhibit 1.1.** Exhibit 1.1 to the Agreement is hereby added and attached hereto as **Exhibit 1.1.**

7. **Exhibit 2.1.** Exhibit 2.1 to the Agreement shall be deleted and replaced in its entirety and attached hereto as **Exhibit 2.1.**

8. **Counterparts.** This Amendment may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

9. **Continuing Effect of Agreement.** Except as herein provided, all of the terms and conditions of the Agreement remain in full force and effect from the Effective Date of the Agreement.

10. **Reference.** After the date of this Amendment, any reference to the Agreement shall mean the Agreement as amended by this Amendment.

*[signature page follows]*

IN WITNESS WHEREOF, Hospital and Contractor have executed this Amendment as of the day and year first written above.

**PROFESSIONAL SERVICES**

Contractor shall:

1. Provide consultation on patients in the Department, Program, and patients who are admitted to other service lines as requested by physicians and other members of the Medical Staff;
2. Attend Code Blue and Rapid Responses as per current Hospital policies;
3. Manage the care of patients hospitalized with complex acute health problems and facilitate the continuum of care for Patients from admission through discharge, including facilitating the Patient's transfer of care back to the primary care provider;
4. Serve as the primary attending physician of record, including without limitation, writing admission orders, progress notes and discharge summaries; performing history and physicals, consultations, diagnostic and therapeutic procedures; ordering and interpreting diagnostic tests; and creating and recommending treatment plans;
5. Provide medical care and treatment in the Specialty to Patients as needed, in compliance with all applicable rules, regulations and Program guidelines;
6. Prepare appropriate and timely patient medical records accurately detailing care and treatment services rendered;
7. Utilize interpersonal and communication skills to effectively exchange information with patients, families, colleagues, nursing and other health care professionals;
8. Provide supervision and guidance to those working in the Department, ICUs, the Hospital's inpatient units, and the Program;
9. Participate in the monitoring and evaluation process of the Department's and Program's Quality Assessment and Improvement Plan;
10. Perform routine administrative duties ancillary to provision of patient services such as referrals, medication refills, dictation, resolution of billing issues, and completion of forms and reports;
11. Participate in staff meetings;
12. Perform functions assigned by the Department's Medical Director, including patient care reviews and evaluation of patient care practice;
13. Utilize Hospital's telecommunication system; and
14. Arrange for treatment for Patients requiring professional services outside of the Specialty.

## **Exhibit 2.1**

### **COMPENSATION**

1. **Pediatric Hospitalist Services.** Hospital shall pay to Contractor the amount of One Hundred Five Dollars (\$105) per hour for those Professional Services rendered to pediatric Patients by Contractor under this Agreement; provided, however, that Contractor is in compliance with the terms and conditions of this Agreement.

2. **Internal Medicine Hospitalist Services.** Hospital shall pay to Contractor the amount of One Hundred Seventy Dollars (\$170) per hour for those Professional Services rendered non-pediatric Patients by Contractor under this Agreement; provided, however, that Contractor is in compliance with the terms and conditions of this Agreement.

3. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Seven Dollars and Sixty-One Cents (\$7.61) per Shift worked by Contractor to compensate for Hospital's payment of professional liability insurance premiums on behalf of Contractor. This rate represents the then-current rate and is subject to change. For purposes of this Agreement, a "**Shift**" shall mean twenty-four (24) hours a day.

4. **Timing.** Hospital shall pay the compensation due for Professional Services performed by Contractor after Contractor's submission of the monthly invoice of preceding month's activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Professional Services were performed, Hospital shall not be obligated to pay Contractor for Professional Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is "30 days after receipt of the certified invoice in the Auditor-Controller's Office".

**SECOND AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT**

THIS SECOND AMENDMENT TO PROFESSIONAL SERVICES AGREEMENT (the “**Amendment**”) is made and entered into as of April 1, 2022 by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and NATHANIEL UCHTMANN, M.D., an individual (“**Contractor**”) with respect to the following:

## PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT (this “**Agreement**”) is entered into as of July 1, 2019, by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and NATHANIEL UCHTMANN, M.D., an individual (“**Contractor**”). County, Hospital and Contractor are sometimes referred to in this Agreement as a “**Party**” or, collectively, as the “**Parties.**”

### RECITALS

A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California under its acute care license.

B. Contractor is duly licensed to practice medicine in the State of California (the “**State**”). Contractor is board certified for the practice of medicine in the specialty of pediatrics (the “**Specialty**”).

C. Hospital must arrange for the provision of professional consultation and treatment of patients who are admitted as Hospital inpatients in need of medical care or treatment in the Specialty, including inpatient and outpatient procedures performed in Hospital’s operating room (collectively, the “**Patients**”), without regard to any consideration other than medical condition.

### AGREEMENT

THE PARTIES AGREE AS FOLLOWS:

#### ARTICLE I. CONTRACTOR’S OBLIGATIONS

**1.1 Professional Services.** Contractor shall provide the professional services (the “**Professional Services**”) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

**1.2 Teaching Services.** Contractor shall provide to Hospital those teaching services set forth in Exhibit 1.2 (collectively, the “**Teaching Services**”). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

**1.3 Additional Services.** Contractor shall provide to Hospital those additional services set forth in Exhibit 1.3 (the “**Additional Services**”), upon the terms and subject to the conditions set forth in this Agreement. The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the “**Services.**”

**1.4 Personal Services.** This Agreement is entered into by Hospital in reliance on the professional skills of Contractor. Contractor shall be solely responsible for performing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement.

**1.5 Time Commitment.** Contractor shall allocate time among the Professional Services, Teaching Services and Additional Services as reasonably requested by Hospital from time to time.

**1.6 Availability.** Contractor shall be available to provide the Services on a twenty-four (24) hour per day, seven (7) day per week basis. On or before the first (1st) day of each month, Contractor shall inform Hospital of Contractor's schedule of availability to perform the Services during the following month. Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital's needs for the Services. Contractor shall be available to provide coverage services along with other panel members in a manner that is sufficient to ensure Specialty coverage for the Hospital twenty-four (24) hours per day, seven (7) days per week, including all holidays, in accordance with the schedule developed by the Chief Pediatric Hospitalist designated by Hospital, as needed.

**1.7 Absences.** If Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period of greater than thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period, Contractor shall designate a qualified replacement to provide the Services on behalf of Contractor, subject to the prior written approval of Hospital. Contractor shall ensure that any such designated replacement meets any and all obligations and requirements of Contractor under this Agreement. If the length of Contractor's absence is anticipated to be or actually is longer than sixty (60) calendar days, the person who provides the Services in Contractor's absence shall execute a written acknowledgment in form and substance acceptable to Hospital agreeing to be bound by all terms of this Agreement. Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor's absence, and any unapproved absence shall constitute a breach of this Agreement.

**1.8 Time Reports.** Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as **Exhibit 1.8**. Contractor shall submit all such time sheets to Hospital no later than the tenth (10th) day of each month for Services provided by Contractor during the immediately preceding month.

**1.9 Medical Staff.** Contractor shall be a member in good standing and active on the Hospital's Medical Staff and have and maintain all clinical privileges at Hospital necessary for the performance of Contractor's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), Contractor is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Contractor's obligations hereunder, Contractor shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that Hospital may immediately terminate this Agreement if Hospital determines that Contractor is not diligently pursuing such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws. Contractor may obtain and maintain medical staff privileges at any other hospital or health care facility at Contractor's sole expense.

**1.10 Professional Qualifications.** Contractor shall have and maintain an unrestricted license to practice medicine in the State. Contractor shall be board certified in the Specialty by the applicable medical specialty board approved by the American Board of Medical Specialties. Contractor shall have and maintain a valid and unrestricted United States Drug Enforcement Administration (“DEA”) registration.

**1.11 Review of Office of the Inspector General (“OIG”) Medicare Compliance Bulletins.** The OIG from time to time issues Medicare compliance alert bulletins. To the extent applicable to Contractor’s performance under this Agreement, Contractor shall undertake to review, be familiar with and comply with all applicable requirements of such OIG compliance bulletins.

**1.12 Performance Standards.** Contractor shall comply with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the “Hospital Rules”), and all protocols applicable to the Services or the Hospital (the “Protocols”).

**1.13 Code of Conduct.** Contractor hereby acknowledges receipt of Hospital’s Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the “Code”), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor’s business dealings with Hospital and Contractor’s performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor’s business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

**1.14 Continuing Medical Education.** Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

**1.15 Use of Space.** Contractor shall use Hospital’s premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital’s prior written consent.

**1.16 Notification of Certain Events.** Contractor shall notify Hospital in writing within twenty-four (24) hours after the occurrence of any one or more of the following events:

(a) Contractor becomes the subject of, or materially involved in, any investigation, proceeding, or disciplinary action by: Medicare and Medicaid programs or any other Federal health care program, as defined at 42 U.S.C. Section 1320a-7b(f) (collectively, the “Federal Health Care Programs”) or state equivalent, any state’s medical board, any agency responsible for professional licensing, standards or behavior, or any medical staff;

(b) Contractor’s medical staff membership or clinical privileges at any hospital are denied, suspended, restricted, revoked or voluntarily relinquished, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

- (c) Contractor becomes the subject of any suit, action or other legal proceeding arising out of Contractor's professional services;
- (d) Contractor is required to pay damages or any other amount in any malpractice action by way of judgment or settlement;
- (e) Contractor becomes the subject of any disciplinary proceeding or action before any state's medical board or similar agency responsible for professional standards or behavior;
- (f) Contractor voluntarily or involuntarily retires from the practice of medicine;
- (g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;
- (h) Contractor is charged with or convicted of a criminal offense;
- (i) any act of nature or any other event occurs which has a material adverse effect on Contractor's ability to provide the Services; or
- (j) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent.

**1.17 Representations and Warranties by Contractor.** Contractor represents and warrants that: (a) Contractor's license to practice medicine in any state has never been suspended, revoked or restricted; (b) Contractor has never been reprimanded, sanctioned or disciplined by any licensing board or medical specialty board; (c) Contractor has never been excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program; (d) Contractor has never been denied membership and/or reappointment to the medical staff of any hospital or health care facility; (e) Contractor's medical staff membership or clinical privileges at any hospital or health care facility have never been suspended, limited or revoked for a medical disciplinary cause or reason; and (f) Contractor has never been charged with or convicted of a felony, a misdemeanor involving fraud, dishonesty, controlled substances, or moral turpitude, or any crime relevant to the provision of medical services or the practice of medicine.

**1.18 Nondiscrimination.** Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

**1.19 Non-Exclusive Services.** The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

**1.20 Compliance with Grant Terms.** If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

**1.21 Medical Records and Claims.**

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

**1.22 Records Available to Contractor.** Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

**ARTICLE II.  
COMPENSATION**

**2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with Exhibit 2.1 (the "**Compensation**"), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of One Hundred Thousand Dollars (\$100,000).

**2.2 Billing and Collection.** Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this Agreement (the “NMC Services”). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability.** Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties’ respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys’ fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

### **2.3 Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

- (i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a "**Managed Care Organization**") designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;
- (ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;
- (iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or
- (iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

## **ARTICLE III. INSURANCE AND INDEMNITY**

**3.1 Evidence of Coverage.** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

**3.2 Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by Hospital's Contracts/Purchasing Director.

**3.3 Insurance Coverage Requirements.** Without limiting Contractor's duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor's sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor shall either continue such coverage or obtain extended reporting coverage ("**Tail Coverage**"), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance,** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

Exemption/Modification (Justification attached; subject to approval).

**3.4 Other Insurance Requirements.** All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

### **3.5 Right to Offset Insurance Costs.**

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

### **3.6 Indemnification.**

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

**3.7 Indemnification for Timely Payment of Tax Contributions.** It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

**3.8 Hospital Services.** Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

**3.9 Survival of Obligations.** The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

#### **ARTICLE IV. RELATIONSHIP BETWEEN THE PARTIES**

##### **4.1 Independent Contractor.**

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service ("IRS") or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

**4.2 Limitation on Control.** Hospital shall neither have nor exercise any control or direction over Contractor's professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

**4.3 Practice of Medicine.** Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

**4.4 No Benefit Contributions.** Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

**4.5 Referrals.** Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

**4.6 Form 1099 or W-2.** If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

**4.7 Contractor Compensation Arrangements.** Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

#### 4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an “**Action**”) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital’s compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

**4.9 Contractor’s Performance.** County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital’s Medical Director/Chief Medical Officer and from other professionals within Hospital.

**4.10 Right of Inspection.** Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

**4.11 Access to and Audit of Records.** Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

**ARTICLE V.  
TERM AND TERMINATION**

**5.1 Term.** This Agreement shall become effective on July 1, 2019 (the “**Effective Date**”), and shall continue until June 30, 2021 (the “**Expiration Date**”), subject to the termination provisions of this Agreement.

**5.2 Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

- (a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;
- (b) death or permanent disability of Contractor;
- (c) Contractor’s voluntary retirement from the practice of medicine;
- (d) neglect of professional duty by Contractor in a manner that violates Hospital’s policies, rules or regulations;
- (e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;
- (f) Contractor’s clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;
- (g) Contractor’s license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;
- (h) Contractor for any reason is not a member in good standing in the “active staff” category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor’s performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;
- (i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

**5.3 Termination by Contractor.** Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

**5.4 Termination or Modification in the Event of Government Action.**

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, “**Government Action**” shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;
- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;
- (vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital’s full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, “**Affiliate**” shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

**5.5 Termination without Cause.** Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

**5.6 Effect of Termination or Expiration.** Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Contractor shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

**5.7 Return of Property.** Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

**5.8 Termination or Amendment in Response to Reduction of Government Funding.** Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

## **ARTICLE VI. GENERAL PROVISIONS**

**6.1 Amendment.** This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

**6.2 Assignment.** Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

**6.3 Compliance with HIPAA.** Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, “**HIPAA**,” the obligations collectively referred to herein as “**HIPAA Obligations**”), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

**6.4 Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, “**Laws**”) applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

**6.5 Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor’s books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor’s failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

**6.6 Confidential Information.**

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. “**Trade Secrets**” includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. “**Confidential Information**” includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of

example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

**6.7 Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

**6.8 Disclosure of Interests.** Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

**6.9 Dispute Resolution.** In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a “**Dispute**”), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the “**Dispute Notice**”), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the “**Meet and Confer**”). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“**JAMS**”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “Panel”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.
- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

- (viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

**6.10 Entire Agreement.** This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

**6.11 Exhibits.** The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

**6.12 Force Majeure.** Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

**6.13 Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State.

**6.14 Headings.** The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

**6.15 Litigation Consultation.** Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

**6.16 Master List.** The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

**6.17 Meaning of Certain Words.** Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

**6.18 No Conflicting Obligations.** Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

**6.19 No Third Party Beneficiary Rights.** The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

**6.20 Notices.** All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

If to Hospital, addressed to:

NATIVIDAD MEDICAL CENTER  
1441 Constitution Blvd., Bldg. 300  
Salinas, California 93906  
Attention: \* Deputy Purchasing Agent

If to Contractor, addressed to:

NATHANIEL UCHTMANN, M.D.  
47 Boronda Road  
Carmel Valley, CA 9924

**6.21 Participation in Federal Health Care Programs.** Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

**6.22 Representations.** Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

**6.23 Severability.** If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

**6.24 Statutes and Regulations.** Any reference in this Agreement to any statute, regulation, ruling, or administrative order or decree shall include, and be a reference to any successor statute, regulation, ruling, or administrative order or decree.

**6.25 Waiver.** No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing to be effective, and shall apply solely to the specific instance expressly stated.

*[signature page follows]*

The Parties have executed this Agreement on the date first above written, and signify their agreement with duly authorized signatures.

**Exhibit 1.13****MEDICAL STAFF POLICY**

<b>Title:</b> Practitioner Code of Conduct	<b>Effective:</b> 05/09 <b>Reviewed/Revised:</b> 08/11
<b>Standard:</b> MSP004-2	<b>Approved:</b> MEC 08/11 BOT 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

**POLICY**

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.
2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.
3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.
4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.
5. Contribute to the overall educational mission of NMC.
6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

### **EXAMPLES OF PROFESSIONAL BEHAVIOR**

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.
2. Provide for and communicate alternate coverage arrangements to assure the continuity and quality of care.
3. Demonstrate language, action, attitude and behavior which consistently convey to patients, families, colleagues, and all other members of the NMC health care team a sense of compassion and respect for human dignity.
4. Understand and accept individual cultural differences.
5. Maintain appropriate, timely, and legible medical record entries which enable all NMC professionals to understand and effectively participate in a cohesive plan of management to assure continuity, quality, and efficiency of care and effective post-discharge planning and follow-up.
6. Respect the right of patients, families or other designated surrogates to participate in an informed manner in decisions pertaining to patient care.
7. Treat patients and all persons functioning in any capacity within NMC with courtesy, respect, and human dignity.
8. Conduct one's practice at NMC in a manner that will facilitate timely commencement of medical/surgical procedures at NMC, including but not limited to, timely arrival at the hospital, pre-ordering all needed special equipment and/or supplies, and timely notification of required staff.

### **EXAMPLES OF DISRUPTIVE OR UNPROFESSIONAL BEHAVIOR**

Disruptive or Unprofessional Behavior, as characterized in this Code, includes but is not limited to:

1. Misappropriation or unauthorized removal or possession of NMC owned property.
2. Falsification of medical records, including timekeeping records and other NMC documents.

3. Working under the influence of alcohol or illegal drugs.
4. Working under the influence of prescription or over-the-counter medications when use of such medications significantly affects the practitioner's level of cognitive functioning.
5. Possession, distribution, purchase, sale, transfer, transport or use of illegal drugs in the workplace.
6. Possession of dangerous or unauthorized materials such as explosives, firearms, or other weapons in the workplace.
7. Writing derogatory and/or accusatory notes in the medical record which are not necessary for the provision of quality patient care services. Concerns regarding the performance of other Practitioners or NMC employees should be reported on a NMC Quality Review Report form and submitted pursuant to NMC policy and should not be entered into the patient's medical record.
8. Harassment
  - a. Harassment is verbal or physical contact that denigrates or shows hostility or aversion toward an individual based on race, religion, color, national origin, ancestry, age, disability, marital status, gender, sexual orientation, or any other basis protected by federal, state, or local law or ordinance, and that:
    1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment, or;
    2. Has the purpose or effect of unreasonably interfering with an individual's work performance, or;
    3. Otherwise adversely affects an individual's employment opportunity.
  - b. Harassing conduct includes, but is not limited to:
    1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation.
    2. Written material or illustrations that denigrate or show hostility or aversion toward an individual or group because of race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation, and is placed on walls; bulletin boards, or elsewhere on NMC's premises or circulated in the workplace.
9. Physical behavior that is harassing, intimidating, or threatening, from the viewpoint of the recipient, including touching, obscene or intimidating gestures, or throwing of objects;

10. Passive behaviors, such as refusing to perform assigned tasks or to answer questions, return phone calls, or pages;
11. Language that is a reasonable adult would consider to be foul, abusive, degrading, demeaning, or threatening, such as crude comments, degrading jokes or comments, yelling or shouting at a person, or threatening violence or retribution;
12. Single incident of egregious behavior, such as an assault or other criminal act.
13. Criticism of NMC staff in front of patients, families, or other staff.

#### **PROCEDURE**

1. Any person who functions in any capacity at NMC who observes Practitioner language, action, attitude, or behavior which may be unprofessional, harassing, or disruptive to the provision of quality patient care services should document the incident on a NMC Quality Review Report form.
2. Identified incidents involving Practitioners shall be reviewed pursuant to the current Road Map for Handling Reports of Disruptive or Unprofessional Behavior or the County Sexual Harassment Policy, as determined by the nature of the behavior and the person who exhibits it.

I acknowledge that I have received and read this Practitioner Code of Conduct. I acknowledge that hospitals are required to define and address disruptive and inappropriate conduct to comply with The Joint Commission standards for accreditation. I agree to adhere to the guidelines in this Code and conduct myself in a professional manner. I further understand that failure to behave in a professional fashion may result in disciplinary actions set forth in the RoadMap for Handling Reports of Disruptive or Unprofessional Behavior or as determined by the Medical Executive Committee pursuant to the Medical Staff Bylaws.

**Exhibit 2.1**

**COMPENSATION**

1. **Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Dollars (\$100) per hour for those Professional Services rendered by Contractor under this Agreement; provided, however, that Contractor is in compliance with the terms and conditions of this Agreement.

2. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Six Dollars and Fifty Four Cents (\$6.54) per 24-hour shift worked by Contractor to compensate for Hospital's payment of professional liability insurance premiums on behalf of Contractor.

3. **Timing.** Hospital shall pay the compensation due for Professional Services performed by Contractor after Contractor's submission of the monthly invoice of preceding month's activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Professional Services were performed, Hospital shall not be obligated to pay Contractor for Professional Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is "30 days after receipt of the certified invoice in the Auditor-Controller's Office".

**Exhibit 6.3****BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (“Agreement”), effective July 1, 2019 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Nathaniel Uchtmann, M.D. (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

**1. DEFINITIONS**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

2. **PERMITTED USES AND DISCLOSURES OF PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law , or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

3. **RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

- (h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;
- (i) if all or any portion of the PHI is maintained in a Designated Record Set:
  - (i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and
  - (ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;
- (j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;
- (k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;
- (l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

- (a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;
- (b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### 4. TERMS AND TERMINATION

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

## PROFESSIONAL SERVICES AGREEMENT

THIS PROFESSIONAL SERVICES AGREEMENT (this “**Agreement**”) is entered into as of July 1, 2019, by and between COUNTY OF MONTEREY (“**County**”) on behalf of NATIVIDAD MEDICAL CENTER (“**Hospital**”), and NATHANIEL UCHTMANN, M.D., an individual (“**Contractor**”). County, Hospital and Contractor are sometimes referred to in this Agreement as a “**Party**” or, collectively, as the “**Parties.**”

### RECITALS

A. County owns and operates Hospital, a general acute care teaching hospital facility located in Salinas, California under its acute care license.

B. Contractor is duly licensed to practice medicine in the State of California (the “**State**”). Contractor is board certified for the practice of medicine in the specialty of pediatrics (the “**Specialty**”).

C. Hospital must arrange for the provision of professional consultation and treatment of patients who are admitted as Hospital inpatients in need of medical care or treatment in the Specialty, including inpatient and outpatient procedures performed in Hospital’s operating room (collectively, the “**Patients**”), without regard to any consideration other than medical condition.

### AGREEMENT

THE PARTIES AGREE AS FOLLOWS:

#### ARTICLE I. CONTRACTOR’S OBLIGATIONS

**1.1 Professional Services.** Contractor shall provide the professional services (the “**Professional Services**”) to Patients, upon the terms and subject to the conditions set forth in this Agreement.

**1.2 Teaching Services.** Contractor shall provide to Hospital those teaching services set forth in Exhibit 1.2 (collectively, the “**Teaching Services**”). Contractor shall not be separately compensated for the provision of Teaching Services under this Agreement.

**1.3 Additional Services.** Contractor shall provide to Hospital those additional services set forth in Exhibit 1.3 (the “**Additional Services**”), upon the terms and subject to the conditions set forth in this Agreement. The Professional Services, Teaching Services and Additional Services are sometimes referred to collectively in this Agreement as the “**Services.**”

**1.4 Personal Services.** This Agreement is entered into by Hospital in reliance on the professional skills of Contractor. Contractor shall be solely responsible for performing the Services and otherwise fulfilling the terms of this Agreement, except as specifically set forth in this Agreement.

**1.5 Time Commitment.** Contractor shall allocate time among the Professional Services, Teaching Services and Additional Services as reasonably requested by Hospital from time to time.

**1.6 Availability.** Contractor shall be available to provide the Services on a twenty-four (24) hour per day, seven (7) day per week basis. On or before the first (1st) day of each month, Contractor shall inform Hospital of Contractor's schedule of availability to perform the Services during the following month. Contractor shall use his or her best efforts to adjust such schedule of availability if reasonably requested by Hospital in order to meet Hospital's needs for the Services. Contractor shall be available to provide coverage services along with other panel members in a manner that is sufficient to ensure Specialty coverage for the Hospital twenty-four (24) hours per day, seven (7) days per week, including all holidays, in accordance with the schedule developed by the Chief Pediatric Hospitalist designated by Hospital, as needed.

**1.7 Absences.** If Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period of greater than thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period, Contractor shall designate a qualified replacement to provide the Services on behalf of Contractor, subject to the prior written approval of Hospital. Contractor shall ensure that any such designated replacement meets any and all obligations and requirements of Contractor under this Agreement. If the length of Contractor's absence is anticipated to be or actually is longer than sixty (60) calendar days, the person who provides the Services in Contractor's absence shall execute a written acknowledgment in form and substance acceptable to Hospital agreeing to be bound by all terms of this Agreement. Except in the event of absence due to illness or disability, Hospital shall have the right to approve the length of Contractor's absence, and any unapproved absence shall constitute a breach of this Agreement.

**1.8 Time Reports.** Contractor shall maintain and submit to Hospital monthly time sheets that provide a true and accurate accounting of time spent on a daily basis providing the Services. Such time sheets shall be on the then-current form provided by Hospital attached hereto as **Exhibit 1.8**. Contractor shall submit all such time sheets to Hospital no later than the tenth (10th) day of each month for Services provided by Contractor during the immediately preceding month.

**1.9 Medical Staff.** Contractor shall be a member in good standing and active on the Hospital's Medical Staff and have and maintain all clinical privileges at Hospital necessary for the performance of Contractor's obligations under this Agreement. If, as of the Effective Date (as defined in Section 5.1), Contractor is not a member in good standing or active on the Medical Staff or does not hold all clinical privileges at Hospital necessary for the performance of Contractor's obligations hereunder, Contractor shall have a reasonable amount of time, which in no event shall exceed sixty (60) calendar days from the Effective Date, to obtain such membership and/or clinical privileges; provided, however, that Hospital may immediately terminate this Agreement if Hospital determines that Contractor is not diligently pursuing such membership and/or clinical privileges in accordance with the normal procedures set forth in the Medical Staff bylaws. Contractor may obtain and maintain medical staff privileges at any other hospital or health care facility at Contractor's sole expense.

**1.10 Professional Qualifications.** Contractor shall have and maintain an unrestricted license to practice medicine in the State. Contractor shall be board certified in the Specialty by the applicable medical specialty board approved by the American Board of Medical Specialties. Contractor shall have and maintain a valid and unrestricted United States Drug Enforcement Administration (“DEA”) registration.

**1.11 Review of Office of the Inspector General (“OIG”) Medicare Compliance Bulletins.** The OIG from time to time issues Medicare compliance alert bulletins. To the extent applicable to Contractor’s performance under this Agreement, Contractor shall undertake to review, be familiar with and comply with all applicable requirements of such OIG compliance bulletins.

**1.12 Performance Standards.** Contractor shall comply with all bylaws, Medical Staff policies, rules and regulations of Hospital and the Medical Staff (collectively, the “Hospital Rules”), and all protocols applicable to the Services or the Hospital (the “Protocols”).

**1.13 Code of Conduct.** Contractor hereby acknowledges receipt of Hospital’s Code of Conduct which is attached to this Agreement as **Exhibit 1.13** (the “Code”), and agrees that Contractor has been given ample opportunity to read, review and understand the Code. With respect to Contractor’s business dealings with Hospital and Contractor’s performance of the Services described in this Agreement, Contractor shall not act in any manner which conflicts with or violates the Code, and shall not cause another person to act in any manner which conflicts with or violates the Code. Contractor shall comply with the Code as it relates to Contractor’s business relationship with Hospital or any Affiliate, subsidiaries, employees, agents, servants, officers, directors, contractors and suppliers of every kind.

**1.14 Continuing Medical Education.** Contractor shall participate in continuing medical education as necessary to maintain licensure, professional competence and skills commensurate with the standards of the medical community and as otherwise required by the medical profession.

**1.15 Use of Space.** Contractor shall use Hospital’s premises and space solely and exclusively for the provision of the Services, except in an emergency or with Hospital’s prior written consent.

**1.16 Notification of Certain Events.** Contractor shall notify Hospital in writing within twenty-four (24) hours after the occurrence of any one or more of the following events:

(a) Contractor becomes the subject of, or materially involved in, any investigation, proceeding, or disciplinary action by: Medicare and Medicaid programs or any other Federal health care program, as defined at 42 U.S.C. Section 1320a-7b(f) (collectively, the “Federal Health Care Programs”) or state equivalent, any state’s medical board, any agency responsible for professional licensing, standards or behavior, or any medical staff;

(b) Contractor’s medical staff membership or clinical privileges at any hospital are denied, suspended, restricted, revoked or voluntarily relinquished, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;

- (c) Contractor becomes the subject of any suit, action or other legal proceeding arising out of Contractor's professional services;
- (d) Contractor is required to pay damages or any other amount in any malpractice action by way of judgment or settlement;
- (e) Contractor becomes the subject of any disciplinary proceeding or action before any state's medical board or similar agency responsible for professional standards or behavior;
- (f) Contractor voluntarily or involuntarily retires from the practice of medicine;
- (g) Contractor's license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;
- (h) Contractor is charged with or convicted of a criminal offense;
- (i) any act of nature or any other event occurs which has a material adverse effect on Contractor's ability to provide the Services; or
- (j) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program or state equivalent.

**1.17 Representations and Warranties by Contractor.** Contractor represents and warrants that: (a) Contractor's license to practice medicine in any state has never been suspended, revoked or restricted; (b) Contractor has never been reprimanded, sanctioned or disciplined by any licensing board or medical specialty board; (c) Contractor has never been excluded or suspended from participation in, or sanctioned by, any Federal Health Care Program; (d) Contractor has never been denied membership and/or reappointment to the medical staff of any hospital or health care facility; (e) Contractor's medical staff membership or clinical privileges at any hospital or health care facility have never been suspended, limited or revoked for a medical disciplinary cause or reason; and (f) Contractor has never been charged with or convicted of a felony, a misdemeanor involving fraud, dishonesty, controlled substances, or moral turpitude, or any crime relevant to the provision of medical services or the practice of medicine.

**1.18 Nondiscrimination.** Contractor shall not differentiate or discriminate in performing the Services on the basis of race, religion, creed, color, national origin, ancestry, sex, physical disability, mental disability, medical condition, marital status, age, sexual orientation or payor, or on any other basis prohibited by applicable law.

**1.19 Non-Exclusive Services.** The Services provided by Contractor hereunder are intended to be non-exclusive. Notwithstanding the above, during the term of this Agreement, Contractor shall undertake to retain the service capacity necessary to provide those Services described in this Agreement, to the extent necessary to serve the reasonably foreseeable patient needs for medical care at Hospital and the administrative services hereunder.

**1.20 Compliance with Grant Terms.** If this Agreement has been or will be funded with monies received by Hospital or County pursuant to a contract with the state or federal government or private entity in which Hospital or County is the grantee, Contractor shall comply with all the provisions of said contract, and said provisions shall be deemed a part of this Agreement, as though fully set forth herein. Upon request, Hospital shall deliver a copy of said contract to Contractor at no cost to Contractor.

**1.21 Medical Records and Claims.**

(a) Contractor shall prepare complete, timely, accurate and legible medical and other records with respect to the services and treatment furnished to patients, in accordance with the Hospital Rules, federal and state laws and regulations, and standards and recommendations of such nationally recognized accrediting organization as Hospital designates from time to time. All such information and records relating to any patient shall be: (i) prepared on forms developed, provided or approved by Hospital; (ii) the sole property of Hospital; and (iii) maintained at Hospital in accordance with the terms of this Agreement and for so long as is required by applicable laws and regulations.

(b) Contractor shall maintain and upon request provide to patients, Hospital, and state and federal agencies, all financial books and records and medical records and charts as may be necessary for Contractor and/or Hospital to comply with applicable state, federal, and local laws and regulations and with contracts between Hospital and third party payors. Contractor shall cooperate with Hospital in completing such claim forms for patients as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors. Contractor shall retain all such records and information for at least ten (10) years following the expiration or termination of this Agreement. This Section 1.21(b) shall survive the expiration or termination of this Agreement.

**1.22 Records Available to Contractor.** Both during and after the term of this Agreement, Hospital shall permit Contractor and Contractor's agents to inspect and/or duplicate, at Contractor's sole cost and expense, any medical chart and record to the extent necessary to meet Contractor's professional responsibilities to patients, to assist in the defense of any malpractice or similar claim to which such chart or record may be pertinent, and/or to fulfill requirements pursuant to provider contracts to provide patient information; provided, however, such inspection or duplication is permitted and conducted in accordance with applicable legal requirements and pursuant to commonly accepted standards of patient confidentiality. Contractor shall be solely responsible for maintaining patient confidentiality with respect to any information which Contractor obtains pursuant to this Section.

**ARTICLE II.  
COMPENSATION**

**2.1 Compensation.** Hospital shall pay to Contractor the amount determined in accordance with Exhibit 2.1 (the "**Compensation**"), upon the terms and conditions set forth therein. The total amount payable by Hospital to Contractor under this Agreement shall not exceed the sum of One Hundred Thousand Dollars (\$100,000).

**2.2 Billing and Collection.** Hospital shall have the sole and exclusive right to bill and collect for any and all Professional Services rendered to Patients by Contractor under this Agreement (the “NMC Services”). Hospital shall have the sole and exclusive right, title and interest in and to accounts receivable with respect to such NMC Services.

(a) **Assignment of Claims.** Contractor hereby assigns (or reassigns, as the case may be) to Hospital all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall take such action and execute such documents (e.g., CMS Forms 855R and 855I), as may be reasonably necessary or appropriate to effectuate the assignment (or reassignment, as the case may be) to Hospital of all claims, demands and rights of Contractor for any and all NMC Services rendered by Contractor pursuant to this Agreement.

(b) **Cooperation with Billing and Collections.** Contractor shall cooperate with Hospital in the billing and collection of fees with respect to NMC Services rendered by Contractor. Without limiting the generality of the foregoing, Contractor shall cooperate with Hospital in completing such claim forms with respect to NMC Services rendered by Contractor pursuant to this Agreement as may be required by insurance carriers, health care service plans, governmental agencies, or other third party payors.

(c) **Hospital as Exclusive Source for Compensation for NMC Services.** Contractor shall seek and obtain compensation for the performance of NMC Services only from Hospital. Contractor shall not, bill, assess or charge any fee, assessment or charge of any type against any Hospital patient or any other person or entity for NMC Services rendered by Contractor pursuant to this Agreement. Contractor shall promptly deliver to Hospital any and all compensation, in whatever form, that is received by Contractor for NMC Services rendered by Contractor pursuant to this Agreement, including any amount received from any Managed Care Organization (as defined below) for NMC Services rendered by Contractor pursuant to this Agreement.

(d) **Joint and Several Liability.** Hospital and Contractor acknowledge that they will be jointly and severally liable for any Federal Health Care Program overpayments relating to claims with respect to NMC Services furnished by Contractor pursuant to this Agreement. The foregoing is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the Parties’ respective indemnification obligations under this Agreement.

(e) **Indemnification for Billing Information.** Contractor hereby agrees to indemnify County, Hospital, its officers, supervisors, trustees, employees and agents, from and against any and all liability, cost, loss, penalty or expense (including, without limitation, attorneys’ fees and court costs) incurred by Hospital resulting from negligent acts or negligent omissions of Contractor which result in inaccurate and/or improper billing information furnished by Contractor and relied on by Hospital regarding Professional Services rendered by Contractor to Patients, to the extent such liability, cost, loss, penalty or expense exceeds the amount of payment or reimbursement actually received by Hospital for such services.

### **2.3 Third Party Payor Arrangements.**

(a) Contractor shall cooperate in all reasonable respects necessary to facilitate Hospital's entry into or maintenance of any third party payor arrangements for the provision of services under Federal Health Care Programs or any other public or private health and/or hospital care programs, including insurance programs, self-funded employer health programs, health care service plans and preferred provider organizations.

(b) To enable Hospital to participate in any third party payor arrangement, Contractor shall, not more than ten (10) business days following Hospital's request:

- (i) Initiate enrollment as a provider (if required by the third party payor), separate from Hospital, with any third party payor or intermediate organization (including any independent practice association) (each, a "**Managed Care Organization**") designated by Hospital for the provision of Professional Services to Hospital patients covered by such Managed Care Organization;
- (ii) Complete any documents (e.g., CAQH Universal Provider Datasource form) as may be reasonably necessary or appropriate to effectuate enrollment;
- (iii) Enter into a written agreement with such Managed Care Organization as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization; and/or
- (iv) Enter into a written agreement with Hospital regarding global billing, capitation or other payment arrangements as may be necessary or appropriate for the provision of Professional Services to Hospital patients covered by such Managed Care Organization.

## **ARTICLE III. INSURANCE AND INDEMNITY**

**3.1 Evidence of Coverage.** Prior to commencement of this Agreement, the Contractor shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the Contractor upon request shall provide a certified copy of the policy or policies. This verification of coverage shall be sent to Hospital's Medical Staff Office, unless otherwise directed. The Contractor shall not receive a "Notice to Proceed" with the work under this Agreement until it has obtained all insurance required and Hospital has approved such insurance. This approval of insurance shall neither relieve nor decrease the liability of the Contractor.

**3.2 Qualifying Insurers.** All coverages except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by Hospital's Contracts/Purchasing Director.

**3.3 Insurance Coverage Requirements.** Without limiting Contractor's duty to indemnify, Contractor shall maintain in effect throughout the term of this Agreement, at Contractor's sole cost and expense, a policy or policies of insurance with the following minimum limits of liability:

(a) **Professional liability insurance,** covering Contractor with coverage of not less than One-Million Dollars (\$1,000,000) per physician per occurrence and Three-Million Dollars (\$3,000,000) per physician in the aggregate; or such other amount(s) of professional liability insurance as may be required by Article 2.2-1 of Hospital's Medical Staff Bylaws from time to time, to cover liability for malpractice and/or errors or omissions made in the course of rendering services under this Agreement. If any professional liability insurance covering Contractor is procured on a "Claims Made" rather than "Occurrence" basis, then Contractor shall either continue such coverage or obtain extended reporting coverage ("**Tail Coverage**"), as appropriate, upon the occurrence of any of the following: (i) termination or expiration of this Agreement; (ii) change of coverage if such change shall result in a gap in coverage; or (iii) amendment, reduction or other material change in the then existing professional liability coverage of Contractor if such amendment, reduction or other material change will result in a gap in coverage. Any Tail Coverage shall have liability limits in the amount set forth above and shall in all events continue in existence until the greater of: (a) three (3) years or (b) the longest statute of limitations for professional and general liability for acts committed has expired. All insurance required by this Agreement shall be with a company acceptable to County and issued and executed by an admitted insurer authorized to transact insurance business in the State.

(b) **Commercial general liability insurance,** including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broad form Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(c) **Business automobile liability insurance,** covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than One Million Dollars (\$1,000,000) per occurrence.

Exemption/Modification (Justification attached; subject to approval).

(d) **Workers' Compensation Insurance**, if Contractor employs others in the performance of this Agreement, in accordance with California Labor Code Section 3700 and with Employer's Liability limits not less than One Million Dollars (\$1,000,000) each person, One Million Dollars (\$1,000,000) each accident and One Million Dollars (\$1,000,000) each disease.

Exemption/Modification (Justification attached; subject to approval).

**3.4 Other Insurance Requirements.** All insurance required by this Agreement shall be with a company acceptable to Hospital and issued and executed by an admitted insurer authorized to transact insurance business in the State. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date Contractor completes its performance of services under this Agreement.

Each liability policy shall provide that Hospital shall be given notice in writing at least thirty (30) days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for Contractor and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insureds with respect to liability arising out of the Contractor's work, including ongoing and completed operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the County and that the insurance of the Additional Insureds shall not be called upon to contribute to a loss covered by the Contractor's insurance. The required endorsement from for Commercial General Liability Additional Insured is ISO Form CG 20 10 11-85 or CG 20 10 10 01 in tandem with CG 20 37 10 01 (2000). The required endorsement from for Automobile Additional Insured Endorsement is ISO Form CA 20 48 02 99.

Prior to the execution of this Agreement by Hospital, Contractor shall file certificates of insurance with Hospital's Medical Staff Office, showing that the Contractor has in effect the insurance required by this Agreement. The Contractor shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

Contractor shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by Hospital, annual certificates to Hospital's Medical Staff Office. If the certificate is not received by the expiration date, Hospital shall notify Contractor and Contractor shall have five (5) calendar days to send in the certificate, evidencing no lapse in coverage during the interim. Failure by Contractor to maintain such insurance is a default of this Agreement, which entitles Hospital, at its sole discretion, to terminate the Agreement immediately.

### **3.5 Right to Offset Insurance Costs.**

(a) In the event that Contractor does not purchase or otherwise have the liability insurance set forth in this Section at any time during the term of this Agreement, and without limiting any rights or remedies of County, County may at its option and within its sole discretion provide the liability insurance required by this Section and continue to pay the premiums therefor. If Contractor does not promptly reimburse all such amounts, then County shall have the right to withhold and offset the compensation due to Contractor under this Agreement, in addition to such other rights or privileges as County may have at law or in equity.

(b) The County's option to provide such insurance and to offset the compensation otherwise due to the Contractor shall also apply to the "Tail Coverage" referenced in Section 3.3, including for general liability if during the term of the Agreement such coverage has been written on a claims made basis, which is required to remain effective after the expiration or termination of this Agreement for any reason.

### **3.6 Indemnification.**

(a) **Indemnification by Contractor.** Contractor shall indemnify, defend, and hold harmless County, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with Contractor's performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of County. "Contractor's performance" includes Contractor's acts or omissions and the acts or omissions of Contractor's officers, employees, agents and subcontractors.

(b) **Indemnification by County.** County agrees to defend, indemnify, and hold harmless Contractor, to the extent permitted by applicable law, from and against any and all claims and losses whatsoever accruing or resulting to any person, firm or corporation for damages, injury or death arising out of or connected with any negligent act or omission or willful misconduct of County or any of its agents or employees.

**3.7 Indemnification for Timely Payment of Tax Contributions.** It is expressly agreed by the Parties hereto that no work, act, commission or omission of Contractor shall be construed to make or render Contractor the agent, employee or servant of County. Contractor agrees to indemnify, defend and hold harmless County and Hospital from and against any and all liability, loss, costs or obligations (including, without limitation, interest, penalties and attorney's fees in defending against the same) against County or Hospital based upon any claim that Contractor has failed to make proper and timely payment of any required tax contributions for itself, its employees, or its purported agents or independent contractors.

**3.8 Hospital Services.** Hospital shall retain professional and administrative responsibility for the operation of the Hospital, as and to the extent required by Title 22, California Code of Regulations, Section 70713. Hospital's retention of such responsibility is not intended and shall not be construed to diminish, limit, alter or otherwise modify in any way the obligations of Contractor under this Agreement, including, without limitation, the obligations under the insurance and indemnification provisions set forth in this Article III.

**3.9 Survival of Obligations.** The Parties' obligations under this Article III shall survive the expiration or termination of this Agreement for any reason.

#### **ARTICLE IV. RELATIONSHIP BETWEEN THE PARTIES**

**4.1 Independent Contractor.**

(a) Contractor is and shall at all times be an independent contractor with respect to Hospital in the performance of Contractor's obligations under this Agreement. Nothing in this Agreement shall be construed to create an employer/employee, joint venture, partnership, lease or landlord/tenant relationship between Hospital and Contractor. Contractor shall not hold himself or herself out as an officer, agent or employee of Hospital, and shall not incur any contractual or financial obligation on behalf of Hospital without Hospital's prior written consent.

(b) If the Internal Revenue Service ("IRS") or any other governmental agency should inquire about, question or challenge the independent contractor status of Contractor with respect to County, the Parties hereto mutually agree that: (i) each shall inform the other Party hereto of such inquiry or challenge; and (ii) County and Contractor shall each have the right to participate in any discussion or negotiation occurring with the taxing agency, regardless of who initiated such discussions or negotiations. In the event the taxing agency concludes that an independent contractor relationship does not exist, County may terminate this Agreement effective immediately upon written notice. In the event of such termination, the Parties remain free to negotiate an employer/employee contract.

**4.2 Limitation on Control.** Hospital shall neither have nor exercise any control or direction over Contractor's professional medical judgment or the methods by which Contractor performs professional medical services; provided, however, that Contractor shall be subject to and shall at all times comply with the Protocols and the bylaws, guidelines, policies and rules applicable to other members of the Medical Staff.

**4.3 Practice of Medicine.** Contractor and Hospital acknowledge that Hospital is neither authorized nor qualified to engage in any activity which may be construed or deemed to constitute the practice of medicine. To the extent that any act or service required of, or reserved to, Hospital in this Agreement is construed or deemed to constitute the practice of medicine, the performance of such act or service by Hospital shall be deemed waived or unenforceable, unless this Agreement can be amended to comply with the law, in which case the Parties shall make such amendment.

**4.4 No Benefit Contributions.** Hospital shall have no obligation under this Agreement to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor. Notwithstanding the foregoing, if Hospital determines or is advised that it is required by law to compensate or pay applicable taxes for, or provide employee benefits of any kind (including contributions to government mandated, employment-related insurance and similar programs) to, or on behalf of, Contractor or any other person employed or retained by Contractor, Contractor shall reimburse Hospital for any such expenditure within thirty (30) calendar days after being notified of such expenditure.

**4.5 Referrals.** Contractor shall be entitled to refer patients to any hospital or other health care facility or provider deemed by Contractor best qualified to deliver medical services to any particular patient; provided, however, that Contractor shall not refer any Hospital patient to any provider of health care services which Contractor knows or should have known is excluded or suspended from participation in, or sanctioned by, any state or Federal Health Care Program. Nothing in this Agreement or in any other written or oral agreement between Hospital and Contractor, nor any consideration offered or paid in connection with this Agreement, contemplates or requires the admission or referral of any patients or business to Hospital or any Affiliate. In the event that any governmental agency, any court or any other judicial body of competent jurisdiction, as applicable, issues an opinion, ruling or decision that any payment, fee or consideration provided for hereunder is made or given in return for patient referrals, either Party may at its option terminate this Agreement with three (3) days' notice to the other Party. Contractor's rights under this Agreement shall not be dependent in any way on the referral of patients or business to Hospital or any Affiliate by Contractor or any person employed or retained by Contractor.

**4.6 Form 1099 or W-2.** If required to do so under applicable law, Hospital shall issue an Internal Revenue Service Form 1099 or Form W-2 to Contractor.

**4.7 Contractor Compensation Arrangements.** Contractor represents and warrants to Hospital that the compensation paid or to be paid by Contractor to any physician is and will at all times be fair market value for services and items actually provided by such physician, not taking into account the value or volume of referrals or other business generated by such physician for Hospital or any Affiliate. Contractor further represents and warrants to Hospital that Contractor has and will at all times maintain a written agreement with each physician receiving compensation from Contractor.

#### 4.8 Cooperation.

(a) The Parties recognize that, during the term of this Agreement and for an undetermined time period thereafter, certain risk management issues, legal issues, claims or actions may arise that involve or could potentially involve the Parties and their respective employees and agents. The Parties further recognize the importance of cooperating with each other in good faith when such issues, claims or actions arise, to the extent such cooperation does not violate any applicable laws, cause the breach of any duties created by any policies of insurance or programs of self-insurance, or otherwise compromise the confidentiality of communications or information regarding the issues, claims or actions. As such, the Parties hereby agree to cooperate in good faith, using their best efforts, to address such risk management and legal issues, claims, or actions.

(b) The Parties further agree that if a controversy, dispute, claim, action or lawsuit (each, an “**Action**”) arises with a third party wherein both the Parties are included as defendants, each Party shall promptly disclose to the other Party in writing the existence and continuing status of the Action and any negotiations relating thereto. Each Party shall make every reasonable attempt to include the other Party in any settlement offer or negotiations. In the event the other Party is not included in the settlement, the settling Party shall immediately disclose to the other Party in writing the acceptance of any settlement and terms relating thereto, if allowed by the settlement agreement.

(c) Contractor shall cooperate with the individual designated by Hospital to have principal responsibility for the administration and operation of the Hospital. Such cooperation shall include supervision, selection, assignment, and evaluation of personnel; management and direction of equipment maintenance; development of budgets; and oversight of the acquisition of materials, supplies, and equipment.

(d) Contractor shall assist Hospital, as reasonably requested by Hospital, in Hospital’s compliance with applicable laws and the standards, requirements, guidelines and recommendations of any governing or advisory body having authority to set standards relating to the operation of Hospital, or any nationally recognized accrediting organization that Hospital designates from time to time.

**4.9 Contractor’s Performance.** County or Hospital, at its option and within its sole discretion, may seek evaluation of contractual performance by requesting input from Hospital’s Medical Director/Chief Medical Officer and from other professionals within Hospital.

**4.10 Right of Inspection.** Upon reasonable prior written notice, Hospital and County officials and their designees may inspect the books and records of Contractor which are necessary to determine that work performed by Contractor to patients hereunder is in accord with the requirements of this Agreement. Such inspection shall be made in a manner so as not to disrupt the operations of Hospital or Contractor.

**4.11 Access to and Audit of Records.** Hospital shall have the right to examine, monitor and audit all records, documents, conditions, and activities of the Contractor and its subcontractors related to services provided under this Agreement. Pursuant to Government Code Section 8546.7, if this Agreement involves the expenditure of public funds in excess of Ten Thousand Dollars (\$10,000), the Parties may be subject, at the request of Hospital or as part of any audit of Hospital, to the examination and audit of the State Auditor pertaining to matters connected with the performance of this Agreement for a period of three (3) years after final payment under the Agreement.

**ARTICLE V.**  
**TERM AND TERMINATION**

**5.1 Term.** This Agreement shall become effective on July 1, 2019 (the “**Effective Date**”), and shall continue until June 30, 2021 (the “**Expiration Date**”), subject to the termination provisions of this Agreement.

**5.2 Termination by Hospital.** Hospital shall have the right to terminate this Agreement upon the occurrence of any one or more of the following events:

- (a) breach of this Agreement by Contractor where the breach is not cured within thirty (30) calendar days after Hospital gives written notice of the breach to Contractor;
- (b) death or permanent disability of Contractor;
- (c) Contractor’s voluntary retirement from the practice of medicine;
- (d) neglect of professional duty by Contractor in a manner that violates Hospital’s policies, rules or regulations;
- (e) Contractor is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period;
- (f) Contractor’s clinical privileges or medical staff membership at any hospital are denied, suspended, terminated, restricted, revoked or relinquished for any reason, whether voluntarily or involuntarily, temporarily or permanently, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;
- (g) Contractor’s license to practice medicine in the State is restricted, suspended or terminated, regardless of the availability of civil or administrative hearing rights or judicial review with respect thereto;
- (h) Contractor for any reason is not a member in good standing in the “active staff” category of the Medical Staff or does not hold all clinical privileges at Hospital necessary for Contractor’s performance of the Services or Contractor is the subject of one or more investigations, proceedings or peer review or other disciplinary actions by the Medical Staff;
- (i) Contractor is charged with or convicted of a criminal offense;

(j) Contractor's performance of this Agreement, in the sole determination of Hospital, jeopardizes the mental or physical health or well-being of patients of Hospital;

(k) Contractor is debarred, suspended, excluded or otherwise ineligible to participate in any state or Federal Health Care Program or state equivalent;

(l) Contractor acts, or causes another person to act, in a manner which conflicts with or violates the Code;

(m) breach by Contractor of any HIPAA Obligation (as defined in **Exhibit 6.3**);

(n) Contractor makes an assignment for the benefit of creditors, admits in writing the inability to pay his or her debts as they mature, applies to any court for the appointment of a trustee or receiver over his or her assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law of any jurisdiction;

(o) the insurance required to be maintained by Contractor under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or Contractor) for any reason, and Contractor has not obtained replacement coverage as required by this Agreement prior to the effective date of such termination, reduction, non-renewal or cancellation;

(p) Contractor is rendered unable to comply with the terms of this Agreement for any reason; or

(q) upon a sale of all or substantially all assets comprising Hospital's acute care hospital facility, any change of control in Hospital's organization, or any change in control of its day to day operations, whether through a membership change or by management contract. Hospital shall notify Contractor in writing of such sale or change of control at least thirty (30) days prior to the closing date of any such sale or the effective date of any such change of control.

**5.3 Termination by Contractor.** Contractor shall have the right to terminate this Agreement upon breach of this Agreement by Hospital where the breach is not cured within thirty (30) calendar days after Contractor gives written notice of the breach to Hospital.

**5.4 Termination or Modification in the Event of Government Action.**

(a) If the Parties receive notice of any Government Action, the Parties shall attempt to amend this Agreement in order to comply with the Government Action.

(b) If the Parties, acting in good faith, are unable to make the amendments necessary to comply with the Government Action, or, alternatively, if either Party determines in good faith that compliance with the Government Action is impossible or infeasible, this Agreement shall terminate ten (10) calendar days after one Party notices the other of such fact.

(c) For the purposes of this Section, “**Government Action**” shall mean any legislation, regulation, rule or procedure passed, adopted or implemented by any federal, state or local government or legislative body or any private agency, or any notice of a decision, finding, interpretation or action by any governmental or private agency, court or other third party which, in the opinion of counsel to Hospital, because of the arrangement between the Parties pursuant to this Agreement, if or when implemented, would:

- (i) revoke or jeopardize the status of any health facility license granted to Hospital or any Affiliate of Hospital;
- (ii) revoke or jeopardize the federal, state or local tax-exempt status of Hospital or any Affiliate of Hospital, or their respective tax-exempt financial obligations;
- (iii) prevent Contractor from being able to access and use the facilities of Hospital or any Affiliate of Hospital;
- (iv) constitute a violation of 42 U.S.C. Section 1395nn (commonly referred to as the Stark law) if Contractor referred patients to Hospital or any Affiliate of Hospital;
- (v) prohibit Hospital or any Affiliate of Hospital from billing for services provided to patients referred to by Contractor;
- (vi) subject Hospital or Contractor, or any Affiliate of Hospital, or any of their respective employees or agents, to civil or criminal prosecution (including any excise tax penalty under Internal Revenue Code Section 4958), on the basis of their participation in executing this Agreement or performing their respective obligations under this Agreement; or
- (vii) jeopardize Hospital’s full accreditation with any accrediting organization as Hospital designates from time to time.

(d) For the purposes of this Agreement, “**Affiliate**” shall mean any entity which, directly or indirectly, controls, is controlled by or is under common control with Hospital.

**5.5 Termination without Cause.** Either Party may terminate this Agreement without cause, expense or penalty, effective sixty (60) calendar days after written notice of termination is given to the other Party.

**5.6 Effect of Termination or Expiration.** Upon any termination or expiration of this Agreement:

(a) All rights and obligations of the Parties shall cease except: (i) those rights and obligations that have accrued and remain unsatisfied prior to the termination or expiration of this Agreement; (ii) those rights and obligations which expressly survive termination or expiration of this Agreement; and (iii) Contractor's obligation to continue to provide services to Hospital patients under Contractor's care at the time of expiration or termination of this Agreement, until the patient's course of treatment is completed or the patient is transferred to the care of another physician.

(b) Contractor shall not do anything or cause any other person to do anything that interferes with Hospital's efforts to engage any other person or entity for the provision of the Services, or interfere in any way with any relationship between Hospital and any other person or entity who may be engaged to provide the Services to Hospital.

(c) Contractor shall not have any right to a "fair hearing" or any other similar rights or procedures under the Medical Staff bylaws or otherwise.

(d) This Section 5.6 shall survive the expiration or termination for any reason of this Agreement.

**5.7 Return of Property.** Upon any termination or expiration of this Agreement, Contractor shall immediately return to Hospital all of Hospital's property, including Hospital's equipment, supplies, furniture, furnishings and patient records, which is in Contractor's possession or under Contractor's control.

**5.8 Termination or Amendment in Response to Reduction of Government Funding.** Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the County for services that are to be provided under this Agreement, County, in its sole and absolute discretion after consultation with the Contractor, may elect to terminate this Agreement by giving written notice of termination to Contractor effective immediately or on such other date as County specifies in the notice. Alternatively, County and Contractor may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

## **ARTICLE VI. GENERAL PROVISIONS**

**6.1 Amendment.** This Agreement may be modified or amended only by mutual written agreement of the Parties. Any such modification or amendment must be in writing, dated and signed by the Parties and attached to this Agreement.

**6.2 Assignment.** Except for assignment by Hospital to an entity owned, controlled by, or under common control with Hospital, neither Party may assign any interest or obligation under this Agreement without the other Party's prior written consent. Subject to the foregoing, this Agreement shall be binding on and shall inure to the benefit of the Parties and their respective successors and assigns.

**6.3 Compliance with HIPAA.** Contractor shall comply with the obligations under the Health Insurance Portability and Accountability Act of 1996 (42 U.S.C. § 1320d et seq.), as amended by the Health Information Technology for Economic and Clinical Health Act of 2009, and all rules and regulations promulgated thereunder (collectively, “HIPAA,” the obligations collectively referred to herein as “HIPAA Obligations”), as set forth in **Exhibit 6.3**. The HIPAA Obligations shall survive the expiration or termination of this Agreement for any reason.

**6.4 Compliance with Laws and Accreditation.** Contractor shall comply with all applicable laws, ordinances, codes and regulations of federal, state and local governments (collectively, “Laws”) applicable to Contractor, the provision of the Services, or the obligations of Contractor under this Agreement, including without limitation laws that require Contractor to disclose any economic interest or relationship with Hospital. Contractor shall perform and handle all patient transfers and reports in accordance with applicable Laws. Contractor shall take actions necessary to ensure that the Hospital is operated in accordance with: all requirements of a nationally recognized accrediting organization that Hospital designates from time to time, all applicable licensing requirements, and all other relevant requirements promulgated by any federal, state or local agency.

**6.5 Compliance with Medicare Rules.** To the extent required by law or regulation, Contractor shall make available, upon written request from Hospital, the Secretary of Health and Human Services, the Comptroller General of the United States, or any other duly authorized agent or representative, this Agreement and Contractor’s books, documents and records. Contractor shall preserve and make available such books, documents and records for a period of ten (10) years after the end of the term of this Agreement, or the length of time required by state or federal law. If Contractor is requested to disclose books, documents or records pursuant to this Section for any purpose, Contractor shall notify Hospital of the nature and scope of such request, and Contractor shall make available, upon written request of Hospital, all such books, documents or records. Contractor shall indemnify and hold harmless Hospital if any amount of reimbursement is denied or disallowed because of Contractor’s failure to comply with the obligations set forth in this Section. Such indemnity shall include, but not be limited to, the amount of reimbursement denied, plus any interest, penalties and legal costs. This Section shall survive the expiration or termination for any reason of this Agreement.

**6.6 Confidential Information.**

(a) During the term of this Agreement, Contractor may have access to and become acquainted with Trade Secrets and Confidential Information of Hospital. “**Trade Secrets**” includes information and data relating to payor contracts and accounts, clients, patients, patient groups, patient lists, billing practices and procedures, business techniques and methods, strategic plans, operations and related data. “**Confidential Information**” includes Trade Secrets and any information related to the past, current or proposed operations, business or strategic plans, financial statements or reports, technology or services of Hospital or any Affiliate that Hospital discloses or otherwise makes available in any manner to Contractor, or to which Contractor may gain access in the performance of the Services under this Agreement, or which Contractor knows or has reason to know is confidential information of Hospital or any Affiliate; whether such information is disclosed orally, visually or in writing, and whether or not bearing any legend or marking indicating that such information or data is confidential. By way of

example, but not limitation, Confidential Information includes any and all know-how, processes, manuals, confidential reports, procedures and methods of Hospital, any Hospital patient's individually identifiable health information (as defined under HIPAA), and any information, records and proceedings of Hospital and/or Medical Staff committees, peer review bodies, quality committees and other committees or bodies charged with the evaluation and improvement of the quality of care. Confidential Information also includes proprietary or confidential information of any third party that may be in Hospital's or any Affiliate's possession.

(b) Confidential Information shall be and remain the sole property of Hospital, and shall, as applicable, be proprietary information protected under the Uniform Trade Secrets Act. Contractor shall not use any Confidential Information for any purpose not expressly permitted by this Agreement, or disclose any Confidential Information to any person or entity, without the prior written consent of Hospital. Contractor shall protect the Confidential Information from unauthorized use, access, or disclosure in the same manner as Contractor protects his or her own confidential or proprietary information of a similar nature and with no less than reasonable care. All documents that Contractor prepares, or Confidential Information that might be given to Contractor in the course of providing Services under this Agreement, are the exclusive property of Hospital, and, without the prior written consent of Hospital, shall not be removed from Hospital's premises.

(c) Contractor shall return to Hospital all Confidential Information and all copies thereof in Contractor's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the written request of Hospital, or the termination or expiration of this Agreement. Contractor shall not copy, duplicate or reproduce any Confidential Information without the prior written consent of Hospital.

(d) This Section shall survive the expiration or termination of this Agreement.

**6.7 Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.

**6.8 Disclosure of Interests.** Contractor shall provide to Hospital, as requested by Hospital from time to time, information sufficient to disclose any ownership, investment or compensation interest or arrangement of Contractor, or any of Contractor's immediate family members, in any entity providing "designated health services" (as such term is defined in the Stark Law (42 U.S.C. Section 1395nn) and its regulations) or any other health care services. This Section shall not impose on Hospital any disclosure or reporting requirements or obligations imposed on Contractor under any governmental program or create an assumption of such disclosure obligations by Hospital. Contractor shall have the sole responsibility to fulfill any such federal and/or state reporting requirements or obligations.

**6.9 Dispute Resolution.** In the event of any dispute, controversy, claim or disagreement arising out of or related to this Agreement or the acts or omissions of the Parties with respect to this Agreement (each, a “**Dispute**”), the Parties shall resolve such Dispute as follows:

(a) **Meet and Confer.** The Parties shall, as soon as reasonably practicable, but in no case more than ten (10) days after one Party gives written notice of a Dispute to the other Party (the “**Dispute Notice**”), meet and confer in good faith regarding such Dispute at such time and place as mutually agreed upon by the Parties (the “**Meet and Confer**”). The obligation to conduct a Meet and Confer pursuant to this Section does not obligate either Party to agree to any compromise or resolution of the Dispute that such Party does not determine, in its sole and absolute discretion, to be a satisfactory resolution of the Dispute. The Meet and Confer shall be considered a settlement negotiation for the purpose of all applicable Laws protecting statements, disclosures or conduct in such context, and any offer in compromise or other statements or conduct made at or in connection with any Meet and Confer shall be protected under such Laws.

(b) **Arbitration.** If any Dispute is not resolved to the mutual satisfaction of the Parties within ten (10) business days after delivery of the Dispute Notice (or such other period as may be mutually agreed upon by the Parties in writing), the Parties shall submit such Dispute to arbitration conducted by Judicial Arbitration and Mediation Services, Inc. (“**JAMS**”), or other arbitration and/or mediation services company as agreed to by the Parties, in accordance with the following rules and procedures:

- (i) Each Party may commence arbitration by giving written notice to the other Party demanding arbitration (the “**Arbitration Notice**”). The Arbitration Notice shall specify the Dispute, the particular claims and/or causes of actions alleged by the Party demanding arbitration, and the factual and legal basis in support of such claims and/or causes of action.
- (ii) The arbitration shall be conducted in the County in which the Hospital is located and in accordance with the commercial arbitration rules and procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) to the extent such rules and procedures are not inconsistent with the provisions set forth in this Section. In the event of a conflict between any rules and/or procedures of JAMS (or other arbitration company as mutually agreed to by the Parties) and the rules and/or procedures set forth in this Section, the rules and/or procedures set forth in this Section shall govern.

- (iii) The arbitration shall be conducted before a single impartial retired member of the JAMS panel of arbitrators (or panel of arbitrators from such other arbitration company as mutually agreed to by the Parties) covering the County in which the Hospital is located (the “Panel”). The Parties shall use their good faith efforts to agree upon a mutually acceptable arbitrator within thirty (30) days after delivery of the Arbitration Notice. If the Parties are unable to agree upon a mutually acceptable arbitrator within such time period, then each Party shall select one arbitrator from the Panel, and those arbitrators shall select a single impartial arbitrator from the Panel to serve as arbitrator of the Dispute.
- (iv) The Parties expressly waive any right to any and all discovery in connection with the arbitration; provided, however, that each Party shall have the right to conduct no more than two (2) depositions and submit one set of interrogatories with a maximum of forty (40) questions, including subparts of such questions.
- (v) The arbitration hearing shall commence within thirty (30) days after appointment of the arbitrator. The substantive internal law (and not the conflict of laws) of the State shall be applied by the arbitrator to the resolution of the Dispute, and the Evidence Code of the State shall apply to all testimony and documents submitted to the arbitrator. The arbitrator shall have no authority to amend or modify the limitation on the discovery rights of the Parties or any of the other rules and/or procedures set forth in this Section. As soon as reasonably practicable, but not later than thirty (30) days after the arbitration hearing is completed, the arbitrator shall arrive at a final decision, which shall be reduced to writing, signed by the arbitrator and mailed to each of the Parties and their respective legal counsel.
- (vi) Any Party may apply to a court of competent jurisdiction for entry and enforcement of judgment based on the arbitration award. The award of the arbitrator shall be final and binding upon the Parties without appeal or review except as permitted by the Arbitration Act of the State.
- (vii) The fees and costs of JAMS (or other arbitration company as mutually agreed to by the Parties) and the arbitrator, including any costs and expenses incurred by the arbitrator in connection with the arbitration, shall be borne equally by the Parties, unless otherwise agreed to by the Parties.

- (viii) Except as set forth in Section 6.9(b)(vii), each Party shall be responsible for the costs and expenses incurred by such Party in connection with the arbitration, including its own attorneys' fees and costs; provided, however, that the arbitrator shall require one Party to pay the costs and expenses of the prevailing Party, including attorneys' fees and costs and the fees and costs of experts and consultants, incurred in connection with the arbitration if the arbitrator determines that the claims and/or position of a Party were frivolous and without reasonable foundation.

(c) **Waiver of Injunctive or Similar Relief.** The Parties hereby waive the right to seek specific performance or any other form of injunctive or equitable relief or remedy arising out of any Dispute, except that such remedies may be utilized for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Except as expressly provided herein, upon any determination by a court or by an arbitrator that a Party has breached this Agreement or improperly terminated this Agreement, the other Party shall accept monetary damages, if any, as full and complete relief and remedy, to the exclusion of specific performance or any other form of injunctive or equitable relief or remedy.

(d) **Injunctive or Similar Relief.** Notwithstanding anything to the contrary in this Section, the Parties reserve the right to seek specific performance or any other form of injunctive relief or remedy in any state or federal court located within the County in which the Hospital is located for purposes of enforcing this Section and sections governing Confidential Information, Compliance with HIPAA, Compliance with Laws and Accreditation and Compliance with Medicare Rules of this Agreement. Contractor hereby consents to the jurisdiction of any such court and to venue therein, waives any and all rights under the Laws of any other state to object to jurisdiction within the State, and consents to the service of process in any such action or proceeding, in addition to any other manner permitted by applicable Law, by compliance with the notices provision of this Agreement. The non-prevailing Party in any such action or proceeding shall pay to the prevailing Party reasonable fees and costs incurred in such action or proceeding, including attorneys' fees and costs and the fees and costs of experts and consultants. The prevailing Party shall be the Party who is entitled to recover its costs of suit (as determined by the court of competent jurisdiction), whether or not the action or proceeding proceeds to final judgment or award.

(e) **Survival.** This Section shall survive the expiration or termination of this Agreement.

**6.10 Entire Agreement.** This Agreement is the entire understanding and agreement of the Parties regarding its subject matter, and supersedes any prior oral or written agreements, representations, understandings or discussions between the Parties. No other understanding between the Parties shall be binding on them unless set forth in writing, signed and attached to this Agreement.

**6.11 Exhibits.** The attached exhibits, together with all documents incorporated by reference in the exhibits, form an integral part of this Agreement and are incorporated into this Agreement wherever reference is made to them to the same extent as if they were set out in full at the point at which such reference is made.

**6.12 Force Majeure.** Neither Party shall be liable for nonperformance or defective or late performance of any of its obligations under this Agreement to the extent and for such periods of time as such nonperformance, defective performance or late performance is due to reasons outside such Party's control, including acts of God, war (declared or undeclared), terrorism, action of any governmental authority, civil disturbances, riots, revolutions, vandalism, accidents, fire, floods, explosions, sabotage, nuclear incidents, lightning, weather, earthquakes, storms, sinkholes, epidemics, failure of transportation infrastructure, disruption of public utilities, supply chain interruptions, information systems interruptions or failures, breakdown of machinery or strikes (or similar nonperformance, defective performance or late performance of employees, suppliers or subcontractors); provided, however, that in any such event, each Party shall use its good faith efforts to perform its duties and obligations under this Agreement.

**6.13 Governing Law.** This Agreement shall be construed in accordance with and governed by the laws of the State.

**6.14 Headings.** The headings in this Agreement are intended solely for convenience of reference and shall be given no effect in the construction or interpretation of this Agreement.

**6.15 Litigation Consultation.** Contractor shall not accept consulting assignments or otherwise contract, agree, or enter into any arrangement to provide expert testimony or evaluation on behalf of a plaintiff in connection with any claim against Hospital or any Affiliate named, or expected to be named as a defendant. Contractor shall not accept similar consulting assignments if (a) the defendants or anticipated defendants include a member of the medical staff of Hospital or any Affiliate, and (b) the matter relates to events that occurred at Hospital or any Affiliate; provided, however, the provisions of this Section shall not apply to situations in which Contractor served as a treating physician.

**6.16 Master List.** The Parties acknowledge and agree that this Agreement, together with any other contracts between Hospital and Contractor, will be included on the master list of physician contracts maintained by Hospital.

**6.17 Meaning of Certain Words.** Wherever the context may require, any pronouns used in this Agreement shall include the corresponding masculine, feminine, or neuter forms, and the singular form of nouns shall include the plural and vice versa. Unless otherwise specified: (i) "days" shall be considered "calendar days;" (ii) "months" shall be considered "calendar months;" and (iii) "including" means "including, without limitation" in this Agreement and its exhibits and attachments.

**6.18 No Conflicting Obligations.** Contractor represents and warrants that the execution and delivery of this Agreement and the performance of his or her obligations hereunder do not and will not: (a) present a conflict of interest or materially interfere with the performance of Contractor's duties under any other agreement or arrangement; or (b) violate, conflict with, or result in a breach of any provision of, or constitute a default (or an event which, with notice and/or lapse of time, would constitute a default) under, terminate, accelerate the performance required by, or result in a right of termination or acceleration under any of the terms, conditions or provisions of any other agreement, indebtedness, note, bond, indenture, security or pledge agreement, license, franchise, permit, or other instrument or obligation to which Contractor is a party or by which Contractor is bound. Contractor shall immediately inform Hospital of any other agreements to which Contractor is a party that may present a conflict of interest or materially interfere with performance of Contractor's duties under this Agreement.

**6.19 No Third Party Beneficiary Rights.** The Parties do not intend to confer and this Agreement shall not be construed to confer any rights or benefits to any person, firm, group, corporation or entity other than the Parties.

**6.20 Notices.** All notices or communications required or permitted under this Agreement shall be given in writing and delivered personally or sent by United States registered or certified mail with postage prepaid and return receipt requested or by overnight delivery service (e.g., Federal Express, DHL). Notice shall be deemed given when sent, if sent as specified in this Section, or otherwise deemed given when received. In each case, notice shall be delivered or sent to:

If to Hospital, addressed to:

NATIVIDAD MEDICAL CENTER  
1441 Constitution Blvd., Bldg. 300  
Salinas, California 93906  
Attention: \* Deputy Purchasing Agent

If to Contractor, addressed to:

NATHANIEL UCHTMANN, M.D.  
47 Boronda Road  
Carmel Valley, CA 9924

**6.21 Participation in Federal Health Care Programs.** Contractor hereby represents that Contractor is not debarred, suspended, excluded or otherwise ineligible to participate in any Federal Health Care Program.

**6.22 Representations.** Each Party represents with respect to itself that: (a) no representation or promise not expressly contained in this Agreement has been made by any other Party or by any Parties' agents, employees, representatives or attorneys; (b) this Agreement is not being entered into on the basis of, or in reliance on, any promise or representation, expressed or implied, other than such as are set forth expressly in this Agreement; and (c) Party has been represented by legal counsel of Party's own choice or has elected not to be represented by legal counsel in this matter.

**6.23 Severability.** If any provision of this Agreement is determined to be illegal or unenforceable, that provision shall be severed from this Agreement, and such severance shall have no effect upon the enforceability of the remainder of this Agreement.

**6.24 Statutes and Regulations.** Any reference in this Agreement to any statute, regulation, ruling, or administrative order or decree shall include, and be a reference to any successor statute, regulation, ruling, or administrative order or decree.

**6.25 Waiver.** No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. Any waiver granted by a Party must be in writing to be effective, and shall apply solely to the specific instance expressly stated.

## Exhibit 1.2

### **TEACHING SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. supervise patient care in a constructive and supportive way;
2. demonstrate effective interviewing, physical examination, procedures, use of diagnostic and therapeutic interventions, and medical records documentation;
3. create a professional role model; and
4. evaluate resident performance in a meaningful, objective fashion.

### Exhibit 1.3

#### **ADDITIONAL SERVICES TO BE PROVIDED BY CONTRACTOR**

Contractor shall:

1. provide teaching, educational or training services, as reasonably requested by Hospital;
2. participate in utilization review programs, as reasonably requested by Hospital;
3. participate in risk management, quality assurance and peer review programs, as reasonably requested by Hospital;
4. accept third party insured patients and referrals of patients which are made by members of the Medical Staff, subject only to the limitations of scheduling and Contractor's professional qualifications;
5. assist Hospital in monitoring and reviewing the clinical performance of health care professionals who provide services to Hospital's patients; including reviewing incident reports and patient satisfaction studies relevant to the Specialty, and assisting Hospital in implementing any necessary corrective actions to address any issues identified during the course of such review;
6. assist in monitoring the performance of those professionals who are not meeting Hospital quality and/or performance standards, including, without limitation, direct observation of the provision of care by such professionals, and in disciplining any professionals who continue poor performance, recognizing that the Hospital Board of Directors is ultimately responsible for maintaining the standards of care provided to patients;
7. assist Hospital management with all preparation for, and conduct of, any inspections and on-site surveys of Hospital conducted by governmental agencies or accrediting organizations;
8. cooperate with Hospital in all litigation matters affecting Contractor or Hospital, consistent with advice from Contractor's legal counsel;
9. cooperate and comply with Hospital's policies and procedures which are pertinent to patient relations, quality assurance, scheduling, billing, collections and other administrative matters and cooperate with Hospital's efforts to bill and collect fees for services rendered to Hospital's patients. All business transactions related to the Services provided by Contractor, such as enrollment, verification and billings, shall be conducted by and in the name of Hospital; and
10. assist Hospital in developing, implementing and monitoring a program by which quality measures are reportable to Hospital with respect to the Specialty.

Exhibit 1.13

**MEDICAL STAFF POLICY**

<b>Title:</b> Practitioner Code of Conduct	<b>Effective:</b> 05/09 <b>Reviewed/Revised:</b> 08/11
<b>Standard:</b> MSP004-2	<b>Approved:</b> MEC 08/11 BOT 09/11

As a member of the Medical Staff or an Allied Health Professional (AHP) of Natividad Medical Center (NMC) (collectively Practitioners), I acknowledge that the ability of Practitioners and NMC employees to jointly deliver high quality health care depends significantly upon their ability to communicate well, collaborate effectively, and work as a team. I recognize that patients, family members, visitors, colleagues and NMC staff members must be treated in a dignified and respectful manner at all times.

**POLICY**

In keeping with the accepted standards of the health care profession as evidenced by the Hippocratic Oath, the Code of Ethics of the American Medical Association (AMA) and other professional societies, and the values of NMC, Practitioners are leaders in maintaining professional standards of behavior. In keeping with this responsibility to maintain professional standards of behavior at NMC, Practitioners:

1. Facilitate effective patient care by consistent, active, and cooperative participation as members of the NMC health care team.
2. Recognize the individual and independent responsibilities of all other members of the NMC health care team and their right to independently advocate on behalf of the patient.
3. Maintain respect for the dignity and sensitivities of patients and families, as well as colleagues, NMC employees, and all other health care professionals.
4. Participate in the Medical Staff quality assessment and peer review activities, and in organizational performance improvement activities.
5. Contribute to the overall educational mission of NMC.
6. Reflect positively upon the reputation of the health care profession, the Medical Staff, and NMC in their language, action, attitude, and behavior.

Behaviors of Practitioners which do not meet the professional behavior standards established in this Code of Conduct (Code) shall be referred to as Disruptive or Unprofessional Behavior. Disruptive or Unprofessional Behavior by Practitioners exhibited on the premises of NMC, whether or not the Practitioner is on duty or functioning in his/her professional capacity, are subject to this Code.

### **EXAMPLES OF PROFESSIONAL BEHAVIOR**

Practitioners are expected to exhibit professional behavior at NMC, consistent with this Code, as follows:

1. Be consistently available with cooperative and timely responsiveness to appropriate requests from physicians, nurses, and all other members of the NMC health care team in patient care and other professional responsibilities.
2. Provide for and communicate alternate coverage arrangements to assure the continuity and quality of care.
3. Demonstrate language, action, attitude and behavior which consistently convey to patients, families, colleagues, and all other members of the NMC health care team a sense of compassion and respect for human dignity.
4. Understand and accept individual cultural differences.
5. Maintain appropriate, timely, and legible medical record entries which enable all NMC professionals to understand and effectively participate in a cohesive plan of management to assure continuity, quality, and efficiency of care and effective post-discharge planning and follow-up.
6. Respect the right of patients, families or other designated surrogates to participate in an informed manner in decisions pertaining to patient care.
7. Treat patients and all persons functioning in any capacity within NMC with courtesy, respect, and human dignity.
8. Conduct one's practice at NMC in a manner that will facilitate timely commencement of medical/surgical procedures at NMC, including but not limited to, timely arrival at the hospital, pre-ordering all needed special equipment and/or supplies, and timely notification of required staff.

### **EXAMPLES OF DISRUPTIVE OR UNPROFESSIONAL BEHAVIOR**

Disruptive or Unprofessional Behavior, as characterized in this Code, includes but is not limited to:

1. Misappropriation or unauthorized removal or possession of NMC owned property.
2. Falsification of medical records, including timekeeping records and other NMC documents.

3. Working under the influence of alcohol or illegal drugs.
4. Working under the influence of prescription or over-the-counter medications when use of such medications significantly affects the practitioner's level of cognitive functioning.
5. Possession, distribution, purchase, sale, transfer, transport or use of illegal drugs in the workplace.
6. Possession of dangerous or unauthorized materials such as explosives, firearms, or other weapons in the workplace.
7. Writing derogatory and/or accusatory notes in the medical record which are not necessary for the provision of quality patient care services. Concerns regarding the performance of other Practitioners or NMC employees should be reported on a NMC Quality Review Report form and submitted pursuant to NMC policy and should not be entered into the patient's medical record.
8. Harassment
  - a. Harassment is verbal or physical contact that denigrates or shows hostility or aversion toward an individual based on race, religion, color, national origin, ancestry, age, disability, marital status, gender, sexual orientation, or any other basis protected by federal, state, or local law or ordinance, and that:
    1. Has the purpose or effect of creating an intimidating, hostile, or offensive working environment, or;
    2. Has the purpose or effect of unreasonably interfering with an individual's work performance, or;
    3. Otherwise adversely affects an individual's employment opportunity.
  - b. Harassing conduct includes, but is not limited to:
    1. Epithets, slurs, negative stereotyping, threatening, intimidating, or hostile acts that relate to race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation.
    2. Written material or illustrations that denigrate or show hostility or aversion toward an individual or group because of race, religion, color, national origin, ancestry, age, disability, marital status, gender, or sexual orientation, and is placed on walls; bulletin boards, or elsewhere on NMC's premises or circulated in the workplace.
9. Physical behavior that is harassing, intimidating, or threatening, from the viewpoint of the recipient, including touching, obscene or intimidating gestures, or throwing of objects;

10. Passive behaviors, such as refusing to perform assigned tasks or to answer questions, return phone calls, or pages;
11. Language that is a reasonable adult would consider to be foul, abusive, degrading, demeaning, or threatening, such as crude comments, degrading jokes or comments, yelling or shouting at a person, or threatening violence or retribution;
12. Single incident of egregious behavior, such as an assault or other criminal act.
13. Criticism of NMC staff in front of patients, families, or other staff.

### **PROCEDURE**

1. Any person who functions in any capacity at NMC who observes Practitioner language, action, attitude, or behavior which may be unprofessional, harassing, or disruptive to the provision of quality patient care services should document the incident on a NMC Quality Review Report form.
2. Identified incidents involving Practitioners shall be reviewed pursuant to the current Road Map for Handling Reports of Disruptive or Unprofessional Behavior or the County Sexual Harassment Policy, as determined by the nature of the behavior and the person who exhibits it.

I acknowledge that I have received and read this Practitioner Code of Conduct. I acknowledge that hospitals are required to define and address disruptive and inappropriate conduct to comply with The Joint Commission standards for accreditation. I agree to adhere to the guidelines in this Code and conduct myself in a professional manner. I further understand that failure to behave in a professional fashion may result in disciplinary actions set forth in the RoadMap for Handling Reports of Disruptive or Unprofessional Behavior or as determined by the Medical Executive Committee pursuant to the Medical Staff Bylaws.

**Exhibit 2.1**

**COMPENSATION**

1. **Professional Services.** Hospital shall pay to Contractor the amount of One Hundred Dollars (\$100) per hour for those Professional Services rendered by Contractor under this Agreement; provided, however, that Contractor is in compliance with the terms and conditions of this Agreement.

2. **Professional Liability Reimbursement.** In the event that Contractor does not purchase the professional liability insurance set forth in the Agreement, Hospital will deduct Six Dollars and Fifty Four Cents (\$6.54) per 24-hour shift worked by Contractor to compensate for Hospital's payment of professional liability insurance premiums on behalf of Contractor.

3. **Timing.** Hospital shall pay the compensation due for Professional Services performed by Contractor after Contractor's submission of the monthly invoice of preceding month's activity and time report in accordance with this Agreement; provided, however, that if Contractor does not submit an invoice and time sheet within sixty (60) days of the end of the month during which Professional Services were performed, Hospital shall not be obligated to pay Contractor for Professional Services performed during that month. The County of Monterey Standard Payment Terms for contracts/PSAs and paying invoices is "30 days after receipt of the certified invoice in the Auditor-Controller's Office".

#### **BUSINESS ASSOCIATE AGREEMENT**

This Business Associate Agreement (“Agreement”), effective July 1, 2019 (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of Natividad Medical Center (“Covered Entity”) and Nathaniel Uchtmann, M.D. (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

#### **1. DEFINITIONS**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

## 2. PERMITTED USES AND DISCLOSURES OF PHI

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law , or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

## 3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

- (h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;
- (i) if all or any portion of the PHI is maintained in a Designated Record Set:
  - (i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and
  - (ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;
- (j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;
- (k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;
- (l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

- (a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;
- (b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### 4. TERMS AND TERMINATION

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. MISCELLANEOUS

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County's reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys' fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

**Introduced:** 8/1/2022

**Current Status:** Natividad Medical Center -  
Consent

**Version:** 1

**Matter Type:** BoS Agreement

Ratify execution by the Chief Executive Officer for Natividad Medical Center (NMC) a Memorandum of Understanding (MOU) with Salinas Union High School District for the provision by NMC personnel of on-site sports physicals for student athletes of the school district, for no exchange of money, and with an agreement term August 4, 2022 through June 1, 2023.

### **RECOMMENDATION:**

#### **It is recommended the Board of Supervisors:**

Ratify execution by the Chief Executive Officer for Natividad Medical Center (NMC) a Memorandum of Understanding (MOU) with Salinas Union High School District for the provision by NMC personnel of on-site sports physicals for student athletes of the school district, for no exchange of money, and with an agreement term August 4, 2022 through June 1, 2023.

### **SUMMARY/DISCUSSION:**

Natividad's Family Medicine Residency Program has partnered with the Salinas Union High School District to provide pre-participation screenings, also known as sports physicals, for its student athletes at no cost to the school district.

This event is mutually beneficial for Natividad and the Salinas Union High School District. Our Natividad Family Medicine residents gain sports medicine experience under the supervision of our Residency faculty, and the high school students get access to on-site pre-participation athletic screenings. Many of these students have working parents who have difficulty bringing them to an extra doctor's appointment for this required preparticipation screening, so this improves their access to healthy physical activity through participation in school sports programs. It also provides an opportunity to identify health concerns and bring them to the attention of the student's parent and primary care physician.

### **OTHER AGENCY INVOLVEMENT:**

The Office of County Counsel has reviewed and approved this MOU as to form. The MOU has also been reviewed and approved by NMC's Finance Committee and by its Board of Trustees on August 12, 2022.

**FINANCING:**

There is no cost associated with this MOU.

**BOARD OF SUPERVISORS STRATEGIC INITIATIVES:**

Natividad is offering sports physicals to local students which ensures they are physically capable of participating in sports in a safe manner.

Services shall be conducted specifically at the Locker Rooms of the High Schools designated on the Site Map at Exhibit B.
6. COUNTY Responsibilities. COUNTY shall be responsible for all of the following:
  - a. Ensuring all Services are provided by appropriately licensed and trained health care professionals, including Nurse Practitioners/Physician Assistants, Registered Nurses, and Medical Assistants;
  - b. Employing, supervising, and paying all COUNTY staff necessary to provide the sports physicals, who will at all times be employees or independent contractors of COUNTY and governed by applicable COUNTY personnel rules and regulations;
  - c. Providing all equipment and supplies necessary for the performance of the sports physicals and for COUNTY's operations in the Office, as appropriate;
  - d. Properly disposing of all regular, medical, and hazardous waste at the end of each day of Service;
  - e. Designating an COUNTY staff member to serve as the liaison between COUNTY and the District;
  - f. Notifying the District as soon as possible if COUNTY cannot provide the sports physical;
  - g. Coordinating scheduling and advertisement of Services with the District to complement outreach conducted by the District to inform the community of the sports physicals.
7. District Responsibilities.
  - a. Providing appropriate facilities to accommodate the sports physicals
  - b. Designating a District staff member to serve as the liaison between the District and COUNTY who will be present on District property during the sports physical and who will be responsible for communication, coordination, and interaction with COUNTY employees.
8. Termination. Either Party may terminate this MOU at any time without cause on thirty (30) days' prior written notice to the other Party.
9. Operation and Management of the Sports Physicals
  - a. COUNTY will be responsible for obtaining all required permits, and for complying with all federal, state, and local laws and regulations application to the provision of the Services, whether such laws and requirements are now in force or hereinafter enacted.
  - b. COUNTY will pay all costs associated with the sports physical including, without limitation, the hiring and employment of the employees and independent contractors, the processing of payroll, tax payments, workers' compensation insurance or self-insurance, group health insurance benefits, accounting and wage reporting services for sports physical employees, and the preparation of all legally required reports to funding sources, and the like.

- c. COUNTY's responsibility for the sports physical shall also include the collection, maintenance, and provision of all statistical information, demographics, and information required to be gathered, maintained, or submitted regarding the sports physical.
- d. The District will have no responsibility for patients' unpaid bills, for any part of the operation of the sports physical, or for any costs or expenses related thereto.

10. Damage or Destruction of District Property. COUNTY shall be responsible for repairing or replacing any District property damaged or destroyed by COUNTY officers, agents, employees, contractors, subcontractors, consultants and invitees (collectively, "COUNTY Users"). For purposes of this Section, "District property" means all real property, personal property, equipment, fixtures, or facilities owned or operated by the District. Repair or replacement of District property shall be performed to District standards, in a reasonable amount of time.

11. Qualifications and Employment of Providers. Immunizations and Tuberculosis Testing. COUNTY represents and warrants that every COUNTY employee and health professional that COUNTY assigns, directs, or employs to provide sports physicals has completed a background check, and has received all other required medical and background clearances, immunizations, and tuberculosis testing in accordance with COUNTY policies and procedures.

12. Student Access: Authorization for Services. Except where applicable law authorizes confidential medical services, parents or legal guardians must provide written authorization for the provision of all Services to minor children. With the exception of routine vision and other health screenings, for which such written authorization is deemed sufficient, parents or legal guardians of minor children must be present when all Services are rendered.

13. HIPAA: Access to Student Records. The Parties agree that the District is not a "business associate" of COUNTY pursuant to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"). The District will not be performing or assisting in the performance of covered HIPAA functions on behalf of COUNTY. There will be no exchange of individually identifiable health information between COUNTY and the District. With that understanding the Parties agree that they shall comply with all HIPAA privacy regulations, including but not limited to those set forth in 45 CFR Parts 160 and 164, and also with all applicable California privacy laws. Other than directory information, COUNTY shall not have access to any education records as defined in the Family Educational Rights and Privacy Act of 1974 ("FERPA") or pupil records as defined in Education Code section 4900 *et seq.*, maintained by the District, without written consent of parent or legal guardian.

14. Indemnification.

- a. Unless expected or otherwise relieved from liability under the terms of this MOU, COUNTY shall hold harmless, defend and indemnify the District, its agents, officers, Board of Trustees, members or its Board of Trustees, agents, and employees from and against any liability, claims, actions, costs, damages or losses of any kind, including without limitation; death or injury to any person and/or damage to property, including District property; any alleged or actual breach of HIPAA or other laws governing the

privacy and confidentiality of medical records; alleged or actual medical malpractice; or negligent patient are arising from, or in connection with any negligent acts or omissions or any intentional misconduct of COUNTY or its agents, officers, employees, subcontractor, or licensees related to the performance of this MOU or the provision of any Services rendered pursuant to this MOU. This indemnification specifically includes any claims brought against the District by any taxing authority asserting that an employer-employee relationship exists by reason of this MOU, and any claims brought against the District by any County employee alleging civil rights violations by COUNTY under Government Code section 12920 *et seq.*, California Fair Employment and Housing Act or Title VII of the Federal Civil Rights Act. This indemnification obligation shall continue beyond the term of this MOU as to any acts or omissions occurring under this MOU or any extension or renewal of this MOU.

- b. Unless excepted or otherwise relieved from liability under the terms of this MOU, the District shall hold harmless, defend and indemnify COUNTY, its Board Members, agents, officers, and employees from and against any liability, claims, actions, costs, damages or losses of any kind, including without limitation; death or injury to any person and/or damage to property, including COUNTY property, arising from, or in connection with, any negligent acts or omissions, or any intentional misconduct of the District or its officers, employees, agents, subcontractors, and licensees arising from the performance of this MOU. This indemnification obligation shall continue beyond the term of this MOU as to any acts or omissions occurring under this MOU or any extension of this MOU. This indemnification obligation specifically includes any claims brought against COUNTY for violation of FERPA or Education Code section 4900 *et seq.*,

15. Independent Contractor. In COUNTY's performance of its duties and obligations under this MOU, it is mutually understood and agreed by the Parties that COUNTY is at all times acting and performing as an independent contractor and that COUNTY is free from the control and direction of District in connection with COUNTY's performance of the Services. The Parties further understand and agree that COUNTY and its employees, agents, and representatives shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

16. Insurance. COUNTY shall maintain in force, at all times during the Initial Term or any Renewal Term of this MOU, commercial, automobile, Workers' Compensation and Employee's Liability, hospital professional (medical malpractice) liability insurance, abuse and molestation insurance, and employer's and director's liability insurance or programs of self-insurance, in the amount, manner and form set forth in **Exhibit C**. COUNTY shall to the extent required by law, provide Workers' Compensation and Employee's Liability insurance at COUNTY's own cost and expense, and neither COUNTY, nor its carrier shall be entitled to recover from the District any costs, settlements, or expenses of Workers' Compensation or Employer's Liability claims

arising out of this MOU, except when and only to the extent such claims are the result of District negligence.

16. No Monetary Compensation. It is expressly understood that COUNTY is providing Services to the Salinas Valley community, including District students, families, and staff, at no charge to the District.

17. Signage. COUNTY shall not place any signage on District premises or grounds without prior written consent of the District, which shall not be unreasonably withheld or delayed.

18. Limitations on Use.

- a. COUNTY shall comply with all federal, state, local and District laws, statutes, codes, ordinances, rules, regulations, policies and requirements ("Law") regarding the use of District facilities and grounds and the provision of Services under this MOU.
- b. COUNTY shall not use, permit, or allow District facilities or grounds to be used, occupied or improved under this MOU in any manner or for any purpose that is in any way in violation of any Law.
- c. COUNTY will not permit the possession or consumption of alcohol or the use of tobacco products in any District facilities or grounds.

19. Advertising. No Party shall use the other Party's name or logo in any descriptive or promotional literature or communication of any kind without the other Party's prior written consent. COUNTY expressly agrees that it shall not, without prior written authorization use any photographs of District students or of any District property in any descriptive or promotional literature or communication of any kind.

20. Notices. Any notice, demand, approval, consent, or other communication between the Parties will be provided to the following addresses:

21. Miscellaneous Provisions.

- a. Amendments. This MOU may be modified or amended only by the written consent of the Parties.
- b. Assignment/Subcontracting. Unless otherwise provided in this MOU, no part of this MOU may be assigned or subcontracted by either Party without the prior written consent of the other Party.
- c. Governing Law; Venue. This MOU shall be governed by and interpreted under the laws of the State of California applicable to instruments, persons, transactions and subject matter which have legal contacts and relationships exclusively within the State of California. Any action or proceeding seeking any relief under or with respect to this MOU shall be brought solely in the Superior Court of the State of California for Monterey county, subject to any transfer of venue as required by law.
- d. Entire Agreement. This MOU constitutes the entire agreement between the Parties with respect to the subject matter hereof, and no prior agreement, statement, promise, or representation made by any party, employee, officer, or agent which is not contained herein shall be binding or valid.
- e. Severability. If any provision of this MOU shall for any reason and to any extent be deemed invalid or unenforceable, the remainder of this MOU and application of such provisions to other persons or circumstances shall remain valid and enforceable to the fullest extent of the law.
- f. Assurances of Non-Discrimination. COUNTY shall not unlawfully discriminate in employment or in the provision of the Services on the basis of any characteristic or condition upon which discrimination is prohibited by state or federal law or regulation applicable to COUNTY.
- g. Execution in Counterparts. This MOU may be executed in counterparts such that the signatures may appear on separate pages. A copy, or an original, with all signatures appended together shall be deemed a fully executed agreement. Signatures transmitted by facsimile shall be deemed original signatures.
- h. Warrant of Authority. Each of the persons signing this MOU represents and warrants that such person has been duly authorized to sign this MOU on behalf of the Party indicated, and each of the Parties by signing this MOU warrants and represents that such Party is legally authorized and entitled to enter into this MOU.

- i. Effective upon Board Approval or Ratification. This MOU shall not be effective unless or until approved or ratified by the Salinas Union High School District Board of Trustees and the County of Monterey Board of Supervisors.

The Parties hereto have executed this MOU on the date last set forth below.

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

**Legistar File Number: A 22-415**

**August 23, 2022**

**Introduced:** 7/14/2022

**Current Status:** Health Department -  
Consent

**Version:** 1

**Matter Type:** BoS Agreement

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 2 to Mental Health Services Agreement A-15270 between the County of Monterey and Harmony at Home retroactive to July 1, 2022, for the provision of Prevention and Early Intervention Youth based teen success program, bullying prevention and intervention services which increases FY 2022-23 funding amount by \$264,000, and extends terms by one year and adds \$430,120 for FY 2023-24, for a new total Agreement amount not to exceed \$1,026,360 for the full-term of July 1, 2021 through June 30, 2024.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 2 to Mental Health Services Agreement A-15270 between the County of Monterey and Harmony at Home retroactive to July 1, 2022, for the provision of Prevention and Early Intervention Youth based teen success program, bullying prevention and intervention services which increases FY 2022-23 funding amount by \$264,000, and extends terms by one year and adds \$430,120 for FY 2023-24, for a new total Agreement amount not to exceed \$1,026,360 for the full-term of July 1, 2021 through June 30, 2024.

### SUMMARY/DISCUSSION:

As part of the Monterey County Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs, the County currently has Agreement A-15270 with Harmony at Home (HAH) to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, this amendment is retroactive to July 1, 2022, adds \$694,120 for FYs 2022-24 and extends the term of the agreement to June 30, 2024.

HAH's proposal consists of the expansion of their Teen Success Program to serve young mothers who become pregnant as teens and their children residing in South Monterey County. The goals for the program participants are: 1) complete high school and post-secondary education; and 2) develop the knowledge and skills to nurture their child's positive development. These goals are accomplished by a comprehensive array of services and supports focusing on the following: 1) educational navigation; 2) early childhood development; and 3) financial well-being, and health and wellness. This proposed Amendment No. 2 provides funds to serve an additional young mothers and their children by the end of FY 2023-24.

HAH has also added the Bullying Prevention (BP) program to educate the entire student body at designated school sites on different bullying prevention strategies in the form of staff and refresher trainings. The goal for this program is to: 1) help create an Anti-Bullying culture on every school campus by having a BP Coach/Specialist present; 2) bring the Upstander mentality to all students and faculty on campus; 3) educate teachers and staff on how to create safe bullying free classrooms; and 4) increase awareness amongst students and their families about bullying behaviors and tendencies. These goals are accomplished by providing a BP Coach/Specialist to: 1) provide training year- round at each of the four (4) Monterey County Behavioral Health designated schools; 2) help create/facilitate a Student Led Assembly; 3) coordinate with administrative school staff on dates to present the Student Led Assembly; 4) be present on campus for the full school day to provide support with on-the-spot interventions, classroom meetings, de-escalations and teacher coaching sessions; and 5) provide information on all things regarding bullying prevention and to collaborate with staff and campus counselors if a referral is to be made for bullying behaviors.

This proposed Amendment No. 2 provides funds to serve up to 800 students, 45 teachers, and 45 school administrative staff by the end of FY 2022-2024.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goal: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and Auditor-Controller have reviewed and approved this Amendment as to legal form and fiscal provisions, respectively.

FINANCING:

This Agreement is funded by Mental Health Services Act Prevention and Early Intervention funds. The funds for FY 2022-23 (\$264,000) have been included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2022-23 Adopted Budget. Funds for FY 2023-24 (\$430,120) will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Requested Budget.

Agreement

# Monterey County

**Item No.**

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

**Legistar File Number: A 22-415**

**August 23, 2022**

**Introduced:** 7/14/2022

**Current Status:** Agenda Ready

**Version:** 1

**Matter Type:** BoS Agreement

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 2 to Mental Health Services Agreement A-15270 between the County of Monterey and Harmony at Home retroactive to July 1, 2022, for the provision of Prevention and Early Intervention Youth based teen success program, bullying prevention and intervention services which increases FY 2022-23 funding amount by \$264,000, and extends terms by one year and adds \$430,120 for FY 2023-24, for a new total Agreement amount not to exceed \$1,026,360 for the full-term of July 1, 2021 through June 30, 2024.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 2 to Mental Health Services Agreement A-15270 between the County of Monterey and Harmony at Home retroactive to July 1, 2022, for the provision of Prevention and Early Intervention Youth based teen success program, bullying prevention and intervention services which increases FY 2022-23 funding amount by \$264,000, and extends terms by one year and adds \$430,120 for FY 2023-24, for a new total Agreement amount not to exceed \$1,026,360 for the full-term of July 1, 2021 through June 30, 2024.

SUMMARY/DISCUSSION:

As part of the Monterey County Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs, the County currently has Agreement A-15270 with Harmony at Home (HAH) to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, this amendment is retroactive to July 1, 2022, adds \$694,120 for FYs 2022-24 and extends the term of the agreement to June 30, 2024.

HAH's proposal consists of the expansion of their Teen Success Program to serve young mothers who become pregnant as teens and their children residing in South Monterey County. The goals for the program participants are: 1) complete high school and post-secondary education; and 2) develop the knowledge and skills to nurture their child's positive development. These goals are accomplished by a comprehensive array of services and supports focusing on the following: 1) educational navigation; 2) early childhood development; and 3) financial well-being, and health and wellness. This proposed Amendment No. 2 provides funds to serve an additional young mothers and their children by the end of FY 2023-24.

HAH has also added the Bullying Prevention (BP) program to educate the entire student body at designated school sites on different bullying prevention strategies in the form of staff and refresher trainings. The goal for this program is to: 1) help create an Anti-Bullying culture on every school campus by having a BP Coach/Specialist present; 2) bring the Upstander mentality to all students and faculty on campus; 3) educate teachers and staff on how to create safe bullying free classrooms; and 4) increase awareness amongst students and their families about bullying behaviors and tendencies. These goals are accomplished by providing a BP Coach/Specialist to: 1) provide training year-round at each of the four (4) Monterey County Behavioral Health designated schools; 2) help create/facilitate a Student Led Assembly; 3) coordinate with administrative school staff on dates to present the Student Led Assembly; 4) be present on campus for the full school day to provide support with on-the-spot interventions, classroom meetings, de-escalations and teacher coaching sessions; and 5) provide information on all things regarding bullying prevention and to collaborate with staff and campus counselors if a referral is to be made for bullying behaviors.

This proposed Amendment No. 2 provides funds to serve up to 800 students, 45 teachers, and 45 school administrative staff by the end of FY 2022-2024.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goal: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel and Auditor-Controller have reviewed and approved this Amendment as to legal form and fiscal provisions, respectively.

FINANCING:

This Agreement is funded by Mental Health Services Act Prevention and Early Intervention funds. The funds for FY 2022-23 (\$264,000) have been included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2022-23 Adopted Budget. Funds for FY 2023-24 (\$430,120) will be included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2023-24 Requested Budget.

**PROGRAM 1: STICK & STONES® SCHOOL-BASED COUNSELING PROGRAM**

**I. IDENTIFICATION OF PROVIDER**

Harmony At Home  
3785 Via Nona Marie #300 Carmel, CA 93923  
831-625-5160

Incorporation Status: Non-profit  
Type of Program: School-based  
Type of License(s): Marriage Family Therapy (MFT), MFT Intern, Licensed Clinical Social Worker (LCSW), Associate in Social Work Intern, and Pupil Personnel Services Credential Interns, supervised by MFT's & LCSW's

**II. POPULATION OF FOCUS**

Monterey County school-aged children who have been exposed to Adverse Childhood Experiences (ACES) and other trauma that impacts their mental health and wellbeing.

**III. PROGRAM DESCRIPTION**

A. The Sticks & Stones® School-Based Counseling Program is a prevention program for children exposed to violence and trauma in Monterey County. Harmony at Home's (HAH) mission is "to end the cycles of violence and abuse by empowering children and young adults with the knowledge, skills, and confidence to lead healthy and productive lives."

B. The Sticks & Stones® School-Based Counseling Program shall address the emotional trauma and related issues of children who have witnessed violence. This PEI program shall be delivered by the CONTRACTOR working in a non-traditional mental health setting to reduce the stigma that children may otherwise face as a result of having to endure the effects of being exposed to trauma. Psychosocial educational counseling or brief therapy in a group setting or individual basis will be provided to help prevent the development of serious emotional disturbance. Services will be provided virtually on an individual basis, if a child is not at school or in person at the school site either individually or in a small (3-5 people) group. Adjunctive family psycho-education and supports will be provided, on a limited basis, depending on the hours contracted with each school partner, to help parents/caregivers respond to the developmental needs of their children in a trauma-informed manner. Parent support services may be offered virtually or in person.

**IV. SCOPE OF WORK**

A. CONTRACTOR shall provide counseling services on school grounds and at an offsite location as it is deemed necessary, to address the emotional needs of children who have experienced trauma.

- B. CONTRACTOR shall work with parents/caregivers initially to obtain their authorization to serve their child and will also provide parent/caregivers with tools to help create a home environment that will foster a child's healthy psychological and emotional development.
- C. CONTRACTOR shall consult with parents/caregivers to assess and refer them to the appropriate support services to help them address their children's needs in relationship to the mental health services the child is receiving for trauma related issues.
- D. CONTRACTOR shall address domestic violence issues from the perspective of trauma-exposed children who are living in stressed families and are at risk of school failure or juvenile justice involvement.
- E. CONTRACTOR shall develop and maintain partnerships with Monterey County public schools, Monterey County Behavioral Health Bureau and local community-based organizations and shall link students in need of additional mental health services and supports through the referral system established at the school site where the student is enrolled.
- F. CONTRACTOR shall participate in planning for sustainability of the program in collaboration with key Behavioral Health staff and the PEI Coordinator.
- G. CONTRACTOR shall assure services are planned, provided and evaluated using practices that demonstrate the core values of the Mental Health Services Act, i.e. culturally and linguistically competent; consumer and family driven; integrated and coordinated service experience; wellness and recovery focused; strength-based and resiliency-building; timely and accessible.
- H. CONTRACTOR shall provide services to a minimum of 200 children each fiscal year and a minimum of 50 parent contacts and/or referrals.
- I. CONTRACTOR shall provide trauma-informed counseling services to students in Monterey County public schools in districts identified in collaboration with the Monterey County Behavioral Health. Districts will be selected based on factors indicating highest need, such as: service disparities and student demographics determining that the students to be served are members of an underserved cultural population. Underserved cultural populations is defined as: those who are unlikely to seek help from any traditional mental health service either because of stigma, lack of knowledge, or other barriers, such as members of ethnically/racially diverse communities, members of gay, lesbian, bisexual, transgender communities, etc., that seek non-traditional mental health services.
- J. CONTRACTOR shall provide identified districts with the following:
- Three (3) ten (10) week School-based Counseling program series over a thirty-four (34) week term. In each ten (10) week counseling program series a minimum of four (4) children shall be served, if services are provided in person. Services provided virtually are delivered on an individual basis.
  - The fourth program series consists of the Parent Education and Family Support services over the school term.

- K. CONTRACTOR shall assign a licensed clinician or qualified intern/trainee to each of the school sites being served.
- L. CONTRACTOR shall provide assessments determining the service needs of each referral and provide referrals to other services as needed.
- M. CONTRACTOR shall provide clinical supervision for CSU Monterey Bay Master of Social Work Program student interns who will enhance the level of counseling services available in the schools setting.

**V. PROGRAM GOALS**

- A. To improve child and/or youth overall functioning.
- B. To promote parent/caregiver involvement in meeting their child’s academic, social and psychological needs.
- C. To provide community resource information and referrals for children and families requiring additional mental health services.
- D. To prevent the future development of serious emotional disturbance and/or serious mental illness.
- E. To reduce stigma regarding domestic violence, mental illness and those who access mental health services.

**VI. REPORTING REQUIREMENTS**

CONTRACTOR shall meet regularly with the designated Behavioral Health Service Manager to monitor progress on client and program outcomes.

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, DHCS and County. CONTRACTOR shall report to MCBH’s designated Contract Monitor and Prevention Services Manager, on a quarterly and annual basis, demographic data for each service provided, as well as the program goals and outcomes included in each Program Description. As part of the County’s ongoing PEI Program Evaluation process, these required program data and outcome reporting requirements may be revised to assure compliance with State PEI regulations.

**II. INCORPORATION STATUS**

501c3 Non-profit Corporation.

**III. PROGRAM NARRATIVE AND SERVICE DESCRIPTION**

**A. Program Narrative**

Teen Success, Inc. is a non-profit organization based out of Milpitas, California. Teen Success, Inc. partners with organizations throughout Central and Northern California to support young mothers and their children. Harmony At Home (HAH) is the partner agency and local chapter of the Teen Success, Inc. program in Monterey County. HAH's agreement with Teen Success Inc. is to implement the program with fidelity providing comprehensive, trauma-informed services for young women who become mothers as teens and their children, breaking two generations of poverty, and in some cases, abuse and neglect. Our young mothers have been through significant trauma in many areas of their lives. They now find themselves in a position to deeply impact a child, while also caring for and developing themselves as young women. These young mothers want a better life for themselves and their children.

The Teen Success program provides the access to supports and opportunities needed for two generations to thrive by empowering young mothers to complete high school and persist through post-secondary education and nurture their child's positive development to ensure the success of the whole family. The mission of Teen Success, Inc. is to help underserved teen mothers and their children become educated, self-sufficient, valued members of society. Teen Success, Inc. believes that education is the key factor in breaking the intergenerational cycle of poverty faced by young families and builds pathways to prosperity for two generations, i.e., young mothers and their children.

**B. Service Description**

**1. Services to be Provided**

- a. Advocates will work with each young family providing the following supports:

- i. Educational navigation: planning for and achieving educational goals through post-secondary while mitigating barriers to success and connecting resources needed to overcome challenges.
  - ii. Early childhood development: parenting skills, childhood development education, and emotional regulation skill building for mother and child.
  
  - iii. Financial well-being: development of financial literacy, building career skills, and connection to career resources.
  
  - iv. Health and wellness: health knowledge development and connection to physical, emotional, and mental health care resources for both mother and child.
- b. Methods of Service Provision:
- i. Advocates work with the young mothers (also referred to as “members”) once per week in groups, either virtually or in-person. \*
  - ii. Advocates meet individually for coaching sessions every week.
  - iii. Advocates provide members with diapers, baby clothes (funded by donations) healthy snacks, and various incentives such as gift cards to best support young mothers and their babies.
  - iv. Advocates provide transportation to doctors’ appointments, accompanying members to school counseling appointments and, for positive incentives, for example, field trips.
  - v. Advocates provide referrals for any services determined to be of benefit for each member; this would include referrals for physical health care and mental health support services. The Advocate follows up with the professional, obtaining necessary releases, to ensure that the member is receiving the most effective services for the identified needs.
  - vi. Advocates support members as they navigate through their college or career experience. Members in post-secondary education continue to receive individual coaching twice monthly. They are also eligible to receive an educational stipend of \$500 every six months, from our partner agency, to be used for expenses that support school attendance.
  - vii. Educational workshops, while open to all members, are focused on members in post-secondary education. These workshops are focused in areas to support continued life skill and knowledge building to ensure member success through and beyond postsecondary education.

\* Note: Currently coaching sessions are conducted virtually with a plan to resume to in-person support. When this occurs, Advocates will meet at the members’ high schools, go to their homes, meet at our offices, a park setting or a coffee shop, wherever the Advocates can most effectively connect with the members. Transportation and other in-person support

related to appointments will resume when feasible. Aforementioned services impacted by the COVID-19 pandemic and will be reinstated according to State and County Health Department guidelines.

**2. Program Capacity & Total Number Of Individuals To Be Served**

- a. During FY 2022-23 & 2023-24 (FY23 & FY24), CONTRACTOR shall provide services up to 45 Members and their children will be served. The number of children served will be based on family size and will range from 45-90.

**C. Program Goals**

- 1. Complete high school and post-secondary education.
- 2. Develop the knowledge and skills to nurture their child’s positive development.

**a) Expected Outcomes**

At completion of the program:

- 1. 85% of members will complete high school, or its equivalent, or will be on track towards graduation at program completion.
- 2. 75% of those members who have graduated from high school will persist through completion of a post-secondary degree or certificate.
- 3. 75% of members will demonstrate a decrease in parenting stress from the beginning of the program-to-program completion, as measured by the Parenting Stress Index (PSI)-4.
- 4. 85% of members’ children will meet age-appropriate developmental milestones as measured by the Ages and Stages Questionnaire (ASQ).

**b) Service Delivery Site(s) & Hours of Operation**

**1. Sites**

South Monterey County Joint Union High School District and Greenfield Union School District have offered space for HAH to implement services. Virtual platforms (as needed to comply with State and County Health Department COVID- 19 pandemic guidelines), Homes, Coffee Shops, and Parks within a safe and reasonable walking distance of each member. Monterey Peninsula and North Monterey County school sites TBD.

**2. Hours of Operation**

Advocates respond to members anytime during the workday (8AM to 5PM); in some cases of crisis, Advocates may respond after hours or on weekends. HAH’s staff are trained in resource management to determine appropriate interventions in the event of a crisis. Advocates are supported in maintaining clear boundaries around their availability to their members. Advocates provide field trip incentives which often occur over a 2–3-day period, in which case they are available 24/7 during those special events.

**IV. POPULATION/CATCHMENT AREA TO BE SERVED**

Young women who become mothers as teens and their children residing in Monterey Peninsula, North Monterey County and South Monterey County.

**V. MEETINGS/COMMUNICATIONS**

CONTRACTOR will meet regularly with the designated MCBHB Deputy Director or Services Manager (“Contract Monitor”) to monitor progress on member and program outcomes; oversee contract implementation; and evaluate, program effectiveness, issues, and recommendations.

**VI. REPORTING REQUIREMENTS**

Monterey County Behavioral Health (MCBH) shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services and COUNTY. CONTRACTOR shall submit reports, consisting of participant demographic data for each service provided, as well as the program outcomes as required by the Prevention and Early Intervention ([PEI regulations](#)). Reports shall be submitted on a quarterly basis no later than thirty (30) days following the end of each quarter to MCBH’s designated Contract Monitor and to EvalCorp at the email address of: [mcbh-eval@evalcorp.com](mailto:mcbh-eval@evalcorp.com).

### III. PAYMENT CONDITIONS

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY’S Maximum Allowances (CMA), which is based on the most recent State’s Schedule of Maximum Allowances (SMA) as established by the State’s Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY’S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the “Maximum Obligation of County,” as identified in this Exhibit B, Section IV.

- B. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- C. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically,

CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30<sup>th</sup>) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

[MCHDBHFinance@co.monterey.ca.us](mailto:MCHDBHFinance@co.monterey.ca.us)

- D. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any “obligations incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.
- E. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- F. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- G. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR’S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis.

No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

#### IV. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$1,026,360** for services rendered under this Agreement.
- B. Maximum Annual Liability:

<b>FISCAL YEAR</b>	<b>FUNDING SOURCE*</b>	<b>AMOUNT</b>
FY 2021-2022	Mental Health Services Act (MHSA) Prevention & Early Intervention (PEI) Funds	\$166,120
FY 2022-2023	MHSA PEI	\$ 430,120
FY 2023-2024	MHSA PEI	\$430,120
<b>TOTAL AGREEMENT MAXIMUM LIABILITY</b>		<b>\$1,026,360</b>

\*The County reserves the right to adjust the funding sources as may be necessary during the term of the Agreement.

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.
- D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

#### V. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files,

contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.

- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.
- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.
- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

## **VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS**

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment

obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

## **VII. AUTHORITY TO ACT FOR THE COUNTY**

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

**AMENDMENT NO. 1 TO AGREEMENT A-15270  
COUNTY OF MONTEREY & HARMONY AT HOME**

**THIS AMENDMENT** is made to the AGREEMENT A-15270 for school-based counseling services for children who have been exposed to Adverse Childhood Experiences and other trauma that impacts their mental health and wellbeing, by and between **HARMONY AT HOME**, hereinafter “CONTRACTOR”, and the County of Monterey, a political subdivision of the State of California, hereinafter referred to as “County”.

**WHEREAS**, the County and CONTRACTOR wish to amend the AGREEMENT to add the “Teen Success” program to provide comprehensive, trauma-informed services for young women who become mothers as teens and their children, revise the Program Description, Payment and Billing Provisions, Behavioral Health Invoice Form, and Revenue & Expenditure Summary Exhibits, and to incorporate the County’s updated Business Associate Agreement into the Agreement.

**NOW THEREFORE**, the County and CONTRACTOR hereby agree to amend the AGREEMENT in the following manner:

1. EXHIBIT A-1 PROGRAM DESCRIPTION replaces EXHIBIT A. All references in the Agreement to EXHIBIT A shall be construed to refer to EXHIBIT A-1.
2. EXHIBIT B-1 PAYMENT PROVISIONS replaces EXHIBIT B. All references in the Agreement to EXHIBIT B shall be construed to refer to EXHIBIT B-1.
3. EXHIBIT F-1 BUSINESS ASSOCIATE AGREEMENT replaces EXHIBIT F. All references in the Agreement to EXHIBIT F shall be construed to refer to EXHIBIT F-1.
4. EXHIBIT G-1 BEHAVIORAL HEALTH INVOICE FORM replaces EXHIBIT G. All references in the Agreement to EXHIBIT G shall be construed to refer to EXHIBIT G-1.
5. EXHIBIT H-1 REVENUE & EXPENDITURE SUMMARY replaces EXHIBIT H. All references in the Agreement to EXHIBIT H shall be construed to refer to EXHIBIT H-1.
6. Except as provided herein, all remaining terms, conditions and provisions of the AGREEMENT are unchanged and unaffected by this AMENDMENT and shall continue in full force and effect as set forth in the AGREEMENT.
7. This Amendment is effective September 1, 2021.
8. A copy of the AMENDMENT shall be attached to the original AGREEMENT executed by the County on June 25, 2021.

IN WITNESS WHEREOF, County and CONTRACTOR have executed this Amendment No. 1 to Agreement A-15270 as of the day and year written below.

**PROGRAM ONE: Sticks & Stones**

**I. IDENTIFICATION OF PROVIDER**

Harmony at Home  
3785 Via Nona Marie #300  
Carmel, CA 93923  
831-625-5160

Incorporation Status: Non-profit  
Type of Program: School-based  
Type of License(s): Marriage Family Therapy (MFT), MFT Intern, Licensed Clinical Social Worker (LCSW), Associate in Social Work Intern, and Pupil Personnel Services Credential Interns, supervised by MFT's & LCSW's

**II. POPULATION OF FOCUS**

Monterey County school-aged children who have been exposed to Adverse Childhood Experiences (ACES) and other trauma that impacts their mental health and wellbeing.

**III. PROGRAM DESCRIPTION**

- A. The Sticks & Stones Program is a prevention program for children exposed to violence and trauma in Monterey County. Harmony at Home's (HAH) mission is "to end the cycles of violence and abuse by empowering children and young adults with the knowledge, skills, and confidence to lead healthy and productive lives."
  
- B. The School-Based Counseling Program shall address the emotional trauma and related issues of children who have witnessed violence. This PEI program shall be delivered by the CONTRACTOR working in a non-traditional mental health setting to reduce the stigma that children may otherwise face as a result of having to endure the effects of being exposed to trauma. Psychosocial educational counseling or brief therapy in a group setting or individual basis will be provided to help prevent the development of serious emotional disturbance. Services will be provided virtually on an individual basis, if a child is not at school or in person at the school site either individually or in a small (3-5 people) group. Adjunctive family psycho-education and supports will be provided, on a limited basis, depending on the hours contracted with each school partner, to help parents/caregivers respond to the developmental needs of their children in a trauma-informed manner. Parent support services may be offered virtually or in person.

#### **IV. SCOPE OF WORK**

- A. CONTRACTOR shall provide counseling services on school grounds and at an offsite location as it is deemed necessary, to address the emotional needs of children who have experienced trauma.
- B. CONTRACTOR shall work with parents/caregivers initially to obtain their authorization to serve their child and will also provide parent/caregivers with tools to help create a home environment that will foster a child's healthy psychological and emotional development.
- C. CONTRACTOR shall consult with parents/caregivers to assess and refer them to the appropriate support services to help them address their children's needs in relationship to the mental health services the child is receiving for trauma related issues.
- D. CONTRACTOR shall address domestic violence issues from the perspective of trauma-exposed children who are living in stressed families and are at risk of school failure or juvenile justice involvement.
- E. CONTRACTOR shall develop and maintain partnerships with Monterey County public schools, Monterey County Behavioral Health Bureau and local community-based organizations and shall link students in need of additional mental health services and supports through the referral system established at the school site where the student is enrolled.
- F. CONTRACTOR shall participate in planning for sustainability of the program in collaboration with key Behavioral Health staff and the PEI Coordinator.
- G. CONTRACTOR shall assure services are planned, provided and evaluated using practices that demonstrate the core values of the Mental Health Services Act, i.e. culturally and linguistically competent; consumer and family driven; integrated and coordinated service experience; wellness and recovery focused; strength-based and resiliency-building; timely and accessible.
- H. CONTRACTOR shall provide services to a minimum of 200 children each fiscal year and a minimum of 50 parent contacts and/or referrals.
- I. CONTRACTOR shall provide trauma-informed counseling services to students in Monterey County public schools in districts identified in collaboration with the Monterey County Behavioral Health. Districts will be selected based on factors indicating highest need, such as: service disparities and student demographics determining that the students to be served are members of an underserved cultural population. Underserved cultural populations is defined as: those who are unlikely to seek help from any traditional mental health service either because of stigma, lack of knowledge, or other barriers, such as members of ethnically/racially diverse communities, members of gay, lesbian, bisexual, transgender communities, etc., that seek non-traditional mental health services.

- J. CONTRACTOR shall provide identified districts with the following:
- Three (3) ten (10) week School-based Counseling program series over a thirty-four (34) week term. In each ten (10) week counseling program series a minimum of four (4) children shall be served, if services are provided in person. Services provided virtually are delivered on an individual basis.
  - The fourth program series consists of the Parent Education and Family Support services over the school term.
- K. CONTRACTOR shall assign a licensed clinician or qualified intern/trainee to each of the school sites being served.
- L. CONTRACTOR shall provide assessments determining the service needs of each referral and provide referrals to other services as needed.
- M. CONTRACTOR shall provide clinical supervision for CSU Monterey Bay Master of Social Work Program student interns who will enhance the level of counseling services available in the schools setting.

**V. PROGRAM GOALS**

- A. To improve child and/or youth overall functioning.
- B. To promote parent/caregiver involvement in meeting their child’s academic, social and psychological needs.
- C. To provide community resource information and referrals for children and families requiring additional mental health services.
- D. To prevent the future development of serious emotional disturbance and/or serious mental illness.
- E. To reduce stigma regarding domestic violence, mental illness and those who access mental health services.

**VI. REPORTING REQUIREMENTS**

CONTRACTOR shall meet regularly with the designated Behavioral Health Service Manager to monitor progress on client and program outcomes.

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, DHCS and County. CONTRACTOR shall report to MCBH’s designated Contract Monitor and Prevention Services Manager, on a quarterly and annual basis, demographic data for each service provided, as well as the program goals and outcomes included in each Program Description. As part of the County’s ongoing PEI Program Evaluation process, these required program data and outcome reporting

requirements may be revised to assure compliance with State PEI regulations.

### **PROGRAM TWO: Teen Success**

#### **I. IDENTIFICATION OF PROVIDER**

Harmony at Home  
Monterey County Chapter of Teen Success, Inc.  
Administrative offices: 3758 Via Nona Marie, Ste 300, Carmel, CA  
831-625-5160

#### **II. INCORPORATION STATUS**

501c3 Non-profit Corporation.

#### **III. PROGRAM NARRATIVE AND SERVICE DESCRIPTION**

##### **A. Program Narrative**

Teen Success, Inc. is a non-profit organization based out of Milpitas, California. Teen Success, Inc. partners with organizations throughout Central and Northern California to support young mothers and their children. Harmony At Home (HAH) is the partner agency and local chapter of the Teen Success, Inc. program in Monterey County. HAH's agreement with Teen Success Inc. is to implement the program with fidelity providing comprehensive, trauma-informed services for young women who become mothers as teens and their children, breaking two generations of poverty, and in some cases, abuse and neglect. Our young mothers have been through significant trauma in many areas of their lives. They now find themselves in a position to deeply impact a child, while also caring for and developing themselves as young women. These young mothers want a better life for themselves and their children.

The Teen Success program provides the access to supports and opportunities needed for two generations to thrive by empowering young mothers to complete high school and persist through post-secondary education and nurture their child's positive development to ensure the success of the whole family. The mission of Teen Success, Inc. is to help underserved teen mothers and their children become educated, self-sufficient, valued members of society. Teen Success, Inc. believes that education is the key factor in breaking the intergenerational cycle of poverty faced by young families and builds pathways to prosperity for two generations, i.e., young mothers and their children.

##### **B. Service Description**

###### **1. Services to be Provided**

- a. Advocates will work with each young family providing the following supports:
  - i. Educational navigation: planning for and achieving educational goals through post-secondary while mitigating barriers to success and connecting resources needed to overcome challenges.
  - ii. Early childhood development: parenting skills, childhood development education, and emotional regulation skill building for mother and child.
  - iii. Financial well-being: development of financial literacy, building career skills, and connection to career resources.
  - iv. Health and wellness: health knowledge development and connection to physical, emotional, and mental health care resources for both mother and child.

b. Methods of Service Provision:

- i. Advocates work with the young mothers (also referred to as “members”) once per week in groups, either virtually or in-person. \*
- ii. Advocates meet individually for coaching sessions every week.
- iii. Advocates provide members with diapers, baby clothes (funded by donations) healthy snacks, and various incentives such as gift cards to best support young mothers and their babies.
- iv. Advocates provide transportation to doctors’ appointments, accompanying members to school counseling appointments and, for positive incentives, for example, field trips.
- v. Advocates provide referrals for any services determined to be of benefit for each member; this would include referrals for physical health care and mental health support services. The Advocate follows up with the professional, obtaining necessary releases, to ensure that the member is receiving the most effective services for the identified needs.
- vi. Advocates support members as they navigate through their college or career experience. Members in post-secondary education continue to receive individual coaching twice monthly. They are also eligible to receive an educational stipend of \$500 every six months, from our partner agency, to be used for expenses that support school attendance.
- vii. Educational workshops, while open to all members, are focused on members in post-secondary education. These workshops are focused in areas to support continued life skill and knowledge building to ensure member success through and beyond postsecondary education.

\* Note: Currently coaching sessions are conducted virtually with a plan to resume to in-person support. When this occurs, Advocates will meet at the members’ high schools, go to their homes, meet at our offices, a park setting or a coffee shop,

wherever the Advocates can most effectively connect with the members. Transportation and other in-person support related to appointments will resume when feasible. Aforementioned services impacted by the COVID-19 pandemic and will be reinstated according to State and County Health Department guidelines.

**2. Program Capacity & Total Number Of Individuals To Be Served**

- A. During FY 2021-22 (FY22), 12 Members and their children will be served.
- B. During FY 2022-23 (FY23), an estimated 6 additional new Members and their children will be served.
- C. During the FY22 & FY23 period, an estimated total of 36 individuals (members and their children) will be served.

**C. Program Goals**

- 1. Complete high school and post-secondary education.
- 2. Develop the knowledge and skills to nurture their child’s positive development.

**D. Expected Outcomes**

At completion of the program:

- 1. 85% of members will complete high school, or its equivalent, or will be on track towards graduation at program completion.
- 2. 75% of those members who have graduated from high school will persist through completion of a post-secondary degree or certificate.
- 3. 75% of members will demonstrate a decrease in parenting stress from the beginning of the program to program completion, as measured by the Parenting Stress Index (PSI)-4.
- 4. 85% of members’ children will meet age-appropriate developmental milestones as measured by the Ages and Stages Questionnaire (ASQ).

**E. Service Delivery Site(s) & Hours of Operation**

**1. Sites**

South Monterey County Joint Union High School District and Greenfield Union School District have offered space for HAH to implement services. Virtual platforms (as needed to comply with State and County Health Department COVID-

19 pandemic guidelines), Homes, Coffee Shops, and Parks within a safe and reasonable walking distance of each member.

**2. Hours Of Operation**

Advocates respond to members anytime during the workday (8AM to 5PM); in some cases of crisis, Advocates may respond after hours or on weekends. HAH’s staff are trained in resource management to determine appropriate interventions in the event of a crisis. Advocates are supported in maintaining clear boundaries around their availability to their members. Advocates provide field trip incentives which often occur over a 2–3-day period, in which case they are available 24/7 during those special events.

**IV. POPULATION/CATCHMENT AREA TO BE SERVED**

Young women who become mothers as teens and their children residing in South Monterey County.

**V. MEETINGS/COMMUNICATIONS**

CONTRACTOR will meet regularly with the designated MCBHB Deputy Director or Services Manager (“Contract Monitor”) to monitor progress on member and program outcomes; oversee contract implementation; and evaluate, program effectiveness, issues, and recommendations.

**VI. REPORTING REQUIREMENTS**

Monterey County Behavioral Health (MCBH) shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services and COUNTY. CONTRACTOR shall submit reports, consisting of participant demographic data for each service provided, as well as the program outcomes as required by the Prevention and Early Intervention ([PEI regulations](#)). Reports shall be submitted on a quarterly basis no later than thirty (30) days following the end of each quarter to MCBH’s designated Contract Monitor and to EvalCorp at the email address of: [mcbh-eval@evalcorp.com](mailto:mcbh-eval@evalcorp.com).

	12	FY 2022-23 \$6,250	\$ 75,000

**III. PAYMENT CONDITIONS**

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such

services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S Maximum Allowances (CMA), which is based on the most recent State's Schedule of Maximum Allowances (SMA) as established by the State's Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY'S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section IV.

- B. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- C. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30<sup>th</sup>) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

[MCHDBHFinance@co.monterey.ca.us](mailto:MCHDBHFinance@co.monterey.ca.us)

- D. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the

termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any “obligations incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

- E. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- F. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- G. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR’S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

**IV. MAXIMUM OBLIGATION OF COUNTY**

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$332,240** for services rendered under this Agreement.
- B. Maximum Annual Liability:

<b>FISCAL YEAR</b>	<b>FUNDING SOURCE*</b>	<b>AMOUNT</b>
FY 2021-2022	Mental Health Services Act (MHSA) Prevention & Early Intervention (PEI) Funds	\$ 166,120
FY 2022-2023	MHSA PEI Funds	\$166,120
<b>TOTAL AGREEMENT MAXIMUM LIABILITY</b>		<b>\$332,240</b>

\*The County reserves the right to adjust the funding sources as may be necessary during the term of the Agreement.

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount

shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.

- D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

## V. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files, contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.
- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

**VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS**

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

**VII. AUTHORITY TO ACT FOR THE COUNTY**

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

## BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement (“BAA”) effective September 1, 2021, 20\_\_ (“Effective Date”), is entered into by and among between the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department (“Covered Entity”) and Harmony at Home (“Business Associate”) (each a “Party” and collectively the “Parties”).

### RECITALS

A. WHEREAS, Business Associate provides certain services for Covered Entity that involve the Use and Disclosure of Protected Health Information (“PHI”) that is created, received, transmitted, or maintained by Business Associate for or on behalf of Covered Entity.

B. WHEREAS, the Parties are committed to complying with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act (the “HITECH Act”), and their implementing regulations, including the Standards for the Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, subparts A and E (the “Privacy Rule”), the Breach Notification Standards, 45 C.F.R. Part 160 and 164 subparts A and D (the “Breach Notification Rule”), and the Security Standards for the Protection of Electronic Protected Health Information, 45 C.F.R. C. WHEREAS, the Parties are also committed to complying with the California Confidentiality Laws (defined below).

D. WHEREAS, to the extent that Business Associate is performing activities in connection with covered accounts for or on behalf of Covered Entity, the Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”).

E. WHEREAS, the Privacy and Security Rules require Covered Entity and Business Associate to enter into a business associate agreement that meets certain requirements with respect to the Use and Disclosure of PHI. This BAA sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”) shall be handled, in accordance with such requirements.

NOW THEREFORE, in consideration of the mutual promises below and the exchange of information pursuant to this BAA, the Parties agree as follows:

### AGREEMENT

#### 1. DEFINITIONS

All capitalized terms used in this BAA but not otherwise defined shall have the meaning set forth in HIPAA.

*May 2021*

(a) “Breach” shall have the same meaning as “breach” as defined in 45 C.F.R. § 164.402; however, the term “Breach” as used in this BAA shall also mean the unlawful or unauthorized access to, Use or Disclosure of a patient’s “medical information” as defined under Cal. Civil Code § 56.05(j), for which notification is required pursuant to Cal. Health & Safety Code 1280.15, or a “breach of the security of the system” under Cal. Civil Code § 1798.29.

(b) “California Confidentiality Laws” shall mean the applicable laws of the State of California governing the confidentiality, privacy, or security of PHI or other personally identifiable information (PII), including, but not limited to, the California Confidentiality of Medical Information Act (Cal. Civil Code § 56 *et seq.*), the patient access law (Cal. Health & Safety Code § 123100 *et seq.*), the HIV test result confidentiality law (Cal. Health & Safety Code § 120975 *et seq.*), the Lanterman-Petris-Short Act (Cal. Welf. & Inst. Code § 5328 *et seq.*), and California’s data breach law (Cal. Civil Code § 1798.29).

(c) “Protected Health Information” or “PHI” shall mean any information, whether oral or recorded in any form or medium: (i) that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual or the past, present or future payment for the provision of health care to an individual; (ii) that identifies the individual or with respect to which there is a reasonable basis to believe the information that can be used to identify the individual, and (iii) is provided by Covered Entity to Business Associate or created, maintained, received, or transmitted by Business Associate on Covered Entity’s behalf. PHI, when used in this BAA, includes EPHI.

(d) “Services” shall mean the services for or functions performed by Business Associate on behalf of Covered Entity pursuant to an underlying services agreement (“Services Agreement”) between Covered Entity and Business Associate to which this BAA applies.

## **2. PERMITTED USES AND DISCLOSURES OF PHI**

Unless otherwise limited herein, Business Associate may:

(a) Use or Disclose PHI to perform Services for, or on behalf of, Covered Entity, provided that such Use or Disclosure would not violate the Privacy or Security Rules, this BAA, or California Confidentiality Laws if done by Covered Entity;

(b) Use PHI to provide Data Aggregation Services for the Health Care Operations of Covered Entity, if required by the Services Agreement and as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(c) Use PHI if necessary for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(d) Disclose PHI for the proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as

permitted under 45 C.F.R. § 164.504(e)(4)(ii), provided that Disclosures are Required by Law, or Business Associate obtains reasonable assurances from the person to whom the information is Disclosed that it will remain confidential and be Used or further Disclosed only as Required by Law or for the purpose for which it was Disclosed to the person, and that such person will notify the Business Associate of any instances of which such person is aware that the confidentiality of the information has been breached; and

(e) Use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1).

### **3. RESPONSIBILITIES OF THE PARTIES WITH RESPECT TO PHI**

#### **3.1. Responsibilities of Business Associate.** Business Associate shall:

(a) Notify the Privacy Officer of Covered Entity, in writing, of: (i) any Use and/or Disclosure of the PHI that is not permitted by this BAA; (ii) any Security Incident of which Business Associate becomes aware; and (iii) any suspected Breach. Such notice shall be provided within five (5) business days of Business Associate's discovery of such unauthorized access, acquisition, Use and/or Disclosure, Security Incident, or suspected Breach. Notwithstanding the foregoing, the Parties acknowledge the ongoing existence and occurrence of attempted but ineffective Security Incidents that are trivial in nature, such as pings and other broadcast service attacks, and unsuccessful log-in attempts. The Parties acknowledge and agree that this Section 3.1(a) constitutes notice by Business Associate to Covered Entity of such ineffective Security Incidents and no additional notification to Covered Entity of such ineffective Security Incidents is required, provided that no such Security Incident results in unauthorized access, acquisition, Use or Disclosure of PHI. For the avoidance of doubt, a ransomware attack shall not be considered an ineffective Security Incident and shall be reported to Covered Entity, irrespective of whether such Security Incident results in a Breach. Business Associate shall investigate each Security Incident or unauthorized access, acquisition, Use, or Disclosure of PHI, or suspected Breach that it discovers and shall provide a summary of its investigation to Covered Entity, upon request.

(i) If Business Associate or Covered Entity determines that such Security Incident or unauthorized access, acquisition, Use, or Disclosure, or suspected Breach constitutes a Breach, then Business Associate shall provide a supplemental written report in accordance with 45 C.F.R. § 164.410(c), which shall include, to the extent possible, the identification of each individual whose PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, Used or Disclosed during the Breach, to Covered Entity without unreasonable delay, but no later than five (5) business days after discovery of the Breach;

(ii) In consultation with Covered Entity, Business Associate shall promptly mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper access, acquisition, Use, or Disclosure, Security Incident, or Breach;

*May 2021*

(iii) Covered Entity shall have sole control over the timing and method of providing notification of such Breach to the affected individual(s), the appropriate government agencies, and other persons required by law to be notified. Business Associate shall assist with any notifications, as requested by Covered Entity. Business Associate shall take prompt corrective action, including any action required by applicable State or federal laws and regulations relating to such Security Incident or non-permitted access, acquisition, Use, or Disclosure. Business Associate shall reimburse Covered Entity for its reasonable costs and expenses in providing notification to affected individuals, appropriate government agencies, and any other persons required by law to be notified (e.g., without limitation, the media or consumer reporting agencies), including, but not limited to, any administrative costs associated with providing notice, printing and mailing costs, public relations costs, attorney fees, and costs of mitigating the harm (which may include the costs of obtaining up to one (1) year of credit monitoring services and identity theft insurance) for affected individuals whose PHI or other PII has or may have been compromised as a result of the Breach;

(b) Implement appropriate administrative, physical, and technical safeguards and comply with the Security Rule and industry best practices to prevent Use and/or Disclosure of EPHI other than as provided for by this BAA;

(c) Obtain and maintain a written agreement with each of its Subcontractors that creates, receives, maintains, or transmits PHI that requires each such Subcontractor to adhere to restrictions and conditions that are at least as restrictive as those that apply to Business Associate pursuant to this BAA. Upon request, Business Associate shall provide Covered Entity with copies of its written agreements with such Subcontractors;

(d) Make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the Use and/or Disclosure of PHI received from, created, maintained, or transmitted by Business Associate on behalf of Covered Entity to the Secretary of the Department of Health and Human Services (“Secretary”) in a time and manner designated by the Secretary for purposes of determining Covered Entity’s or Business Associate’s compliance with HIPAA. Business Associate shall immediately notify Covered Entity of any such requests by the Secretary and, upon Covered Entity’s request, provide Covered Entity with any copies of documents Business Associate provided to the Secretary. In addition, Business Associate shall promptly make available to Covered Entity such practices, records, books, agreements, policies and procedures relating to the Use and Disclosure of PHI for purposes of determining whether Business Associate has complied with this BAA or maintains adequate security safeguards, upon reasonable request by Covered Entity. The fact that Covered Entity has the right to inspect, inspect, or fails to inspect Business Associate’s internal practices, records, books, agreements, policies and procedures does not relieve Business Associate of its responsibility to comply with this BAA, regardless of whether Covered Entity detects or fails to detect a violation by Business Associate, nor does it constitute Covered Entity’s acceptance of such practices or waiver of Covered Entity’s rights under this BAA;

*May 2021*

(e) Document Disclosures of PHI and information related to such Disclosure and, within twenty (20) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the Disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528 and the HITECH Act. At a minimum, the Business Associate shall provide Covered Entity with the following information: (i) the date of the Disclosure; (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI Disclosed; and (iv) a brief statement of the purpose of such Disclosure which includes an explanation of the basis for such Disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within ten (10) days, forward such request to Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(f) Subject to Section 4.4 below, return to Covered Entity in a mutually agreeable format and medium, or destroy, within thirty (30) days of the termination of this BAA, the PHI in its possession and retain no copies, including backup copies;

(g) Use, Disclose to its Subcontractors or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(h) If all or any portion of the PHI is maintained in a Designated Record Set:

(i) Upon ten (10) days' prior written request from Covered Entity, provide access to the PHI to Covered Entity, or to the individual, if so directed by Covered Entity, to meet a request by an individual under 45 C.F.R. § 164.524 or California Confidentiality Laws. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for access to PHI from an individual; and

(ii) Upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526. Business Associate shall notify Covered Entity within five (5) days of its receipt of a request for amendment of PHI from an individual;

(i) If applicable, maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(j) To the extent that Business Associate carries out one or more of Covered Entity's obligations under the Privacy Rule, Business Associate shall comply with the requirements of the Privacy Rule that apply to Covered Entity in the performance of such obligations;

(k) Unless prohibited by law, notify Covered Entity as soon as possible and in no case later than five (5) days after the Business Associate's receipt of any request

*May 2021*

or subpoena for PHI. To the extent that Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with Covered Entity in such challenge; and

(l) Maintain policies and procedures materially in accordance with HIPAA and California Confidentiality Laws and industry standards designed to ensure the confidentiality, availability, and integrity of Covered Entity's data and protect against threats or vulnerabilities to such data.

### **3.2 Business Associate Acknowledgment.**

(a) Business Associate acknowledges that, as between the Business Associate and Covered Entity, all PHI shall be and remain the sole property of Covered Entity.

(b) Business Associate is not permitted to Use PHI to create de-identified information except as approved in writing by Covered Entity.

(c) Business Associate further acknowledges that it is obligated by law to comply, and represents and warrants that it shall comply, with HIPAA. Business Associate shall comply with all California Confidentiality Laws, to the extent that such state laws are not preempted by HIPAA.

(d) Business Associate further acknowledges that Uses and Disclosures of PHI must be consistent with Covered Entity's privacy practices, as stated in Covered Entity's Notice of Privacy Practices. The current Notice of Privacy Practices can be retrieved online from the Covered Entity's webpage. Business Associate agrees to review the Notice of Privacy Practices at this URL at least once annually while doing business with Covered Entity to ensure it remains updated on any changes to the Notice of Privacy Practices Covered Entity may make.

**3.3 Responsibilities of Covered Entity.** Covered Entity shall notify Business Associate of any (i) changes in, or withdrawal of, the authorization of an individual regarding the Use or Disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.508, to the extent that such changes may affect Business Associate's Use or Disclosure of PHI; or (ii) restrictions on Use and/or Disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's Use or Disclosure of PHI.

## **4. TERM AND TERMINATION**

**4.1 Term.** This BAA shall become effective on the Effective Date and shall continue in effect until all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity, or if it is infeasible to return or destroy PHI, protections are extended to such PHI, in accordance with the termination provisions in Section 4.4. Certain provisions and requirements of this BAA shall survive its expiration or other termination as set forth in Section 5 herein.

*May 2021*

**4.2 Termination.** If Covered Entity determines in good faith that Business Associate has breached a material term of this BAA, Covered Entity may either: (i) immediately terminate this BAA and any underlying Services Agreement without penalty; or (ii) terminate this BAA and any underlying Services Agreement within thirty (30) days of Business Associate's receipt of written notice of such breach, if the breach is not cured to the satisfaction of Covered Entity.

**4.3 Automatic Termination.** This BAA shall automatically terminate without any further action of the Parties upon the termination or expiration of all Services Agreements between Covered Entity and Business Associate that would necessitate having this BAA in place.

**4.4 Effect of Termination.** Upon termination or expiration of this BAA for any reason, Business Associate shall return or destroy all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(J) if, and to the extent that, it is feasible to do so. Prior to returning or destroying the PHI, Business Associate shall recover any PHI in the possession of its Subcontractors. Business Associate shall certify in writing that all PHI has been returned or securely destroyed, and no copies retained, upon Covered Entity's request. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall notify Covered Entity in writing of the condition that makes return or destruction infeasible. If Covered Entity agrees that return or destruction of the PHI is infeasible, as determined in its sole discretion, Business Associate shall: (i) retain only that PHI which is infeasible to return or destroy; (ii) return to Covered Entity the remaining PHI that the Business Associate maintains in any form; (iii) continue to extend the protections of this BAA to the PHI for as long as Business Associate retains PHI; (iv) limit further Uses and Disclosures of such PHI to those purposes that make the return or destruction of the PHI not feasible and subject to the same conditions as set out in Sections 2 and 3 above, which applied prior to termination; and (v) return to Covered Entity the PHI retained by Business Associate when such return is no longer infeasible.

## **5. MISCELLANEOUS**

**5.1 Survival.** The obligations of Business Associate under the provisions of Sections 3.1, 3.2, and 4.4 and Article 5 shall survive termination of this BAA until such time as all PHI is returned to Covered Entity or destroyed.

**5.2 Amendments; Waiver.** This BAA may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of HIPAA or California Confidentiality Laws is materially amended in a manner that changes the obligations of the Parties, the Parties agree to negotiate in good faith appropriate amendment(s) to this BAA to give effect to the revised obligations. Further, no provision of this BAA shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

*May 2021*

**5.3 No Third Party Beneficiaries.** Nothing express or implied in this BAA is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

**5.4 Notices.** Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile or email to the facsimile telephone numbers or email addresses listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

**5.5 Counterparts; Facsimiles.** This BAA may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile and electronic copies hereof shall be deemed to be originals.

**5.6 Relationship of Parties.** Notwithstanding anything to the contrary in the Services Agreement, Business Associate is an independent contractor and not an agent of Covered Entity under this BAA. Business Associate has the sole right and obligation to supervise, manage, contract, direct, procure, perform, or cause to be performed all Business Associate obligations under this BAA.

**5.7 Choice of Law; Interpretation.** This BAA shall be governed by the laws of the State of California. Any ambiguities in this BAA shall be resolved in a manner that allows Covered Entity and Business Associate to comply with HIPAA and the California Confidentiality Laws.

**5.8 Indemnification.** Business Associate shall indemnify, defend, and hold harmless the County of Monterey (the “County”), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including costs incurred by the County with respect to any investigation, enforcement proceeding, or third party action, arising out of, or in connection with, a violation of this BAA, HIPAA or California Confidentiality Laws, or a Breach that is attributable to an act or omission of Business Associate and/or its agents, members, employees, or Subcontractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the Parties to provide the broadest possible indemnification for the County. This provision is in addition to, and independent of, any indemnification provision in any Services Agreement between the Parties.

**5.9 Applicability of Terms.** This BAA applies to all present and future Services Agreements and business associate relationships, written or unwritten, formal or informal, in which Business Associate creates, receives, transmits, or maintains any PHI for or on behalf of Covered Entity in any form whatsoever. This BAA shall automatically be incorporated in all subsequent agreements between Business Associate and Covered Entity involving the Use or Disclosure of PHI whether or not specifically referenced therein. In the event of any conflict or inconsistency between a provision of this BAA and a provision of any other agreement between Business Associate and Covered Entity, the provision of this BAA shall control unless the provision in such other agreement establishes additional rights for Business Associate or additional duties for or restrictions on Business Associate with respect to PHI, in which case the provision of such other agreement will control.

**5.10 Insurance.** In addition to any general and/or professional liability insurance required of Business Associate under the Services Agreement, Business Associate agrees to obtain and maintain, at its sole expense, liability insurance on an occurrence basis, covering any and all claims, liabilities, demands, damages, losses, costs expenses, fines, and compliance costs arising from a breach of the obligations of Business Associate, its officers, employees, agents and Subcontractors under this BAA. Without limiting the foregoing, at a minimum, Business Associate’s required insurance under this Section shall include cyber liability insurance covering breach notification expenses, network security and privacy liability, with limits of not less than \$10,000,000 per claim and in the aggregate. Such insurance coverage will be maintained for the term of this BAA, and a copy of such policy or a certificate evidencing the policy shall be provided to Covered Entity at Covered Entity’s request.

**5.11 Legal Actions.** Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any actual or potential action, proceeding, regulatory or governmental orders or actions, or any material threat thereof that becomes known to it that may affect the interests of Covered Entity or jeopardize this BAA, and of any facts and circumstances that may be pertinent to the prosecution or defense of any such actual or potential legal action or proceeding, except to the extent prohibited by law. This includes, without limitation, any allegation that Business Associate has violated HIPAA or other federal or state privacy or security laws.

*May 2021*

**5.12 Audit or Investigations.** Promptly, but no later than five (5) calendar days after notice thereof, Business Associate shall advise Covered Entity of any audit, compliance review, or complaint investigation by the Secretary or other state or federal agency related to compliance with HIPAA or the California Confidentiality Laws.

**5.13 Assistance in Litigation or Administrative Proceedings.** Business Associate shall make itself, and any Subcontractors, employees, or agents assisting Business Associate in the performance of its obligations under any Services Agreements, available to Covered Entity, at no cost to Covered Entity, to testify in any claim commenced against Covered Entity, its directors, officers, employees, successors, and assigns based upon claimed violation by Business Associate or its agents or subcontractors of HIPAA or other applicable law, except where Business Associate or its Subcontractor, employee, or agent is a named adverse party.

**5.14 No Offshore Work.** In performing the Services for, or on behalf of, Covered Entity, Business Associate shall not, and shall not permit any of its Subcontractors, to transmit or make available any PHI to any entity or individual outside the United States without the prior written consent of Covered Entity.

**5.15 Information Blocking Rules.** Business Associate shall not take any action, or refuse to take any action, with regard to Covered Entity’s electronic health information that would result in “information blocking” as prohibited by 42 U.S.C. § 300jj-52 and 45 C.F.R. Part 171 (collectively, “Information Blocking Rules”). Business Associate and Covered Entity shall cooperate in good faith to ensure Covered Entity’s electronic health information is accessed, exchanged, and used in compliance with the Information Blocking Rules.

IN WITNESS WHEREOF, each of the undersigned has caused this BAA to be duly executed in its name and on its behalf as of the Effective Date.

**COUNTY OF MONTEREY  
MENTAL HEALTH SERVICES AGREEMENT**

Contract Number: \_\_\_\_\_

COUNTY Department Contract Representative:

Elsa Mendoza Jimenez, Director of Health  
1270 Natividad Road, Salinas, CA 93906

THIS CONTRACT is made and entered into by and between the **COUNTY OF MONTEREY**, a political subdivision of the State of California (hereinafter “COUNTY”) and **HARMONY AT HOME** (hereinafter “CONTRACTOR”).

**RECITALS**

WHEREAS, COUNTY desires to enter into an Agreement whereby CONTRACTOR shall provide community mental health services in accordance with the requirements of the Bronzan-McCorquodale Act (California Welfare and Institutions Code § 5600, et seq.), Part 2.5 of Division 5 of the California Welfare & Institutions Code, and Titles 9 and 22 of the California Code of Regulations; and

WHEREAS, CONTRACTOR is able to furnish such services under the terms and conditions of this Agreement and in accordance with applicable law, including all Federal, State of California (State), and local laws, regulations, rules, and guidelines pertaining to the provision of mental health services.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

**I. SERVICES TO BE PROVIDED**

CONTRACTOR shall provide the services set forth in this Agreement, including the program services detailed in Exhibit A, to the recipient population and to the COUNTY, in compliance with the terms of this Agreement. These services can be summarized as follows: **school-based counseling services for children exposed to violence and trauma.**

**II. EXHIBITS**

The following exhibits are attached to this Agreement and incorporated herein by reference:

- EXHIBIT A: PROGRAM DESCRIPTION
- EXHIBIT B: PAYMENT AND BILLING PROVISIONS
- EXHIBIT C: CONFIDENTIALITY OF PATIENT INFORMATION

- EXHIBIT D: ASSURANCE OF COMPLIANCE WITH SECTION 504 OF THE REHABILITATION ACT OF 1973, AS AMENDED
- EXHIBIT E: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY CULTURAL COMPETENCY POLICY
- EXHIBIT F: BUSINESS ASSOCIATE AGREEMENT
- EXHIBIT G: BEHAVIORAL HEALTH INVOICE FORM
- EXHIBIT H: REVENUE AND EXPENDITURE SUMMARY
- EXHIBIT I: ANNUAL REPORT(S), AND AUDIT

### III. PAYMENT BY COUNTY

- A. The COUNTY shall pay CONTRACTOR in arrears, as applicable, for eligible services provided under this Agreement and in accordance with the terms and conditions set forth in Exhibit B. Payments are made at applicable rates up to the amounts identified for each Funded Program as shown in Exhibit B and as otherwise may be limited under this Agreement and the attachments thereto. If CONTRACTOR is paid at Provisional Rates or at Cash Flow Advances, COUNTY payments are provisional, until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. For the purposes of this Agreement, a “Funded Program” is a set of services paid through a particular funding source identified in Exhibit H, Budget and Expenditure Report, if made part of this Agreement.
- B. CONTRACTOR shall hold harmless the State and any recipients of services in the event COUNTY does not reimburse CONTRACTOR for services performed under this Agreement.

### IV. TERM AND TERMINATION

- A. Term. This Agreement shall be effective **July 1, 2021** and shall remain in effect until **June 30, 2023**.
- B. Termination without Cause. Either party may terminate this Agreement at any time without cause by serving thirty (30) calendar days’ advance written notice upon the other party. The notice shall state the effective date of the termination.
- C. Termination with Cause. COUNTY, in its sole and absolute discretion, may terminate this Agreement immediately upon the occurrence of any of the following events:
  - 1. CONTRACTOR’S failure to comply with COUNTY’S Utilization Review procedures;
  - 2. CONTRACTOR’S failure to abide by Grievance decisions;
  - 3. CONTRACTOR’S failure to meet COUNTY qualification criteria;
  - 4. CONTRACTOR’S failure to submit Annual Reports, Provider’s Certification, and accompanying audited financial statement, CONTRACTOR’S Year-End Cost Report Settlement and/or other supporting documents in accordance with the terms

of a written notice from COUNTY to CONTRACTOR, and/or, if made part of this Agreement, Exhibit I;

5. CONTRACTOR is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period.
  6. CONTRACTOR'S performance of this Agreement poses an imminent danger to the health and safety of any individual client of COUNTY;
  7. CONTRACTOR loses its licensure or certification;
  8. CONTRACTOR is suspended, excluded or otherwise becomes ineligible to participate in the Medicare, Medi-Cal, or any other government-sponsored health program;
  9. Breach by CONTRACTOR of any confidentiality obligation;
  10. Breach by CONTRACTOR of the Health Insurance Portability and Accountability Act (HIPAA) and Protected Health Information (PHI);
  11. CONTRACTOR makes an assignment for the benefit of creditors, admits in writing the inability to pay its debts as they mature, applies to any court for the appointment of a trustee or receiver over its assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law or any jurisdiction;
  12. The insurance required to be maintained by CONTRACTOR under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or CONTRACTOR) for any reason, and CONTRACTOR has not obtained replacement coverage as required by this Agreement by the effective date of such termination, reduction, non-renewal or cancellation;
  13. CONTRACTOR is rendered unable to comply with the terms of this Agreement for any reason; or
  14. COUNTY determines that CONTRACTOR is in violation or breach of any provision of this Agreement or violation of Federal, State or local laws, and thirty (30) calendar days have passed since written notice of the violation or breach has been given by COUNTY, without remedy thereof by CONTRACTOR to the satisfaction of COUNTY.
- D. Termination or Amendment in Response to Reduction of Government Funding. Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the COUNTY for services that are to be provided under this Agreement, COUNTY, in its sole and absolute discretion after consultation with the CONTRACTOR, may elect to terminate this Agreement by giving written notice of termination to CONTRACTOR effective immediately or on such other date as COUNTY specifies in the notice. Alternatively, COUNTY and

CONTRACTOR may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

- E. Survival of Obligations after Termination. Termination of this Agreement shall be effected by notice of termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. Upon termination of this Agreement, COUNTY shall no longer refer clients to the CONTRACTOR under this Agreement, and the rights and duties of the parties shall be terminated, except that the following obligations shall survive termination:
1. CONTRACTOR shall, pursuant to this Agreement and upon approval of the Behavioral Health Director, continue treatment of clients who are receiving care from CONTRACTOR until completion of treatment or until continuation of the client's care by another provider can be arranged by COUNTY;
  2. COUNTY shall arrange for such transfer of treatment no later than sixty (60) calendar days after Agreement termination if the client's treatment is not by then completed;
  3. COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services rendered prior to termination or required to be rendered after termination;
  4. Upon termination or expiration of this Agreement, CONTRACTOR shall continue to remain obligated with respect to any confidentiality obligation as described in Section VIII and in accordance with Exhibit C to this Agreement, HIPAA and PHI in accordance with Exhibit F to this Agreement, indemnification described in Section XI to this Agreement, professional liability insurance described in Section XII to this Agreement, annual reports and cost report settlement described in Section XIV and in accordance with Exhibit I to this Agreement, and access to and audit of records described in Section XV to this Agreement, and in accordance with all applicable laws; and
  5. CONTRACTOR shall not do anything or cause any other person to do anything that interferes with COUNTY'S efforts to engage any other person or entity for the provision of the services set forth in this Agreement, or interfere in any way with any relationship between COUNTY and any other person or entity who may be engaged to provide the services to COUNTY.

**V. COMPLIANCE WITH APPLICABLE LAWS AND TERMS OF FEDERAL, STATE AND/OR LOCAL STATUTES AND FEDERAL AND/OR STATE GRANTS**

- A. Compliance with Laws. In providing services and meeting requirements for payment reimbursement for mental health treatment services under this Agreement, CONTRACTOR shall comply with all applicable Federal, State, and local laws, regulations, rules, and guidelines, including, but not limited to, Title XIX of the Social Security Act, California Welfare and Institutions Code, Divisions 5, 6, and 9; California Code of Regulations, Titles 9 and 22; any Short-Doyle and Short-Doyle/Medi-Cal

policies as identified in the State Letters, Office of Management and Budget (OMB) Circular Nos. A-122 and 133, the Cost Reporting/Data Collection (CR/DC) Manual, and the Mental Health policies issued by the County of Monterey.

- B. Compliance with Terms of Federal and/or State Grants. If this Agreement is funded with monies received by the COUNTY pursuant to contract(s) with the Federal and/or State government in which the COUNTY is the grantee, CONTRACTOR shall comply with all provisions of said contract(s), to the extent applicable to CONTRACTOR as a sub-grantee under said contract(s), and said provisions shall be deemed a part of this Agreement as if fully set forth herein. Upon request, COUNTY shall deliver a copy of said contract(s) to CONTRACTOR at no cost to CONTRACTOR.

## **VI. CONTRACT MONITORING AND QUALITY CONTROL**

- A. The Federal, State and COUNTY shall have the right to inspect and evaluate the quality, appropriateness and timelines of services performed under this Agreement.
- B. The Behavioral Health Director shall assign a Contract Monitor to ensure compliance with the terms and conditions of this Agreement. The Contract Monitor and CONTRACTOR shall meet at intervals deemed appropriate by COUNTY. In addition, the Contract Monitor shall review at regular intervals all statistical reports, financial records, clinical records, and other documents concerning services provided under this Agreement. In addition, CONTRACTOR shall at all times cooperate with the COUNTY'S Quality Improvement ("QI") Plan.
- C. CONTRACTOR shall conduct reviews at regular intervals of the quality and utilization of services for all recipients of service under this Agreement. CONTRACTOR shall furnish all required data and reports in compliance with State Client and Service Information System ("CSI"). Units of time reporting, as stipulated in the Cost Reporting/Data Collection ("CR/DC") manual, are subject to special review and audit.
- D. If CONTRACTOR is an in-patient facility, CONTRACTOR shall submit its patient admissions and length of stay requests for utilization review through existing hospital systems or professional standards review organizations.

## **VII. LICENSURE, CERTIFICATION AND STAFFING REQUIREMENTS**

- A. Licensure and Certification. CONTRACTOR shall furnish qualified professional personnel as prescribed by Title 9 of the California Code of Regulations, the California Business and Professions Code, the California Welfare and Institutions Code, and all other applicable laws for the type of services rendered under this Agreement. All personnel providing services pursuant to this Agreement shall be fully licensed in accordance with all applicable law and shall remain in good professional standing throughout the entire duration of this Agreement. CONTRACTOR shall comply with all COUNTY and State certification and licensing requirements and shall ensure that all services delivered by staff are within their scope of licensure and practice.

- B. Medi-Cal Certification. If CONTRACTOR is an organizational provider of Medi-Cal specialty mental health services, CONTRACTOR shall maintain certification during the term of this Agreement. This includes meeting all staffing and facility standards required for organizational providers of Medi-Cal specialty mental health services which are claimed and notifying COUNTY'S Contract Monitor in writing of anticipated changes in service locations at least sixty (60) days prior to such change.
- C. Staff Training and Supervision. CONTRACTOR shall ensure that all personnel, including any subcontractor(s) performing services under this Agreement, receive appropriate training and supervision. CONTRACTOR shall also maintain appropriate levels of staffing at all times when performing services under this Agreement.
- D. Exclusion from Participation in Federal Health Care Program or State Equivalent.
  - 1. CONTRACTOR shall not employ or contract with providers or other individuals and entities excluded from participation in Federal health care programs under either Section 1128 or 1128A of the Social Security Act. Federal Financial Participation (FFP) is not available for providers excluded by Medicare, Medicaid, or the State Children's Insurance Program, except for emergency services.
  - 2. CONTRACTOR shall not employ or contract with services to be provided under the terms of this Agreement by any officer, employee, subcontractor, agent or any other individual or entity that is on the List of Excluded Individuals/Entities maintained by the U.S. Department of Health and Human Services, Office of the Inspector General ("OIG") or the California State Medi-Cal Suspended and Ineligible Provider List ("S&I") maintained by the California Department of Health Care Services (DHCS).
    - a. CONTRACTOR shall be responsible to determine on a monthly basis whether any of its officers, employees, subcontractors, agents, or other individuals or entities are on either or both excluded lists of OIG and S&I and shall immediately notify the COUNTY upon discovery that any of its officers, employees, subcontractors, agents, or other individuals or entities appears on either or both excluded lists.
    - b. The OIG list is currently found at the following web address: <http://exclusions.oig.hhs.gov>. The S&I list is currently found at the following web address: <http://www.medi-cal.ca.gov/references.asp>.

## VIII. PATIENT RIGHTS

- A. CONTRACTOR shall comply with all applicable patients' rights laws including, but not limited to, the requirements set forth in California Welfare and Institutions Code, Division 5, Part 1, sections 5325, et seq., and California Code of Regulations, Title 9, Division 1, Chapter 4, Article 6 (sections 860, et seq.).
- B. As a condition of reimbursement under this Agreement, CONTRACTOR shall ensure that all recipients of services under this Agreement shall receive the same level of services as other patients served by CONTRACTOR. CONTRACTOR shall ensure

that recipients of services under this Agreement are not discriminated against in any manner including, but not limited to, admissions practices, evaluation, treatment, access to programs and or activities, placement in special wings or rooms, and the provision of special or separate meals. CONTRACTOR shall comply with Assurance of Compliance requirements as set forth in Exhibit D and incorporated by reference as if fully set forth herein.

**IX. MAINTENANCE AND CONFIDENTIALITY OF PATIENT INFORMATION**

- A. CONTRACTOR shall maintain clinical records for each recipient of service in compliance with all Federal and State requirements. Such records shall include a description of all services provided by the CONTRACTOR in sufficient detail to make possible an evaluation of services, and all data necessary to prepare reports to the State, including treatment plans, records of client interviews, and progress notes.
- B. CONTRACTOR shall retain clinical records for a minimum of seven (7) years and, in the case of minors, for at least one (1) year after the minor has reached the age of majority, but for a period of no less than seven (7) years. Clinical records shall be the property of the COUNTY and maintained by the CONTRACTOR in accordance with Federal, State and COUNTY standards.
- C. CONTRACTOR shall comply with the Confidentiality of Patient Information requirements set forth in Exhibit C and incorporated by reference as if fully set forth herein.

**X. REPORTS OF DEATH, INJURY, DAMAGE, OR ABUSE**

- A. Reports of Death, Injury, or Damage. If death, serious personal injury, or substantial property damage occur in connection with the performance of this Agreement, CONTRACTOR shall immediately notify the Behavioral Health Director by telephone. In addition, CONTRACTOR shall promptly submit to COUNTY a written report including: (1) the name and address of the injured/deceased person; (2) the time and location of the incident; (3) the names and addresses of CONTRACTOR'S employees or agents who were involved with the incident; (4) the names of COUNTY employees, if any, involved with the incident; and (5) a detailed description of the incident.
- B. Child Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of child abuse or neglect are promptly reported to proper authorities as required by the Child Abuse and Neglect Reporting Act, California Penal Code sections 11164, et seq. CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

- C. Elder Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of abuse or neglect of elderly people 65 years of age or older and dependent adults age 18 or older are promptly reported to proper authorities as required by the Elder Abuse and Dependent Adult Protection Act (California Welfare and Institutions Code, sections 15600 Code, et seq.). CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

## **XI. INDEMNIFICATION**

CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

## **XII. INSURANCE**

- A. Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

- B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A- VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Contracts/Purchasing Officer.
- C. Insurance Coverage Requirements. Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.
  2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over \$100,000 or of not less than \$500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is \$100,000 and less.
  3. Workers Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.
  4. Professional Liability Insurance, if required for the professional service being provided, (e.g., those persons authorized by a license to engage in business or profession regulated by the California Business and Professional Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.
- D. Other Insurance Requirements, All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the CONTRACTOR'S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY'S contract administrator and the COUNTY'S Contracts/Purchasing Office, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY'S Contract Administrator and COUNTY'S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Section III (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section IV.

### **XIII. BUDGET AND EXPENDITURE REPORT**

- A. CONTRACTOR shall submit, as requested by the COUNTY, the Budget and Expenditure Report provided as Exhibit H, if made part of this Agreement, identifying CONTRACTOR'S allowable costs and program revenues. COUNTY shall identify program revenues for COUNTY funds, and CONTRACTOR shall identify allowable costs and other program revenues as defined in Exhibit B, Section VI, paragraph B of this Agreement, if applicable. The budget shall be the basis for payment reimbursements, cost settlement activities, and audits.
- B. CONTRACTOR shall submit an electronic copy of the Six-(6) Month and the Year-to-Date Budget and Expenditure report by February 15 and by the date specified by the COUNTY, respectively, to the COUNTY using Exhibit H as the template format. The report shall include data related to the actual costs incurred, revenues earned, and the number of actual clients served by each funded program.

#### **XIV. PREPARATION OF ANNUAL REPORT(S) AND CONTRACTOR'S YEAR-END COST REPORT SETTLEMENT**

A. Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. CONTRACTOR shall submit by COUNTY'S required deadlines the following, as it pertains to this Agreement:

1. State Cost Report.
2. Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports.
3. Annual Report(s), as applicable and required by the COUNTY.
4. CONTRACTOR'S Year-End Cost Report Settlement in accordance with the terms and conditions set forth in Exhibit I, if made part of this Agreement.

Such Annual Reports, numbered (1) through (3) above, and such cost report settlement, numbered (4) above, shall be prepared in accordance with generally accepted accounting principles and Federal, State and COUNTY reimbursement requirements using forms, templates and instructions provided by the COUNTY.

B. Preparation and Submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement in Response to Termination or Cancellation of Agreement. If this Agreement is terminated or canceled prior to June 30th of any fiscal year, CONTRACTOR shall prepare and submit to COUNTY an Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding and shall adhere to the terms and conditions set forth in Exhibit I, if made part of this Agreement. If Exhibit I is not a part of this Agreement, CONTRACTOR shall prepare and submit to COUNTY a cost report and any applicable reports as requested by the COUNTY.

C. Non-submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. Failure to submit the Annual Report(s) and/or the CONTRACTOR'S Year-End Cost Report Settlement, described in Section XIV (A), within thirty (30) calendar days after COUNTY'S applicable due date(s) is a breach of this Agreement, which entitles COUNTY, in its sole and absolute discretion, to (1) disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding, (2) withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR, and/or (3) terminate this Agreement pursuant to Section IV. CONTRACTOR shall comply with Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement requirements as set forth in Exhibit I, if Exhibit I is made part of this Agreement.

D. Cost Report Training. CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further training as needed and as required in accordance with changes in the State cost report requirements. CONTRACTOR shall adhere to cost report training requirements and shall comply in accordance with Exhibit I, Section III, if made part of this Agreement.

## **XV. ACCESS TO AND AUDIT OF RECORDS**

- A. Right to Inspect Records. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State laws including, but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., the COUNTY or its representative, Federal or State governments may conduct an audit, review or other monitoring procedures of the CONTRACTOR regarding the services/activities provided under this Agreement. The COUNTY or its representative, Federal or State governments shall have the right to inspect any and all books, records, and facilities maintained by CONTRACTOR during normal business hours and without advance notice to evaluate the use of funds and the cost, quality, appropriateness, and timeliness of services.
- B. Maintenance of Records. CONTRACTOR shall maintain any and all records documenting all services set forth under this Agreement for a period of seven (7) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits, CONTRACTOR'S Year-End Cost Report Settlement, State Cost Report Settlement, or appeals, whichever occurs later. CONTRACTOR shall maintain such records in a form comporting with generally accepted accounting and auditing standards and all applicable laws.
- C. Overpayment. If the results of any audit, CONTRACTOR'S Year-End Cost Report Settlement, or State Cost Report Settlement shows that the funds paid to CONTRACTOR under this Agreement exceeded the amount due, then CONTRACTOR shall pay the excess amount to COUNTY in cash not later than thirty (30) calendar days after the COUNTY notifies the CONTRACTOR of such overpayment; or, at COUNTY'S election, COUNTY may recover the excess or any portion of it by offsets made by COUNTY against any payment(s) owed to CONTRACTOR under this or any other Agreement or as set forth in Exhibit I, if made part of this Agreement.
- D. Responsibility for Audit and/or Cost Report Settlement Exceptions. Any and all audit and/or Cost Report Settlement exceptions by COUNTY or any Federal or State agency resulting from an audit and/or Cost Report Settlement of CONTRACTOR'S performance of this Agreement, or actions by CONTRACTOR, its officers, agents, and employees shall be the sole responsibility of the CONTRACTOR.
- E. Availability of Records for Grievances and Complaints by Recipients of Service. CONTRACTOR shall ensure the availability of records for the prompt handling of grievances or complaints filed by recipients of services. Release of records shall be subject to the confidentiality provisions set forth in this Agreement.
- F. Reports. CONTRACTOR shall prepare any reports and furnish all information required for reports to be prepared by the COUNTY as may be required by the State of California or applicable law.

## **XVI. NON-DISCRIMINATION**

- A. Non-discrimination. During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, sex, national origin, ancestry, mental or physical handicap, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR'S employment practices or in the furnishing of services to recipients. CONTRACTOR shall insure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be unlawful discrimination. In addition, CONTRACTOR'S facility access for the disabled shall comply with § 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794).
- B. Discrimination defined. The term "discrimination," as used in this Agreement, is the same term that is used in Monterey County Code, Chapter 2.80 ("Procedures for Investigation and Resolution of Discrimination Complaints"); it means the illegal denial of equal employment opportunity, harassment (including sexual harassment and violent harassment), disparate treatment, favoritism, subjection to unfair or unequal working conditions, and/or discriminatory practice by any Monterey County official, employee or agent, due to an individual's race, color, ethnic group, sex, national origin, ancestry, religious creed, sexual orientation, age, veteran's status, cancer-related medical condition, physical handicap (including AIDS) or disability. The term also includes any act of retaliation.
- C. Application of Monterey County Code Chapter 2.80. The provisions of Monterey County Code Chapter 2.80 apply to activities conducted pursuant to this Agreement. CONTRACTOR and its officers and employees, in their actions under this Agreement, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free from discrimination, as required by Chapter 2.80. Complaints of discrimination made by recipients of services against CONTRACTOR may be pursued by using the procedures established by or pursuant to Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for prompt and fair investigation and resolution of discrimination complaints made against CONTRACTOR by its own employees and agents or recipients of services pursuant to this Agreement, and CONTRACTOR shall provide a copy of such procedures to COUNTY on demand by COUNTY.
- D. Compliance with Applicable Law. During the performance of this Agreement, CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations which prohibit discrimination including, but not limited to, the following:
1. California Code of Regulations, Title 9, §§ 526, 527;
  2. California Fair Employment and Housing Act, (Govt. Code § 12900, et seq.), and the administrative regulations issued thereunder, Cal. Code of Regulations, Title 2, § 7285, et seq.;
  3. California Government Code, sections 11135-11139.5 (Title 2, Div. 3, Part 1, Chap. 1, Art. 9.5) and any applicable administrative rules and regulations issued under these sections;

4. Federal Civil Rights Acts of 1964 and 1991 (see especially Title VI, 42 U.S.C. § 2000(d), et seq.), as amended, and all administrative rules and regulations issued thereunder (see especially 45 C.F.R. Parts 80);
5. Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §§ 793 and 794); all requirements imposed by the applicable HHS regulations (45 C.F.R. Part 84); and all guidelines and interpretations issued pursuant thereto;
6. Americans with Disabilities Act of 1990, 42 U.S.C. §12101, et seq., and 47 U.S.C. §§ 225 and 611, and any Federal regulations issued pursuant thereto (see 24 C.F.R. Chapter 1; 28 C.F.R. Parts 35 and 36; 29 C.F.R. Parts 1602, 1627, and 1630; and 36 C.F.R. Part 1191);
7. Unruh Civil Rights Act, Cal. Civil Code § 51, et seq.
8. California Government Code section 12900 (A-F) and California Code of Regulations, Title 2, Division 4, Chapter 5.

In addition, the applicable regulations of the California Fair Employment and Housing Commission implementing Government Code § 12990 as set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full.

- E. Written Assurance. Upon request by COUNTY, CONTRACTOR shall give any written assurances of compliance with the Civil Rights Acts of 1964 and 1991, the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, as may be required by the Federal government in connection with this Agreement, pursuant to 45 C.F.R. sec. 80.4 or C.F.R. § 84.5 or other applicable Federal or State regulations.
- F. Written Statement of Non-discrimination Policies. CONTRACTOR shall maintain a written statement of its non-discrimination policies and procedures. Such statement shall be consistent with the terms of this Agreement and shall be available to CONTRACTOR'S employees, recipients of services, and members of the public upon request.
- G. Notice to Labor Unions. CONTRACTOR shall give written notice of its obligations under this section to labor organizations with which it has a collective bargaining or other agreement.
- H. Access to Records by Government Agencies. CONTRACTOR shall permit access by COUNTY and by representatives of the State Department of Fair Employment and Housing and any Federal or State agency providing funds for this contract upon reasonable notice at any time during normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, facilities, and other sources of information as the inspecting party may deem appropriate to ascertain compliance with these nondiscrimination provisions.
- I. Binding on Subcontractors. The provisions above shall also apply to all of CONTRACTOR'S subcontractors who provide services pursuant to this Agreement. CONTRACTOR shall include the non-discrimination and compliance provisions set

forth above in all its subcontracts to perform work or provide services under this Agreement.

## **XVII. CULTURAL COMPETENCY AND LINGUISTIC ACCESSIBILITY**

- A. CONTRACTOR shall provide services in a culturally competent manner to assure access to services by all eligible individuals as required by State regulations and policies, other applicable laws, and in accordance with Exhibit E of this Agreement. Cultural competency is defined as a congruent set of practice skills, behaviors, attitudes, and policies that enable staff to work effectively in providing contractual services under this Agreement in cross-cultural situations. Specifically, CONTRACTOR'S provision of services shall acknowledge the importance of culture, adapt services to meet culturally unique needs, and promote congruent skills, behaviors, attitudes, and policies enabling all persons providing services to function effectively in cross-cultural situations.
- B. CONTRACTOR shall provide linguistically accessible services to assure access to services by all eligible individuals as required by State regulations and policies and other applicable laws. Specifically, CONTRACTOR shall provide services to eligible individuals in their primary language through linguistically proficient staff or interpreters. Family members, friends, or neighbors may be used as interpreters only in emergency situations.
- C. For the purposes of this Section, "access" is defined as the availability of medically necessary mental health services in a manner that promotes and provides the opportunity for services and facilitates their use.

## **XVIII. DRUG FREE WORKPLACE**

CONTRACTOR shall submit to the COUNTY evidence of compliance with the California Drug-Free Workplace Act of 1990, California Government Code sections 8350, et seq., to provide a drug-free workplace by doing all of the following:

- A. Publishing a Statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person's or organization's workplace and specifying the actions that shall be taken against employees for violations of the prohibitions.
- B. Establishing a drug-free awareness program to inform employees about all of the following:
  - 1. The dangers of drug abuse in the workplace;
  - 2. The person's or organization's policy of maintaining a drug-free workplace;
  - 3. Any available drug counseling, rehabilitation, and employees assistance programs;
  - 4. The penalties that may be imposed upon employees for drug abuse violations;
  - 5. Requiring that each employee engaged in the performance of the Agreement or grant is given a copy of the company's drug-free policy statement and that, as a

condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

## **XIX. INDEPENDENT CONTRACTOR**

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including, but not limited to sick leave, vacation, or retirement benefits, workers' compensation coverage, insurance, disability benefits, or social security benefits, or unemployment compensation or insurance. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes including, but not limited to, Federal and State income taxes and Social Security, arising out of CONTRACTOR'S compensation for performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold the COUNTY harmless from any and all liability COUNTY may incur because of CONTRACTOR'S failure to pay such taxes when due.

## **XX. SUBCONTRACTING**

CONTRACTOR may not subcontract any services under this Agreement without COUNTY'S prior written authorization. At any time, COUNTY may require a complete listing of all subcontractors employed by the CONTRACTOR for the purpose of fulfilling its obligations under the terms of this Agreement. CONTRACTOR shall be legally responsible for subcontractors' compliance with the terms and conditions of this Agreement and with applicable law. All subcontracts shall be in writing and shall comply with all Federal, State, and local laws, regulations, rules, and guidelines. In addition, CONTRACTOR shall be legally responsible to COUNTY for the acts and omissions of any subcontractor(s) and persons either directly or indirectly employed by subcontractor(s).

## **XXI. GENERAL PROVISIONS**

- A. Amendment. This Agreement may be amended or modified only by an instrument in writing signed by all the parties hereto.
- B. Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement, either in whole or in part, without the prior written consent of the COUNTY. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the COUNTY. Any assignment without such consent shall automatically terminate this Agreement. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.

- C. Authority. Any individual executing this Agreement on behalf of an entity represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such entity and bind the entity to the terms and conditions of the same.
- D. Compliance with Applicable Law. The parties shall comply with all applicable Federal, State, and local laws and regulations in performing this Agreement.
- E. Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.
- F. Construction of Agreement. The parties agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto.
- G. Contractor. The term “CONTRACTOR” as used in this Agreement includes CONTRACTOR’S officers, agents, and employees acting on CONTRACTOR’S behalf in the performance of this Agreement.
- H. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.
- I. Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.
- J. Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.
- K. Headings. The section and paragraph headings are for convenience only and shall not be used to interpret the terms of this Agreement.
- L. Integration. This Agreement, including the exhibits hereto, shall represent the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all prior negotiations, representations, and/or agreements, either written or oral, between the parties as of the effective date hereof.
- M. Non-exclusive Agreement. This Agreement is non-exclusive and both parties expressly reserve the right to contract with other entities for the same or similar services.
- N. Severability. In the event of changes in law that effect the provisions of this Agreement, the parties agree to amend the affected provisions to conform to the

changes in the law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Agreement are severable and, in the event of changes in law as described above, the unaffected provisions and obligations of this Agreement shall remain in full force and effect.

- O. Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the COUNTY and CONTRACTOR under this Agreement, to the extent assignable or delegable, shall be binding upon and insure to the benefit of the parties and their respective successors, permitted assigns, and heirs.
- P. Time is of the essence. Time is of the essence in each and all of the provisions of this Agreement.
- Q. Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the parties hereto. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

**EXHIBIT A:  
PROGRAM DESCRIPTION**

---

**I. IDENTIFICATION OF PROVIDER**

Harmony at Home  
3785 Via Nona Marie #300  
Carmel, CA 93923  
831-625-5160

Incorporation Status: Non-profit  
Type of Program: School-based  
Type of License(s): Marriage Family Therapy (MFT), MFT Intern, Licensed Clinical Social Worker (LCSW), Associate in Social Work Intern, and Pupil Personnel Services Credential Interns, supervised by MFT's & LCSW's

**II. POPULATION OF FOCUS**

Monterey County school-aged children who have been exposed to Adverse Childhood Experiences (ACES) and other trauma that impacts their mental health and wellbeing.

**III. PROGRAM DESCRIPTION**

- A. The Sticks & Stones Program is a prevention program for children exposed to violence and trauma in Monterey County. Harmony at Home's (HAH) mission is "to end the cycles of violence and abuse by empowering children and young adults with the knowledge, skills, and confidence to lead healthy and productive lives."
- B. The School-Based Counseling Program shall address the emotional trauma and related issues of children who have witnessed violence. This PEI program shall be delivered by the CONTRACTOR working in a non-traditional mental health setting to reduce the stigma that children may otherwise face as a result of having to endure the effects of being exposed to trauma. Psychosocial educational counseling or brief therapy in a group setting or individual basis will be provided to help prevent the development of serious emotional disturbance. Services will be provided virtually on an individual basis, if a child is not at school or in person at the school site either individually or in a small (3-5 people) group. Adjunctive family psycho-education and supports will be provided, on a limited basis, depending on the hours contracted with each school partner, to help parents/caregivers respond to the developmental needs of their children in a trauma-informed manner. Parent support services may be offered virtually or in person.

**IV. SCOPE OF WORK**

- A. CONTRACTOR shall provide counseling services on school grounds and at an offsite location as it is deemed necessary, to address the emotional needs of children who have experienced trauma.

- B. CONTRACTOR shall work with parents/caregivers initially to obtain their authorization to serve their child and will also provide parent/caregivers with tools to help create a home environment that will foster a child's healthy psychological and emotional development.
- C. CONTRACTOR shall consult with parents/caregivers to assess and refer them to the appropriate support services to help them address their children's needs in relationship to the mental health services the child is receiving for trauma related issues.
- D. CONTRACTOR shall address domestic violence issues from the perspective of trauma-exposed children who are living in stressed families and are at risk of school failure or juvenile justice involvement.
- E. CONTRACTOR shall develop and maintain partnerships with Monterey County public schools, Monterey County Behavioral Health Bureau and local community-based organizations and shall link students in need of additional mental health services and supports through the referral system established at the school site where the student is enrolled.
- F. CONTRACTOR shall participate in planning for sustainability of the program in collaboration with key Behavioral Health staff and the PEI Coordinator.
- G. CONTRACTOR shall assure services are planned, provided and evaluated using practices that demonstrate the core values of the Mental Health Services Act, i.e. culturally and linguistically competent; consumer and family driven; integrated and coordinated service experience; wellness and recovery focused; strength-based and resiliency-building; timely and accessible.
- H. CONTRACTOR shall provide services to a minimum of 200 children each fiscal year and a minimum of 50 parent contacts and/or referrals.
- I. CONTRACTOR shall provide trauma-informed counseling services to students in Monterey County public schools in districts identified in collaboration with the Monterey County Behavioral Health. Districts will be selected based on factors indicating highest need, such as: service disparities and student demographics determining that the students to be served are members of an underserved cultural population. Underserved cultural populations is defined as: those who are unlikely to seek help from any traditional mental health service either because of stigma, lack of knowledge, or other barriers, such as members of ethnically/racially diverse communities, members of gay, lesbian, bisexual, transgender communities, etc., that seek non-traditional mental health services.
- J. CONTRACTOR shall provide identified districts with the following:
  - Three (3) ten (10) week School-based Counseling program series over a thirty-four (34) week term. In each ten (10) week counseling program series a minimum of four (4) children shall be served, if services are provided in person. Services provided virtually are delivered on an individual basis.
  - The fourth program series consists of the Parent Education and Family Support services over the school term.

- K. CONTRACTOR shall assign a licensed clinician or qualified intern/trainee to each of the school sites being served.
- L. CONTRACTOR shall provide assessments determining the service needs of each referral and provide referrals to other services as needed.
- M. CONTRACTOR shall provide clinical supervision for CSU Monterey Bay Master of Social Work Program student interns who will enhance the level of counseling services available in the schools setting.

**V. PROGRAM GOALS**

- A. To improve child and/or youth overall functioning.
- B. To promote parent/caregiver involvement in meeting their child’s academic, social and psychological needs.
- C. To provide community resource information and referrals for children and families requiring additional mental health services.
- D. To prevent the future development of serious emotional disturbance and/or serious mental illness.
- E. To reduce stigma regarding domestic violence, mental illness and those who access mental health services.

**VI. REPORTING REQUIREMENTS**

CONTRACTOR shall meet regularly with the designated Behavioral Health Service Manager to monitor progress on client and program outcomes.

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, DHCS and County. CONTRACTOR shall report to MCBH’s designated Contract Monitor and Prevention Services Manager, on a quarterly and annual basis, demographic data for each service provided, as well as the program goals and outcomes included in each Program Description. As part of the County’s ongoing PEI Program Evaluation process, these required program data and outcome reporting requirements may be revised to assure compliance with State PEI regulations.

## **EXHIBIT B: PAYMENT AND BILLING PROVISIONS**

---

### **I. PAYMENT TYPES**

Negotiated Rate up to the maximum contract amount.

### **II. PAYMENT RATE/MONTHLY PAYMENT SCHEDULE**

<b>Program Description</b>	<b>Number of Service Months per Year</b>	<b>Fiscal Year &amp; Monthly Rate</b>	<b>Fiscal Year Total Annual Amount</b>
School-Based Counseling	10	FY 2021-22 \$9,112	\$91,120
		FY 2022-23 \$9,112	\$91,120

### **III. PAYMENT CONDITIONS**

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY’S Maximum Allowances (CMA), which is based on the most recent State’s Schedule of Maximum Allowances (SMA) as established by the State’s Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY’S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section III.

Said amounts shall be referred to as the “Maximum Obligation of County,” as identified in this Exhibit B, Section IV.

- B. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- C. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30<sup>th</sup>) day of the month following the month of service. See Section III, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Cost Reimbursement Invoice Form in Excel format with electronic signature along with supporting documentations, as may be required by the COUNTY for services rendered to:

[MCHDBHFinance@co.monterey.ca.us](mailto:MCHDBHFinance@co.monterey.ca.us)

- D. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any “obligations incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.
- E. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- F. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar

days of receiving the certified invoice.

- G. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

#### IV. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$182,240** for services rendered under this Agreement.
- B. Maximum Annual Liability:

FISCAL YEAR	FUNDING SOURCE	AMOUNT
FY 2021-2022	MHSA PEI Funds	\$91,120
FY 2022-2023	MHSA PEI Funds	\$91,120
<b>TOTAL AGREEMENT MAXIMUM LIABILITY</b>		<b>\$182,240</b>

- C. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.
- D. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- E. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

#### VI. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files,

contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.

- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.
- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.
- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

## **VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS**

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.

D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

## **VII. AUTHORITY TO ACT FOR THE COUNTY**

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

**EXHIBIT C: CONFIDENTIALITY OF PATIENT INFORMATION**

Confidentiality of Patient Information and Records. All patient information and records are confidential. CONTRACTOR shall maintain the confidentiality of all patient records, including billings and computerized records, in accordance with all state and federal law relating to confidentiality of patient records and patient information, including but not limited to: Welfare and Institutions Code sections 5328, *et seq.*, 14100.2, and 10850, *et seq.*; Title 45 Code of Federal Regulations section 205.50, and Title 42, CFR, section 431.300 *et seq.*

“Patient information” or "confidential information" includes any patient/recipient of services identifying information including, but not limited to: name, identifying numbers, symbol, fingerprint, photograph or voice print. In addition, “patient information” or “confidential information” includes all information CONTRACTOR has obtained about a patient/recipient of services whether or not a documentary record of such information exists.

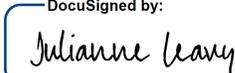

Use and Disclosure of Patient Information. Confidential information gained by CONTRACTOR from access to records and from contact with patients/recipients of service and complainants shall be used by CONTRACTOR only in connection with its performance under this Agreement. CONTRACTOR shall not disclose patient records or information, including the identities of patients/recipients of service, without proper consent to such disclosure or a court order requiring disclosure. In addition, CONTRACTOR shall obtain COUNTY's authorization to such disclosure prior to any release of confidential information. The COUNTY, through the Behavioral Health Director, shall have access to such confidential information.

Penalty for Unauthorized Disclosure. CONTRACTOR understands that disclosure of patient information in violation of law may subject the party releasing the information to a minimum of \$10,000 in civil damages, as set forth in Welfare and Institutions Code Section 5330.

Duty to Warn. CONTRACTOR understands that persons providing services under this Agreement may, in certain situations involving a patient or recipient of services who is a danger to himself or others, have a duty to warn third parties of such danger and should consult supervisory staff and/or legal counsel about such duty to warn as appropriate.

Dissemination of these Confidentiality Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

*By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above confidentiality provisions.*

## **EXHIBIT E: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY'S CULTURAL COMPETENCY POLICY**

---

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

### **Organizations in a Culturally Competent Service System Promote:**

#### **Quality Improvement**

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

#### **Collaboration**

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

#### **Access**

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

### **Cultural Competent Services:**

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.
- Provide options for services, which are consistent with the client's beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.

- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Trique and other languages spoken of Monterey County residents).

### **Definitions for Cultural Competency**

*“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.*

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

*“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.*

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

*[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.*

(Cross, Bazron, Dennis & Issacs, 1989)

*The ability to work effectively with culturally diverse clients and communities.*

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Trique, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials, resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring

that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.
4. Support the county’s goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3-year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.
  - o Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.
  - o
  - o **By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above provisions.**

## **EXHIBIT F: BUSINESS ASSOCIATE AGREEMENT**

---

This Business Associate Agreement (“Agreement”), effective **July 1, 2021** (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department (“Covered Entity”) and **Harmony At Home** (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et. seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

### **1. Definitions**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

### **2. Permitted Uses And Disclosures Of PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law , or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

### **3. Responsibilities Of The Parties With Respect To PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

(h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) if all or any portion of the PHI is maintained in a Designated Record Set:

(i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and

(ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

(a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;

(b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and

(c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

(d) Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

(e) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;

(f) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;

(g) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;

(h) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and

(i) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### **4. Terms And Termination**

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. Miscellaneous

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

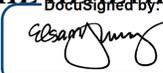

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County’s reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys’ fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

**EXHIBIT I:  
ANNUAL REPORT(S) AND AUDIT**

---

**I. ANNUAL REPORT(S)**

- A. For each fiscal year or portion thereof that this Agreement is in effect, CONTRACTOR shall provide COUNTY with accurate and complete Annual Report(s) known as the State Cost Report, the Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports, and the Annual Report(s), as applicable and required by the COUNTY in electronic forms and hard copies along with duly signed Provider's Certification and copy of audited financial statement and/or other supporting documents that the COUNTY may require, by the due date specified in this Exhibit F, Section I., Paragraph C.
- B. An accurate and complete State Cost Report and/or Annual MHSA Revenue and Expenditure Report shall be defined as Annual Report(s) which is (are) completed to the best of the ability of CONTRACTOR on such forms or in such formats as specified by the COUNTY and consistent with such instructions as the COUNTY may issue and are based on the best available data and based on the CONTRACTOR'S Financial Summary applicable to the fiscal year. Further, CONTRACTOR shall certify under penalty of perjury that the CONTRACTOR has not violated any of the provisions of Section 1090 through 1096 of the Government Code and with respect to MHSA funding; is in compliance with California Code of Regulations, Title 9, Division 1, Chapter 14, Article 4, Section 3410, Non-Supplant and Article 5, Section 3500, non-Supplant Certification and Reports; that the amount for which reimbursement is claimed in the Annual Report(s) is in accordance with Chapter 3, Part 2. Division 5 of the Welfare and Institutions Code; and WIC Section 5891 and that to the best of the CONTRACTOR'S knowledge and belief the information on Annual Report(s) is (are) in all respects, correct, and in accordance with the law.
- C. The Annual Report(s) shall be due on September 15<sup>th</sup> for the fiscal year ending on the previous June 30<sup>th</sup> or seventy-five (75) days following the expiration or termination date of this Agreement, or forty-five (45) days after the COUNTY transmits the cost report template electronically to the CONTRACTOR, whichever occurs later. Should the due date fall on a weekend, such report(s) shall be due on the following business day.
1. Failure to submit the Annual Report(s) within thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C) is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:
    - a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Annual Report(s) is (are) outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the Annual Report(s) is (are) submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C), of its

intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the Annual Report(s) to avoid disallowance of claims or withholding of payments.

- b. In such instance that CONTRACTOR does not submit the Annual Report(s) by thirty (30) calendar days after the applicable due date specified in this Exhibit I, Section I, Subsection (C), COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the Annual Report(s) is (are) outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section III (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.
- D. The Annual Report(s) shall be prepared by the CONTRACTOR in accordance with the instructions, rules, policies and procedures established by the Federal government, State and COUNTY.

## **II. AUDIT(S) AND AUDIT APPEALS**

- A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal government, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.
- B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.
- C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.
  - 1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.

2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.
  3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section III (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.
- D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.
1. For Federal audit exceptions, Federal audit appeal processes shall be followed.
  2. CONTRACTOR may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.
  3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.
    - a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.
    - b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.
- E. Notwithstanding any other provisions of this Agreement, if CONTRACTOR appeals any audit report, the appeal shall not prevent the COUNTY from recovering from CONTRACTOR any amount owed by CONTRACTOR that the Federal Government or State has recovered from COUNTY.
- F. Should the auditing party be the COUNTY, CONTRACTOR shall have thirty (30) calendar days from the date of the audit report with in which to file an appeal with COUNTY. The letter providing the CONTRACTOR with notice of the audit findings shall indicate the person(s) and address to which the appeal should be directed. COUNTY shall consider all information provided by CONTRACTOR with its appeal, and shall issue its decision on the appeal after such consideration. Such decision is final. COUNTY shall issue an invoice for any amount due COUNTY fifteen (15) calendar days after COUNTY has notified CONTRACTOR of the COUNTY'S audit appeal findings. CONTRACTOR shall make

payment to the COUNTY in accordance with the terms of Section III (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

### **III. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY**

- A. Within ten (10) business days after written notification by COUNTY to CONTRACTOR of any amount due by CONTRACTOR to COUNTY, CONTRACTOR shall notify COUNTY as to which of the following five (5) payment options CONTRACTOR requests be used as the method by which such amount shall be recovered by COUNTY.

Any such amount shall be:

1. paid in one cash payment by CONTRACTOR to COUNTY;
  2. deducted from future claims over a period not to exceed six (6) months;
  3. deducted from any amounts due from COUNTY to CONTRACTOR whether under this Agreement or otherwise;
  4. paid by cash payment(s) by CONTRACTOR to COUNTY over a period not to exceed six (6) months; or
  5. a combination of any or all of the above.
- B. If CONTRACTOR does not so notify COUNTY within such ten (10) days, or if CONTRACTOR fails to make payment of any such amount to COUNTY as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by COUNTY for recovery of such amount from CONTRACTOR.

Consent

**Version:** 1

**Matter Type:** BoS Agreement

- a. Approve and authorize the Director of Health or the Assistant Director of Health to execute an Animal Services Agreement between the County of Monterey and the City of Carmel-by-the-Sea (City), for the term retroactive to July 1, 2022 to June 30, 2024 for the use of the Animal Services Center and the provision of other animal services; and
- b. Approve and authorize the Director of Health or the Assistant Director of Health to sign up to three (3) future amendments to this Agreement where the amendments do not significantly change the scope of work.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

- a. Approve and authorize the Director of Health or the Assistant Director of Health to execute an Animal Services Agreement between the County of Monterey and the City of Carmel-by-the-Sea (City), for the term retroactive to July 1, 2022 to June 30, 2024 for the use of the Animal Services Center and the provision of other animal services; and
- b. Approve and authorize the Director of Health or the Assistant Director of Health to sign up to three (3) future amendments to this Agreement where the amendments do not significantly change the scope of work.

### SUMMARY/DISCUSSION:

The Monterey County Health Department's Animal Services Program (County) is responsible for providing animal control services in the unincorporated areas of Monterey County. It also operates an Animal Services Center located at 160 Hitchcock Road, Salinas, California that offers an array of services, including but not limited to shelter, veterinary, quarantine, and licensing services.

The City of Carmel-by-the-Sea desires to contract with the County for the provision of animal sheltering and pet licensing services at the Animal Services Center. The services to be provided to the City of Carmel-by-the-Sea by the County include sheltering of stray and surrendered domestic animals, pet licensing of dogs or cats owned by City residents and providing rabies testing for animals to rule out suspected rabies as needed. The City of Carmel-by-the-Sea has contracted with the County of Monterey in previous years for similar services. This agreement aligns fees and services provided to the City of Carmel-by-the-Sea with other cities that contract with Animal Services for similar services.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Goals: 1. To empower the community to improve health; and 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health Services. It also supports the following of the ten essential

public health services, specifically: 1. Monitor health status to identify and solve community health problems; and 4. Mobilize community partnerships and action to identify and solve health problems; and 6. Enforce laws and regulations that protect health and safety.

OTHER AGENCY INVOLVEMENT:

The office of County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to legal form, and fiscal provisions, respectively.

FINANCING:

Appropriations for this Agreement are included in the Health Department's (HEA001-8442) Fiscal Year (FY) 2022-23 Adopted Budget, and provision for it will be made in the Health Department's FY 2023-24 Requested Budget.

Agreement

**AGREEMENT FOR USE OF THE ANIMAL SERVICES CENTER  
AND OTHER ANIMAL SERVICES BY MONTEREY COUNTY AND THE CITY OF  
CARMEL BY THE SEA  
Fiscal Year 2022-2024**

This Agreement (“Agreement”) for the use of the Animal Services Center and the provision of other animal services is between the County of Monterey, a political subdivision of the State of California (“County”), doing business as the Animal Services Division of the Department of Health, and the City of Carmel by the Sea (“CITY”). It is effective between July 1, 2022 and June 30, 2024. County and CITY are sometimes referred to in this Agreement as a “party” or, collectively, as “the Parties.”

**RECITALS**

WHEREAS, the COUNTY has established the Health Department Animal Services Center, located at 160 Hitchcock Road, Salinas, to shelter animals within the unincorporated areas of the county; and

WHEREAS, the CITY desires to contract with the COUNTY for the provision of services at the Animal Services Center as described below; and

WHEREAS, the COUNTY agrees to provide such services in accordance with the provisions of this Agreement, Title 8 of the Monterey County Code and applicable law.

**NOW, THEREFORE, IT IS MUTUALLY AGREED AS FOLLOWS:**

**1. DEFINITIONS**

**Stray holding period**, is the averaged minimum stray holding period of 5 days that COUNTY will hold an animal with no known owner information before determining final disposition.

**Extended holding period** is the 10-day hold that COUNTY will hold an animal for either bite quarantine or official owner notification before determining final disposition.

**Domestic Animals** include cats, dogs, rabbits, guinea pigs, hamsters, pot-bellied pigs, birds, lizards, snakes, turtles or tortoises, and other similar animals customarily kept as household pets. This definition shall not be construed to include exotic animals, livestock, large animals, or wildlife.

**Exotic Animals** are any animals that are not indigenous to Monterey County, are not livestock, and are not a household pet, whether domesticated or not, or protected or not. Exotic animals include nondomestic animals, animals native to a foreign country or of foreign origin or character, or animals that are not commonly kept as pets.

**AGREEMENT FOR USE OF THE ANIMAL SERVICES CENTER  
AND OTHER ANIMAL SERVICES BY MONTEREY COUNTY AND THE CITY OF  
CARMEL BY THE SEA  
Fiscal Year 2022-2024**

**Large Animals** are all animals exceeding 200 pounds in weight.

**Livestock** includes every horse, ass, burro, donkey, mule, equine creature, cow, bull, steer, heifer, ox, bovine creature, llama, sheep, goat, hog, and domesticated bird not customarily kept as household pets.

**Wildlife** includes any animal that is indigenous to Monterey County, and not domesticated, protected or not. Wildlife does not include, among other animals, feral livestock, household pets or exotic animals.

**2. ANIMAL SERVICES TO BE PROVIDED BY COUNTY**

County's responsibilities for shelter and veterinary services under this Agreement do not apply to exotic animals, large animals, livestock, or wildlife.

A. Program Management and Administration

COUNTY shall manage and administer the Animal Services Center to provide appropriate facilities, staffing, and record maintenance for the services set forth below.

B. Shelter Services and Disposition of Animals

COUNTY shall provide shelter at the Animal Services Center for stray domestic animals found within the incorporated boundaries of the CITY. Shelter services shall include the administrative tasks necessary for housing of such animals at the Animal Services Center, the care of animals during the holding period, and final disposal of animals through redemption, adoption, or humane euthanasia and disposal. COUNTY shall shelter such animals received at the Animal Service Center in accordance with applicable state regulations, local ordinances, and policies governing humane treatment of animals.

C. Disposal of Domestic Animal Carcasses

Upon request from CITY, County shall arrange for the proper disposal of domestic animal carcasses.

D. Emergency Medical Treatment

1. Request: Upon prior written request and approval from CITY, COUNTY may arrange for emergency medical treatment of CITY domestic animals either at COUNTY's veterinary clinic or with an outside veterinary clinic with which COUNTY has a current contract for the provision of medical services. Where, due to the exigent nature of circumstances, prior written request is not possible without endangering the well-being of the animal, COUNTY will make every effort to confirm an oral request for

veterinary treatment made by a CITY, in writing, as soon as possible.

2. Payment/Rates: COUNTY shall bill CITY for the emergency medical services provided at (1) the current Board-approved rates in **Exhibit A** for care provided by COUNTY's veterinary clinic or (2) contract rates for care provided by contract veterinary clinics. Where treatment is needed, in the judgment of the COUNTY's contract veterinary clinics, which exceeds \$150.00, CITY shall provide written authorization to the COUNTY to provide those services before they are rendered, as long as it does not endanger the well-being of the animal.
3. Transportation to COUNTY contract veterinary clinics:
  - a. Where an animal requiring emergency medical treatment is in COUNTY's custody at the Animal Services Center, COUNTY staff shall transport the animal to the veterinary clinic. Selection of the veterinary clinic to provide emergency medical treatment shall be in the sole discretion of COUNTY. CITY may be responsible for that transport fee (**Exhibit A**)
  - b. Where an animal requiring emergency medical treatment is not in COUNTY's custody at the Animal Services Center, CITY staff shall request COUNTY for emergency medical services to be provided to animal and CITY staff shall pick up and transport the animal directly to the COUNTY's contract veterinary clinic. Selection of the veterinary clinic to provide emergency medical treatment shall be in the sole discretion of COUNTY. COUNTY shall notify the contract veterinary clinic that an animal is being delivered for the provision of medical services pursuant to COUNTY contract. CITY will be responsible for reimbursement of that fee to COUNTY.
4. Alternatively, CITY may independently procure its own arrangements for emergency medical treatment for animals needing such care in its jurisdiction. After an animal is treated and in stable condition, CITY may deliver the animal to the COUNTY for shelter services at the Animal Services Center. CITY must provide a written medical report and care instructions to COUNTY staff prior to leaving the animal at shelter to determine that the animal can be humanely housed for required holding time.
5. During evenings, holidays and weekends, COUNTY shall contact the CITY at a designated, after-hours telephone number to receive verbal authorization for emergency treatment, if warranted.

AND OTHER ANIMAL SERVICES BY MONTEREY COUNTY AND THE CITY OF  
CARMEL BY THE SEA  
Fiscal Year 2022-2024**

E. Rabid Animals

COUNTY shall perform the following rabid animal services for all types of animals:

1. Transport tissue to the County Health Department or contract lab for testing;
2. Dispose remains of rabid animals;
3. Report rabid animal incidents to appropriate agencies.
4. When required, COUNTY shall de-brain the animal, or shall coordinate de-braining of the animal, for testing by the County Health Department;
5. CITY shall be responsible for the cost of decapitation, de-braining and transfer to testing facility as required for laboratory testing, at a rate identified in Exhibit A per animal for animals found within the incorporated boundaries of the CITY.

F. Quarantine

COUNTY shall manage the quarantine of biting domestic animals within the incorporated boundaries of the CITY pursuant to state regulations and local ordinances. COUNTY shall manage the suspected rabies quarantine of domestic animals brought in by the CITY up to the ten-day holding period required by Monterey Code section 8.32.010B(1) (rabies/suspected rabies quarantine) . In addition, COUNTY shall be responsible for keeping required records and reporting of information to the State Department of Health.

1. CITY shall be responsible for extended holding period fees for animals that are required to be housed up to 10 days for purposes of quarantine

G. Reports

COUNTY shall provide CITY with quarterly report accompanying invoices that include:

1. Total number of animals provided with shelter services and veterinary services.
2. Disposition or outcome of each animal.
3. Credit given for animals returned to their owners.

H. Field Services

Field Services—such as picking up domestic animals running at large, conducting investigations of potentially dangerous and vicious dogs, conducting bite investigations, responding to nuisance complaints (e.g., barking dogs), or checking on possible instances of neglect or inhumane treatment of animals when they occur within CITY limits—shall not be provided to CITY by COUNTY.

I. "Good Samaritan"

When domestic animals are found within the incorporated boundaries of the CITY and are brought to the COUNTY by “Good Samaritans,” (citizens who do not own the stray animal but have delivered it for care and medical treatment), COUNTY shall obtain the following

**AGREEMENT FOR USE OF THE ANIMAL SERVICES CENTER  
AND OTHER ANIMAL SERVICES BY MONTEREY COUNTY AND THE CITY OF  
CARMEL BY THE SEA  
Fiscal Year 2022-2024**

information and notify the City of Carmel by the Sea Animal Control Officer relative to;

- a. Where the animal was found
- b. If animal is injured, how the animal was injured (if known)
- c. Whether the animal has any identification
- d. Whether the owner is known.
- e. Current contact information for Good Samaritan.

If the animal is determined by COUNTY to come from within the incorporated boundaries of the CITY, CITY shall be responsible for shelter, care and veterinary treatment, if any, provided by COUNTY pursuant to the terms of this Agreement.

**J. Animals Surrendered by Owner**

When CITY accepts an animal from it's owner as surrendered, it shall provide to COUNTY at the time of impound a copy of signed release form, with complete owner information, along with reason for surrender. Surrendered animals brought to COUNTY facility by CITY will be charged at same rate as stray animals with no known owner.

**K. Pet Licensing**

COUNTY will provide and maintain pet licensing services for CITY residents and apply current COUNTY license fees and tags. All CITY pet license revenue will be retained by COUNTY. Any setup or processing fees that apply will be paid for by CITY.

**3. CITY RESPONSIBILITIES FOR ANIMAL SERVICES**

**A. Prosecution of Case Violations**

The CITY Attorney may exercise the discretion vested in his or her office to prosecute violations of the City Animal Ordinance and may take appropriate legal action with respect to the abatement of violations of the City Animal Ordinance involving animals occurring within City's corporate limits. COUNTY shall not bear responsibility for prosecuting violations of the City Animal Ordinance occurring within the incorporated boundaries of the CITY.

1. CITY will notify COUNTY in the event that animals brought in for sheltering are part of legal action that may require extended holding due to legal action and CITY will be responsible for extended holding.

**B. Exotic Animals, Large Animal, Wildlife, and Livestock Services**

1. CITY shall provide all services related to large animals, wildlife, small wildlife, exotic animals, and livestock.
2. COUNTY shall provide services related to rabies per Section 2.E of this Agreement both within CITY limits and in unincorporated areas of the COUNTY.

**AGREEMENT FOR USE OF THE ANIMAL SERVICES CENTER  
AND OTHER ANIMAL SERVICES BY MONTEREY COUNTY AND THE CITY OF  
CARMEL BY THE SEA  
Fiscal Year 2022-2024**

C. Cooperate with and Assist COUNTY

To facilitate the performance of the foregoing functions, it is hereby agreed that the COUNTY shall have the full cooperation and assistance from the CITY, its officers, agents and employees.

**4. COOPERATION**

- A. CITY and COUNTY staff shall meet once per year to discuss program needs.
  
- B. Upon request from CITY, COUNTY may provide training to CITY staff on topics of interest to CITY. CITY may be responsible for any costs associated with training.

**5. TERM AND TERMINATION**

A. Term

This Agreement shall be effective on July 1, 2022 and shall terminate on June 30, 2024, unless sooner terminated pursuant to the terms of this Agreement.

B. Termination

During the term of this Agreement, either party may terminate the Agreement by giving written notice of termination to the other party at least sixty (60) days before the effective date of termination. Such notice shall set forth the effective date of termination. In the event of such termination, the amount payable under this Agreement shall be based on the services rendered by the COUNTY before the termination date.

**6. PAYMENT**

- A. The CITY shall pay fees for services according to “**Exhibit A**”, attached.

**7. MUTUAL INDEMNIFICATION**

- A. CITY hereby agrees to indemnify, defend, and save harmless COUNTY and its officers, agents, and employees, to the extent permitted by applicable law, from and against all claims and/or losses whatsoever accruing or resulting to any person, firm, or corporation for damages, injury, or death occurred by reason of any act or failure to act by CITY or CITY’s officers, agents, and employees in connection with the performance of this Agreement.
  
- B. COUNTY hereby agrees to indemnify, defend, and save harmless CITY and its officers, agents, and employees, to the extent permitted by applicable law, from and against all claims and/or losses whatsoever accruing or resulting to any person, firm, or corporation for damages, injury, or death occurred by reason of any act or failure to act by COUNTY or

AND OTHER ANIMAL SERVICES BY MONTEREY COUNTY AND THE CITY OF  
CARMEL BY THE SEA  
Fiscal Year 2022-2024**

COUNTY's officers, agents, and employees in connection with the performance of this Agreement.

**8. INSURANCE**

- A. Without limiting COUNTY's or CITY's duty to indemnify each other, each party shall have a program of self-insurance or policies of insurance in effect during the term of this Agreement with the following minimum limits of liability:
1. Commercial general liability, including but not limited to premises, personal injuries, products, and completed operations, with a combined single limit of not less than \$1,000,000 per occurrence; and
  2. Comprehensive automobile liability covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit of not less than \$500,000 per occurrence; and
  3. Workers' compensation insurance in accordance with California Labor Code, Section 3700, and with a minimum of \$100,000 per occurrence for employer's liability.
- B. In the event that a party maintains insurance as required by this Agreement, such insurance shall be with the company acceptable to the parties to this Agreement and authorized by law to conduct insurance business in the State of California. All such insurance shall be written on an occurrence basis, or if the policy is not written on an occurrence basis, such policy with a coverage required herein shall continue in effect for a period of two (2) years following the date any party to this Agreement completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY and CITY shall be given notice in writing at least thirty (30) days in advance of any change, cancellation, or non-renewal thereof. Each policy shall provide identical coverage for each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance showing each subcontractor has identical coverage.

Prior to the execution of the Agreement by the COUNTY, the CITY shall file certificates of insurance or self-insurance with Monterey County Risk Management Officer, showing that all parties have in effect the insurance required by this Agreement. The CITY shall file a new or amended certificate of insurance or self-insurance promptly after any change is made to any insurance policy or program of self-insurance, which would alter the information of the certificate then on file. Acceptance or approval of insurance or program of self-insurance shall in no way modify or change the indemnification clause in this Agreement,

which shall continue in full force and effect.

**9. EQUAL OPPORTUNITY**

During the performance of this Agreement, the parties shall not unlawfully discriminate against any person because of race, color, religion, sex, national origin, ancestry, physical disability, medical condition, marital status, age (over 40), or sexual preference, either in the parties' employment practices or in the furnishing of services to recipients. The parties shall ensure that the evaluation and treatment of its employees and applicants for employment and all person receiving and requesting services are free of such discrimination. The parties shall, during the performance of this Agreement, fully comply with all federal, state, and local laws and regulations which prohibit discrimination.

**10. EMPLOYEE STATUS**

A. All persons employed in the performance of services to be provided by COUNTY as described in this Agreement shall be COUNTY employees. No current CITY employee shall become COUNTY employee by reason of this Agreement and no COUNTY employee performing services hereunder shall have CITY pension or CITY civil service status or rights.

**11. RECORDS AND AUDITING REQUIREMENTS**

The parties shall prepare, maintain, and preserve all reports and records that may be required by federal, state, and County rules and regulation and shall maintain such records for a period of at least three (3) years after receipt of final payment under this Agreement. If any litigation, claim, negotiation, audit exception, or other action relating to this Agreement is pending at the end of the three (3) year period, then the parties shall retain said records until such violation is resolved.

**12. GENERAL PROVISIONS**

A. Amendment

This Agreement may be amended or modified only by an instrument in writing and signed by all parties hereto.

B. Governing Law

Fiscal Year 2022-2024**

This agreement shall be governed by and interpreted under the laws of the State of California. Venue of litigation arising under this Agreement, if any, shall be in the Superior Court of California, Monterey County.

**C. Compliance with Applicable Law**

The parties shall comply with all applicable federal, state, and local laws and regulations in performing this Agreement.

**D. Construction of Agreement**

The parties agree that each party has fully participated in the review and revision of this Agreement that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment thereto.

**E. Waiver**

Any waiver of any terms and conditions of this Agreement must be in writing and signed by the COUNTY and CITY. Any waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions of this Agreement.

**F. Integration**

This Agreement, including the exhibits hereto, shall represent the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all prior negotiations, representations, or agreements, either written or oral, between the parties as of the effective date hereof. This Agreement may only be amended in writing, executed by both parties.

## Board Report

Board of Supervisors  
Chambers  
168 W. Alisal St., 1st Floor  
Salinas, CA 93901

**Legistar File Number: A 22-419**

**August 23, 2022**

**Introduced:** 7/15/2022

**Current Status:** Health Department -  
Consent

**Version:** 1

**Matter Type:** BoS Agreement

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 1 to Mental Health Services Agreement A-15246 between the County of Monterey and National Alliance on Mental Illness, Monterey County (NAMI MC), for the provision of education, support, information and referrals to those affected by mental illnesses, retroactive to July 1, 2022, which adds funding in the amount of \$80,000 for FY 2022-2023, and \$80,000 for FY 2023-2024 for a new total Agreement not to exceed \$520,000 for the full-term of July 1, 2021 - June 30, 2024.

### RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 1 to Mental Health Services Agreement A-15246 between the County of Monterey and National Alliance on Mental Illness, Monterey County (NAMI MC), for the provision of education, support, information and referrals to those affected by mental illnesses, retroactive to July 1, 2022, which adds funding in the amount of \$80,000 for FY 2022-2023, and \$80,000 for FY 2023-2024 for a new total Agreement not to exceed \$520,000 for the full-term of July 1, 2021 - June 30, 2024.

### SUMMARY/DISCUSSION:

As part of the Monterey County Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs the County currently has Agreement A-15246 with NAMI MC to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, approval for amending Agreement to increase amount and extending term as appropriate, is being sought.

With its signature programs, NAMI MC empowers individuals and families to recognize the symptoms of mental illness so they may navigate appropriate treatments, while offering emotional help and education. NAMI programs typically attract family members who are in the early stages of detection and who are vulnerable and confused about diagnoses and treatment options for themselves or their loved ones. The County currently has Agreement No. A-15246 with NAMI MC for a current contracted dollar amount of \$360,000. This Amendment is retroactive to July 1, 2022 and adds \$160,000 for FYs 2022-24.

This work supports the Monterey County Health Department 2018-22 Strategic Plan Goal: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal

health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The office of the County Counsel and Auditor-Controller have reviewed and approved Amendment No. 1 as to legal form and fiscal provisions, respectively.

FINANCING:

This NAMI MC Amendment No. 1 is funded by Mental Health Services Act Prevention and Early Intervention (MHSA PEI) revenues (100%). The funds for this Agreement (\$520,000) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) FY 2022-23 Adopted Budget. Appropriations and revenues will be included in the Health Department Behavioral Health Bureau (HEA012, Unit 8410) FY 2023-24 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Check the related Board of Supervisors Strategic Initiatives:

Economic Development:

- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

Administration:

- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

Health & Human Services:

- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

Infrastructure:

- Plan and develop a sustainable, physical infrastructure that improves the quality of life for County residents and supports economic development results.

Public Safety:

- Create a safe environment for people to achieve their potential, leading businesses and communities to thrive and grow by reducing violent crimes as well as crimes in general.

**RECOMMENDATION:**

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health to execute Amendment No. 1 to Mental Health Services Agreement A-15246 between the County of Monterey and National Alliance on Mental Illness, Monterey County (NAMI MC), for the provision of education, support, information and referrals to those affected by mental illnesses, retroactive to July 1, 2022, which adds funding in the amount of \$80,000 for FY 2022-2023, and \$80,000 for FY 2023-2024 for a new total Agreement not to exceed \$520,000 for the full-term of July 1, 2021 - June 30, 2024.

**SUMMARY/DISCUSSION:**

As part of the Monterey County Health Department, Behavioral Health Bureau's Access and Mental Health Services Act (MHSA) outreach, engagement and mental health programs the County currently has Agreement A-15246 with NAMI MC to meet goals and objectives outlined in the County's MHSA Plan. Since MHSA revenues are higher than budgeted and this agency has the capacity to increase services delivered to the community, approval for amending Agreement to increase amount and extending term as appropriate, is being sought.

With its signature programs, NAMI MC empowers individuals and families to recognize the symptoms of mental illness so they may navigate appropriate treatments, while offering emotional help and education. NAMI programs typically attract family members who are in the early stages of detection and who are vulnerable and confused about diagnoses and treatment options for themselves or their loved ones. The County currently has Agreement No. A-15246 with NAMI MC for a current contracted dollar amount of \$360,000. This Amendment is retroactive to July 1, 2022 and adds \$160,000 for FYs 2022-24.

This work supports the Monterey County Health Department 2018-22 Strategic Plan Goal: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The office of the County Counsel and Auditor-Controller have reviewed and approved Amendment No. 1 as to legal form and fiscal provisions, respectively.

FINANCING:

This NAMI MC Amendment No. 1 is funded by Mental Health Services Act Prevention and Early Intervention (MHSA PEI) revenues (100%). The funds for this Agreement (\$520,000) are included in the Health Department’s Behavioral Health (HEA012, Unit 8410) FY 2022-23 Adopted Budget. Appropriations and revenues will be included in the Health Department Behavioral Health Bureau (HEA012, Unit 8410) FY 2023-24 Requested Budget.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

Check the related Board of Supervisors Strategic Initiatives:

Economic Development:

- Through collaboration, strengthen economic development to ensure a diversified and healthy economy.

Administration:

- Promote an organization that practices efficient and effective resource management and is recognized for responsiveness, strong customer orientation, accountability and transparency.

Health & Human Services:

- Improve health and quality of life through County supported policies, programs, and services; promoting access to equitable opportunities for healthy choices and healthy environments in collaboration with communities.

Infrastructure:

National Alliance on Mental Illness, Monterey County NAMI MC  
P.O. Box 1367  
Salinas, CA 93902  
(831) 422-6465

### **II. SERVICES DESCRIPTION**

NAMI MC provides education, support, information and referrals to those affected by mental illnesses, including individuals living with mental illness, their family members and loved ones throughout Monterey County, as well as support and education to professional providers. It also advocates on behalf of people with mental illnesses and their families. Its volunteers conduct a variety of NAMI's signature programs throughout the year, including *Family to Family*, *de Familia a Familia*, *Peer to Peer*, *Persona a Persona* and *Support Groups*. NAMI MC also participates in and conducts numerous public events geared to public education and the elimination of the stigma associated with Mental Illness, including Crisis Intervention Training for Monterey County law-enforcement officers.

#### **1. SITE LOCATION**

Primary Location  
NAMI Monterey County Office  
1355 Abbott St., Suite 3  
Salinas, CA 93901

Alternative Location  
Monterey County Behavioral Health, King City Office, 200 Broadway, Ste #70, King City, CA: CONTRACTOR'S office hours in COUNTY office space will be scheduled as mutually agreed upon between the Behavioral Health Service Manager and CONTRACTOR'S Executive Director. Approval of space will be based on availability and need.

In an effort to "reach people where they're at," NAMI provides Education Services at various customer convenient site locations throughout Monterey County.

#### **2. PROGRAM DESCRIPTIONS**

##### Program 1: NAMI Signature Programs:

With its signature programs, NAMI MC empowers individuals and families to recognize the symptoms of mental illness so that they can navigate appropriate treatments, while offering emotional support and education. *Family to Family* in English and in Spanish, provides education and support for family members who are in the early stages of detection and who are vulnerable and confused about diagnoses and treatment options for themselves or their

loved ones. *Peer to Peer*, also in English and Spanish, offers education and support for consumers and individuals with serious mental health conditions.

Program 2: Youth Leadership and Empowerment:

NAMI MC will facilitate youth leadership and empowerment regarding mental health in Monterey County. NAMI MC will provide a Youth Program Coordinator and develop processes to empower high school students and transitional-aged youth 16-25 (TAY) to communicate the mental health needs and the gaps in services, while stressing the importance of eliminating stigma. NAMI MC will facilitate connections amongst youth-centric organizations and provide a lead role to coordinate efforts across Monterey County. NAMI MC will identify youth leaders who can be involved in these efforts and will develop a Youth Empowerment Council.

### 3. PROGRAM GOALS

Program 1: NAMI MC Signature Programs:

- Family members and individuals living with mental illness access those services and support they need in their circumstance.
- Individuals who participate in a NAMI MC training or presentation will learn about mental illness and mental health issues.
- Program participants will learn the Signs and Symptoms of Mental Illness.
- *Family to Family* and *de Familia a Familia* course participants will develop empathy.
- Where appropriate, program participants will learn about living in recovery.
- *Peer to Peer* and *de Persona a Persona* participants will practice recovery strategies. Measurement: post course evaluation.

Program 2: Youth Leadership and Empowerment:

- Decrease stigma associated with mental health conditions
- Provide recommendations to CONTRACTOR and applicable entities to develop programs that address mental health needs of TAY and are reflective of youth voice and perspective, such as youth peer support
- Increase awareness of mental health conditions and learn signs and symptoms of mental illness while encouraging participation in available treatment options among TAY
- Increase youth leaders and encourage leadership in youth mental health advocacy and related issues

### III. SERVICES TO BE PROVIDED:

#### Program 1: NAMI MC Signature Programs:

- In collaboration with MCBH will participate in (3) panel presentations at CIT trainings
- Community Outreach: Deliver English and Spanish language community presentations and trainings, either live or via video conferencing (30 Per Year)
- Community Outreach: Participate in English and Spanish resource tabling events (15 Per Year)
- Present *Family to Family* (English) and *de Familia a Familia* (Spanish) education courses, either live or via video conferencing (4 Per Year)
- Present *Peer to Peer* (English) and *de Persona a Persona* (Spanish) 10-session education courses, either live or via video conferencing (2 Per Year)

#### Program 2: Youth Leadership and Empowerment:

- NAMI Monterey County (NAMI MC) will organize and promote at least one countywide Youth Mental Health summit.
- NAMI Monterey County will identify youth leaders from the Youth Mental Health Summit participants and from youth-centric organizations and will encourage them to become leaders in their communities that are both based on physical location and cultural identity.
- NAMI MC's Youth Program Coordinator will regularly visit identified youth-centric agencies in the county to "check in", build relationships and foster connections amongst the agencies.
- By the end of FY 22/23, NAMI MC will create a Youth Empowerment Council (YEC) for Monterey County, composed of young leaders and representatives from existing advocacy groups and institutions, (i.e. The Epicenter, The Village Project, Monterey County Office of Education and the Gonzales and Soledad youth councils, and others appropriate agencies). NAMI MC will provide members of the YEC stipends to encourage participation.
- The YEC will identify and assess findings from the Youth Mental Health Summit, with recommendations that ensure the provision of needed services.
- The YEC will meet regularly to assess programs, to recommend additional opportunities when identified, and to discuss issues of mutual interest and concern. The Youth Coordinator will facilitate the Youth Empowerment Council, including overseeing logistics and coordination of the Council.
- By the end of FY 23/24, in coordination with MCOE and local school districts, NAMI MC will support the establishment of pilot peer-support programs for high school students and TAY, with the expectation that such programs could be replicated in communities to meet the unmet needs of specific demographic and cultural. Additional services or expanded peer-support programs may be offered based on the assessment of needs communicated by participants at the Youth Mental Health summits.
- With assistance from MCOE and school districts, NAMI MC will expand its schedule of classroom presentations and will work with counselors, administrators and others to seek out appropriate services to students and families.

- The Youth Program Coordinator will establish and oversee NAMI-branded youth support programs.

#### **IV. REPORTING REQUIREMENTS**

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, DHCS and County. CONTRACTOR shall report to MCBH's designated Contract Monitor and Prevention Services Manager, on a quarterly and annual basis, demographic data for each service provided, as well as the program goals and outcomes mutually identified by CONTRACTOR and COUNTY. As part of the County's ongoing PEI Program Evaluation process, these required program data and outcome reporting requirements may be revised to assure compliance with State PEI regulations.

**III. PAYMENT CONDITIONS**

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such

services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY'S Maximum Allowances (CMA), which is based on the most recent State's Schedule of Maximum Allowances (SMA) as established by the State's Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY'S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program, as identified in this Exhibit B, Section II. Said amounts shall be referred to as the "Maximum Obligation of County," as identified in this Exhibit B, Section IV.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program ("an eligible beneficiary"), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30<sup>th</sup>) day of the month following the month of service. See Section II, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Invoice Form in Excel format with electronic signature along with supporting documentation, as may be required by the COUNTY for services rendered to:

[MCHDBHFinance@co.monterey.ca.us](mailto:MCHDBHFinance@co.monterey.ca.us)

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any “obligations incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.
- F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- G. COUNTY shall review and certify CONTRACTOR’S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.
- I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR’S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

#### IV. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$520,000** for services rendered under this Agreement.
- B. Funding Source: This Agreement is 100% funded by MHSA PEI funds, for all Fiscal Year amounts, as shown in the below Total Agreement Maximum Liability table.

## C. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2021 thru June 30, 2022	\$120,000
July 1, 2022 thru June 30, 2023	\$200,000
July 1, 2023 thru June 30, 2024	\$200,000
<b>TOTAL AGREEMENT MAXIMUM LIABILITY:</b>	<b>\$520,000</b>

- D. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.
- E. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- F. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

## V. BILLING AND PAYMENT LIMITATIONS

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files, contractual limitations of this Agreement, annual cost and MHSA reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval

shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.

- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.
- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

## **VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS**

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

## **VII. AUTHORITY TO ACT FOR THE COUNTY**

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to

implement the provisions of this Agreement. Therefore, the term “Director” in all cases shall mean “Director or his/her designee.”

- EXHIBIT H: BUDGET AND EXPENDITURE REPORT
- EXHIBIT I: ANNUAL REPORT(S), COST REPORT SETTLEMENT AND AUDIT
- EXHIBIT J: USE OF SOUTH MONTEREY COUNTY FACILITY

### III. PAYMENT BY COUNTY

- A. The COUNTY shall pay CONTRACTOR in arrears, as applicable, for eligible services provided under this Agreement and in accordance with the terms and conditions set forth in Exhibit B. Payments are made at applicable rates up to the amounts identified for each Funded Program as shown in Exhibit B and as otherwise may be limited under this Agreement and the attachments thereto. If CONTRACTOR is paid at Provisional Rates or at Cash Flow Advances, COUNTY payments are provisional, until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. For the purposes of this Agreement, a “Funded Program” is a set of services paid through a particular funding source identified in Exhibit H, Budget and Expenditure Report, if made part of this Agreement.
- B. CONTRACTOR shall hold harmless the State and any recipients of services in the event COUNTY does not reimburse CONTRACTOR for services performed under this Agreement.

### IV. TERM AND TERMINATION

- A. Term. This Agreement shall be effective **July 1, 2021** and shall remain in effect until **June 30, 2024**.
- B. Termination without Cause. Either party may terminate this Agreement at any time without cause by serving thirty (30) calendar days’ advance written notice upon the other party. The notice shall state the effective date of the termination.
- C. Termination with Cause. COUNTY, in its sole and absolute discretion, may terminate this Agreement immediately upon the occurrence of any of the following events:
  - 1. CONTRACTOR’S failure to comply with COUNTY’S Utilization Review procedures;
  - 2. CONTRACTOR’S failure to abide by Grievance decisions;
  - 3. CONTRACTOR’S failure to meet COUNTY qualification criteria;
  - 4. CONTRACTOR’S failure to submit Annual Reports, Provider’s Certification, and accompanying audited financial statement, CONTRACTOR’S Year-End Cost Report Settlement and/or other supporting documents in accordance with the terms of a

written notice from COUNTY to CONTRACTOR, and/or, if made part of this Agreement, Exhibit I;

5. CONTRACTOR is unable or reasonably expected to be unable to provide the Services for any reason for a period in excess of thirty (30) consecutive days or sixty (60) days in the aggregate over any three (3) month period.
  6. CONTRACTOR'S performance of this Agreement poses an imminent danger to the health and safety of any individual client of COUNTY;
  7. CONTRACTOR loses its licensure or certification;
  8. CONTRACTOR is suspended, excluded or otherwise becomes ineligible to participate in the Medicare, Medi-Cal, or any other government-sponsored health program;
  9. Breach by CONTRACTOR of any confidentiality obligation;
  10. Breach by CONTRACTOR of the Health Insurance Portability and Accountability Act (HIPAA) and Protected Health Information (PHI);
  11. CONTRACTOR makes an assignment for the benefit of creditors, admits in writing the inability to pay its debts as they mature, applies to any court for the appointment of a trustee or receiver over its assets, or upon commencement of any voluntary or involuntary proceedings under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution liquidation or other similar law or any jurisdiction;
  12. The insurance required to be maintained by CONTRACTOR under this Agreement is terminated, reduced below the minimum coverage requirements set forth in this Agreement, not renewed or cancelled (whether by action of the insurance company or CONTRACTOR) for any reason, and CONTRACTOR has not obtained replacement coverage as required by this Agreement by the effective date of such termination, reduction, non-renewal or cancellation;
  13. CONTRACTOR is rendered unable to comply with the terms of this Agreement for any reason; or
  14. COUNTY determines that CONTRACTOR is in violation or breach of any provision of this Agreement or violation of Federal, State or local laws, and thirty (30) calendar days have passed since written notice of the violation or breach has been given by COUNTY, without remedy thereof by CONTRACTOR to the satisfaction of COUNTY.
- D. Termination or Amendment in Response to Reduction of Government Funding. Notwithstanding any other provision of this Agreement, if Federal, State or local government terminates or reduces its funding to the COUNTY for services that are to be provided under this Agreement, COUNTY, in its sole and absolute discretion after

consultation with the CONTRACTOR, may elect to terminate this Agreement by giving written notice of termination to CONTRACTOR effective immediately or on such other date as COUNTY specifies in the notice. Alternatively, COUNTY and CONTRACTOR may mutually agree to amend the Agreement in response to a reduction in Federal, State or local funding.

- E. Survival of Obligations after Termination. Termination of this Agreement shall be effected by notice of termination to CONTRACTOR specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. Upon termination of this Agreement, COUNTY shall no longer refer clients to the CONTRACTOR under this Agreement, and the rights and duties of the parties shall be terminated, except that the following obligations shall survive termination:
1. CONTRACTOR shall, pursuant to this Agreement and upon approval of the Behavioral Health Director, continue treatment of clients who are receiving care from CONTRACTOR until completion of treatment or until continuation of the client's care by another provider can be arranged by COUNTY;
  2. COUNTY shall arrange for such transfer of treatment no later than sixty (60) calendar days after Agreement termination if the client's treatment is not by then completed;
  3. COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services rendered prior to termination or required to be rendered after termination;
  4. Upon termination or expiration of this Agreement, CONTRACTOR shall continue to remain obligated with respect to any confidentiality obligation as described in Section VIII and in accordance with Exhibit C to this Agreement, HIPAA and PHI in accordance with Exhibit F to this Agreement, indemnification described in Section XI to this Agreement, professional liability insurance described in Section XII to this Agreement, annual reports and cost report settlement described in Section XIV and in accordance with Exhibit I to this Agreement, and access to and audit of records described in Section XV to this Agreement, and in accordance with all applicable laws; and
  5. CONTRACTOR shall not do anything or cause any other person to do anything that interferes with COUNTY'S efforts to engage any other person or entity for the provision of the services set forth in this Agreement, or interfere in any way with any relationship between COUNTY and any other person or entity who may be engaged to provide the services to COUNTY.

**V. COMPLIANCE WITH APPLICABLE LAWS AND TERMS OF FEDERAL, STATE AND/OR LOCAL STATUTES AND FEDERAL AND/OR STATE GRANTS**

- A. Compliance with Laws. In providing services and meeting requirements for payment reimbursement for mental health treatment services under this Agreement, CONTRACTOR shall comply with all applicable Federal, State, and local laws,

regulations, rules, and guidelines, including, but not limited to, Title XIX of the Social Security Act, California Welfare and Institutions Code, Divisions 5, 6, and 9; California Code of Regulations, Titles 9 and 22; any Short-Doyle and Short-Doyle/Medi-Cal policies as identified in the State Letters, Office of Management and Budget (OMB) Circular Nos. A-122 and 133, the Cost Reporting/Data Collection (CR/DC) Manual, and the Mental Health policies issued by the County of Monterey.

- B. Compliance with Terms of Federal and/or State Grants. If this Agreement is funded with monies received by the COUNTY pursuant to contract(s) with the Federal and/or State government in which the COUNTY is the grantee, CONTRACTOR shall comply with all provisions of said contract(s), to the extent applicable to CONTRACTOR as a sub-grantee under said contract(s), and said provisions shall be deemed a part of this Agreement as if fully set forth herein. Upon request, COUNTY shall deliver a copy of said contract(s) to CONTRACTOR at no cost to CONTRACTOR.

## **VI. CONTRACT MONITORING AND QUALITY CONTROL**

- A. The Federal, State and COUNTY shall have the right to inspect and evaluate the quality, appropriateness and timelines of services performed under this Agreement.
- B. The Behavioral Health Director shall assign a Contract Monitor to ensure compliance with the terms and conditions of this Agreement. The Contract Monitor and CONTRACTOR shall meet at intervals deemed appropriate by COUNTY. In addition, the Contract Monitor shall review at regular intervals all statistical reports, financial records, clinical records, and other documents concerning services provided under this Agreement. In addition, CONTRACTOR shall at all times cooperate with the COUNTY'S Quality Improvement ("QI") Plan.
- C. CONTRACTOR shall conduct reviews at regular intervals of the quality and utilization of services for all recipients of service under this Agreement. CONTRACTOR shall furnish all required data and reports in compliance with State Client and Service Information System ("CSI"). Units of time reporting, as stipulated in the Cost Reporting/Data Collection ("CR/DC") manual, are subject to special review and audit.
- D. If CONTRACTOR is an in-patient facility, CONTRACTOR shall submit its patient admissions and length of stay requests for utilization review through existing hospital systems or professional standards review organizations.

## **VII. LICENSURE, CERTIFICATION AND STAFFING REQUIREMENTS**

- A. Licensure and Certification. CONTRACTOR shall furnish qualified professional personnel as prescribed by Title 9 of the California Code of Regulations, the California Business and Professions Code, the California Welfare and Institutions Code, and all other applicable laws for the type of services rendered under this Agreement. All personnel providing services pursuant to this Agreement shall be fully licensed in accordance with all applicable law and shall remain in good professional standing throughout the entire duration of this Agreement. CONTRACTOR shall comply with all COUNTY and State

certification and licensing requirements and shall ensure that all services delivered by staff are within their scope of licensure and practice.

- B. Medi-Cal Certification. If CONTRACTOR is an organizational provider of Medi-Cal specialty mental health services, CONTRACTOR shall maintain certification during the term of this Agreement. This includes meeting all staffing and facility standards required for organizational providers of Medi-Cal specialty mental health services which are claimed and notifying COUNTY'S Contract Monitor in writing of anticipated changes in service locations at least sixty (60) days prior to such change.
- C. Staff Training and Supervision. CONTRACTOR shall ensure that all personnel, including any subcontractor(s) performing services under this Agreement, receive appropriate training and supervision. CONTRACTOR shall also maintain appropriate levels of staffing at all times when performing services under this Agreement.
- D. Exclusion from Participation in Federal Health Care Program or State Equivalent.
  - 1. CONTRACTOR shall not employ or contract with providers or other individuals and entities excluded from participation in Federal health care programs under either Section 1128 or 1128A of the Social Security Act. Federal Financial Participation (FFP) is not available for providers excluded by Medicare, Medicaid, or the State Children's Insurance Program, except for emergency services.
  - 2. CONTRACTOR shall not employ or contract with services to be provided under the terms of this Agreement by any officer, employee, subcontractor, agent or any other individual or entity that is on the List of Excluded Individuals/Entities maintained by the U.S. Department of Health and Human Services, Office of the Inspector General ("OIG") or the California State Medi-Cal Suspended and Ineligible Provider List ("S&I") maintained by the California Department of Health Care Services (DHCS).
    - a. CONTRACTOR shall be responsible to determine on a monthly basis whether any of its officers, employees, subcontractors, agents, or other individuals or entities are on either or both excluded lists of OIG and S&I and shall immediately notify the COUNTY upon discovery that any of its officers, employees, subcontractors, agents, or other individuals or entities appears on either or both excluded lists.
    - b. The OIG list is currently found at the following web address: <http://exclusions.oig.hhs.gov>. The S&I list is currently found at the following web address: <http://www.medi-cal.ca.gov/references.asp>.

## VIII. PATIENT RIGHTS

- A. CONTRACTOR shall comply with all applicable patients' rights laws including, but not limited to, the requirements set forth in California Welfare and Institutions Code, Division 5, Part 1, sections 5325, et seq., and California Code of Regulations, Title 9, Division 1, Chapter 4, Article 6 (sections 860, et seq.).

- B. As a condition of reimbursement under this Agreement, CONTRACTOR shall ensure that all recipients of services under this Agreement shall receive the same level of services as other patients served by CONTRACTOR. CONTRACTOR shall ensure that recipients of services under this Agreement are not discriminated against in any manner including, but not limited to, admissions practices, evaluation, treatment, access to programs and or activities, placement in special wings or rooms, and the provision of special or separate meals. CONTRACTOR shall comply with Assurance of Compliance requirements as set forth in Exhibit D and incorporated by reference as if fully set forth herein.

**IX. MAINTENANCE AND CONFIDENTIALITY OF PATIENT INFORMATION**

- A. CONTRACTOR shall maintain clinical records for each recipient of service in compliance with all Federal and State requirements. Such records shall include a description of all services provided by the CONTRACTOR in sufficient detail to make possible an evaluation of services, and all data necessary to prepare reports to the State, including treatment plans, records of client interviews, and progress notes.
- B. CONTRACTOR shall retain clinical records for a minimum of seven (7) years and, in the case of minors, for at least one (1) year after the minor has reached the age of majority, but for a period of no less than seven (7) years. Clinical records shall be the property of the COUNTY and maintained by the CONTRACTOR in accordance with Federal, State and COUNTY standards.
- C. CONTRACTOR shall comply with the Confidentiality of Patient Information requirements set forth in Exhibit C and incorporated by reference as if fully set forth herein.

**X. REPORTS OF DEATH, INJURY, DAMAGE, OR ABUSE**

- A. Reports of Death, Injury, or Damage. If death, serious personal injury, or substantial property damage occur in connection with the performance of this Agreement, CONTRACTOR shall immediately notify the Behavioral Health Director by telephone. In addition, CONTRACTOR shall promptly submit to COUNTY a written report including: (1) the name and address of the injured/deceased person; (2) the time and location of the incident; (3) the names and addresses of CONTRACTOR'S employees or agents who were involved with the incident; (4) the names of COUNTY employees, if any, involved with the incident; and (5) a detailed description of the incident.
- B. Child Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of child abuse or neglect are promptly reported to proper authorities as required by the Child Abuse and Neglect Reporting Act, California Penal Code sections 11164, et seq. CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

- C. Elder Abuse Reporting. CONTRACTOR shall ensure that all known or suspected instances of abuse or neglect of elderly people 65 years of age or older and dependent adults age 18 or older are promptly reported to proper authorities as required by the Elder Abuse and Dependent Adult Protection Act (California Welfare and Institutions Code, sections 15600 Code, et seq.). CONTRACTOR shall require all of its employees, consultants, and agents performing services under this Agreement who are mandated reporters under the Act to sign statements indicating that they know of and shall comply with the Act's reporting requirements.

## **XI. INDEMNIFICATION**

CONTRACTOR shall indemnify, defend, and hold harmless the COUNTY, its officers, agents, and employees, from and against any and all claims, liabilities, and losses whatsoever (including damages to property and injuries to or death of persons, court costs, and reasonable attorneys' fees) occurring or resulting to any and all persons, firms or corporations furnishing or supplying work, services, materials, or supplies, in connection with the performance of this Agreement, and from any and all claims, liabilities, and losses occurring or resulting to any person, firm, or corporation for damage, injury, or death arising out of or connected with the CONTRACTOR'S performance of this Agreement, unless such claims, liabilities, or losses arise out of the sole negligence or willful misconduct of the COUNTY. "CONTRACTOR'S performance" includes CONTRACTOR'S action or inaction and the action or inaction of CONTRACTOR'S officers, employees, agents and subcontractors.

## **XII. INSURANCE**

- A. Evidence of Coverage. Prior to commencement of this Agreement, the CONTRACTOR shall provide a "Certificate of Insurance" certifying that coverage as required herein has been obtained. Individual endorsements executed by the insurance carrier shall accompany the certificate. In addition, the CONTRACTOR upon request shall provide a certified copy of the policy or policies.

This verification of coverage shall be sent to the COUNTY'S Contracts/Purchasing Office, unless otherwise directed. The CONTRACTOR shall not receive approval for services for work under this Agreement until all insurance has been obtained as required and approved by the COUNTY. This approval of insurance shall neither relieve nor decrease the liability of the CONTRACTOR.

- B. Qualifying Insurers. All coverage, except surety, shall be issued by companies which hold a current policy holder's alphabetic and financial size category rating of not less than A-VII, according to the current Best's Key Rating Guide or a company of equal financial stability that is approved by the COUNTY'S Contracts/Purchasing Officer.
- C. Insurance Coverage Requirements. Without limiting CONTRACTOR'S duty to indemnify, CONTRACTOR shall maintain in effect throughout the term of this Agreement a policy or policies of insurance with the following minimum limits of liability:

1. Commercial general liability insurance, including but not limited to premises and operations, including coverage for Bodily Injury and Property Damage, Personal Injury, Contractual Liability, Broadform Property Damage, Independent Contractors, Products and Completed Operations, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence.
  2. Business automobile liability insurance, covering all motor vehicles, including owned, leased, non-owned, and hired vehicles, used in providing services under this Agreement, with a combined single limit for Bodily Injury and Property Damage of not less than \$1,000,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is over \$100,000 or of not less than \$500,000 per occurrence if maximum estimated reimbursement obligation by COUNTY to CONTRACTOR under this Agreement is \$100,000 and less.
  3. Workers Compensation Insurance, if CONTRACTOR employs others in the performance of this Agreement, in accordance with California Labor Code section 3700 and with Employer's liability limits not less than \$1,000,000 each person, \$1,000,000 each accident and \$1,000,000 each disease.
  4. Professional Liability Insurance, if required for the professional service being provided, (e.g., those persons authorized by a license to engage in business or profession regulated by the California Business and Professional Code), in the amount of not less than \$1,000,000 per claim and \$2,000,000 in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims-made" basis rather than an occurrence basis, the CONTRACTOR shall, upon the expiration or earlier termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three (3) years following the expiration or earlier termination of this Agreement.
- D. Other Insurance Requirements, All insurance required by this Agreement shall be with a company acceptable to the COUNTY and issued and executed by an admitted insurer authorized to transact insurance business in the State of California. Unless otherwise specified by this Agreement, all such insurance shall be written on an occurrence basis, or, if the policy is not written on an occurrence basis, such policy with the coverage required herein shall continue in effect for a period of three (3) years following the date CONTRACTOR completes its performance of services under this Agreement.

Each liability policy shall provide that the COUNTY shall be given notice in writing at least thirty (30) calendar days in advance of any endorsed reduction in coverage or limit, cancellation, or intended non-renewal thereof. Each policy shall provide coverage for CONTRACTOR and additional insured with respect to claims arising from each subcontractor, if any, performing work under this Agreement, or be accompanied by a certificate of insurance from each subcontractor showing each subcontractor has identical insurance coverage to the above requirements.

Commercial general liability and automobile liability policies shall provide an endorsement naming the County of Monterey, its officers, agents, and employees as Additional Insured with respect to liability arising out of the CONTRACTOR'S work, including ongoing and complete operations, and shall further provide that such insurance is primary insurance to any insurance or self-insurance maintained by the COUNTY and that the insurance of the Additional Insured shall not be called upon to contribute to a loss covered by the CONTRACTOR'S insurance.

Prior to the execution of this Agreement by the COUNTY, CONTRACTOR shall file certificates of insurance with the COUNTY'S contract administrator and the COUNTY'S Contracts/Purchasing Office, showing that the CONTRACTOR has in effect the insurance required by this Agreement. The CONTRACTOR shall file a new or amended certificate of insurance within five (5) calendar days after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify or change the indemnification clause in this Agreement, which shall continue in full force and effect.

CONTRACTOR shall at all times during the term of this Agreement maintain in force the insurance coverage required under this Agreement and shall send, without demand by COUNTY, annual certificates to COUNTY'S Contract Administrator and COUNTY'S Contracts/Purchasing Office. If the certificate is not received by the expiration date, CONTRACTOR shall have five (5) calendar days to send the certificate, evidencing no lapse in coverage during the interim. Failure by CONTRACTOR to maintain such insurance coverage is a breach of this Agreement, which entitles COUNTY, at its sole and absolute discretion, to (1) immediately disallow claim(s) for payment and/or withhold payment(s) by COUNTY to CONTRACTOR, pursuant to Section III (A), for services rendered on or after the effective date of termination, reduction, non-renewal, or cancellation of the insurance coverage maintained by CONTRACTOR, and/or (2) terminate this Agreement pursuant to Section IV.

### **XIII. BUDGET AND EXPENDITURE REPORT**

- A. CONTRACTOR shall submit, as requested by the COUNTY, the Budget and Expenditure Report provided as Exhibit H, if made part of this Agreement, identifying CONTRACTOR'S allowable costs and program revenues. COUNTY shall identify program revenues for COUNTY funds, and CONTRACTOR shall identify allowable costs and other program revenues as defined in Exhibit B, Section VI, paragraph B of this Agreement, if applicable. The budget shall be the basis for payment reimbursements, cost settlement activities, and audits.
- B. CONTRACTOR shall submit an electronic copy of the Six-(6) Month and the Year-to-Date Budget and Expenditure report by February 15 and by the date specified by the COUNTY, respectively, to the COUNTY using Exhibit H as the template format. The report shall include data related to the actual costs incurred, revenues earned, and the number of actual clients served by each funded program.

#### **XIV. PREPARATION OF ANNUAL REPORT(S) AND CONTRACTOR'S YEAR-END COST REPORT SETTLEMENT**

A. Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. CONTRACTOR shall submit by COUNTY'S required deadlines the following, as it pertains to this Agreement:

1. State Cost Report.
2. Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports.
3. Annual Report(s), as applicable and required by the COUNTY.
4. CONTRACTOR'S Year-End Cost Report Settlement in accordance with the terms and conditions set forth in Exhibit I, if made part of this Agreement.

Such Annual Reports, numbered (1) through (3) above, and such cost report settlement, numbered (4) above, shall be prepared in accordance with generally accepted accounting principles and Federal, State and COUNTY reimbursement requirements using forms, templates and instructions provided by the COUNTY.

B. Preparation and Submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement in Response to Termination or Cancellation of Agreement. If this Agreement is terminated or canceled prior to June 30th of any fiscal year, CONTRACTOR shall prepare and submit to COUNTY an Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding and shall adhere to the terms and conditions set forth in Exhibit I, if made part of this Agreement. If Exhibit I is not a part of this Agreement, CONTRACTOR shall prepare and submit to COUNTY a cost report and any applicable reports as requested by the COUNTY.

C. Non-submission of Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement. Failure to submit the Annual Report(s) and/or the CONTRACTOR'S Year-End Cost Report Settlement, described in Section XIV (A), within thirty (30) calendar days after COUNTY'S applicable due date(s) is a breach of this Agreement, which entitles COUNTY, in its sole and absolute discretion, to (1) disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S applicable Report(s) is (are) outstanding, (2) withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR, and/or (3) terminate this Agreement pursuant to Section IV. CONTRACTOR shall comply with Annual Report(s) and CONTRACTOR'S Year-End Cost Report Settlement requirements as set forth in Exhibit I, if Exhibit I is made part of this Agreement.

D. Cost Report Training. CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further training as needed and as required in accordance with changes in the State cost report requirements. CONTRACTOR shall adhere to cost report training requirements and shall comply in accordance with Exhibit I, Section III, if made part of this Agreement.

## **XV. ACCESS TO AND AUDIT OF RECORDS**

- A. Right to Inspect Records. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State laws including, but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., the COUNTY or its representative, Federal or State governments may conduct an audit, review or other monitoring procedures of the CONTRACTOR regarding the services/activities provided under this Agreement. The COUNTY or its representative, Federal or State governments shall have the right to inspect any and all books, records, and facilities maintained by CONTRACTOR during normal business hours and without advance notice to evaluate the use of funds and the cost, quality, appropriateness, and timeliness of services.
- B. Maintenance of Records. CONTRACTOR shall maintain any and all records documenting all services set forth under this Agreement for a period of seven (7) years from the end of the fiscal year in which such services were provided or until three (3) years after final resolution of any audits, CONTRACTOR'S Year-End Cost Report Settlement, State Cost Report Settlement, or appeals, whichever occurs later. CONTRACTOR shall maintain such records in a form comporting with generally accepted accounting and auditing standards and all applicable laws.
- C. Overpayment. If the results of any audit, CONTRACTOR'S Year-End Cost Report Settlement, or State Cost Report Settlement shows that the funds paid to CONTRACTOR under this Agreement exceeded the amount due, then CONTRACTOR shall pay the excess amount to COUNTY in cash not later than thirty (30) calendar days after the COUNTY notifies the CONTRACTOR of such overpayment; or, at COUNTY'S election, COUNTY may recover the excess or any portion of it by offsets made by COUNTY against any payment(s) owed to CONTRACTOR under this or any other Agreement or as set forth in Exhibit I, if made part of this Agreement.
- D. Responsibility for Audit and/or Cost Report Settlement Exceptions. Any and all audit and/or Cost Report Settlement exceptions by COUNTY or any Federal or State agency resulting from an audit and/or Cost Report Settlement of CONTRACTOR'S performance of this Agreement, or actions by CONTRACTOR, its officers, agents, and employees shall be the sole responsibility of the CONTRACTOR.
- E. Availability of Records for Grievances and Complaints by Recipients of Service. CONTRACTOR shall ensure the availability of records for the prompt handling of grievances or complaints filed by recipients of services. Release of records shall be subject to the confidentiality provisions set forth in this Agreement.
- F. Reports. CONTRACTOR shall prepare any reports and furnish all information required for reports to be prepared by the COUNTY as may be required by the State of California or applicable law.

## XVI. NON-DISCRIMINATION

- A. Non-discrimination. During the performance of this Agreement, CONTRACTOR shall not unlawfully discriminate against any person because of race, religion, color, sex, national origin, ancestry, mental or physical handicap, medical condition, marital status, age (over 40), or sexual orientation, either in CONTRACTOR'S employment practices or in the furnishing of services to recipients. CONTRACTOR shall insure that the evaluation and treatment of its employees and applicants for employment and all persons receiving and requesting services are free of such discrimination. The provision of services primarily or exclusively to such target population as may be designated in this Agreement shall not be deemed to be unlawful discrimination. In addition, CONTRACTOR'S facility access for the disabled shall comply with § 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794).
- B. Discrimination defined. The term "discrimination," as used in this Agreement, is the same term that is used in Monterey County Code, Chapter 2.80 ("Procedures for Investigation and Resolution of Discrimination Complaints"); it means the illegal denial of equal employment opportunity, harassment (including sexual harassment and violent harassment), disparate treatment, favoritism, subjection to unfair or unequal working conditions, and/or discriminatory practice by any Monterey County official, employee or agent, due to an individual's race, color, ethnic group, sex, national origin, ancestry, religious creed, sexual orientation, age, veteran's status, cancer-related medical condition, physical handicap (including AIDS) or disability. The term also includes any act of retaliation.
- C. Application of Monterey County Code Chapter 2.80. The provisions of Monterey County Code Chapter 2.80 apply to activities conducted pursuant to this Agreement. CONTRACTOR and its officers and employees, in their actions under this Agreement, are agents of the COUNTY within the meaning of Chapter 2.80 and are responsible for ensuring that their workplace and the services that they provide are free from discrimination, as required by Chapter 2.80. Complaints of discrimination made by recipients of services against CONTRACTOR may be pursued by using the procedures established by or pursuant to Chapter 2.80. CONTRACTOR shall establish and follow its own written procedures for prompt and fair investigation and resolution of discrimination complaints made against CONTRACTOR by its own employees and agents or recipients of services pursuant to this Agreement, and CONTRACTOR shall provide a copy of such procedures to COUNTY on demand by COUNTY.
- D. Compliance with Applicable Law. During the performance of this Agreement, CONTRACTOR shall comply with all applicable Federal, State and local laws and regulations which prohibit discrimination including, but not limited to, the following:
1. California Code of Regulations, Title 9, §§ 526, 527;
  2. California Fair Employment and Housing Act, (Govt. Code § 12900, et seq.), and the administrative regulations issued thereunder, Cal. Code of Regulations, Title 2, § 7285, et seq.;

3. California Government Code, sections 11135-11139.5 (Title 2, Div. 3, Part 1, Chap. 1, Art. 9.5) and any applicable administrative rules and regulations issued under these sections;
4. Federal Civil Rights Acts of 1964 and 1991 (see especially Title VI, 42 U.S.C. § 2000(d), et seq.), as amended, and all administrative rules and regulations issued thereunder (see especially 45 C.F.R. Parts 80);
5. Sections 503 and 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §§ 793 and 794); all requirements imposed by the applicable HHS regulations (45 C.F.R. Part 84); and all guidelines and interpretations issued pursuant thereto;
6. Americans with Disabilities Act of 1990, 42 U.S.C. §12101, et seq., and 47 U.S.C. §§ 225 and 611, and any Federal regulations issued pursuant thereto (see 24 C.F.R. Chapter 1; 28 C.F.R. Parts 35 and 36; 29 C.F.R. Parts 1602, 1627, and 1630; and 36 C.F.R. Part 1191);
7. Unruh Civil Rights Act, Cal. Civil Code § 51, et seq.
8. California Government Code section 12900 (A-F) and California Code of Regulations, Title 2, Division 4, Chapter 5.

In addition, the applicable regulations of the California Fair Employment and Housing Commission implementing Government Code § 12990 as set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full.

- E. Written Assurance. Upon request by COUNTY, CONTRACTOR shall give any written assurances of compliance with the Civil Rights Acts of 1964 and 1991, the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990, as may be required by the Federal government in connection with this Agreement, pursuant to 45 C.F.R. sec. 80.4 or C.F.R. § 84.5 or other applicable Federal or State regulations.
- F. Written Statement of Non-discrimination Policies. CONTRACTOR shall maintain a written statement of its non-discrimination policies and procedures. Such statement shall be consistent with the terms of this Agreement and shall be available to CONTRACTOR'S employees, recipients of services, and members of the public upon request.
- G. Notice to Labor Unions. CONTRACTOR shall give written notice of its obligations under this section to labor organizations with which it has a collective bargaining or other agreement.
- H. Access to Records by Government Agencies. CONTRACTOR shall permit access by COUNTY and by representatives of the State Department of Fair Employment and Housing and any Federal or State agency providing funds for this contract upon reasonable notice at any time during normal business hours, but in no case less than 24 hours' notice, to such of its books, records, accounts, facilities, and other sources of information as the inspecting party may deem appropriate to ascertain compliance with these nondiscrimination provisions.
- I. Binding on Subcontractors. The provisions above shall also apply to all of CONTRACTOR'S subcontractors who provide services pursuant to this Agreement.

CONTRACTOR shall include the non-discrimination and compliance provisions set forth above in all its subcontracts to perform work or provide services under this Agreement.

## **XVII. CULTURAL COMPETENCY AND LINGUISTIC ACCESSIBILITY**

- A. CONTRACTOR shall provide services in a culturally competent manner to assure access to services by all eligible individuals as required by State regulations and policies, other applicable laws, and in accordance with Exhibit E of this Agreement. Cultural competency is defined as a congruent set of practice skills, behaviors, attitudes, and policies that enable staff to work effectively in providing contractual services under this Agreement in cross-cultural situations. Specifically, CONTRACTOR'S provision of services shall acknowledge the importance of culture, adapt services to meet culturally unique needs, and promote congruent skills, behaviors, attitudes, and policies enabling all persons providing services to function effectively in cross-cultural situations.
- B. CONTRACTOR shall provide linguistically accessible services to assure access to services by all eligible individuals as required by State regulations and policies and other applicable laws. Specifically, CONTRACTOR shall provide services to eligible individuals in their primary language through linguistically proficient staff or interpreters. Family members, friends, or neighbors may be used as interpreters only in emergency situations.
- C. For the purposes of this Section, "access" is defined as the availability of medically necessary mental health services in a manner that promotes and provides the opportunity for services and facilitates their use.

## **XVIII. DRUG FREE WORKPLACE**

CONTRACTOR shall submit to the COUNTY evidence of compliance with the California Drug-Free Workplace Act of 1990, California Government Code sections 8350, et seq., to provide a drug-free workplace by doing all of the following:

- A. Publishing a Statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the person's or organization's workplace and specifying the actions that shall be taken against employees for violations of the prohibitions.
- B. Establishing a drug-free awareness program to inform employees about all of the following:
  - 1. The dangers of drug abuse in the workplace;
  - 2. The person's or organization's policy of maintaining a drug-free workplace;
  - 3. Any available drug counseling, rehabilitation, and employees assistance programs;
  - 4. The penalties that may be imposed upon employees for drug abuse violations;
  - 5. Requiring that each employee engaged in the performance of the Agreement or grant is given a copy of the company's drug-free policy statement and that, as a condition of employment on the contract or grant, the employee agrees to abide by the terms of the statement.

## **XIX. INDEPENDENT CONTRACTOR**

In the performance of work, duties, and obligations under this Agreement, CONTRACTOR is at all times acting and performing as an independent contractor and not as an employee of the COUNTY. No offer or obligation of permanent employment with the COUNTY or particular COUNTY department or agency is intended in any manner, and CONTRACTOR shall not become entitled by virtue of this Agreement to receive from COUNTY any form of employee benefits including, but not limited to sick leave, vacation, or retirement benefits, workers' compensation coverage, insurance, disability benefits, or social security benefits, or unemployment compensation or insurance. CONTRACTOR shall be solely liable for and obligated to pay directly all applicable taxes including, but not limited to, Federal and State income taxes and Social Security, arising out of CONTRACTOR'S compensation for performance of this Agreement. In connection therewith, CONTRACTOR shall defend, indemnify, and hold the COUNTY harmless from any and all liability COUNTY may incur because of CONTRACTOR'S failure to pay such taxes when due.

## **XX. SUBCONTRACTING**

CONTRACTOR may not subcontract any services under this Agreement without COUNTY'S prior written authorization. At any time, COUNTY may require a complete listing of all subcontractors employed by the CONTRACTOR for the purpose of fulfilling its obligations under the terms of this Agreement. CONTRACTOR shall be legally responsible for subcontractors' compliance with the terms and conditions of this Agreement and with applicable law. All subcontracts shall be in writing and shall comply with all Federal, State, and local laws, regulations, rules, and guidelines. In addition, CONTRACTOR shall be legally responsible to COUNTY for the acts and omissions of any subcontractor(s) and persons either directly or indirectly employed by subcontractor(s).

## **XXI. GENERAL PROVISIONS**

- A. Amendment. This Agreement may be amended or modified only by an instrument in writing signed by all the parties hereto.
- B. Assignment and Subcontracting. The CONTRACTOR shall not assign, sell, or otherwise transfer its interest or obligations in this Agreement, either in whole or in part, without the prior written consent of the COUNTY. None of the services covered by this Agreement shall be subcontracted without the prior written approval of the COUNTY. Any assignment without such consent shall automatically terminate this Agreement. Notwithstanding any such subcontract, CONTRACTOR shall continue to be liable for the performance of all requirements of this Agreement.
- C. Authority. Any individual executing this Agreement on behalf of an entity represents and warrants hereby that he or she has the requisite authority to enter into this Agreement on behalf of such entity and bind the entity to the terms and conditions of the same.

- D. Compliance with Applicable Law. The parties shall comply with all applicable Federal, State, and local laws and regulations in performing this Agreement.
- E. Conflict of Interest. CONTRACTOR represents that it presently has no interest and agrees not to acquire any interest during the term of this Agreement, which would directly or indirectly conflict in any manner or to any degree with the full and complete performance of the professional services required to be rendered under this Agreement.
- F. Construction of Agreement. The parties agree that each party has fully participated in the review and revision of this Agreement and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Agreement or any amendment hereto.
- G. Contractor. The term “CONTRACTOR” as used in this Agreement includes CONTRACTOR’S officers, agents, and employees acting on CONTRACTOR’S behalf in the performance of this Agreement.
- H. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same Agreement.
- I. Disputes. CONTRACTOR shall continue to perform under this Agreement during any dispute.
- J. Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California.
- K. Headings. The section and paragraph headings are for convenience only and shall not be used to interpret the terms of this Agreement.
- L. Integration. This Agreement, including the exhibits hereto, shall represent the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all prior negotiations, representations, and/or agreements, either written or oral, between the parties as of the effective date hereof.
- M. Non-exclusive Agreement. This Agreement is non-exclusive and both parties expressly reserve the right to contract with other entities for the same or similar services.
- N. Severability. In the event of changes in law that effect the provisions of this Agreement, the parties agree to amend the affected provisions to conform to the changes in the law retroactive to the effective date of such changes in law. The parties further agree that the terms of this Agreement are severable and, in the event of changes in law as described above, the unaffected provisions and obligations of this Agreement shall remain in full force and effect.
- O. Successors and Assigns. This Agreement and the rights, privileges, duties, and obligations of the COUNTY and CONTRACTOR under this Agreement, to the extent assignable or

delegable, shall be binding upon and insure to the benefit of the parties and their respective successors, permitted assigns, and heirs.

P. Time is of the essence. Time is of the essence in each and all of the provisions of this Agreement.

Q. Waiver. Any waiver of any terms and conditions of this Agreement must be in writing and signed by the parties hereto. A waiver of any of the terms and conditions of this Agreement shall not be construed as a waiver of any other terms or conditions in this Agreement.

## **EXHIBIT A: PROGRAM DESCRIPTION**

### **I. IDENTIFICATION OF CONTRACTOR**

National Alliance on Mental Illness, Monterey County  
P.O. Box 1367  
Salinas, CA 93902  
(831) 422-6465

### **II. SERVICES DESCRIPTION**

NAMI MC provides education, support, information and resources to those affected by mental illnesses, including individuals living with mental illness, their family members and loved ones throughout Monterey County, as well as support and education to professional providers. It also advocates on behalf of people with mental illnesses and their families. Its volunteers conduct a variety of NAMI's signature programs throughout the year, including *Family to Family*, *de Familia a Familia*, *Peer to Peer*, *Persona a Persona* and *Support Groups*. NAMI MC also participates in and conducts numerous public events geared to public education and the elimination of the stigma associated with Mental Illness, including Crisis Intervention Training for Monterey County law-enforcement officers.

#### **1. SITE LOCATION**

NAMI Monterey County Office  
1355 Abbott St.,  
Salinas, CA 93901

Monterey County Behavioral Health, King City Office, 200 Broadway, Ste #70, King City CA: CONTRACTOR'S office hours in COUNTY office space will be scheduled as mutually agreed upon between the Behavioral Health Service Manager and CONTRACTOR'S Executive Director. Approval of space will be based on availability and need.

In an effort to "reach people where they're at," NAMI provides Education Services at various customer convenient site locations throughout Monterey County.

#### **2. PROGRAM PURPOSE**

With its signature programs, NAMI MC empowers individuals and families to recognize the symptoms of mental illness so that they can navigate appropriate treatments, while offering emotional support and education. NAMI programs—specifically *Family to Family*, in English and in Spanish—typically attract family members who are vulnerable and confused about diagnoses and treatment options for themselves or their loved ones.

### 3. PROGRAM GOALS & ACTIVITIES

NAMI MC Outreach Goals include:

- Family members and individuals living with mental illness access those services and support they need in their circumstance. Measurement tool: follow-up survey. Family members and individuals who receive direct information and support services will be queried to determine whether follow-through on recommended services/supports occurred; and the helpfulness of the service or support.

- Individuals who participate in a NAMI MC training or presentation will learn about mental illness and mental health issues. Measurement tool: post presentation/training evaluation form. Percentage of respondents answering, “Strongly agree,” or “Agree” that they “have a better understanding of mental illness and mental health issues” as a result of the training or presentation.

- NAMI MC will report out on events and individuals served

NAMI MC Signature Program Goals include:

- Program participants will learn the Signs and Symptoms of Mental Illness. Outcome measurement: post course evaluation form. Percentage of class participants stating that they “Strongly agree.” or “Agree” that as a result of the class they are better able to “Recognize the signs and symptoms of mental illness.”

- *Family to Family* and *de Familia a Familia* course participants will develop empathy. Measurement tool: post-course evaluation. Percentage of family members reporting that based on the Family to Family course, they “Strongly agree,” or “Agree” with the statement, “I do not believe mental illness is anyone’s fault.”

- Where appropriate, program participants will learn about living in recovery. Measurement: post course evaluation. Percentage who “Strongly agree,” or “Agree” that because of the class they “understand what living in recovery means as it relates to mental illness.”

- *Peer to Peer* and *de Persona a Persona* participants will practice recovery strategies. Measurement: post course evaluation. Percentage of respondents who “Strongly agree,” or “Agree” that because of the Peer to Peer course "I have developed a working Relapse Prevention Plan."

### III. YEARLY SERVICES TO BE PROVIDED INCLUDE (BUT ARE NOT LIMITED TO):

- In collaboration with MCBH will participate in (3) panel presentations at CIT trainings
- Community Outreach: Deliver English and Spanish language community presentations and trainings, either live or via video conferencing (30 Per Year)
- Community Outreach: Participate in English and Spanish community outreach opportunities (15 Per Year)
- Present *Family to Family* (English) and *de Familia a Familia* (Spanish) education courses, either live or via video conferencing (4 Per Year total for all courses)
- Present *Peer to Peer* (English) and *de Persona a Persona* (Spanish) 10-session education courses, either live or via video conferencing (4 Per Year total for all courses)

#### **IV. REPORTING REQUIREMENTS**

Monterey County Behavioral Health shall provide to CONTRACTOR the reporting requirements and instructions as required by the State Mental Health Services Oversight and Accountability Commission, the Department of Health Care Services (DHCS) and County. CONTRACTOR shall report to MCBH's designated Contract Monitor and Prevention and Early Intervention Coordinator, on a quarterly basis, demographic data for each service provided, as well as the program outcomes as required by the [PEI regulations](#) as part of the PEI Program Evaluation Report process.

#### **V. CONTRACT MONITOR**

**EXHIBIT B: PAYMENT AND BILLING PROVISIONS**

---

**I. PAYMENT TYPE**

Negotiated Rate up to the maximum contract amount

**II. PAYMENT RATE/MONTHLY PAYMENT SCHEDULE**

<b>NAMI MC SIGNATURE &amp; OUTREACH PROGRAMS</b>	<b>FISCAL YEAR PERIOD</b>	<b>MONTHLY INVOICE AMOUNT</b>
	FY 2021-22	\$10,000
	FY 2022-23	\$10,000
	FY 2023-24	\$10,000

**III. PAYMENT CONDITIONS**

- A. If CONTRACTOR is seeking reimbursement for eligible services funded by the Short-Doyle/Medi-Cal, Mental Health Services Act (“MHSA”), SB 90, Federal or State Grants, and/or COUNTY funds provided pursuant to this Agreement, reimbursement for such services shall be based on actual cost of providing those services less any deductible revenues collected by the CONTRACTOR from other payer sources. In order to reduce COUNTY costs, the CONTRACTOR shall comply with all applicable provisions of the California Welfare and Institutions Code (WIC), the California Code of Regulations, the Code of Federal Regulations, and the federal Social Security Act related to reimbursements by non-County and non-State sources, including, but not limited to, collecting reimbursements for services from clients (which shall be the same as patient fees established pursuant to WIC section 5710) and from private or public third-party payers.

CONTRACTOR shall not claim reimbursement from COUNTY for (or apply sums received from COUNTY with respect to) that portion of its obligations which has been paid by another source of revenue. If CONTRACTOR is seeking reimbursement for mental health services provided pursuant to this Agreement, reimbursement for such services shall be based upon the actual allowable costs of providing those services less any deductible revenues, as stated above. Notwithstanding any other provision of this Agreement, in no event may CONTRACTOR request a rate that exceeds the COUNTY’S Maximum Allowances (CMA), which is based on the most recent State’s Schedule of Maximum Allowances (SMA) as established by the State’s Department of Mental Health. The SMA Schedule shall be used until COUNTY establishes the COUNTY’S rate Schedule of Maximum Allowances. CONTRACTOR shall be responsible for costs that exceed applicable CMAs. In no case shall payments to CONTRACTOR exceed CMAs. In addition to the CMA limitation, in no event shall the maximum reimbursement that will be paid by COUNTY to CONTRACTOR under this Agreement for any Program Amount be more than the amount identified for each Program Amount for each Funded Program,

as identified in this Exhibit B, Section II. Said amounts shall be referred to as the “Maximum Obligation of County,” as identified in this Exhibit B, Section IV.

- B. To the extent a recipient of services under this Agreement is eligible for coverage under Short-Doyle/Medi-Cal or Medicaid or Medicare or any other Federal or State funded program (“an eligible beneficiary”), CONTRACTOR shall ensure that services provided to eligible beneficiaries are properly identified and claimed to the Funded Program responsible for such services to said eligible beneficiaries. For the Short-Doyle/Medi-Cal Funded Program, CONTRACTOR assumes fiscal responsibility for services provided to all individuals who do not have full-scope Medi-Cal or are not Medi-Cal eligible during the term of this Agreement.
- C. CONTRACTOR shall be responsible for delivering services to the extent that funding is provided by the COUNTY. To the extent that CONTRACTOR does not have funds allocated in the Agreement for a Funded Program that pays for services to a particular eligible beneficiary, CONTRACTOR shall, at the first opportunity, refer said eligible beneficiary to another CONTRACTOR or COUNTY facility within the same geographic area to the extent feasible, which has available funds allocated for that Funded Program.
- D. In order to receive any payment under this Agreement, CONTRACTOR shall submit reports and claims in such form as General Ledger, Payroll Report and other accounting documents as needed, and as may be required by the County of Monterey Department of Health, Behavioral Health Bureau. Specifically, CONTRACTOR shall submit its claims on Cost Reimbursement Invoice Form provided as Exhibit G, to this Agreement, along with backup documentation, on a monthly basis, to COUNTY so as to reach the Behavioral Health Bureau no later than the thirtieth (30<sup>th</sup>) day of the month following the month of service. See Section II, above, for payment amount information to be reimbursed each fiscal year period of this Agreement. The amount requested for reimbursement shall be in accordance with the approved budget and shall not exceed the actual net costs incurred for services provided under this Agreement.

CONTRACTOR shall submit via email a monthly claim using Exhibit G, Invoice Form in Excel format with electronic signature along with supporting documentation, as may be required by the COUNTY for services rendered to:

[MCHDBHFinance@co.monterey.ca.us](mailto:MCHDBHFinance@co.monterey.ca.us)

- E. CONTRACTOR shall submit all claims for reimbursement under this Agreement within thirty (30) calendar days after the termination or end date of this Agreement. All claims not submitted after thirty (30) calendar days following the termination or end date of this Agreement shall not be subject to reimbursement by the COUNTY. Any claim(s) submitted for services that preceded thirty (30) calendar days prior to the termination or end date of this Agreement may be disallowed, except to the extent that such failure was through no fault of CONTRACTOR. Any “obligations incurred” included in claims for reimbursements and paid by the COUNTY which remain unpaid by the CONTRACTOR after thirty (30) calendar days following the termination or end date of this Agreement

shall be disallowed, except to the extent that such failure was through no fault of CONTRACTOR under audit by the COUNTY.

- F. If CONTRACTOR fails to submit claim(s) for services provided under the terms of this Agreement as described above, the COUNTY may, at its sole discretion, deny payment for that month of service and disallow the claim.
- G. COUNTY shall review and certify CONTRACTOR'S claim either in the requested amount or in such other amount as COUNTY approves in conformity with this Agreement, and shall then submit such certified claim to the COUNTY Auditor. The County Auditor-Controller shall pay the amount certified within thirty (30) calendar days of receiving the certified invoice.
- H. To the extent that the COUNTY determines CONTRACTOR has improperly claimed services to a particular Program Amount, COUNTY may disallow payment of said services and require CONTRACTOR to resubmit said claim of services for payment from the correct Program Amount, or COUNTY may make corrective accounting transactions to transfer the payment of the services to the appropriate Program Amount.
- I. If COUNTY certifies payment at a lesser amount than the amount requested COUNTY shall immediately notify the CONTRACTOR in writing of such certification and shall specify the reason for it. If the CONTRACTOR desires to contest the certification, the CONTRACTOR must submit a written notice of protest to the COUNTY within twenty (20) calendar days after the CONTRACTOR'S receipt of the COUNTY notice. The parties shall thereafter promptly meet to review the dispute and resolve it on a mutually acceptable basis. No court action may be taken on such a dispute until the parties have met and attempted to resolve the dispute in person.

#### IV. MAXIMUM OBLIGATION OF COUNTY

- A. Subject to the limitations set forth herein, COUNTY shall pay to CONTRACTOR during the term of this Agreement a maximum amount of **\$360,000** for services rendered under this Agreement.
- B. Funding Source: This Agreement is 100% funded by MHSA PEI funds, for all Fiscal Year amounts, as shown in the below Total Agreement Maximum Liability table.
- C. Maximum Annual Liability:

FISCAL YEAR LIABILITY	AMOUNT
July 1, 2021 thru June 30, 2022	\$120,000
July 1, 2022 thru June 30, 2023	\$120,000
July 1, 2023 thru June 30, 2024	\$120,000
<b>TOTAL AGREEMENT MAXIMUM LIABILITY:</b>	<b>\$360,000</b>

- D. If, as of the date of signing this Agreement, CONTRACTOR has already received payment from COUNTY for services rendered under this Agreement, such amount shall be deemed to have been paid out under this Agreement and shall be counted towards COUNTY'S maximum liability under this Agreement.
- E. If for any reason this Agreement is canceled, COUNTY'S maximum liability shall be the total utilization to the date of cancellation not to exceed the maximum amount listed above.
- F. As an exception to Section D. above with respect to the Survival of Obligations after Termination, COUNTY, any payer, and CONTRACTOR shall continue to remain obligated under this Agreement with regard to payment for services required to be rendered after termination.

**V. BILLING AND PAYMENT LIMITATIONS**

- A. Provisional Payments: COUNTY payments to CONTRACTOR for performance of eligible services hereunder are provisional until the completion of all settlement activities and audits, as such payments are subject to future Federal, State and/or COUNTY adjustments. COUNTY adjustments to provisional payments to CONTRACTOR may be based upon COUNTY'S claims processing information system data, State adjudication of Medi-Cal and Healthy Families claims files, contractual limitations of this Agreement, annual cost and MHSR reports, application of various Federal, State, and/or COUNTY reimbursement limitations, application of any Federal, State, and/or COUNTY policies, procedures and regulations, and/or Federal, State, or COUNTY audits, all of which take precedence over monthly claim reimbursements.
- B. Allowable Costs: Allowable costs shall be the CONTRACTOR'S actual costs of developing, supervising and delivering the services under this Agreement, as set forth in the Budget provided in Exhibit H. Only the costs listed in Exhibit H of this Agreement as contract expenses may be claimed as allowable costs. Any dispute over whether costs are allowable shall be resolved in accordance with the provisions of applicable Federal, State and COUNTY regulations.
- C. Cost Control: CONTRACTOR shall not exceed by more than twenty (20%) percent any contract expense line item amount in the budget without the written approval of COUNTY, given by and through the Contract Administrator or Contract Administrator's designee. CONTRACTOR shall submit an amended budget using Exhibit H, or on a format as required by the COUNTY, with its request for such approval. Such approval shall not permit CONTRACTOR to receive more than the maximum total amount payable under this Agreement. Therefore, an increase in one line item shall require corresponding decreases in other line items.
- D. Other Limitations for Certain Funded Programs: In addition to all other limitations provided in this Agreement, reimbursement for services rendered under certain Funded Programs may be further limited by rules, regulations and procedures applicable only to

that Funded Program. CONTRACTOR shall be familiar with said rules, regulations and procedures and submit all claims in accordance therewith.

- E. Adjustment of Claims Based on Other Data and Information: The COUNTY shall have the right to adjust claims based upon data and information that may include, but are not limited to, COUNTY'S claims processing information system reports, remittance advices, State adjudication of Medi-Cal claims, and billing system data.

**VI. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS**

- A. This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.
- B. This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.
- C. In the event that the COUNTY'S Board of Supervisors adopts, in any fiscal year, a COUNTY Budget which provides for reductions in COUNTY Agreements, the COUNTY reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, correspondingly. The COUNTY'S notice to the CONTRACTOR regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such action.
- D. Notwithstanding any other provision of this Agreement, COUNTY shall not be obligated for CONTRACTOR'S performance hereunder or by any provision of this Agreement during any of COUNTY'S current or future fiscal year(s) unless and until COUNTY'S Board of Supervisors appropriates funds for this Agreement in COUNTY'S Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. COUNTY shall notify CONTRACTOR of any such non-appropriation of funds at the earliest possible date and the services to be provided by the CONTRACTOR under this Agreement shall also be reduced or terminated.

**VII. AUTHORITY TO ACT FOR THE COUNTY**

The Director of the Health Department of the County of Monterey may designate one or more persons within the County of Monterey for the purposes of acting on his/her behalf to implement the provisions of this Agreement. Therefore, the term "Director" in all cases shall mean "Director or his/her designee."

**EXHIBIT C: CONFIDENTIALITY OF PATIENT INFORMATION**

Confidentiality of Patient Information and Records. All patient information and records are confidential. CONTRACTOR shall maintain the confidentiality of all patient records, including billings and computerized records, in accordance with all state and federal law relating to confidentiality of patient records and patient information, including but not limited to: Welfare and Institutions Code sections 5328, *et seq.*, 14100.2, and 10850, *et seq.*; Title 45 Code of Federal Regulations section 205.50, and Title 42, CFR, section 431.300 *et seq.* "Patient information" or "confidential information" includes any patient/recipient of services identifying information including, but not limited to: name, identifying numbers, symbol, fingerprint, photograph or voice print. In addition, "patient information" or "confidential information" includes all information CONTRACTOR has obtained about a patient/recipient of services whether or not a documentary record of such information exists.

Use and Disclosure of Patient Information. Confidential information gained by CONTRACTOR from access to records and from contact with patients/recipients of service and complainants shall be used by CONTRACTOR only in connection with its performance under this Agreement. CONTRACTOR shall not disclose patient records or information, including the identities of patients/recipients of service, without proper consent to such disclosure or a court order requiring disclosure. In addition, CONTRACTOR shall obtain COUNTY's authorization to such disclosure prior to any release of confidential information. The COUNTY, through the Behavioral Health Director, shall have access to such confidential information.

Penalty for Unauthorized Disclosure. CONTRACTOR understands that disclosure of patient information in violation of law may subject the party releasing the information to a minimum of \$10,000 in civil damages, as set forth in Welfare and Institutions Code Section 5330.

Duty to Warn. CONTRACTOR understands that persons providing services under this Agreement may, in certain situations involving a patient or recipient of services who is a danger to himself or others, have a duty to warn third parties of such danger and should consult supervisory staff and/or legal counsel about such duty to warn as appropriate.

Dissemination of these Confidentiality Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

***By my signature below, as the authorized representative of the CONTRACTOR named below, I certify acceptance and understanding for myself and the CONTRACTOR of the above confidentiality provisions.***

## **EXHIBIT E: ASSURANCE OF COMPLIANCE WITH MONTEREY COUNTY CULTURAL COMPETENCY POLICY**

---

In a culturally competent system, each provider organization shows respect for and responds to individual differences and special needs. Services are provided in the appropriate cultural context and without discrimination related to race, national origin, income level, religion, gender, sexual orientation, age, or physical disability, to name a few. Culturally competent caregivers are aware of the impact of their own culture on their relationships with consumers/families and know about and respect cultural and ethnic differences. They adapt their skills to meet each individual's/family's values and customs. Cultural competence is a developmental and dynamic process – one that occurs over time.

### **Organizations in a Culturally Competent Service System Promote:**

#### **Quality Improvement**

- Continuous evaluation and quality improvement
- Supporting evidence-based, promising, community defined, and emerging practices that are congruent with ethnic/racial/linguistic group belief systems, cultural values and help-seeking behaviors.

#### **Collaboration**

- Collaborating with Behavioral Health and other community programs
- Resolving barriers to partnerships with other service providers

#### **Access**

- Providing new services to unserved and underserved children, youth, adults and/or older adults
- Reducing disparities in access to, and retention in, care as identified in the Mental Health Services Act Plan
- Ensuring representation of mental health services consumers, family members of a mental health services consumer, and/or representatives from unserved communities on their advisory/governance body or committee for development of service delivery and evaluation (with a minimum target of 40%).
- Developing recruitment, hiring, and retention plans that are reflective of the population focus, communities' ethnic, racial, and linguistic populations.

### **Cultural Competent Services:**

- Are available, accessible and welcoming to all clients regardless of race, ethnicity, language, age, and sexual orientation.
- Provide a physical environment that is friendly, respectful and inclusive of all cultures.
- Provide information, resources and reading materials in multilingual formats.
- Promote and foment culturally accepted social interactions, respect and healthy behaviors within the family constellation and service delivery system.

- Provide options for services, which are consistent with the client’s beliefs, values, healing traditions, including individual preferences for alternative, spiritual and/or holistic approaches to health.
- Offer services in unserved and underserved communities.
- Have services available in the evening and on weekends to ensure maximum accessibility.
- Offer services in Spanish and other necessary languages (such as Tagalog, Vietnamese, Oaxacan, Triqui and other languages spoken of Monterey County residents).

**Definitions for Cultural Competency**

“Cultural Competence” is defined as a set of congruent practice skills, knowledge, behaviors, attitudes, and policies that come together in a system, agency, or among consumer providers, family members, and professionals that enables that system, agency, or those professionals and consumers, and family member providers to work effectively in cross-cultural situations.

(Adapted from Cross, et al., 1989; cited in DMH Information Notice No.02-03).

“Cultural Competence” is a means to eliminating cultural, racial and ethnic disparities. Cultural Competence enhances the ability of the whole system to incorporate the languages, cultures, beliefs and practices of its clients into the service. In this way all clients benefit from services that address their needs from the foundation of their own culture. Strategies for elimination of these disparities must be developed and implemented. Cultural Competence must be supported at all levels of the system.

(CMHDA Framework for Eliminating Cultural, Linguistic, Racial and Ethnic Behavioral Health Disparities)

[Cultural Competency] A set of congruent behaviors, attitudes, and policies that come together in a system, agency or amongst professionals and consumers and enables that system, agency or those professionals and consumers to work effectively in cross-cultural situations.

(Cross, Bazron, Dennis & Issacs, 1989)

The ability to work effectively with culturally diverse clients and communities.

(Randall David, 1994)

CONTRACTOR hereby agrees that it will comply with the principles and guidelines set forth in Monterey County’s Health Department – Behavioral Health’s Cultural Competency Policy (as outlined above), and will:

1. Develop organizational capacity to provide services in a culturally and linguistically competent manner. This may include: hiring staff with the linguistic capabilities needed to meet the diverse language needs in Monterey County (for example, Spanish, Tagalog, Vietnamese, Oaxacan, Triqui, American Sign Language (ASL), Middle Eastern languages); providing staff with training in cultural competency; making services accessible at locations and times that minimize access barriers, and ensuring that staff have an open, welcoming and positive attitude and feel comfortable working with diverse cultures.
2. Create a physical environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: decorating waiting and treatment areas with pictures that reflect the diverse cultures of Monterey County; providing reading materials,

resources and magazines in varied languages, at appropriate reading levels and suitable for different age groups, including children and youth; consideration of cultural differences and preferences when offering refreshments; ensuring that any pictures, symbols or materials on display are not unintentionally disrespectful to another culture.

3. Provide a services delivery environment that ensures people of all cultures, ages and sexual orientation feel welcome and cared for. This may include: respect for individual preferences for alternative, spiritual and/or holistic approaches to health; a reception staff that is competent in the different languages spoken by consumers/families; staff that is knowledgeable of cultural and ethnic differences and needs, and is able and willing to respond an appropriate and respectful manner.
4. Support the county’s goal to reduce disparities to care by increasing access and retention while decreasing barriers to services by unserved and underserved communities.
5. Include the voice of multi-cultural youth, client and family members, including: monolingual and bilingual clients and family members and representatives from unserved and underserved communities, in the advisory/governance body or committee for development of service delivery, planning and evaluation (County Goal: 40%).
6. Participate in outcome evaluation activities aimed at assessing individual organizations as well as countywide cultural competency in providing mental health services.
7. As requested, meet with the Monterey County Health Department - Behavioral Health Director or designee to monitor progress and outcomes of the project.
8. Ensure that 100% of staff, over a 3 year period, participate in cultural competency training including, but not limited to, those offered by Monterey County Behavioral Health.

Dissemination of these Provisions. CONTRACTOR shall inform all its officers, employees, agents, and subcontractors providing services hereunder of these provisions.

## **EXHIBIT F: BUSINESS ASSOCIATE AGREEMENT**

---

This Business Associate Agreement (“Agreement”), effective **July 1, 2021** (“Effective Date”), is entered into by and among the County of Monterey, a political subdivision of the State of California, on behalf of the Health Department (“Covered Entity”) and **National Alliance on Mental Illness, Monterey County** (“Business Associate”) (each a “Party” and collectively the “Parties”).

Business Associate provides certain services for Covered Entity (“Services”) that involve the use and disclosure of Protected Health Information that is created or received by Business Associate from or on behalf of Covered Entity (“PHI”). The Parties are committed to complying with the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. Part 160 and Part 164, Subparts A and E as amended from time to time (the “Privacy Rule”), and with the Security Standards, 45 C.F.R. Part 160 and Part 164, Subpart C as amended from time to time (the “Security Rule”), under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”), as amended by the Health Information Technology for Economic and Clinical Health Act and its implementing regulations (“HITECH”). Business Associate acknowledges that, pursuant to HITECH, 45 C.F.R. §§ 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), 164.316 (policies and procedures and documentation requirements) and 164.502 *et seq.* apply to Business Associate in the same manner that such sections apply to Covered Entity. The additional requirements of Title XIII of HITECH contained in Public Law 111-005 that relate to privacy and security and that are made applicable with respect to covered entities shall also be applicable to Business Associate. The Parties are also committed to complying with the California Confidentiality of Medical Information Act, Ca. Civil Code §§ 56 *et seq.* (“CMIA”), where applicable. Business Associate acknowledges that the CMIA prohibits Business Associate from further disclosing the PHI it receives from Covered Entity where such disclosure would be violative of the CMIA. The Parties are also committed to complying with applicable requirements of the Red Flag Rules issued pursuant to the Fair and Accurate Credit Transactions Act of 2003 (“Red Flag Rules”). This Agreement sets forth the terms and conditions pursuant to which PHI, and, when applicable, Electronic Protected Health Information (“EPHI”), shall be handled. The Parties further acknowledge that state statutes or other laws or precedents may impose data breach notification or information security obligations, and it is their further intention that each shall comply with such laws as well as HITECH and HIPAA in the collection, handling, storage, and disclosure of personal data of patients or other personal identifying information exchanged or stored in connection with their relationship.

The Parties agree as follows:

### **1. Definitions**

All capitalized terms used in this Agreement but not otherwise defined shall have the meaning set forth in the Privacy Rule, Security Rule and HITECH.

### **2. Permitted Uses And Disclosures Of PHI**

2.1 Unless otherwise limited herein, Business Associate may:

(a) use or disclose PHI to perform functions, activities or Services for, or on behalf of, Covered Entity as requested by Covered Entity from time to time, provided that such use or disclosure would not violate the Privacy or Security Rules or the standards for Business Associate Agreements set forth in 45 C.F.R. § 164.504(e), exceed the minimum necessary to accomplish the intended purpose of such use or disclosure, violate the additional requirements of HITECH contained in Public Law 111-005 that relate to privacy and security, or violate the CMIA;

(b) disclose PHI for the purposes authorized by this Agreement only: (i) to its employees, subcontractors and agents; (ii) as directed by this Agreement; or (iii) as otherwise permitted by the terms of this Agreement;

(c) use PHI in its possession to provide Data Aggregation Services to Covered Entity as permitted by 45 C.F.R. § 164.504(e)(2)(i)(B);

(d) use PHI in its possession for proper management and administration of Business Associate or to carry out the legal responsibilities of Business Associate as permitted by 45 C.F.R. § 164.504(e)(4)(i);

(e) disclose the PHI in its possession to third parties for the proper management and administration of Business Associate to the extent and in the manner permitted under 45 C.F.R. § 164.504(e)(4)(ii); provided that disclosures are Required by Law , or Business Associate obtains reasonable assurances from the persons to whom the information is disclosed that it will remain confidential and used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person, and the person notifies the Business Associate of any instances of which it is aware in which the confidentiality of the information has been breached;

(f) use PHI to report violations of law to appropriate Federal and state authorities, consistent with 45 C.F.R. § 164.502(j)(1);

(g) de-identify any PHI obtained by Business Associate under this Agreement for further use or disclosure only to the extent such de-identification is pursuant to this Agreement, and use such de-identified data in accordance with 45 C.F.R. § 164.502(d)(1).

### **3. Responsibilities Of The Parties With Respect To PHI**

3.1 Responsibilities of Business Associate. With regard to its use and/or disclosure of PHI, Business Associate shall:

(a) use and/or disclose the PHI only as permitted or required by this Agreement or as otherwise Required by Law;

(b) report to the privacy officer of Covered Entity, in writing, (i) any use and/or disclosure of the PHI that is not permitted or required by this Agreement of which Business Associate becomes aware, and (ii) any Breach of unsecured PHI as specified by HITECH, within two (2) days of Business Associate's determination of the occurrence of such unauthorized use and/or disclosure. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure. The notification of any Breach of unsecured PHI shall include, to the extent possible, the identification of each individual whose unsecured PHI has been, or is reasonably believed by the Business Associate to have been, accessed, acquired, used or disclosed during the Breach.

(c) use commercially reasonable safeguards to maintain the security of the PHI and to prevent use and/or disclosure of such PHI other than as provided herein;

(d) obtain and maintain an agreement with all of its subcontractors and agents that receive, use, or have access to, PHI pursuant to which agreement such subcontractors and agents agree to adhere to the same restrictions and conditions on the use and/or disclosure of PHI that apply to Business Associate pursuant to this Agreement;

(e) make available all internal practices, records, books, agreements, policies and procedures and PHI relating to the use and/or disclosure of PHI to the Secretary for purposes of determining Covered Entity or Business Associate's compliance with the Privacy Rule;

(f) document disclosures of PHI and information related to such disclosure and, within ten (10) days of receiving a written request from Covered Entity, provide to Covered Entity such information as is requested by Covered Entity to permit Covered Entity to respond to a request by an individual for an accounting of the disclosures of the individual's PHI in accordance with 45 C.F.R. § 164.528, as well as provide an accounting of disclosures, as required by HITECH, directly to an individual provided that the individual has made a request directly to Business Associate for such an accounting. At a minimum, the Business Associate shall provide the Covered Entity with the following information: (i) the date of the disclosure, (ii) the name of the entity or person who received the PHI, and if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of such disclosure which includes an explanation of the basis for such disclosure. In the event the request for an accounting is delivered directly to the Business Associate, the Business Associate shall, within two (2) days, forward such request to the Covered Entity. The Business Associate shall implement an appropriate recordkeeping process to enable it to comply with the requirements of this Section;

(g) subject to Section 4.4 below, return to Covered Entity within twenty-one (21) days of the termination of this Agreement, the PHI in its possession and retain no copies, including backup copies;

(h) disclose to its subcontractors, agents or other third parties, and request from Covered Entity, only the minimum PHI necessary to perform or fulfill a specific function required or permitted hereunder;

(i) if all or any portion of the PHI is maintained in a Designated Record Set:

(i) upon ten (10) days' prior written request from Covered Entity, provide access to the PHI in a Designated Record Set to Covered Entity or, as directed by Covered Entity, the individual to whom such PHI relates or his or her authorized representative to meet a request by such individual under 45 C.F.R. § 164.524; and

(ii) upon ten (10) days' prior written request from Covered Entity, make any amendment(s) to the PHI that Covered Entity directs pursuant to 45 C.F.R. § 164.526;

(j) maintain policies and procedures to detect and prevent identity theft in connection with the provision of the Services, to the extent required to comply with the Red Flag Rules;

(k) notify the Covered Entity within five (5) days of the Business Associate's receipt of any request or subpoena for PHI. To the extent that the Covered Entity decides to assume responsibility for challenging the validity of such request, the Business Associate shall cooperate fully with the Covered Entity in such challenge;

(l) maintain a formal security program materially in accordance with all applicable data security and privacy laws and industry standards designed to ensure the security and integrity of the Covered Entity's data and protect against threats or hazards to such security

The Business Associate acknowledges that, as between the Business Associate and the Covered Entity, all PHI shall be and remain the sole property of the Covered Entity.

3.2 Additional Responsibilities of Business Associate with Respect to EPHI. In the event that Business Associate has access to EPHI, in addition to the other requirements set forth in this Agreement relating to PHI, Business Associate shall:

- (a) implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of EPHI that Business Associate creates, receives, maintains, or transmits on behalf of Covered Entity as required by 45 C.F.R. Part 164, Subpart C;
- (b) ensure that any subcontractor or agent to whom Business Associate provides any EPHI agrees in writing to implement reasonable and appropriate safeguards to protect such EPHI; and
- (c) report to the privacy officer of Covered Entity, in writing, any Security Incident involving EPHI of which Business Associate becomes aware within two (2) days of Business Associate's discovery of such Security Incident. For purposes of this Section, a Security Incident shall mean (consistent with the definition set forth at 45 C.F.R. § 164.304), the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with systems operations in an information system. In such event, the Business Associate shall, in consultation with the Covered Entity, mitigate, to the extent practicable, any harmful effect that is known to the Business Associate of such improper use or disclosure.

3.3 Responsibilities of Covered Entity. Covered Entity shall, with respect to Business Associate:

- (a) provide Business Associate a copy of Covered Entity's notice of privacy practices ("Notice") currently in use;
- (b) notify Business Associate of any limitations in the Notice pursuant to 45 C.F.R. § 164.520, to the extent that such limitations may affect Business Associate's use or disclosure of PHI;
- (c) notify Business Associate of any changes to the Notice that Covered Entity provides to individuals pursuant to 45 C.F.R. § 164.520, to the extent that such changes may affect Business Associate's use or disclosure of PHI;
- (d) notify Business Associate of any changes in, or withdrawal of, the consent or authorization of an individual regarding the use or disclosure of PHI provided to Covered Entity pursuant to 45 C.F.R. § 164.506 or § 164.508, to the extent that such changes may affect Business Associate's use or disclosure of PHI; and
- (e) notify Business Associate, in writing and in a timely manner, of any restrictions on use and/or disclosure of PHI as provided for in 45 C.F.R. § 164.522 agreed to by Covered Entity, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

#### **4. Terms And Termination**

4.1 Term. This Agreement shall become effective on the Effective Date and shall continue in effect unless terminated as provided in this Article 4. Certain provisions and requirements of this Agreement shall survive its expiration or other termination as set forth in Section 5.1 herein.

4.2 Termination. Either Covered Entity or Business Associate may terminate this Agreement and any related agreements if the terminating Party determines in good faith that the terminated Party has breached a material term of this Agreement; provided, however, that no Party may terminate this Agreement if the

breaching Party cures such breach to the reasonable satisfaction of the terminating Party within thirty (30) days after the breaching Party's receipt of written notice of such breach.

4.3 Automatic Termination. This Agreement shall automatically terminate without any further action of the Parties upon the termination or expiration of Business Associate's provision of Services to Covered Entity.

4.4 Effect of Termination. Upon termination or expiration of this Agreement for any reason, Business Associate shall return all PHI pursuant to 45 C.F.R. § 164.504(e)(2)(ii)(I) if, and to the extent that, it is feasible to do so. Prior to doing so, Business Associate shall recover any PHI in the possession of its subcontractors or agents. To the extent it is not feasible for Business Associate to return or destroy any portion of the PHI, Business Associate shall provide Covered Entity a statement that Business Associate has determined that it is infeasible to return or destroy all or some portion of the PHI in its possession or in possession of its subcontractors or agents. Business Associate shall extend any and all protections, limitations and restrictions contained in this Agreement to any PHI retained after the termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed.

## 5. Miscellaneous

5.1 Survival. The respective rights and obligations of Business Associate and Covered Entity under the provisions of Sections 4.4, 5.1, 5.6, and 5.7, and Section 2.1 (solely with respect to PHI that Business Associate retains in accordance with Section 4.4 because it is not feasible to return or destroy such PHI), shall survive termination of this Agreement until such time as the PHI is returned to Covered Entity or destroyed. In addition, Section 3.1(i) shall survive termination of this Agreement, provided that Covered Entity determines that the PHI being retained pursuant to Section 4.4 constitutes a Designated Record Set.

5.2 Amendments; Waiver. This Agreement may not be modified or amended, except in a writing duly signed by authorized representatives of the Parties. To the extent that any relevant provision of the HIPAA, HITECH or Red Flag Rules is materially amended in a manner that changes the obligations of Business Associates or Covered Entities, the Parties agree to negotiate in good faith appropriate amendment(s) to this Agreement to give effect to the revised obligations. Further, no provision of this Agreement shall be waived, except in a writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

5.3 No Third Party Beneficiaries. Nothing express or implied in this Agreement is intended to confer, nor shall anything herein confer, upon any person other than the Parties and the respective successors or assigns of the Parties, any rights, remedies, obligations, or liabilities whatsoever.

5.4 Notices. Any notices to be given hereunder to a Party shall be made via U.S. Mail or express courier to such Party's address given below, and/or via facsimile to the facsimile telephone numbers listed below.

Each Party named above may change its address and that of its representative for notice by the giving of notice thereof in the manner hereinabove provided. Such notice is effective upon receipt of notice, but receipt is deemed to occur on next business day if notice is sent by FedEx or other overnight delivery service.

5.5 Counterparts; Facsimiles. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original. Facsimile copies hereof shall be deemed to be originals.

5.6 Choice of Law; Interpretation. This Agreement shall be governed by the laws of the State of California; as provided, however, that any ambiguities in this Agreement shall be resolved in a manner that allows Business Associate to comply with the Privacy Rule, and, if applicable, the Security Rule and the CMIA.

5.7 Indemnification. Contractor shall indemnify, defend, and hold harmless the County of Monterey (hereinafter County), its officers, agents, and employees from any claim, liability, loss, injury, cost, expense, penalty or damage, including the County’s reasonable cost of providing notification of and of mitigating any acquisition, access, use or disclosure of PHI in a manner not permitted by this BAA, arising out of, or in connection with, performance of this BAA by Contractor and/or its agents, members, employees, or sub-contractors, excepting only loss, injury, cost, expense, penalty or damage caused by the negligence or willful misconduct of personnel employed by the County. It is the intent of the parties to this BAA to provide the broadest possible indemnification for the County. Contractor shall reimburse the County for all costs, attorneys’ fees, expenses, and liabilities incurred by the County with respect to any investigation, enforcement proceeding or litigation in which Contractor is obligated to indemnify, defend, and hold harmless the County under this BAA. This provision is in addition to and independent of any indemnification provision in any related or other agreement between the Covered Entity and the Business Associate.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed in its name and on its behalf as of the Effective Date.

**EXHIBIT I: ANNUAL REPORT(S), COST REPORT SETTLEMENT, AND AUDIT****I. ANNUAL REPORT(S)**

- A. For each fiscal year or portion thereof that this Agreement is in effect, CONTRACTOR shall provide COUNTY with accurate and complete Annual Report(s) known as the State Cost Report, the Annual Mental Health Services Act (MHSA) Revenue and Expenditure Reports, and the Annual Report(s), as applicable and required by the COUNTY (numbered (1)-(3) in Section XIV (A) in electronic forms and hard copies along with duly signed Provider's Certification and copy of audited financial statement and/or other supporting documents that the COUNTY may require, by the due date specified in this Exhibit I, Section I., Paragraph C.
- B. An accurate and complete State Cost Report and/or Annual MHSA Revenue and Expenditure Report shall be defined as Annual Report(s) which is (are) completed to the best of the ability of CONTRACTOR on such forms or in such formats as specified by the COUNTY and consistent with such instructions as the COUNTY may issue and are based on the best available data and based on the CONTRACTOR'S Financial Summary applicable to the fiscal year. Further, CONTRACTOR shall certify under penalty of perjury that the CONTRACTOR has not violated any of the provisions of Section 1090 through 1096 of the Government Code and with respect to MHSA funding; is in compliance with California Code of Regulations, Title 9, Division 1, Chapter 14, Article 4, Section 3410, Non-Supplant and Article 5, Section 3500, non-Supplant Certification and Reports; that the amount for which reimbursement is claimed in the Annual Report(s) is in accordance with Chapter 3, Part 2. Division 5 of the Welfare and Institutions Code; and WIC Section 5891 and that to the best of the CONTRACTOR'S knowledge and belief the information on Annual Report(s) is (are) in all respects, correct, and in accordance with the law.
- C. The Annual Report(s) shall be due on September 15<sup>th</sup> for the fiscal year ending on the previous June 30<sup>th</sup> or seventy-five (75) days following the expiration or termination date of this Agreement, or forty-five (45) days after the COUNTY transmits the cost report template electronically to the CONTRACTOR, whichever occurs later. Should the due date fall on a weekend, such report(s) shall be due on the following business day.
1. Failure to submit the Annual Report(s) within thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C) is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:
    - a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Annual Report(s) is (are) outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the Annual Report(s) is (are) submitted. If COUNTY exercises its discretion to disallow claim(s) or

withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified in this Exhibit I, Section I, Subsection (C), of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within the time specified in the notice, shall submit the Annual Report(s) to avoid disallowance of claims or withholding of payments.

- b. In such instance that CONTRACTOR does not submit the Annual Report(s) by thirty (30) calendar days after the applicable due date specified in this Exhibit I, Section I, Subsection (C), COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the Annual Report(s) is (are) outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.

- D. The Annual Report(s) shall be prepared by the CONTRACTOR in accordance with the instructions, rules, policies and procedures established by the Federal governments, State and COUNTY.

## **II. COST REPORT SETTLEMENT**

- A. CONTRACTOR shall submit the CONTRACTOR'S Year-End Cost Report Settlement with the COUNTY based on the Annual Report(s) submitted pursuant to this Exhibit I of this Agreement, for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is (are) outstanding.

1. Failure to submit the CONTRACTOR'S Year-End Cost Report Settlement within thirty (30) calendar days after the due date specified by written notice of the COUNTY is a breach of this Agreement. In addition to, and without limiting, any other remedy available to the COUNTY for such breach, COUNTY may undertake any or all of the following to remedy such breach:

- a. COUNTY, in its sole and absolute discretion, may disallow claim(s) for payment for services/activities rendered during the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding or withhold payment(s) for reimbursements payable pursuant to Section III (A) to CONTRACTOR for the current fiscal year by COUNTY to CONTRACTOR until the CONTRACTOR'S Year-End Cost Report Settlement is submitted. If COUNTY exercises its discretion to disallow claim(s) or withhold payment(s), COUNTY shall give CONTRACTOR written notice, during the thirty (30) calendar days after the due date specified by the COUNTY, of its intention to disallow claim(s) or withhold payment(s) as of the date specified in the notice, including the reason(s) for its intended action. Thereafter, CONTRACTOR, within

the time specified in the notice, shall submit the CONTRACTOR'S Year-End Cost Report Settlement to avoid disallowance of claim(s) or withholding of payment(s).

- b. In such instance that CONTRACTOR does not submit the CONTRACTOR'S Year-End Cost Report Settlement by thirty (30) calendar days after the applicable due date specified by written notice of the COUNTY, COUNTY, in its sole and absolute discretion, may deem as due and owing to COUNTY by CONTRACTOR all amounts paid pursuant to Section III (A) by COUNTY to CONTRACTOR for services/activities for the fiscal year(s) for which the CONTRACTOR'S Year-End Cost Report Settlement is outstanding. CONTRACTOR shall pay COUNTY according to the method described in this Exhibit I, Section IV (Method of Payments for Amounts Due to COUNTY). Such payments shall be submitted to the persons at the address identified in the COUNTY invoice.
- B. All payments made to the CONTRACTOR and the actual Federal Financial Participation (FFP) revenue generated by the CONTRACTOR shall be reconciled with CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement. CONTRACTOR'S Year-End Cost Report Settlement shall be based upon the allowable costs as stipulated in Exhibit B, Section VI, Subsection B, less any deductible revenues collected by CONTRACTOR from other payor sources. FFP revenue shall be based upon the FFP claimed by the CONTRACTOR in accordance to the provision of Exhibit B and the reconciled amount of FFP as reflected in the State Cost Report Settlement. Such settlement shall be subject to the terms and conditions of this Agreement and all other applicable Federal, State and local statutes, regulations, policies, procedures and/or other requirements. In addition, audit procedures may be performed by the COUNTY in accordance with the Generally Accepted Accounting Principles and Generally Accepted Auditing Standards.
- C. COUNTY shall issue its findings regarding CONTRACTOR'S Year-End Cost Report Settlement and/or State Cost Report Settlement ("COUNTY'S Findings") at any time after the COUNTY received the calculation of the cost settlement from the CONTRACTOR and/or COUNTY completed the State Cost Settlement process.
1. As part of its cost report settlement, COUNTY shall identify any amounts due to CONTRACTOR by the COUNTY or due from the CONTRACTOR to the COUNTY.
  2. Upon issuance of the COUNTY'S Findings, CONTRACTOR may, within thirty (30) calendar days, submit a written request to the COUNTY for review of the Findings.
    - a. Upon receipt by COUNTY of the CONTRACTOR'S written request, the COUNTY shall, within thirty (30) calendar days, meet with the CONTRACTOR to review the COUNTY'S Findings and to consider any documentation or information presented by the CONTRACTOR. CONTRACTOR may waive such meeting and elect to proceed based on written submission at its sole discretion.
    - b. Within thirty (30) calendar days of the meeting specified in Subsection C., 2., a. above, or if no meeting is requested, within thirty (30) calendar days of the

issuance of the COUNTY'S Findings, COUNTY shall issue a final cost report settlement finding to the CONTRACTOR including confirming or adjusting any amounts due to CONTRACTOR by the COUNTY or due from CONTRACTOR to the COUNTY.

3. In the event that the COUNTY'S Findings indicates that the CONTRACTOR is due payment from the COUNTY, COUNTY shall make payment to CONTRACTOR within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2., b. above, whichever is later.
4. In the event that the COUNTY'S Findings indicates that the CONTRACTOR owes payments to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) calendar days following the expiration of the date to request a review as specified in Paragraph C., 2. above or issuance of the COUNTY'S Findings as specified in Paragraph C., 2. b. above, whichever is later. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.
5. Regardless of any other provision of this Section II, reimbursement to CONTRACTOR shall not exceed the Maximum Contract Amount and shall not exceed the Maximum Program Amount for each Funded Program, as identified in Exhibit B.

### **III. COST REPORT TRAINING**

CONTRACTOR shall attend a one-time mandatory cost report training provided by the COUNTY. COUNTY shall provide further cost report training as needed and/or as required according to changes in the State cost report requirements. Failure by the CONTRACTOR to attend the one-time mandatory cost report training, and subsequent training(s), as needed and requested by the COUNTY, may result in disallowance of any claims for payment. If CONTRACTOR continues to neglect attendance to scheduled training(s), claims for payment shall be disallowed due to delayed training completion or non-compliance.

### **IV. AUDIT(S) AND AUDIT APPEALS**

- A. At any time during the term of this Agreement or after the expiration or termination of this Agreement, in accordance with Federal and State law including but not limited to the California Welfare and Institutions Code (WIC) Sections 14170 et seq., authorized representatives from the Federal governments, State or COUNTY may conduct an audit of CONTRACTOR regarding the services/activities provided under the fiscal year(s) for which the audit is outstanding. In addition, contract compliance audits or reviews may be conducted by the Monterey County's Auditor-Controller's Office or designated representative. Furthermore, the California State Controller Office performs audits of the mandated cost claims for the seriously emotionally disturbed pupils for the Out-of-State Mental Health Services Program and Handicapped and Disabled Students Programs. The Centers for Medicare and Medicaid Services (CMS) also perform audits of the Certified Public Expenditure (CPE) processes, negotiated rate audit information, and other issues.

- B. Settlement of audit findings shall be conducted according to the auditing party's procedures in place at the time of the audit.
- C. In the case of a Federal Government or State audit, COUNTY may perform a post-audit based on Federal or State audit findings. Such post-audit shall take place when the Federal Government or State initiates its settlement action, which customarily is after the issuance of the audit report by the Federal Government or State and before the Federal Government or State's audit appeal process.
  - 1. If the Federal Government or State stays its collection of any amounts due or payable because of the audit findings, COUNTY shall also stay its settlement of the same amounts due or payable until the responsible auditing party initiates its settlement action with COUNTY.
  - 2. COUNTY shall follow all applicable Federal, State and local laws, regulations manuals, guidelines and directives in recovering from CONTRACTOR any amount due to the COUNTY.
  - 3. COUNTY shall issue an invoice to CONTRACTOR for any amount due to the COUNTY no later than ninety (90) calendar days after the Federal or State issues its audit settlement letter to the COUNTY. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.
- D. CONTRACTOR may appeal any such audit findings in accordance with the audit appeal process established by the party performing the audit.
  - 1. For Federal audit exceptions, Federal audit appeal processes shall be followed.
  - 2. CONTRACTOR may appeal the State audit findings in conformance with provisions of Sections 51016 et seq. of Title 22 of the California Code of Regulations. Such appeals must be filed through COUNTY. COUNTY shall notify CONTRACTOR of State appeal deadlines after COUNTY'S receipt from State of the audit report.
  - 3. If at any time the Appeal process results in a revision to the audit findings, and the Federal Government or State recalculates the final settlement with COUNTY, COUNTY may perform a post-audit based on the Federal or State revised findings after the Federal Government or State has issued its revised settlement with the COUNTY, based on such re-computed final settlement.
    - a. If the re-computed final settlement results in amounts due to CONTRACTOR by the COUNTY, COUNTY shall make such payments to CONTRACTOR within thirty (30) calendar days of issuing the revised settlement amount to the CONTRACTOR.

- b. If the re-computed final settlement results in amounts due from CONTRACTOR to the COUNTY, CONTRACTOR shall make payment to the COUNTY within thirty (30) days that the COUNTY issues its invoice to the CONTRACTOR.
- E. Notwithstanding any other provisions of this Agreement, if CONTRACTOR appeals any audit report, the appeal shall not prevent the COUNTY from recovering from CONTRACTOR any amount owed by CONTRACTOR that the Federal Government or State has recovered from COUNTY.
- F. Should the auditing party be the COUNTY, CONTRACTOR shall have thirty (30) calendar days from the date of the audit report with in which to file an appeal with COUNTY. The letter providing the CONTRACTOR with notice of the audit findings shall indicate the person(s) and address to which the appeal should be directed. COUNTY shall consider all information provided by CONTRACTOR with its appeal, and shall issue its decision on the appeal after such consideration. Such decision is final. COUNTY shall issue an invoice for any amount due COUNTY fifteen (15) calendar days after COUNTY has notified CONTRACTOR of the COUNTY'S audit appeal findings. CONTRACTOR shall make payment to the COUNTY in accordance with the terms of Section IV (Method of Payments for Amounts Due to COUNTY) of this Exhibit I. Said payment shall be submitted to the person and at the address identified in the COUNTY invoice.

**V. METHOD OF PAYMENTS FOR AMOUNTS DUE TO COUNTY**

- A. Within ten (10) business days after written notification by COUNTY to CONTRACTOR of any amount due by CONTRACTOR to COUNTY, CONTRACTOR shall notify COUNTY as to which of the following five (5) payment options CONTRACTOR requests be used as the method by which such amount shall be recovered by COUNTY.

Any such amount shall be:

- 1. paid in one cash payment by CONTRACTOR to COUNTY;
  - 2. deducted from future claims over a period not to exceed six (6) months;
  - 3. deducted from any amounts due from COUNTY to CONTRACTOR whether under this Agreement or otherwise;
  - 4. paid by cash payment(s) by CONTRACTOR to COUNTY over a period not to exceed six (6) months; or
  - 5. a combination of any or all of the above.
- B. If CONTRACTOR does not so notify COUNTY within such ten (10) days, or if CONTRACTOR fails to make payment of any such amount to COUNTY as required, then Director, in his sole discretion, shall determine which of the above five (5) payment options shall be used by COUNTY for recovery of such amount from CONTRACTOR.
