RECOMMENDATION:

It is recommended the Board of Supervisors:

a. Authorize the Deputy Purchasing Agent for Natividad Medical Center (NMC) or his designee to execute amendment No. 2 to the agreement (A-14305) with Stryker Sales Corporation dba Stryker Instruments for preventative maintenance on power tools and Neptune equipment, adding \$75,827 for a revised total agreement amount not to exceed \$259,916, with no changes to the term of the Agreement May 1, 2018 through May 14, 2022.

SUMMARY/DISCUSSION:

The agreement with Stryker is for preventative maintenance services for surgical tools and Neptune brand equipment at NMC. This amendment adds an additional maintenance and repair plan on endoscopy equipment. The routine maintenance plans for this type of highly technical equipment are beneficial to NMC because these types of services keep the tools and equipment in good working order and also ensure both compliance and safety. Additionally, these routine and preventative maintenance services help prevent expensive repairs later, particularly because there are many intricate components.

OTHER AGENCY INVOLVEMENT:

The Office of County Counsel has reviewed and approved this amendment No. 2 as to form, and the Auditor-Controller has reviewed and approved as to payment provisions. The amendment has also been reviewed and approved by NMC’s Finance Committee and by its Board of Trustees on October 9, 2020.

FINANCING:

The cost for this amendment No. 2 is \$75,827 of which \$6,500 is included in the Fiscal Year 2019-20 Adopted Budget. Amounts for remaining years of the agreement will be included in those budgets as appropriate.
