

amounts, and do not significantly change the scopes of work

SUMMARY/DISCUSSION:

Door to Hope's MCSTART Program is a local collaborative providing prevention, assessment, early intervention and treatment services to Monterey County children who have been alcohol or drug-exposed, or are at risk for perinatal alcohol or drug exposure, and their families. Funding provided to Door to Hope will allow the program to provide capacity building, advanced training, parent/caregiver education, and public health nursing services.

The Department has been receiving match support from First 5 of Monterey County on a continuing basis. For Fiscal Year 2015-16, First 5 of Monterey County will provide an agreement for the County's share of \$42,241, allowing the Department to provide the MCSTART Program services without a net cost to the County. Approval of the recommended action allows the Director of Social Services to sign the agreement for the renewed funding.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this agreement. County Counsel has approved the agreement as to form. The First 5 Monterey County funding agreement will be submitted for County Counsel's approval before the Department signs and forwards to the local agency

FINANCING:

Funding for this agreement is provided by federal, realignment, and First 5 of Monterey County revenues. First 5 of Monterey County provides the required local match through a direct grant to the County. Sufficient appropriations and estimated revenues in SOC005 are included in the FY 2015-16 Adopted Budget. There is no impact to the County General Fund.
