SUMMARY/DISCUSSION:

On August 1, 2020, the Board approved a Medi-Cal Capacity Grant Agreement between the Central California Alliance for Health and the County of Monterey, on behalf of the Department of Health, Behavioral Health Bureau, in the amount of \$2,500,000 to support the capital construction activities associated with the development of a new clinic facility located at 331 North Sanborn Road, Salinas for the provision of integrated

behavioral health, care coordination and health education services to Medi-Cal beneficiaries residing in Monterey County. Subsequent to the execution of the Agreement, the County has identified additional funding sources to allow for the County to proceed with a traditional bid-build process.

This First Amendment extends the grant term and duration from 43 months to 51 months, modifies the financial model from a lease/back contract with a developer to a traditional bid-build process to secure a contract with a construction contractor, as well as revises the timelines for each project phase as follows: enter into a contract with a construction contractor by December 31, 2021; complete the construction of the facility, inspection and testing by July 31, 2023; and complete parking lot, landscaping and obtain a Certificate of Occupancy by September 30, 2023.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3.
