SUMMARY/DISCUSSION:

The new Mental Health Services Agreement with Star View Behavioral Health, Inc. replaces Agreement A-13885 which will expire on June 30, 2021. Star View Behavioral Health Inc. is a high-level mental health treatment facility serving emotionally disturbed youth between 11 and 17 years of age. Services are provided through a 16-bed Psychiatric Health Facility (PHF), and through a 40-bed locked Community Treatment

Facility (CTF) which provides sub-acute care, supervision and intensive treatment in a structured and secure residential environment. The facility is fully secured and designed to assist youth who have extensive histories of treatment failures from other placements. The facility provides a medically-based, psychosocial-rehabilitation treatment program for youth requiring medium term intensive treatment with an on-grounds school, activity program, and treatment staff.

This Agreement contains the County’s standard 30-day “no cause” provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2018-2022 Strategic Plan initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7. Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.
