### PLN150150-AMD1 - LUNDQUIST RICHARD C & MELANIE F TRS

Administrative hearing to consider a Minor and Trivial Amendment to a previously approved Amendment to a Combined Development Permit (PLN110114/PLN150150) allowing demolition of the 2,083 square foot single family dwelling with 740 square feet of deck area and a 249 square foot attached carport, and construction of an 8,886 square foot single family dwelling with 1,296 square feet of balcony area and a 1,106 square foot detached garage. The amendment includes rotating the dwelling approximately 4 degrees northwest, an increase of a 112 square foot addition, a decrease of approximately 575 square feet of balconies, and modifying the proposed architectural style while using similar exterior colors and materials.

**Project Location:** 3224 17 Mile Drive, Pebble Beach

**Proposed CEQA action:** Consider the previously adopted Mitigated Negative Declaration (SCH No. 2012061087) and previous Addendum.

### RECOMMENDATIONS:

It is recommended that the HCD Chief of Planning adopt a resolution to:

- Consider the previously adopted Mitigated Negative Declaration (SCH No. 2012061087) with Addendum and find that the Minor and Trivial Amendment does not require subsequent environmental review pursuant to Section 15162 of the California Environmental Quality Act Guidelines; and
- Approve a Minor and Trivial Amendment to a previously approved Amendment to a Combined Development Permit (PLN110114/PLN150150) which consisted of:

- 1) Coastal Administrative Permit and Design Approval to allow demolition of a 2,083 square foot single family dwelling with 740 square feet of deck area and a 249 square foot attached carport, and construction of an 8,886 square foot single family dwelling with 1,296 square feet of balcony area and a 1,106 square foot detached garage, driveway, replacement of an existing wood fence with a stone wall and a new driveway entrance gate, restoration of existing paths and driveway to native Monterey Cypress habitat, and associated grading;
- 2) Coastal Development Permit to allow the removal of one dead Monterey cypress tree;
- 3) Coastal Development Permit to allow development within 100 feet of environmentally sensitive habitat;
- 4) Coastal Development Permit to allow development within 750 feet of known archaeological resources; and
- 5) Coastal Development Permit to allow development on slopes exceeding 30 percent.

The amendment includes rotating the dwelling approximately 4 degrees northwest, an increase of a 112 square foot addition, a decrease of approximately 575 square feet of balconies, and modifying the proposed architectural style while using similar exterior colors and materials.

The attached draft resolution includes findings and evidence for consideration (**Exhibit A**). As a project amendment, 17 conditions of approval from the previously approved permit are now incorporated and no new conditions were added to this permit.
