**RECOMMENDATION**

Staff recommends that hearing of this project be continued to January 8, 2020.

**SUMMARY/DISCUSSION:**

On August 28, 2019 the Planning Commission considered the proposed project and continued the hearing to October 30, 2019 with a request for additional information and analysis on traffic and water conditions.

Additional information was submitted by the applicant on October 14, 2019 and staff is reviewing that information but more time is needed. At the same time, the applicant has requested that the item be continued to the December 4, 2019 Planning Commission hearing due to applicant scheduling conflicts. Staff has already committed to scheduling multiple project for the December meeting including River View at Las Palmas, an update on the Development Evaluation System (DES), and two other residential projects. Therefore, staff does not recommend adding the McIntosh item to an already heavy agenda. The next Planning Commission hearing after December 4, 2019 is January 8, 2020.
