Approve and authorize the Director of Health or the Assistant Director of Health to sign Amendment No. 1 to the Agreement with First Alarm for the purchase and installation of new monitoring equipment for two (2) new freezers and for on-going building security system monitoring and equipment monitoring services, for the Seaside Family Health Center located at 1156 Fremont Boulevard, Seaside, California, increasing the Agreement by \$6,145 a total Agreement not to exceed, \$8,935, and to extend the term two (2) years for an extended term retroactive to July 1, 2021, for an extended Agreement term of July 1, 2018 through June 30, 2023.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or the Assistant Director of Health to sign Amendment No. 1 to the Agreement with First Alarm for the purchase and installation of new monitoring equipment for two (2) new freezers and for on-going building security system monitoring and equipment monitoring services, for the Seaside Family Health Center located at 1156 Fremont Boulevard, Seaside, California, increasing the Agreement by \$6,145 a total Agreement not to exceed, \$8,935, and to extend the term two (2) years for an extended term retroactive to July 1, 2021, for an extended Agreement term of July 1, 2018 through June 30, 2023.

SUMMARY/DISCUSSION:

First Alarm has provided system monitoring services for the Seaside Family Health Center since the opening of the new building in 2018. The services include the monitoring of the intrusion alarm system, the fire suppression system and temperature monitoring of the refrigerator/freezer units that hold temperature sensitive vaccines and other medical products. At this time, there will also be a one-time cost to upgrade equipment for two (2) new freezer units to the monitoring system.

This Amendment to the Agreement was delayed due to Health Facilities priority to COVID-19 community and Health Department projects and the vendor review was extended to meet their needs.

While this work is not directly in support of a Health Department Strategic Plan Initiative, it is in support of one or more of the ten essential public health services, specifically: 6. Enforce laws and regulations that protect health and ensure safety.

OTHER AGENCY INVOLVEMENT:

The office of County Counsel and the Auditor-Controller have reviewed and approved this Agreement as to form, and fiscal provisions, respectively.

Appropriations for this Agreement are included in the Health Department's Clinic Services Bureau (HEA007-8105) Fiscal Year (FY) 2021-22, Adopted Budget and will be included in its FY 2022-23, Requested Budget.
