Approve and authorize the Director of Health or Assistant Director of Health to execute a no extension Amendment No. 2 to Agreement A-13554 with EVALCORP for the provision of evaluation services to add \$12,200 for a revised total contract amount not to exceed \$327,075 for the term of May 31, 2017 through June 20, 2020.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

Approve and authorize the Director of Health or Assistant Director of Health to execute a no extension Amendment No. 2 to Agreement A-13554 with EVALCORP for the provision of evaluation services to add \$12,200 for a revised total contract amount not to exceed \$327,075 for the term of May 31, 2017 through June 20, 2020.

SUMMARY:

The Health Department, Behavioral Health Bureau (“Behavioral Health”) is required by State regulations to conduct an annual evaluation of Prevention & Early Intervention (“PEI”) services funded by the Mental Health Services Act (MHSA). The proposed Amendment No. 2 adds additional evaluation services to be provided during the current term of the Agreement.

DISCUSSION:

Behavioral Health previously entered into an Agreement with EVALCORP, a research and consulting firm with experience providing evaluation for counties and other public entities in California. Thus far, EVALCORP has produced two (2) PEI Evaluation Reports for Behavioral Health and is on track to produce a third one by March 2020. The pending Amendment No. 2 to Standard Agreement A-13554 adds additional evaluation services in the development, implementation and evaluation of a need’s assessment survey as one element of the local planning process for the upcoming MHSA Three Year Program and Expenditure Plan for FY 2020-21 through FY 2022-23.

This Agreement contains the County's standard 30-day "no cause" provision (Section 3.02) and an additional defunding provision (Section 7.03), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the Monterey County Health Department 2018-2022 strategic plan initiatives: 1. Empower the community to improve health through programs, policies, and activities; and 2. Enhance community health and safety by emphasizing prevention. It also supports one of the ten essential public health services, specifically: 9. Evaluate effectiveness, accessibility, and quality of personal and population-based health services.

OTHER AGENCY INVOLVEMENT:

County Counsel-Risk Management and Auditor-Controller have reviewed and approved as to legal form and fiscal provisions respectively.

FINANCING:

This Agreement is funded by Mental Health Service Act funds. The funds for this Agreement are included in the Health Department's Behavioral Health Bureau (HEA012, Unit 8410) FY 2019-20 Adopted Budget.
