a. Approve and authorize the Director of Health, the Assistant Director of Health, or the Emergency Medical Services Agency Director to execute Amendment No. 2 to the Agreement with ESO Solutions, Inc. for the provision of a countywide Unified Electronic Patient Care Reporting (ePCR) Solution to extend the Agreement term to March 30, 2024 and to increase the total Agreement amount for an amount not to exceed \$703,146.

RECOMMENDATION:

It is recommended that the Board of Supervisors:

a. Approve and authorize the Director of Health, the Assistant Director of Health, or the Emergency Medical Services Agency Director to execute Amendment No. 2 to the Agreement with ESO Solutions, Inc. for the provision of a countywide Unified Electronic Patient Care Reporting (ePCR) Solution to extend the Agreement term to March 30, 2024 and to increase the total Agreement amount for an amount not to exceed \$703,146.

SUMMARY/DISCUSSION:

The Director of Health seeks authorization to execute Amendment No. 2 to the Agreement between the County of Monterey and ESO Solutions, Inc. for the provision of a countywide unified Electronic Patient Care Reporting (ePCR) Solution to extend the term of the Agreement for 2 years to March 31, 2024 and to increase the amount payable to Contractor for services to be provided during the extension period.

ESO Solutions, Inc. was selected as the ePCR vendor for Monterey County Emergency Medical Services through a formal Request for Proposal (RFP #10588) process conducted in 2016.

Given that the implementation of a single integrated ePCR system county-wide has been a great improvement for the Monterey County EMS system and to ensure compliance with the requirement of state law, the EMS Agency proposes to continue to use CSA-74 monies to pay for the continuing costs of ESO software, licensing, and database integration with communication centers, hospital systems, and health information exchange for

those organizations that are part of the EMS Agency-provided ePCR data system at least until March 30, 2024, based on the needs of the EMS system and available CSA-74 funding.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Initiatives: 2. Enhance public health and safety through prevention; and 4. Engage MCHD workforce and improve operational functions to meet current and developing population health needs. It also supports one of the ten essential public health services, specifically, 7. Link people to needed personal health services and assure the provision of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

The Office of the County Counsel has reviewed proposed Amendment No. 2 as to form.

FINANCING:

This action does not impact General Fund contribution. The cost of services to be provided under this Agreement would be covered by CSA-74 special tax (fund 092). The funds for the cost of these services were included in the FY2021-22 Adopted Budget and for FY2022-23, and FY2023-24 will be included in the Health Department's Emergency Medical Services Bureau (HEA 006, Unit 8109) respective FY2022-23, and FY2023-24 Requested Budgets.
