SUMMARY/DISCUSSION:

The Monterey County Sheriff's Office (MCSO) entered into a contract with Athena Advanced Networks (AAN) to design and deploy a virtual environment which could support applications dedicated to the operations of MCSO. The existing system currently supports the Security Door System which logs and manages access into controlled areas along with providing reports relevant for chain of custody inquiries. The existing system has been extended through the support of AAN to include the Crywolf System for first alarms, the Sheriff's Office internal help desk system along with the crime reporting system.

AAN provides proactive system and network monitoring of the system to detect and resolve issues. The system which is installed at MCSO is maintained by MCSO staff and the vendor. Subsequently, AAN was purchased by Mission Critical Partners (MCP). The MCSO is requesting to contract with the new vendor to ensure continuity and optimum service.

In November 2018 MCP acquired AAN. It was during this time that the contract with AAN expired. Because of a miscommunication with the MCSO IT staff and subsequent retirement of the MCSO contracts manager a contract with the MCP was never completed. After acquiring AAN, MCP continued to monitor the MCSO system. Since December 2018 to June 2019 MCP has identified and resolved over 56 issues (i.e. network and communication errors preventing the servers from crashing and/or not responding properly). MCSO is requesting that the Board authorized the auditor-controller to pay MCP for services performed during this time.

A copy of this Agreement is on file with the Clerk of the Board.

OTHER AGENCY INVOLVEMENT:

County Counsel has approved the agreement as to legal form, and the Auditor/Controller has reviewed for fiscal provisions. The county's Information Technology Department has reviewed the agreement.

FINANCING:

The \$16,800.00 payment will be paid out of the FY 2019-20 budget. The cost of this contract was included in the FY 2019-20 proposed budget. There will be no increase in General Fund Contribution resulting from this Board action.
