SUMMARY/DISCUSSION:

The Department is requesting an increase in appropriations for the General Assistance Entitlement Program due to the increase in caseload and costs for the FY 2023-24 Adopted Budget.

General Assistance (GA) caseload increased 37% (111 cases) since July 1, 2023 which represents an increase

cost of 19.14% in comparison to last fiscal year. The Department continues outreach efforts to partner agencies, providing formal presentations and information on the GA program. With increased in-person servicing of applicants and expanded outreach, the GA caseload is expected to continue the growth trajectory experienced over the last 12 months.

The GA program continues to have a 6-month time limit for eligible participants to be in the program for those who are eligible for work, which is approximately 12% of the total caseload.

The Department is requesting an increase in appropriations of \$369,517 in the General Assistance Budget and recommending a transfer of unused General Fund Contributions (GFC) from the Community Programs Budget and Military & Veterans Affairs. The Board authorized County funding on September 23, 2023 to fund operating the Pajaro Temporary Navigation Center which provided temporary, non-congregate shelter and included housing navigation and placement services to participants impacted by the March 2023 Pajaro flood; the program ended on March 31, 2024 with unspent funds of \$309,017. Community Programs also has unspent outreach dollars of \$30,000 that can be used to support the increased General Assistance caseload. In addition, Military & Veterans Affairs has salary savings of \$30,500 due to a vacancy resulting in unused GFC that can support the increase in caseload. The Department is requesting that the GFC from both the Community Programs and the Military & Veterans Affairs be reallocated to the General Assistance Entitlement Program.

OTHER AGENCY INVOLVEMENT:

The County Administrator's Office - Budget Office concurs with these actions.

FINANCING:

The Department recommends transferring unused General Fund Contributions of \$339,017 in FY 2023-24 Adopted Budget from Community Programs Fund 001-5010-SOC004 and \$30,500 from Military & Veterans Affairs 001-5010-SOC003 to the General Assistance Program Fund 001-5010-SOC002 for a total of \$369,517. This action has no net effect on the existing General Fund Contributions to the Department.
