

boaters, and small farmers in Monterey County. The County provides community education and makes various outlets for the proper disposal and recycling of used motor oil and oil filters available through curbside collection, residential drop-off centers, and marine and agricultural oil collection centers.

Bagley Enterprises, Inc. supports this program through its servicing and inspection of drop off points [tanks]. This service allows the Used Oil Program to continue within all associated safety regulations connected to oil collection.

This activity supports the Monterey County Health Department 2018-2022 Strategic Plan Initiative: 2) Enhance community health and safety by emphasizing prevention. It also supports one of the ten essential public health services, specifically: 6) Enforce laws and regulations that protect health and ensure safety.
