SUMMARY/DISCUSSION:

In 2017, the Department of Social Services, Family and Children Services opened a Visitation Center in Salinas. The intent of a Visitation Center is to provide a safe homelike environment (non-institutional) in which a parent/s, or interested parties, can interact with child/ren to develop positive parenting skills, maintain contact, and facilitate bonding while under the supervision of parent coaches, mentors, therapists and/or staff.

On September 23, 2016, Aspiranet was selected to provide oversight and operations for this Visitation Center for Family and Children’s Services in relation to Request for Proposal 10585.

Aspiranet will operate the Visitation Center, which is a court ordered service that is an essential component of a Case Plan for Family Reunification when child/ren have been removed from the custody of their parents as the

result of child abuse and/or neglect and/or to facilitate contact with parties who have a connection with the child.

OTHER AGENCY INVOLVEMENT:

The Auditor-Controller and Purchasing have reviewed and approved this Agreement. County Counsel has approved the Agreement as to form.

FINANCING:

This agreement is funded with WrapFlex funds. Sufficient appropriations and estimated revenues in SOCOO5 are included in the FY 2017-18 Recommended Budget. Approval of this action has no impact on the County General Fund.

BOARD OF SUPERVISORS STRATEGIC INITIATIVES:

This Agreement correlates to the Health & Human Services Strategic Initiative adopted by the Board of Supervisors by allowing the Department to improve the quality of life for children at risk of abuse and neglect by expanding the Department's ability to work in collaboration with the community.
