SUMMARY/DISCUSSION:

Seneca Family of Agencies dba Kinship Center provides mental health services to Monterey County children

and youth and their families and/or caregivers who are in foster care, require aid to adoption, or are in adoption preservation. The programs promote improvement in the child’s overall functioning within his/her family, school, peer group and community; a reduction in the risk of mental health disabilities, an improvement with family member’s mental health and well-being to improve the child’s mental health functioning; and a reduction in the possibility of future residential care, periodic inpatient hospitalization, placement at out of state facilities, or placement in a juvenile justice facility. The Renewal and Amendment No. 5 adds services to Programs 5 and 6, and a new Program 8: Family Partner. The Family Partner program provides peer support to family members of clients receiving mental health services and supports families in navigating the system of care to assist them in achieving their individual/family goals. This Renewal and Amendment No. 5 is retroactive to July 1, 2022 due to prolonged contract and rate negotiations.

This Agreement contains the County’s standard 30-day “no cause” provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.
