

Sourcewell (formerly the National Joint Powers Alliance, aka “NJPA”) is a public agency operating under the enabling authority outlined in Minnesota Statute 123A.21, which allows participating nationwide government and education agencies (“Members”) to reduce the cost of purchasing by leveraging their combined national purchasing power through cooperative efforts. On July 15, 2015, NJPA released RFP 071415 for Indefinite Quantity Construction Contracting Systems and Related Services and The Gordian Group (Gordian) responded and was awarded a service contract. Services offered and accepted within Gordian’s proposal in response to the NJPA RFP include Job Order Contracting (JOC) administrative services.

The County of Monterey is a member of Sourcewell and per the terms of the RFP 071415 which allow all public agencies within the U.S. to procure off of the contract awarded from RFP 071415, Natividad is procuring administrative services rendered for Job Order Contracting (JOC) projects from Gordian by piggybacking off the Sourcewell Contract during its current Contract term of September 15, 2015 through September 15, 2020. Other Monterey County departments also currently utilize Gordian’s services for JOC projects by piggybacking off the Sourcewell contract as well.

To incorporate the County’s standard risk provisions and other relevant terms and conditions into the service obligations, Natividad and Gordian agreed to execute an Addendum to the Sourcewell Contract and did so on April 25, 2018, which included a total spending amount not to exceed \$100,000. On July 16, 2019, the Board of supervisors approved Amendment 1 to increase the contract \$175,000 for a total contract amount of \$275,000. Since that time Gordian’s administrative costs have nearly exceeded the \$275,000, therefore, this amendment to that Addendum includes an increase of an additional \$250,000 to the total amount to cover projected JOC administrative services for Natividad through September 15, 2021. Natividad will be working with Sourcewell to execute a new RFP to procure an Indefinite Quantity Construction Contracting Systems and Related Services.

Some of the more significant NMC JOC projects currently underway at Natividad include Pharmacy, Phlebotomy, and Admitting remodels.
