SUMMARY AND DISCUSSION:

On June 1, 2016, the County of Monterey, by and through the Treasurer-Tax Collector, entered into an

agreement with HDL Software, LLC, a prime web application module that allows customers to conduct business with the County 24 hrs./day, seven days/week for business license registration and on-line payments, when applicable, of Transient Occupancy Tax (TOT) and Cannabis Business Tax Programs, for a term of two (2) years for the period of June 1, 2016 to May 31, 2018. The parties amended the original participating agreement on May 12, 2017 due to the need for additional services, with a revised total sum not to exceed \$78,500. A second amendment extended the terms an additional year, to May 31, 2019 with a price increase and a new contract total not to exceed \$92,600.

The Treasurer-Tax Collector wishes to continue to retain the services of HDL Software, LLC. The Treasurer-Tax Collector is recommending Board approval to Amendment No. 3 to extend the Agreement between HDL Software, LLC, for the continuation of existing HdL Prime - Business License Software System and Web Modules that support business licenses and transient occupancy and cannabis tax collections. Authority to enter into Amendment No. 3 is requested for an additional three (3) year term of June 1, 2019 to June 30, 2022, at an amount not to exceed \$26,748.69, resulting in an overall contractual cap of \$119,358.69.

OTHER AGENCY INVOLVEMENT:

Amendment No. 3 has been reviewed and approved by County Counsel as to form.

FINANCING:

Approval of the recommended action does not require additional General Funds. Agreement services facilitate cost-effective collection of TOT and cannabis business taxes, two significant sources of discretionary revenue to the General Fund. The cost for the additional term of June 1, 2019 to June 30, 2022 added by Amendment No. 3 totals \$26,748.69, and results in a revised total Agreement cost of \$119,358.69. The Amendment No. 3 year-one cost of \$8,916.23 is included in the current year budget. Annual costs of \$8,916.23 for each of the next two years will be included in budget requests for those respective fiscal years.
