SUMMARY:

In February 2012, the Board of Supervisors gave direction to the Equal Opportunity Officer to review and update the County of Monterey Discrimination Complaint Ordinance. The Equal Opportunity Office, in collaboration with the Office of the County Counsel, has met bi-weekly to review and update the County of Monterey Discrimination Complaint Ordinance.

DISCUSSION:

On May 9, 1989, the Board of Supervisors adopted Ordinance No. 3387, Amending Title 2 of the Monterey

County Code to add Chapter 2.80, Discrimination Complaint Investigative Procedures. The Ordinance was developed to meet its constitutional obligation to provide due process and equal protection to all employees, applicants for County employment, bidders, contractors and recipients of County services within its jurisdiction.

On April 30, 1991, the Board of Supervisors adopted Ordinance No. 3537, Amending Title 2, Chapter 2.80 of the Monterey County Code, Establishing Policy and Procedures for the Investigation and Resolution of Discrimination Complaints. This policy applies to County employees, applicants for County employment and or promotion, bidders and contractors who seek to do business with the County or its agencies, and recipients of County services. The purpose of the policy and procedures were to provide appropriate and available means for raising, investigating and resolving, to the fullest extent possible issues of discrimination which affect any of these individuals.

The 2012 amendment and retitling of the ordinance recognizes and reaffirms the long-standing commitment of the County of Monterey to the principles of equal opportunity and anti-discrimination. It also provides for greater flexibility in the administration of this commitment and the ability to respond to changes in the law. The ordinance establishes specific policies, which will be adopted by resolution, and authorizes the Equal Opportunity Office to develop implementing procedures that can be updated.

At the time that the proposed ordinance is brought forward for consideration, the Board will also be asked to approve specific policies which have been updated, and to rescind certain resolutions in an effort to consolidate into one place the County's commitments to equal opportunity and anti-discrimination, and to clarify and update those commitments. Copies of those proposed policies are attached to this Board Report for informational purposes.

To promote this commitment, it is recommended that the County introduce this ordinance, waive its reading and set January 15, 2013 for consideration and possible adoption.
