SUMMARY/DISCUSSION:

NMC offers comprehensive maternal care services including antepartum, intrapartum and postpartum care to women in Monterey County. To help reduce maternal mortality and morbidity, the American College of Obstetricians and Gynecologist established maternal levels of care and recommends Level III maternal centers have board certified maternal fetal medicine (MFM) physicians available for consultation and management of highly complex, critically ill, or unstable maternal patients.

The County operates the Sally P. Archer Child Advocacy Center and Bates-Eldredge Child Sexual Abuse Clinic (CAC) located at NMC in the Barnet J. Segal Outpatient Center where Physicians perform medical-legal examinations to evaluate cases of suspected or actual child abuse to provide documented evidence to assist in the prosecution of criminal cases. NMC must arrange for a qualified medical director for general administration of the day-to-day operations, development of the services, review of policies and supervision of the ancillary services in the CAC.

NMC would like to amend its agreement with LPCH to provide the same services without interruption. Natividad has obtained an independent opinion of fair market value supporting the payment terms of this Agreement.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Amendment as to legal form, and the Auditor-Controller has reviewed and approved as to payment provisions. The Amendment has also been reviewed and approved by Natividad’s Finance Committee and Board of Trustees.

FINANCING:

The cost for this amendment is \$300,000. The total not to exceed amount of this agreement is \$726,880. \$213,440 is included in the Fiscal Year 2023/2024 Adopted Budget. The remaining amount will be budgeted in subsequent fiscal years. There is no impact to the General Fund.
