SUMMARY/DISCUSSION:

The County has used the Right Fax product for over five years. Right Fax allows users to send a fax from their desktops. Approximately 500 County employees use this product. The product is important to the County because it is compliant with the privacy and security requirements of the Health Insurance Portability and Accountability Act (HIPPA).

On June 5, 2018, the Board approved amendment No. 1 to this agreement, to add support and maintenance of the FOIP Enable Delivery Channel function.

Amendment No. 1 added \$2,640 to the existing agreement, for a total amount of \$20,442 over a three-year term.

Proposed amendment No. 2 adds \$9,276.59 for support of all Right Fax functions to the amended agreement and extends the term of the agreement by an additional year, from July 1, 2019 to June 30, 2020.

Non-standard terms in the Agreement previously approved by the Board are unchanged by the amendment.

OTHER AGENCY INVOLVEMENT:

County Counsel does not approve continuance of non-standard terms. County Counsel reviewed Amendment No. 2 as to form.

FINANCING:

The funds for payment of the costs of this Agreement have been included in the FY 2019-20 Requested Budget for the Information Technology, ITD 1930, Budget Unit 8436, Appropriations Unit INF002.
