SUMMARY/DISCUSSION:

A Telecare Corporation Skilled Nursing Facility (SNF) in Hayward, CA, Morton Bakar Center provides psychosocial rehabilitation and skills-building support for older adults ages 57+ with a primary diagnosis of severe mental illness. Under the direction of a multidisciplinary team, residents receive diagnostic evaluation and treatment to address their psychiatric and medical needs. Established in 1980, Morton Bakar Center provides a longer-term recovery program within a supportive, structured, and secure inpatient environment

designed to help residents prepare to move to the community and/or lower levels of care.

This Amendment No. 1 to existing Agreement A-12846 with Telecare Corporation establishes two placements at Morton Bakar Center for Monterey County adult residents aged 65 and older, and two placements for residents under the age of 65 (or who are non-Medi-Cal eligible). This Amendment No. 1 increases the total contract amount by \$57,636 for FY 2015-16, \$344,874 for FY 2016-17, and \$344,874 for FY 2017-18, for a total contract amount of \$1,516,371 for FY 2015-16 through FY 2017-18.

This Agreement contains the County's standard 30-day "no cause" provision (Section IV, B) and an additional defunding provision (Section IV, D), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the following Monterey County Health Department 2011-2015 strategic plan initiative: 3) Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one of the ten essential public health services, specifically: 7) Link people to needed personal health services and assure the provisions of health care when otherwise unavailable.

OTHER AGENCY INVOLVEMENT:

County Counsel and Auditor-Controller have reviewed and approved this Agreement as to legal form and fiscal provisions, respectively. A copy of this Amendment No. 1 to Agreement A-12846 is on file with Clerk of the Board.

FINANCING:

This Agreement is funded by Realignment revenues (100%). The funds for this Agreement (\$313,965) are included in the Health Department's Behavioral Health (HEA012, Unit 8410) Fiscal Year 2015-16 Adopted Budget.
