SUMMARY:

The Department of Emergency Management coordinates applications and reporting efforts for the Homeland Security Grant Program. In December 2022, the Board of Supervisors authorized County staff titles

Emergency Services Manager, Emergency Services Planner, and the Auditor-Controller as authorized agents for the respective Homeland Security Grant Program. As authorized representatives DEM can submit applications and execute grant documents for the purpose of obtaining financial assistance from the California Governor's office of Emergency Services for FY 2021, 2022, 2023, and 2024 Homeland Security Grant Program.

DEM formerly Office of Emergency Services (OES) has become a standalone department, with the reorganization an update of the designated staff positions is required. The County staff titles authorize Director of Emergency Management, Emergency Services Manager, Finance Manager, and Management Analyst as Monterey County representatives for participation within the California Office of Emergency Services FY 2021, 2022, 2023, and 2024 Homeland Security Grant Program.

DISCUSSION:

The Homeland Security Grant Program is a federally funded grant aiding local government agencies in their efforts to prevent, protect, mitigate, and respond to acts of terrorism and other threats. HSGP funding also provides resources required for implementation and administering of the National Preparedness System. DEM staff administers the HSGP and receives an annual award to administer on behalf of the Monterey County Operational Areas.

HSGP funds are received annually for the Operational Areas for the purchase of specialized equipment for fire, law enforcement, and public safety agencies and other local jurisdictional emergency management preparedness needs. Equipment purchased with HSGP funding enhances the capabilities of local governments and stakeholder agencies to plan for and respond to large scale emergencies, disasters, and other hazardous events. DEM requested project applications from Operational Areas partner agencies and applied to CalOES on behalf of the Monterey County Operational Area.

HGSP, OES was awarded \$488,715 for FY 2022.

Administration and Authorized Agents

In December 2022, the Board of Supervisors authorized Monterey County Office of Emergency Services to submit applications for the FY 2022, 2023, and 2024 HGSP to the Federal Emergency Management Agency (FEMA) through the California Office of Emergency Services for the participation in the federally funded programs aimed at providing assistance to local government emergency management supporting activities for administrative tasks necessary to maintain the operational area and emergency management responsibilities of a routine nature and specific activities.

The Department of Emergency Management, formerly the Office of Emergency Services (OES), has become a standalone department in FY 2024. With the reorganization an update of the designated staff positions is required. The County staff titles authorize Director of Emergency Management, Emergency Services Manager, Finance Manager and Management Analyst, as Monterey County representatives for participation within the California Office of Emergency Services FY 2020 through 2024 HSGP. The federal administrative requirement to designate a staff position by title rather than an individual name will eliminate the need to submit a new Resolution to the Board each time there is a change in personnel.

This resolution will designate the local government staff representatives having the authority to execute documents and coordinate with the California Office of Emergency Services on behalf of Monterey County, in regard to the HSGP. The designees will execute assurances, applications, documents, and claims for the purposes of obtaining financial assistance.

OTHER AGENCY INVOLVEMENT:

The Department of Emergency Management coordinates applications and reporting efforts for the HSGP, the Auditor-Controller may be required to validate financial documentation, and to receive and distribute funds. At their July 26, 2023, meeting, the Budget Committee supported their recommendations.

FINANCING:

This resolution has no impact on the FY2023-24 Adopted Budgets.
