SUMMARY/DISCUSSION:

In April 2015, Natividad Medical Center conducted a Request for Proposals (RFP) to provide locum tenens referral services for various medical services at NMC. NMC’s selection committee reviewed the proposals and selected the most qualified vendors according to the RFP selection criteria.

A total of seven (7) locum tenens companies were selected and the Board of Supervisors approved the agreements with an initial term of one (1) year with an annual aggregate total amount not to exceed \$2,000,000 for all agreements, including the option to extend all agreement for up to four (4) additional one (1) year periods. After the first year NMC utilized the authority to amend the agreements and processed amendment No. 1 to extend the term of all of the agreements for another one (1) year period. No increase to the aggregate total was needed because NMC had only spent half of the \$2,000,000 in that first year.

Locum tenens is a physician who temporarily takes the place of another physician most often utilized during periods when a physician or specialist (employee or contractor) is not available (e.g., vacation; illness; continuing medical education; etc.) and often at times with very little notice, to provide health care services vital to NMC’s continued operation. Therefore, NMC would like to continue utilizing the services of the multiple locum tenens agreements and is requesting another extension via amendment No. 2. The agreements make it possible for NMC to find highly qualified physicians available to temporarily fill or cover a vacant position at NMC, which allows NMC to continue providing reliable and quality patient care.

NMC is requesting an additional \$2,000,000 for amendment No. 2 which is an aggregate total across all agreements in anticipation of a high demand in the upcoming year. The actual cost is contingent upon the need to cover services, which is unpredictable by nature.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this amendment No. 2 as to legal form and risk provisions, and the Auditor-Controller has reviewed and approved as to payment provisions. This amendment No. 2 has also been reviewed and approved by NMC’s Finance Committee on May 5, 2017 and by its Board of Trustees on May 5, 2017.

FINANCING:

The cost for this amendment No. 2 is \$2,000,000, all of which is included in the Fiscal Year 2017-18 Adopted Budget. Should NMC seek extensions of the original agreements, amounts for any extensions will be included in those budgets as appropriate. There is no impact to the General Fund.
