

the following: a Market Manager, Program Coordinator, and the Fresh Produce Prescription Program. In addition, the flat rate includes off-site services of the Executive Director and Office Manager.

Market Manager: This individual is responsible for all operational aspects of the market including recruitment of vendors at the market, set up and break down of the market, enforcing the regulatory governmental rules and regulations, managing the farmers' documents and paperwork, and collecting all necessary fees from the farmers.

Program Coordinator: This individual is responsible for marketing the Farmers' Market to the local community adjacent to the hospital and to the county employees in the different departments that share NMC's campus. This individual also coordinates the health and fitness events at the market to include healthy cooking demonstrations. Additionally, this individual will coordinate the Fresh Produce Prescription.

Fresh Produce Prescription: This program is an innovative partnership between the Health Department clinics and the NMC's Farmers' Market. The program focuses on preventive health care to fight the rise of chronic diseases related to obesity. The doctors in the Health Department clinics will identify and select patients to enroll in the program. The doctors will prescribe fresh fruits and vegetables to overweight patients and direct them to the Natividad Farmers' Market where they can redeem a weekly voucher to spend at the market. This program has been tested in other communities and research has shown an increased consumption of fruits and vegetables as well as improved health status of the participants.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this agreement as to legal form, and the Auditor-Controller has reviewed and approved as to payment provisions. This renewal & amendment 1 has also been reviewed and approved by NMC's Finance Committee and by its Board of Trustees on July 15, 2022.

FINANCING:
