

Behavioral Health Bureau is requesting approval of this Agreement to continue to support these services for an additional two-year term; this coincides with the County’s approved Mental Health Services Act FY21-23 Three-Year Program & Expenditure Plan, which specifically includes funding for these services. For FY23, the total annual amount is reduced by \$376,123 to reflect the term of the approval granted by the State Mental Health Services Oversight & Accountability Commission for the Transportation Coaching Project, which will be concluded during FY22.

This Agreement contains the County’s standard 30-day “no cause” provision (Section IV.B.) and a defunding provision (Section IV.D.), which provides the County the ability to amend or terminate the Agreement in the event of a reduction and/or termination of funding.

This work supports the Monterey County Health Department 2018-2022 Strategic Plan Initiative: 3. Ensure access to culturally and linguistically appropriate, customer-friendly, quality health services. It also supports one or more of the ten essential public health services, specifically: 7.
