

The Elections Department will also file a certified Statement of Votes with the California Secretary of State who shall compile the statements of all 58 counties and certify the statewide results and each local jurisdiction with candidates and/or ballot measures on the ballot.

Official Canvass of the Vote. The official canvass was completed and the election certified on Tuesday, June 26, 2012. The official canvass consisted of several steps, including an inspection of all materials and supplies returned from each polling place, processing and counting vote by mail, opt-out, and provisional ballots returned from each precinct, a reconciliation of signatures in rosters with votes recorded, a reconciliation of vote by mail ballots counted with the number of votes recorded, and a manual tally of the ballots tabulated by the voting systems at 1 percent of the precincts. The 2007 conditional re-approval of voting systems also requires a 100% manual tally of all votes cast on any touch-screen voting machine.
