Authorize the Purchasing Manager for Natividad Medical Center (NMC) to execute Amendment No. 7 to the Agreement (A-11717) with Automatic Door Systems Inc. for Automatic Door Maintenance and Repair Services at NMC, extending the Agreement to June 30, 2013 and adding \$50,000 for a revised total Agreement amount not to exceed \$220,000 in the aggregate.

RECOMMENDATION:

It is recommended the Board of Supervisors authorize the Purchasing Manager for Natividad Medical Center (NMC) to execute Amendment No. 7 to the Agreement (A-11717) with Automatic Door Systems Inc. for Automatic Door Maintenance and Repair Services at NMC, extending the Agreement to June 30, 2013 and adding \$50,000 for a revised total Agreement amount not to exceed \$220,000 in the aggregate.

SUMMARY/DISCUSSION:

Automatic Door Systems Inc. provides maintenance and repair services for Natividad Medical Center’s video phone entry system, magnetic locks, power supplies, activation sensors, strike plates, etc. on security and automatic doors.

Natividad Medical Center has automatic doors at specific entrances, security doors at specific entrances and at the entrances to the departments. These doors are critical as part of NMC’s zoned security, and limit access to sensitive areas, including the Maternal Infant Unit, Neonatal Intensive Care Unit, the Pharmacy, and the Laboratory. The doors are also a critical feature of the fire protection of the building.

Some doors have recently been brought up to National Fire Protection Association (NFPA) compliance by installing positive latching. Due to an increased level of maintenance now required to meet NFPA compliance, a \$25,000 additional increase from the previous year’s approved amount is needed on all 315 fire doors at NMC.

OTHER AGENCY INVOLVEMENT:

County Counsel has reviewed and approved this Amendment as to legal form and risk provisions. Auditor-Controller has reviewed and approved this Amendment as to fiscal provisions. The Amendment has also been reviewed and approved by Natividad Medical Center's Board of Trustees.

FINANCING:

The cost for this Amendment is \$50,000 and is included in the Fiscal Year 2012/2013 Recommended Budget. There is no impact to the General Fund.
