SUMMARY/DISCUSSION:

The Monterey County Department of Social Services, through its Family and Children’s Services branch, provides services for children who have been victims, or are at high risk, of abuse, neglect or exploitation.

Many of these children reside with relative or near-kin caregivers who provide for their full-time care.

Seneca Family of Agencies operates the Family Ties Program. This program provides services to relative and near-kin caregivers, including adult support groups, advocacy, childcare for meetings/trainings, recreation activities, case management, legal assistance to support families attaining permanence outside of the Child Welfare system, transportation for medical/training services, information and referral, and family emergency fund assistance.

From July 1, 2017 until March 18, 2019 Family Ties has provided tangible resources (food, clothing, rent, furniture, association fees, etc.) to 165 families, and supported with 103 guardianships. Support Cluster groups are also provided at a variety of sites and times. Recreation Events for caregiving families fluctuates from small to large events with the smallest attendance at 5 growing to events supporting 65 members of caregiving families. This amendment will continue services through June 30, 2020.

The Auditor-Controller and Purchasing have reviewed and approved this Agreement. County Counsel has approved the Agreement as to form.

FINANCING:

This Agreement is fully funded with Social Services Realignment funds. Sufficient appropriations and estimated revenues for SOCO05 are included in the FY 2019-20 Recommended Budget.
