SUMMARY/DISCUSSION:

NMC must arrange for care and treatment of patients who present to the emergency department and hospitalized patients in need of medical care in the specialty of gastroenterology. Natividad would like to enter this Agreement with Monterey Bay GI Consultants for which board certified gastroenterologists provide gastroenterology call coverage in the emergency department along with other panel members to ensure sufficient coverage of the service twenty-four hours per day, seven days a week, including all holidays.

The group is paid a daily rate for call coverage services according to the terms of the Agreement. The amount of services provided may increase due to availability and need for coverage, but the rate of pay will remain the same for the term of the Agreement. NMC has obtained an independent opinion of fair market value supporting the

payment terms of this Agreement.
