Placement at advanced step may be requested to compensate employees to commensurate with their specialized knowledge, skills, experience, and recognition of their current compensation. Pursuant to the provisions of the Personnel Policies and Practices Resolution (PPPR) #98-394, only the Board of Supervisors can authorize placement above Step 3 in Unit Y.

Mr. Spaur’s knowledge, abilities and work experience warrant his appointment at an advanced step. Mr. Spaur has nearly 25 years of executive experience in the community and economic development field. He is affiliated with a number of economic development professional

organizations, including California Association of Economic Development and International Economic Development Council.

In determining the appropriate step for appointment, prior compensation levels and the effect of differences in compensation and benefits for each position were considered. Salary recommendations have been made in accordance with the County's Personnel, Policies and Practices Resolution (PPPR) sections A.1.11.1, and A.1.11.5. These sections provide for appointment at a higher salary step for reasons including credit for experience, difficulty of recruitment, avoiding injustice, and employee negotiation.

Therefore, approval is requested to place Mr. David Spaur at Step 4 of the County's current salary schedule for the Economic Development Director position.
