

DSS seeks to continue the Expanded Subsidized Employment Program to serve our hardest to employ customers. Monterey County Department of Social Services requested proposals from vendors under RFP #10530. The contract was awarded to Goodwill Central Coast. The project will place 150 CalWORKs Welfare-to-Work customers into immediate subsidized employment positions. These customers have minimal or no work experience and/or need to establish appropriate work behaviors before entering unsubsidized employment, or the existing 'work ready' subsidized employment opportunities.

Goodwill Central Coast will provide services for ESE that will include assessment of employment skills and needs, job readiness and retention training, immediate (within two days) employment at Goodwill stores throughout the county for a minimum of six weeks, intensive case management to assure success on the job, paying wages to participants, and placement of participants in unsubsidized employment. CalWORKS customers are eligible to participate in ESE for up to six weeks or longer if the customer is obtaining specific skills and experiences in a particular field or if a longer placement will lead to unsubsidized employment.
